## Sunday Movies To Be Issue In Town Election, April 11

Referendum On Question Authorized By Council In Surprise Move At Monday's Meeting; Ordinances Get Initial Readings

A referendum on the question of permitting Sunday movies in Newark will be held in conjunction with the town election here on April 11.

The vote, which promises to overshadow in interest the election itself, was approved by the Town Council in a surprise move at its first March meeting on Monday night. The question will be placed on a separate ballot.

The lawmakers threw the issue in the public's lap in response to a request from Louis and Herman Handlof, managers of the State Theatre, who claimed they have noted an increasing demand among their patrons for the Sunday shows. They also said that local residents in ever growing numbers are going to Elkton and Wilmington and other nearby communities on Sunday to attend movies.

A referendum on the same issue held here some years ago aroused considerable discussion and was finally defeated.

An interesting sidelight on the question is the fact that the town has no ordinance prohibiting Sunday movies, and, under state law, they could be held here between the hours of 12 noon and 6 p. m. and after 8 p. m. Both the Council and the management of the State Theatre, however, want to sound out public opinion on the issue.

The Council also gave the first and second readings to three ordinance drafts Monday night. The first will grant two-week vacations with pay and six paid holidays annually to town employees. The second will permit town department heads to hire temporary employees in an emergency without being required to secure the prior approval of Council. The third will amend the zoning ordinance to facilitate the building of garages in Read Village. A fourth ordinance draft setting regulations for laying sidewalks in the Village, was tabled due to technical difficulties.

In a response to a request from the lawmakers, Town Solicitor John P. Sinclair presented a formal opinion, a five-page typewritten document, containing much charter quoting, which concluded that a police officer is not required to be a resident of the town. The Council, which is considering hiring a new member for the local (Please Turn to Page 9)

## Delaware Education Council Aims To Be Topic At PTA Meet

Dr. James Corner Will Outline Plans For Re-Districting Public Schools

Aims and operations of the Council for Delaware Education will be discussed at the March meeting of the Newark Parent-Teacher Association next Thursday at 8 p. m. in the high school auditorium.

The speaker will be Dr. James A. Corner, president of the council, who is expected to explain the plan now in progress for re-districting the state.

The general aim of the Council is the improvement of public education in Delaware. All parents and residents interested in this subject are urged to attend the session. Discussion of any aspect of the council's work will be invited.

Originally, the March meeting was to have been devoted to an inspection tour of the new elementary school building, but this was dropped due to unavoidable delays in the school construction.

Following the business meeting, a social study hour will be held in the cafeteria. Free refreshments will be served by the mothers of fifth grade students. The committee will include: Mrs. Irone Jarnon, chairman, Mrs. H. Gray, Mrs. George Moore and Mrs. S. Martin.

## Local Chapter Of NAACP To Be Formed At Meeting Here Sunday

A Newark chapter of the National Association for the Advancement of Colored People will be organized at a public meeting Sunday afternoon, from 4 to 6 p. m., at the Newark New Century Club, Haines and Delaware Avenues. This was announced today by members of a provisional group organizing the chapter in Newark.

Principal speaker will be Miss Leah I. Brock, assistant field secretary for NAACP. Miss Brock will discuss the work of the NAACP nationally. Also addressing the meeting will be the Rev. John G. Mackinnon, pastor of the Unitarian Church of Wilmington, who will discuss "Civil Rights and Delaware"; and Julius A. Ryland, principal of the Millside School, whose subject will be "Civil Rights and Newark."

Organization of the chapter has been proceeding for the past few weeks. A group of Newark residents interested in the program has chosen Mr. Ryland and Dr. Lewis Gleckman as temporary co-chairmen of the group. Mrs. Pearl Williams is secretary-treasurer. Committees have been set up to handle program, membership and meeting location problems. Purpose of the meeting is to organize the chapter.

## \$2,366 Dime March Total Sets Record

Returns From Recent Drive Top All Previous Marks

Newark broke all previous records in the recent March of Dimes campaign here, contributing a total of \$2,366.97 during the two-week drive, according to a final report from Samuel Handlof, general chairman.

The figure is well over the \$223.50 collected in 1949 and substantially higher than the \$182.51 total for 1948.

The door to door coin card canvass, carried out by local boy scouts, accounted for the major portion of the returns, according to Mr. Handlof. This brought in \$1,220.47. Another lucrative source of contributions were the coin boxes set up in stores, which provided \$415.87 of the total. The movie contributions came to \$352.34, and the Newark schools contributed the round sum of \$189.69.

Other contributions were: fraternal organizations, \$75; basketball game, \$46 and miscellaneous, \$16.

## Newark Resident To Direct Tabulation Of 1950 U. S. Census

John J. Lennon Now Serving As Tri-State Area Chief In Decennial Count

A resident of Newark has been named to head the tabulation of the nation's 17th decennial census of population. He is John J. Lennon, 233 West Main Street, who has been appointed by the Bureau of Census as chief of the Census Tabulating Headquarters in Philadelphia.

Mr. Lennon, who has been area supervisor for the Bureau for a little over a year, is now in charge of the enumeration of the 1950 census in Delaware, Pennsylvania and most of New Jersey. Although his headquarters have been in Philadelphia, he has maintained his residence in Newark.

There are 34 "district" offices in Lennon's tri-state area, one of which is in Wilmington. When the census counting starts April 1, some 12,000 enumerators will be employed in the area, taking the census of population, housing and agriculture. The count is expected to take two weeks in urban sections and four weeks in rural.

The census returns from the entire country will be forwarded to the Philadelphia Tabulating Headquarters, and it is this operation which Mr. Lennon has been named to head up. The tabulating unit will require approximately 3,500 civil service clerks and will complete all phases of the decennial count by the end of 1951.

Mr. Lennon, a native of Bridgeport, Connecticut, graduated from New York University in 1931. He has been a Civil

## Initial Returns On Red Cross Campaign Here Total \$2,600

Drive Expected To Top Quota When All Reports Are Tabulated

A preliminary report on the Red Cross drive here last Sunday indicates Newark will again top its quota, according to Dr. Charles N. Lanier, Jr., general chairman.

"Although the present total of about \$2,600 reported Tuesday is somewhat less than at a comparable time last year," he said, "it is expected that returns later in the week will enable Newark to go over the top."

All zone captains are urged to make sure that the canvass is completed this week and that final returns are made to Donald C. Armstrong, at the Newark Trust Company, not later than Monday, March 13.

Local activities of the Red Cross include a home nursing class at the University of Delaware. Mrs. J. Fenton Daugherty, home service chairman for this area, reports that an average of from five to six classes are received each week here requiring about 15 hours a month on help for veterans claims, bonus papers, insurance, prisoner of war papers, and emergency furloughs in case of death. There are also follow-up calls on veterans who fail to appear for review of cases at the Veterans' Hospital.

## Recreation Drive To Be Held Despite Mrs. Gibb's Resignation

Paul Dolan Named To Head New Committee After Original Group Resigns In Dispute Over Year-Round Program

Despite the resignation on Monday of Mrs. Catherine Gibb and her entire campaign committee, Newark's fund drive for a summer recreation program will be held as planned, Ned McCully, president of the Newark Recreation Association, announced yesterday.

Paul Dolan, 24 Center Street, and a faculty member at the University of Delaware, has been appointed chairman of a new drive committee. The campaign, originally scheduled to start March 27, will probably not get underway until later, Mr. McCully said. Full details will be announced shortly.

In a letter informing Mr. McCully of her resignation as drive chairman, Mrs. Gibb, 436 Orchard Road, and a physical education instructor at Newark High, charged the Recreation Association with failing to back plans for a year-round recreation program here.

She said she had volunteered to direct the drive only on the condition that this summer's program would be the last and that an honest effort would be made thereafter to put the recreation project on a sound financial year-round basis.

In a statement yesterday, Mr. McCully indicated that the association is definitely considering plans for a permanent program. He said, "J. O. Ely, chairman of a committee to make recommendations for financing a long-range recreation program, has reported that his group is obtaining information from other towns of approximately Newark's size which have successful year-round recreational programs. After a study of the financing methods has been made, the committee hopes to be able to suggest methods that might be used in Newark."

He went on to say: "It has been the policy of the Newark Recreation Association to provide a summer program consisting of swimming, softball, baseball, teen-age canteens, picnic area and special events. This year our program committee under D. Kenneth Steers, recommends expanding the program to include more frequent special events."

Because of the many unusual and valuable articles, the house is being guarded day and night. The sale of the farm property and implements will not be held until Monday, in order to dispose of the household furnishings first.

Robert Brackin, who died early in February, had lived alone since the death of his brother, Elwood, a few years ago. Elwood was a collector and a cabinet maker. He had gathered pieces of wood from practically every country in the world. Many of his tools are so old as to be curiosities. The family lived in a quaint and eccentric style, keeping their property intact through the years. The farm still has no telephone, electricity or any type of modern improvement.

Those who favored consolidation claimed the rural school lacks proper facilities. They pointed to the fact the one teacher handles all classes, that there are no indoor sanitary facilities nor bus transportation for the pupils.

## Town Cash Balance Rises In February

The town had a cash balance of \$23,187.86 at the end of business in February, an increase of \$4,430.49 over the previous month, according to Town Secretary-Treasurer F. A. Wheelers report.

Receipts for the month totaled \$30,478.66, while disbursements came to \$26,439.17.

Chief source of income was \$12,750.70 in electric light receipts. Water rents were next, providing \$9,137.19. Power returns came to \$6,429.93.

Returns from bills on the north side sewer brought in another \$1,976.63.

## Methodist Choir To Sing Faure Requiem In Lenten Service

Composition Commemorating Christ's Passion And Death; To Be Given March 16

The choir of the Newark Methodist Church will include in its observance of the Lenten Season this year the presentation of the Faure Requiem, commemorating the passion and death of our Lord.

The requiem, written for soprano, baritone, chorus, harp, celeste and organ, will be sung Friday, March 31, at 8:30 p. m., in the sanctuary of the church.

Gabriel Faure was born in France in 1845 and died in 1924. His following in English-speaking countries is by no means large as yet but this country recognizes him as a great French composer along with Debussy and Ravel. In the requiem can be found a distinction of Faure's art, which has a special and delicate flavor all its own. Unlike the requiems of other composers before Faure, this has no trace of torment or doubt, scarcely even of mourning. An interesting distinction of the requiem is the prominence given to the word "Requiem" itself, which appears in all but two of the seven movements. It forms not only the first but the last word in the work.

The soloists and assisting artists for the evening will be announced during the month.

## Rotarians Nominate Shields President; Election On March 27

Joseph A. Shields has been nominated for president and Holger Schumann for vice-president of the Newark Rotary Club in the group's annual election set for March 27.

The selections were made by a nominating committee headed by H. Wilson Price and approved at the club's meeting last Monday night.

Nominees for the remaining officers are: Hugh Gibb, secretary; Alex Richards, treasurer. Four nominated to run for two open directorships are: Joseph Bryan, Gilbert Nickel, Dr. S. W. Smith and Jerome C. Weinberg.

The Rev. Theodore Ludlow was nominated for membership on the Student Loan Fund Committee. William S. Hamilton was nominated to be delegate to the District Conference and Dr. Thomas Manns a delegate to the Rotary International Convention.

William P. Hillman, who is employed by the DuPont Company, was welcomed Monday to membership into the Newark organization. Past President Samuel Handlof inducted Mr. Hillman into membership, along with Dr. Henry Weitz, and George T. Axinn, who recently joined the club. Rotary lapel emblems were presented to each of the new Rotarians.

Gilbert Nickel, club secretary and president of the Board of Trustees of Delaware State College, was the speaker of the evening.

## Glasgow Turns Down School Merger Plan

A proposal for consolidating the one-room school at Glasgow with the Newark Special School District was turned down in a referendum there Saturday by a close 69-71 vote.

## Firemen's Carnival To Be Bigger Than Ever

Plans are already underway to make this year's Aetna firemen's carnival bigger and better than ever, according to Walter Wassmer, general chairman.

The dates will be June 30 to July 8, with the parade on July 4. Rain date for the latter will be July 6.

The grand prize will be a new 4-door Pontiac sedan, fully equipped. Other major prizes will be: Westinghouse refrigerator, living or bedroom suite, man's or woman's solid gold Engin wrist watch, boy's bicycle and a polaroid camera.

Assisting Mr. Wassmer on the committee are: Irvin Chalmers, Horace Null, Jack Tweed, Harold Grant and Paul Griffith. The latter is treasurer for the affair.

## Two More File For Council; No Contests Develop As Yet

William Coverdale Enters Eastern District Race; Dr. Charles N. Lanier Files In Middle; No Candidates For Mayor

Although two more candidates filed for Town Council this week, no contests have developed as yet in the election scheduled for Tuesday, April 11.

The two new entries are William M. Coverdale, 309 Delaware Circle, and Dr. Charles N. Lanier, Jr., 37 East Park Place. Mr. Coverdale is bidding for the eastern district post, occupied by Dr. Wallace Johnson, and Dr. Lanier is running in the middle district for the Council seat held by Franks Durnall. Neither of the incumbents have entered the race as yet.

This makes three candidates in the field for the three Council posts open in this year's election. The third, who filed last week, is Ernest L. Nachod, Jr., 215 Dallen Road.

The Mayoralty race, which is expected to highlight the campaign, has thus far failed to develop. Ford H. McBERTY, whose term is expiring, has not yet filed for reelection, and no rivals have appeared on the scene.

Meanwhile, the Town Council appointed six election assistants Monday night. They are: Barton Mackey, Thomas Skripps, Edward Stipley, Gladys Carr, Mrs. R. O. Bausman and Ella Mae Maclary. Election hours and the polling site have not been fixed as yet.

Mr. Coverdale, the eastern district candidate, was born and raised in Newark. Educated in the local schools, where he played varsity football, he later graduated from Beacom Business College in Wilmington.

During the war he enlisted in the United States Navy and served aboard a destroyer-escort and destroyer, returning to civilian life in February, 1946. He is a member of both the J. A. O'Daniel Post, No. 10, American Legion, and Post No. 475 Veterans of Foreign Wars.

One of the originators of the plan for a permanent memorial to Newark's war dead, he served as chairman of the Newark Memorial Committee.

Since separation from the Navy, he has been employed by the Veterans Administration in a liaison capacity at the VA hospital. He is a member of St. Thomas Episcopal Church here.

Mr. Coverdale, who has a keen interest in civic affairs, said in a statement announcing his candidacy that he has no "axe to grind" and is "running independently in the interests of the city."

## Four Children Burn To Death In Fire Here Tuesday Night

Exploding Oil Stove Sets Fire To House On Gray Ave.; 11 Calls Past Week

Four children were burned to death here Tuesday night when an exploding oil stove set fire to a two-story frame house on Gray Avenue.

The victims, children of Mrs. Sarah Coursey, 25, were Marie, 4; Warren Elwood, 3; Robert, 2; and Bernard, 1.

The fire was one of eleven alarms the Aetna volunteers handled last week, one of the busiest on record. Six of the calls were for field fires.

The fire at the Coursey home occurred around 7 p. m., starting when an oil stove exploded in the kitchen and quickly spread to the second floor where the four children were sleeping. Although the Aetna volunteers had the flames under control in 20 minutes, the children were burned beyond recognition, according to Deputy Coroner Isaac C. Thornton.

Mrs. Coursey and three other children, Henry, 8, David, 6, and Roberta, two months, were not at home at the time. (Please Turn to Page 9)

## Rotarian Minstrel Show To Feature Veteran Funmakers

A well known member of the coaching staff of the University of Delaware is caught in a compromising position by 300 co-eds in the "Rotary Blackbirds of 1950." Who he is and why he is embarrassed will be answered by the annual minstrel show of the Newark Rotary Club.

Performances will be given at the Newark High School auditorium on Tuesday and Wednesday evenings, March 28th and 29th and the proceeds will be used to provide a scholarship for a graduate of the Newark High School and a visual education laboratory for the Newark Special School District.

"Rotary Blackbirds of 1950" is a new production and will bear no resemblance to the 1949 show.

Several familiar faces will, however, again be present. Joseph A. Shields will once more be featured as the interlocutor. Mr. Shields has had considerable experience in theatricals in Newark. A veteran member of the University Drama Group, he appeared last fall as Benjamin Hubbard in "The Little Foxes." Before that he played in "They Knew What They Wanted" and "The Barretts of Wimpole Street" among others.

G. Taggart Evans, E. C. (Curly) Mahanna, Gibby Young and Alden (Whitey) Burnham have been assigned the end men spots. Mahanna and Young may be remembered as two of the end men in the minstrel show last year who furnished much entertainment to the audience. "Whitey" Burnham appeared in the minstrel last year with such success that he was promoted to the end man position this year. Taggart Evans, a newcomer, to Rotary Minstrel Shows, is well known to theatre audiences in Newark. He is a seasoned member of the University Drama Group and has had major roles in all of their plays except four over the past fourteen years.

Tickets for the show are moving well and capacity audiences are expected at each performance. Reserved seats are available at the Newark Department Store.

Miss Leah I. Brock  
committees have been set up to handle program, membership and meeting location problems. Purpose of the meeting is to organize the chapter.

## YELLOWJACKET HIGHLIGHTS

A Column of News Contributed By the Journalism Class At Newark High School

### Civics Students Conduct Mock Trials

To the sound of the court crier's "Hear ye, hear ye," justice came to the civics classes in Newark last week. The "justice" was in the form of trials, made up by a chosen committee, and carried out by the entire class.

The committees made up a story, complete with evidence, in which a crime was committed. The facts, evidence, motives, and alibies, were presented to the class. They then chose judges, criers, bailiffs, plaintiffs, defendants, and clerks. Jurors were drawn by the clerks.

Before I give the details of each trial, I believe it only fair to the readers to warn them that the "cases" were more often nonsense than serious, but gave the students a lot of new information on court procedure.

In first period, "Hot Rod" (Don) Hummel was charged with driving his truck through a large sheet of plate glass as two men employed by the A. E. Gallaher Co., were carrying it across the street. However, luck was with "Hot Rod," and the jury, after a deliberation of three minutes returned a verdict of not guilty. Attorneys were Jim Lewis and Richard Gifford. Wally David, Margaret Bueche, and Bill Reynolds were presiding judges.

In fifth period civics Irma Grant was accused of killing Betty Jean Moore. Irma pleaded temporary insanity and the jury could not reach a decision because it felt there was a lack of evidence. Ralph Fournace was defense attorney and Dallas Rash prosecuting attorney. Milton Draper, Theresa Duffy, and Bob Tweed were presiding judges.

Finally came seventh period when John Raymond (Ralph Barrow) Justin, senior English instructor, was accused of murdering David Thuresson, school janitor. Attorney for the defense was Gunvor Thuresson, and state's attorneys were Betty Menges and Clifford Moore. Betty Ann Timmons, Burton Schaen, and Frank Porter were presiding judges. The jury could not reach an unanimous decision and a new trial was recommended.

Barbara Bryant.

### Yellow Jackets Sing Faculty

Last Wednesday, March 1, the audience received a great surprise in assembly when the faculty played the Yellow Jackets.

The faculty tried very hard to win by using two teams and allowing the varsity no time outs but failed because the Yellow Jackets won by a lopsided score of 52-20.

Frank Porter  
Ralph Barrow.

### Introducing a Junior High Student—Roy Blomquist

Roy Blomquist whose 5 feet 8 inches classes him as that tall boy in 7-2, entered Newark from Richardson Park in September. Roy has the distinction of having been in all but three states of the United States.

Roy enjoys shop. His hobby is making model airplanes. Roy's favorite sports are football and baseball. His ambition is to follow in his father's footsteps and become a dentist.

Virginia Holmquist.

### Introducing a Junior High Student—Nancy Wilson

Nancy Wilson of 8-4 is one eighth grader who is popular throughout the school. She has lived in Newark all her life except for her first year which she spent in Philadelphia.

Nancy is an active member of the Junior Dramatics Club and also of the Girls' Leaders Club. Being player-manager of the eighth grade "Eager Beavers," her favorite sport is basketball. Mathematics is Nancy's favorite school subject.

Outside of school Nancy can be found playing basketball at home, watching television, and here is also a familiar face at the Friday night canteen. Being a member of the local Girl Scout Troop 103, she can be found with very little leisure time. Nancy hopes to become a teacher.

Marie Woerner—Junior Journalist

### Twirp Season Closes With Dance

Last week, as you all know, was twirp season. The season was sponsored by the sophomores; they presented a movie March 2, and a twirp dance, March 3, at the high school gym. The schedule for the week was as follows: Monday, all students were supposed to wear dungarees (girls) and suspenders (boys); Tuesday everyone was supposed to wear a big smile; Wednesday was no homework night which many teachers did not observe. The entire week was climaxed by the big Twirp Dance.

Twirp Season, is a week during which the girls must ask the boys for dates and pay all their expenses.

"Dot" Hawthorne  
"Bill" C. Everhart.

### Mixed Chorus

The Newark Mixed Chorus under the direction of Ernest Wilder made its first appearance before the student body, recently, in the school auditorium.

The mixed chorus has been rehearsing since the beginning of the current

year. The group meets two times a week on Monday and Thursday. There are sixty members in the group consisting of approximately thirty boys and girls.

The chorus presented the following songs on March 1, "Iona Nobis," "Alleluia," and "Peasants' Dancing Day." It was not a full program but as a part of Mr. Frank Mercer's assembly program.

Ralph Pierce.

### High School Band To Attend Conference In Dover

The Newark High School Band will be one of eighteen to attend the band conference on Friday, March 31, at Dover High School.

During most of the morning performances will be given by each band. After lunch a big parade will follow to climax the affair. At the end of the parade all the bands will get together and play "Our Delaware."

Harlan Tweed.

### Student of the Week—William Records

"Bill" who is six feet and one inch tall has light brown hair and green eyes and resides at 194 East Main Street. He is one of Newark's quiet seniors and is very active in sports. He was Newark's quarterback on the football team and broke a state record by throwing five touchdown passes in one game. Bill, who is also a major factor in Newark's "five" basketball players, is found very dependable. "Rec" has also played baseball; another hobby of Bill's, besides participating in sports, is hunting. Bill's plans for the future are indefinite at the moment, but he does want to settle down to a quiet home-life as soon as possible.

"Bud" Thornton.

### Student of the Week—Cliff Gray

Cliff Gray is one of our popular seniors and school athletes. Cliff lives near Newark at Cooch's Bridge; before coming to Newark he lived in Philadelphia, Pa. He has resided near Newark for the past twelve years.

Cliff is a member of Hi-Y and is also treasurer of that club. In the past years he has contributed his services in Student Council as president of the Freshman Class of 1947 and has been on the Jacket's football squad for the past three years. Last year he was one of the main cogs in the Jacket's forward line. He also plays J. V. basketball.

Cliff says his favorite subject is Math, he is a general student. He plans to become a hosiery-knitter after leaving school. His favorite hobby is billiards.

Red Clay Creek Presbyterian Church. The young people of the church are continuing to study each Wednesday evening to prepare for their Youth Visitation Week-End on March 25 and 26. On the evening of the 25th, a fellowship supper will be served. The Senior Society of the Westminster Fellowship entertained the White Clay group Sunday evening, Monday night, they conducted services at the Sunday Breakfast Mission and tonight, they go to the Baird Mission.

After trying to find an open date for the past few weeks, Mrs. Marvin Shakespeare has succeeded in setting April 21 as the night for a calendar party to be held at the church for which the proceeds will be used to purchase a gas water heater for the church kitchen.

At the Sunday School executive board meeting last week, Mrs. Marvin Shakespeare, Primary Department superintendent, with the teachers of her department, were named to start the arrangements for the annual Children's Day.

### PLEASANT HILL

The members of the MYF of Ebenezer Methodist Church had a busy week-end with their visitation program Saturday afternoon, an executive meeting that evening, and the installation of officers and commissioners Sunday evening in charge of William Wilson, a student at the Westminster Theological Seminary. This group also plans for a St. Patrick's social on March 18 in the social hall. Miss Anne Beyerlein is arranging the program and invitations. Leonard Nelson, Jr., will conduct the parcel post sale.

On March 17, Dr. Hamilton P. Fox of Wilmington, district superintendent, will direct the fourth quarterly conference at Ebenezer and approve the church officials for the coming conference year.

A performance of the three-act comedy, "Bolts and Nuts" will be given by the MYAF in the Elsmere Presbyterian Church this Saturday evening at 8 p. m.

On Sunday at Ebenezer, the Rev. Edwin Horney will speak on "Our Faith in Prayer" at the 11 o'clock service. That evening at 7:30 p. m., the MYF will hold its monthly meeting at the home of Leonard Nelson, Jr.

The Three-in-One Homemakers' Club will meet today at the Ebenezer Church social hall for a covered dish luncheon and meeting. Mrs. Frank Marks, Mrs. Daniel Cecil, and Mrs. Robert P. Major are the hostesses.

### MERMAID

Harmony Parent-Teacher Association will sponsor a card party March 10 in Harmony Grange Hall at 8 p. m. Mrs. Hollis Farmer is chairman. On March 10th, the PTA will hold its monthly meeting when Francis Jamison of the Safety Council, will show a technicolor sound motion picture, The Glee Club and the primary chorus will sing.

Three students at Harmony told of their hobbies last Friday. Francis Anderson enjoys fishing and displayed his tackle. Oliver Schuler is interested in birds. Sallie Evans showed samples from her doll collection and her stamp collection. Mrs. Elsie W. Stradley, teacher, read the students two letters which she received last Thursday through the Red Cross from Germany.

Italy, where boxes had been sent to the pupils of Pleasant Valley in 1948 and which were received in 1949. The box to Italy, went to girls in the 4th grade at Riccardi School in Netro. Their letter expressed great gratitude and the German family who also lost their great need as their father was dead. This year, the Harmony club sent Red Cross boxes and they are eagerly awaiting letters from their recipients. For St. Patrick's Day, the school has prepared favors, nut cups, cookies, and plates for the Governor's Health Center and the Veterans Hospital. Candy was sent too.

Harmony Juvenile Grange had three new members last Saturday. They are: Jeanne Nowland, Larry Kneisley, and Mrs. Edward Naudain. The degree work was given by James Derickson. For the program, the matron, Mrs. Emily Klair conducted a quiz and a game. Doris Woodward played a piano solo.

Adelle Case is ill at her home on Weststone Road. Members of the White Oak 4-H Club, with their parents, local leader, Miss Hannah Mitchell, and Maurice Fields, county leader, attended the meeting of Harmony Grange Monday night. Their program included a skit led by Joseph Schell; a paper "Sinking Our Roots," Dottie Pierson; the 4-H Citizenship by Henry Tattall, Jr., Ruth Har-

vey, James Derickson, Jane Walton; resume of 4-H Club work by Raymond Lamborn; the president, pledge recited by all members; melodrama, "The Fatal Quest," by Anne Beyerlein, David Woodward, Josie Mitchell, Esther Klair, Stephen Vansant, Herman Samendinger; motion picture "Hail to Young America," by Mr. Fields. The club is celebrating National 4-H Club Week and has a display in a building in Wilmington. The grange received two more applications for membership and the new class of candidates will receive the first two degrees on March 20, when Diamond State Grange will be a visitor. Fred Annand will be the interlocutor for the grange minstrel show, March 30 and April 1, in the I.O.O.F. Hall at Hockessin. Mrs. J. W. Pennington announced Mrs. Mary Walker, chairman of ways and means committee, will have charge of the kitchen for the annual poultry supper, April 13, at Ebenezer Church. Mrs. Harold Wivel will be dining room chairman. The Soil Conservation contest is open now to all youth under 21 years of age.

An excellent suggestion has been offered. It is obviously impossible to contact all news sources each week, so I am going to leave a box at McMillans Store in Landenberg, at Francois in Strickersville, and at Mote's in Kemblesville, by the time this paper comes out, and I do hope that everyone will write down any news they have to contribute, and drop it in to the most convenient box. Please sign your name, and note your telephone number so I can contact you if necessary. This column is meant to be an outlet for the community, and we want all worthy groups to feel free to use it for the common good.

The Red Cross Home Nursing Course had its initial meeting in the Landenberg Hall this past Tuesday night. Mrs. Walter Crossan is instructing. Arrangements were made so that the next meeting will not conflict with the important coming meeting of the Home and School League.

The Edwin Hixons had as week-end guests from Philadelphia, Mrs. Hixon's parents, Mr. and Mrs. Watson, and her brother and his family, as well as Mr. and Mrs. Donald. Susie Hixon went with her grandparents to their place in Ventnor, N. J., near Atlantic City, for a nice vacation after her bout with virus pneumonia.

Among those attending the play "Private Lives," in Wilmington last Saturday evening, were Mrs. Gerhard Filipi, Mrs. Harold Field, and Mrs. Walter Wilkinson. Another group consisting of the George Kalbs, the Bill Nichols, and the Dick Taylors, had dinner at the DuPont Country Club and went on to the play from there. All report a wonderful time.

Mr. and Mrs. William Wallace have been visiting Mr. and Mrs. Charlie Smith, at Sodersville, Md., this week. Charles and Emery Wallace were guests of the Filipis until Saturday, when they attended a surprise party for their cousin, Jean Wallace, at Chambers Rock Farms. Jean is a Junior at Newark High, and around 46 of her friends were present at this surprise party.

Union Grange, No. 1, is sponsoring a square dance benefit for the Grange Youth Fellowship at Red Men's Hall, Korner Ketch.

The Arthur Nesses had a number of out-of-town guests last Saturday at a dinner party which celebrated their sixteenth wedding anniversary.

Wednesday morning, March 15, the first, third and fifth grades of London-Britain Schools will be transported by a number of volunteers, for their state dental inspection. It is requested that any parent who is interested in being present at this examination, and cannot provide their own transportation, contact the Health Chairman, Mrs. Ness, at Kemblesville 2171.

And now Southbank School has been rewired too. Again, a group of volunteers aided the electrician in his job. The cooperation of the Home and School League, and the School Board in the investigation and prompt remedying of the bad lighting situation, is receiving much favorable comment.

It is sincerely hoped that everyone able to get about will turn out for the very vital meeting to be held next Tuesday, March 14, at Northbank School, by the Home and School League. A large committee of members have spared no effort in "Exploring future prospects for London-Britain Schools." They will present for our consideration, a great many facts and figures on the various avenues open for the community to take in the future development of our township schools. Following the presentation of facts and figures by these various "Investigators," an open discussion period will be held to help everyone understand thoroughly all this data gathered for us. If possible, some conclusion as to a desirable future goal, will be reached. If not, at least the facts will be available for continued general discussion. Tell everyone you know about this meeting. Everyone in the township is invited and welcome.

Janet Kalb bowled a score of 116, 168, and 142, in three successive games last Friday evening. Rather impressive, eh? Mrs. Walter Pugh has been ill at her home.

The Wesleyan Guild met Tuesday night at the home of Mrs. George Bar-

rows. A filmstrip, "Our World Service," was shown.

Frank L. Van Sant, a former resident of this community has been very ill at his home in Cochranville since Friday.

The Kemblesville Sewing Circle meets with Mrs. Colman this Thursday. La Rue Van Sant is the captain of the Red Cross workers in Franklin Township, and William Lair is captain of the workers in London-Britain Township for the current Red Cross Drive.

Eddie Van Sant took part in a radio program over WDEL last Saturday at 5 p. m.

Eden School will be closed on Friday, March 17, to enable the teachers, Miss Ethel D. Campbell and Mrs. May B. Leasure, to attend the spring meeting of the New Castle County Teachers Association to be held in the Mt. Pleasant School.

Mrs. Leasure will also attend the National Education Association Department of Classroom Teachers Regional Conference in the Shoreham Hotel in Washington, D. C., on March 10th and 11th.

Frances Walker, Robert Pawley, John Walls and Robert Sweetman, pupils of Eden School, were honored with a birthday party for the month of March. Robert Sweetman was the champion prize winner of various contests which were planned by a committee including Patsy Calvarese and Wilbur Gregory.

Mrs. May B. Leasure, a member of Delta Kappa Gamma, a national honorary teachers fraternity, attended a dinner meeting of this group on Tuesday evening at Hanna's. Dr. Penrose, of the University of Delaware was the guest speaker. His topic being "The Community School."

Highlighting Delaware's observance of National 4-H Club Week, March 4-12, will be a window display contest, gate sign contest, membership campaign and parents' night. A 4-H boy and girl from each county will visit Governor E. N. Carvel, Tuesday afternoon to present him with Delaware broilers and cartons of frozen foods, representing the 4-H projects which are carried on each year. We are very proud that the young man represent-

ing New Castle County will be our own lad, Vaughn Fox.

Lee C. Hoffecker, Jr., has just returned from an Eastern States meeting in Springfield, Mass.

Mrs. Anna Harrington returned on Tuesday from a motor trip to the South. She was a guest of Mr. and Mrs. Howard Slaughter and son, Randall, of Smyrna, while on the trip.

Mrs. William H. Moore returned on Thursday from the Wilmington General Hospital, where she was a patient for a very serious eye infection.

Mrs. J. Leslie Ford and Mrs. Anne Oskins represented Pencader Grange at Pomona on Thursday.

Mr. and Mrs. Paul Burge entertained at a duck dinner on Sunday. Those attending were: Mr. and Mrs. J. Leslie Ford and Mr. and Mrs. George Moore, Bobby and Judy, of Bear, and Mr. and Mrs. James L. Ford, Jr., of Newark.

Mr. and Mrs. William Moore were dinner guests of Mr. and Mrs. Harry B. Moore, on Sunday.

Miss Bessie Davis is spending some time with her sister and brother-in-law in Philadelphia, Mr. and Mrs. George Messick.

Mr. and Mrs. George Ginn, of Middletown, spent Sunday with Mr. and Mrs. Reese Sheats and Mr. and Mrs. Preston Dasher.

Pencader Grange held their semi-monthly meeting on Monday night. Master Henry W. Brooks, presiding. After usual routine of business was transacted reports of Pomona were given by Mrs. Anne Ellis and Mrs. Florence Ford. Sisters Florence Brown and Anne Oskins were reported on sick list. Two new members were taken in. They were Miss Audrey Cleaver and Mr. Joseph T. Laws, Jr. Mrs. Jeanette Braaks, hospitality chairman, announced a card party on Saturday night. The lecturer's hour was in charge of Diamond State Telephone

Co. Mr. Brown gave a very interesting talk and two films were shown. Telephone courtesy also Telephone Hour which were very educational as well as interesting and were enjoyed by all. State Master Paul W. Mitchell will be in charge of next meeting, March 20th. Better Pastures will be the subject. We hope for a large attendance as topic is well worth while. Refreshments were served and a social time enjoyed.

# CHRYSLER REJECTS

## The Union's New and Sensible Proposal to End The Strike

For the past several weeks, the Chrysler Corporation has been carrying on a propaganda campaign in full-page ads attempting to confuse the Chrysler workers and to mislead the public.

The Chrysler workers went on strike, after 6 months of negotiations, because the Corporation refused to accept its responsibility to its workers and to the community. The strike continues because the Corporation still refuses to meet its obligation to provide its workers with

A guaranteed pension plan, and A hospital-medical program, Elimination of area wage differentials, which discriminate against Newark workers, and Needed contract improvements.

Last Friday, the Union made the following reasonable and sensible proposal, which was flatly rejected by the Chrysler Corporation:

(1) In the light of the unprecedented record-breaking profits of \$213,170,096.00 before taxes, and \$132,170,096.00 after taxes, earned by the Chrysler Corporation in 1949, the Chrysler Corporation shall agree to pay the 10 cent economic pattern which a number of its competitors and a large section of American industry, enjoying a much less favorable economic position, have already granted.

The 10 cent economic concession, measured by Chrysler profits, represents an extremely modest demand, since Chrysler profits in 1949 were 50% over their record profits of 1948 and represents a 55.4% return on investment before taxes and 34.4% return on investment after taxes.

It should be noted that the 10 cents per hour would represent a deductible operating cost and therefore would be paid before taxes, out of the larger profit figure.

(2) The 10 cents per hour shall be spent for a pension and hospital-medical insurance program in keeping with the principles established in contracts between UAW-CIO and competitors of the Chrysler Corporation. These principles include:

(a) A pension plan fully guaranteed by the establishment of an actuarially sound trust fund which is maintained through fixed payments from the company. (A vague company "promise" to pay pensions is no substitute for an actuarially sound trust fund, which is the only

way the pension payments can be guaranteed.)

(b) A pension plan to be administered democratically by a joint Board of Administration on which the workers, through their Union, have equal representation with the Company, with an impartial chairman.

(c) A pension plan fully financed by the company with no contribution by the employees.

(d) A hospital-medical insurance plan which will provide workers and their families security against the hazard and insecurity of sickness and accident.

The Union has submitted proposals for much needed and long overdue contract changes dealing with the improvements of working conditions, the achievement of greater job security, provisions for Union security, the elimination of wage inequities, and other problems which the workers have a right to expect the company to meet.

The present working contract in Chrysler has remained unchanged for several years while other major contracts in the industry have been revised and improved to meet changing conditions in the industry. The Ford contract, negotiated in the latter part of 1949, was modified and improved in more than 50 sections by agreement between the company and the Union. Collective bargaining agreements, since they deal with changing problems, must of necessity be

modified and revised to meet the problems which grow out of changing situations, technology and production methods. Even the Constitution of the United States, which is a fundamental document, has had to be changed to meet the problems of a changing world.

The Union is confident that its contract demands are reasonable, necessary and justified. We are prepared to recommend to the Chrysler workers, the immediate termination of the strike if the Corporation accepts in full, the terms set forth above in paragraphs 1 and 2 and if the Chrysler Corporation will agree to continue negotiations on all of the unresolved contract demands for a period of thirty (30) days; the unresolved issues at the end of thirty (30) days to be submitted to a three-man Board of Arbitration for final determination.

The three-man Board of Arbitration would be composed of one representative designated by the Corporation, one designated by the Union, and an impartial chairman selected by the designees of the company and the Union. Should the two designees fail to agree upon an impartial chairman, he would then be appointed by the President of the United States. The Board of Arbitration would submit its findings and rulings, which would be final and binding on both parties, not later than 30 days after the panel has been created.

We sincerely hope that the Chrysler Corporation will accept this reasonable and sensible proposal.

The Union is confident that its demands are sound and logical, and was therefore prepared to justify its proposed contract before an impartial Board of Arbitration.

It is obvious that the Corporation, in rejecting our proposal, is unwilling to yield its arbitrary and fixed position and submit its side of the argument to impartial judgment.

The Chrysler workers are prepared to negotiate a reasonable and constructive solution to the matters in dispute. They are not prepared to surrender to the unreasonable and arbitrary position of the Chrysler Corporation, or work for less money than Chrysler already pays in other plants for the same jobs.

The workers need and are entitled to a guaranteed pension plan based on a trust fund, a decent hospital and medical program, wage rate equalization, improved working conditions and contract changes.

IT IS TIME THE CHRYSLER CORPORATION STOPPED ITS PROPAGANDA CAMPAIGN AND ACCEPTED ITS RESPONSIBILITY TO ITS WORKERS AND TO THE PEOPLE OF OUR COMMUNITY.

ing this Sunday is to interest additional residents in the chapter organization. Miss Brock received a B. S. degree in Education in 1938 from Lincoln University in Missouri and did graduate work at the University of Pennsylvania in the field of Business Education. She has served as assistant principal of the Pioneer Business College, Philadelphia, and has taught in the public schools of St. Louis, Mo., and Chicago.

For a period of three years, she was National Field Representative for Negro Digest magazines and has also served as membership secretary for the Chicago branch NAACP. A graduate of West Chester State Teacher's College, Mr. Ryland is co-

chairman of the provisional group organizing the local chapter. He received an M. A. degree in social studies from New York University and has done work toward the Ph. D. degree at the University of Pennsylvania.

A resident of Delaware since 1937, he was principal of the New London School from 1937 to 1944. He also has previously taught in the junior high school system in New York City.

## DO YOU KNOW—

that more than 20,000 pedestrians are killed or injured each month? that two out of every three pedestrians killed by motorists were either committing an unsafe act or violating a traffic law?

With such figures, motorists have a double duty; to obey all traffic laws and to watch out for pedestrians. Keep alert for pedestrians at all times but more especially in thickly settled sections, school zones and cross walks. It will cost you only a few minutes but may save a life.

This message presented in the interest of our policyholders and all other motorists of this community.

## Ebenezer Methodist To Hear Choir

The Westminster Seminary Singers, under the direction of Professor J. Edward Moyer, minister of music at The Mount Vernon Place Methodist Church in Baltimore, Md., and professor of church music at Westminster Theological Seminary, Westminster, Md., will present a concert of sacred music in the sanctuary of Ebenezer Methodist Church, Pleasant Hill, near Newark, on Wednesday evening, March 22, at 8 p. m.

Presenting a program ranging from oratorio selections to special arrangements of familiar hymns, the Seminary Singers will be accompanied by Professor Douglas R. Chandler, professor of Church History at the Seminary.

## OPEN LETTER

March 6, 1950

Dear Citizens of Newark:

I wish in this way to express my thanks and those of our four high school students to so many of you for the real privilege of attending the Herald Tribune Forum for High Schools held in New York City last Saturday. Especially do I wish to thank the American Association of University Women for taking the initiative in arousing the interest of Newark's organizations in contributing the means sufficient for such a worthwhile trip for all five of us. In addition to the AAUW, our thanks go to the LIONS, ROTARY, PTA, SOROPTIMISTS, JUNIOR CHAMBER OF COMMERCE, AND KIWANIS. I wish each of your members could know what an important contribution I believe he has made.

As I listened to the young men and women of twenty-five countries of the Middle East and Southeast Asia and students of our own country talk about "The World We Want," I wished that many parents, teachers, and citizens of Newark could have shared in such an important meeting. To realize that 2500 high school students were willing to give up a Saturday afternoon to think seriously about such grave problems indicates to me that our young men and women have great promise.

Newark's four students had a rare opportunity and a fine experience at the Forum to see that all young people are alike regardless of color or creed. They sat from 12:45 p. m. until 5:45 p. m. fascinated by the panels and speakers. They were delighted with the impressive press table of twenty-five reporters who rushed in and out carrying news to their papers. Most important of all—they were seriously moved by the ideas expressed by the boys and girls from Ceylon, Pakistan, Lebanon, Burma, Philippines, and other countries on home life in their countries and in the United States. These ideas gave them much meat for thought about human dignity, spiritual and moral values, freedom, and human understanding.

As we walked across the city toward Broadway after the close of the Forum, one of the girls remarked, "Oh, I am so glad that I am a student in Newark; only Newark sees to it that her students have such an opportunity."

So, folks of Newark, you should be proud of your part in this project. I am indeed.

Jeannette Thoroughgood  
Teacher.

## 25 Watercolors On Exhibition At U. of D.

A new exhibition of 25 watercolors by Miss Jane Gardner opened last Sunday in the art gallery of the University of Delaware's Memorial Library, where it will remain until March 25. The exhibition is open to the public.

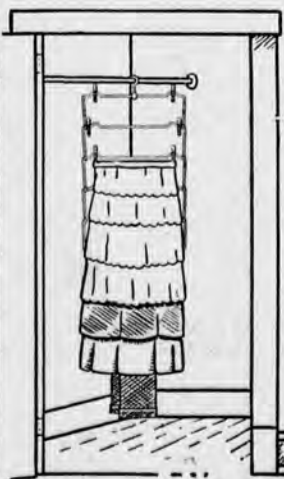

The paintings include five which have received honorable mention at the Connecticut Watercolor Society and the 34th Annual Delaware Show. Miss Gardner is associate professor of art at the University of Delaware.

## U. OF D. ILLUMINATION SHOW

An illumination show, "The Importance and Place of Illumination in Modern Civilization," will be presented at 7:30 p. m., Thursday, in the chemistry auditorium at the University of Delaware, under auspices of the university's engineering societies. The public is invited to attend without charge.

Walter Sturrock, executive vice-president of the Illuminating Engineering Society, will be the speaker at the demonstration. A large amount of equipment will be displayed, and much of it will be demonstrated.

## 3 From Here Enter Chick Growing Test

Three Newark youths and two from Bear are among 59 Delaware boys and girls who have entered the 1950 Junior Chicken-of-Tomorrow Contest.

Starting March 10, each contestant will begin raising at least 50 baby chicks which will be wingbanded for identification by members of the contest committee. The competition will run 12 weeks, during which the contestant will try to raise birds of superior meat quality.

The Newark entries are: James Fraze, Jr., David Kirk and Frank Stanyra. Those from Bear: Charles Moore and Vaughn Fox.

## Phillips Develops New Seed Mixtures

Three lawn seed mixtures, especially designed for use in this area, have been developed by Claude E. Phillips, professor of agronomy, of the University of Delaware.

Since 1944 when Professor Phillips settled on the present formulae (one for sunny areas, one for shady areas and the third for sandy soil), his friends and neighbors have been using it on an experimental basis. It has invariably produced a fine lawn on the first try.

Professor Phillips experimented for 17 years before hitting on the mixtures. His interest in lawns is in the nature of a hobby as his fields of professional study are confined to farm products.

The predominate grass in the sunny mixture is blue grass; in the shady and sandy formulas, creeping red fescue. All of the grasses in the mixture are standard but the proportions are worked out for the best results in Delaware soils.

## Dr. Johnson Renamed To Medical Exam Board

Dr. Wallace Johnson, well-known Newark physician and Town Councilman, has been reappointed to a 2-year term on the Medical Examining Board, representing the Delaware Medical Society.

Dr. Johnson was first appointed to the Board by Gov. William Denning in 1929. By virtue of being president of the Homeopathic Board, Dr. Johnson is also a member of the Medical Council of Delaware. Others on the Council are Chief Justice R. H. Richards and Dr. Joseph McDaniel, of Dover.

## Newark-Kirkwood Milk Producers To Dine Tues.

A combined dinner meeting of the Newark and Kirkwood Locals of the Inter-State Milk Producers' Cooperative will be held next Tuesday at 6:30 p. m. in the Red Lion Community Hall.

The speakers will be James E. Honan, economist for the Inter-State Coop, and George Worrlow, University of Delaware farm extension director.

Also scheduled to give brief talks are the following coop officials: John Butler, director; Harvey Ogden, delegate; and Floyd R. Ealy, field representative.

Fred Martenis, of Appleton, is president of the Newark local and Harold Wink heads the Kirkwood unit.

## Alumni Seen Solidly Behind Stadium Drive

Alumni contributions to the University of Delaware's Stadium Fund Campaign are averaging more than twice as much as the 1949 Development Fund produced.

Reports to campaign headquarters at Purnell Hall in Newark from county chairmen, on the basis of contributions relayed from district captains and lieutenants, show that the average contribution by each alumnus this year is \$23.30, compared with \$12.20 a year ago. An increase of nearly 90 per cent in the alumnus contributions also was noted. They have risen, on the average, from \$6.31 to \$8.82.

"These figures graphically demonstrate," commented Campaign Director Edgar P. Reese, "that the U. of D. alumni is solidly behind the stadium campaign, and that when the final figures are in, they will show we have passed our goal of \$150,000 as the alumni and alumnae share in the cost of the project."

## Local Band Honored

Newark played a leading part in the inauguration of Calvin Coolidge as the President of the United States today in Washington, when a group of her citizens and musicians at the head of the Delaware delegation, led the civil section of the monster parade down Pennsylvania Avenue.

The announcement that the Continental Band would lead the march of states came as a distinct surprise to the townspeople and possibly to the bandmen themselves as they were chosen from bands throughout the state only a few days ago.

The band was in charge of its business manager, Bayard Perry. David Chalmers, leader, conducted the band through its march, Raymond Buckingham, president of the band, left with the group also.

## C. of C. Elects

Officers elected last Saturday by the Newark Chamber of Commerce are as follows: John K. Johnston, president; Everett C. Johnson, vice-president; Warren A. Singles, secretary-treasurer.

The new board of directors includes: Edward L. Richards, Myer Pilsnick, Henry Mote, E. B. Frazer, I. Newton Sheaffer, D. A. McClintock, Franklin Collins, John S. Shaw, and George W. Griffin.

## Blood Poison Victim

A distressing tragedy involving a well-known local man occurred on Monday when Warren Cranston died in the Homeopathic Hospital from blood poisoning, following an accident suffered while at work recently in the Wilmington shops of the Pennsylvania Railroad. He ran a steel sizer in his hand. Infection set in and the poison permeated his system.

## PERSONALS

Feb. 25 was a red letter day for the oldest resident of this community, Mrs. Sarah E. Gonc, the occasion being her 98th birthday.

James Thompson has returned to his

home from Westtown School and will enter high school here next week.

Mr. and Mrs. Charles Jarmon left Sunday for a visit with relatives in Palatka, Fla.

## Addition To Post Staff

Not a little interesting to the craft in this section is the announcement that John F. Sparklin, for over 28 years in charge of the shop at the Cecil Whig, Elkton, applied a few days ago to become one of the Craftsmen at Kells and assumed his work with us this week.

Mr. Sparklin takes an active interest in the civic affairs of Elkton and is a member of the Town Council.

It is further interesting to note that he once more becomes associated with Harry Cleaves, thus renewing the memories of the days when the latter broke into the "game" at the Whig.

## WHY NOT?

## NHS SPORTS ROUND-UP

The Newark girls' varsity played the boys' varsity on Friday, March 3, at 4 o'clock in the Newark School gym.

The girls' varsity lost their game with a score of 8 to 33. Pat Wilson was high scorer for the girls with 4 points. Phil Harrison racked up 10 points, while Bunny Blaney was a close runner up with 8 points.

The Junior Varsity girls beat the J. V. boys by a score of 21 to 24. Bob Boutin was high scorer for the boys with 10 points. Pat Harvey and Gertrude Gray were runner-up scorers with 8 counters each.

It seems that the boys were too rough for the girls; so in the second half, the boys had to put an arm behind their backs each time they made a foul. By the end of the game, most of the boys were "using their heads."

## SB Boys Win Over 7B's

In a recent boys intramural basketball game at Newark High School the 8B boys defeated the 7B's team by a score of 20 to 0. Failing to score in any of the quarters the seventh grade team became an easy target for the more experienced eighth graders. High scorer for the winning team was Jack McDowell with 16 points. Other points were scored by Billy Evans and Bobby McAlpine, each contributing 2 points.

## Girls Intramurals Underway in J. H.

In one of three girls' intramural basketball games Friday, March 3, the "Lively Lizzards" defeated the Busy Bees by a score of 25 to 13. Scoring for the winning team were Marie Woerner, 9; Jane Walton and Janet Barnett, 6 each; and Sally Ann Yedinak and Janet Campbell with 2 each.

Scorers for the "Busy Bees" were Sue Ware with 8 points and Nancy Trivits with 7 points.

Another game saw the "Eager Beavers" beat the "Slippery Eels," 16 to 7. Sandra Ayers and Shirley Smith tied for first place scorer with 6 points each. The remaining points were scored by Nancy Wilson. Scorers for the "Eels" were Edith Streets with 5 points and Ethel Wilson with 2.

The "Slippery Eels" won over the "Sky Rockets," 6 to 4. Betty Bowser, Edith Streets, and Carolyn Jones each scored 2 points for the "Eels" and Alice Williams and Mary Ann Boyle were scorers for the "Rockets."

## Sophomores Proclaimed Champs In Intramurals

The Sophomores won the Senior League Championship last Wednesday, March 1, 1950, in the high school gym. The Senior Cagers lost by a score of 25 to 21.

The Seniors led at half time 10 to 6 but the Sophomores came roaring with deadly accuracy and split-timing plays. Neil Kline and Jerry Leachy had 9 points each for the sophomores and Jay Steinhour, a senior, was behind them with 7 points.

## Waller Named To U. of D. Farm Staff

Vermont U. Man Heads Department Here

The appointment of Dr. Ernest F. Waller as chairman of the Department of Animal and Poultry Industry of the University of Delaware is a further step in expansion of the poultry research program according to George M. Worrlow, director of the Agricultural Experiment Station.

Dr. Waller, who took office March 1, succeeds Professor A. E. Tomhave, who will devote full time to expansion of the animal and poultry research program.

The reorganization of the largest department of the School of Agriculture was termed by Director Worrlow as "in keeping with our efforts to meet the ever increasing demands of our growing agricultural industry. We believe that this move will result in expanded services to the poultrymen, dairymen and swine growers of the state."

Dr. Waller served most recently as head of the Department of Animal and Poultry Pathology at the University of Vermont. He received his B. S. M. S. and Doctor of Veterinary Medicine degrees from Iowa State College and has completed requirements there for the Ph. D. degree.

## Local Linksmen Sniff Spring; Announce 1950 Golf Calendar

Qualifying Round Of Classes Of Eight To Open Country Club Season April 15; President's Cup Tourney Starts May 6

With spring making a timid appearance here this week, Newark's golfers began to stir out of hibernation in the steam heated fastness of the Newark Country Club.

At the first hint of balmy weather, Len Fossett, chairman of the match committee, ventured out on the links, found he did not need snow shoes and immediately drew up a schedule of matches for 1950.

Urging him on were his committee members, such hardy link perennials as: Alvin L. Dollins, Wayne C. Brewer, Bernard P. Doordan, William Pie, B. F. Richards, William Ruth, Robert Stewart, Jr., and Grover Surratt.

The season will officially get underway with the qualifying round of the Classes of Eight on April 15. The final round slated for May 6.

The latter date will also mark the opening of the President's Cup Tournament.

The season's highlight, the Club Championship, will get underway June 10 with a qualifying round.

The Best Ball Invitation Tournament is slated to start June 11 and the E. B. Wright Memorial on August 19.

The complete schedule follows:

April 15—Qualifying Round, Classes of Eight.

April 16—Golfers Breakfast and Sweepstakes.

April 22—First Round, Classes of Eight.

April 29—Second Round, Classes of Eight.

May 6—Final Round, Classes of Eight, and Qualifying Round, President's Cup.

May 13—First Round, President's Cup.

May 20—Second Round, President's Cup.

May 27—Third Round, President's Cup.

June 3—Final Round, President's Cup.

June 10—Qualifying Round, Club Championship.

June 11—Best Ball Invitation Tournament.

June 17—First Round, Club Championship; and Qualifying Round, Senior's Tournament.

June 24—Second Round, Club Championship; and First Round, Senior's Tournament.

July 1—Third Round, Club Championship; and Second Round, Senior's Tournament.

July 8—Third Round, Senior's Tournament.

July 9—Final Round, Club Championship.

July 15—Final Round, Senior's Tournament.

July 22—Qualifying Round, Best Ball Handicap Tournament.

## Phillies Away Games To Be Aired Over Phila. Station

WPEN will broadcast all exhibition and home and away National League games of the Philadelphia Phillies. It is the first time that all exhibition and away games will be broadcast locally.

Brand new in the picture this year, is a daily quarter hour show on WPEN for the Phillies ball club. The show, "Here Come the Fightin' Phillies," will include interviews between the players and fans, stories about the Phillies and other teams of the National League, plus other data pertinent to the progress of the "Fightin' Phillies" in the 1950 National League pennant race.

The play-by-play will be handled by Gene Kelly, well-known mid-western sports announcer.

Old Gold cigarettes recently purchased a \$25,000 radio billing on station WPEN. This includes five minute news periods supported by an extensive schedule for a period of 46 weeks.

## Racing Pigeon Club To Open "Old Bird" Season On April 15

Club Membership Area Extended From Four to 13 Mile Limit; Trophy Race May 27

The Newark Racing Pigeon Club will launch its Old Bird season on April 15 with a 100-mile flight from Manassas, Va.

A full schedule for the season was drawn up at a recent club meeting at the home of Otto P. Steinkne, president. The group also decided to expand its membership area from a four mile to a 13 mile limit, thus enabling a number of Wilmington fans to apply for club membership.

The following Old Bird schedule was approved:

April 15—100 mile regular from Manassas, Va.

April 22—200 mile regular from Charlottesville, Va.

April 29—300 mile regular from Danville, Va.

May 6—400 mile regular from Charlotte, N. C.

May 13—600 mile regular from Gainesville, Ga.

May 20—500 mile regular from Spartanburg, S. C.

May 27—600 open special 2 birds, \$5 from Gainesville, Ga.

May 27—600 secretary's trophy race open to club members only, 6 bird limit, from Gainesville, Ga.

## Miller Wins MACSA Breaststroke Honors

Take 200-Yard Dash In Championship Meet Saturday

Hugh Miller, 107 Briar Lane and a sophomore at the University of Delaware, won the 200-yard breaststroke at the Middle Atlantic Collegiate Swimming Association championships last Saturday. The event was held at Franklin and Marshall.

The 123-pound, five-foot-six tankman, known as the smallest breaststroker in collegiate swimming, competed against a field that included entries from Lehigh, F. & M., Swarthmore, Gettysburg, West Chester, Lafayette, Drexel, and Dickinson. His time was 2:39.7.

The pint-size waterbug is scheduled to compete this week in the Eastern Collegiate Championships at Rutgers. He will again be trying for breaststroke honors.

## Newark AA Five Will Play Delaware Amateur Tournament

To Face Leading Teams Of State In Competition Scheduled March 26; Also May Land Place In Susquehanna League Play-Offs

For the second straight year the Newark AA basketball team is invited to play in the Delaware State Amateur Tournament, which together the leading court combines of the state. Competition will get way March 25.

The local quintet also has strong hopes of earning a spot in the Delaware Amateur League. Now third in the standings, Newark captured a play-off spot by defeating Rising Sun in a game scheduled for this week. The top four teams in the final standings are eligible for the play-off.

Newark captured its eighth league contest by swamping Company E to 49, last Thursday. Gene Schenck poured in 40 points to pace the local club. Runner-up honors went to Bobby Challenger who turned in 16.

Newark ran into a stumbling block Sunday, however, when Cecil Post 15 handed them a 58-55 setback. The loss was Newark's fifth in league play and threw them into a virtual tie with Cecil Post for third place. Hot on their heels is Delaware City in fourth. All three teams have another game to play, but a victory for Newark in the Rising Sun contest will keep them in the top four.

Faulty work at the foul line cost the local club the Cecil Post game. Play-

Newark clinched a spot in the Delaware Amateur League play-offs by defeating Rising Sun 87-59, Tuesday night.

ing fine defensive ball and leading the scoring with 15 points, Gene Schenck again paced Newark.

## U. D. Coal Shortage Eased By Local Firm

Phillips Packing Turned Over 200 Tons At Height of Crisis

With the end of the coal strike making possible the easing of several of the heating restrictions at the University of Delaware, a survey there this week showed that it was coal turned over to the university by the Phillips Packing Co., which played an essential role in forestalling a suspension of classes.

Business Administrator Charles E. Grubb reported that the Phillips Company had offered, through its president, Albanus Phillips, Jr., to sell more than 200 tons of bituminous coal to help refill the U. of D.'s bins.

The acquisition of this supply from Willard A. Dougherty, manager at the Newark plant, and also from the Townsend plant, added more than a week's supply to the coal which otherwise would have been available.

The first restriction on use of heat and steam which were eased this week at the university were for shops where instruction requires use of steam, research laboratories other than the distillation tower, swimming pools so that instruction there may resume, and the laundries. Other conservation measures, such as lowered temperatures in all buildings and no heat in corridors, remain in effect.

## Mechanical Engineer Unit To Dine Here Wednesday

The American Society of Mechanical Engineers, Wilmington Section, will hold their annual joint meeting with the student chapter at the University of Delaware on Wednesday, March 15. Dinner will be served at 6:30 p. m. in Old College.

Following the dinner, student papers will be presented and prizes awarded. Ford H. McBertry, mayor of Newark, will preside. The judges for the student papers will be: E. Wilson, Hercules Powder Company; M. P. Wood, assistant chief engineer, DuPont Company; and S. C. Evans, plant manager of the DuPont-Edgemoore plant and chairman of the local section.

Mr. Evans will also present an ASME flag to the student branch.

## Col. Humphreys Assigned To French War College

Lieutenant Colonel Wilson F. Humphreys, marine officer instructor with the Naval ROTC unit, University of New Mexico, received orders recently sending him to the Naval Intelligence School, Washington, D. C., and from there to the French National War College (The Ecole Supérieure De Guerre) Paris, France.

Col. Humphreys, who is the husband of the former Nora Carson, daughter of Mrs. Kate Carson, Newark, R. D. 1, will start his one-year course around Sept. 1. The training is somewhat comparable to that given officers of the armed services by the B. S. National War College, Washington, D. C.

Col. Humphreys said he plans to take his wife and two children with him to Washington and Paris.

## To Lead Chamber Orchestra March 15

Mr. Jones

Mr. Jones will lead the New Chamber Orchestra of Philadelphia in a concert next Wednesday at 8:15 p. m. in the University of Delaware's Mitchell Hall.

The program will be the last of the 1949-50 Artist Series. Tickets for reserved seats are available to the public. The group has built up what statistics show is the largest chamber music audience in the United States. It is composed of 30 faculty members and professional students of Philadelphia's New School of Music. The orchestra has as its nucleus the world-famed Curtis String Quartet.

The program for the Newark concert follows: Concerto Grosso in D Minor, Vivaldi; Chamber Symphony for Strings and Piano, Vaulchain; Adagio and Fugue in C Minor, Mozart; Symphony No. 9, Mendelssohn.

## Recreation Dispute

cial events, handicrafts, playgrounds and some pre-school activities."

In her letter to Mr. McCully, Mrs. Gibb said that although her committee had been allowed to formulate elaborate plans for the summer drive, she had received only "vague assurances" from Mr. McCully regarding plans for the permanent program. She became convinced, she said, that the association was not enthusiastically behind the idea when she was refused permission to mention plans for a long-range program in the printed prospectus for the summer campaign.

If the house to house campaign is to be a success, she said, "we must be able to show people that this time their money will go toward the acquisition of permanent recreation facilities."

She also charged that in its four years of existence, the Recreation Association "has failed to initiate anything but a limited program which left pre-school children, adults and the colored members of the community out in the cold."

Mrs. Gibb's group had drawn up an elaborate campaign strategy, including promotional work through posters, newspaper publicity, radio programs and talks before school assemblies and community organizations.

A partial text of her letter follows. Dear Mr. McCully:

"... The Newark Recreation Association was formed four years ago. Up to the present time it has failed to

## Know Your Schools

## Meet Newark's School Teachers

(Fifth in A Series)

Miss Betty J. Maxwell's home is in Cressona, Pa., which is near Pottsville. She was graduated from Cressona High School in 1945 and from Kutztown State Teachers College with a B. S. degree in 1949. This is her first year of teaching in Newark and her previous teaching experience was student teaching last year. She is now teaching the Second Grade at the Methodist Church.

During the war she was attending high school and college. She worked at the Aluminum plant, at Cressona, which was a war plant at that time. She also collected tin cans, paper, milkweed pods, etc., in high school.

Miss Maxwell is serving on the Health and Safety Committee this year. She is also interested in PTA and church work in Newark.

Her hobbies include sewing, knitting, reading and dancing. Miss Maxwell, as yet has not had the opportunity to do any extensive traveling but has visited in Nebraska and Illinois.

We are pleased to hear Miss Maxwell

Miss Betty J. Maxwell

remark, "Newark is a nice town and I am enjoying my stay here very much."

initiate anything but a limited program which left pre-school children, adults and the colored members of our community out in the cold. In fact, not one cent has been spent by the Newark Recreation Association for recreation in the colored community in the past year. You have blamed this failure on lack of community support.

"The A.A.U.W. survey, made by a group interested only in community improvement, showed that successful recreation programs elsewhere, are not supported by private contributions, but must be maintained in whole or in part by tax monies and administered by a full time qualified professional director."

"I volunteered ... to head a committee to run an emergency fund drive to give Newark a summer program while the long range permanent setup was being organized. I made it clear, when you accepted my services, that I would run this campaign only on the understanding that it would be the last summer drive; that from now on an honest effort would be made to put the Recreation Association on a sound financial and administrative basis. The fact that you accepted my offer signified, I thought, that you endorsed these principles."

"... My committee agreed to serve under the same conditions that I did. I have frequently reminded you of these conditions and so far have received only vague assurances of cooperation."

"Today is March 5. If there is to be a summer recreation program the time

to plan it and to finance it is now. If we are to make the house to house canvass which the situation calls for we must be able to show people that this time their money will go toward the acquisition of permanent recreational facilities."

"My committee finds itself checkmated. You have allowed us to go to work, but the chairman of the finance committee (selected by you) has refused to permit us to include the immediate initiation of the long range program in our printed prospectus. You told me on the telephone, tonight, that you endorsed his position. The only meaning I can take from this is that you do not approve of the long term program."

"You have told me repeatedly that 'we must go slowly.' The Newark Recreation Association, Inc., has been in existence for four years and we are no further along than we were in 1946. Are we moving at all?"

"Obviously, since our aims are not the same we can not continue to work together. I, therefore, tender you my resignation and that of my entire committee."

Grace F. Gibb

A total of 402,600 acres of all crops was harvested in Delaware in 1949 as compared with 403,200 acres the previous year, and the 10-year (1938-47) average of 388,200 acres, reports the Delaware Crop Reporting Service. The total value of Delaware crops harvested in 1949 is estimated at \$19,630,000 compared with \$20,416,000 in 1948.

## Customers' Corner

We want to be good citizens in the towns in which we do business.

We try to earn that rating by doing the following things:

1. Giving our customers good food and good service at low prices.

2. Dealing honestly and fairly with our customers, our suppliers, and our competitors.

3. Furnishing good jobs and good opportunities for advancement to the local citizens who work for us.

4. Cooperating in worthy civic activities.

Are we good citizens in your town? If not, we would consider it a favor if you would let us know.
