Dear Dannie:

I appreciate very much your note of November 24 acknowledging mine of November 18 with which I sent you a copy of a letter I wrote to Nelson Rockefeller concerning the Mexican-American Cultural Institute. I quite understand why you cannot make any contribution this year and I told you in my letter that I would quite understand your not being able to do anything. I appreciate your taking the trouble to read the letters and your writing me so promptly as it enables me to plan what I have to do.

I think we will be able to get the money by December 18. We expect to raise most of the money in Mexico from Mexican firms and individuals, which is as it should be, but for many reasons we have to raise some outside. I had a check this morning for \$12,500 dollars from a friend at home which will be most helpful.

I am so interested in this because it is so worth while a project and there are some things which must be done of this kind.

With all good wishes from Marion and myself,

Cordially and faithfully yours,

D. N. Heineman, Esq.,
