ANNUAL FLOWER SHOW IS CANCELLED

Garden Club's Annual Fall Show Will Not Be Held

The annual fall flower show of the Newark Garden Club will not be held this year, it was announced Tuesday by A. B. Eastman.

The decision was necessary due to the fact that the New Century Club building, where the show is usually held, has been given over almost completely to various types of civilian defense and Red Cross work.

Also forcing the move is the fact that many of the Garden Club's active members are engaged in a war work, as well as handicapped by gas and tire restrictions.

Marking it off as another casualty of the war, the club's executive committee decided on the cancellation with much reluctance, regretful over discontinuing the affair which has been held annually for the last 10 years.

The show, an elaborate event, held usually in the latter part of September, excited wide interest and competition among local flower lovers.

Officers of the Garden Club are: president, Mrs. David Eastman; vice president, Miss Edwina Long; secretary, Mrs. Edward Gintner; and treasurer, Mrs. E. L. Richards.

Rev. A. H. Clattenburg

FAREWELL SERMON BY GRACE PASTOR

Rev. Clattenburg Leaving Pastorate; Mortgage Burning Features Ceremony

Thursday evening will be a marked day in Grace Pentecostal Church when the present pastor, The Rev. A. H. Clattenburg, preaches his farewell sermon and the church burns an \$800.00 mortgage.

Both the church and its minister have served well. Great progress has been made in the past year in every department of the church. New equipment has been purchased for the Sunday school, an oil burner installed last fall and this spring new pulpit furniture added to enrich the appearance.

Rev. J. D. Tubbs who organized the present group which later became affiliated with the Assemblies of God will be master of ceremonies. Visiting friends and ministers will attend the meeting.

Rev. A. H. Clattenburg has accepted the pulpit of the Full Gospel Church in Baltimore, Md., one of the oldest churches in the denomination, the retiring pastor Rev. F. M. Staudt has been elected district Supt. of the Potomac District of the Assemblies of God. The pastor will assume his new duties in Sept.

Thursday Designated As Scrap Rally Day

Officials of the Newark Salvage Committee again stressed the urgency of residents cooperating in the nationwide campaign to gather all critical scrap metal and rubber materials possible during the month of September.

Next Thursday, September 10, has been designated as scrap Rally Day and all rural and town residents are requested to seek out every bit of rubber or metal in their premises and bring it to the Salvage Committee Warehouse, Barksdale Road, or telephone K. W. Oberlin, chairman, at 811 and the Salvage truck will call for it.

RATIONING VOLUNTEERS HEAR TALK ON SUGAR

Instructions On Sugar Given New Workers At Local Board

An outline of the sugar situation and instructions on the correct way of filling out sugar applications were given by William Schusser, Field Representative of sugar rationing, at a meeting Thursday afternoon, at the local rationing board headquarters. Supervisors and instructors for the newly organized volunteer ration workers in Newark attended, with Francis X. Gallagher, State Supt. of Volunteer Personnel, presiding and introducing the speaker.

Properly filled out sugar applications are on display for the benefit of the public, it was announced.

S. E. Pattison, Field Representative of gas rationing also spoke, explaining the various rules and regulations for the proper filling out of gasoline applications.

Mr. Gallagher plans to keep in close touch with the supervisors regarding any changes in rationing rules and regulations and it is the desire of each volunteer worker to be able to serve the public intelligently and cheerfully.

Following this meeting, the supervisors and instructors met at the home of Mrs. F. A. Wheelless, Monday evening, to talk over the work as outlined by Mr. Gallagher.

Mrs. Wheelless is morning Supervisor and Mrs. E. A. Curtis is afternoon Supervisor. The instructors are, Mrs. A. L. Osterhof, Mrs. Richard Snyder and Miss Nell Wilson. Mrs. Wm. E. Beswick is Supervisor of Filing.

ANNUAL 4-H FAIR CANCELLED BY VOTE

War Conditions Cause 4-H Groups To Decide Against Holding Program

The Annual New Castle County 4-H Achievement Fair, which has been held for the past three years on the last Saturday in September at the University of Delaware Farm, will not be held this year.

This announcement is being made by the New Castle County 4-H Club Agent, Laura B. Rutherford as a result of a recent County-wide 4-H Family Vote. Every 4-H family in the County was given the opportunity to vote for or against the holding of the Fair this year, and out of a total of 178 4-H families in the County—only 25 families voted in favor of it.

This County decision and vote has come, of course, because of the shortage of gas, the rubber emergency and the fact that farm families continue to face labor shortage during busy seasons.

Local 4-H Clubs are being urged—in the face of the cancellation of the County Fair—to plan to hold individual neighborhood or community 4-H Club Fairs. These can be planned and held without the necessary long distant travel attached to a County Fair and would provide some means of SHOWING of projects with the competition of small money awards. Wherever, this neighborhood plan is carried out, 4-H ribbons and small money awards will be provided out of the money appropriated by the County Levy Court for the County 4-H Shows. It is hoped that every 4-H Club in New Castle County will follow this Neighborhood Show suggestion sometime during the following two months—September and October.

LIONS ON CRUISE

Members of the Newark Lions Club enjoyed their second annual boat trip on the cabin cruiser "Gypsy" last Tuesday evening instead of their regular business session scheduled for that date.

Leaving from the Newark Country Club at 4:30, the Lions motored to Georgetown, Md., where they embarked on the "Gypsy" at 5:30 for a moonlight cruise down the Chesapeake Bay, stopping over at Betterton. The affair was arranged by T. A. Ross and A. F. Feder and proved highly successful.

The regular monthly business meeting of the club will be held Tuesday evening, September 8, following the dinner meeting at the Country Club.

OFFICIAL OPENING EXERCISES AT U. OF D.

President Hullihen Announces \$20,000 Gift to School For Plastics Laboratory

At the Convocation Exercises held in Mitchell Hall at 8:00 P. M., last night, officially opening the University of Delaware's 110th year as a degree granting institution, President Walter Hullihen announced that a gift of \$20,000 has been received by the University within the past few days to provide for a Plastics Research Laboratory in the Department of Chemical Engineering.

Referring to the fact that the University's accelerated program, by which graduation is possible in three years, now is effective, Dr. Hullihen, in a brief address, analyzed the war-time problems which must be faced by the University administration, faculty, and students alike and set forth a program by which all these groups may best serve the war effort. He also announced a number of faculty promotions and changes and conferred fourteen Bachelor and five Master degrees.

In announcing the gift of \$20,000 from the Philadelphia Textile Finishers, Inc., for the establishment of a Plastics Research Laboratory, Dr. Hullihen said:

BOND RALLY NETS \$3550

A total of \$3550 was raised in the Bond Rally opening "Salute to the State" month at the State Theatre, Sunday evening.

The gratifying results were achieved through the cooperation of the American Legion, Boy Scouts, and numerous other women's organizations, who participated in the ceremonies.

Representatives of the women's groups solicited through the audience. Special honors for the most bonds sold went to Mrs. Vera L. Moore, representative of the Ivy Cross Temple No. 4, Ladies of the Golden Eagle, who raised \$350 of the \$3550 received.

Paul Lovett, who with John Feder and Gerald Gilligan represented the American Legion, gave a brief talk. A guard was present on the stage during the rally, the bearers being Mrs. Hall and J. Q. Smith.

Bomb 'em with JUNK

Let's blast Japan—and Germany—and Italy—with the chain lightning of destruction that can be built from the scrap in our cellars, attics and garages, on our farms and in our places of business.

Scrap iron and steel, other metals, rubber and waste materials. It will all be used to make tanks, ships, planes and the fighting weapons our boys must have. It is needed at once.

Sell it to a Junk dealer—give it to a charity or collection agency—take it yourself to the nearest collection point—or consult the Local Salvage Committee... If you live on a farm, and have found no means of disposing of your Junk, get in touch with the County War Board or your farm implement dealer.

Throw YOUR scrap into the fight!

RENOVATIONS OF BRACK-EX METHODIST COMPLETED

**Special Services
At The Reopening
Are Scheduled
For This Sunday**

Brack-Ex, Sept. 2 — A group of more than 40 members and friends of the Anicia Square Club of Elsmere, Delaware, gathered at a farewell party given to William R. Preston, son of Mr. and Mrs. Cecil Preston of Elsmere, who was inducted into the U. S. Army, Saturday morning at the Elsmere Civic Club building.

Mr. Preston is immediate past president of the club and until his resignation about a month ago, was a member of the Town Commission of Elsmere. He was employed by Eckerd's Cutlery Drug Stores, Wilmington.

Mr. and Mrs. Leonard Wittenberg, of North Clifton Avenue, Roselle, are giving congratulations on the birth of a daughter in the Delaware Hospital.

The Town Commissioners of Elsmere have announced a new schedule of garbage collections which started September 1. The corporate limits of the town are to be divided into two sections with collections on separate days.

Each Tuesday the collection will be made from the Wilmington City line to Linden Avenue, Oak Grove, and each Friday the collection will be made in the section between Linden Avenue and the town line in Forest Park.

Work on the renovations and improvements to the sanctuary and main auditorium of the Brack-Ex Methodist Church will be completed this week and a special reopening service will be held next Sunday, the Rev. John Edward Jones, pastor, announced Sunday.

The new modern semi-indirect lighting fixtures which have been delaying the completion of the renovations have arrived and will be hung this week. The floors have been refinished and the pews have been replaced and repaired and are to be refinished this week.

Five members of Brack-Ex Methodist Church Boy Scout Troop No. 54 appeared before the Merit Badge Board of Silver Monday night in the home of Dr. William Koch for examinations in Merit Badge requirements. The Scouts and the requirements in which they sought recognition were: Justin Keyser and Walter J. H. handicraft; John W. Koch, first aid and public health; Richard Starinsky, personal health and Thomas Donaldson, cooking.

Members of the Wolf Patrol of the troop accompanied by assistant scoutmaster William Koch held an overnight hike and camping trip over the week-end at Foxden Farm, near Polly Drummonds Hill.

Senior Patrol Leader Thomas Donaldson and assistant Patrol Leader, Gerald McNaughton, assisted by Dr. Koch, Gerald J. McNaughton, a parent, also accompanied the group.

Miss Jeannette Clifton of 3 Walnut Avenue, Brookland Terrace, spent the week-end in Philadelphia.

Legion To Elect Officers Tuesday

Long; sergeant-at-arms, Anthony Talucci; executive committee, Gerald M. Gilligan, Carroll W. Mumford, Arthur E. Tomhave, Paul D. Lovett, Fred Strickland, and William Floyd Jackson.

NEWARK FHA MEMBERS WIN AWARDS AT BEL AIR

**Makes Envious
Record At The
Hartford Co. Fair**

Blue ribbons and several valuable prizes went to members of the Newark Chapter Future Farmers of America, at the Hartford County Fair in Bel Air, Md., recently, where they captured top honors in several events, and compiled an enviable record for the local chapter.

Robert Davis, a member of the Newark Chapter was awarded the Sterling Silver Goblet presented by Whitmayer Laboratories, Inc., Myerstown, Pa., on his New Hampshire Young Trio which was judged best New Hampshire in the show. Young Davis also won second New Hampshire Cockerel, second New Hampshire Hen and first New Hampshire breeding flock. On the Dark Cornish, he received First Pullet, First and Second Cockerels and first young trio. On his meat birds, he received First Capon, Second Muscovy old drake and second old duck.

The silver console set presented by Harry T. Campbell and sons, Towson, Md., for the best White Leghorns in the show was awarded to F. Thaddeus Warrington, instructor of Agriculture at the Newark High School on his old trio. A trio is composed of a cock bird and two hens. Mrs. Warrington's Leghorns also won First Hen, First Cock, Second Pullet, Second Cockerel, First Young Trio and First Breeding Pen. Other awards received by Mr. Warrington include: Oats, First premium; Soybeans, Third and White Eggs, Fifth.

Other Newark Future Farmers who made successful showings at Bel-Air include Richard Swan-First on New Hampshire Cockerel, First White Leghorn Pullet, Second White Rock Cockerel, First Black Giant Hen, First Muscovy Young duck and drake. Second on single ear of yellow corn and third ten ears white cap corn. Vernon Connell showed the blue ribbon sheath of Alfalfa hay while Andrew Ford took second. Young Ford also exhibited the first white Rock Hen and pullet. Frank Gabor had the second place display of yellow corn.

Billy Murray exhibited the second place Banded Plymouth Rock Hen, First Pen of Broulers, second White Leghorn hen, First New Zealand white senior doe, second junior doe, first junior buck and third place senior yearling Heifer. Edgar Lee Rector had the blue ribbon Dark Cornish hen, cock, and old trio.

V-MAIL SYSTEM IS URGED

The Navy Department today urged civilians to make use of the government's new V-Mail system—by which letters are photographed on miniature film—to speed up their correspondence with friends and relatives in the armed forces.

Letters, under the new system, are written on standard-sized blanks obtainable without charge at any post office, and these blanks then are assembled and photographed on a 16-millimeter microfilm spool. Fast mail trains and air transports speed the film spools to bases near the addressees' scene of duty, and there the film is projected onto individual letter-size blanks which are sent to the addressees.

The V-mail method, post office officials have explained, has proved quicker, easier to handle and no more expensive than ordinary mail and is given the highest priority in transit. One spool of film can accommodate as many letters as would normally fill half a mail sack—thus saving valuable cargo space in the train or air carrier.

Whereas regular air mail from West Coast points to the Hawaiian area often takes many days—even going by convoy when mails are unusually congested—V-mail between these points averages only four days, the Navy Department pointed out in advocating use of the system.

Full instructions for use of V-mail blanks are printed on the backs of the forms.

U. S. CIVIL SERVICE OPENINGS

In view of the scarcity of qualified persons to fill certain positions in Government hospitals, the Civil Service Commission has issued, in revised form, three of its continuously open examinations.

The new examination announcement for Physiotherapy Aide (\$1,800) and Jr. Physiotherapy Aide (\$1,620) includes the following modified requirements: No written test; no maximum age limit; no limitation on height and weight.

The new examination announcement for Student Physiotherapy Aide (\$420) and Apprentice Physiotherapy Aide (\$1,440) has been modified in the following respects: Women only are eligible; no maximum age limit; modified physical requirements.

The new examination announcement for Jr. Graduate Nurse (\$1,620) has been modified in the following respects: Date of graduation from a school of nursing has been set back; relaxation in physical requirements; no maximum age limit.

All applications must be sent to the Washington office of the Civil Service Commission. Applications will be accepted until the needs of the service have been met.

Full information as to requirements, and application forms, may be obtained from Ralph B. Kee, Secretary of the Board of U. S. Civil Service Examiners at the post office or customhouse in this city, or from the Secretary of the Board of U. S. Civil Service.

NEWPORT PLANS IRON AND METAL CAMPAIGN

**Fats Also Sought;
Diamond Ice Co.
To Act As The
Disposal Center**

Newport, Sept. 3d — Coordinators of the Newport Civilian Defense Council met this week at the home of Mrs. G. D. Baldwin, Health Coordinator, where plans were made for a scrap iron and metal, and also fats, drive. Residents of this area are asked to take salvaged material to the Diamond Ice & Coal Station, where Everson Bullen, manager, will receive it. Housewives are also urged to take all surplus fats either to the Craig or Klair Markets. Proceeds from the sale of these materials will be donated to the Newport Civilian Defense Council. Coordinators attending the session, and those active in this drive include the following:—Newport chairman, Mrs. Charles D. Stumpf; Belvidere, Mrs. Mary Emery; Lyndalia and Newport Heights, Mrs. Herbert Atkinson; Silverview, Mrs. David Stevenson; Stonehurst, Mrs. Arthur G. Craig; Tuxedo Park, Mrs. J. L. Eckles; Woodcrest and Forest Brook Glen, Mrs. Arnold Grubb.

Mrs. Baldwin announced that there are now ten emergency dressing stations in the Newport sector, all fully equipped and ready for service under the direction of Mrs. Russell Weiss, chairman for the Newport Sector, with Mrs. Alice Taylor, assistant chairman. The equipment at each station comprises table, chairs, cots, blankets, pillows, stretcher, arm and leg splints, as well as numerous medical supplies. Signs indicating the location of stations will be erected this week.

Mrs. William Hanna, Chairman of Telephone Control Center Service, spoke of their duties, and the coordinator of each community was named as an assistant to Mrs. Hanna in supervising the telephone work and in enlisting members to assist at the Center in the Newport Fire House.

The Minqua Fire Company and the Ladies Auxiliary sponsored another dance this week for the service men located at the New Castle County Airport. About 180 guests attended, including the young women. Hosts and hostesses for the evening were — Mr. and Mrs. Anthony Maida, Mrs. Kathryn Frist, Mrs. William Hendrickson, Mrs. J. Smiley, Mrs. Howard Reynolds, Mrs. Margaret Momiak, Mrs. Nettie Cartelli, and Mrs. Martha Dempsey. Howard Reynolds was Master of Ceremonies. Music was furnished. The firemen also donated the use of the hall for the affair and the hostesses served refreshments.

Peggy Nixon, eight year old daughter of Mr. and Mrs. William Nixon was severely injured while playing near her home on Friday. Peggy, with a group of other children was attempting to climb a fence when she fell. She was removed to the Wilmington General Hospital where several stitches were required to close the wound.

Herman D. Walker, President of the Krebs School Board has called a meeting of the Board for Thursday night, Sept. 3rd. Matters of importance incident to the reopening of the school will be discussed. The Board is faced with the problem of securing a new cafeteria manager for the school. Sessions will begin on Wednesday, Sept. 9th.

The guest speaker at the Newport Methodist Church was Mr. Luther H. Broadway of Bellefonte. Rev. R. S. Hodgson, pastor, has been on vacation this week, and visiting with his parents, Mr. and Mrs. Samuel H. Hodgson of near Felton, Del.

A feature of the weekly Newport dance for Service men in the Masonic Hall Friday evening was a surprise farewell party for William Preston, Worshipful Master of Armstrong Lodge. Mr. Preston is leaving for Government Service on Thursday. Mr. Preston was presented with a money belt, on which his name was engraved in gold. The Masonic emblem was also on the belt. Mrs. Betty Williamson made the presentation on behalf of the committee on arrangements. About 100 guests attended.

Mrs. William Winder Laird, Jr., has donated funds to the Service Organization, and a new automatic record player has been purchased.

Dancing hostesses in charge were Mrs. Betty Williamson, Mrs. Harry Poole and Miss Rebecca Springer.

Hostesses last evening who served refreshments were Mrs. Donald R. Hull, Mrs. Alfred Werner, Mrs. John Fleming, Mrs. Peter Martin, Mrs. G. R. Durney and Mrs. Willard Wentz.

Plans are being made for a formal dance at the Service Center on Friday evening, Sept. 11th.

Miss Bessie Lynam, President of the Service Organization at Newport, has donated a large chest of drawers now placed in the Masonic building. The women of the town have volunteered to do mending for the service men. Anyone having garments to be repaired is asked to deposit same in the chest wrapped in a package with their name thereon. The repairs will be made and the package returned to the chest to be picked up by the owner. A cookie jar has also been placed in the building, and will be filled by the hostesses.

Charles Groome, stationed at Camp Belvoir, Va. spent a week's furlough with his mother, Mrs. Perkins Groome. James Webb, son of Mr. and Mrs. F. H. Webb who is in Government Service and located in a Massachusetts Camp has been here this week with his parents.

Mrs. Charles Whiteman who recently underwent an operation at the Wilmington General Hospital has returned to her home where she is convalescing. Miss Ruth Shirk of Tierre Hill, Pa. is the guest this week of her aunt and uncle, Mr. and Mrs. Thomas Galloway of Newport.

Mr. and Mrs. William Turner of Wilmington have been guests this week of their sister, Miss Emma Maclary.

Miss Bessie Lynam has returned to her home here after several weeks vacation spent with her sister, Mrs. Clinton Crandell at Shrewsbury, Mass.

Record College Enrollment

Delaware College and the Women's College will open on Thursday of next week with possibly the largest entering classes in the history of the institution. This is especially true of Delaware College. The prospects are, according to officials of Delaware College, that the freshman class will number considerably more than 100. Dean Robinson of the Women's College is expecting a class of at least 40 and probably 50 to 60.

Notwithstanding the war the college was never better equipped. Wolf Hall, the new building, will house all the agricultural and chemical activities of the college. The first to move into the new building was Professor C. O. Houghton, who took up his quarters there this week.

Draftees Examined

Physicians examined 224 men during two days, of which 160 passed and 64 were rejected, in the third levy of men called by the Rural New Castle County Exemption Board.

Coverdale Restaurant Sold

The Coverdale restaurant, with store property and residence, has been sold this week to Mrs. A. J. McGovern. Mrs. McGovern has, for several years, been manager of the Colburn Inn, a popular tea house near Delaware City. As former proprietress of the Deer Park Hotel, she has many friends in Newark.

Mayor Fetes Soldiers

Officers and men of Company E and the Machine Gun Company of the Delaware Regiment were royally entertained by Mayor Eben R. Frazer at his home last Wednesday. Assisting him on the reception line were his son, John S. Frazer and wife, Dean Winifred J. Robinson and Dean Harry Hayward.

Short addresses were made. In responding a few remarks were made by Captains McKeon and Slater; Lieutenants Davis, O'Daniel, Turner, Hastings, and Davidson, and Sergeants Schultz and Houghton.

New Chief Operator

Mrs. James Robinson, formerly Miss Elsie Tweed, after five years of efficient service, severed her connection

with the local telephone exchange last Saturday. Mrs. Robinson at the time of her resignation was chief operator, which position she had held for over a year. She is succeeded by Miss Burns, formerly of Landenburg.

Office Force Guests

Eight girls, members of the Continental Fibre Co., office force, were entertained last Saturday by the president of the Company, Mr. S. J. Wright. The party, a river excursion to Philadelphia, included Misses Anna Miller, Alice Blackston, Ethel Campbell, Reba Storey, Sarah Wilson, Ellen Crow, Mary Clancy, and Elsie Grier.

The ceremony was performed at the Newark Methodist parsonage by the Rev. O. A. Bartley, pastor, with members of the immediate families present.

The bride was attended by her sister-in-law, Mrs. Edward Lloyd, and her sister, Miss Florence Lloyd. Mr. Edward Lloyd was best man.

The bride wore a street dress of dark blue crepe and blue accessories and a corsage of Tallman roses. Her attendants wore light blue crepe street dresses and corsages of pink roses.

Mrs. Woods is a graduate of Newark High School and Mr. Woods is a graduate of the Avon-Grove High School. Reception followed the wedding at the home of the bride's parents on North Chapel Street. Following a short wedding trip the couple will reside in Newark.

MISS HAYES COMPLETES PLANS FOR WEDDING

Miss Anna Hayes, daughter of Mrs. William E. Hayes and the late Mr. Hayes, will become the bride of Mr. Francis E. Owens, son of Mr. and Mrs. Herbert A. Owens of Wilmington on Saturday afternoon. The ceremony will be performed at 4 o'clock in St. Thomas' Episcopal Church with the Rev. Andrew W. Mayer, rector, officiating.

Mr. Robert O. Hayes will give his sister in marriage. She will have as matron of honor and her only attendant Mrs. Truxton W. Boyce of Rehoboth Beach, the former Miss Doris Lee Jolla of Newark.

Lieutenant Truxton W. Boyce, stationed at Fort Miles, Lewes, will be best man.

A small reception for members of the immediate families and a few friends will follow the ceremony at the home of the bride's mother.

Both Miss Hayes and Mr. Owens are graduates of the University of Delaware. They will make their home in Reading.

NEWS ABOUT LOCAL BOYS IN SERVICE

Mr. and Mrs. Leroy C. Hill of East Cleveland Avenue have received word that their son, A/C Leroy C. Hill, Jr., has finished his basic training at Cochran Field, Macon, Georgia, and will be assigned to an advanced flying field within a few days.

Word has been received by relatives that Harry F. Clark, formerly of Newark, who left for Fort Dix on August 11th to be inducted into the U. S. Army, is now stationed at Camp Grant, Illinois. Private Clark is with Company B, 36th Medical Training Battalion, Platoon 4.

Mr. and Mrs. Frank W. Jeandell, Sr., have received word of the safe arrival of their son, Sgt. Frank W. Jeandell, Jr., at a foreign post. Sergeant Jeandell, who enlisted two days after Pearl Harbor, is a member of a headquarters company of the Army Air Force. A graduate of Newark High School, he was employed at the Electric Hose & Rubber Company in Wilmington before entering the service.

George Schaefer, Jr., son of Mr. and Mrs. George Schaefer, 351-1-2 East Cleveland Avenue, has finished his basic training at the Naval Training Station in Newport, R. I., and is now located at the Naval Air Base at Norfolk, Va. He recently spent a seven-day furlough with his parents.

MRS. EDWARD W. COOCH TO BE GUEST SPEAKER

Mrs. Edward W. Cooch of Cooch's Bridge, registrar general of the national society, Daughters of the American Revolution, will address the fall meeting of the Maryland State Society of the D.A.R. to be held on Friday, September 11, at the Matapeake Club-house located on Chesapeake Bay at the eastern terminus of the Matapeake-Annapolis Ferry Company.

Mrs. Cooch, who also serves as state chairman of committees, will report on the work accomplished and will outline their work for the coming year's activities.

Mrs. George Hamilton Strapp, state regent, will preside. She has planned an active program for the meeting.

Mrs. Charles O. V. Terwilliger of Annapolis is chairman of the reservations for the luncheon. All reservations must be made by Saturday.

THAT FAIRLY COMMON INSTI-
tution known as "The Family" is no longer the close-knit little group of yore. Indeed, with most of the older members working defense shifts, the little brood can be looked on as quite chummy if everyone still remembers each other by name.

Father, sneaking in at dawn, after working the night shift, has but a loose, figurative connection with the home. Actually, he is an unattached nomad. Only his meal left on the kitchen table with a note attached reminding him to close the refrigerator door, assures him his memory, at least, is still a legend around the joint.

Walking through the deserted rooms to bed, he sometimes wonders idly how his children have turned out. Must introduce himself someday, he vows silently. Often, he observes interesting little hints of that other world. School books scattered about lead to the startling theory that the younger ones have learned to walk and talk some time ago. Amazing, he yawns, how life buzzes on.

GETTING UP THE NEXT AFTER-
noon, he is as likely as not to find the house empty, with the elder son working the day shift, his daughter at her office, the youngsters at school, and his wife off on one of her innumerable chores.

The wife's and mother's position is even more confused. A sort of short order chef for a ghostly clientele, her only proof that she still has a family are the empty plates left behind.

Sometimes, of course, fast-moving, dimly familiar figures brush by, give her a quick peck on the cheek, and murmur something about "Have to hurry off." Although she can't be sure, her theory is that these mysterious visitations are probably the work of an elder son or daughter.

Her chief worry is the uncomfortable and growing suspicion that she has wandered into the wrong house and is cooking for the wrong people. Worst part is the awful knowledge that it will be years before she will ever be able to learn the truth.

As a release, she has been forced to adopt a new family. The bread man, the grocery boy, and the ice man have become her real children. They at least are flesh and blood.

THE YOUNGSTERS IN THE FAM-
ily accept the new life with indifference. They have, of course, been warned that the adults sometimes seen about are older brothers and sisters, but they are still puzzled by the queer old man with the lunch kettle who occasionally wanders through.

Despite its difficulties, homelife has not been thrown for a complete loss. Warm, even affectionate, ties are kept alive by a sort of sporadic exchange of notes.

Mother eagerly grasps at a poignant message from a long lost son like, "Get my pants cleaned. How's about more sandwiches in my lunch." Such words give new meaning to her life.

Father's fan mail leans more to statistical and financial reports, along with an urgent, "Jimmie needs new shoes" or "Mary Jane has to go to the dentist." All of which he finds very stimulating, the financial reports especially since with a little analysis they yield a fairly vivid picture of how things are going.

Secretly yearned for by all is that far distant day when everyone will get the same day off. Quite unexpectedly, they will all meet at breakfast. Mother, it is hoped, will be able to remember names sufficiently to introduce everyone.

DOG TRIALS TO START SUNDAY

**Club Here Lists
Current Schedule**

The Eastern Beagle Club, Inc., will hold its monthly trials as usual this year on the 1st Sunday in each month, beginning Sept. 6th. During the current season, the club will award special ribbons and extra prizes to the hounds placing in each class, with paid Judges in charge. Due to the war, officials may not be able to run three classes as before. If not enough 13" hounds are entered, the 13" will be run in a combined class. The 15" will run as before.

Beginning Oct. 14, the club will run its A.K.C. Licensed trial continuing until Oct. 10th, following which they will run the first Sunday in Nov., Jan., Feb., March, and the finals in April. All five hounds placing in all Sanctioned trials will be eligible to run in the finals.

Dinner will be served at each trial in the club house. Drawings will be held at Nine A. M.

All trials will be run strictly under A.K.C. rules.

BLUE HEN SQUAD EXPECTED TO TOTAL OVER 50 MEN; 22 VETS GREET COACH MURRAY

**Record Crop Of 35 Freshmen Turn
Out; Practice Drills Speeded Up
For Opener With West Chester
Rams In Wilmington, September 25**

Despite wholesale loss of manpower through army calls and graduation, a squad of over forty gridders, including 22 members of last year's squad and a sizeable crop of yearlings, reported to Coach Bill Murray and assistants Bill Martin and Emory Adkins for the opening football drills at the University of Delaware Monday.

200 ENTRIES IN READING HARNESS RACE EVENT

**Purses Total
Over \$22,000;
Rodeo Supplants
Automobile Races**

Final entry fees for more than 200 trotters and pacers entered in the Reading Victory Fair harness horse racing program, September 14 to 18, must be in the mail before midnight, September 1, to protect eligibility to start, Caleb B. Dowd, superintendent of speed for the exposition, announced here today.

There are 44 colts still listed for the three year old trot to be raced on Wednesday, September 16, with a purse of \$3,000 estimated. Official notice is expected soon, however, advising that several of these have been declared ineligible under the clause that limits the winnings this year of starters to horses taking less than \$6,000 in early season events. Scotland's Comet, a strong contender in the Hambletonian and winner of the American stakes at Milwaukee last week is certain to be one of the entries scratched, Dowd states.

Tom Berry, noted English trainer and reinsman, has already protected the eligibility of his trotter, Green Diamond, another Hambletonian contender and has also entered Voloway, a big bay colt, when he recently purchased.

There are 72 colts still eligible for the two year old trot, 54 for the two year old pace and 35 for the three year old pace. While this number will be greatly reduced by withdrawals, Supt. Dowd predicts the biggest starting fields in the history of the Reading Classics.

Purses during the five days of racing total well over \$22,000 with over \$13,000 of this slated for the future winners. Trophies valued at more than \$3,000 will also be presented.

Two programs of rodeo contests will supplant the customary automobile races on closing days of the fair, Saturday and Sunday, September 19 and 20, officials have announced. The wild west programs will be under the direction of Col. A. L. Gatewood of the Flying K Ranch of Shelby, Mont.

TERRORS ON HEN LIST

**Western Maryland
Replaces Shoremen**

Western Maryland College replaces Washington College in another revision of the University of Delaware's 1942 grid schedule.

The Blue Hen schedule is now as follows:

- Sept. 25 — West Chester State Teachers College, Wilm.
- Oct. 3 — Drexel, away.
- Oct. 9 — Lakehurst Naval Air Station, Wilm.
- Oct. 17 — Gettysburg, home.
- Oct. 24 — Dickinson, away.
- Oct. 31 — P.M.C., Wilm.
- Nov. 7 — Swarthmore, home.
- Nov. 14 — Western Maryland, Wilm.

The freshman turnout was one of the largest in years, 24 first year men reporting by Tuesday and 11 more expected before the end of the week, the total boosting the squad to over fifty men.

With a wealth of veteran backfield talent and several of last year's linemen on call, the Blue Hens seem in a fair way of carrying on where they left off last year, unbeaten and tied only once.

However, Coach Murray curbs all optimism by pointing out Delaware's grid prospects may take a sudden dark turn, through further loss of men to the army. The status of several top-notch players, including Bill Hogan, passing and running star, is still in doubt.

As things look now, the backfield returns almost intact, headed by Hogan, along with Al Newcomb, first string quarter back last year; Fred Spasato, letterman back and a sophomore, and Walt Paul, a half back.

Other backfield talent includes Lee Baer, Joe Coady, and Paul Hart, a 220-pounder sidelined last season by an injured knee.

On the line, a sound nucleus returns in three first string men, led by Hugh Bogovich, hard-charging senior guard, along with tackles, Tony Stalloni and Bob Furman.

Holdovers from spring practice are ends, Horace Ginn and Sam Julian. Other line men, who have returned are: guards, Ed Carrullo, Bill Laurelli, and Walt Marusa; tackles, Marv Zeitz, Marty Pierson; centers, Barney Hancock and Jack Messick; ends, Buck Thompson, Wade Pitt, and George Barlow.

With less than three weeks before opening game with Coach Heinie Miller's West Chester State Teachers College eleven at Wilmington Park, Sept. 25, the squad has been issued full equipment and the toughening drills are expected to be speeded up.

The record crop of freshmen, including those who have already reported and those expected soon are: Pless Poole, end, Winston Salem, N. C.; Bob Campbell, tackle, Greensboro; Bud Owen, guard, Plainsfield, N. J.; Jack Coulter, guard, Haddonfield, N. J.; Bob Glisson, center, Norristown, Pa.; Bob McCurry, center, Philadelphia; Donald Van Brunt, end, Long Branch, N. J.; Ed Newcomb, guard, Newark, Del.; Jim Otton, tackle, Folcroft, Pa.; John Gusto, end, Paulsboro, N. J.; Paul Gladson, end, Georgetown, Del.; Jim Wall, back, Georgetown; Walt Malyk, back, Vineland, N. J.; MacClelland, back, Philadelphia; Steve Romanick, back, Millville, N. J.; Gene Carrell, tackle, Haddonfield; Carol Haupte, guard, Landsdowne; Bill Nash, back, Wilmington.

Bill Cole, back, Wilmington; Pete Currier, back, Wilmington; Harry Rossiter, back, Griffith, back, Pennsgrove, N. J.; Harold West, tackle, Georgetown; Armsted Aastad, guard, Delaware City.

Those expected to report after Tuesday are: McHinner, Toppie, Grabowski, Burdick, Hearn, Vaughn, Swain, Bodley, Thornton, Munger, and Graham.

PREHISTORIC GOLF CLUB

Few present-day golfers ever heard of a road iron, but this club was used 50 years ago. Jack Mackie, veteran professional at the Inwood Country Club, has one. The relic has an exceedingly small head, large neck and weighs 20 ounces. It looks capable of knocking the ball out of any wagon rut imaginable.

JERSEY 'TAKE' MOUNTS

Pari-mutuel betting at the Garden State Park, Camden, N. J., returned \$158,238 to the state as its four per cent share of the handle for the week of Aug. 20 to 27. The state's share since the race meeting opened July 18 now totals \$672,088.

After 25 years of effort to perfect a light, high-speed motor for submarine chasers, a Diesel engine and a variable pitch marine propeller are now in full production.

Season Tickets On Sale At University

Season tickets, offering admittance to all athletic contests at the University of Delaware, including a reserved seat at all football games in Wilmington and admission to games in Newark, are now on sale, announces Edmund Prince, business manager of athletics.

With cleats churning up Frazer Field again and pigskins in the air, local football fans are itching to see the team in action. Best and cheapest way is to buy the season ticket.

Priced at \$6.00, it carries admittance to all home basketball games and swimming meets as well as nine basketball games in the New Field House, a total of at least 30 collegiate athletic contests, the regular admission to which would be \$19.80.

LEGION BOWLING ALLEYS TO OPEN

**Open Play Begins
Tomorrow; Leagues
Start Last Of The
Month, Says Adams**

Tenpins will be flying again in Newark when the current bowling season gets underway tomorrow with the reopening of the American Legion Bowling Alleys at Haines and Main St., announces Manager Morris Adams.

Although no formal ceremonies are scheduled, local pinsters are expected to turn out in large numbers, eager to start the ball rolling again.

Busy reconditioning and furnishing the equipment the past week, manager Adams reports the alleys have been completely refurnished by Brunswick Ball Collender Co., whose work is sanctioned by the American Bowling Congress. New pins have also been provided.

Due to increased cost of operation and installation of new equipment, a slight increase in charge per game will be made, Legion officials say. The five leagues, annually operated by the Legion, will get underway the latter part of this month. Clubs are being reorganized and new players are requested to get in touch with Morris Adams.

All details regarding starting time, handicaps, and incidentals based on past experience will be determined before formal starts are made. Team berths are open to all players.

Operated by the J. Allison O'Daniel Post No. 10, American Legion, the alleys are formed under a separate corporation.

Wayne C. Brewer is president of the governing body, with Walter Powell, vice president, A. E. Tomhave, treasurer, J. Q. Smith, secretary. Directors are: Fred Strickland, John R. Fader, and John Hopkins.

POOLING OF SINGLE MEN

**To Avert Calling
Married Men First**

To insure that married men are not drafted in some localities while single men remain uncalled in others, Delaware draft boards have been instructed to pool their reserves of single men. Such directions were issued this week in Washington by Maj.-Gen. Lewis B. Hershey, director of selective service.

Heaviest load right now will be placed on boards having the most single men, he said. Initial classifications of all registrants should be completed by Oct. 16. The speed-up, said Hershey, is necessary due to the serious military situation, which requires that the selective service system be prepared to fill calls in 1943 equal or in excess of the monthly calls made in August, September, and October of this year.

War Blamed by Baker For Oversize Loaves

Sam Weinstein, baker of Dallas, Tex., blames the war for his \$25 fine for selling loaves of bread that were too large.

State law prescribes 16-ounce loaves; one of Weinstein's weighed 19 1/4 ounces. He said his baking pans were too large—and he can't get priorities to buy smaller ones.

FIBREMEN ANNEX SECOND WIN OVER ALLIED 4-2 TO LEAD IN TITLE PLAYOFF

**Take Two To One Game Lead
In Championship Series With
Fourth Contest Scheduled For
Tomorrow Night In Wilmington**

Continental Fibre, inching closer to the Delaware Semi-Pro crown, jumped to a 2 to 1 game lead in their title series with Allied Kid by a 4-2 win before the home fans last night.

MEMORIAL TOURNEY UNDERWAY

**Field of 12
Linksmen
Are Entered**

With a field of 12 local linksmen competing, opening round of the E. B. Wright Memorial Tournament got underway last week-end at the Newark Country Club.

Tightest match of the round was turned in by J. F. Smith and J. H. Smith who tied at the end of eighteen holes and moved into a play-off match for the decision.

Other matches saw Richards turn back Ralph Groves, 3 and 2; B. B. Ridgway drew a bye; while Doyle McSpadden took over M. Liedlick, 3 and 2.

M. L. Draper went down before Phil King, 1 up; and Joe Grant bowed to E. C. Graesser, 7 and 5.

Second round of the Tournament will be played this week end, with the survivors moving into the semi-final the succeeding week.

Soldier Fighting Japs Gets Call for Service

The Selective Service Board always gets its man.

Glenn N. Houston was making an ocean trip when his questionnaire, after a long delay, caught up with him. He filled it out, then added a note: "I'm in the Army, fighting the Japs in the Southwest Pacific."

NOW OIL BURNERS CAN BURN COAL TOO!

**Amazing New Invention Converts Furnace
From Oil to Coal - or Back Again
IN 8 MINUTES!**

Now you can stop worrying about the fuel oil shortage! We've found a way to give practically every owner of a Gun-type oil burner absolute protection. With the sensational new **Convert-O-Grate** you burn either coal or oil in your furnace—which ever is available! Continue to burn oil as long as you can get it. Switch to coal when necessary—or back to oil—in 8 minutes, whenever we are able to deliver it. **Convert-O-Grate is yours for as little**

as \$29.50 installed in certain types of furnaces, complete with ash removal tools (small additional charge for demountable coal bin, if desired). Burns economical peat coal—uses oil burner blower for draft—gives you SEMI-AUTOMATIC HEAT! Thermostat still regulates furnace; if you want trouble-free HEAT this winter—real peace of mind at surprisingly low cost—phone, write, or come in today for free demonstration!

Store Window Clocks Remember Pearl Harbor

The clock men are going to remember Pearl Harbor—right down to the minute.

Delegates to a convention of the Pennsylvania Horological Association whose members are watchmakers and clock repairmen, voted today to place in their show windows clocks with the hands stopped at 7:55 o'clock. In each window will be a placard reading:

"This clock is set to remind us of the first shot at Pearl Harbor at 7:55 a. m., on Dec. 7, 1941. Remember the time of the crime at all times."

MISSIONARY ATTENDING CONFERENCE

Mabel S. Jones, Gripsholm Refugee, In New York

Among the arrivals on the Gripsholm was Miss Mabel S. Jones, formerly of Newark, Delaware. Going to China in 1913 as a missionary under The Board of Foreign Missions of the Presbyterian Church in the U.S.A., she has been engaged in evangelistic work in Showchow. Miss Jones will remain in New York City until after the Conference with Repatriated Missionaries which the Presbyterian Board of Foreign Missions is holding at the First Presbyterian Church on August 31 and September 1.

The conference will be attended by the executive staff and members of the Board itself, all of the Presbyterian missionaries who arrived on the Gripsholm, former and retired missionaries from Occupied China, Chosen, Japan, and Thailand, as well as others who are already on furlough and in this area, and representatives from other mission boards. A number of the Board's passengers on the Gripsholm will speak at the conference, presenting a survey of the conditions and problems of their various fields.

All returning missionaries who need a three months' rest will be entitled to take it before assuming specific assignments for work. Many are expected to study along the lines of their specialties. Each will soon become active for a short time or long range period of service.

All feel that the war has created many needs and unusual opportunities for a spiritual ministry now and that careful preparation must be made for a great post-war missionary advance.

REMODELING OF STANTON P. E. CHURCH CONTINUES

St. James Parish Aid Society Starts Fall Meetings

Stanton, Sept. 3rd.—Remodeling and repainting work on the St. James P. E. Church is still in progress, and not expected to be completed for several weeks. Meantime, services will be held in the Parish House. The Rev. E. Kenneth Albough and family who have been vacationing at Sykesville, Md., during August, will return this week. Services will be resumed on Sunday, Sept. 6th, in the Parish House.

The Parish Aid Society of the St. James P. E. Church will resume fall meetings on Tuesday afternoon at 2 in the Parish House. Mrs. William Hollett, President, will preside, and important business concerning further repairs and reopening of the church will be discussed.

Stanton Methodist Church.—In the absence of the Rev. F. O. Baynard, pastor, who is on vacation, the guest speaker at 11 a. m. Sunday was Mr. Wilmer Abbott of Wilmington.

The Women's Society of Christian Service of the Stanton Methodist Church will resume its fall business sessions on Thursday evening, meeting in the Church. Mrs. William Vanaman, President, will preside.

Mr. and Mrs. Joseph Chambers and Mrs. Lula Chambers left today for Tulsa, Okla., where Mr. Chambers has been transferred by the duPont Company.

Miss Lora Little has been the guest this week of Mr. and Mrs. Howard Mousley of Elizabeth, N. J. She also spent several days in New York City.

Second Lieutenant William Hale arrived in Stanton this week and will spend a ten day furlough with his mother, Mrs. Grace Hale.

A 41 graduate of Conrad High School he enlisted in the service on December 20, 1941. After eight weeks basic training at Fort Knox, he entered the Officers Candidate School at the Fort, where he graduated, following three months' training, on August 22d. He was the youngest member in a class of 530 men receiving commissions. He celebrated his 19th birthday on August 6th.

Lieut. Hale has been assigned to his new post at White Pine Camp, N. Y.

Lieutenant Hale has a brother, Private Carroll Hale who enlisted in the Air Corps on Jan. 9th and was stationed at Langley Field, but has now been transferred to Syracuse, N. Y. where he will continue his training.

FARM CO-OP LAUNCHES VICTORY PROGRAM

Members Pooling Transportation Facilities And Labor in Program

In a redoubled effort to meet their food production goals, the farmer members of Southern States Cooperative throughout the organization's territory of Virginia, Maryland, Delaware, and West Virginia are launching a "Cooperate for Victory" program September 8 in which substantially all of the 128,000 members are expected to participate.

The program was originated because of the shortage of man power both in the cooperative and in the several hundred local service agencies affiliated with it as well as because of the limitations on travel. Farmers are encouraging cooperation wherever it will be advantageous both to themselves and to the consuming public, giving special attention to the pooling of transportation of supplies going to the farm and of produce going from farm to market.

"Tremendous savings in both man power and transportation would result from this self help action on the part of many thousands farmers," W. G. Wyss, general manager of Southern States Cooperative, declared. "It is highly necessary that farmers pay closer attention than ever before to the details of farming if the armed forces and civilian population of the United Nations are to be fed.

"No worker in any plant or place anywhere has a more vital or essential part to play in the winning of the war than the man on the land. Only farm production of heretofore undreamed of magnitude will save this nation and its allies from a fatal food shortage.

"The farmer's assignment is a tough one, but not so tough as the courage, the perseverance, and the ingenuity, the skill, the thrift and the will to win of a people who have planted in faith since the days of the Pilgrim Fathers and harvested with gratitude to Almighty God," Mr. Wyss said.

Major League Statistics Add Doubt Over Ball's Zing

Manufacturers of major league baseballs have sought to prove with facts and figures that the balls in use today have not lost their "zing" and are just as lively as ever. What they cannot refute, however, is the general potency of pitchers in both leagues and the correspondingly poor batting marks of several sluggers.

The 16 games played recently in the majors provide an almost perfect illustration. Seven were shutouts and six were six-hit jobs.

There was one two-hitter, a three-hitter, four four-hitters and a five-hitter. The others were a seven-hit job, a nine-hit performance and an 11-hit affair.

16.42 Tons of Tin Cans Collected During Week

The State Salvage for Victory Committee has announced that 16.42 tons of tin cans had been collected between Aug. 29 and 27. This is a slight decrease compared to the collections of other weeks, which averaged 15 tons for four days.

This reduction is attributed to decreased use of canned goods at this season. But, it is pointed out by officials, because more fresh foods are being used and fewer foods packed in cans, it is more important than ever to save every possible can.

lithen stated that this splendid gift will thus enable the University of Delaware to become the leader among educational institutions of the nation in a field in which the possibilities are almost unlimited.

In discussing the University and the war, Dr. Hullahen said: "We are an integral and significant part of our country's equipment for total war. We must pledge ourselves to the highest endeavor of which we are individually and collectively capable day by day, week by week, even year by year until the Allied Nations win through to final victory for truth, justice, and human freedom."

"Our classmates of recent years and members of the faculty who were here a year ago," Dr. Hullahen said, "are serving the nation in defense industries, on Government boards, and in the Army, the Navy, the Marine Corps, and Aviation in every part of the world. To us are committed the tasks of a great training school to furnish the necessary additions of qualified men and women for all of these national services—a grave responsibility, that rests upon students and teachers alike—and with equal weight.

A brief resume of the University's building program was also given by Dr. Hullahen, who mentioned the completion of the New Dormitory and the Service and Maintenance Center, along with the new Field House, half of which is now under construction. Additional equipment and enlargement of the facilities for instruction of Physics were also described.

Conditions by which students are enabled to finish their college training despite the war were outlined by the speaker. Seniors, he said, in the R.O.T.-C. class will be ordered to training school in Coast Artillery on graduation, where they will receive commissions. Twenty-eight percent of the male students will be eligible for enlistment in the Aviation Reserve Corps upon graduation. Approximately half of the remainder may enlist with the Army Reserve Corps, when graduated, with an equal portion eligible for certain Naval Reserve classifications. All conditions, of course, are based on the student's ability to pass a rigid physical test.

Those found physically unfit, or who do not desire to enlist in any of the above branches have still another means open by which they can finish their college course. Draft Boards have been authorized to defer till graduation those who have had two years in courses majoring in certain technical subjects.
