Many Wave Farewell to Soldiers

Newark Women Provide Lunches For Two Companies

Newark listened loyally last Thursday, for the signal telling of the start southward of the boys of E Company, and had the troop trains pulled out in the afternoon as had been expected, it is certain that a large crowd would have been at the station to wave a farewell. Owing to the fact that the train bearing the third battalion did not leave New Castle until midnight, however, the message arranged for miscarried, and no signal was given. In spite of this a crowd of several hundred greeted the first and second battalions which went through at 7.30 and 8.30. About forty remained until 1.10, when the third train, bearing the local men, reached the Newark station. The train remained for five minutes, owing to a change of crew, and friends declared that they felt repaid for the long wait.

The "boys" arrived at Anniston on Sunday. They report a delightful trip and much hard work since reaching camp.

Miss Elizabeth Grime and Mrs. J. P. Wright, representing a local committee visited the Rifle Range early on Thursday morning, with a supply of "eats" prepared by the ladies of Newark for the boys of Company E and the Machine Gun Company, formerly stationed at Newark. The lunches included apples, bananas, sandwiches, sweet chocolate, cigarettes, and home made cakes.

GOV. TOWNSEND WIRES WAR DEPARTMENT

Insists That Promise To Keep Delaware Regiment Intact Be Fulfilled

Governor John G. Townsend, receiving word late Monday afternoon of the disorganization of the Delaware regiment at Anniston, Alabama, forwarded the following telegram to Secretary of War Baker:

Dover, Del., Oct. 8, 1917.
To Secretary of War Baker,
Washington, D. C.

When I went to Washington and asked for recognition of the regiment from Delaware you gave assurance that it would be recognized and kept as a unit. Upon that assurance I appealed to the citizenship of the state with results highly gratifying.

In every movement in this war Delaware has taken her usual historic position first. The Federal Government has the support of this commonwealth. While not large in territory or population her citizens have done their part more. In point of population we have furnished more than our quota. If there were more than one regiment in the state, there would probably be no question of partial disorganization.

Expressing the strong opinion of her citizens, I ask that the Delaware regiment be kept intact. Surely Delaware's history and her recent record merits more than passing attention. Reports from Anniston say that disorganization has begun. I present the demand for the citizenship of this state for your consideration—that the regiment from the first state in the Union be maintained.

J. G. TOWNSEND, JR.,
Governor of Delaware.

In a dispatch from Anniston, printed Monday afternoon, this statement was made, and it inspired the telegram sent to Secretary Baker on Monday evening.

Notwithstanding the understanding that the Delaware regiment was to remain intact after reaching here, it was announced today that some of its members are to be transferred to other commands. The first to go is Lieutenant William A. Duffy, Dental Surgeon P. C. Southard of Wilmington, who were transferred to another unit. Both are dentists.

RED CROSS MEETING THIS WEEK

Town To Be Canvassed For Preserves And Jellies

There will be a meeting of the Newark branch of the Red Cross in the headquarters in the Elliott building, on Friday afternoon, October 12, at four o'clock. All members are invited to be present. There will also be a meeting of the Delaware Branch, in the Rose Room of the Hotel DuPont on October 25, at 3 p. m. Local members are invited to be present.

On Thursday of this week (October 11th) there will be a house to house canvass by Red Cross workers in Newark, for preserves and jellies, as requested early in the summer. Housewives are requested to be in readiness when the committee calls upon them.

An appeal was received on Tuesday afternoon, from Mrs. Preston Lea, chairman of the Committee of Colonial Dames, who have undertaken the task of supplying the men of the Delaware regiment at Anniston, Ala., with warm knitted garments. The wool is now on hand and will be forwarded promptly upon application. Although most of the knitters in the neighborhood are engaged upon garments requested for American soldiers in the trenches, and others who can knit, are urged to apply for yarn at once. Applications should be forwarded to Miss Elizabeth H. Grime, Newark.

DELAWARE MEN AT CAMP McCLELLAN

Correspondent Gives Glimpse of Life There

Camp McClelland,
October 8, 1917.

The Delaware men arrived in camp about 9.30 on Sunday morning, after a pleasant trip south. Accommodations were pronounced comfortable by the men, and there was an abundance of "eats" throughout the journey. On Saturday the train moved very slowly, making only eighty miles in twelve hours. The men detrained at Danville, Va., for coffee, and again at Greenville, S. C., for a hot breakfast. No cooking was done on the train during the trip.

The camp, situated on hilly ground, is about six miles from Anniston. Many of the Company streets run down a hill. Each Company has a shower house, equipped with ten showers. The kitchens are 120 feet long, and elevated at one end about six feet above the ground. They are splendidly equipped, and have closets, pantries, and running water. The dining halls seat two hundred and fifty men. A large Y. M. C. A. hall is located on a hill overlooking the camp grounds. Since the coming of the soldiers, dozens of stores have gone up about two hundred yards outside of the camp. One of these covers about an acre of land and has everything to sell—eats, smokes, clothing, and sporting goods, magazines, etc. All tents are to be lighted by electricity.

The weather to date has been delightful. It gets quite hot at about noon, but is very pleasant at night. The men go around without sweaters or coats. Reveille is 6 a. m. on week days; 7 a. m. on Sundays. (6 a. m. is 7 a. m. in Delaware). The drill periods are from 7.30 to 11.30 a. m., and from 1 to 5 p. m.; Taps at 10 p. m., and inspection at 9.00 a. m. Saturdays and Sundays.

Two dentists have already been transferred to another battalion, and the preservation of the regiment is a subject of general discussion among Delaware men in camp.

Lt. McAvoy A Visitor

Lieutenant William J. McAvoy, formerly Coach at Delaware College, spent Sunday with his wife at Maplehurst and also called on some of his friends in Newark. Lieutenant McAvoy is now stationed at Camp Dix, Wrightstown, N. J., and is greatly interested in his military work.

Coal Administrator Appointed

The Council of National Defense has wired Governor Townsend today that C. H. Tenweeges, of Wilmington, recently recommended by the Governor, has been appointed Coal Administrator of Delaware. Mr. Tenweeges will work in co-operation with Dr. Garfield, the Federal administrator.

Ebenezer Housewives Send Jelly To Soldiers

The Ebenezer group of the Newark branch Red Cross, has collected, to be forwarded to local headquarters, one hundred glasses of jelly for the use of soldiers during the winter. Considerable sewing has also been done by the group during the summer months.

HEAD OF DEPARTMENT APPOINTED

New Professor Comes From Minnesota

The trustees of Delaware College have today elected Dr. C. C. Palmer, professor of bacteriology and veterinary science. Dr. Palmer is at present at the University of Minnesota, with which institution he has been identified for four years. If possible he will assume his duties on October fifteenth. With his family he will occupy the house from which President Mitchell will move in the near future.

IMPRESSIVE EXERCISES IN WOLF HALL

Ambulance Presented Last Thursday

Impressive indeed, were the exercises which marked the presentation of the Delaware College Ambulance, in the auditorium of Wolf Hall, last Thursday afternoon. Students of the two colleges, members of the Delaware Chapter, Daughters of the American Revolution, who presented the Ambulance, townspeople and distinguished guests were present.

The occasion was the first joint assembly of the students of the two colleges in the new building. Large silk American and State flags were conspicuous on the platform, and a series of small silk flags, the emblems of the allied countries, placed attractively in the windows, added patriotic fervor to the meeting. Students of the Women's College all dressed in white, and wearing sweaters which outtrilled the rainbow in gay color effect, contributed, by their presence, to the impressiveness of the meeting. Dr. Mitchell, president of the affiliated colleges, presided. The exercises were opened with prayer by the Rev. Walter G. Haupt. The presentation of the ambulance was made by Mrs. E. P. Moody, chairman of the ambulance committee of the Delaware Chapter, and the speech of acceptance by Josiah Marvel. Others who made short speeches were Mrs. George C. Hall, regent of the chapter; H. P. Cleaver, representing the student body, and Dean E. Laurence Smith, representing the faculty.

Dr. Mitchell in introducing Josiah Marvel, the speaker of the afternoon, declared, "The purpose of Delaware College, after all, is to make publicists. It is a pleasure therefore, indeed, to introduce to the student body the embodiment of that ideal in the person of Josiah Marvel, who whenever a burden is to be borne, is always to be lighted by him."

Students Settled In New Dormitories

Monday was moving day at Delaware College, the south wing of the new dormitory being first opened for occupancy. Many students had been rooming temporarily in the first finished section and on Monday moved to their own rooms. Now that the whole building is completed, there is room for all, and the building is a model of comfort and convenience.

On Monday also, the electric line to Wolf Hall was completed, and now all the apparatus in the chemical laboratories is connected and in working trim.

New Leader of Demonstration Work

Miss Gertrude L. Blodgett, state leader of Home Demonstration Agents, who succeeds Miss Elizabeth Jefferson, resigned, is in the New England States, observing work there, previous to assuming active duties in Delaware.

Ian Hay In Wilmington

Ian Hay, the English novelist, will lecture at the New Century Club building, Wilmington, on December 4th.

J. H. Hossinger Home

Former Mayor Joseph H. Hossinger, who sustained a broken ankle more than a week ago in jumping from an automobile near Baltimore when he saw the machine was going to collide with another car, is now at his home. He was brought to his home from a Baltimore hospital on Saturday. His ankle is now in a plaster cast but he expects to be able to get around with the aid of crutches in the course of a week. Mr. Hossinger is treasurer and director of the Baltimore branch of the new Farm Loan Bank.

Trustee Purchase Home For President

At the meeting of the Board of Trustees of Delaware College held in Wilmington last Saturday, "The Knoll," the beautiful residence on the corner of Delaware and South College Avenues, was purchased from Walter C. Curtis, for a home for the president of the affiliated colleges. Mr. Curtis will vacate November first, and the new home will be immediately occupied by Dr. Mitchell.

LIVE PARENT-TEACHER ASSOCIATION AT FAIRVIEW

Prizes Awarded For Crops And Canned Goods

Meetings of the Fairview School Parent-Teacher Association, near Ebenezer, were resumed last Thursday evening, when the October meeting was held. M. O. Pence, state leader of county agents, made the chief address of the evening. Mr. R. O. Bauman, new County leader of New Castle, was also present and made a few remarks.

An exhibit of fruits, vegetables and corn grown in the school district was a feature of the meeting. Of especial interest were the "crops" of potatoes grown by the children of the school in response to the request of the teacher for each child to plant one potato. Franklin Knotts received the prize of \$.50, exhibiting over a half peck as his yield. There was also an exhibit of fruit, canned by the pupils. Ribbons were awarded to Franklin Knotts and Elizabeth Cook.

The meeting was largely attended and genuine neighborhood fellowship prevailed. Mrs. Arthur Whiteman, the president, presided at the meeting.

WEDDINGS

Ferguson-Dunn

Cards announcing the marriage of Miss Laura Dunn and Mr. Howard Franklin Ferguson, at the home of the bride in Washington, Pa., last Saturday, October 6th, have been received by friends in Newark. Mr. and Mrs. Ferguson will visit the groom's parents, Mr. and Mrs. G. P. Ferguson, on Thursday or Friday of this week.

Sheppard-Wilson

Miss Mary B. Wilson, of near Newark, and Charles C. Sheppard of Kemblesville, Pa., were married on Saturday evening, September 29th, at eight o'clock, by the Rev. David Reed, at the parsonage of the White Clay Creek Church. Both bride and groom have many friends in Newark.

Mr. Sheppard is a member of Company E, First Delaware Infantry. He left with his regiment on Thursday for the training camp at Anniston, Alabama.

FIFTH GRADE TEACHER RESIGNS

Becomes Assistant To State Leader of Club Work

Miss Agnes Medill, for several years teacher of the Fifth Grade, Newark Public Schools, has tendered her resignation to the Board of Education, to accept the position of assistant State leader of Boys' and Girls' Club Work. Mr. H. T. Ruhl, State leader, will transfer his office from Dover to Wolf Hall, Newark, on October 22nd. These positions are new ones, created under the Emergency War Measure of the Federal Government. Miss Medill will assume her new duties November first. Her successor in the Newark school has not yet been appointed.

Jones Military Instructor

Johnny Jones, a graduate of Delaware College, is now military instructor at Tome Institute and is also tutoring English. In addition to the military experience that he received while a student at Delaware College he was also a sergeant in Company E, while that company was on the Mexican border.

AMBULANCE IN SERVICE

Two Newark Patients Taken To Hospital

The Ambulance presented to Delaware College last Thursday by the Delaware Chapter, D. A. R., has already answered two calls during the past week. The first was last Sunday when Miss Emilie Pennington, teacher of the Fourth Grade, Newark Public School, was taken to the Delaware Hospital, to undergo an operation. Miss Pennington is reported improving.

On Tuesday the ambulance was again called into service by Dr. Steel to take Mrs. Elton Adams to the Homeopathic Hospital, Wilmington. The car was driven by K. R. Bowen of the Ambulance Corps, and attended by H. C. Cleaver. The latter patient was accompanied by Dr. Steel and Miss Beck.

Supper Date Announced

The annual supper of the Ladies' Aid of the Newark M. E. Church, will be held on Thursday evening, December sixth. The place has not yet been designated.

NEW STORE OPENED IN NEWARK

Council Entertained Last Saturday

The Newark store of the Wilmington and Philadelphia Traction Company, located in what was formerly the drug store of George W. Rhodes, was opened to the public Monday. The management has designated this week as "opening week" and in addition to the several hundred persons who inspected the store Monday evening many others have taken the opportunity since to look over the new establishment. The numerous things electrical that the company is offering for sale are a revelation to many of those who have visited the store which promises to be a great credit to not only the company but also the town as it fills a need in the business life of Newark. Housewives are especially interested in the large line of electrical articles displayed, most of them great savers of both time and labor. The motto of the store is to be "At Your Service."

Last Saturday evening some of the officials of the company entertained Mayor E. B. Frazer, members of Council and representatives of local newspapers at a delightful luncheon at the store. The guests were also shown over the store and the various electrical articles explained to them. At the plate of each guest was an attractive and very useful favor, an electrical pocket flashlight. The following menu all of which was prepared on the electrical range, was served:

Ripe Olives
Chicken A la King Baked Potato
Celery
English Dinner Biscuits
Mousse Coffee

OBITUARY

Mrs. Adeline A. Coverdale

Mrs. Adeline A. Coverdale, a life long resident of this community, died at her home in Philadelphia last Wednesday, October 3rd. The deceased was 77 years of age. Funeral services were held from St. James Church, near Stanton, last Sunday. Interment in the adjoining cemetery. Two sons, Robert Coverdale of Philadelphia, W. M. Coverdale of Wilmington, and a daughter, Mrs. Denney, of Wilmington, survive.

W. R. Wilson

Mr. W. R. Wilson, aged 59 years, died at his home in Wilmington, on October 4th, after a brief illness. The body was brought to Newark on Sunday, and interred in the Welch Tract Cemetery. The deceased was a brother of John T. Wilson, of Wilson's Shops. He is survived by a son, Ernest Wilson, of Delaware College, and a daughter, Miss Pearl Wilson, of the Women's College.

Virginia S. Gemmill

Virginia S. Gemmill, aged 69 years, died on October seventh, at her home in Washington, from the effects of a fall sustained recently. Miss Gemmill spent her early life in the neighborhood of Christiana. She was for many years in the employment of the government, at Washington.

The body was brought to Newark on Tuesday, and interred in the Christiana Presbyterian Church Cemetery.

DEAN ROBINSON AT- TENDS CONFERENCE

Plan Recreation Centres At Cantonments

On Thursday there was held at the Y. W. C. A. headquarters on Lexington Avenue in New York, a conference of representatives of the Women's Colleges of New York, Pennsylvania, New Jersey, Delaware and Maryland. The object of the conference was to discuss the work which the Y. W. C. A. must do in the present new crises. The morning session and during the lunch hour the subjects presented for discussion were: (1) The erection of hostess houses at the various cantonments, —houses where the men may feel free to receive their friends, and where pleasant social times will be provided. (2) How the Y. W. C. A. may best furnish necessary aid to foreign organizations within the countries at war.

In the afternoon and evening the Y. W. C. A. delegates were joined by men from the Y. M. C. A. —The vital subject of discussion being, "What the Y. W. C. A. can do to relieve suffering in the Prison Camps."

Dean Winifred J. Robinson attended both conferences and brought home accounts to the faculty and students of the Women's College.

In the near future there is to be a similar conference in Chicago to which Western Universities will send delegates.

Y. W. C. A. Work At Women's College

Monday evening the Cabinet of the Young Women's Christian Association held the regular meeting. Plans for the year's work were discussed. On Sunday evening the meeting was in charge of Miss Mary Dennison. The subject was "What We Are," and was in an explanation of the various fields of work conducted by the organization. The various members of the cabinet spoke of the activities of their communities as follows: Membership—Miss Mary Wright; Bible Study—Miss Kathryn Jackson; Social Service—Miss Mary J. Mason; Finance—Miss Margaret Gray; Infirmary—Miss Kathryn Fletcher; Mission—Miss Alice Roop; Religious Meetings—Miss Helen Bishop; Miss Catharine Schunder, president of the organization, spoke of the work as a whole and welcomed the new members. A special feature was a solo by Miss Eleanor Duffy of Cooch's Bridge. In conclusion, Miss Dennison read the purpose of the Young Women's Christian Association, because that sums up in a few words the far reaching aim of the organization.

This year for the first time, the wives of the faculty of Delaware College have been invited to join the society. The girls feel that in this way both the college girls and the other women can come into closer companionship and become sources of help and inspiration to each other. Many of the faculty women have already been visited by the members of the cabinet and have expressed their willingness to become members.

GLEE CLUB ORGAN- IZED AT W. C. D.

Girls Sing Song As Delaware Soldiers Pass

On Wednesday night the Glee Club of the Women's College held its first meeting for the year. Miss Silvia Bachrach is the leader as she was in former years. The new members of the Glee Club are:

First Sopranos: Kathryn Stevens, Anna F. Knowles, Laura Rodney, Helen Fisher, Cardelle Williams.

Second Sopranos: Calysta Feehsey, Anna Vasant, Mary Evans, Kathryn McGraw.

First Altos: Olga Seifert, Agnes Fowler, Margaret Groves, McDowell.

Second Altos: Carolyn Ray, Anna E. Beckett, Margaret Layton, Esther Dodson.

Students of W. C. D., see Troop Train on its way to Camp Anliston.

On Thursday a few of the girls having brothers or friends bound for Anliston were chartered to the Pennsylvania Station to see the troop train pass on its way. They had composed a song to be sung to a popular college air. These are the words:

We're for our soldiers!
U. S. must win!
Fight to the finish;
Never give in, (Rah, rah, rah)
You do your best, boys,
We'll do the rest, boys,
Fight for Democracy.

In Memoriam

In memory of Jennie A. Moore, wife of William J. Moore, who departed this life October 7, 1916.

One year has passed away and how we miss her!

Friends may think the wound has healed, but they little know the sorrow, that lies within our hearts concealed.

We will treasure long and fondly, All the loving words she said, but remember in our anguish, that our loved one is not dead.

(Husband and Children)

Governmental Ideas Of Honor

President Wilson on several occasions, notably in his War Message of April 2 and in his reply to the peace note of the Pope, has called attention to the fact that no peace can be maintained with the Imperial German Government; that no autocratic government such as it can be trusted to keep faith; that only free people can hold their purpose and their honor steady to a common need, and prefer the interest of mankind to any narrow interest of their own.

The President was only restating a difference between two systems of governmental policy, two different governmental ideas of national honor, that has long existed. The quotations given below show the American idea of a na-

tion's honor from the inception of this government down to the present day and the idea of national honor held by the German Government since the days of Frederick the Great.

"The foundations of our national policy will be laid in the pure and immutable principles of private morality. There exists in the course of nature an indissoluble union of virtue and happiness, between duty and advantage, between honest policy and public felicity. The smiles of heaven can never be expected on a government that disregards the eternal rules of order and right, which heaven itself has ordained."—George Washington, President of

the United States. April, 1789.

"We are at the beginning of an age in which it will be insisted that the same standards of conduct and of responsibility for wrong done shall be observed among nations and their governments that are observed among the individual citizens of civilized states."—Woodrow Wilson, President of the United States. April, 1917.

"We are now in a state of necessity and necessity knows no law. Our troops have occupied neutral Luxemburg and perhaps already have entered Belgium territory. This is a breach of international law. The wrong we hereby commit we will try to make good as

soon as our military aims have been attained. He who is menaced as we are, and is fighting for his highest possession, can only consider how he is to hack his way through."—The German Chancellor Addressing the Reichstag, August 4, 1914.

The German Chancellor was simply following the keynote given by Frederick the Great speaking in 1740: "The question of right is an affair of ministers. Take what you can; you are never wrong unless you are obliged to give back."

Contrast the American and the German standards of national honor. The honor and good faith of the American Government from Washington's day to Wilson's are back of the Liberty Loan Bonds. Well may they be called the safest investment on earth—the premier security of the world.

LET'S HAVE REASON NOT INSINUATION

Such names as Captain Kidd, Dick Turpin, pirates, are used by the Every Evening when speaking of the farmers who stand in the King Street market. The farmers' market has for years been the subject of attack by this paper, but in their recent Gouge accusations, it has been especially bitter and grossly unfair. In our dealings with men we have found that the farmer is about as honest, about as patriotic and about as much a gentleman, as men in other walks of life. Our bit of experience has brought us in contact with the farmer and the newspaper man. Taking them as men in their dealing with men, one is about as fair as the other—with, of course, an occasional striking exception.

Prices are high, we admit and an investigation will show clearly and definitely the reason. Apparently the Every Evening is making no attempt to investigate conditions but merely to present one side. Incidentally permit us to say that after a days drive we secured two negroes to cut corn on our farm—and we had to pay more than is received by any men on the staff of our contemporary. This is illustrative of one of the reasons for high prices. If we are to have an investigation of the market let the newspaper discussion be one of reason and not one of insinuation. Let it tend toward adjustment and understanding rather than lead to class prejudice.

The American farmer is not a pirate and to so speak of him at such times as these is not conducive to the spirit of co-operation now so imperatively needed.

SHARE IT WITH OTHERS

Many loyal Newarkers, impelled by a belief in the statement that strangers judge a town, oftentimes, by its newspapers, forward bits of news, to enliven our columns. These kind folk care nothing whatever personally, about the item they are giving us; they merely wish to help the other fellow when they can, and at the same time, work for the interest of the local community. Just a little item of news, it is, but scores of these items will convert our pages into the liveliest little "home paper" known. Will you not help? The next time your committee meets, or you entertain guests, or plan some progressive measure for the general welfare, let us hear of it. A 'phone call or a postal card will bring us at once. Of little consequence you may consider the item, perhaps, but very probably the reading of it will interest others.

"I enjoy the intimate little accounts of parties and entertainments you occasionally give us," one reader declared this week. "I always clip them and put them away in a box for reference, when I shall need them." But, shades of modest hostesses, how hard it is to get these intimate little accounts of parties! A few there are who respond with a cordial. "Certainly, if it will give anyone pleasure I shall be glad to give it." And should we publish their names you would agree, these are the very best of our community. October is here, and with it a season full of activity. Let's share it and benefit by the experiences of one another.

DEAN SMITH HEADS ATHLETIC COUNCIL

Coach Baumgartner Attends Meeting And Is Elected General Manager

At the annual meeting of the Delaware College Athletic Council last night officers were elected as follows: Dean E. Laurence Smith, president; Professor Geo. E. Dutton, vice-president; Dr. Walter H. Steel, treasurer; Knowles R. Bowen, secretary and Coach Baumgartner, general manager. The other members of the Council are: Norris N. Wright, representing the Alumni, and J. G. Craig and F. P. McCardell, representing the student body.

The following were awarded their "D" for baseball: Pierson, Selby, Ferguson, Clancy, McCardell, Stewart, Carter, H. Horsey,

D. Horsey, and Madden, Daily, Ritz, Chillas and Marvel, were awarded the "Del."

The following on recommendation of former Track Coach C. E. Keyes, were awarded their "D" for track work: Steele, Marshall, Fitzpatrick, Craig, Loose, McDonnell, Alexander, and Crockett. In recognition of them scoring points in the Middle-States meet Coach Keyes recommended that Catts and Marsten also be awarded the "D," but action was deferred by the Council.

The following men established new records during the track season (for which they will be awarded gold medals) as follows: Crockett, low hurdles 26 2-5 in Middle-States meet; H. Alexander, broad jump 21 feet 10 inches in Drexel meet; Loose, discus 107 feet 6 1/2 inches in Swarthmore meet; McDonnell, pole vault 11 feet 5 inches in inter-class meet.

The election of David Crockett captain of next years track team was approved by the Council.

At the suggestion of Coach Baumgartner the Council gave its authority for mid-week scrimmages with the Wilmington High School team if arrangements can be made. It is likely that the band will accompany the team to Haverford on Saturday when Delaware and Haverford meet in football.

IMPRESSIVE EXERCISES IN WOLF HALL

be found right there to take it."

Mr. Marvel in an earnest address, accepted the gift of the ambulance, on behalf of Delaware the spirit that moves you to present College. "We agree now to unite in this gift," Mr. Marvel said. "Although the ambulance is of great value in itself, of far greater value is the motive that is responsible for it. It is a coincidence that the presentation of this ambulance should fall upon the very day when the Delaware regiment leaves the soil of the little Commonwealth for their southern training ground. Our gladness is mingled with sadness, coincident with the mission of Governor Townsend to escort the men who are to fight for you, to die for you. These young men are going out, that these girls before me may be safe; that democracy may indeed be safe throughout the entire world. Lend them your support, your zeal, your devotion, your prayers. Somehow, somewhere, there is a duty for every man, woman, and child, to lead to the victory that must be won, for

Conquer we must, when our cause is just; And this be our motto, 'In God is our trust.' And the star-spangled banner in triumph shall wave, O'er the land of the free, and the home of the brave."

Features of the meeting were the music by the Delaware College orchestra, and the singing of "America."

The ambulance presented to the college is modern in every particular, being of the same type that is used by the Government and the Red Cross. It was manufactured by the White Ambulance Company and was recently on exhibition in the corridor of the Hotel duPont.

It will be manned by an ambulance corps of students. Some of the members of the corps will be on duty day and night, and the machine will be subject to call in emergency cases such as serious explosions, etc., within a distance of 100 miles of Newark. In case their service should ever be needed the corps with the ambulance are prepared to answer the call of the government for service anywhere.

In addition to H. P. Cleaver the members of the corps are: K. R. Bowen, Paul Lovett, Francis Lindell and R. D. Herdman. For several months they have been receiving special instructions from Dr. Walter H. Steel and Miss Beck, in charge of the Delaware College Infirmary, in first aid and other hospital work.

NEW STORE OPENED IN NEWARK

(Continued from Page 1)

The menu cards were of an unusually attractive patriotic design. On the front of the card was an American flag and the following verse:

"For the safety of the State
For America the Great
And the Freedom of all the World."

The guests included Mayor Frazer, Councilmen Thompson, Lutton, Wilson, and Johnson, and town treasurer Herman. The officials of the company present were, A. T. Throop, general superintendent of the Wilmington and Philadelphia Traction Company; W. A. Dannenhauer, sales agent; H. E. Shelton, contract agent; A. J. Cox, the manager of the local store, and W. H. Hall, power salesman.

A few remarks were made by Mayor Frazer, Councilmen Thompson and Wilson; superintendent Throop and Mr. Dannenhauer. The town officials welcomed the new store and commended the company for establishing such a modern

store in Newark. The officials of the company asked the co-operation of the town officials and the people of Newark to make it a success. The speakers stated that the motto of the store at all times will be "At Your Service."

The store, with its brilliant lighting, and attractive window display, has attracted many visitors all this week. Within the favorable first impression is strengthened by the courtesy of those in charge and the interesting articles exhibited. Ferns and potted plants are used as decorations.

Scores of modern devices, representing the saving of labor and general household efficiency, are exhibited. Most wonderful of all, perhaps, is the electric range upon which the menu served last Saturday, was prepared. The special range in question which has been on market for only two years, is the result of 5 years of laboratory and development work, and represents an expenditure of 1 1/2 million dollars in testing out various heating elements by the General Electric Company. So thoroughly insulated is the current that no heat whatever is wasted. A can of ice cream can be packed in a compartment in the center of the stove, while a complete dinner is being cooked. On Saturday evening a bouquet of flowers, placed on the upper shelf, never wilted, while the potatoes were baking and the cooking was being done.

The electric washing machine, which whirls the clothes over a revolving washboard, in frothy soap suds, also attracted many visitors to the store. Should Council provide a reduced rate for current used in these household appliances, this with the vacuum cleaner, and its various attachments, promises to do much in the solution of the local servant problem.

Table grills, air heaters, electric heating pads, toasters, flashlights and electric candles are among the many articles exhibited to the interested public.

Numbered cards, distributed throughout town last week, are being returned to the store daily. All of these bear numbers. Those who hold the stub to the lucky ones will receive on Saturday evening of this week prizes as follows: First, an electric reading lamp; second, an electric percolator; third, a nelectric iron.

PERSONALS

Mr. G. Fader, and daughter, Miss Lydia Fader, returned Friday after an extended trip through the West. While away they visited relatives in Denver, San Francisco, Salt Lake City, and Pittsburgh.

Mr. and Mrs. A. F. Fader and G. W. Griffin returned Tuesday from a motor trip to Norfolk, Va. They were accompanied upon their return, by Mr. and Mrs. H. D. Griffin, who are the guests of relatives here.

Private Clarence Hopkins, of Camp Dix, Wrightstown, N. J., spent Sunday with his parents in Newark.

Miss Rosalie Steel was operated on at the Homeopathic Hospital, Wilmington, on Monday, for appendicitis. She is reported today doing very nicely.

A fine rolling chair has been presented to the infirmary of Delaware College, by Miss Martha Wilson, of Oaklands.

Mr. Clarence Major, who underwent an operation on Monday at Johns Hopkins Hospital, Baltimore, is reported doing nicely. Mr. Major was injured last July when his horse became frightened at a passing truck on Cleveland Avenue.

Miss Mabel Jaquette of Philadelphia, was the week-end guest of her mother, Mrs. Elizabeth Jaquette.

Mr. and Mrs. John Kirk of Philadelphia, visited Mrs. Rebecca Wilson last Sunday.

Mrs. Nellie M. Bennett and Mrs. Nan Kennedy are on a motor trip which will include stops at Richmond, Camp Lee, at Petersburg, Va., Washington, and Baltimore. The party will return sometime this week.

Mr. E. N. Vallandigham of Brookline, Mass., was the recent guest of Dr. and Mrs. C. L. Penny.

Miss Josephine Crawford of Townsend, and Mrs. Kirkbride of N. J., have been visiting Mrs. John Elliott this week.

Mr. Clifton Colmery of Elsmere, was the week-end visitor at the home of his mother, Mrs. W. T. Colmery.

Mr. Robt. Coverdale of Philadelphia, is visiting his aunt, Mrs. Morrison.

Miss Mary Colmery has accepted a position with L. Handloff, local merchant.

Social Note

Last week-end was a jolly one at the Women's College. The festivities began Friday night when about seventeen girls attended an informal dance at the Kappa Alpha Fraternity. Then on Saturday afternoon a number of girls chaperoned, by the Dean, attended the matinee of "Ben Hur" at the Playhouse.

Saturday evening the Juniors gave a bonfire in honor of the Freshmen. The student body of Delaware College received a general invitation, and the Freshmen special invitation. An unusually large crowd of college boys attended the entertainment. About eight o'clock, the bonfire was lighted and everyone went out to enjoy the splendid blaze. "Dogs" and apples were roasted over the fire, and cups of steaming coffee were passed. After the fire died down everybody went indoors to dance till ten o'clock.

Social Season Opened
By Kappa Alpha

The first dance of the season was given by the members of the Kappa Alpha Fraternity, Friday evening, in the Century Club. The room was simply and tastefully decorated with pennants and banners. A large American flag on one side and the Delaware state flag on the other added much to the appearance of the room. "Bob" Swallow was there with his orchestra and furnished excellent music.

Entertain In Honor of Teacher

A party was held at the home of Mr. and Mrs. P. A. Kernether, near Salem, on Saturday evening, October 6. The occasion was in honor of Miss Myrtle Wakeland, who is teaching at Blackbird, Del. The guests enjoyed themselves singing games until a late hour, when they retired to the dining room where refreshments were served.

About seventy guests were present from Salem, Glasgow, Newark, Hill, Christiana, Porter, Bear Station, Frederica, and Lion and Camp Dix.

D. A. R. HOLDS
FIRST MEETING

Entertained By Mrs. Hayward, Regent

Cooch's Bridge Chapter of Daughters of the American Revolution held its first meeting for the season at the home of the Regent, Mrs. Harry Hayward, on Saturday afternoon, October sixth. The chief topic considered was the manner of raising the Chapter's share of the cost of the ambulance recently presented to Delaware College. In addition to the amount

appropriated from the Chapter treasury, each member is requested to send her personal gift either to the Regent, Mrs. Hayward, or to the treasurer, Miss Miriam P. Alrichs, Glasgow, Delaware.

A contribution was ordered sent to the Adrienne de Lafayette Chapter, Washington, D. C., which is raising a fund to provide sweet chocolate for our soldier boys in France.

Following the business session, all enjoyed the social hour and the gracious hospitality of the hostess.

READ EVERY ITEM

Here will be found lines of merchandise that, by comparison, will impress everyone with their reasonableness. Careful watching of the markets with large advance orders placed months ago gives us an enviable position during this trying period. We mention lines you are acquainted with on which advances are so slight as not to be noticeable.

Chiffon Broadcloths, Storm Serges, Taffeta Silks, Satins.

Best Silk Hose you have ever seen, \$1.00 a pair. Best washable kid Gloves, \$2.00 a pair.

French Kid Gloves, "Trefousse & Co.," a half-century of selling here, \$2.00, \$2.25, \$2.50 a pair.

Neckwear, Leather Goods, Laces and Trimmings cover a full range of prices.

Silk Petticoats, \$3.50 each. A few years ago we thought \$5.00 a very low price.

Turkish Towels, plain colored and initial were never offered below today's prices.

Table Damasks and small fancy Linens are still within the reach of the most modest purse.

We cannot urge too strongly your selecting Blankets now. Ours are based on prices of last January's contracting. Recently all mills and stocks have been commandeered for army and navy purposes, therefore there is no chance to replenish. Our values are wonderful.

Knitted and Muslin Underwear will be found normal.

Garment Section News

Bring your judgment to bear on lines of garments we show. You will say that Suits at \$25.00 each are as good as you ever saw at the price. The same prevails right through the suit line.

As to see the range of Dresses at \$18.00, \$20.00, \$22.50, \$25.00, \$30.00, \$35.00 each and you will wonder at their beauty and reasonableness.

Waists, Top Coats, Skirts and Furs are all equally as fairly priced.

We solicit charge accounts from those of established credit, and prepay delivery charges on all purchases within a reasonable distance.

DUNCAN'S SKILL AS AN ATHLETE

Displayed In Photo Drama At
Opera House

Because of his work in "The Fighting Trail," the Greater Vitagraph serial, of which the third episode will be shown at the Opera House on Thursday, October 11th, William Duncan, leading man and director of the big photographic enterprise, has been dubbed "the best fighting man in motion pictures."

Mr. Duncan, a Scotchman by birth, but an American since he was a lad in knickers, is one of the finest athletes in the world. He is five feet and ten inches tall, weighs 200 pounds and is as sturdy as a steel safe. After winning athletic honors at school, Mr. Duncan became an instructor in the famous McFadden's Physical Culture School and later conducted a school of his own. His prodigious strength and wrestling ability brought him to the attention of Sandow the Great, known as "the strongest man in the world," and he prevailed upon Duncan to abandon physical culture and go on the vaudeville stage with him. Duncan served as wrestling partner to the great Sandow for several seasons. Later he went into motion pictures and in that field has earned a reputation as one of the most virile leading men before the camera.

Among his greatest pictures are "God's Country and the Woman," "Through the Wall" and "Aladin From Broadway." He is both director and actor.

Duncan is an expert wrestler and boxer, a champion swimmer, skilled horseman and rifle shot. All of these talents he brings into play in "The Fighting Trail," and the fights in which he appears are the real thing. He refuses to stage phoney fights before the camera and when the big men playing opposite him go into battle they are forced to do their best.

All through "The Fighting Trail" Mr. Duncan is engaged in hard personal encounters. One of the most thrilling of these is staged in the second episode of the serial when he tackles two men on a mountain top and whips them single-handed.

Increasing The Yield Of Wheat Varieties

The variety of wheat is often a determining factor in securing a high yield of grain. It is important to select varieties of good milling quality, that stand up well, that are most resistant to disease and that yield heavily. More than one hundred varieties have been tested at the Experiment Station during the past nine years. In general the bearded varieties have made better yields than the smooth. There are some smooth wheats which produce excellent yields, yet one year with another the bearded sorts are more dependable than the smooth. It appears from the experiments conducted at the Station that the bearded varieties yield better on poor soil and under unfavorable conditions of seeding. A comparison of the average yield of twenty smooth with twenty bearded shows a difference of 5 bushels per acre in the favor of the bearded. Of the ten highest yielding varieties during the past eight years eight have been bearded. The ten lowest yielding varieties were smooth.

Of the bearded varieties the following are recommended: Gypsy, Red Wonder, Miracle, Rudy, Lehigh and Mediterranean. Of the smooth varieties: Leap's Prolific, Currell's Prolific and Poole.

During the past four years the varieties Miracle and Leap's Prolific have been among the most promising the Station has tried. The Leap's Prolific is a smooth wheat with long stiff straw, with a firm hard berry. It has yielded as well as any of our bearded varieties. This variety seems to be especially adapted to the lighter soils of the State.

Doubtless many Delaware farmers are growing wheat of inferior or poorly adapted varieties, or some of the better varieties that are badly mixed and thru careless

handling have become inferior. Contrary to popular opinion wheat does not run down when the same strain is grown on the same farm for many years. Home grown, clean seed of a suitable variety is better than seed wheat brought in from a great distance. The condition known as "running out" is caused by neglecting to fan out broken and inferior kernels. If the wheat is kept clean it will continue to produce standard yields of uniform wheat. That the farmer may often profit by the introduction of a better variety is shown by a number of cooperative tests conducted by this Station with farmers during the year 1913. In this case sufficient seed wheat of two varieties to sow one-half acre each was furnished to farmers to sow along in the field with their own stock of seed wheat. At harvest time these two one-half acre plots were cut and threshed separately. In one case the owner's variety produced 15 bushels per acre. One of the new varieties produced 22 and the other 26 bushels per acre. Several other farmers had equally as large a difference between their varieties and the ones introduced. The difference in yields in this case would easily pay for the cost of growing a crop of wheat.

Every farmer who is not satisfied with the wheat he is now growing should try some of the varieties mentioned above or write to the Department of Agronomy, Delaware Experiment Station.

Have you been in to see us yet—to join us in the greatest of our birthday celebrations? If not, then you have no idea of the wonderful values awaiting you.

We are offering high-grade and seasonable merchandise at old prices—or less; maintaining and magnifying the worthiness that has characterized the Snellenburg store during the past years, and at the same time helping our patrons to truly "save and serve."

If you set out to buy your fall suit or overcoat with a mind open to conviction and a purse closed to extravagance and waste, you'll surely buy here.

We show more styles and patterns than you can find elsewhere; our quality standards are the highest of any store in the city; our tremendous purchasing power and the fact that we operate our own factory enables us to save you 25 to 33 1-3 per cent on each suit or overcoat.

\$15, \$18, \$20, \$22, \$25

It is with pleasure that our salesmen show you the many different models which we carry regardless of whether you purchase or not.

SECOND LIBERTY LOAN CAMPAIGN ON

Secretary McAdoo Issues Formal Statement

With the following signed statement released for publication on Monday, October first, Secretary of the Treasury, W. G. McAdoo, formally opened the campaign for the sale of Liberty Bonds, amounting to \$3,000,000,000.

For the purpose of equipping with arms, clothing and food our gallant soldiers who have been called to the field;

maintaining our Navy and our valiant tars upon the high seas;

providing the necessary means to pay the wages of our soldiers and sailors and, if the bill now pending in the Congress passes, the monthly allowances for the support of their dependent families and to supply them with life insurance;

constructing a great fleet of merchant vessels to maintain the line of communication with our brave troops in France, and to keep our commerce afloat upon the high seas in defiance of the German Kaiser and his submarines; creating a great fleet of aeroplanes, which will give complete supremacy in the air to the United States and the brave nations fighting with us against the German military menace; and for other necessary war purposes.

There is now offered to the American people a new issue of \$3,000,000,000 of bonds to be known as the Second Liberty Loan. They will be issued in such denominations and upon such terms that every patriotic citizen will have an opportunity to assist the Government by lending his money upon the security of a United States Government bond.

It is essential to the success of the war and to the support of our gallant troops that these loans shall not only be subscribed, but over-subscribed. No one is asked to donate or give his money to the Government; but everyone is asked to lend his money to the Government. The loans will be repaid in full with interest at the rate of four percent per annum. A Government bond is the safest investment in the world; it is as good as currency and yet better, because the Government bond bears interest and currency does not. No other investment compares with it for safety, ready convertibility into cash, and unquestioned availability as collateral security for loans in any bank in the United States.

People by thousands ask the Treasury constantly how they can help the Government in this war. Through the purchase of Liberty Bonds every one can help. No more patriotic duty can be performed by those who cannot actually fight upon the field of battle than to furnish the Government with the necessary money to enable it to give our brave soldiers and sailors all that they require to make them strong for the fight and capable of winning a swift victory over our enemies.

We fight, first of all, for America's vital rights, the right to the unmolested and unobstructed use of the high seas, so that the surplus products of our farms, our mines and our factories may be carried into the harbors of every friendly nation in the world. Our welfare and prosperity as a people depend upon our right of peaceful intercourse with all the nations of the earth. To abandon these rights by withdrawing our ships

and commerce from the seas upon the order of a military despot in Europe would destroy prosperity and bring disaster and humiliation upon the American people.

We fight to protect our citizens against assassination and murder upon the high seas while in the peaceful exercise of those rights demanded by international law and every instinct and dictate of humanity.

We fight to preserve our democratic institutions and our sovereignty as a nation against the menace of a powerful and ruthless military autocracy headed by the German Kaiser, whose ambition is to dominate the world.

We fight also for the noble ideal of universal democracy and liberty, the right of the smallest and weakest nations equally with the most powerful to live and to govern themselves according to the

will of their own people.

We fight for peace, for that just and lasting peace which agonized and tortured humanity craves and which not the sword nor the bayonet of a military despot but the supremacy of vindicated right alone can restore to a distracted world.

To secure these ends I appeal to every man and woman who resides upon the soil of free America and enjoys the blessings of her price-less institutions to join the League of Patriots by purchasing a Liberty Bond.

Whether it is for complete plumbing work for a new house or a small repair job, any service we perform large or small receives the same careful attention and skillful handling. We have the experience, the knowledge and the facilities to do any job right, at the right figures. Get our estimates.

The Nation's Fighting Men Are Mobilizing!

Great military cities are springing up all over the land; and linking these training camps, aviation fields, coast defenses, naval stations and even most remote points where our forces are gathering, is the Universal Bell Telephone System—linking each with the other and all with the Departments at Washington.

Upon the declaration of war, the Bell System was placed unreservedly at the disposal of the Government, whose already enormous demands for telephone service are continually increasing. Likewise unprecedented are the service requirements of private business, which necessarily must be subordinated in times of emergency.

And, altogether, the patriotic American public can co-operate most effectively with the Government if they will contribute toward the continued maintenance of an effective telephone service by discouraging all extravagant and wasteful uses of it.

Standing Behind The Soliders

You are undertaking a great duty. The heart of the whole country is with you. Everything that you do will be watched with the deepest solicitude not only by those who are near and dear to you but by the whole Nation besides, for this great war draws us all together. * * * —from President Wilson's address to the soldiers of the National Army.

If the heart of the whole country is with our soldiers of the National Army, and it is believed that it is, the money of the Nation will be back of them. The Liberty Loan is to be used to arm, equip, and maintain our soldiers, to prepare them for the conflict in France, and make them as effective and powerful as possible, and safeguard them in every way possible. In addition, it will be used to give them life and indemnity insurance and provide for their dependents. The uses of the Liberty Loan appeal to every patriotic American, for it is used for our sold-

BLUE AND GOLD LOSE FIRST GAME

Maryland State Defeated Delaware At College Park Saturday 20 to 0

Although defeated in the first game of the season at College Park on Saturday by Maryland State, Coach Baumgartner and the Delaware College players are in no wise discouraged. While the Blue and Gold squad were hoping to win and put up a game fight yet the result was not surprising under the circumstances. Maryland won 20 to 0.

Coach Baumgartner had but one week to get the men in shape and organize a team for this first game and in addition to this handicap three of the 1916 veterans, Captain Wilson, Carter and Loose, were unable to play on Saturday. Captain Wilson's father died during the past week and Carter and Loose were out with sprained ankles. The latter two it is expected will be in shape to get in the game against Haverford at Haverford on Saturday.

The absence of Captain Wilson, who is one of the best tackles that Delaware has had for years, was especially felt. Despite all of these handicaps Delaware played a much better game than the score would indicate. Their opponents have a heavy and experienced team. The Blue and Gold lacked the punch and driving power that is necessary to win games but this may be developed with more practice.

Several of the new men showed up especially well. Stewart at center played a strong defense game and Tonkin, the new quarter, did good work. Lauritsen at tackle, and McCaughan and M. Plam, of the backfield, were other Delaware men who played a good game. McCaughan did the punting for Delaware. The line-up:

Maryland State **Delaware**
Rich l. e. L. Plam

FIBRE BOYS GET AFTER IRON HILL

Result of Much Talked of Game Was Disastrous To Marylanders

The much talked of game between Continental and Iron Hill was played Saturday afternoon on the local grounds and proved the easiest proposition of the season for the home team. Iron Hill went under 19 to 2. The visitors never had a chance.

Continental got after Shane, Iron Hill's twirler, at the start and pounded him for eight runs in the second inning which put the game on ice and took all interest out of the contest. Ewing, a local boy, pitched the last two innings for Iron Hill.

Gray was in the box for Continental and allowed only five hits without exerting himself. Fulton and Jackson were the batting stars each getting four hits. The score follows:

FOURTH AND MARKET STREETS, WILMINGTON

Fall Fashion Review FOR DRESS UP WEEK

You are invited to make a special inspection of all the newest and latest fashions in fabrics, and ready to put on garments, as well as rugs and draperies that are ready this week; careful preparation for the last six months, earlier than usual shipments to avoid the freight congestion, have combined to give us the largest and most interesting stock of merchandise that we have ever displayed at this season of the year.

Come every day and look through the stocks carefully. We will be very glad to show them to you in detail so that when you are ready to buy you will know that this is the store from which to get the most dependable merchandise in the largest variety and at the fairest prices.

THESE SUITS

Come and try them on that you may the better see how becoming they are to you. You will like the high quality of fabric and your closest examination will find no fault with the expert tailoring that means so much in the wear and the "hang" of your suit a month or two after you get it. These suits are right.

This all wool Poplin at \$25 has the coat plaited down the back, and half box plaits in the front. The deep collar is inlaid with velvet. The full skirt has a gathered back and cut-in pockets.

This fine Broadcloth Suit has the straightline long coat gathered over the hips with self color straps. Broad sailor collar in velvet. A plain front, full back gathered skirt makes a model that is quietly elegant, yet not nearly as expensive as it looks. In burgundy, blue, brown and black, \$35.00.

There are hundreds of others which we want you to see.

Second Floor, take elevator.

The New Fall Dress Goods are ready and selling

The fashionable fall fabrics are here in high qualities and because we ordered these months ago you get the benefit of the lowest possible prices for Dress Goods of dependable worth and quality.

The showing of new Scotch Tweeds, of Gun Club Checks, Kummy Kloths, fancy mixed and Velours, all the fashionable shades for fall are now on display at our daylighted dress goods counter. You are invited to see the beauty and goodness of these splendid fabrics for separate coats, for suits, for skirts.

These goods are stylish, comfortable and dependable. Two special numbers in Priestley's famous English goods. A navy serge, one and a half yards wide, for only \$1.25, is particularly desirable for college girls' wear, and several of Priestley's imported suitings, very fine and fashionable and only \$3 a yard.

MIRROR ALUMINUM

looks well—cooks well

You'll like the practical shapes of this good aluminum wear. You'll appreciate the savings in both food and fuel when Mirror Aluminum is used in your kitchen. You will find complete lines here in this excellent and not expensive aluminum. Dish Pans, \$3.65, Syrup Pitchers \$1, Cake Turners \$5c, Sugar Shakers 10c to 40c, Tea Kettles \$3.50, Double Broilers \$2.30 up, Berlin Kettles \$1.50, Sauce Pans \$0c, Milk Kettles 75c, Covered Buckets \$1.00, Camp Cooking Outfits \$6.50, and many other items that will appeal to you and help you in the daily preparation of your appetizing meals. Housefurnishing, Basement.

Boys' Blouses for School Wear

comfortable, neat and clean-looking and strongly made with or without collars. A large variety of patterns and all sizes. At 75c they are cheaper and better than anything with the making at home.

Boys' Sweaters in red or blue or grey or brown are the very thing for this weather, and all the fellows like them. \$1.50, \$2.50, \$3.50.

Men's Furnishings, 1st Floor.

Dress up Your Home—

Make it More Cheerful

These Handsome Rugs

are in large assortment of the prettiest patterns and they are remarkably low in price because we bought them long ago. Quality the best you can buy for their prices.

9x12 size in rich Axminster Rugs, those soft, thick long-wearing rugs that furnish up your house so beautifully. \$24, \$30, \$37.50. Velvet Rugs in the same size at \$20, \$22, \$30. Body Brussels Rugs, the standard of wear in the rug line, and in those neat little figures that go well with any furniture or scheme of decoration. Here's a special at \$33 while the lot lasts, that you should certainly see and secure.
