NUMBER 38

OFFICERS OF LEGION TAKE POSTS TUES.

J. Q. Smith Installed as Commander; Succeeded W. R. Powell as Post Head

FLOOD WORK PRAISED Receive Recognition For Relief Work; Powell and Mumford Cited

With Department Commander George D. Hill, of Dover, conducting the installation the newly elected officers of the American Legion J. Allison O'Daniel Post No. 10 took office Tuesday night at the bi-monthly meeting of the organization.

The following officers were installed: Commander, J. Q. Smith; Vice-Commander, F. A. Cooch, Jr.; Adjutant, C. W. Mumford; Finance Officer, J. R. Downes; Chaplain, Harvey Mitchell; Sergeant-at-Arms, Aaron Reynolds; Historian, A. E. Tomhave; Service Officer, Harold Shaeffer.

Members of the Executive Committee were announced as follows: J. R. Downes, C. W. Mumford, A. E. Tomhave, J. Q. Smith, Harry Herben, W. Floyd Jackson and W. R. Powell.

Retiring Commander Praised

In taking office Mr. Smith commended the retiring Commander, Walter R. Powell, for his work during the past year. In applauding Mr. Powell's activities, the new Commander stated: "Your retiring commander obtained the largest percentage of membership since the Post was organized."

Continuing, Mr. Smith said: "Walter Powell was one of the hardest workers in arranging for the trustee form of loan for financing the bowling alleys for the Holding Corporation, and the amount of time that he put in, in following through the construction of the building and the moving and laying of the alleys cannot be set aside. No one else in the Post could have given the time or assistance that he did in this respect."

In conclusion, Mr. Smith said: "I pledge my sincere cooperation to the State Department and to every member of this Post, and I can only ask the same in return."

Received Citations

Mr. Powell and Mr. Mumford were presented citations by National Headquarters in recognition of loyal and efficient service which they rendered. Mr. Powell also received a special certificate on behalf of the Post which was for being among the first to furnish relief to flood sufferers.

In responding to the call for relief, the local Post had three truckloads of food, clothing and other necessities in the hands of the Red Cross, the day following the appeal.

A commendable service record precedes Mr. Smith into office. Last year he served as Vice-Commander of the Post and Chairman of the Memorial Day, Membership, and Junior Baseball Committees. He has served as Publicity Officer since 1933.

Mr. Smith's activities on state committees include: Chairman of the Hospital Entertainment Committee in 1935, and Chairman of the Tri-State Hospital Entertainment Committee in 1936. He has been selected to head the State Community Service Committee for 1937.

Among the guests were: Past Department Commander Edward A. Mulrooney, Sergt. Harry A. Stone, Sergt. James Todd, and A. H. Pace, Delaware City; Vice-Commander Daniel Cunnane, Rehoboth Beach; Department Adjutant William McWilliams, Dover; William R. Marvel, Samuel Green, Wilmington, and Dr. Samuel Engle Burr, New Castle.

Following the ceremonies, the bowling alleys were opened to the members and their guests.

Committee Heads

The following committee chairmen were also announced: Membership, F. A. Cooch; House, Harry Herben; Finance, J. R. Downes; Publicity, G. M. Gilligan; Service, Harold Shaeffer; World War Orphans, G. M. Gilligan; Emergency Relief and Visiting, Orville Little; Americanism, F. S. Lagasse; Junior Baseball, George L. (Continued on Page 10)

Firemen Urge That Chimneys Be Clean

The Aetna Hose, Hook and Ladder Company is making an appeal to all residents in Newark and vicinity to clean up for the prevention of fires. They especially request that chimneys be cleaned before fires are started.

In making their appeal, the firemen point to an ordinance passed in Wilmington as follows:

"All chimneys and smokestacks shall be kept clean and free from soot, and for every fire originating in a chimney or smokestack because of an accumulation of soot, the owner, lessee or person in charge of such chimney or smokestack shall be liable to a fine of Ten Dollars."

Wilmington Rabbi Talks To Newark Lions Group

Speaking on the "Growth of Jewish Literature," Rabbi Henry Tavel of Beth Emeth Temple, Wilmington, addressed a large meeting of Newark Lions Tuesday night at the Deer Park Hotel. He spoke as the guest of Past President George Danby who introduced him to the group.

In presenting his discourse, Rabbi Tavel offered copies of Hebrew religious works known as the Mishnah and Talmud.

President Joseph M. McVey officiated at the dinner which marked the introduction of Herman Handloff, manager of the State Theatre, as the newest member of the organization.

EX-NEWARKER PRAISED FOR WORK ABROAD

International Critic Ranks
Messersmith High In
Foreign Circles

HEADED LOCAL SCHOOL

Praise for the courage and capabilities of the Honorable George S. Messersmith, United States Minister to Austria-Hungary—a man who was figuratively "chased" out of Newark some twenty-six years ago—was recently sounded by the internationally famous cynic, Westbrook Pegler.

In doing his syndicated stint for daily papers on September 14, Pegler took occasion to point out the difficulties confronting Americans in Berlin since Mr. Messersmith moved over to Vienna.

Mentioning the case of a native American sailor named Lawrence Simpson, of Kirkland, Wash., who has been imprisoned in Germany for more than a year, awaiting trial on a charge of possessing seditious documents in his locker aboard an American ship in Hamburg, Pegler bemoaned the absence of Minister Messersmith from Berlin.

Remarkably Bashful

He stated "The American Embassy in Berlin is remarkably bashful about protecting the rights of Americans in such cases, and the situation has grown worse since George Messersmith, the Consul-General in Berlin, was moved over to Vienna as Minister."

"Mr. Messersmith was diligent to protect Americans in Germany, and he tangled with the Nazi officials so often in such matters, that they were glad to see him go. Mr. Messersmith reckoned that an American in Germany should be entitled to the same rights and privileges that a German Nazi enjoys in the United States, where Nazis band together and often hold public meetings to denounce American public officials and glorify the Nazi system to the implied detriment of the American system of government."

Local Schoolmaster

Serving as principal of Newark High School from about 1904 to 1910, Mr. Messersmith was forced to resign over what his friends regard as "opinionated bigotry and a niggardly attitude of an individual's personal habits."

In leaving Newark, he was literally "kicked upstairs." After spending a short period as principal of the high school at Lewes, Mr. Messersmith entered the consular service and has represented the United States with distinction in widely scattered capitals of the world.

Lived at Academy

While a resident here, Mr. Messersmith shared a room for a time with Dr. Wilbur Owen Sypher, head of the English Department of the University. (Continued on Page 10)

POLICE HERE GET SUPPORT UPON APPEAL

Increased Traffic Creates Need

Authorities

FINE DRUNKEN DRIVER

State police are patrolling the highways in the vicinity of Newark on a 24-hour schedule since the temporary closing of U. S. Route 40 between Elkton and Perryville. Through traffic, diverted to U. S. Route 1, is detouring over Route 273, causing congestion here and on surrounding roads.

Mayor Collins appealed to state authorities for help and the Delaware police are making a constant daily check on the situation following the request.

Local police were kept active during the week by a series of misdemeanors.

10-Day Sentence

George Campici, a newcomer to Newark who formerly lived in Asheville, N. C., was apprehended by Chief of Police William C. Cunningham and Officer LeRoy Hill Monday afternoon for molesting women.

According to charges filed in Magistrate Daniel Thompson's court that day, Campici had made improper advances on several women both on Sunday night and Monday. He was sent to the New Castle County Workhouse for ten days while police are investigating his past.

On Thursday night of last week, Hill arrested Comas Alagia of Elkton, for operating a motor vehicle while under the influence of alcohol. Magistrate Thompson fined him \$100 and costs.

Stop Reckless Drivers

Two reckless drivers—Thomas DeStafano, 213 W. Second street, Wilmington, and Robert E. Howard, 616 Delaware street, New Castle—were arrested by Hill. The first apprehension was made Sunday night and cost DeStafano \$10, plus the usual fee. Howard was hailed into court later the same night and was released upon payment of costs following a plea of strained finances. Magistrate Thompson heard both cases.

The same arbiter released Sarah Black, Newark Negress, upon payment of costs Monday, when she returned \$8.75 to Sherman Ames, also colored, which the man charged she pilfered Saturday night. Hill made the arrest.

Students Given Safety Talk At College Hour

Captain Harry C. Wray of the Delaware State Police was the speaker at the College Hour held Tuesday in Mitchell Hall. Students from Delaware College and Women's College were present.

Captain Wray stressed safe driving and stated that the State Police had been ordered to arrest all reckless motorists.

LIST OF CANDIDATES

This list contains the names of people who said they were interested in working for a prize in THE NEWARK POST campaign. The first prize is \$500, the second prize is \$200 and the third prize is \$50. Twenty per cent commission is paid to all candidates. Candidates not making a report next week will be dropped from the list.

FIRST BIG REDUCTION IN EXTRA VOTES IN CAMPAIGN EFFECTIVE SATURDAY, 17TH

Starting Monday Morning Only 150,000 Extra Votes Will Be Given on Each \$15 Amount; More Reductions Are To Come Later; Watch Announcements Weekly

Saturday night, this week, October 17th, will mark the first big reduction in extra votes in THE NEWARK POST subscription campaign. THE POST is offering more than \$1,000 in cash and commissions to the people of this section for getting payments from both old and new subscribers.

Until 8 o'clock Saturday night each amount of \$15 worth of subscriptions will give a candidate 200,000 extra ballots. There is no limit to the number of these ballots a candidate may have.

Naturally the more of the 200,000 extra ballots a candidate can secure this week, the better possibility of winning there is. The votes a worker gains during the big offer this week will mean much toward winning the first prize of \$500 in cash.

LAST CHANCE TO REGISTER NAMES

Enrolling of Voters to End
Saturday; No Ballot
Is Threatened

Failure to qualify on the final registration day of the year—Saturday—will cost any citizen of the state, who has not yet enrolled, his right of franchise at the presidential election on Tuesday, November 3.

Party estimates state that there are about 13,000 eligible to register, who have not yet qualified. The total registration for the first four registration days of the year is approximately 113,000.

Leaders of both parties have been stressing the importance of the registration during the week. Voters have been urged to file their right to vote at all political sessions.

Simple Qualifications

All persons who are 21 years of age or older and are citizens, are qualified to register, if they have been residents of the state one year or more.

It is necessary for everyone who desires to vote on November 3 to register this year regardless of registrations any previous year, under the four-year registration law. A complete new set of registration books was started this year and if a voter's name fails to appear on it, the right to cast a ballot will be forfeited.

There will be no further opportunity to register after Saturday of this week. Places of registration in Newark are at the Deer Park Hotel and at the Washington House.

Truck Destroyed With Load of New Furniture

A truck loaded with furniture was totally destroyed Tuesday morning on the new Glasgow-Buck Bridge road near the former town. Fire of unknown origin had gained too much headway for any effective work by members of the Aetna Hose, Hook and Ladder Company who answered the alarm.

Owned by the L. G. Jenkins Express Company of Philadelphia, the vehicle was driven by Horace V. (Tubby) Ringler, Oxford, a well figure in local pocket billiards circles. Patrolman Wilbur R. Bush of the State Police investigated the fire.

Old Brewery Running On Twenty-four Hour Shift

The Diamond State Brewery, Fifth and Adams Streets, Wilmington, which reopened some weeks ago, is now running at top speed while producing beer for "ripening" under the famous old Stockle method that made this establishment a landmark of many generations.

Originally started in 1872, the brewery began business with a production of only 3,000 barrels annually and enjoyed a steady increase until 1917, when the output reached 80,000 barrels.

Equipped now to manufacture 200,000 barrels of beer each year, the Diamond State brew house is running at full capacity. The product will soon be introduced on the market.

Poultry Supper

A poultry supper will be held at Wesley Chapel, McClellandsville, on Thursday, October 22. Supper will be held from 5 until 8 p. m.

Do not be deceived about bigger extra votes later. So many people will try to tell a candidate about this. All one needs to do is to pay strict attention to the announcements in this article each week. That is a certain way to know for a fact how many votes you will get for the effort you are making.

Starting Monday morning, October 19th, only 150,000 extra votes will be given on each \$15 amount. Following the 150,000 ballots will come only 125,000 vote ballots, and the last three days only 100,000 extra votes will be given.

So this is the week to have a big report. Never again will you be given so many votes as right now. Out of town candidates not wishing to call at the office Saturday night have a right to mail subscriptions at any time up to 8 o'clock at their nearest postoffice. Credit on the 200,000 ballots will be given even though your letter does not reach this office until Monday morning.

Five year subscriptions either old or new give the biggest regular vote credit. One new, one year subscription gives 5,000 votes. One new, five year subscription gives 150,000 votes. It takes 30 one year, new, subscriptions to equal 150,000 votes. Figure this out for yourself.

This same rule applies to old payments. One old, one year, payment gives 2,500 votes. One old, five year payment gives 75,000 votes, or 30 times 2,500 or 75,000 votes.

How many friends have you who will give you a five year subscription to help you win the first prize offered in this campaign? It is safe to say that almost every candidate will be able to collect on several of these five year payments by the closing hour Saturday night.

This week should be the biggest and best for every candidate working to win a prize. Even if a candidate only feels able to earn money on the 20 per cent commission—right now is the best time to hand in subscriptions.

What will you do about it? If you are a subscriber pay your subscription this week and give your vote credit to one of the hard working candidates. It doesn't cost you anything extra to vote for some girl, married woman or man whose name is on the list.

If you are a candidate gather in every promised subscription before the closing hour Saturday night. You owe it to yourself to gain every possible vote. It is right up to you. Votes will make you win.

P-T. A. Courses Will Commence Next Monday

Free courses in three subjects sponsored by the Newark Parent-Teacher Association and offered under the direction of the State Board of Education will start next week. They are offered as a part of the Adult Education Program of which Dr. J. S. Gould is chairman.

A course in art appreciation and home decorating will be given in the Newark High School by Miss Amy Gardner, instructor, on Monday. Physical education and health will be the topic on Wednesday at the high school with Miss Johnson serving as instructor. The class in pottery will assemble at the Women's College, University of Delaware, on Tuesday.

Classes, it is understood, will run for eight weeks and will start at 7.30 on designated nights.

WOMAN'S CLUB MARKS BIRTH WITH DINNER

Newport Federation Members Entertain State Heads At Banquet STAGED LAST FRIDAY

By Emma S. MacLary

The Newport Woman's Club celebrated its seventeenth birthday anniversary with a luncheon in the new club house on Friday afternoon. There were 70 guests present.

The banquet room was attractively decorated in the club colors of green and gold, with table decorations of flowers and lighted candles. The place cards and favors were small sail boats made of gold colored cardboard, on which the letters "W. C. O. N." for "Woman's Club of Newport" were placed in green, indicating that the club was "sailing" into another year with renewed vigor.

Local members assisting in the preparations for the luncheon were: Mrs. Charles Bratton, Chairman of Luncheon; Mrs. S. N. Tammany, Toastmistress; Mrs. A. M. Munn, Chairman of Program; Mrs. F. H. Webb, Chairman of Decorations.

Honor Guests Attend

Honor Guests were federation officers and presidents of nearby clubs, including: Mrs. Louis A. Drexler of Camden, Del., president of the Delaware State Federation; Mrs. Clarence Framer, chairman of the Department of Industry in the General Federation of Women's Clubs; Mrs. L. Mulford Taylor, New Castle County vice-president of the Delaware State Federation; Mrs. Floy Booth, state parliamentarian; Mrs. Frank L. Reynolds, general federation director; Mrs. Herbert S. Drew of Wilmington, state treasurer; Mrs. Charles Evans, president Wilmington New Century Club; Mrs. Clinton Brown, president of the Wilmington Gardens Club; Mrs. Robert T. Jones, president of the Newark New Century Club; Miss Elizabeth McCallister, president of the Newport Junior Branch.

Mrs. S. N. Tammany, toastmistress, presented Mrs. D. J. Richey, president of the Newport Club, who gave the address of welcome.

Extends Congratulations

Mrs. Drexler, president of the State Federation, brought greetings from the state organization, and congratulated the Newport Club upon the fine progress it had made. Mrs. Drexler stated that their slogan for the year was "More Clubs and Increased Membership," and she hoped this would be an inspiration for the clubs throughout the state. Mrs. Drexler spoke of the value of contacts to the women through club work, commenting that she believes this will broaden the viewpoints, and help women and homemakers to live a richer, fuller and happier life. She spoke particularly of the study groups conducted by the clubs, offering instructions to members in painting, music, history, citizenship and the Bible.

Mrs. L. Mulford Taylor, New Castle County vice-president, congratulated the Newport Club upon its many achievements, and announced that the New Castle County Institute will be held in Newport on Thursday, October 15, in the Newport Club headquarters, at which time the program for the year will be outlined.

Resume of Accomplishments

Mrs. G. D. Baldwin, past president of the Newport Club, gave a resume of club accomplishments during her administration. This material was prepared in verse by Mrs. Baldwin, and was well received, as it was an outstanding record.

Mrs. Floy E. Booth, State Parliamentarian, congratulated the Newport Club on its many achievements, stating this club was always "among the first" in doing things, and held an enviable record in this State, and was the only club to build a new club house during the depression years.

Mrs. J. Paul Heinel of the Wilmington Academy of Art, was the principal speaker, on the subject of "Flower Arrangement," and gave the members many valuable suggestions which could be carried out in decorations in their homes.

Pledges Support

Miss Elizabeth McCallister, president of the Newport Junior Branch, pledged the support of that group to the Senior Club. Miss McCallister also stated they had arranged a calendar of activities during the year.

Mrs. Herbert S. Drew of Wilmington, entertained with a group of vocal selections, including: "A Southern Song," "Poor Man's Garden" and "The False Prophet." Mrs. Drew was accompanied by Mrs. L. Mulford Taylor, pianist.

Tax on Your Shirt

Of that one dollar shirt you bought, 25 cents of the price was New Deal Federal tax.

Dean McCue Representative At Washington Conference

Charles A. McCue, dean of agriculture and director of the agricultural extension department and agricultural experiment station at the University of Delaware, last week attended a meeting of the committee on extension organization and policy for the association of land grant colleges and universities at Washington. Dean McCue represents the northeastern states on the committee.

SANTA CLAUS USED ON NEW XMAS STAMPS

Latest Health Symbol Marks 30th Annual Campaign In Delaware

DEATH RATE DECLINES

Santa Claus, the ageless personification of the spirit of Christmas, will be the symbol of health this year on the 1936 Christmas Seal which will be sold by the Delaware Anti-Tuberculosis Society and nearly 2,000 other similar organizations throughout the United States.

Each year since 1907 when the first originated in Delaware by Miss Emily P. Bissell, the seals have been sold to support the year-round educational campaign to control tuberculosis. This is their thirtieth annual appearance and it is the tenth time that the face of old St. Nick has been used as a symbol of health.

Red and Green

In commenting on the new seal, Miss Bissell said: "Santa Claus on the 1936 gay red and green seal has been treated in the modern cartoon manner and this is fitting. Why? Because the thirtieth seal has a new message, more optimistic than in former years. The death rate from tuberculosis is steadily though slowly declining and well-known health authorities believe that tuberculosis can and will be eliminated. From being the highest cause of death it has now become the seventh."

Death Rate Slumps

In other words in 1907 when the first Christmas Seals were sold the death rate from tuberculosis was 179 for every 100,000 of the population; it is now less than 60 in the Registration Area of the United States. Modern health methods have done much to force this rate down and Santa in modern style may well call attention to that fact.

"Yet this is no time to rest complacently, for nearly 70,000 persons are dying from tuberculosis each year and of that number considerably more than half occur among men and women from 15 to 45. In 1935 there were 155 deaths in Delaware. There is still much to be done if we are to wipe out tuberculosis in the next thirty years."

The campaign will open Thanksgiving Day and continue until Christmas.

25 YEARS AGO IN REVIEW

October 15, 1911

OBITUARY

Ira C. Mote

Ira C. Mote, aged 28 years, a life long resident of this locality, died at his home on Delaware avenue, last Sunday.

Mr. Mote has been in poor health for the past year and when typhoid fever fastened its hold upon him the powers of resistance proved too weak to wrestle the disease.

Mr. Mote was popular in his home town, where he has conducted the moving picture establishment for the past two years. He was a member of the Aetna Hose, Hook and Ladder Company.

Funeral services were held this morning at 11 o'clock. Interment in White Clay Creek cemetery. The pallbearers were Messrs. George Murray, Frank Fader, Thomas Young Harlan Herdman, William Ellison and Alfred Stiltz, Jr.

The deceased is survived by a wife, a father, mother and two sisters, Miss Fannie Mote and Mrs. Thomas Green.

Weddings

Announcement has just been made of the marriage of Mr. Herbert Renshaw, of Wilmington, Del., and Miss Catherine A. Chambers of Newark, Del., which took place in Philadelphia, September 6, 1911. Mr. and Mrs. Renshaw will occupy their new home, 1629 West Eighth street, Wilmington, after October 30th.

Miss Carrie Lutz and James Crow, both of Newark, were married last Saturday at the parsonage of Union M. E. Church, Wilmington. The college boys gave them a rousing serenade upon their return.

William R. Kuntz, of Philadelphia, and Miss Velva R. Hollar, of Harrisburg, were married at the M. E. parsonage by Rev. G. T. Alderson, on Sunday. The bride and groom came from Philadelphia in an automobile.

News Notes Here and There

LaMartine Gilfillan has accepted a position with the U. S. Government Engineering Department at Marcus Hook, Pa.

Chestnuts are plentiful this year—so say those who are roaming the fields and woods.

A daughter was welcomed in the home of Dr. and Mrs. H. B. Phelps last Sunday. Their many friends extend congratulations.

1937 Lincoln-Zephyr Shows A New Front End Design

The beautiful new frontal appearance (above) of Lincoln-Zephyr motor cars for 1937 is an example of how refinements in the new "first anniversary" series have added to the car's charm. The distinctive sharp-nosed radiator grille, topped by its "flying wing," is ornamented

with horizontal strips of bright chromium. Similar strips border the hood louvers. A body stripe is carried across the length of the car from stem to stern below the belt line. The new Lincoln-Zephyr body types are now being shown in Lincoln dealer showrooms.

Local Firm Among First To Display New Series of Lincoln-Zephyr Automobiles

The "first anniversary" series of Lincoln-Zephyr motor cars for 1937 went on display in this area last Thursday at the Sea View Golf Club, Absecon, N. J., before an enthusiastic assemblage of more than 600 dealers and newspapermen.

Heading the delegation from Delaware and the Eastern Shore of Maryland and Virginia was A. Franklin Fader, president of the Fader Motor Company, 42 W. Main street, who is one of the oldest representatives of the Ford Motor Company in the United States.

Mr. Fader marked his twenty-fifth anniversary as a Ford dealer on September 11. As such he will be given the opportunity of displaying the 1937 Lincoln-Zephyr before hundreds of dealers in larger centers. He is anticipating delivery of the initial unit daily.

Important Improvements

Just one year old and with a successful year's record written since its maiden bow to the public last autumn, the Lincoln-Zephyr, representative of the Ford Motor Company and the Lincoln Motor Company in the medium-price field, enters its second year with important improvements which are expected to substantially widen its appeal. There are four body types, including a new three-passenger coupe.

Although basically, the 1937 Lincoln-Zephyr is the "car of the future" announced a year ago, the first anniversary models have substantially smarter appearance and pleasing improvements in interior treatment. Also as a result of the "road" experience of some 15,000 enthusiastic owners during the past year, a few minor mechanical refinements have been made. Most important among these are a newly-designed luggage compartment reached through the rear deck-hatch and a new steering system intended to further facilitate steering and parking.

Loan Applications May Now Be Filed At Newark Office

Nineteen thirty-six Fall Grain Loan applications are now in the office of County Agricultural Agent, G. M. Worrlow, it was announced this week. All those farmers who are interested in obtaining this government loan are requested to make contact as soon as possible.

Loans are granted for fall grain production, seeds, fertilizers, etc., and are made to farmers who have acreage fit for cultivation, the necessary equipment for farming operations, and livestock for which feed is required and those who are unable to obtain loans from other sources.

These loans can be secured by a first lien, upon all crops of which the production, planting, cultivating or harvesting is to be financed, in whole or in part, with the proceeds of the loan.

\$200 Maximum

The maximum amount that can be obtained this year is \$200 for which interest bearing notes from maturity must be drawn. Maturity date on the loans is set at August 31, 1937. A rate of five and one-half per cent. interest will be charged after that date. In filing the applications, it is necessary for the application to give the following information: the size and

Engineering Pioneer

The new cars continue to pioneer the Ford-Lincoln conception of advanced motor car engineering. They retain the exclusive Lincoln-Zephyr all-steel welded "bridge truss" design with its popular streamlines; the 110 horsepower V-12 engine and the superbly engineered running gear which contributes so much to the car's unusually comfortable riding qualities and ease of handling.

Still the most completely streamlined car built in production volume, the changes for 1937 noticeably enhance its smart exterior appearance and the beauty of its interior treatment.

Frontal Refinements

The beautiful new frontal appearance is an example of how these refinements have added to the new car's charm. The distinctive sharp nosed radiator grille topped by its "flying wing" is ornamented with horizontal strips of bright chromium. Similar strips border the hood louvers. A body stripe is carried across the length of the car from stem to stern below the belt line. All these add much to the air of motion which the body lines present.

The smart new fittings and the deep divan seats give the interior of the new car the appearance of a cozy lounge. The deeply-cushioned seats are upholstered in new pleated design either in broadcloth or cord. Door treatment is in panel design with narrow chromium strips bordering the pleated panels.

Most Striking Feature

Probably the most striking feature of the car interior is the instrument panel design which includes a new enclosed grille reaching down to the top of the transmission housing and designed to screen installation of a car heater and radio. The grille gives the front compartment a decidedly ship-shape appearance. Both the panel and grille are finished in the body color. Garnish mouldings are in rare wood grain.

location of the farm, the various crops planted and harvested in both 1934 and 1935, a statement of his present indebtedness, a list and value of all property, implements and livestock and an estimate of the amount of seed, grain and feed on hand.

Mr. W. C. Boxley of the Emergency Crop Loan Section is at the County Agent's Office every Wednesday from 10 A. M. to 11 A. M. and will assist farmers with their loan applications.

Juniors To Attend Church Services This Sunday

"Tony Davis, our councillor, was back in harness last Monday," said A. Neal Smythe, publicity chairman of the Jr. O. U. A. M. in an interview yesterday morning.

"A general discussion on our fraternal visitation month was conducted," he continued. Tuesday night the local organization was the guest of the Middletown Juniors. On Friday night, the Juniors will attend services at the Newark Presbyterian Church. "Let us all, as brothers, seek divine guidance in our Father's house at this time," Mr. Smythe said.

Following a short meeting on Monday, starting at 7 o'clock, the organization will adjourn to visit Diligent Council, Wilmington.

GLASGOW FOLK ACTIVE

By Mrs. J. Leslie Ford

The Social of Salem M. E. Church met in the lecture room last Wednesday evening. The meeting was called to order by President Amanda Johnson. The annual supper to be held on October 27 was discussed and final plans made, after which a social time was spent. Refreshments were served.

Mrs. Amanda Johnson, Misses Ada and Helen Johnson, Mr. J. Leslie Ford, Jr., spent Tuesday evening with Mr. and Mrs. Wesley Johnson and son of Wilmington.

Mrs. Harry Dayett, Sr., spent Thursday evening with Mrs. Natalie Jones, of Wilmington.

Harvest Home was celebrated on Sunday at Salem M. E. Church, Rev. Jones having charge. A collection of \$114.69 was received.

Club Meeting

The Glasgow Home Demonstration Club met at the home of Mrs. Amanda Johnson on Tuesday. Twenty-two members were present. The meeting was called to order by the President, Mrs. J. Leslie Ford, after which Miss Ruth Minturn, home management specialist, talked for several minutes on the needs of a housewife to save time, labor and expense which she will try to help the members solve through the coming year.

The nominating committee comprised Mrs. Thos. D. Wright, Mrs. Wm. Huggins and Mrs. Amanda Johnson, named the following officers for 1937: President, Mrs. C. M. Lynch; vice-president, Mrs. Wm. Huggins; treasurer, Mrs. Julian Laws; and secretary, Mrs. Charles Laws.

Donate to Hospital

It was decided to give another donation to Flower Hospital. All members present signed to attend the luncheon on achievement day, November 12.

Mrs. P. R. Roberts was appointed to attend music appreciation on October 22. Miss Thelma Atwell, who won the honor of the free college scholarship from the Home Demonstration Clubs, will be the guest of honor at the luncheon. Mrs. Daugherty talked and showed quite a lot of pictures taken on her trip abroad this summer, which were enjoyed by all. Our November meeting will be held at the home of Mrs. Frank Comly. Topic, Music. Christmas Party will follow in December.

Miss Rebecca Anderson was the guest of her niece, Mrs. Edgar Moore, at Germantown, on Monday.

Messrs. Clifford Lynam, Charles Currinder, William Sheppard and Arthur McCall are on a motor trip to Hampton, Virginia, for several days.

Return of better times in indicated by San Diego, Calif.—a city that has a 40 per cent drop in its relief load.

"Musical" Letter Carries Lilt of Song Assortment

A challenge for cleverness and originality was aimed at Newark students this week when Jack Spencer, a student at Bristol (Pa.) High School, contributed the following letter, which is unusual in structure, to say the least.

SAY IT WITH MUSIC

"On the Sidewalks of New York"
"June in January"

"Sweet Sue":

"I Am Sitting High on a Hill Top" at "My Old Kentucky Home" and "I Feel Like a Feather in a Breeze" "Watching the Clouds Go By" when I see "Empty Saddles in the Old Corral." So I decided to go "Down the River of Golden Dreams" to see if "Is It True What They Say About Dixie?"

First I landed on "Treasure Island," then I went "Down the Mississippi River with Steamboat Bill" to the "Isle of Capri." Next I went "Beyond the Blue Horizon" with "Old Man River" "On the Beach at Bali-Bali."

I came back to a "Shanty in Old Shanty Town" toward "My Blue Heaven" in "Home, Sweet Home," while I had "Dinner for One, Please James." I saw "Robins and Roses." So I've "No Regrets" from "In the Good Old Summer Time" though "School Days" cause me to be "Blue Again."

Now I'm going to "Shuffle Off to Buffalo" to see "Dinah" on "Dream Avenue." Please send me "Snapshots of You" from "In a Little Gypsy Tea Room." Now "I'm Gonna Sit Right Down and Write Myself a Letter and Make Believe It Came from You."

"But Definitely,"

"Old Black Joe."

"P. S.—I Love You."

Spencer, a literary writer on the staff of "The Rambler," student publication at Bristol High School, is a frequent visitor at the home of Miss Elizabeth Ann Dean, 362 E. Main street, and has many friends here.

Although Spencer didn't compose the bit as a challenge to Newarkers, it would be interesting to see some boy or girl here match it in cleverness . . . can it be done?

GRANGE GETS NEW MEMBERS FOR DEGREES

Class of Candidates To Be
Received At Newport In
Near Future

CLUB GROUP TO MEET

By Emma S. Maclary

Delaware Grange No. 46, P. of H. at its weekly session held Monday evening in the Women's Club Building, Newport, received three applications for membership. Arrangements will be made to confer the first and second degrees upon a class of candidates in the near future.

Mrs. Robert P. Robinson, who represented Delaware Grange at a meeting of organizations of the town to confer on the matter of holding an Adult Educational Class during the winter months, reported that the subject decided upon was "Child Study." The class will be held in the Krebs School; date of opening and the name of instructor to be announced in the near future.

Plans for Dinner

Plans were made for a "Birthday Dinner" to be held by Delaware Grange in honor of three of its charter members who are celebrating birthdays this month. The dinner will be held next Monday evening at 6 o'clock. The honor guests are Miss Emily Gregg, Mrs. Elizabeth Hilyard and Mr. William H. McCoy.

Announcement was made that the Sixth Degree of the Grange will be conferred upon a class of members at a special session of Delaware State Grange on Thursday evening, October 15th at Dover, Del. Worthy State Master Robert P. Robinson will preside. Other members of Delaware Grange will assist with the degree work, which is in charge of Mrs. R. P. Robinson.

Announce Party

Announcement was also made that a card party and bingo will be held at the home of Mr. and Mrs. Chandler Gebhart, New Castle, on Friday evening, October 23.

During the Lecturer's Hour, a quilting party was enjoyed, after which refreshments were served.

The New Castle County Institute of Women's Clubs will hold an all-day session on Thursday in the Newport Woman's Club headquarters. Mrs. L. Mulford Taylor, New Castle County Vice-President, will preside, and the program of work for the ensuing year will be outlined.

Lesson for October 18

THE SPOKEN AND THE WRITTEN WORD

LESSON TEXT—Acts 17:1, 5-11; 1 Thessalonians 2:12.
GOLDEN TEXT—The Word of God is quick, and powerful, and sharper than any two-edged sword. Heb. 4:12.
PRIMARY TOPIC—When People Read the Bible.
JUNIOR TOPIC—The Power of Jesus' Name.
INTERMEDIATE AND SENIOR TOPIC—How May I Win Others to Christ?
YOUNG PEOPLE AND ADULT TOPIC—Evangelism and the Bible.

The persecution at Philippi served not to discourage Paul and Silas, but rather to send them forward into new territory with the gospel message. Passing through two cities they came to Thessalonica, then as now a city of considerable importance. After a successful though stormy ministry there they journeyed forty miles to Berea, where the Word was gladly received.

The portion of our lesson from the Book of Acts relates how the Word was preached and received in these two cities, and the excerpt from the letter which Paul later wrote to the Thessalonian church shows what manner of life the preacher sought to live among them.

I. Preaching the Word (Acts 17; 1, 5-8).

Paul's experience at Thessalonica presents an excellent illustration of 1. How the Word should be preached (vv. 1, 5-8).

This section is incomplete without verses 2-4, which are omitted from the printed portion but should be included in the study of the lesson. Notice four things concerning his preaching.

a. The place (v. 1). Paul went to the synagogue, not by chance or because it was a great religious holiday, but because it was his "custom." The synagogue was the center of Jewish worship, and there Paul met those who were ready to receive the Word of God.

Some Christians are content to remain comfortably in church and forget to go out into the highways and hedges, but there are others who have become so accustomed to going elsewhere that they neglect the opportunity for spiritual ministry in the church.

b. The method (vv. 2-3). "Reasoning from the Scriptures." No better method has ever been devised. It is God's method. Let us get back to exposition of the Scriptures—"opening" them to men and women, "alleging," or setting out in order the truth.

c. The subject (v. 3). He preached three fundamental doctrines—the atonement, the resurrection, and the deity of Christ. Scripture preaching will be doctrinal.

d. The result (vv. 4-8). Faithful preaching of God's Word brings one of two results in the hearts of men—they are either "persuaded" and converted, or they become angry and persecute. Those who rightly received the truth were glad to join with Paul; the others raised a hue and cry because Paul and Silas were turning "the world upside down." As a matter of fact the world was already wrongside up, and Paul sought to set it right.

It is still upside down in our day. Coming to Berea, we find Paul's experience there an illustration of 2. How the Word should be received (vv. 9-11).

Good hearers are as important as good preachers. How should the Word be received?

a. With readiness of mind (v. 11). This is a mark of nobility. The world regards the sophisticated doubter as the learned man, but he is not. Noble is the mind and heart that receives God's truth.

b. Carefully and thoughtfully (v. 11). There would be less error and folly in the pulpit if there were more intelligent Bible study in the pew. Do not assume that what some learned professor, or distinguished radio preacher says is true. Check his message by the Word.

In the final portion of our lesson Paul tells the Thessalonians that when he was with them he was concerned not only about preaching the Word, but also about

II. Living the Life (1 Thess. 2:7-12). Paul did not contradict his preaching by his living. His was a 1. Sacrificial service (vv. 7-9).

The man who preaches for his own glory—or gain—is not a true preacher of the gospel.

2. Consistent example (vv. 10-12).

The minister of Christ must behave "holily, righteously, and unblamably" if his people are to "walk worthy of God."

Our Place in the World

Whatever the place allotted to us by Providence, that for us is the post of honor and duty. God estimates us not by the position we are in, but by the way in which we fill it.—Tyron Edwards.

Getting Rid of Misery

Half the misery of human life might be extinguished, would men alleviate the general curse they lie under, by mutual offices of compassion, benevolence, and humanity.—Addison.

The chiefs of Leola Council No. 14, D. of P., were raised up Monday evening by Great Deputy Pocahontas Mrs. Margaret S. Balling of Newark and the ladies of her staff from Minola Council. They are: Prophetess, Miss Ruthana Kirkley; Pocahontas, Mrs. Elsie Davis; Wenonah, Mrs. Pearl McCormick; Powhatan, Mrs. Thelma Tweed; first scout, Mrs. Edith Little; second scout, Mrs. Mabel Aiken; first runner, Mrs. Jane Chambers; second runner, Mrs. Jennie Jester; first warrior, Mrs. Catherine Connell; second warrior, Mrs. Ella Hill; third warrior, Mrs. Elizabeth Morris; fourth warrior, Mrs. Margaret Crossan; first councillor, Mrs. Esther Connell; second councillor, Mrs. Hazel Fox; guard of temple, Mrs. Lillian Bavington; guard of forest, Mrs. May Lilly. Refreshments were enjoyed following the ceremonies.

Promotion Exercises

Promotion exercises featured the Rally Day program at the Ebenezer M. E. Church School, Sunday morning, October 10. The Rev. T. O. M. Willis was in charge and made the awards. He gave a talk on the importance of training the young people. He stated that the Protestant Church has to be criticized for failing to realize its great responsibility. Less than 30 per cent of the young people in the Protestant world attend Sunday School regularly.

For perfect attendance during the past year, Miss Eulalia Brown and Walter Patterson were given Bibles. Books were awarded to the following for having attended more than 45 Sundays out of the 52: Ethel Branson, Kathleen Little, Earl Lynch, Dorothy Little, Charles Nelson, Charlotte Jester, Ruby Brown, Dorothy Hollingsworth, Marlin Patterson, and Harry Nelson. Those promoted were: Walter Patterson, Evert Brown, Lewis Dempsey, Lindsey Greenplate, Merritt Lynch, to junior class; Harry Nelson to primary class, Merritt Knotts and Doris Major to beginners class. The church was decorated with large baskets filled with dahlias of various colors.

Parents' Night

Parents' Night was celebrated recently by the boys of the Three-in-One 4-H Club. George Worrlow, State Leader, was present and gave a talk, "The Importance of the Correct Preparation for Exhibiting Calves." The members had a display of vegetables and poultry products. Donald Reed was admitted as a new member. The parents who attended were: Mr. and Mrs. John Lynch, Mr. and Mrs. Clifford Ayars, Mr. and Mrs. Leonard Nelson, Mr. and Mrs. Carl Nelson.

Harmony Grange at its meeting, Monday evening, completed conferring the subordinate degrees of the order on a class of eight candidates. The lecturer, Mrs. Mary Walker, announced that Monday evening, October 19, the Future Farmer Chapter from the Henry C. Conrad School would furnish the program. The home economic committee reported having had the piano tuned.

Sunflower Salad Campaign Dish

KANSAS CITY, Mo.—Even a luncheon dish can come out for Gov. Alf M. Landon for president.

Mrs. Thomas Coyle, hostess at a luncheon in her home here, delighted her Republican guests by serving "Sunflower Salad." Here is Mrs. Coyle's own recipe:

Dice contents large can "fruit salad" and drain into bowl. Remove rind from two oranges, cube and add to fruit. Add juice of one lemon to fruit juices. Add juices and required amount of warm water to contents of two packages of gelatin, stirring mixture until clear. When almost set, add fruit. Mold mixture in shallow sauce dishes. When set, unmold on lettuce leaves. Around each mold place sliced canned peaches for sunflower petals.

Chopped dates and pecan meats, moistened with mayonnaise to make a paste, form the center, which, Mrs. Coyle emphasizes, should be big enough to look like a sunflower and not a daisy. Garnish with mayonnaise and vote for Landon.

Delaware Turkey Growers Urged to Show at Exhibit

The Second Poultry Industries Exposition, to be held in New York City from November 10 to 14 inclusive, will feature a large competitive turkey show, Mary R. Lockerman, Delaware chairman of the turkey show committee, announced this week.

Diamond State growers are urged to enter birds in the show as a means of giving consumers the opportunity to note the high quality of turkeys grown here. Substantial cash prizes, gold and silver medals, rosettes, ribbons and stickers will go to winning birds.

Miss Lockerman, who can be located at Locust Grove Iris Gardens, Greenwood, Delaware, will gladly furnish complete information concerning the show.

OCTOBER 15, 1936

OVER-CONFIDENCE—THE MOTORIST'S SIN

If a 1925 model car and a recent model were to start out on a drive, which would you think most likely to become involved in an accident?

Probably you will answer, "The old car, with out-moded brakes, relatively inefficient steering, and general inferiority."

You're wrong. According to the National Safety Council, 24.79 per cent of the cars now in service were built from 1925 to 1928, inclusive, and they are involved in less than 12 per cent of all accidents reported.

Only 15 per cent of the cars in service were built in 1935—yet these cars figured in almost 24 per cent of all accidents.

This apparent anomaly has an obvious explanation. Drivers of new cars are over-confident. They over-rate the safety factor of better brakes, bodies, steering, lights, etc. Because a car is in A-1 mechanical shape, and is more or less new, they take chances—until the tragic day of reckoning arrives.

This is not a boost for old cars—many of which should be barred from the highways, because of mechanical dangers caused by obsolescence and neglect—but it is a plea for a different attitude on the part of owners of our modern gasoline chariots. It is a sad commentary on these drivers that better cars mean a higher accident record.

Regard your car, new or old, as a potentially lethal machine. It can spread death and destruction when mismanaged. Don't commit the great driving sin of over-confidence—its end is likely to be the cemetery.

THE FOOL AND HIS MONEY

"A fool and his money are soon parted," says the old adage. That was true a thousand years ago—and it is just as true today.

The habit of the fool, be he investing his money in securities or chancing it on a race horse, is to rush in blindly and take a chance, whether or not he has sufficient knowledge and information to justify his venture.

Gambling will always be extremely hazardous. But in the field of investment, the wise citizen has a fine opportunity to spend his money intelligently.

Not so long ago, it was next to impossible for any one save a financial wizard to find out anything definite about the condition of a corporation. Today an entirely different situation exists. Corporations have found that it pays excellent dividends, in the form of public good will, to make their reports simple, complete and easily understandable. The Securities and Exchange Commission has promulgated rules under which any corporation offering securities for sale must make available to the public exhaustive information concerning its condition. And the nation's leading stock exchanges have gone to great lengths on their own account to eliminate abuses and questionable practices, and to aid the investor who is foresighted enough to investigate before he buys.

Whether you purchase five shares of stock or ten thousand, obtain all the information you can concerning the company in which you are interested, and analyze it. Remember the fool and his money!

WILD TURKEYS RETURN TO CANADA'S PRAIRIES

Wild turkeys have returned to the Canada prairies which they left nearly 80 years ago and are thriving so well that it is predicted some day they may rival their domesticated cousins for the "honor" of gracing the holiday dinner tables.

Six years ago five birds were taken from Pennsylvania to the Moose Jaw Wild Animal park. Since then pairs of birds have been supplied elsewhere and the number is rapidly increasing. Commercial flocks are being established.

Police Efficiency

A new police officer was anxious to make a record, and his chance came very soon. When he was on his beat he phoned to the police station and reported: "There's a man that's been robbed by some other men and I've got one of them."

"Which one have you got?" asked the sergeant.

The reply came back: "The man that was robbed."

New Role

Actress Mary Astor's screen career not only survived sensations of her "lavender love diary," but profited by them, it appears as she is to be cast in another Sam Goldwyn "super-colossal," namely "Stella Dallas," which sprouted a number of stars among them Ronald Colman, in the silent days a decade ago. Producer Goldwyn was on pins and needles a few months ago when he had Astor deep in his \$980,000 "Dodsworth" during the day while the dark-haired actress spent her evenings in court fighting for her 4-year-old daughter. Goldwyn, however, appears convinced Astor is "OK" for his new film, for with the possible exception of Gary Cooper as male lead he is planning to discover all other members of the cast as he did 11 years ago. Beside Colman, the names Goldwyn made famous in the 1925 "Stella Dallas" were Jean Hersholt, Belle Bennett, Lois Moran, Alice Joyce and Douglas Fairbanks, Jr.

Yes, that's where you'll find them, the big city boys who live in the streets dodging traffic and ducking cops using fireplugs and light poles as the bases for their ball games, learning life in the maw of the sprawling cities. By contrast with these daring youngsters of the modern age the devil is a sissy and that is the title of this tremendous picture "The Devil is a Sissy" starring Freddie Bartholomew and his clever colleagues, Jackie Cooper and the irresistible Mickey Rooney with a cast of talented players.

Mr. and Mrs. William L. Tryens of "Eastplace," Newark, announce the marriage of their daughter, Miss Ann Bernyce Tryens, to Mr. William H. Moore, son of Mrs. Emily Moore and the late Mr. Rudolph V. Moore of Elkton, on October 8, at Chester-town, Md.

The bride was attended by Miss Mollie Dill of Newark. The best man was Mr. William Stewart of Providence, Md.

Following the ceremony a wedding luncheon was served for the bridal party.

1-MINUTE SAFETY TALKS

By Don Herold

"Step on it, Daddy. Don't be a hypochondriac!"

"I'd rather be a hypochondriac than the late Mr. Jones!"

SO I'M A HYPOCHONDRIAC?

One of my friends (in fact, it was my older daughter) has accused me of being a "hypochondriac" on this subject of automobile accidents.

All right, then, the railroad companies are hypochondriacs on the subject of safety.

That's what makes them safe. When your train stops in a station, you see and hear men tapping the wheels and brakes, looking for possible trouble.

Railroad hypochondriacs, I guess. Afraid of accidents—the sissies!

All along the railroad tracks are red and green lights, to keep trains from bustin' into each other. If the engineer sees a red light, he's just enough of a hypochondriac to stop his train.

Constant inspection and constant care are the price the railroads pay for their enviable safety records. They know that they can't depend on luck

or bravery. The railroads are not afraid to be cowardly careful.

We motorists can't depend on double tracks or red light signals to keep us from smashing into each other, but we can heed the red lights of last year's accident records and of today's papers' reports of yesterday's crashes. We can face 1935 figures gathered by The Travelers Insurance Company, for instance: automobile accident deaths, 36,100; persons injured, 895,280; accidents caused by drivers exceeding speed limit, 121,460; wrong side of road, 85,770; cars with defective brakes in accidents, 18,690; with glaring or "out" headlights, 10,750; punctures or blowouts, 7,360.

And we can have our brakes and steering apparatus and lights inspected freely and we can throw our old tires away, and we can drive with brains instead of bravado—even if we are accused of being a little hypochondriac on the subject of safety.

After a short honeymoon the couple will be at home at 79 Kells Avenue, Newark.

BUCKINGHAM-FOWLER

Miss Ruth E. Fowler, Elkton, and Mr. Ewell V. Buckingham, son of Mr. and Mrs. John Buckingham, Newark, were married last Saturday at the parsonage of the Elkton M. E. Church by Rev. M. E. Wheatley.

The bride was attended by Miss Elva Jester, Newark. Mr. Hayward Todd, also of Newark, was best man. Following the ceremony a reception was held at the home of Mr. and Mrs. D. B. Roberts, Elkton.

Achievement Program Set For Members of 4-H Club

A New Castle County 4-H Club achievement program will be held Saturday evening, October 24, at 8 o'clock in Mitchell Hall, University of Delaware, it was announced yesterday by Miss Laura Rutherford, agent in charge of the work.

It is the first program of the type to be held in the county in several years and plans are being laid to demonstrate the progress and development of 4-H Club work during the last 18 years.

Many former and present state, county and local leaders, who have contributed to the development of the work in New Castle County, are being invited to attend the function.

ROAMIN' WITH RUTLEDGE

When A Feller Needs A Friend

We aren't taking the suggested crack at the University of Delaware football team after viewing the contest with Mr. St. Mary's. We agree with "Dutch" Hauber, Blue Hen partisan number one, that support is needed when the road is rough. And Delaware's path this year will be like the famous thoroughfare to Dublin.

"THE ROAMER"

We sincerely hope we are wrong, but if the current gridiron aggregation representing the state's only college wins a single game this season we'll be agreeably surprised.

Yet Lyl Clark, in our estimation, has done a wonderful job of coaching. His assistants, Bud Shilling and Ed Kirschner, also merit praise. With a wholesale shortage of experienced material from which to build a team, those fellows have moulded an outfit that is a credit to the school and state, regardless of wins and losses.

RWR

Has The Stuff

Since the University of Delaware is prone to regard football and various other forms of intercollegiate competition as something akin to a course in physical education, then Clark is doing a perfect job. His charges are beautifully drilled in the fundamentals of the sport. Rudiments of education are all that any college can offer.

We'd suggest, however, that if the University of Delaware expects Clark to continue sending his phys-ed students into competition with other universities that something be done about attracting a larger collection of bigger boys who are likely to develop into football players—call the practice what you will.

There have been some clowns at Delaware in recent years who posed as football coaches, but Lyl Clark isn't one of them. The irony of the thing is that some measure of support was given the gentlemen who were doing little more than drawing their salaries, while Clark is handed a pleasant "how do you do" and uniforms—little more.

It's like handing a carpenter nothing but nails—no lumber—and then expect him to build a house.

Grid Notes

Tommy Ryan performed like the proverbial stone wall on the defense against the Emmitsburg clan last week . . . tackle after tackle on both sides of the line were recorded by the rangy Jerseyman. "Dela II," dyed Blue Hen mascot, cracked like an egg was forthcoming when strutted before the cheering section for the first time. . . Eddie Graham, injured freshman halfback from Caesar Rodney High, assisted a stuttering announcer with the broadcast of the game. . . Ramsey is wearing number "77"—a numeral made famous by the "Galloping Ghost of the Illini," Red Grange . . . if only half as sensational in his junior and senior years, Ramsey'll do . . . the Mounts gained twenty-five yards on the first exchange of kicks and enjoyed a big edge for the balance of the game. . . the final play of the contest was a pass, Fenton Carey to Scannell, not Ryan to Scannell as reported in Wilmington rags.

CLARK MAKES SHIFTS IN EFFORT TO FORM WINNING COMBINATION

Injuries Still Mar Blue Hen's Chances of Breaking Into Victory Column; Opponents to Present Well Balanced and Powerful Opposition

By Bill Fletcher

Stinging from two defeats delivered by Georgetown, in the opening tilt, and Mount St. Mary's, last Saturday, Coach Lyl Clark's Blue Hen grid team is seeking its first victory of the season when it tangles with a strong St. Joseph's eleven boasting a 14-6 victory over the Mountaineers in a previous contest. Although beaten last week 7-6 by Moravian, Saturday's foes will present a well balanced team boasting of both a powerful offense and a strong defense.

According to Coach Clark, Lew Carey, who was forced out of last week's tilt with an injury resulting from scrimmage, is back in shape and will probably see action at the quarterback post. Teedie Wilson has also mended enough to play. Tommy Ryan is a doubtful starter.

New Deal

Coach Clark has been shuffling combinations around in an effort to find a clicking offensive machine that will start putting the ball over that last line. Although satisfied with the defensive work of the Hens last week, the Delaware mentor was displeased with the team's offensive performance which has resulted in the shifts.

Husky Payne who has been playing guard, has been placed at the bucking position and will start Saturday at this post. Fritz Ware has been shifted from tackle to guard and he and Frankowski will make up the starters at these positions. At the tackle posts will be Hayman and Drodov. Schwartz may be kept from action because of a bad knee.

Hodgson Again at Center

Should Payne and Ware fail to carry out their new assignments satisfactorily, the former will be shifted back to reserve guard and Ware will be held as a reserve tackle.

Captain Jack Hodgson will start at the center post but will be shifted back to guard should Ware prove unsatisfactory.

Backfield starters will probably be Dick Roberts, Lew Carey, Husky Payne and either Bob Ramsey or Teedie Wilson.

Clark was especially pleased last week with the showing of Tommy Ryan, a sturdy back especially strong on the defense and Frank Frankowski, stocky guard who this year was shifted from a backfield post.

BLUE HEN GRID PROSPECTS

A glimpse of Bob's athletic records at Audobon, N. J. High School and at Mercersburg Prep should give Delaware sport enthusiasts a lotta joy. The 175 pound, 6 feet one-inch fullback while in high school, grabbed his letter in football for three years, and as is the custom of the school, was awarded stars for his participation on the varsity basketball, baseball, golf and track teams.

During his year at Mercersburg, Bob won athletic awards in football, wrestling and track.

He was judged most outstanding track man at Audobon High School for three years and holds the school broad jump record of 22 feet six inches.

Tome Team Sinks Jersey Rival In Initial Contest

Lawrenceville School's football team dropped its second start of the season last Saturday when the warriors from Tome School journeyed to the New Jersey institution to take a 12-6 decision. The Port Deposit visitors counted twice in the second period to open their campaign in auspicious style.

Owens scored Tome's first touchdown on a 9 yard run to top a drive that started in midfield. A 40 yard heave from Owens to Murphy was responsible for the second tally.

Lawrenceville counted shortly after the start of the second half when Rose plunged across the last white stripe. A pass from Moore to Hurd had placed the ball on the 1-foot mark prior to the scoring thrust.

Jones on Line

Bobby Jones, Newark boy performing at right tackle for the Blue and White, played the entire game and proved to be a tower of strength on the defense.

Dr. C. J. Keppel, director of Tome School, has announced plans for the annual Alumni Day to be celebrated Saturday. A football game, with Harrisburg Academy forming the opposition, will start at 2:30 to be followed by tea at the Tome House.

The annual alumni and school dinner will be held at the "Inn" at 6:15.

Besides romping around on athletic fields, Bob has performed before the footlights and he just might be another Barrymore.

At any rate, he's got plenty of hearts throbbin' around W. C. D. and he's probably in a lot of diaries, so be careful, gals.

HORSE SHOW TO BE HELD ON SATURDAY

Outside Course With Nine Obstacles Is Additional Feature of Attraction

OVER 1000 EXPECTED

More than 1,000 horse lovers from Delaware, Maryland and Pennsylvania are expected to attend the annual horse show, sponsored by the Newark Hunt Club to be held at Tip-Top Farm, one and one-half miles west of Newark on the Nottingham Road, on Saturday, October 17.

Trophies will be awarded in all classes of the show which is licensed by the American Horse Show Association and subject to its rules.

An added feature, this year, is an outside course consisting of a variety of nine obstacles including: a worm fence, logs, ditch, timber, stonewall, gate and brush.

The show opens at 10:30 a. m. There will be five events before noon and seven in the afternoon. Light lunch can be obtained on the grounds.

Among those exhibiting are: Miss Deborah Rood, L. B. Wiggins, Dilwyn Farms, Mrs. Philip G. Rust, Mrs. Willard Springer, Chesterbrook Farm, Lt. Noyes, Colonial Farms, Cinder Lane Riding School, and many others.

The purpose of the show is to develop the interest of sport. No admission will be charged.

In case of bad weather, the show will be held next Saturday, October 24.

Farmer to Be Protected

Bold Huntsman Bags 2-4/4 Pound Squirrel

J. L. Cage, retired railroad man of 103 E. Cleveland avenue, astounded his friends this week by displaying a squirrel which he claimed weight two and four-quarter pounds. Firing a 12-gauge gun, it was his boast that the animal had been dropped from a distance of 150 yards.

As a tribute to his own ability with a firearm, Cage (who refused to submit the animal for inspection) stated that there was no evidence of shot other than in the head.

"That is nothing," he added, "on one occasion I killed 185 ducks with a single shot. The gun was a 'muzzle loader' that required two pounds of powder, one and one-half pounds of shot and two complete editions of Sunday newspapers for wadding."

"Some gun! Some load! What a man!" shouted the audience.

SOLDIERS SEEK TO BREAK JINX IN HOME CLASH WITH CARLISLE

Du Pont Stalwarts, Sporting Four Victories, Will Attempt To Explode Six Year Supremacy; Opponents Sport 3rd Corps Area Championship; Roth Chief Threat

By "The Roamer"

A last-minute despatch from Fort DuPont discloses the interesting and important information to grid fans in this sector that negotiations for 1,500 additional seats are being carried on between Captain B. F. Chadwick, football coach and athletic officer at the post, and University of Delaware officials.

If the idea develops as reported, the seating capacity at the fort will be increased to 5,000. The plan calls for members of the First Engineers to dismantle the allotted number of seats at Frazer Field immediately following the Delaware-St. Joseph's College game on Saturday. They will be re-erected by a soldier detail in plenty of time for the Randolph-Macon contest here on October 24.

Should arrangements work out to the satisfaction of everyone concerned, it is thought that it will be continued for the balance of the season.

Will Be Needed

Having knocked over their opponents in the last four contests, their 27-7 triumph over a strong Fort Hamilton aggregation before a capacity gathering last Sunday being the latest, the Engineers are being whipped into shape for the rigid engagement listed with Carlisle Barracks this Sunday.

Captain Chadwick, realizing the great strength of the visiting Medicos from Pennsylvania, has been drilling his charges relentlessly all week.

Carlisle has dominated the limelight in army football for many years. The historic barracks haven't stopped producing grid marvels since they became famous through the sterling efforts of such Indian immortals as Jim Thorpe, Joe Guyon, Chief M. Pleasant and many others.

The Pennsylvanians have held the Third Corps Army title for such a long time that rival divisions are unaware of other outfits in the territory. And with Fort DuPont carrying the championship silks of the Second Corps Area, Sunday's meeting will be a clash of titlists. Extra seats will likely be needed.

Six Long Years

For six long years, Carlisle has defeated DuPont without interruption. The current edition of the Delaware team has been pointing for this game, determined to break the jinx.

The Engineers have a better chance of stopping the Medicos this year than ever before. Not in the history of football at Fort DuPont has there been a more powerful outfit than the present one.

Carlisle took the verdict in 1935, 1936, in a close contest. Returning Sunday with practically the same team as last season, the visitors are vowing to stretch their string of wins at the Engineers' expense.

They will be led once again by "Speedy" Roth, all around backfield ace, who runs, passes and kicks with equal dexterity. True to his name, Roth is as fleet as a frightened deer and once he gets past the line of scrimmage is almost impossible to catch.

A great personal duel is expected between Carlisle's great leader and Larry Fath, DuPont's heady and shifty offensive star.

Trample Ft. Hamilton

With two of his pets, "Lug" Cassidy, center, and Doc Williams, halfback, resting injuries, Captain Chadwick's charges tore into Fort Hamilton last week to win going away.

Despite the presence of such a glamorous star as Lieut. "Curly" Edwards, an all-American end at West Point in 1935 who strutted his wares in expected style, the Engineers rolled over the New Yorkers for a quartet of touchdowns and a safety.

With Fath, Walters and Athlete scintillating in the backfield, Stretch Everett, massive second-string center who first saw the light of day in Elkhart, displayed a great brand of ball in subbing for Cassidy.

Everett was especially effective in backing up the line. He intercepted three Hamilton passes and blocked one of Regan's kicks for a safety.

Lords of Own Farms

"Most of us cooperated with the Triple A in its early days, since we had been promised it was only an emergency measure. . . . But as the program progressed, we discovered that the administration was trying to stretch the Triple A into a means for the permanent control of American agriculture from Washington. I cannot agree with such a policy. I cannot agree with the President. I believe the American farmer should be 'A Lord on his own farm.'"—Alf M. Landon at Des Moines, September 22, 1936.

Estimators figure there are more than 40,000,000 persons in this country improperly housed.

By BILL FLETCHER

THOSE OF YOU who witnessed the Delaware-Mt. St. Mary tilt last week saw a team that was fairly strong defensively but displayed a deplorable lack of offensive strength.

According to Coach Clark, most of the fault lies with the line and—no holes—no yardage. It takes a lot of man to drag "BILL" FLETCHER four or five opponents for a first down—and the Delaware lads just haven't the weight. They've got the spirit and the will—but there's a limit to everything.

In an effort to create a stronger offensive combination, Clark has been making a lot of changes and Blue Hen followers can only hope that he strikes something that clicks.

It's like a magician putting a couple of eggs, a handkerchief and a duck into a silk hat and pulling out a rabbit—only there's a great deal more possibility of Clark's not getting what he wants out of the mixup.

Here's hopin' he gets at least a rabbit's foot (left-hind) from the concoction.

WE SHY FROM the "do or die" stuff and we don't believe in going out of our way to boost the stock of Smith Bros. cough drops, but as we witnessed the game last Saturday we couldn't help wondering why many of the spectators came to the game.

The crowd's reaction was somewhat like unto a collection of Egyptian mummies with slit tongues at Cleopatra's funeral. With the bulk of the cheering being done by the "Rats" in their own little section, there wasn't much encouragement being produced from the Delaware side of the field.

Maybe it was the day—it was, we admit, a wet and cloudy afternoon decidedly unsuitable for football, but nevertheless, it might have warmed you up a little bit if you could have stretched those vocal cords just a little and let at least one little yell, no matter how feeble, escape into the ozone.

We think that it's lack of leadership and the spectators need someone among them to start the ball rolling.

For correction of this situation, we suggest—extension of the privilege to the rats of sitting anywhere in the Delaware bleachers they desire instead of limiting them to one section. By spreading them out this way, we think that the yelling, started by the Frosh, might be infectious and spread to other spectators—they just might catch on to the spirit of things.

DID YOU KNOW?—Jack Hagerty, Georgetown grid mentor, used 44 players against Delaware. Joe Williams, end; and John Cavatine, another flanker, were the only players not seeing action. Both are laid up with injuries.

Although famous for its "lateral circus" attack, Georgetown used but one lateral against the Blue Hens. It gained 22 yards for the Hoyas.

Tommy Keating, brilliant little quarterback, led the Hoyas backs in ground gaining against Delaware. Keating gained 93 yards in 11 attempts, for an average of 8.4 yards per try. Elmer Moulin, sophomore understudy to Keating, gained 68 yards in 7 attempts. Tony Barabas, brother of the famous Al Barabas, formerly of Columbia, gained 46 yards in 4 tries.

MAYBE ST. JOHN'S won't prove the set-up local followers are predicting they'll be, for the Johnnies boast of two successive victories. Drexel and Randolph-Macon have fallen prey to the boys from Annapolis.

Both victims were highly rated, especially Randolph-Macon with its string of 17 consecutive victories.

The Johnnies were forced to play high grade defensive football to eke out their victory last Saturday over the Southerners. Two goal line stands are indicative of the strength of a team that Delaware followers are regarding as somewhat of a push-over.

Their success, this far, has been due to Quarterback Johnny Lambros who has been on the propelling end of the passes which spelled defeat to both Drexel and Randolph-Macon.

They won't be so soft.

What is a Billion? Spending at the rate of \$4.00 each minute, day and night, it would take from the time Columbus landed in America until 1968 to get rid of one billion dollars. But the New Deal manages it at a much faster rate. It spends a billion dollars every eight weeks.

NEWARK COUNTRY CLUB CLOSES GOLF CAMPAIGN WITH BANQUET

Awards Made To Champions; Turner Takes Two Prizes; Fader and Bonham Honored For Work; Johnston Acts As Toastmaster; Brewer Is Chairman

Closing of the official golf season for 1936 was marked last Saturday night at the Newark Country Club when some 125 members gathered around the festive board to register par in disposing of fried chicken and other delicacies. The affair, which was the first ever staged by the group, was held in the main ball room.

J. K. Johnston, who was introduced by Wayne C. Brewer, chairman, dispensed his wit and oratory as toastmaster of the occasion. Speakers included Harry L. Bonham, A. Franklin Fader, Dr. W. O. Sypherd and J. Franklin Anderson.

Presentation of awards and trophies were made to champions of the various classes.

Turner Gets Reward

Howard A. Turner, Jr., Wilmington, who captured two major prizes of the season, carried off a fine pair of silver pieces. Mr. Fader, vice-president of the club, presented him with the President's Trophy—a large silver bowl—while Dr. Sypherd handed him the Ernest Brinton Wright Memorial Bowl, a replica of a punch bowl given to the club to perpetuate the memory of one of its charter members.

Mr. Bonham, director, speaking for the board, presented B. Franklin Richards, Wilmington, a gold watch for capturing the 1936 championship.

Eight individual winners of silver spoons received their prizes from J. Franklin Anderson. The recipients were: Richard H. Morris, Newark; William Bradford, Wilmington; Harry B. Williamson, Newark; George F. Anderson, Newark; John Gammat, Wilmington; Dr. George W. Rhodes, Newark; Henry B. McCauley, Wilmington; and Howard F. Richards, Wilmington.

Officials Honored

Silver loving cups were presented to Mr. Fader and Mr. Bonham for their "meritorious and untiring work in building the present clubhouse to its present proportions." The gifts were given by the entire membership.

Comic prizes went to the following: Joe Julian, rubber patty; Mrs. W. C. Northrop, brass vase for being low woman in the "Red and Blue tournament;" Mrs. Walter D. Holton, brass bell for being high woman in the same test; George H. Anderson, miniature telescope; Fred Steigler and Bob Boyd, a tin cup in half; Howard Turner, Jr., a new style gold club with airplane attachments; and J. D. Conahan, a broom for manicuring greens.

Jackets-Jay Vees Battle To Tie On Muddy Gridiron

By LeRoy Carlisle Hill, Jr.

(High School Sports Correspondent) Playing in a driving rain, the Newark High School "Yellow Jackets" and the Delaware Junior Varsity battled to a scoreless tie last Thursday on the former's field.

The field, turned into a sea of mud by the rain, caused many fumbles and resulted in poor offensive play on the part of both teams. Coach "Gloomy Gill" Gillespie started a new Jacket team but lady luck failed to smile upon his proteges.

Touchdown—No Score

Vaughn, diminutive Blue Hen back, raced 30 yards to tally only to have the score revoked when a team mate was detected clipping. In the third quarter, the Hens again threatened when they carried the pigskin to the Jackets 10 yard line where they were repulsed by an airtight defense.

Newark came out of the battle in fine style with the exception of Trent who received a sprained ankle. Because of this, Skillman will be shifted to fullback duty.

On Saturday, October 24, the Jackets will oppose West Nottingham Academy on the high school field. Play will start at 1:00 p. m. in order to enable the fans to see the University of Delaware in action.
