## HEADS FOR RECREATION PLAN HERE TO BE NAMED

### Nine Directors To Be Elected At Meeting In Century Club

Directors and officers for the newly formed recreational association to direct a summer program here will be elected at a meeting of all interested parties at the Newark New Century Club Tuesday evening at 8 p.m. Officials sponsoring the project stress the fact that the meeting is open to the public and urge all interested to attend.

Membership in the association, it was pointed out, is open to the general public, with plans calling for an executive committee to be composed of representatives of all local civic and service groups.

Nine directors will be chosen at Tuesday night's meeting from candidates selected by the nominating committee the past week. Following the election, the new directors will select from their group a president, first and second vice-president, and a secretary-treasurer.

The nominating committee is composed of T. D. Smith, Mike Kubicki, Frank Rago, J. D. Counahan, Mrs. J. F. Daugherty, Dean Francis Squire, John Sinclair, Sam Handloff, George Haney, Irene Mote, Albion Saule and Frank Tolomeo.

Candidates for directorships are: Rodney Damm, William D. Murray, J. D. Counahan, Henry Wolf, William Cunningham, Vernon Steele, Dr. A. J. Jackson, Ned McCully, Joseph Shields, John Fader, Mrs. George Hyde, Albion Saule, George Haney, Francis J. Garvey, Rev. William Hancokel Mrs. Richard Snyder, Charles N. Lanier and Edwina Long.

Of the nine directors, three will be elected for a three year term, three for two years and three for one year.

## U. OF D. FUND PASSES MIDWAY MARK

### Development Fund Receipts Total \$26,000

The first annual University of Delaware Development Fund Campaign has crossed the halfway mark, it was disclosed today, with an announcement by Warren C. Newton, general chairman of the fund, that more than \$26,000 has already been contributed.

The Development Fund, which has a 1946 goal of \$50,000, was launched last month. Its purpose is to raise urgently needed funds for the University to provide scholarships, fellowships and much needed equipment. The sum sought is to be used to supplement funds made available through federal, state and other sources.

Although direct solicitation is being made only of alumni, alumnae and faculty of the University, the Development Fund was established this year as an agency to receive contributions from the University from any source.

The campaign is being conducted through the Office of Alumni and Public Relations at the University. Miss Gertrude B. Draper, of Wilmington, and William G. Ott, of Marlton, are serving as alumnae and alumni chairmen, respectively, and are directing the activities of the various class chairmen.

## Oak Grove Coon Club To Hold Field Trials

The Oak Grove Coon Club will hold a series of field trials this Sunday on the premises of the Oak Grove Kennel, adjoining the farm of George Johnston, Head of Christiansburg, Md., and Delaware is expected to have a large turnout of dogs from Eastern and Western states.

## Films Shown At School Assembly

Three movies dealing with agriculture were shown yesterday in the local high school at an assembly under the direction of Frank Mercer. They included "At Your Command," "Farm Inconveniences," and a movie on gardening.

## Third Grade Gives Operetta At Local School Assembly

"Hansel and Gretel," a short operetta, was presented by the children of Miss Betty Fryling's third grade last Wednesday afternoon at a local school assembly.

The characters included: Gene Porter, Hansel; Louise Samendinger, Gretel; Joan Dill, mother; Ronnie Mayer, father; and Joan Gustine, the witch. The sandmen were Willard Kiser, Allen Roe, Jack Young and Frank Skillman.

Graydon Gray, Helen Zausser and Charlotte Lindell played the witches. "Cookie Children," Miss Fryling was assisted with the music by Mrs. Stanley Gibbs. The children also sang four selections.

## YOUTH HURT IN FIGHT TO SAVE HOME FROM FLAMES

### Charles Staker Cut And Burned As Fire Razes Home On Sunday

Injured while fighting a fire which destroyed the house occupied by his father and family at the Newark Holding Yard, Charles Staker, 21, recently discharged war veteran, was taken to the Wilmington General Hospital Sunday morning where he was treated for cuts and burns.

Young Staker was discovered unconscious near the burning house by Charles Moore fire recorder for the Aetna Company, and was taken to the hospital by his father, George Staker, Paul Robinson and Moore.

The flames, believed due to a defective chimney, covered the entire upper portion of the house when the Aetna and Christiana firemen arrived. Damage was set at \$2500, although most of the furniture was saved, it was said.

On Friday a blaze, also claimed due to a defective chimney, broke out at the home of Harry Hall, an employee of the Delaware Experimental farm, causing only minor damage.

Early Saturday afternoon a barn on the farm tenanted by Charles Hartley at McClellandville caught fire. When flames from rubbish being burnt nearby spread out of control. Damage was slight, it was said.

Four grass fires were reported for the week, the first occurring last Thursday on property of the Milford Cross Road School house. Burning scrap paper was the cause. Another oil was received from Oglethorpe later the same afternoon, for a minor field blaze.

On Friday afternoon, grass was ignited on the property of Mrs. Susan Bernard on Pike Creek Road. The flames were brought under control before serious damage occurred.

On Saturday afternoon, a large area of grass and woods was burned out at Sunset Lake. Calls were sent out to the Aetna, Christiana and New Castle fire companies before the flames, which scarred over 75 acres, were finally extinguished.

## CHECK ON VOTERS TO BE HELD

### Notifications To Re-Register Being Issued

A check on voters in New Castle County who have not cast a ballot in five years or since the general election of 1940 got under way recently with the mailing of approximately 1,100 registered letters to voters in the first four Wilmington wards.

Thomas M. Adamson, secretary of the bureau, said that his office would work through the wards in their numerical order, then canvass the hundreds of rural New Castle County.

After the first four wards are cleared up on April 4, the Fifth Ward will be covered, probably at one meeting.

This is the first time such a check of the registration lists has been made and results from laws passed by the last General Assembly creating permanent registration.

Those persons who have voted since the 1940 presidential election are not involved, it was pointed out. In ensuing years, the five-year test will be used to keep the registration books up to date.

On April 4, the bureau also will sit for regular supplemental registration of qualified voters and for transfers.

## DEADLINE SUNDAY ON AUTO TAG RENEWALS

### Application For Renewals Ends Midnight On March 31

Many motor vehicle owners whose tags expire midnight Sunday have failed to apply for renewals, it was disclosed this week.

The offices at Dover, Wilmington and Georgetown will close at noon on Saturday, but applications for renewals mailed before midnight Sunday will be accepted. Motorists who fail to meet the deadline must bring their cars or trucks in for inspection.

George S. Williams, state motor vehicle commissioner, called attention to new fees for registration.

Many applicants are mailing in checks for the old fees, with the result that the application and checks must be sent back to them.

For automobiles of 4,000 pounds and less the fee is \$3, and for more than 4,000 pounds, \$12. No permanent licenses will be issued during May. Due to an error it was stated no permanent licenses would be issued after March, with the result that the Wilmington office has been receiving applications for permanent licenses at the rate of 130 a day.

Applications for permanent licenses will not be accepted in May as the regular one-year licenses will be sold then.

## SPECIAL CHURCH SERVICE

### Rev. Conant To Address Bible Presbyterians

The third in a series of special services will be held next Wednesday evening in the Bible Presbyterian Church on E. Main St. The speaker will be the Rev. Newton C. Conant of the Bible Protestant Church, which was formed by those who refused to go along with the union of Northern and Southern Methodists.

Rev. Conant is one of the leaders in the Bible Protestant movement, and it was he, who along with Rev. Carl McIntire of the Bible Presbyterian Church, realized the need for a national council of churches which would claim the support of "conservative Protestantism" as the Federal Council represented those of the liberal view. This led to the formation of "The American Council of Christian Churches."

The "Faith Theological Seminary" quartet will also take part in the service, leading in the song service and presenting several special numbers. The highly popular group is at present singing over a national radio hookup, originating at WJZ, New York, every Saturday morning at 11:15. The quartet visited the local church some time ago and numerous requests were made for their return.

The regular services of the church will be held on Sunday. At 10 a.m. Mr. H. Lloyd Yarnall will direct the Sunday School hour, and at 11 a.m. the regular morning worship service will be held with the pastor speaking. At 6 p.m. Mr. Howell Gerow will lead the Young People's Fellowship hour. The evening service will be held at seven, followed by a hymn sing for young people to be held at the home of the pastor.

## Last Call Issued To Farmers To Sign '46 Plan

This is the final notice to farmers regarding the signing of the 1946 Farm Plan, according to Mr. E. T. Hopkins, Chairman of New Castle County Agricultural Conservation Committee.

March 31 is the last day they will be permitted to benefit by the program this year.

The signing of this Plan requires only a little time, but leads to great benefits in the future, it was said.

## Newark School Paper Rated By Scholastic Press

The Yellow Jacket Buzz, Newark High student publication, has been given third place rating in its class by the Columbia Scholastic Press Association of Columbia University, New York City.

## Y.M.C.A. HEAD TO ADDRESS CLUB WOMEN ON MONDAY

### Buffet Lunch To Highlight New Century Club Meeting

A buffet luncheon with Mrs. R. O. Baustman and Mrs. J. Fenton Daugherty in charge, will be the novel feature of the Newark New Century Club's meeting scheduled for Monday afternoon at 1 p.m.

The program will be under the direction of Mrs. Jay Robinson, chairman of Literature, and the speaker will be Miss Mary A. Dingman, field representative of the Woman's Action Committee for Lasting Peace.

Miss Dingman is well-known as an International Secretary of the Y.M.C.A. and was decorated by the French government for her work in organizing Girls' Clubs during the first World War.

She spent two years working with Madam Chiang Kai-shek and nine years in Geneva, Switzerland. Also, she attended the All-India Women's Conference, where she conferred with Gandhi and other Indian leaders.

Miss Dingman's twenty years abroad eminently fit her for her present position, and her address Monday promises to be an outstanding event on the club calendar. A large number of members have indicated their intention of attending, it was said. Mrs. Richard Snyder, president, will preside.

## STATE TO MARK 308TH ANNIVERSARY TOMORROW

### Swedish Colonial Day Will Observe First Permanent Settlement Here

Swedish Colonial Day, marking the 308th anniversary of the first permanent settlement in Delaware, will be officially observed tomorrow. In a proclamation issued last week Governor Walter W. Bacon asked that "proper exercises be held in the schools, churches, patriotic and historical societies and other organizations."

Principal observance of the day will be held in Wilmington tomorrow evening when Herman Eriksson, new Swedish minister to the U. S., will address the Delaware Swedish Colonial Society.

The Governor's proclamation says in part: "Whereas, the expedition of the New Sweden Company, comprising the two ships, 'Kalmar Nyckel' and 'Fogel Grip' left Gothenburg, Sweden, in November, 1637, to establish a colony in the New World and during the latter part of March, 1638, the expedition under the leadership of Peter Minuit landed on the 'Rocks' on the Christina River within the confines of present Fort Christina State Park in the City of Wilmington; and

"Whereas, this settlement was not only the first permanent settlement in Delaware but in the whole Delaware River valley as well.

"Now, therefore, I, Walter W. Bacon, Governor of the State of Delaware, do hereby proclaim Friday March 29, 1946, as Delaware Swedish Colonial Day and do request that proper exercises in observance thereof be held in the schools, churches, patriotic and historical societies and other organizations of our state and that our public officials cause the flag of the United States to be publicly displayed throughout the day, and that in addition the national flag of Sweden be raised also in Fort Christina State Park at or near the monument presented by the people of Sweden to the people of the United States."

## Few Enlisted Men Request Their Wives Sent To Japan

Figures released by the Eighth Army housing officer recently indicated that few enlisted men desire to bring their wives and families to Japan to live.

Only three enlisted men's names were among the first 175 applications. The remainder were commissioned officers, three civilians and two Red Cross workers.

## Students Here Elected To Ninth Annual Boy's State

Local student representatives for the forthcoming Boy's State, to be held in Dover on May 10 for high school students throughout Delaware, were elected at the Newark High School recently. The following appointments having been made: Robert Winfield Boyden, Senator; Robert Lawrence, Representative; Samuel Tollucci, Attache.

The program is sponsored by the American Legion and is similar to the annual Girls' Day exercises. It will provide the students with experience as legislators for a day and acquaint them with state governmental procedure.

During the program, the youths will take over the principal executive and administrative offices of the state government and seats of senators and representatives in the legislature. In addition, boys will assume the positions of attaches in the simulated legislature.

## FINAL SPURT PUTS RED CROSS DRIVE OVER QUOTA

### Campaign Goes Over \$7,500 Goal Yesterday, Say Officials Here

A last-minute spurt in collections this week put the Newark Red Cross drive well over its \$7,500 quota for branch area No. 1, it was announced by officials yesterday.

Although still some \$1,000 short of the goal in the early part of the week, final collections soared rapidly to reach a total yesterday of \$7,532.50, topping the quota by some \$32. A few over-the-deadline contributions are expected, it was said.

A breakdown of the figure shows that general collections by zone teams totaled \$4,996.50, while returns from the Special Gift Committee were \$2,537.

Dr. John R. Downes, veteran chairman of past drives here, who has once more directed the general committee through a successful campaign, extended congratulations to his canvassers and captains for their enthusiastic cooperation and to the general public for its generous support of the drive.

Aiding the drive in its final surge were the collections this week at the State Theatre and several substantial contributions from town organizations.

Area covered by the campaign covered not only Newark but Christiana, Oglethorpe and other nearby communities as well.

## METHODISTS PLAN BENEFIT

### Ebenezer Church Supper

The Organ Committee and Choir of the Ebenezer Methodist Church will sponsor a chicken supper next Thursday beginning at 5 p.m. The affair is being held to raise funds for the new organ shortly to be installed in the church.

The Sunday School lesson for this week will be "A People's Responsibility for Its Government," with classes for all ages.

At the eleven o'clock worship service, the pastor, Rev. A. D. Ward, will continue his series of Lenten sermons on the general topic, "Lessons From the Cross." Special Lenten music will be featured by the choir.

The M.Y.A.F. senior group will be in charge of the evening worship service. The Worship Commissioner, Mrs. Florence Humphreys, will direct the service, highlight of which will be special music by the Men's Quartette.

A cordial invitation is extended to anyone interested in attending.

## School Heads Here Attend Schoolmen's Week Sessions

Mr. Wilmer Shue, Superintendent of Newark Public Schools, and Mr. Frederick Kutz, principal of the Newark Junior and Senior High Schools, are attending some of the sessions of Schoolmen's Week, being held at the University of Pennsylvania this week.

The convention is sponsored by the Southeastern District of the Pennsylvania State Education Association. Almost every phase of modern education is being discussed in its sessions.

## BOARD AUTHORIZES SCHOOL TAX REFERENDA

### To Announce Date For A Double Vote In Few Days

Authority for holding two referenda on the increased school tax question, which will propose a new tax rate here of not more than 40c on \$100 of assessment, was granted by the Newark School Board at a special meeting here Tuesday night.

The principal referendum will be on the question of the long-planned \$300,000 bond issue supplementing the 1942 bond issue for erecting a new elementary school building in Newark.

The second referendum will propose raising up to \$18,000 for meeting contract obligations for teachers' salaries and other current expenses as well as provide for a minor raise in the overall teacher pay rate here.

Date for holding the vote is not yet fixed but will be announced in a few days, it was said.

Regarding the provisions in the second referendum for a small raise in teachers' salaries, one board member said: "This additional money will not result in a large increase in the salary of any teacher. It will enable the board to pay increments provided by law as well as a small additional raise of not more than \$100 per teacher. Compared with present salaries in similar levels in industry this is a very small amount to be considered as a raise."

## RECRUITING NEEDS ARE OUTLINED

### Capt. Holcomb Gives Talk At Legion Meeting

A discussion of Army recruiting needs was given by Captain William N. Holcomb, U. S. recruiting officer for Delaware, at a meeting of the J. Allison O'Daniel Post No. 10 in the Academy building Tuesday night.

Capt. Holcomb was accompanied by Sergeant Clarence Williams, who is in charge of the Newark recruiting station in the basement of the post office, and by Sgt. Horace Thompson, from Wilmington.

Stressing the Army's need for young men, especially those just graduating from high school, Capt. Holcomb explained what the Army had to offer in the way of a career.

The talk was accompanied by films of impressive battle scenes taken by Army photographers of amphibious landings at Okinawa and other Pacific islands. The pictures included first hand shots of Army and Marine landings as well as Navy action against Jap suicide planes.

Refreshments were served by Walter Powell, Commander George Haney presided.

## P.T.A. PLANS OPEN HOUSE AT SCHOOL

### Display Of Pupil's Work To Be Given

Parents with children in the local public schools will have an opportunity to tour the scene of their children's daily activities and meet their teachers when the Newark Parent-Teachers Association turns its next session over to an "open house" at the school, with teachers stationed in various classrooms to confer with interested visitors.

Work of the students will be on display, and refreshments will be served by the Home Economic Department.

Also on the agenda for the evening is the election of a nominating committee to select candidates for the organization's offices. The P.T.A. elections will be held at the May meeting.

Other business to be considered includes an open discussion of the proposed referendum on the increased school tax and on the plan to adopt a new type report card for the school.

## SEASONAL FARM LABOR NEED IN '46 SEEN HIGH

### Requirements For Foreign Workers Tops Original Quota

Contracts signed by Delaware farmers for Bahamian and Jamaican laborers for the 1946 crop season call for labor in excess of the tentative allotment of these workers for Delaware. The tentative allotment of 800 workers is not expected to meet the seasonal farm labor demand.

Meeting with farmers during the scheduled days recently for signing contracts were John Korman, district supervisor for Delaware of the Labor Branch, Production and Marketing Administration, County Agricultural Agents and their labor assistants, and J. Frank Gordy, emergency farm labor supervisor for the Delaware Agricultural Extension Service.

These farm labor representatives especially urge farmers to employ returning veterans and other local labor wherever possible.

But all farmers who anticipate a need for foreign labor again this season and who have not signed contracts are advised to contact their county agricultural extension office immediately. For under the provisions of the legislation governing the recruitment of foreign labor, workers cannot be released to the state unless they are under contract to individual farmers.

It is not known at this time whether additional workers will be allotted to the State, but if this is the case they can be employed only by farmers who have completed contracts.

### Crosley Car To Enter Production In May

Powell Crosley, president of the Crosley Motor Corporation, announced this week that the new Crosley automobile would be in production by this May.

Crosley said that the engine assembly line in Cincinnati would begin rolling on April 15, with the body parts works and line at Marion, Ind., starting shortly after.

He said the company still was negotiating with the OPA on prices.

## DELAWARE FARM FRONT THIS WEEK

### Production Of Milk Is Reported Up

Placements of World War II veterans on farms in January have been reported for the Extension Farm Labor Program of the USDA. There were 4,936 placements during the month, on farms all over the United States. One thousand seven hundred and fifty of these were tenants or sharecroppers; 3,186 were hired hands. In the Middle Atlantic States, 104 veterans were placed on farms during January; 38 of these as tenants or sharecroppers, and 66 as hired hands.

Milk production in Eastern Seaboard areas is rising, and with spring freshening cows coming into production, there is a large supply of milk predicted soon. This, together with the tight feed supply, emphasizes the importance of culling low-producing, unprofitable cows immediately to conserve feed and to help curb the spring flush in the next few months.

In a recent analysis of Dairy Herd Improvement Association records in Delaware, in which 861 cows were studied, 296 or 34 per cent of these cows did not return a profit, while 66 per cent of the cows paid the feed bill, labor, depreciation on equipment and other costs of producing milk and yet returned a profit. In this analysis, cows that produced less than 6,500 pounds of milk and 275 pounds of fat did not return a profit. Those cows

that averaged 275 pounds of fat per year did return a profit of only \$2.14 a year per cow. Recent data show that the average cows in Delaware produce 4,400 pounds of milk and 183 pounds of fat per year, far below the production needed to return a profit. In all probability, these low-producing cows are spring fresheners. By removing them, the percentage of fall freshening cows in the herd will be increased, resulting in more even herd production in 1946.

State PMA Directors and County ACP Chairmen have been designated as emergency food program managers and instructed to enlist cooperation of State and County USDA Councils for coordinating program and organizing specific food conservation phases of program. Immediate need for Councils is to set concrete local goals representing what the individual State and County can do through conservation to make more wheat and food fats and oils available for export; organize to carry facts of program to every man, woman and child personally and through public media; marshal forces of all food trade, civic and other groups which will give active support.

By and large, home gardeners will be able to get enough insecticides and fungicides. There are enough arsenicals, sulfur, fluorine compounds, and pyrethrum. Derris and other rotenone insecticides, as well as nicotine, are a little short, but it looks as if there will be enough of these to go around, too. The USDA is NOT recommending DDT for home gardens this year. Still don't know enough about it to recommend it to the uninitiated. The rotenone packages, been made up for garden use are carrying a stronger dose of the chemical than most products

**Why not get HOT Water Automatically?**

It costs less than 4c a day!  
**Duo-THERM**  
AUTOMATIC FUEL OIL

**WATER HEATER**

You always have plenty of steaming hot water on tap with an Automatic Duo-Therm on the job. Plenty for the family wash, house-cleaning, dishes and bath. And less than 4c a day for all the hot water the average family needs!

had last year.

Buying of dressed poultry under Federal grade by USDA to reflect an average U. S. farm price of 18.3 cents per pound, varying by type, weight and zone, begins on March 20, and each week thereafter under an offer-and-

acceptance basis, as an aid to orderly marketing and to avoid serious producer loss during the scant feed supply period. Sellers of this dressed poultry will be dealers, processors and farmers' cooperative associations, who must certify that they have paid producers not less than the announced

support prices for live poultry. Offers will be received by PMA each Wednesday and acceptance dates will be each Friday following. Chickens less than 3½ pounds live weight are excluded. Canners will be expected to process a substantial part of this dressed poultry bought by USDA for support-price

purposes. Other outlets to be used in disposal of Government purchases will be sales through commercial channels and for export, sales to other government agencies, and for transfer to the school lunch program or for use in public institutions under Federal, State and municipal control.

## A VETERAN SPEAKS . . .

"Because of my interest in coaches and buses, I made it a point to observe the transportation equipment in the various cities I visited during my time in the Navy. Take it from

me—Wilmington is second to none when it comes to up-to-date, well maintained equipment, and convenient service. I'm glad to be back—to be a part of this transportation system."

James A. Wanstall enlisted in the Navy in July, 1942, and was assigned to duty in the Sea-Bees. Following training in New England and the South, he served as instructor at Southern and West Coast training centers. His duty then took him to the South Pacific where he served on the Russell Islands Group, the Treasury Group and the Philippines. His service awards include the Asiatic-Pacific, American Theatre and Good Conduct Ribbons; Letter of Commendation; Philippine Campaign Victory Medal with star; and two stars for the Treasury-Bougainville Campaign. Jim was honorably discharged in December, 1945.

Now that he's back on the job with Delaware Coach Company "Jim" Wanstall is again playing a personal part in the maintenance of our modern equipment to give you safe and dependable transportation. You can be sure that we're

glad to have him back—and just as certainly, we'll welcome the return of our other former employees who are still in Service. They and we are anxious to serve you—safely, conveniently, reliably.

## LEGION HONORED

### State Dept. Gets Award

The 100 percent Membership Honor Plate was awarded the American Legion Department of Delaware recently, according to a communication received by the state group from Henry H. Dudley, assistant national adjutant, Indianapolis, Ind. The award was made for the Department's excellent work in its 1945 membership drive.

The award is given to all departments maintaining 100 percent or over of its preceding years membership at the time of the National Legion Convention each year.

Department of Delaware had approximately 2,100 members last spring, but have doubled that membership this year. There are approximately 4,300 members now active in Legion activities in Delaware, according to Julian A. Todd, state adjutant, American Legion, Department of Delaware.

## PACK NO. 55 MEETING

The regular monthly meeting of the Committee of Cub Pack No. 55 was held recently at the home of Mr. and Mrs. Herman Wollaston, East Park Place.

Chairman Dr. Charles A. Zittle was in charge. Cubmaster Lester J. Beers reported that Den No. 4 had constructed kites and had a kite flying contest recently. Boys showed high interest.

It was decided to hold a Soap Box Derby during May, under the supervision of Assistant Cubmaster Holger Schaumann.

The theme for April will be "Know Your State" and all cubs and their parents are urged to make the study of Delaware an outstanding feature of our year's work.

## SPCA To Observe Special Week April 11

At a meeting on April 11, "Be Kind to Animals Week," observation will be made by the Delaware Society for the Prevention of Cruelty to Animals.

The meeting will take place at 3 p. m. on that date in the Wilmington Institute Free Library lecture hall. It is open to the public.

Mr. Harry Clark Boden, of Newark, has been named to the board of managers for the coming year; it was announced.

## CLASS PLAY AT ASSEMBLY

### 4-A In Drama Tomorrow

A play, "The Escape of the Germs," will be presented tomorrow morning at the Newark school by class 4-A, who will have charge of the assembly under the direction of Mrs. Harriett Esham.

Those who are taking part in the play are: Rae Porter, Ronald Knisley, Ralph Broadwater, Jackie Cochran, Jack Fuller, Richard Sult, James McCleary, Randall Burris, George Biederman, Stephen Gladsky, Bobby Moore, Martin Schaefer, Richard Schultz, Paul Smith, Robert Sweetman, Stephen Vansant, Robert Walbridge, Kenneth Griest, John Morris, Mary Esther Mackey, Sidney Staker and Robert Streets.

Other features of the program will be: opening exercises, Wayne Pyle; two poems, "When Everybody" by Franklin Beers, "The Story of the Baby Squirrel" by Richard Sult, Randall Burris, George Biederman, Jack Fuller, James McCleary, Stephen Gladsky and Charles Greenplate, and songs by the class, led by Miss Margaret Fritzsimmans.

## HEN ACE ON ALL-LEAGUE CAGE TEAM

### Conference Names Top Players

Dick Grossman, ace guard for the University of Delaware, was named to the all-league first team in the Middle Atlantic States Basketball Conference. It was disclosed recently. Conference winning Ursinus placed three men and Swarthmore one on the team which was selected by the coaches of the six teams in the circuit.

Newell Duncan, Delaware's top scorer for the season, was named for a forward berth on the second team on which Haverford placed two men, P.M.C. and Swarthmore one each.

The complete selections follow:

First Team—Forwards, Giest, Ur-

sinus; Fausnaugh, Swarthmore; center, Kennedy, Ursinus; guards, Grossman, Delaware; Love, Ursinus.

Second Team—Forwards, N. Duncan, Delaware; Johnson, Haverford; center, Wagner, Haverford; guards, Gallagher P.M.C.; Dillenbeck, Swarthmore.

Honorable Mention: Poole, Ursinus; Woodbury, Swarthmore; Hamman, Van Sandt, P.M.C.; Clayton, Haverford, and DeStephano, Drexel.

The Store . . . For Mother, Dad And Lad

# This woman's work is never done!

**STILL URGENTLY NEEDED.** As long as the Red Cross is needed, clubs and canteens will offer a touch of home to GIs in Germany and Japan. And meanwhile flood and disaster will require instant emergency service here at home. Give now!

**NECESSARY FOR YEARS.** The slow convalescence of a crippled veteran in a hospital calls for months of unflagging, genuine sympathy and encouragement from Red Cross social workers. This kind of service must be available for years. To make it possible, give now.

**"ALWAYS READY."** Disaster, flood, and epidemic must never find the Red Cross unprepared to render instant, effective service on the spot—and getting the injured away to safety. Your contribution will make effective service possible at once—everywhere!

Now . . . more than ever he needs your Red Cross

V-DAY is history, but Victory over war's effects on our disabled service men is far in the future!

And thousands of Red Cross women are still in active heart-warming service—abroad and at home—still helping to lift the burdens of worried—crippled—discouraged—homesick GIs.

This is the war that never ends—calling on the Red Cross for the services that must never fail our victorious troops—and calling on you for the contributions that are needed now—even more than they were in the years of battle!

YOUR Red Cross MUST CARRY ON . . .

# GIVE!

## CERTIFICATE OF REDUCTION OF CAPITAL OF

A. J. B. THEATRES, INC.

A. J. B. THEATRES, INC., a corporation organized and existing under the General Corporation Law of the State of Delaware, DOES HEREBY CERTIFY as follows:

FIRST: That, pursuant to the provisions of Section 28 of the General Corporation Law of the State of Delaware, and subject to the provisions of its Certificate of Incorporation, the corporation has, by resolution of its Board of Directors, supplemented by a resolution adopted by the holders of record of all of the shares of the corporation, at a meeting of the stockholders held for that purpose on Waiver of Notice signed by all of said stockholders, reduced its capital by purchasing for retirement five hundred and ninety (590) shares of stock of the corporation without par value at private sale and by retiring said five hundred and ninety (590) shares.

SECOND: That the capital of the corporation is hereby reduced by the amount of capital represented by the shares so purchased for retirement and so retired to-wit: Twenty Nine Thousand Five Hundred (\$29,500) Dollars, and such amount has been paid out of the capital of the corporation in respect of such shares pursuant to the resolution adopted by all of the stockholders of the corporation.

THIRD: That the assets of the corporation remaining after the purchase of the said five hundred and ninety (590) shares for retirement and the reduction in the capital of the corporation, as herein provided, are sufficient to pay any debts of the corporation, the payment of which has not been otherwise provided for.

IN WITNESS WHEREOF, said corporation has caused this certificate to be executed by Albert G. Teplitz, its Vice-President, and Frank E. Shudnow, its Secretary, this 20th day of March, 1946.

## TRAIN SERVICE TO RACE TRACKS

### Service Is Resumed

With the end of the war and the lifting of ODT restrictions, the Pennsylvania Railroad today announced resumption of passenger service direct to race tracks on the Eastern seaboard.

During the two-week Spring racing meet at Bowie, Md., beginning Monday, April 1, the railroad will operate special trains from Philadelphia, Chester, Wilmington, Baltimore and Washington direct to the picturesque race track.

The trains will arrive at the track about 45 minutes before the opening race at two o'clock and will leave after the last race. Similar direct-to-the-track passenger service is planned for other race meets during the Spring and Summer season. Coach lunch service will be provided on the special Philadelphia-Chester-Wilmington train will leave Broad Street, Philadelphia, at 10:50 a.m., and make these stops: Pennsylvania Station, 30th Street, 10:54; Chester, 11:03; Wilmington, 11:26; Newark, Del., 11:38; Elkton Md., 11:44; and Havre de Grace, Md., 11:59. The special train will arrive at Bowie track at 1:15 p.m.

## HOUSING FOR FARM LABOR SUGGESTED

### Aids Farmer In Retaining Same Workers

"Let's keep our farm labor camps to house our labor for our peak needs," suggests J. Frank Gordy, farm labor supervisor of the Delaware Agricultural Extension Service.

Housing farm labor—especially foreign and migrant workers on the individual farms for the period they are needed has proven most satisfactory. This practice makes it possible for the farmer to keep the same workers so that they can be trained for his job and remain under his supervision. There will be savings in not having to transport the workers to and from the camps each day.

During the past winter about 125 foreign agricultural workers lived in housing furnished by the farmers of the state.

This arrangement was followed out in all three counties and proved satisfactory to both the workers and their employers.

Contrary to the opinion of many farmers the standards to be met in providing housing facilities are very reasonable.

For example—Only 40 square feet of floor space is needed for each worker in his sleeping quarters. A clean and adequate water supply is necessary. These and the other few essential requirements are presented in a special circular available from county agricultural extension offices. In addition, this circular contains drawings of simple types of housing that meet the essential requirements.

**Alcoholics Anonymous Has 752 Active Groups**

There are now 752 Alcoholics Anonymous groups in the United States and one or two foreign countries, it was revealed at the monthly public meeting of the Wilmington branch in the Y. M. C. A. recently. More than 200 members of the local group and persons interested in its work attended the meeting.

## ANNUAL CHURCH MEETING

### Christiana Members Plan Yearly Affair

The annual congregational meeting of the Head of Christiana Presbyterian Church will be held Thursday, April 4, at 8 p.m. A fellowship supper, served by members of the Willing Workers Society will precede the meeting at 6:30 p.m., the Rev. Evan Renne, pastor, announced as he extended an invitation to every member of the church to attend.

The regular services at the church this Sunday will be held in the morning with Sunday School beginning at 10 o'clock followed by morning worship at eleven.

Frank H. Butterworth, superintendent, will be in charge of the Sunday School, when the classes will study "A Nation Demands a King."

The pastor will deliver the sermon at the morning worship on "The Christ of the Calvary Road." The Sacrament of the Lord's Supper will be observed, and new members will be received into the fellowship of the church. The choir will present special music.

## INFLUX OF RESIDENTS IN 10 YRS.

### Over 27,000 Remain In Delaware

Partial cause of Delaware's housing shortage may be found in the fact that despite the falling off of war work in the state over 27,000 persons who moved to Delaware in the last ten years still remain here, it was stated recently in a report of the Delaware Unemployment Compensation Commission.

The normal increase in adult population of Delaware was augmented during the past 10 years by 32,299 at the end of June last year, according to Albert Stetser, chairman and executive director of UCC state offices.

This wartime peak of out-of-state population, Mr. Stetser disclosed, declined by 5,440 during the second half of 1945, until by the first of this year 26,849 former residents of other states remained in employment in Delaware.

The figures on out-of-state residents now citizens of Delaware are obtained, Mr. Stetser explained, by an analysis of social security numbers.

## CORN BORER TOP ENEMY OF CROPS

The European Corn Borer is Delaware's most destructive field crop pest, according to the results of surveys conducted by the Bureau of Entomology of the U. S. Department of Agriculture and the University of Delaware Agricultural Extension Service. The recorded maximum loss for a single year is \$325,000.

Dr. L. A. Stearns, extension entomologist, reports that annual surveys of European corn borer larvae have been made since 1934. The 1945 survey showed 25 per cent of plants infested and 91 borers per 100 plants.

The corn borer feeds and overwinters in corn stalks. The common, local practice of topping and stripping corn and leaving the stalks standing in the field provides the ideal conditions for the borers to increase.

Farmers are urged to commence the 1946 fight against the corn borer in April. To combat this enemy, Dr. Stearns recommends that all stalks in fields, feed lots and other locations be plowed under cleanly or burned by April 15 or, at the latest, by May 1. Farmers who collect the stalks for burning are cautioned to use care that such fires can be controlled and not cause damage to property.

## DORM SPACE SOUGHT FOR WOMEN AT UNIVERSITY

### Severe Housing Shortage Looms For Women In Next Two Years

In a move to alleviate the increasingly serious housing shortage for women students at the University of Delaware, plans to petition the Legislature at its next session for funds to erect a new women's dormitory here were drawn up at a conference of Delaware club women in Warner Hall Saturday.

Unless provisions for new quarters are made soon, girls planning to enter the university either this year or next upon graduation from high school will find little likelihood of being accepted as resident students, it was said.

An outline of the housing shortage as presented by Dean Gwendolyn Crawford at Saturday's conference listed the basic causes as: Current maximum women enrollment overflowing into Harter Hall, former men's dormitory, which will revert within a year to use of male students, cutting women's quarters even more. Increasing number of former veterans joining the student body creating a critical over-all housing shortage, which, it is estimated, will continue for the next three years. The situation is the same as that being faced by colleges and universities throughout the country, it was said.

More than 50 women, representing 26 organizations attended the tea. The group met with a committee appointed by the university's board of trustees to study education for women in Delaware.

## EDUCATING CHILDREN IN USE OF MONEY

### Youths Should Learn To Face Family Problems Specialist Says

Children are important members of the family, says Miss Louise R. Whitcomb, Home Management Specialist of the University of Delaware, and they should be included when working out a family spending plan. A child's experience in handling money should begin as part of his training in home life.

Miss Whitcomb advocates several plans for starting the child's career in money management. Some families begin by making the youngsters responsible for a small allowance. Then as they grow older, they learn more and more about the needs and problems of the family as a whole. In this way, children are usually more willing to go without some of the things they would like to have, if they see their share in relation to the needs of others.

Even a 4 or 5-year-old can talk over his needs with his parents and agree on a weekly allowance. For a youngster of this age, a small allowance to divide by the old 3-penny-formula is often a good plan—a penny to spend, a penny to give, and a penny to save for something later. This will not only take care of the child's need for spending, but will begin valuable training in managing money.

With help from their parents, many teen-agers handle the money for most of their clothes and other personal needs. This way, they learn to make decisions and to meet wisely situations they will have to face when they grow up. Even mistakes in spending will help them avoid mistakes later. It is wise to encourage adolescent youngsters to save part of their allowance for something they need but can't afford to buy all at once.

## LIONS MEET ON TUESDAY

### Hear Talk By Prof. Tomhave

A. E. Tomhave, professor of animal and poultry industry at the University of Delaware, spoke at the weekly meeting of the Newark Lions Club Tuesday night in the absence of T. A. Baker, scheduled speaker, who was unable to be present.

Discussing the expansion of Delaware's poultry industry in the last two decades, the speaker said the industry reached a 47 million dollar peak in 1944. Club President T. D. Smith read a report on progress of Newark's proposed recreational program for the summer months and announced a list of nominees for directorship of the program, nine of which will be elected at a meeting next week in the New Century Club building. He urged support of the program.

## ONION TASTE IN MILK IS DAIRYMEN'S PROBLEM

### Pasturing Of Cows Raises Feed Problem

Delaware dairy farmers are now facing a feeding problem as they turn their cows out to pasture, says Delmar J. Young, Extension Dairy Specialist of the University of Delaware. Wild onions are growing at a rapid rate all over the State, and the cows that graze on these onions will impart a definite onion flavor in the milk, resulting in a loss of profit for the herd owner.

According to records studied by Mr. Young, in the spring of 1945, one milk plant in Delaware rejected 352,350 pounds of milk because of onion flavor, and the same situation was no doubt experienced by other plants in the State. The value of this milk which was lost was approximately \$15,000. Eighty-six dairymen, representing 27 per cent of those shipping to this plant had milk rejected five or more times during the spring, because of onion flavor.

1. Improve pastures and make available early spring grasses such as rye and barley.
2. Feed the cows hay before turning them on pasture.
3. Turn dry cows and heifers or other animals on the pastures for two weeks before turning the milking herd on the same pasture.
4. Turn cows on pasture at night, and bring them into the barn by daybreak. Do not let them graze before coming into the barn. In the daytime, turn the cows out after milking and bring them into the barn again before noon, then feed hay in the afternoon while they are in the barn.
5. Cool milk immediately after milking each cow and keep below 40 degrees Fahrenheit.

## REGULAR MEETINGS OF CIRCLE GROUPS

The regular meetings of the circle groups of the Woman's Society of Christian Service of the Newark Methodist Church will be held this week as follows:

Circle No. 1 with Mrs. Frank Jamison as leader will meet Tuesday evening, April 2, at 8 o'clock at the home of Mrs. Laura Harlan, 51 West Main Street. The co-hostesses will be Mrs. Leonard A. Rhodes and Mrs. Harry Johnson.

Circle No. 2 with Mrs. Earl Armstrong as leader will be hostess to Circle No. 3 with Mrs. James H. McNeal as leader on Tuesday afternoon, April 2, at 3 o'clock at the home of Mrs. George Schuster, College Farm.

Circle No. 4 with Mrs. Howard Mitchell as leader meets on Tuesday evening at 6:30 o'clock at the church for a covered dish supper. Mrs. John Cronin and Mrs. J. H. Rumer will be co-hostesses.

Circle No. 5 with Mrs. Irvin Crow as leader to meet Tuesday evening, April 2, at 8 p.m. at the home of Mrs. Anna Wilson, 52 Kells Avenue. Co-hostesses will be Mrs. George Russell, Mrs. Erma Hopkins and Miss Beatrice Harshorn.

Mary E. Campbell Circle with Mrs. L. Kentworthy as leader will meet Tuesday evening, April 2, 8 p.m. at the home of Mrs. Eleanor Mosher, 46 East Delaware Avenue. Mrs. Mary Campbell and Miss Edna Campbell will be co-hostesses.

Circle No. 7 with Mrs. Francis Linn as leader meets Tuesday evening, April 2, at 8 p.m., at the home of Mrs. Alfred Morris, 61 West Delaware Avenue. Co-hostesses will be Mrs. Walter Moore and Mrs. Hamilton Maxwell.

Circle No. 8 with Mrs. W. C. Carter as leader meets on Monday evening, April 1, at 6 o'clock at the church for a covered dish supper. Mrs. R. H. Dunn, Mrs. C. E. Ocheltree and Mrs. Betha Cornog will be hostesses for the evening.

## PROF. KIRCHNER GUEST SPEAKER OF D.A.R.

Prof. Walther Kirchner, assistant professor of history, University of Delaware, will be the guest speaker before Cooch's Bridge Chapter, Daughters of the American Revolution, Saturday, April 6. He will discuss "Russia's Past and Her Present Relations with the United States of America." Professor Kirchner joined the faculty of the University of Delaware last fall, coming to the university from the University of California.

Mrs. W. E. Holton of Newark will be hostess to the society.

Mrs. R. T. Jones, regent, will preside at the short business session at 2 o'clock. Announcement of plans for the National Congress in May at Atlantic City will be made.

Mrs. W. A. Blackwell, chairman of genealogical records will display the book compiled by her committee of the early families of Welsh Tract.

## NEWS ABOUT LOCAL BOYS IN SERVICE

Ernest Charles R. Dumfee of Cleveland, Ohio, Chief Petty Officer Paul De Solier of Louisville, Ky., and Edwin Edson B. Detjen were week-end guests of the latter's parents, Prof. and Mrs. L. R. Detjen of Old Oak Road. Ensign Detjen received his commission and graduated from the Naval College Training Program at the University of Wisconsin last month. He will receive his degree in electrical engineering at the annual commencement exercises of the University of Wisconsin in June.

## THIS SPRING FORMAL

George Feary's orchestra will furnish the music for the Spring Formal to be held on Friday evening, April 12, at the gymnasium of the Newark High School.

This dance is under the auspices of the Student Council with Thomas Silk, council president, as general chairman.

Miss Thelma Thompson is chairman of the committee on decorations. Dancing will be from 8 until 12 o'clock.

## FELLOWSHIP DINNER

Thursday, April 4  
The members of the Head of Christ Church are cordially invited and urged to attend the fellowship dinner on the evening of Thursday, April 4, at 6:30 o'clock which will precede the annual congregational meeting the same evening.

There is no charge for this dinner which is sponsored entirely by the Milling Workers Society.

## WOMEN'S BIBLE CLASS

REGULAR MEETING  
The members of the Women's Bible Class of the Newark Methodist Church will meet this Sunday morning at the usual hour of 10 o'clock and discuss with them the subject of "How a prophet whose life God had made strong was able to guide a nation through times of great danger."

## LADIES BIBLE CLASS

MEETING SUNDAY  
The Ladies Bible Class of the First Presbyterian Church will meet this Sunday morning at the usual hour of 10 o'clock and invite all the women of the church to join them in the discussion of "People's Responsibility for Government."

## LADIES AUXILIARY WILL MEET APRIL 2

The Ladies Auxiliary of the First Presbyterian Church will meet Tuesday evening April 2, in the Lecture Room of the Church at 7:45 o'clock. Mrs. Raymond W. Heim, president, will be in charge of the business meeting and announces that an interesting program has been arranged.

122 West Main Street  
NEWARK, DELAWARE

One unhappy mother of a boy who had a bicycle called to urge that we publish something in the paper about the disgraceful way bicycles are being "borrowed" without the consent of their owners. Of course the Chinese have another word for it but saying "borrowed" is certainly giving the culprits all the benefit of any doubt.

We don't know just how serious or flagrant this offense is becoming, but it definitely should be nipped in the bud, and at once. Children don't like to have their bikes taken without their knowledge... all too often the "borrower" forgets, fails or otherwise neglects to return them.

And, it isn't funny to parents who have to cough up two, three or five bucks to have bikes fixed when they have been damaged by unauthorized "borrowers."

As we understand it, the bulk of the complaints are directed against the school building and some local churches. The particular case we refer to had its bicycle "taken" three times in one day... twice from school and once from church. Just how someone would be at school and church the same day, we don't know... but, that's the story we got.

It can prove extremely difficult to exterminate entirely this type of "borrowing" without the cooperation of all parties concerned. To get the movement started right, parents of children who ride their bikes to school or church should SEE TO IT that said bike is equipped with a fool-proof lock... and that their son, or daughter, USES THE LOCK every time he leaves his bike anywhere.

Very few locked bikes have ever been stolen or borrowed without the owner's consent.

Unconfirmed rumors have it that Fader's Bakery has changed hands and that the little building next door, now occupied by The Victory Shop, either already is or will soon become, a part of the deal.

Those dump trucks hauling dirt out from the driveway between the Newark Department Store and Hoffman's Men's Shop are making way for an addition to Aaron Handloff's, et al, Newark Department Store, which already is the nicest and most complete establishment of its kind yet to grace our fair Main Street.

"An organization is as efficient as the service it renders," is a famous quotation attributed to William Howard Dean, Newark's own Registered Blaster and landscaper... if the enhanced appearance of several lawns and landscaping jobs recently completed by this worthy individual are any criterion, his organization must be pretty efficient.

All writers and editors welcome criticism. They prefer the favorable variety, but would even be glad to take abuse rather than be ignored.

It seems that some of our ablest writers often offend deliberately. Those who never make rash statements soon lose their readers... though some will deny it, all writers and commentators are essentially entertainers.

The public isn't long entertained by sweetness and tolerance... it demands vigor in what it reads and listens to. When a writer conscientiously tries to offend nobody... he pleases nobody.

Was slightly and pleasantly amazed yesterday noon, when we walked from John Cunningham's service station to the postoffice (a long trek afoot for us) when we beheld the striking new interior of Len Walbridge's paint emporium.

Mrs. Walbridge's dark-haired son has really done a swell job of enlarging and remodeling his place of business. The bright, roomy interior presents an entirely different and completely pleasing appearance that's bound to pay dividends via increased customer good-will and patronage.

Ho hum, The College Inn has changed hands again... no more does this place get well under way and build up a satisfied clientele than it's sold again... haven't found out yet who the latest purchaser is. Seems that we're going to need a few information outposts if we're to keep up with and report all the numerous local "deals" being made recently.

Thanks, Bob, for the bullet-doux... and the reprimand. We had it coming but we promise to rectify the oversight, and soon.

To the average person the difference between 12 and 21 is only nine, but Bill Durham will tell you that sometimes the difference can be a very great deal more than that.

Incidentally if some of you are wondering when the Newark Telephone Directory will make its appearance... just keep your shirts on—it'll be in the mail the last of this week.

For the first time in our lives we have sent in a question in answer to a radio program.

Lately we have been intrigued by the "Twenty Questions" program aired over WIP on Saturday nights, between 8 and 8:30. So, we sat ourselves down and sent in a question which if used and unanswered in twenty questions should reward us with a surprise prize.

If you're curious just keep us company and listen in each Saturday until you hear our name mentioned... hope you (and we) don't get grey-haired before our hopes are realized.

We often get tired of listening to aimless, meandering conversations, so you can imagine how reading this kind of stuff affects us too... or can you?

## THREE \$25,000 STAKES HEAD EXPANDED DELAWARE PARK PROGRAM OPENING MAY 29

Estimated Purse Total For '46 Set At \$800,000; 13 Stakes To Feature Meet; Opens With Wilm. Handicap; Closes With Dover Stake July 4

Three \$25,000 stakes will head the expanded and increased Delaware Park stake program which for the forthcoming meeting opening May 29 will total a new high of \$165,000 according to an announcement from Donald P. Ross. Mr. Ross is the recently elected President of the Delaware Steeplechase and Race Association. Delaware Park has not yet established its minimum purse value, having cooperated in years past with Maryland's precedent, but it is estimated that the total purse distribution for 1946 will approximate \$800,000. This is one of the largest sums given anywhere in America for a 30-day meeting.

The three \$25,000 stakes, each increased from \$15,000, are The Kent, a Handicap for three year olds to be run on Saturday, June 8, at a mile and one-sixteenth; The Sussex Handicap, a mile and a quarter event for horses of three and upwards, scheduled for June 15; and The New Castle Handicap, a mile and sixteenth race for fillies and mares on June 29.

Thirteen stakes, three of them steeplechases, will highlight the meeting which opens May 29 and closes July 4. The opening day feature will be the Wilmington Handicap, a sprint for three year olds and upwards, at six furlongs, carrying a purse of \$7,500. Another stake which has been increased in value is The Brandywine, which now becomes a \$10,000 added feature, and which will be run on the initial Saturday, June 1.

The Wilmington course always has been proud of its two stakes run under futurity conditions, and these also show an increase for the forthcoming year. They are the Delaware Oaks and the Diamond State Stakes, each carrying \$12,500 in added money. Each is expected to gross close to \$20,000 for the 1946 running. For the running of 1947 these two events will carry \$15,000 added each.

Entries for the stake program will close on Monday, April 15. Three stakes are for juvenile races. The first of these will be the Polly Drummond Stakes on Memorial Day, May 30. This will be over the five furlong distance, and will be exclusively for fillies. The other two are the Christina Stakes, on June 22, and the closing day Dover Stakes on July 4. The Christina at five and a half furlongs is for colts and geldings, while the Dover is an open event at the same distance. All three are valued at \$7,500.

STAKES TO BE RUN AT DELAWARE PARK

May 29—THE WILMINGTON HANDICAP—Three year olds and upwards. Six furlongs. \$7,500 added.  
May 30—THE POLLY DRUMMOND STAKES—Two year old fillies. Five furlongs. \$7,500 added.  
June 1—THE BRANDYWINE HANDICAP—Three year olds and upward. One mile and a sixteenth. \$10,000 added.  
June 5—THE DELAWARE OAKS—Three year old fillies. One mile and a furlong. (Closed August 15, 1945). \$12,500 added.  
June 8—THE KENT—Three year olds. One mile and a sixteenth. \$7,500 added.  
June 13—DELAWARE SPRING MAIDEN STEEPLCHASE—\$5,000 added.  
June 15—THE SUSSEX HANDICAP—Three year olds and upward. One mile and a quarter. \$25,000 added.

## BEAGLE TRIALS HERE ON SATURDAY

Championship Stakes To Be Run At Milford

The Atlantic Association of Beagle Clubs will hold its Winner's Stake this Saturday on the grounds of the Eastern Beagle Club, Inc., at Milford, Cross Roads. The drawing will start promptly at 8:30 a.m.

Winners of the 14 member clubs of the Atlantic Association will run here to decide the Association champ for 1946.

The first four hounds placing in each class will be eligible to enter the International championship trials in Ohio.

Ray Conlin, secretary of the Atlantic Association, will be in charge, and the judges will be Art Curran, of New York, and Stew Swarts of Baltimore. John W. Cochran will act as field marshal.

## Hundred Year Old Flag Given Historical Group

An American flag having only 28 stars has been donated to the Historical Society of Delaware by Mr. and Mrs. E. H. Heyd. The flag is about 100 years old since Texas, the 28th state to be admitted to the Union, entered Dec. 29, 1845.

The flag, made of silk bunting, is in good state of preservation despite its age. It was found in the attic of the home of Mrs. Heyd's grandparents, Mr. and Mrs. H. I. Darling, Jersey City, N. J., after their death.

## VETS OF '42 TEAM JOIN SPRING GRID DRILLS HERE

Blue Hen Squad In Fourth Week Of Practice

Numerous veterans of the University of Delaware's '41-'42 grid team have turned out for the spring practice sessions which have entered their fourth week here on Frazer Field under direction of Coach William Murray.

Names with a familiar ring include: Bob Papy, Bob Campbell, Tony Stalloni, Jim Otton, Jack Coulter, Jim Buchanan, Gerald P. Doherty, Jr., Fred Sposato, Paul Hart, Art Millman, Al Northwood, Bob Glisson and Howard Jarvis.

Doherty, Campbell and Northwood played on last year's "informal" team, while other members of that club who are working out are Angelo Cataldi, Scott Duncan, Joe Hearn, Carl Stalloni and Jack Rothrock.

Newcomers on the squad are: Bert Owen, Jack Mettenet, Walt Kittle, Tom Livizos, Bob Rosenberg, Bob Jones, Ted Zink, Ray Smith, Walt Jerominsky, Isaac, Orlando DeFino, Jim Williams, Jim Gallagher, Jack Walls, Bill Otton Dick Jones, Fred Dantine, McAllister, Cavanaugh and John Weaver.

Coach Murray stated that the Hen's 1946 schedule has not been completed as yet, but did announce that some games would be played in Wilmington Park, and a few at Frazer Field, Newark.

June 22—THE CHRISTIANA STAKES—Two year old colts and geldings. Five and a half furlongs. \$7,500 added.

June 22—THE DIAMOND STATE STAKES—Three year olds. One mile and a furlong. (Closed August 15, 1945). \$12,500 added.

June 27—THE GEORGETOWN STEEPLCHASE HANDICAP—Four year olds and upward. About two miles. \$10,000 added.

June 29—THE NEW CASTLE HANDICAP—Three year olds and upward. One mile and a sixteenth. \$25,000 added.

July 3—THE INDIAN RIVER STEEPLCHASE HANDICAP—Four year olds and upward. About two miles and a half. \$10,000 added.

July 4—THE DOVER STAKES—Two year olds. Five and a half furlongs. \$7,500 added.

TWO 1947 FUTURITY STAKES  
THE DELAWARE OAKS, \$15,000 added, three year old fillies (in 1947). One mile and a furlong.

THE DIAMOND STATE STAKES, \$15,000 added. Three year olds (in 1947). One mile and a furlong.

## NEWARK BALL CLUB FORMED FOR SUSQUEHANNA LEAGUE COMPETITION; DRILLS OPEN

Large Squad Turns Out For Opening Workouts; Outstanding Talent Joins In Practice; First Game Scheduled With North East Away On May Fifth

With some twenty players already trying out for the squad, Newark's newly organized community baseball club, which has been entered in the fast-stepping Susquehanna amateur circuit, started practice drills last Saturday in preparation for their opening match with North East on the latter's field May 5.

Boasting some outstanding local talent, the club appears to make its mark in the eight-team league.

## JACKETS PUT STRESS ON BATTING

Squad Games Mark Newark Practice Drills

Intra-squad games highlighted the practice drills on the local athletic field this week as Coach Frank Mercer pitted his Yellow Jacket candidates against each other in pre-season workouts.

Emphasis was placed particularly on batting with the Jacket mentor seeking to bring out lurking slugging talent in the current crop of Newark batsmen.

A promising quartet of pitchers was also being put through its paces. Outstanding mound prospects this year include: D. Griffin, L. Thorpe, J. Tackach and P. MacKenzie.

Taking part in the intra-squad games were: outfielders, D. Rumer, A. Miller, G. Gray, D. Hamilton, J. Fox, I. McCann and W. Walker. Infielders: I. Ford, G. Schaen, J. Miller, H. Stone, D. Martin, R. Davis, T. Murphy, T. Silk and J. Wallace. Catchers: R. Reed and R. Gregg.

Local players interested in joining the outfit have until May 1 to sign, it was said.

Those turning out for the warm-up drills are: infielders, Tommy Silk, J. Davis, Jack Edmondson, Bill Brown, Leo MacDonald, LeRoy Hill and Eugene Schaen; outfielders, "Stump" Cataldi, Clyde Baylis, Jim Kelly, G. Kennedy, "Lefty" Riley, Paul Conlan and Bill Butts; catchers, Ed Morgan, Floyd Binkle, Junior Schaen; pitchers, "Fuzz" McCormick, P. Whiteman, Reggie Conway, "Lefty" Riley, and Bill Butts.

Russell Silk was named chairman of the Board of Directors which was appointed at an organizational meeting in George Jackson's Hardware store last week. Other board members are: Ralph Edmondson, LeRoy Hill, Dr. J. R. Downes, R. T. Jones, Joe Murray and Dick Roberts.

A team captain and a manager will be selected by the players if it is agreed.

Leaders in organizing the team were George Jackson and Jack Edmondson, who arranged to have Newark entered in the Susquehanna League.

Other league members are: Haver, Grace, North East, Darlington, Elton, Kennmore A.C., Rising Sun and Aberdeen.

## FARM PLAN DEADLINE

Farmers of New Castle County are urged by B. T. Hopkins, chairman of the county agriculture conservation committee, to sign the 1946 farm plan this week. March 31 is the last date farmers will have to sign in order to benefit from the program this year.

ALL-STARS  
UNBEATEN

The Newark All-Stars, top-flight bowling aggregation, continued unbeaten this week as they brushed aside a Continental Fibre team, which, heretofore, had been showing good form against Wilmington outfits. Melrath and Morris Adams were again the pace setters for the All-Stars. Adams tabbed a total of 634 for the three frames, his largest being the second when he garnered 224.

Melrath topped pins for a 597 total, equalling 225 in his final frame. Melrath and Adams are now planning to team up for some doubles competition and announce they are on the lookout for challengers.

## What's your Insurance Question?

... GUESS I GOT EVERYTHING  
MONEY, SILVER, JEWELRY,  
WAR BONDS - THIS WAS  
A GOOD TRIP!

**Insurance Question:**  
How many insurance policies do you need to protect your valuables against theft, robbery—even "mysterious disappearance"... and to protect them both at home and away from home?

**Answer:**  
ONE policy does it! Hartford "Residence and Outside Theft" insurance covers money and other valuables both at home and in your travels—anywhere in the Western Hemisphere! It's a big package of insurance, at a modest annual cost.

## EXAMS FOR PERMANENT GOV'T JOBS TO BE HELD

### Employees In Temporary War Posts To Seek Full-Time Jobs

Examinations required by civil service regulations for permanent employment in regular peace time posts will soon be given large numbers of civil service employees in Delaware who were occupied in temporary wartime posts.

Bart C. Milano, secretary for the civil service examining board in Delaware, in the Wilmington postoffice building, said recently heads of various departments of the U. S. government in Delaware have asked for the examination application forms for their employees who have been working under the temporary wartime regulations.

Nearly 40 applications were secured for stenographers and typists in the Delaware district office of the Bureau of Internal Revenue alone.

At present only the examinations for stenographers and typists are being held. Later, in succession, examinations will be held to qualify all other wartime employees as permanent employees.

The emergency employees are to be considered without status under civil service regulations unless they establish their status through examinations.

## NEWS OF PENCADER GRANGE

### Activities Outlined

The Music Club of the Pencader Grange met Friday night in the grange hall with Clifton Ellis in charge.

Decision was made to hold club practice sessions in the future at the homes of various members. Frank Rago volunteered to be host of the club at its next meeting at his home, "Strawberry Farm," near Christina.

Miss Agnes McLennan and Norman Brooks were appointed to provide the refreshments.

A youth party with Youth chairman, Jeanette Brooks, as hostess, will be given tomorrow night, it was further announced.

Mr. and Mrs. Clifton Ellis, Miss Julia Nemes and Mrs. Linwood Conner were guests of Peach Blossom Grange in Middletown Thursday night when the grange received its charter.

On Monday, the Pencader Grange No. 60 will meet in the hall at Glasgow with Worthy Master, William T. Brooks, in the chair. All members are urged to attend.

The Music Club has been asked to sing at the M. E. Church in Glasgow on Easter Sunday.

### Employment Highest In December, Study Shows

Employment in establishments covered by Delaware's Unemployment Compensation law during the last quarter of 1945 was lower than in any other quarter in several years, although the number in jobs reached their lowest point in October and then began to rise slightly.

Albert Stetser, chairman and executive director, Unemployment Compensation Commission, said the number of persons holding jobs dropped to 71,401 in October, 1945, and then went up to 72,624 in December. The peak of wartime work found 92,712 persons employed in the state in October, 1943, he said.

However, the actual amount of wages paid in the last quarter of 1945 was \$851,370 greater than in the preceding quarter.

When is a  
Long Distance Call  
Necessary?

YOU ARE THE BEST JUDGE. We think every call is urgent. That's why we try our best to put it through quickly. But more of you are making more long distance calls than ever before—even more than in the war years. We are building new equipment as fast as we can and getting it into service on the double. But right now there's a bit more traffic than we can take care of the way we'd like. We'd appreciate your help a little while longer by making only necessary Long Distance calls.

The Diamond State Telephone Company

## John Dougherty Competes In County Oratorical Contest

John Dougherty, Newark High student, represented the school in the New Castle County try-outs for the National Oratorical Contest held in Brown Vocational High School last Wednesday.

The final winner of the national award will receive a scholarship to any college of his choice.

Miss Leah Palmer, of P. S. du Pont High School, and Alex Grunfield, of Wilmington High School, won the New Castle County try-outs and will compete for the state and national awards.

## UNIVERSITY TO OPEN VET AID CENTER ON APRIL 8

### Director Is Appointed To Head Guidance Bureau In Wilm.

Newly appointed director of the Delaware Veterans Guidance Bureau opening April 8 is Capt. Henry Weltz, of Rahway, N. J., who will soon be released to inactive duty by the Army. It was announced last week by Dr. W. Owen Sypherd, president of the University of Delaware.

Officially designated the Veterans Administration Guidance Center University of Delaware, the bureau will be situated in the Charles B. Lore School, fourth and Bayard Avenue, Wilmington. Miss Margaret R. Black, of Cecilton, Md., and a U. of D. graduate, will be its psychometrist.

In the Army, Capt. Weltz was a classification specialist at Camp Lee, Va., and induction station psychologist at Fort Benning, Ga., assistant section chief to the office of director of military training, Army Service Forces, and finally, an instructor and general adviser in the department of psychology at Biarritz American University in France. He is now returning to this country from abroad.

Miss Black was an Army hostess at Camp Pickett, Va., and at Indiantown Gap, Pa., for three years. She attended the University of Delaware from 1921 to 1923 and received an A. B. degree in 1940, having attended summer sessions there and at the University of Maryland in intervening years.

Miss Black will conduct vocational guidance tests with the modern scientific machinery devised to determine aptitudes and abilities of job applicants.

## EDUCATORS VISIT HERE

### Group Tours Local School

Dr. John Shilling, State Supervisor of High Schools, Dr. William Nordli of Yale University, and Lyle Mowlds, State Supervisor of Agricultural Education, visited the Newark High School last week on an observation tour of school systems.

Dr. Nordli, who is chiefly concerned with the survey, is considering four problems in his study: competition among special school districts, feasibility of eliminating the special districts, the taxation system, and the lack of uniformity in cost accounting methods in the various districts.

Dr. Nordli, who represents the School Survey Council, a well-known group with headquarters in Washington, D. C., stated he found conditions here highly satisfactory.

## HOUSEHOLD ACCIDENTS AVOIDABLE

### Hints For Home Mishaps

Nineteen forty-six Spring Clean-up Week doesn't have a definite national date, but it's something Delaware farmers should be thinking about during the next month.

The National Safety Council last year reported many farm accidents which resulted from hazards that could have been removed in a systematic clean-up. The Council suggests that a few hours spent in cleaning up around the farmstead during the present slack work season may prevent an accident resulting in the loss of many days during the rush season later on.

Begin checking the farm and home for accident hazards. Ask yourself these questions:

1. Are the yard and fields free of broken glass, barbed wire, nail-studded boards and other dangerous litter?
2. Is the barnyard clean of broken tools, machinery, etc.?
3. Are closets, basements and attic free from loose or piled paper, and

other material that might be a fire hazard?

4. Are all steps, porches and stairways in good repair and clear of rubbish and all tripping hazards? Are they adequately lighted?

5. Are all wells, cisterns, pits and other dangerous openings safely covered?

6. Are all flues, chimneys and stovepipes clean and in safe condition?

7. Are active steps being taken to kill rats and remove rat harbors?

8. Has your water supply been tested recently by your Public Health Officer?

9. When burning trash or rubbish do you make sure that the fire is out before you leave it?

10. Is fire fighting equipment, such as extinguishers, water and sand barrels, buckets, fire hose ladders, axes, etc. available for fighting fire?

If you can't give yourself a clean slate on these farm safety practices, you'd better start doing something to remedy the situation—NOW.

## NOTICE of TOWN ELECTION

The annual election of the Town of Newark will be held on Tuesday, April 9, 1946, between the hours of 1:00 and 6:00 P. M., during which period the Polls will be open at the Council of Newark offices at 26 Academy Street.

The purpose of the election is to elect for a term of two years each, the following:

President of Council

One Councilman representing the Eastern District

One Councilman representing the Middle District

One Councilman representing the Western District

All property owners and registered non-property owners whose town taxes and capitation taxes are paid for the year 1945 are eligible to vote at this election.

ELECTION OFFICERS:

Frank Lutton

Robt. S. Gallaher

By: Vernon Steele,  
Secretary-Treasurer

## DYNAFUEL

is out in front. The Sun Oil Company solicited 2,000 auto dealers and 19-1 voted that Dynafuel was equal or superior to any higher priced gas sold.

These dealers are men who know automobiles and agreed that its trigger-quick starting and incomparable smoothness was the gas of today.

You drivers owe it to yourselves to try it and drive in comfort and easyness with the gas that at ANY price cannot be excelled.

The A & Z lubrication of your car and Spring change-over is equally as good as Dynafuel.
