

Miss Esther Olney Wins Miss Delaware, 1959

Local Girl To Represent State In Miss America Test
September In Atlantic City; Miss Newark Wins
Summer-Up Spot In Junior Chamber Of Commerce Event

Esther Olney, 18-year-old Newark High School senior, won the title of Miss Delaware of 1959 in the contest sponsored by the Junior Chamber of Commerce at the Wilmington Chamber of Commerce last Saturday night, defeating 12 other contestants.

The daughter of Mr. and Mrs. H. Omar Olney, Newark, she will represent the state in the Miss America Pageant in Atlantic City in September.

Olney, who will be a mixture of the old and the new, is a typical college girl. She is a member of the University of Delaware and is planning to attend the University of Delaware next year.

Olney's school life will be punctuated by a round of personal appearances. She will be a role model for the young women of the state.

Aetnammen Battle With 700 Acres Of Burning Brush

Newark Firemen Fight
Five Hour Brush Fire
On Hopkins Bridge Rd.

A brush fire off the Hopkins Bridge Road near Newark raged for five hours, beginning at 1:10 p.m. last Monday, as 120 volunteer firemen battled the blaze that burned over 700 acres.

Deputy Aetna Chief Olan Thomas led 43 volunteers and three engines to the fire, and assistance was provided by firemen from Hockessin, Mill Creek, and Elsmere.

While the Aetnammen were engaged with this one, another alarm was received at 5:20 p.m. and Lieut. John Smith led 14 Newark firemen with one truck to extinguish a brush fire at Elliott Heights near the Curtis Paper Company plant.

At 7:15 that night—less than an hour after the Hopkins Bridge Road fire had been extinguished—another alarm reported rekindling of the same fire, and Chief Cliff Knotts responded with 23 volunteers and two engines for a two-hour session at the same stand. The fire was finally extinguished after 30 more acres of brush had been burned.

Last Sunday at 2:30 p.m. Thomas led 21 men with one engine to prevent major damage at a residence on Carole Road, Chestnut Hill Estates, where a fire had started from defective wiring. Damages were estimated at \$50.

The Bill Burleighs have two new telephones in their Tanglewood home near Newark and the Diamond State Telephone Company has passed the 200,000 mark in the number of telephones in service in Delaware.

Diamond State Company installer Duane Kunch turned up at the Burleigh home at 7:08 a.m. Monday, accompanied by A. E. Rose, Diamond State manager, to make the record-setting installation.

While Rose explained to the surprised and delighted Mrs. Burleigh that she was helping to make telephone company history, Kunch kept busy connecting a light beige wall telephone in the kitchen and a pink telephone in the master bedroom of the home.

Parts of the installation job were supervised from a safe distance by the Burleigh children, Cindy, Carol and Fred. Baby Cheryl slept through the brief ceremonies.

The Burleigh family recently moved to the Newark area from Scranton, Pa. Mr. Burleigh is a senior clerk with Tidewater Oil at Delaware City.

Rose, who had been looking back through old records in preparation for the 200,000th telephone's installation, pointed out that 70 years elapsed between the introduction of telephone service in Delaware and the installation of the 100,000th telephone in the state.

"It took only 11 years for the number of telephones in service to double and reach the present figure," he said.

Some 1,500 are expected at the covered dish dinner, and tickets are being sold to Scout, Cub and Explorer units in blocks of 10.

Highlights of the evening's program will be a talk by Dr. Gunnar H. Berg, national director of professional training, Boy Scouts of America; a short talk by Robert Warner, Delaware Explorer who represented Region III in the annual report to the President, and presentation of Silver Beaver awards to the council's outstanding volunteer leaders.

The Del-Mar-Va Boy Scout Council will thank volunteer workers with a "potluck" recognition dinner this Saturday in the State Armory at 10th and DuPont Streets, Wilmington.

Steele To Direct Memorial Parade For City, May 30

War Vets To Take Part
In Annual Memorial Day
Event In City Of Newark

Units from all branches of the armed forces along with war veterans from Delaware and nearby states will participate in Newark's annual Memorial Day services and parade on May 30.

The observance will open at 2 p.m. with commemorative services on the university campus, followed by the parade at 2:30 p.m., according to C. Vernon Steele, chairman of the 19-man planning committee.

Participating at the campus ceremonies will be Commander William Mazette, Department of Delaware, Veterans of Foreign Wars. The parade marshal will be Col. D. Norman Sundt, University of Delaware military department.

In addition to military units, the parade will include outstanding bands, drum and bugle corps, drill teams and contingents of volunteer firemen and Boy Scouts.

An appropriation from Newark City Council, and contributions from local businesses and industries are providing the committee's financial support, Steele said.

Working with him in the planning are Col. Sundt; Col. Roger W. Snow, U. of D. military department; Capt. Robert N. Downes (USN-ret.) state civil defense director; Lt. Col. D. Preston Lee, deputy adjutant general, Delaware National Guard; Major Samuel Grayson, USA, Commander Ivan Parsons, USN Reserve; Capt. Richard Groo, Army Reserves; William Wilson, commander, O'Daniel Post 475, VFW; Raymond Edwards, John Fisher, and Alfred MacLary, VFW Post 475 members; John Bellers, commander, O'Daniel Post 10, American Legion; DuVal Cleaves and Robert Pilnick, Legion Post 10 members; F. Robert Mercer, administrative assistant, Newark special school district; Chief Clifford Knotts, Aetna Hose Hook & Ladder Company; William MacLain, Newark Boy Scouts; and Thomas Carter, Newark 4-H Club.

Early Returns Reported
In Ambulance Campaign

"We are well pleased with early returns," President John List said yesterday, concerning the annual Aetna Ambulance Association membership drive.

Campaign folders were mailed last week to residents of the Aetna district, and membership cards are mailed the day following receipt of membership fee which entitles an entire family to ambulance service.

Some 5,300 persons are employed at four Chrysler Corporation installations at Newark, J. Fred Mitchell of McDowell-Mitchell Associates, public relations consultants, said in addressing the whole section of the Delaware State Chamber of Commerce last Monday.

Mitchell said that 4,300 work in the 35-acre Dodge-Plymouth assembly plant; 750 in tank modification; 200 in the parts division, and the remainder in the training center.

The assembly plant provides an annual payroll of \$20,000,000, exclusive of employment created by demand for supplies for the plant, Mr. Mitchell said.

Charges Dropped
Against Shelton
In UD Burglaries

The state dropped a charge of aiding and abetting a third degree burglary against Peter W. Shelton, one of five University of Delaware students suspended last week after their arrests by Newark Police on charges of burglarizing or abetting the burglarizing of dormitories.

The nolle prosequi as to Shelton, 19, of Franklin, N. J., a halfback on last fall's football team, was ordered after the case was referred to the Superior Court from the office of Magistrate Clarence Foster.

Meanwhile, Joan A. Crisafulli, 19, of Belmont, Mass., was held in a total of \$2,000 bail for Superior Court by Magistrate Foster on two charges of burglary and another of making a false complaint to police.

He was arraigned following his discharge from The Memorial Hospital, where he had been treated for head injuries allegedly inflicted upon request, by two University of Delaware students to prevent him from taking a lie detector test.

Nine-Year-Old Boy Hurt
When Auto Hits Bicycle

Nine-year-old William Terrence Smith, 25 Ray Street, suffered contusions to his left side when struck by an automobile entering East Main Street from a business driveway on the north side of the street last Thursday at 5:40 p.m. The boy was riding a bicycle.

Last Saturday at 7 p.m., the automobile of William E. Brown, Newark, was hit while parked on the east curb of North Chapel Street by a car driven by Alfred J. Laffer, Hockessin, turning north onto Chapel Street.

Newark police estimated damages at \$30 to the parked car, \$150 to the moving vehicle.

Prize-Winning Science Students at NHS

"A Study of the Growth and Structure of Crystals," submitted by Bill Nalesnik and Nancy Hall of Newark High School, won first prize in the senior physical division of the Delaware State Science Fair.

Bill and Nancy inspect their exhibit of enlarged micro-photographs of crystals in progressive stages of growth; plastic models of the external structure of various types of crystals, and an electronic diffraction tube.

Entering Tower Hill School, site of the Science Fair, Nancy—carrying the box with the fragile plastic crystals—collided with another scientist and the models spilled over the floor. Hurriedly the broken crystals were mended—in time to win first prize!

Council Weighs Budget Items For Capital Outlay Proposals

Municipal Budget For '59 Reviewed At Special Session;
Sewer, Culvert Construction Approval Withheld Pending
Study; \$10,000 Added To Water Division Cost Proposal

Meeting in special session last Tuesday night to consider the municipal budget proposed for the year, City Council withheld approval for some \$83,000 in capital outlay for sewer lines and culverts to serve new developments in the area; discussed several proposals for municipal economy; and added \$10,000 to the \$199,300 budget for the water division of the Public Works Department.

Reviewing the sewer division budget, Public Works Director Francis Neide explained that major items consisted of \$35,000 for a sewer system to serve the northwest section of the Fairfield development, and \$25,000 for construction of a sewer line across the Cherry Hill property. Both are to be investigated, with a view to deferring construction of the Fairfield interceptor until next year.

Concerning a budget allocation of \$23,000 for construction of culverts over the drainage ditch at Manns and Dallas Avenues and at Ritter Lane, Grever Surratt in the audience urged council to review the municipal sub-division ordinance.

Ordinance "Intent"
"I had something to do with the preparation of the ordinance," Surratt said, "and its intent is to have the developer and buyer responsible for such costs as the construction of culverts to serve the development."

Mr. Surratt cited past responsibility assumed by the city for costs in the construction of culverts over Grantham Place and Winslow and Sunset Roads, but pointed out that "such mistakes should not be compounded."

City Secretary Charles D. Long is to review the matter for subsequent council consideration.

At the beginning of the hearing, Councilman Samuel Diehl proposed an overall 25 per cent reduction in the budget as presented by City Manager J. J. Salvoara, with proportionate reduced allocations. But no action—nor discussion—resulted from this proposal.

Councilman William Coverdale pointed out that the auditors had reported nearly 25 cents of every dollar is represented in salaries and wages, and in reviewing the budget said "let's not skim over salaries."

Annual Meter Reading
Councilman George Wilson injected a proposal to "save money" by having water meters read once a year but billed quarterly; and Coverdale said: "That's what I was leading up to. Economy is always a source of revenue."

Long and Neide questioned the economy in this proposal, pointing out that meter failure and changes in residence during the year might nullify any salary savings, but Councilwoman Betty McGowan observed that "the \$23,000 in accounts receivable for water bills at the end of the year are considerably less than the annual salary of a meter reader."

Salvoara said that such accounts receivable could be further reduced by more stringent collection methods.

Water Purchases
In the water division budget, a \$5,000 allocation for purchased water was increased to \$7,000, where Mr. Long reported that the city had already spent \$4,555 for water during the first quarter. Public Works Director Neide said that the south well field was expected to be in service this summer, and that purchased water costs would drop to the minimum.

The necessary welding of pitted municipal water tanks "which have been touched since 1949," Neide said, resulted in a \$7,000 increase in the proposed budget for the water division, and another \$1,000 was added for necessary repairs to well pumps.

At 10 o'clock, confronted with an item of \$11,800 for capital outlay in the water division, Mayor Frank Durnall called for adjournment—and met with no opposition.

Cub Scout George Janvier Wins In Pinewood Derby

George Janvier won the Pinewood Derby conducted for Cub Scouts of Hockessin Pack 203, with George Radford and Wayne Wallace tied for second place.

Cubmaster Philip Janvier, who is resigning to become Scoutmaster of Boy Scout Troop 203, presented awards at the recent pack meeting, with Mike Williams receiving a Wolf badge; Pete Russell and Robert Hessler, Bear arrows; and Robert Rasmussen, a two-year service star.

Buckson To Speak Sunday At Dedication Program

Lt. Governor David Buckson will be the principal speaker at St. Andrew's Presbyterian Church dedication service this Sunday morning, when the congregation will meet in the sanctuary for a short worship service conducted by the Rev. Herbert Soelinger, and proceed to the new church school wing to be dedicated.

Ground was broken for the new addition on Palm Sunday, 1958, and the new building occupied by the church school since last October, consists of four large classrooms and a lecture hall.

Cornerstone-Laying Ceremony Conducted Sunday For St. Paul's Lutheran Church

With the placing of a sealed box containing a Bible, photos, charter and present confirmed membership lists, and the church history, cornerstone laying ceremonies were conducted at the newly constructed St. Paul's Evangelical Lutheran Church, South College Avenue and Chestnut Hill Road, last Sunday afternoon.

The first worship services will be held in the new church this Sunday, just six years to the date since the official organization on May 10, 1953.

Through the combined efforts of the Rev. Robert E. Neumeier, pastor of Zion Lutheran Church, Wilmington, and Mr. and Mrs. John Olson, advisors for the Lutheran Student Association at the University of Delaware, a steering committee to act for the Newark Lutheran Mission was organized on Oct. 27, 1952. The committee included F. William Johns, Jr., chairman; Russell Stauffer, treasurer; Charles Dickson, Elwood Bittenbender, Eugene Kelechava, David Thureson, and Edward Bollenbacher.

The first worship service was held Dec. 7, 1952, in the chapel of the Newark Funeral Home, with 135 persons attending. The Rev. J. Elmer Leas, pastor of St. Stephen's Lutheran Church, Wilmington, was guest pastor and choir music was provided by 12 voices under the direction of Mrs. Mary Jane Streepy, music supervisor at Newark High School.

Under the direction of Dr. Roy L. Winters, superintendent of the Board of Home Missions, a constitution was adopted and the following nine members elected to the first church council: Russell Stauffer, vice president; Eugene Kelechava, secretary; Charles Dickson, treasurer; Mr. Bittenbender, Samuel Diehl, S. Kennedy, Fell, Stanley Gibbs, Mr. Johns, and Mr. Thureson.

The Rev. Howard S. Hugs is the first pastor, beginning his pastorate in August, 1953. With his wife, Rachel, and children, a son, John, and a daughter, Margaret, he resides at the parsonage in Silverbrook.

Japanese Beetle Control Advised By Don MacCreary

"How do I control Japanese beetle grubs in my lawn?" is a common question asked of entomologists at the University of Delaware. Here is the answer from Extension entomologist Donald MacCreary.

"If a spring treatment is needed, we suggest use of chlordane dust (five per cent) at the rate of five pounds per 1,000 sq. ft. of lawn. Water the lawn thoroughly after treatment to hasten penetration of the poison into the soil," MacCreary said.

If you wish to use a spray, apply either one-half pint of 45 per cent chlordane emulsion concentrate or 10 ounces of 40 per cent wettable powder to 1,000 sq. ft. of lawn. Mix the chemical in enough water

LICENSE APPLICATION
I, MORRIS BRONSTEIN, 7/A QUALITY LIQUORS, hereby intend to file an application with the Delaware Alcoholic Beverage Control Commission for a license as a store to sell Alcoholic Liquor not for consumption on the premises where sold, said premises being located at south side of the Kirkwood Highway, Capitol Trail, Millersville Hundred near Wollaston Road, Wilmington, New Castle County, Delaware.
May 7, 14, 21.

Delmarva's Top Shopping Team

Delaware's Governor J. Caleb Boggs goes shopping for chicken at a Dover supermarket with Mrs. Samuel Kendall, Dover committee chairman for the National Chicken Cooking Contests to be held in that city June 26 and 27 as part of the 12th Annual Delmarva Chicken Festival.

The Governor, an old hand at barbecuing chicken, will officiate at several events during the festival. When the picture was taken, the two were selecting types of packs to be made available in June for the 220 or more top home cooks expected to enter the contests.

To wet the area. Other insecticides such as dieldrin, aldrin and heptachlor can be used if available. Follow directions on the package as to dosage and methods of application.

"All these materials are poisons. Keep small children and pets off treated lawns until after a rain or a thorough watering," MacCreary said.

20 Brownies Win Girl Scout Pins In Fly-Up Event

Twenty Brownies of Troop 391 received Girl Scout pins at a fly-up ceremony on May 6 at the New Century Club.

Fly-up wings were presented by Mrs. George Tual and Mrs. Albert H. Dunn, leaders, and Scout pins were presented by Senior Scouts Nancy Hall and Betsy Deinken, and by Mrs. Donald Rosie who will lead the troop next year.

Refreshments were served to the scouts and their mothers by Mrs. James Jackson, troop hospitality chairman.

The new Girl Scouts are Roberta Ziller, Barbara Wirick, Patricia Tual, Eureka Schultheiss, Barbara Scarborough, Lynn Rosie, Heather Partridge, Grace Mackrell, Helen Kranz, Carol Jackson, Joyce How-
Ellen Dunn, Barbara Deinken, Anette Cook, Deborah Brown, Peggy Bedingfield and Sally Aaron.

Mitchell Advises On Early Cuttings For Alfalfa Value

"Just a week or so and it will be time to get in that first cutting of alfalfa," Extension Service Agronomist William Mitchell advises Delaware farmers.

"You can increase digestibility by as much as 20 per cent by cutting alfalfa when it is fully budded and before it blooms, as compared to letting it go to full bloom," Mitchell said.

"Fully bloomed alfalfa will be four or five per cent less in protein percentage too," he added.

The forage specialist said it looks as though alfalfa will be ready for cutting about May 15.

He said alfalfa raisers should figure on taking off at least four cuttings.

If they have heated air equipment, which will allow them to cure hay in cold, wet October weather, they can take another cutting then.

Marine John Walls Serves In Operation Sea Turtle

Marine Pfc. John R. Walls, Sr., son of Mr. and Mrs. A. M. Walls, Jr., Glendale, Newark, is serving with the Third Marine Division which took part in "Operation Sea Turtle," April 27-30 at Pohang, Korea.

"Sea Turtle" was the largest combined U.S. and Republic of Korea amphibious exercise ever staged. Helicopter landings were employed in a vertical development assault on the beaches to supplement the landing of ground troops by the traditional boat-carried method.

MARINE TO GRADUATE
Marine Pvt. Robert J. Simpson, Jr., son of Mr. and Mrs. Robert S. Simpson, Newark, is scheduled to graduate May 17 from an intensive four-week infantry training course at Camp Lejeune, N.C.

Dahlia Offer Gardeners Top Results Harris Says

Of all garden flowers, perhaps no other rewards the gardener with such profusion of blossoms as the dahlia, says county urban assistant Dick Harris.

"Good soil, plenty of moisture, ample sunlight, and pest controls are necessary to produce the best flowers," Harris said.

It's important that the soil be worked to a depth of at least 10 or 12 inches. After the plants are about a foot tall, add a top dressing of one to two teaspoonsful of complete fertilizer per plant. This should be put about five inches away from the base of the plant.

Set the plants deep to insure good root formation. In sandy soil six inches is about right—in heavy soils, about four inches deep. Cover with about two inches of soil and gradually fill in the hole as they grow.

LUTHERAN CHOIRS

Three Lutheran choirs from this area will join tonight at 8 o'clock to provide special music for the Ascension Day service at Concordia Lutheran Church in Wilmington. Pastor Duane Mehl of Our Redeemer Church, will deliver the sermon, and the combined choirs will be directed by William Webb. A social hour in the church hall will follow the service.

CITY OF NEWARK
BOARD OF ADJUSTMENT
Public Hearing Notice
12, 1959 7:30 P.M.
The Board of Adjustment will hold a Public Hearing in the Council Chambers, Academy Building, Newark, Delaware, Tuesday, May 12, 1959 at 7:30 P.M. E.D.T. to hear the Appeal of Mr. Meade Ragan on the decision of the Building Inspector in refusing to issue a Building Permit for a dwelling on lot at 400 Elton Road non-conforming to the "RS" Residential District regulations of the City Zoning Ordinance No. 99.

Charles D. Long
Secretary of the Council
of the City of Newark

Accidents At Home Top Highway Toll For State Deaths

Accidents in Delaware homes caused more death than highway fatalities in the first three months of this year, it was pointed out by J. James Ashton, manager of the Delaware Safety Council. Ten fatalities occurred in March alone.

Statistics show 20 home fatalities in the first quarter as compared to 15 highway fatalities.

Of the 20 fatalities in the homes this year, nine were caused by fire; seven by falls; two by poison; and two by suffocation.

A recent study by the Safety Council of home fatalities during 1958 in Delaware revealed that the majority of deaths occurred to persons in the pre-school, and 65 and over age groups. The causes of most fatalities were falls and fires.

Commenting on fatalities caused by falls, Mr. Ashton pointed out that in many instances there are three generations living in the same house. When toys and other articles are left on the stairways and floors the stage is set for serious falls, especially for older people. Lack of adequate handrails and lighting are other causes.

Statistics indicate that fires are the leading cause of fatalities in the pre-school age group. In many instances overcrowded homes and children left unattended are contributing causes. When children are left in the care of a baby sitter care should be taken to see that the baby sitter is qualified and is instructed in what to do in case of an emergency.

Vegetable Vitamin Loss Suffered With Wilting
Keep vegetables from wilting if you want the most in vitamin value from them, the U. S. Department of Agriculture advises, according to Home Demonstration Agent M. Katharine Jones.

Many vegetables, especially those that are deep green, offer a good measure of both vitamin A and vitamin C when first harvested. USDA research nutritionists report.

What happens between harvest and the time vegetables reach the family meal table decides how much vitamin C they still have to offer.

If they have wilted, it's a safe bet that not much of this fragile vitamin is left. Even if they are revived or "crisped" in ice water or in the refrigerator, their vitamin C is not restored.

LUNCHEON MEETING
The Women's Auxiliary of the Delaware Veterinary Medical Association will hold its annual spring luncheon meeting at the Columbus Inn, Wilmington, next Thursday at 12:30 p.m. A Chinese Auction will be held and members are asked to bring a dollar gift.

"Forgotten Man"
Of Freedom Cited
For Adaptabilities

Freedom's "forgotten man" is the ginkgo. Although highly variable in form this ancient species is virtually immune to insects and disease. It adapts well to city conditions too, yet the home owner and city planner who should consider the tree to be in many ways near to ideal generally ignore it.

M. W. Staples, field supervisor of the Davey Tree Expert Company, says the tree still is considered a mild curiosity by many although it was introduced in America in 1784. Part of the reason the ginkgo never became popular is undoubtedly due to the disagreeable odor of the fruits of the so-called female tree. The objection can be avoided by planting the non-fruiting male trees. The name ginkgo itself means silver fruit.

Certain selections of male trees not only have attractive branch structure but resist excessive heat, drought and soot fall and have the happy ability to grow under quite difficult urban conditions.

The ginkgo matures to a good size but height and shape can be controlled by regular pruning. This tree of Chinese origin is called a living fossil because records in rock prove its existence for millions of years. It has rigidly ramified branches and curiously shaped leaves and makes a distinctive backyard pet.

The glacier period probably caused its extinction in North America, Europe and Western Siberia but in milder climates of the Orient not reached by the glacier, it survived. The home owner with a fair-sized area for planting will find the ginkgo a landscaping asset that requires little care.

Installment Buyers Urged
To Check Credit Bargains

When you find it necessary to use credit, where is the best place to get it?

You have several choices and you should look around for the best deal, according to Miss M. Katharine Jones, home demonstration agent in New Castle County.

Although it is often easier to get credit directly from the retailer, it is often much more expensive. For example, a \$10 carrying charge on a \$60 purchase paid in 16 weeks, equals an interest rate of more than 100 per cent.

Mill Creek Hundred News

Sara Pennington Evans, Correspondent
Phone CE 9-7798

John C. Mitchell was honored last Wednesday evening at a dinner given by the social service committee of Hockessin Friends Meeting in celebration of his 90th birthday anniversary. A birthday member of the Society of Friends and a native Hockessin resident, he was born on the farm where he now resides, overlooking the Hockessin valley, and has been an outstanding dairy farmer interested in Holstein cattle.

There were 160 guests for the celebration held in the meeting house. A large birthday cake was presented to him, and Mrs. J. Warren Marshall took charge of the guest book.

Henry Tatnall read an original poem. Mrs. Gilmore of West Chester, a cousin, reminisced about the life of Mr. Mitchell, and T. Clarence Marshall related stories of his activities.

Mr. Mitchell played a trombone in the old Hockessin band. Despite his advanced age, he still drives his automobile and works around his farm.

Mr. Mitchell has one daughter, Mrs. Craig Bell of Wyncote, Pa., and four grandchildren, John, Barbara, Carol, and Harry Bell. His wife was the former Lillian Cloud of near Kennett Square, Pa.

The Hockessin branch of the Needlework Guild held its final sewing last Thursday at the home of Mrs. John C. Mitchell at Hockessin when a complete record was made of the garments finished in preparation for the fall in-gathering.

Miss Mary K. Mitchell has charge of the sewings and reports seven adults dresses, 20 girls' dresses, 11 skirts, eight blouses, 10 aprons, and two Gertrudes completed.

This branch was 50 years old in 1933.

Mrs. Joseph Mitchell, a past local president, and Delaware State chairman, attended the national sessions last week at York, Pa.

Much local interest is being shown in compiling the history of the little town of Hockessin. Mrs. Kenneth Swayne and Joseph Lake, Jr., have started this project. Tomorrow at 8 p.m. in the Hockessin Friends Meeting House, the results of their work will be heard, and again next Thursday at 8 p.m. at a public meeting in Hockessin School. Hockessin was once widely known for its kaolin clay which made fine dinnerware.

Lynn Ayres of Sharpless Road, has been chosen to be May Queen at the Yorklyn School on May 16. Charles Taylor of Yorklyn, has undergone surgery at the Delaware Hospital.

Episcopal Methodist Church
The MYAF meeting with Mr. and Mrs. Paul Nelson, elected officers for the coming conference year as follows: Daniel Harris, president; Norman Whitman, vice-president; Mrs. Norman Dempsey, secretary; Mrs. Melvin Dempsey, treasurer.

This week, the group met at the church and planted six evergreens on the north side of the church building.

Men and women of the congregation will meet Saturday at 10 a.m. to clean up, fix-up, and paint up the church buildings.

Next Sunday at 11 a.m. worship, the newly formed Cub Pack of eight boys will receive its charter. The Booster Circle will hold its annual banquet next Monday evening at the Glass Kitchen at Glasgow when the identity of secret pals will be disclosed.

The Methodist Men will hold a covered dish supper next Tuesday at 6:30 p.m. at the church social hall when their wives will be their guests. Officers will be elected. The Rev. Dr. Park Huntington of Wilmington, will be the guest speaker.

Mrs. James L. Derickson and Miss Mary Lou Derickson; Mrs. Frank G. Dennison and Mrs. Howard Dennison, were local guests at the surprise variety shower given for Miss Jean Keith of Newark by Mrs. Clayton Keith and Gail Patterson last Wednesday night at Mrs. Keith's home. The wedding of Miss Keith and James L. Derickson, Jr., will take place June 6.

Red Clay Creek Presbyterian Church
Barbara Gregg and Arthur Twitwell spoke last Sunday afternoon and evening at the stewardship conference of the New Castle Presbytery at Princess Anne, on the youth budget program.

James O. Corner of Westminster Church, and A. J. Wells of Church of the Covenant, met with the board of elders and deacons last Sunday to discuss the Wilmington Inner City Committee of Presbytery.

Ruth Circle held its May meeting last evening with Mrs. Stirling M. Brinkman.

Harmony Grange is planning a ham and chicken salad supper at the Grange Hall on Limestone Road on May 30, starting at 4:00 p.m. Mrs. George Parris will have charge.

Mr. and Mrs. Garton Taylor of Colonial Heights, Va., are receiving congratulations on the birth of a son on April 28. The baby has been named David Garton, their third child. They have a daughter and another son.

Mrs. Taylor is the eldest daughter of Mr. and Mrs. Marvin A. Shakespeare of Loveville Road. Weekend guests at the Shakespeare home were Mr. and Mrs. Charles E. Davis and son, Charles, of Laconia, N. H. Mrs. Davis is also a daughter of Mr. and Mrs. Shakespeare.

Miss Mary Welch of Reading, Pa., was the weekend guest of Mrs. L. H. Pennington and Mrs. Sara P. Evans at "The Mermaid."

Limestone Presbyterian Church
Circles of the Women's Association met last Wednesday and Thursday.

Circle One had Mrs. Paul McKee as hostess with Mrs. James Way co-hostess. Mrs. Gilbert Landes had the program with Mrs. Vernon Fish in charge of the study on "Ever Widening Circles."

Circle Two had Mrs. Richard Bertine of Delpark Manor as hostess assisted by Mrs. Luther Bicknell, Jr. Mrs. Ruth Thomas was program chairman and Mrs. George Messersmith had the study subject.

Circle Three was entertained by Mrs. James Murray with Mrs. David Turner, co-hostess. Mrs. William Hathaway led the program and Mrs. Murray conducted devotions and study.

The Three-in-One Homemaker's Club will meet next Thursday afternoon at the home of Mrs. Howard Bradley on Harmony Road when Mrs. Carl Nelson and Mrs. Floyd Jackson will present a program on "Good Grooming." There will be a flower exchange.

Wilmer Aist of Newark, was guest speaker at the April meeting of the White Oak 4-H Club last Thursday at the home of William and Sandra Naudain. He discussed soil conservation.

The club voted \$10 to the Camp Barnes Mess Hall Fund. Max Walton was named captain of the softball team. There were 16 members present.

The Tri-State Trail Riders Club held an outing last Sunday along Stony Batter Road on the Pennington property.

Thomas Watson of Yorklyn has resumed his duties at Armstrong Cork in Lancaster having been released from the Army Air Corps on April 15.

Suit For \$150,000 Filed After Fatal Wreck For Three

Death claims amounting to \$150,000 have been filed in Superior Court in connection with a truck-trailer collision last Sept. 25 near Glasgow which took the lives of three Kentucky men who were seeking jobs in this state.

Fatally injured in the accident were James A. Griffith, 32, his brother, Burbich Garland Griffith, 29, and Reuben Davis, all of Neon, in Letcher County, Ky.

The suit was filed in behalf of Ida B. Davis, widow of Reuben; Aubrey Griffith, widow of Burbich Griffith, and Robert Griffith as administrators of the estate of James A. Griffith.

The collision occurred at Route 40 and Sunset Lake Roads. A tractor-trailer owned by Brooks Transport and Storage Company and driven by Magellan T. Massie of Richmond, Va., going west on Route 40, struck the car, which was headed north toward Sunset Lake Road, it is claimed.

Something New Added For Troopers' Uniforms

"A name plate has been added to the uniform of the Maryland State Trooper," Col. Elmer F. Munshower, superintendent, has announced.

"Beginning May 1, State Troopers will wear a name plate over the right pocket of their uniforms. The identification bar is gold with black lettering bearing the name of the individual and conforms in appearance with other uniform accessories."

DELEGATE DON HARDY
Donald Hardy, asst. dean of students and foreign student advisor at the University of Delaware, is a delegate to the National Conference of Foreign Student Advisers in New York City, where he will take part in workshop discussions on international student exchange.

The three Kentuckians killed, police said at the time, arrived in Delaware the day before, looking for work at the Chrysler plant in Newark.

Delaware Reunion Scheduled May 16

Plans for spring reunion at the University of Delaware have been announced by Mr. and Mrs. Harry Loose, co-chairmen, with an all-day program scheduled for Saturday, May 16, beginning with meetings of five-year reunion classes at 11 a.m., and ending with the May Day dance at 9 p.m.

Alumni will meet for the first time in the new Student Center which opened last September, and the major event of the day will be the luncheon and general meeting in the Dover Room at noon.

Events scheduled for the day include the May Day Pageant on south campus; the Delaware-Bucknell baseball game on Frazer Field; a concert by the university band and choir; and a special carillon program by Henry Lee.

Results of the 1959 election of officers will be announced at the luncheon. Mrs. Mina Press Brown, Class of 1941, Wilmington, is unopposed as president. Roberta McCleary Ferron, 1950, Newark, opposes Betty Jo Banks Grier, 1949.

BOX SCORE ON BANDITS

Early in 1949, lawless elements in Philadelphia set up an ambitious program to hold up American Stores Co. and markets in Philadelphia. These public enemies, led by Patrolman George M. Mitchell, in one of the stores, James J. Harkins and Albert J. Wahl, store managers. To meet this lawlessness the American Stores Co. teamed with law-enforcement agencies for a counter offensive to determine whether a consolidation of effort between business and public authorities might not advance the cause of law-order so powerfully as to be quite without precedence in the domain of community security.

For 10 years the company has co-operated to the utmost with the Philadelphia Police Department, and the District Attorney's office. The results, as indicated by statistics, amply justify city-wide expansion of this form of coordinated effort for the common good.

The record from 1-13-49 to 2-2-59 shows: Total gun-holdups 94. Bandits sent to prison 78. Total case convictions 88. Cases still pending 0. Total minimum prison terms amounted to 361 years and 3 months. Total maximum terms amounted to 996 years and 11 months. Life sentences 6. Gangs liquidated 26. Acquittals 0. Death sentences 1. Murder trials pending—2 defendants.

Of the 94 holdups, 88 occurred during the first 69 months of the joint campaign. In the succeeding 51 months there

Legion Unit Offer Poppies Heroes' Honor

Legion Auxiliary, J. Allison O'Daniel Unit 10, to be worn as a personal tribute to America's war dead.

"Making the poppies has given employment to thousands of war veterans in hospitals and workrooms throughout the country," said Mrs. Conrad Lewis, the local unit's Poppy Day chairman.

"The little red flowers are made from crepe paper and wire in replica of the wild European poppy which grew in such profusion on the battlefield in France and Belgium, and between the crosses, row on row in the war cemeteries," Mrs. Lewis said.

Garden tools can be conveniently stored by sticking them in a box of sand mixed with a little crank case oil. Keeps them safe, clean and rust-free.

Aetna Fire Company Aides

Members of Newark Explorer Post 255, are photographed seated in the back of an Aetna Hose, Hook and Ladder Company fire truck in their recent canvass of the city for donations to Aetna's white elephant sale. Donations were auctioned at the Newark Shopping Center at noon last Saturday. Seated clockwise, from lower left, are: Richard Lyness, Bob Richards, Butch Lloyd, Ricky Barbarika, David Patterson, Jerry Hughes, Charles Schultheis, and Lule Richardson.

A Look At Newark High School

No. 2 in a Series

Prepared by Local School Administrators

Since the advent of Sputnik, debate has centered around the adequacy of secondary school curriculum to meet needs of youth and the nation in our quest of outer space.

A committee headed by Dr. John Conant, conducted a thorough study of this problem, and made the following recommendations which pertain to the senior high school science program:

1. All students should obtain some understanding of the nature of science and the scientific approach by a required course in physical science or biology. This course should be given in at least three sections which are grouped by ability.

2. To accommodate students interested in science, but who do not have required mathematical ability, two types of chemistry courses should be offered. For entry into one, at least a "C" in algebra and 10th grade mathematics should be required. The other course should be designed for pupils with less mathematical ability.

3. In addition to the physics course given in the 12th grade with mathematics as a prerequisite, another course in physics should be offered with some such designation as "practical physics."

Biology has been a required course for all 10th grade students at Newark for many years. This school term, the sections have been grouped by ability. As a result the overall level of instruction has been raised because each section receives instruction commensurate with the ability of the people in the group.

Classes meet five periods per week. An average of one period in 10 is devoted to student laboratory work. It is desirable that the course be extended to a greater number of periods per week to increase opportunities for laboratory experience. To implement such a local program additional funds would be needed to purchase equipment.

Two types of chemistry courses have been a part of the Newark

"Next World War" Evangelist's Topic At Revival Center

"The Next World War" will be the topic of the Rev. Walter Gravin at the Newark Revival Center this Saturday at 7:45 p.m., a prophetic message based on history and the Bible in the light of current world conditions.

The Rev. Gravin will relate experiences with the UN. This weekend will climax a three-week revival crusade, with Sunday night, the final service.

These meetings feature singing and instrumental music by Mr. Gravin, a gospel recording artist who has appeared on radio and TV throughout the nation.

The Rev. Arthur Hardt, pastor and founder of the Newark Revival Center, will conduct a Bible study next Wednesday night. All are invited.

Brandywine Rail Ramble Scheduled For May 16th

The Alice P. Smyth Center YWCA has completed reservations for a special coach on the Brandywine Rail Ramble for Saturday, May 16. Seventy-plus reservations have been sold out for more than a week, and persons still wishing reservations may call the Brandywine Valley Association, Delaware Trust Building.

The Newark YWCA is planning a trip to Longwood Gardens on May 12, and to Winterthur on May 19.

The last Tuesday trip of the series will be on May 26 to New Hope, Pa.

Close-Following Drivers Cited As Major Hazards

Drivers who don't leave enough room between cars are causing at least one-third of today's traffic accidents, says Clarence L. Davis, local representative of the Allstate Safety Crusade.

Occurring particularly on expressways and in congested traffic, rear end collisions and sideswipes are on the increase because drivers follow too closely, straddle lanes and make maneuvers without knowing where they are in relation to other traffic, he explains.

Gen. William Dick To Address Grads At Spring Reunion

Major General William W. Dick, Jr., director of special weapons, U.S. Army, will be the featured speaker at the annual spring reunion for University of Delaware alumni on May 16, at the luncheon meeting in the Student Center at noon.

A native of Montgomery, Ala., Gen. Dick graduated from the U.S. Military Academy in 1931. In 1942, he was named intelligence officer of the 25th Infantry Division Artillery in the Pacific theatre, and chief of staff for the 25th Infantry Division in combat in 1943.

In April 1950, he was named executive officer of the 25th Division Artillery in Japan, and the following July, accompanied that unit to Korea as its executive officer in combat until June, 1951 when he became commander.

He was transferred to Europe as commanding general of Seventh U. S. Army Artillery in 1954, and in the fall of 1955 was named chief of staff for the Seventh Army.

Then there was the prisoner whose lawyer got him a suspended sentence. They hanged him.

"I'VE OWNED AN EDSSEL 6 MONTHS

and I've never stopped for gas!"

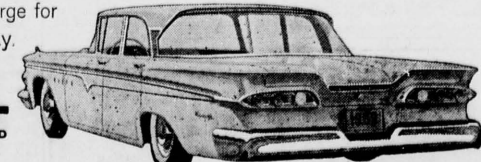

"I'm on the go in my Edsel all day long... to the station, to school, to the supermarket, to cub scouts—and oh, a million other places. And, really, I just never put gas in the tank!"

Of course she hasn't, but her husband has—from time to time. However, since they've owned their 1959 Edsel, gas stops are few and far between. You choose from four advanced engines, of which two V-8's and an economy 6 give superb performance on regular gas. And this big, luxury car is now priced down with many models of Plymouth, Chevrolet and Ford! And a bevy of high-priced extras the others charge for cost you nothing—with Edsel. See it today.

MISS JEAN KEITH HONORED AT SHOWER

Miss Jean Ann Keith of Newark whose marriage to Mr. James Derickson, Jr. of McCombs Church Road, will take place in June, was honored guest at a bridal shower given last Wednesday evening at the home of Mr. and Mrs. Clayton Keith with Miss Gail Patterson and Mrs. Keith as hostesses.

Out of town guests included Mrs. Alys Rae Ferguson, Parklyn Apartments; Mrs. Florence Conley, Aberdeen; Mrs. James Derickson, Sr.; and Miss Mary Lou Derickson, McCombs Church Road; Mrs. George Lynam, near Middletown; Mrs. George Patterson, Claymont; and Mrs. Dorothy Squibb, Stanton. Guests of Newark and vicinity were Mrs. George Neville, Mrs. Wesley Keith, Mrs. Amelia Wright, Mrs. Lillian Pyle, Mrs. Sara Stewart, Mrs. Mary Agnes Donaldson, Mrs. Frank Dennison and Mrs. Howard Dennison, Mr. James Derickson, Jr., and Mr. James Derickson, Sr., and Mr. Rodney Derickson of McCombs Church Road, Mr. George Neville, Mr. Wesley Keith, Mr. Clayton Keith, Mr. Samuel Stewart, and Mr. Bill Boyce also attended.

JEWISH COMMUNITY TO ELECT OFFICERS

Women's Branch of the Newark Jewish Community will hold its regular monthly meeting on Tuesday, May 12th at 8:30 p.m. at the Community building, 38 Carole Road, Chestnut Hill Estates at which time the new slate of officers will be presented and voted upon.

The program for the evening which will precede the business portion of the meeting will be presented by Miss Grace Sharp of the Diamond State Telephone Company. She will tell the fascinating story of quartz crystal and its influence on the history of the world. She will also explain the vital part which crystal plays in providing today's fast, accurate and dependable telephone service.

Mrs. Shirley Blumberg and Mrs. Sheila Miller will be the hostesses for the evening.

April Bride

Mrs. William Edward Dixon
The wedding of Miss Dolores Elizabeth Lloyd and Mr. William Edward Dixon took place on Saturday, April 19 in the Newark Methodist Church with Rev. Dr. John J. Bunting, Jr., performing the ceremony.

Mrs. Dixon is the daughter of Mr. and Mrs. George Elmer Lloyd of Newark and Mr. Dixon is the son of Mr. Sangston Dixon of Lakesville, Md.

Following a wedding trip to Florida the young couple will reside in Cambridge, Md.

ST. THOMAS WOMEN ELECT AT MAY MEETING
The Womens Auxiliary of the St. Thomas Episcopal Church are rounding out the years program by participating in a variety of events in May.

On Friday, May 2, the women attended the May Luncheon of the United Council of Church Women in Newark. Mrs. Ernest Coulter of St. Thomas Church was president of the United Council for Newark.

Sunday, May 4th, the United Thank Offering was presented at all services in the church. This is a semi annual presentation of offerings saved through the year by women of the Episcopal churches everywhere.

The final general meeting of the year for Episcopal Women of the St. Thomas Church will be held on Tuesday morning, May 12 in the Parish House. Communion services will begin at 10:30 a.m. followed by a business meeting with installation of new officers and luncheon. Members are to bring a sandwich, dessert and coffee will be provided.

Officers to be elected or the coming year will be: President, Mrs. E. Vernon Lewis; Secretary, Mrs. A. A. Robinson; and Treasurer, Mrs. Paul Hawthorne.

MCKENNAN DAR ELEVENTH ANNIV.
Installation of officers, appointment of new chairmen, and a covered dish luncheon highlighted the 11th anniversary meeting of the Capt. William McKennan Chapter, Daughters of the American Revolution last Saturday in Red Clay Creek Presbyterian Church on Mill Creek and McKennan's Church Roads.

Mrs. Sara P. Evans, retiring regent, installed the following new officers: Mrs. Paul W. Mitchell, regent; Mrs. T. William Elliott, vice regent; Mrs. K. B. Pierson, recording secretary; Mrs. George Houchin, corresponding secretary; Mrs. T. Clarence Marshall, treasurer; Mrs. Walter Holberton, registrar; Mrs. Walter McCue, chaplain; Mrs. Warner Naudain, historian; Mrs. Henry Wilson, librarian, who was unable to attend.

Chairmen who will serve for the next three years are: Mrs. Evans, American Indians; Mrs. Henry Garrett, Americanism and DAR manual; Mrs. Einar Stouland, Approved Schools; Mrs. Paul B. Leach, DAR, Mrs. Houchin, DAR Good Citizen and Honor Roll; Mrs. Leslie McCormick, genealogical records; Mrs. Elliott, program; Mrs. Evans, press; Mrs. James Marney, national defense and flag of the United States; Mrs. Beryl Williams, radio, TV, and motion pictures; Mrs. Louise H. Dempsey, membership; Mrs. Frank Olkowski, Junior American Citizens and junior membership; Mrs. Pierson, DAR magazine and magazine advertising; Mrs. Naudain, transportation; Mrs. Marshall, Delaware Room; Mrs. Donald Woodward, student loan and scholarship; Mrs. Marshall, Mrs. Marney, Mrs. Franklin Jarmon, Mrs. Paul Hitchens, Ways and Means.

The chapter will place American flags on the grave of the ten Revolutionary soldiers buried in Red Clay cemetery and for the two soldiers buried at Hockessin Friends Burying ground.

A letter of congratulations was voted sent Mrs. Erwin Seimes, retiring state regent who has been elected recording secretary general of the national society.

Mrs. Herman McVaugh and Mrs. Henry McVaugh presented the chapter with the birthday cake and ice cream for the luncheon.

A report of the recent sessions of national congress was given by Mrs. Evans who represented the chapter. The different types of American music as cowboy songs, folk songs, Negro spirituals, southern melodies

Boggs Honors Clubwomen In State Proclamation

In proclaiming the period May 17-23 as "Delaware Federation Week," Governor J. Caleb Boggs this week urged Delawareans to join in "saluting the dedicated ladies who comprise our women's clubs and in giving proper recognition to their many worthy accomplishments."

In his proclamation, the chief executive called attention to the fact that "for 61 years the Delaware State Federation of Women's Clubs has had as its purpose the improvement of the educational, industrial, philanthropic, literary, artistic and cultural development of its citizenry."

This year's observance of Delaware Federation Week coincides with the annual convention of the Delaware State Federation of Women's Clubs scheduled for Seaford, May 20-21.

Goodwill Plan Outlined By Rotary Club Speaker

Goodwill Industries is based on the "preposterous" proposition of applying labor that nobody will hire to materials that nobody wants and selling the product in a market that nobody believes exists, the Newark Rotary Club was told Monday night.

Douglas S. Wallace, Goodwill operations director here said the enterprise operates exactly like any other business except that its motive is to serve people rather than to make a profit.

Christian Science Services Sunday School—Nursery In Newark, Sundays, 11 A.M. NEW CENTURY CLUB 141 E. Delaware Ave. ALL ARE WELCOME

Mrs. E. Bob Hoffman Succeeds Miller As Coach For NHS Blue Hen Conference Champions

Line coach for the Blue Hen Conference football champions of Newark High School, Bob Hoffman has been named head coach for the Yellowjackets. Hoffman, who has been coaching the Newark line for the past two seasons, succeeds Little All American Don Miller, who will move into the college coaching ranks next fall as a line mentor at Amherst.

Hoffman played a large part in helping Miller fashion outstanding teams. The Yellowjackets lost only one game in 1957 and went unbeaten last year in winning the first Blue Hen Conference championship.

"I'm real happy about being selected," Hoffman said. "I'm very pleased with the confidence they've placed in me, and you can be sure I'll be trying hard to do the job."

The new coach said his biggest problems in his first season will be to develop a quarterback and build a line. Luke Lackman, 1938 quarterback, and such stellar linemen as All-Staters Walt Mackey and Wayne Crissman will graduate next month.

Hoffman, 29, comes from the same town as Miller, Prospect Park, Pa. They were not high school teammates, however, as Hoffman was a senior when Miller was a freshman.

Hoffman has played a lot of football, all at center.

He starred with Prospect Park High for four years, and was co-captain of the team in his senior year.

Delaware To Play At Army, Rutgers In Weekend Tests

Coach Tubby Raymond's Nine Makes Triple Play In Beating F&M By 12-5

Back on the victory trail after beating Franklin and Marshall College last Monday at Lancaster, Pa., 12-5, Delaware's baseball team is preparing for a big weekend away from home.

The Hens travel to West Point tomorrow to meet the Army. On Saturday they stop off at New Brunswick, N. J., for a bout with Rutgers.

Next home game is Monday, against Drexel.

Delaware pounded out 13 hits in overpowered F&M and came up with one of the Middle Atlantic Conference season's fielding gems—a triple play.

The triple killing came in the second inning with the score tied at 2-2 as the Diplomats were staging a rally against starter Vern Welch.

With two runs in and none out, Welch walked the bases full.

Dick Broadbent came on in relief and the first batter hit a ground ball to Second Baseman Jack Turner, who threw to Shortstop Karl Frantz covering second for one out.

Frantz relayed to First Baseman Dick Duerr to get the hitter.

While this was going on, the runner from third scored, but the runner who had been on second tried to make home and was tagged out in a run-down by Catcher Pape Lukk.

Delaware came out of the inning training, 3-2, but Broadbent spaced six hits and two runs thereafter, while the Hens rallied for three runs in the sixth and four in the eighth.

Sonny Rehm powered the Hens with a triple, double and single and knocked in five runs. The victory gave Delaware a 5-3 conference record and an 8-5 mark overall.

HOME OFFICE • COLUMBUS, OHIO

Bob played one year at Pennsylvania Military College Prep, four at Gettysburg College and one with Marcus Hook, Pa., in a semi-pro league.

While at Gettysburg, he played in his junior year on the most successful football team in the Blue Hen's history. This was in 1954, when Gettysburg lost their opener to Delaware and then went on to win their next eight games.

At Gettysburg, he came under the tutelage of Johnny Yoviesin, who since has switched to Harvard. However, Hoffman said he'll continue to operate with the Delaware wing-T with which Miller had so much success.

After graduating from Gettysburg, Hoffman was a junior auditor with Sun Oil Company in Marcus Hook and later took a position with Crown Cork and Seal in Philadelphia.

He joined the Newark High faculty in September, 1957, his first teaching job.

Stellar Cella

Carmen Cella

Former star end at Delaware, Carmen Cella, has been appointed head football coach of Caesar Rodney High School.

Cella, 24, succeeds Dick Smith, who resigned to accept a coaching position at Conrad.

Cella, who graduated from Delaware in 1957, was an outstanding athlete for Ridley Township, Pa., High before carrying on his career at Delaware.

He played for the Nelson-coached Blue Hens in the 1954, '55 and '56 seasons and was regarded as one of the best ends during Nelson's regime.

Cella also was a stellar outfielder for the Blue Hen baseball team in his junior and senior years.

Cella has aided Delaware Freshman Football Coach Scotty Duncan the past two seasons.

An all around athlete, Stellar Cella played with Maida Pharmacy, the top independent basketball team in the state last season.

Twice an all-Delaware County, Pa., scholastic footballer, Cella earned a letter in his first season at Delaware. In 1954, he caught five passes for 90 yards and one touchdown. He snared 5 of 11 passes thrown his way for 61 yards in '55 and caught 15 for 237 yards and three TDs in his final season.

Cella received the Wilmington Touchdown Club Trophy as Delaware's outstanding senior gridder of 1956.

Bauer Defeats Skripps In Classes Of Eight

Dick Bauer defeated Tom Skripps, 3 and 2, last weekend in the Classes of Eight Tournament at the Newark Country Club, and Newark lost to Springhaven, 22-6, in a Suburban League match.

Newark Club Champion Sank Richards stopped Springhaven's Jack Matthews, 6 and 5.

CHIPS OFF THE BLOCK

Five winners of the Preakness Stakes have sons nominated to the \$150,000 race on May 16. They are War Admiral (Warspite), Count Fleet (Count Mighty and Monte Cristo), Polynesian (Bernbecula and Six Shooter), Hill Prince (Dr. John Peters, Prince Murk and Red Douglas), and Native Dancer (Gone Native and Audiance).

Jack Clymer Hits Home Run, Pitches Two Jayvee Wins

Pearlie Hubbard Loses 1-Hitter, Collects All 2 Hits For Ewell Nine

Pitcher Jack Clymer hit a home run in the second inning, and his teammates scored eight runs in the fourth, featuring triples by Catcher Starkey and Shortstop Woodworth, as Coach Grant Ewell's Yellowjacket Jayvees defeated Kennett Square yesterday, away, by 9-3.

Clymer and Left Fielder Subach led the Jayvee hit parade with two-for-three performances as Coach Ewell used his entire squad in the line-up.

Last Friday at Colwyck, the Junior Jackets lost a 1-0 thriller to DeLaWare High, as Newark Pitcher Pearl Hubbard threw a one-hitter at the opposition, striking out 11 batters and collecting the only two hits for Grant Ewell's losers.

DeLaWare's Maxwell gave up but one more hit—and struck out 14 Newark lumberjacks.

Last Thursday, after being rained out of the game scheduled the day before, Ewell's junior varsity pounded out a 7-6 win over the visiting Mt. Pleasant Jayvees.

Clymer struck out nine in pitching the Newark junior varsity to victory. Paul Sterrett and Bill Mowll hit triples for Newark.

With a 3-1 record for the season, Coach Grant Ewell's Junior Yellowjackets meet the Gov. Bacon squad next Wednesday in a Newark home stand.

Yellowjackets Win Dynah Track Meet, Lose To Redskins

Ed Springer, Gene Waller Star For Newark In Pair Of Track And Field Meets

Coach Ray Ciesinski's Yellowjacket track and field varsity lost a 77-40 meet with Conrad High School yesterday afternoon, as Newark's Ed Springer and Gene Waller scored firsts in the 120-yd. high hurdles and the broad jump.

Newark won seconds with Moroz in the 220-yd. dash; Springer in the 180-yd. low hurdles; Bill Brown, shot put, and Harrington, Johnson, and Springer in the pole vault, broad jump and high jump events.

Scoring thirds for the Yellowjackets were Waller in the 100 and

220; Hayman in the 440; Matwey and Taylor in the 880; Harmer in the mile; Kidwell in the pole vault and high jump; Crissman, discus, and Moroz, broad jump.

Despite eight first places in the 13-event meet at P. S. du Pont last week, the Dynah trackmen were unable to ward off Newark's close-up finishes and absorbed a third straight defeat in Blue Hen Conference competition. The score was 69½ to 49½.

Ed Springer led Newark to its second win in three outings by taking the 120 and 180 hurdles and sharing in an all-Yellowjacket sweep of the high jump with Kidwell and Studier.

Newark won seconds with Moroz in the 220-yd. dash; Springer in the 180-yd. low hurdles; Bill Brown, shot put, and Harrington, Johnson, and Springer in the pole vault, broad jump and high jump events.

Scoring thirds for the Yellowjackets were Waller in the 100 and

Newark Nine Ties For First Place In Blue Hen Race

Carl Rice Hurls 2-Hitter, Pounds Triple As Jackets Defeat P. S. duPont, 7-2

Sharing a four-way tie for first place in the Blue Hen Conference, Coach Joe Talarowski's Newark Yellowjackets with a 4-2 record, meet last place William Penn's Colonials, away, Friday after stopping P. S. duPont on Tuesday by 7-2, away, as Carl Rice hurled a two-hitter and pounded out a triple in a three-run seventh inning for some real insurance.

David Stimmel at short for the Yellowjackets, led the Newark hitters with a pair of safeties in four times at the plate, while Saunders, Wells, Adams, Carney, Jezyk, and Peel also hit for Talarowski's timbermen.

Newark overcame a 2-0 Dynah lead with four runs in the top of the fourth and won going away behind Rice's pitching.

Last week, Newark walloped Mt. Pleasant in a home stand, 14-3, behind the five-hit pitching of Ace Jaquette.

Marshall Saunders clouted a two-run homer for the Yellowjackets who jumped into a two-run, second inning lead, and were never headed.

Talarowski used a total of 18 men, with Rice and Stimmel leading the Newark hitters with a pair of safeties apiece.

Virginia Mahanna Wins Ladies Day Blind Bogey

Virginia Mahanna won the 18-hole blind bogey tournament last Tuesday with a 75 in the Newark Country Club Ladies Day event.

Dorothy Steigler won the nine-hole tourney with a score of 40.

Women golfers at the Newark Country Club will begin qualifying rounds for the Newark Post Tournament next Tuesday.

Over that latter stretch, DeGroat had undefeated, untied teams in 1956 and '57 and a 20-game winning streak was halted in the second

Newark Area Resident Named Blue Gator For All-Star High School Football Game

Bob DeGroat, who lives in Gold territory near Newark, and whose Tower Hill School team have lost only five games in the last six seasons, today was appointed head coach of the Blues for the fourth annual Delaware All-Star High School Football Game.

The clash with the Golds, for the benefit of the Delaware Foundation for Retarded Children, is scheduled for Saturday afternoon, Aug. 22, at Delaware Stadium at Newark.

Last August, DeGroat was an assistant coach with the Blues as they won the game for the third consecutive year. As head coach, he will be attempting to follow the success of Billy Cole of William Penn; Dim Montero of Salesianum, and Earl Smith of Wilmington High.

DeGroat's talent will come from June graduates from schools north of the personnel boundary line, which is the southern limits of the City of Wilmington, west on Lancaster Pike to the Pennsylvania border.

Schools south of that line will make up the Golds, whose head coach will be Frank Ciolek of Rehoboth Beach.

The new Blues' coach is a native of Nyack, N. Y., who won baseball, ice hockey, and soccer letters at Classical High School in Springfield, Mass. He went on to Springfield College, where he played football and baseball, and graduated in 1943.

After Air Force Service in World War II, he began his coaching career in 1946 at Tower Hill as successor to Dutch King.

Although he experienced a lean start with green material, DeGroat has gone on to make Tower Hill a football titan among independent schools. His 12-season record shows 55 victories, 28 defeats and three ties, and in the last six years the Hillers have fashioned the phenomenal record of 41 wins and only five losses.

Over that latter stretch, DeGroat had undefeated, untied teams in 1956 and '57 and a 20-game winning streak was halted in the second

start of last season by the Prep.

DeGroat's Tower Hill players have one streak alive. They have scored in 36 consecutive games.

Babe Ruth Leads Rookies Report For Team Roster

New, 13-year-old players for the Newark Babe Ruth team were announced yesterday.

Fell, with Eugene Garmon, Priestley, Earl Mikolich, and the Optimist team, and Chase, Bill Cahill, Max John Collins, and Charles for the VFW nine.

Continental squad members include Tom Palmer, Nick Jr., Joe Szwedzkyk, Fred Vay, and John Quinlan, while Baylis, Pete Heuberg, Eckenback, John Egnor, and Harrington will play for the Delaware.

Selected for the Continental squad are Charles White, Coldiron, Al Stoddard, and Tom Davies, while Lumber will have Bob Stamatoff, Melvin Ludwig, Strathorn, and Robert Crary, Richard Taylor, Wright, Mike Kubicek, and Pandl will play for the Delaware.

In the 14-year-old players, Richard Stevenson, Bob Huff, Southard Jones, and Koria, Optimists, and Moore, Jr., Richard Foster, Word, Vets Club.

Fathers of Babe Ruth players are urged to attend next meeting at the Amnigton Home on Monday at

New Insecticide Offers Washability With Wool

A new insecticide for washable woollens—EQ-53—can be "washed" into your woollens, county home demonstration agent Katharine Jones reports.

This product enables the housewife to moth-proof her washable woollens by merely immersing them in water containing EQ-53. The wool picks up the DDT and it remains in the cloth after drying, Miss Jones says.

Clothes moths and carpet beetles will not bother treated clothing for more than a year. Washing and dry-cleaning removes the insecticide, however.

NOTICE OF REDUCTION OF CAPITAL

LOUGHBOROUGH DEVELOPMENT CORPORATION

LOUGHBOROUGH DEVELOPMENT CORPORATION, a Delaware corporation, pursuant to the provisions of Section 244 of the General Corporation Law of the State of Delaware, has reduced its capital to the extent of Fifty-One Thousand Eight Hundred Thirty-Two Dollars and Fifty Cents (\$51,832.50) by reducing the par value of Three Thousand Four Hundred Fifty-Five and One-Half (3,455½) shares of preferred stock issued and outstanding, from Thirty Dollars (\$30.00) to Fifteen Dollars (\$15.00) each.

April 23, 30; May 7

Delaware Food Market Report

By Anne Holberton
U. of D. Agricultural Extension Service

Chickens and eggs continue the thriftiest "meat" buys. Both products are extremely low in price and are expected to remain this way during most of May since supplies are so plentiful.

There's a slight lull in the rising prices of meat, in fact, prices dropped a penny or so on many cuts this weekend. Special sales however, remain the best opportunity to buy meat at more reasonable prices.

This weekend look for reduced prices on broiler-fryers, ham, fresh pork shoulders, pork rib roasts, bacon, sausage, rib roasts of beef and some steaks. Veal roasts have dropped a bit in price and may be featured at some stores.

New white-skinned potatoes are beginning to come in from Florida at about eight cents a pound, supplanting the Red Bliss potato. Old white potatoes remain steady in price, averaging five cents a pound. Celery remains an excellent buy—quality is high and prices low.

Other vegetable prices have changed little from those of last

week, however, look for specials this weekend on asparagus, green onions, radishes, lettuce and fresh green peas.

Grapefruit continues the best buy at the fruit counter. These grapefruit are unusually sweet and delicious. The size is a bit smaller but quality is excellent for the most part.

Soon citrus fruits will be out-of-season so be sure to use it often while it's still plentiful. Oranges and lemons remain in fairly good supply and prices are relatively low.

Are you getting in a rut as far as meal planning goes? Why not try some new recipes for the plentiful foods. For an appetizing combination, try tiny, whole new potatoes with canned blue lake green beans. Top each serving with a spoonful of dairy sour cream and hot crisp crumbled bacon. Or toss green beans with julienne carrots in melted butter lightly flavored with fresh or dried dill.

Seafood salads offer a good way to get more fish into your diet. Try a crab meat salad bowl with plenty of crisp vegetables and a flavorful dressing lifted out of the usual with tarragon vinegar and the new instant minced garlic—a boon for busy cooks.

Increase In Corn Planting Forecast For State In '59

Delaware farmers intend to plant 165,000 acres of corn this year—23 per cent more than last year, according to the Delaware office of Agricultural Stabilization and Conservation.

The intended 162,000 acres of soybeans is down three per cent from the record set last year. These two crops now account for about three-fourths of the total acreage of field crops in Delaware.

For other crops, farmers will have 23,000 acres of wheat—2,000 acres less than a year earlier; oats, 8,000 acres—down 1,000 acres; barley, 20,000 acres—unchanged from 1958; hay, 50,000 acres—down 3,000 acres.

February intentions for early summer potatoes indicated 9,500 acres for 1959—1,500 acres less than the 1958 crop.

On the national level, 1959 crop plantings may be the smallest in records dating back to 1917, except for the low levels of 1957 and 1958.

That is the picture as shown in the U. S. Department of Agriculture's annual report of farmers' spring planting intentions, according to the ASC announcement.

Spiritual Thought For The Week

By Lowell Saunders,
Moody Bible Institute, Chicago

Young Daniel Webster had opportunity to become clerk of a New Hampshire court. The job was attractive because of salary and fees. He decided to accept the position and live in comfort.

But a lawyer friend warned, "If you take that job you will stand still. Your mission is to make opinions for other men to record, not be a clerk who records the opinions of others!"

Webster reconsidered, refused the clerk's position, and opened an office for \$15 a year. For many months he could not pay his rent. But in time he became one of America's most famous lawyers and orators.

Each new morning challenges us with similar decisions. How much more alluring to walk the pleasant paths to nowhere than to climb the hill of success. What a temptation to follow the crowd rather than strike out on one's own.

So it is in spiritual matters.

Engineers, Scientists Sought In Civil Service

Engineers, Electronic Scientists, Metallurgists, and Physicists are needed at Redstone Arsenal, Ala., the United States Civil Service Commission has announced.

Salaries for engineers range from \$4,490 to \$12,770 a year, and for the scientist positions, from \$4,490 to \$11,595.

Full information regarding these positions may be obtained from W. W. Singles at the Newark Center Annex Post Office.

STATE POPULATION

Delaware is approaching the 470,000 mark in population, the State Development Department reports, and the "First State" could reach this mark by July 1, reflecting an anticipated gain of 16,000 since July 1, 1956.

"If absence really made the heart grow fonder, a lot of people would miss church more than any place in the world."

Veterans' Corner

Provided by The
Veterans' Administration
Information Service

Questions and Answers

Q—I am a Korea veteran, with a disability I believe is traceable to my war service. Is there a deadline for making application to the VA for disability compensation?

A—There is no deadline. You may apply at any time. However, if you apply within one year from your discharge, payments may be back-dated to your first day as a civilian.

Q—I think a lot of veterans aren't clear in their minds about the terms disability "compensation" and disability "pension," as used by the VA. Would you explain?

A—Compensation is a payment made to a veteran whose disability is connected to his military service. Pension is paid to a veteran for a disability not connected with his war service, provided he meets income requirements.

Q—My permanent GI insurance policy has lapsed because I allowed the grace period to go by without paying. What must I do to reinstate my policy?

A—GI permanent plan insurance may be reinstated at any time by payment of all back premiums, plus interest. You must also meet VA's health requirements.

Q—My father took sick more than a year ago and I left school where I was studying under the GI Bill. To take a job. I understand now that I can continue my schooling. What do I have to do?

A—Get an application from your nearest VA office. Fill it out completely and return it. If you are eligible, VA will send you a certification authorizing you to return to school.

LICENSE APPLICATION

I, Paul J. Fix, intend to file an application with the Delaware Alcoholic Beverage Control Commission for a license to sell alcoholic beverages in a retail liquor store not for consumption on the premises where so sold, said premises being located at the Corner Church Road, White Clay Creek Hundred, New Castle County, Delaware.

LETTERS TESTAMENTARY

Estate of John H. Dennison Deceased. Notice is hereby given that Letters of Administration upon the Estate of John H. Dennison late of Mill Creek Hundred, deceased, were duly granted unto John Mitchell Dennison and Elizabeth Dennison Dudgekewitz on the Fourteenth day of April A. D. 1959 and all persons indebted to the said deceased are requested to make payments to the Administrators without delay, and all persons having demands against the deceased are required to exhibit the same duly proved to the said Administrators on or before the Fourteenth day of January A. D. 1960 or abide by the law in this behalf.

Address James Rankin Davis, Attorney-at-Law, Bank of Delaware Bldg., Wilmington, Del.

John Mitchell Dennison and Elizabeth Dennison Dudgekewitz Administrators

Bank Of Delaware Offers Novel Consumer Service

The Bank of Delaware has announced a new type of consumer banking to be offered the public as of May 1, 1959.

The new service, to be known as Bank of Delaware check-credit account, establishes a personal "line of credit" for the individual customer and, once established, permits revolving loans.

The line of credit, beginning at \$400, is limited only by the customer's ability to make monthly payments, on a 24-month basis, on the amount of credit used.

Massachusetts and Rhode Island are the only U. S. states that have been completely mapped.

Fisher Advises Pruning To Improve Fruit Crop

Fruit trees usually set many more fruits than will mature satisfactorily, according to Dr. Vernon Fisher, horticulturist at the University of Delaware. In order to get peaches of the best color and size, you should thin the early varieties right away, he said.

The thinning should be done in early May while fruits are just forming. The earlier this is done the better it will be for the tree and the remaining fruits.

Thinning should be done by hand pulling the small fruits from the shoots so that those remaining are about six to eight inches apart. This

may mean taking off as much as 75 per cent of the fruit.

Engineers, Scientists Sought In Civil Service

Engineers, Electronic Scientists, Metallurgists, and Physicists are needed at Redstone Arsenal, Ala., the United States Civil Service Commission has announced.

Salaries for engineers range from \$4,490 to \$12,770 a year, and for the scientist positions, from \$4,490 to \$11,595.

Full information regarding these positions may be obtained from W. W. Singles at the Newark Center Annex Post Office.

STATE POPULATION

Delaware is approaching the 470,000 mark in population, the State Development Department reports, and the "First State" could reach this mark by July 1, reflecting an anticipated gain of 16,000 since July 1, 1956.

"If absence really made the heart grow fonder, a lot of people would miss church more than any place in the world."

Press Picks Top Juvenile Stars

Winners of the seventh annual Mars Gold Star Award... poll to select the best boy and the best girl performer 15 years of age and under in the entertainment field for 1958 are Jerry Mathers and Patty McCormack. Balloting was conducted among 2,000 members of the press. Ten-year-old Jerry topped a field of 28 boys for his role in ABC-TV's "Leave It to Beaver" series, while 13-year-old Patty won over 16 other girl nominees for her Universal-International motion picture "Kathy O" and two CBS-TV appearances. Art Linkletter presented them with their awards on his "House Party" CBS-TV and radio show from Hollywood.

New Century Club Plans Fun Frolic For Season Finale

Reception To Honor New
Members Planned Monday
At Local Women's Club

The final meeting of the season
for the Newark New Century Club
next Monday at 1:30 p.m. will fea-
ture the annual Fun Frolic and re-
ception for new members, with
Mrs. A. A. Corey, chairman, assist-
ed by Mrs. Jay Robinson, Mrs. Wal-
ter B. Moore, Mrs. Harry Deppert
and Mrs. Richard Cooch.

Mrs. F. W. Johns, Jr., president,
will conduct the business meeting;
Mrs. Raymond W. Heim will lead
a memorial service for deceased
members of the club—Mrs. William
G. Batt, Mrs. W. P. Colburn, and
Mrs. E. B. Crooks; and the club
collect will be led by Mrs. Edward
Ginther.

Delegates to the state convention
in Seaford on May 20-21 will be
Mrs. Richard Jay, Mrs. Charles Van
Wert, Mrs. Richard Otley and Mrs.
C. M. Linden. Alternates are Mrs.
F. A. Wheelless, Mrs. Walter Moore,
Mrs. James Hastings and Mrs. Rus-
sel Hardy.

Hostesses of the day will be Mrs.
Taggart Evans, Mrs. Charles
Christie, Mrs. Harold Dexter, Sr.,
and Mrs. James Hastings, assisted
by Mrs. William Swan, Mrs. John
Ingold, Mrs. Franklin Deck, Mrs.
Alan Gowans, Mrs. Ethel Terrill,
Mrs. E. L. Symington, and Mrs.
Paul Hawthorne.

Mrs. Hugh Gallagher, Mrs. Ot-
ley, Mrs. Philip Hayward and Mrs.
J. Fenton Daugherty will preside at
tea.

The women's joint legislative
committee of Mrs. George Tual,
Edna Campbell, Mrs. Charles Runk
and Mrs. James McNeal has com-
pleted a series of six meetings in
Dover, representing the Newark
club in consideration of bills per-
taining to education, health and
public welfare, and government ad-
ministration.

The Art Corner will display party
hats and masks made by art classes
at Newark High School.

Self-government is, indeed, the
noblest rule on earth; the object
of a loftier ambition than the pos-
session of crowns or scepters.

Colonial New Castle To Offer Tourists Return To Past With Program On May 16

Old New Castle, whose carefully
preserved colonial charm is a phen-
omenon of the modern age, once
again is set for her annual historic
tour on Saturday, May 16, when 26
homes, buildings and landmarks
will be on view.

Immanuel Episcopal Church-on-
the-Green, the sponsor, beneficiary
and focal point of the entire cele-
bration, was built in 1703 on the
site where William Penn first land-
ed in America in 1682. It was here
also that the historic ceremony took
place in which Penn received token
of ownership of land within a ra-
dius of 12 miles of New Castle, con-
veyed to him by the then Duke of
York.

In the peaceful quiet of Imman-
uel's churchyard are the graves of
many illustrious Delawareans,
among them early and prominent
residents of New Castle—once the
colonial capital and later the state
capital of what is now Delaware.

The Old Dutch House, a quaint
little dwelling built in the late
17th Century, is a favorite with
New Castle Day visitors. Now a
museum, it is furnished in the man-
ner of its original Dutch settler
occupants who are portrayed in

costume on "A Day in Old New
Castle" by a group of present-day
citizens.

Colonial New Castle was a social
as well as political center of its
time and two famous Delaware
weddings were attended there by
George Washington and the Marquis
de Lafayette. One was the marriage
of Ann Van Dyke, daughter of Gov-
ernor Nicholas Van Dyke, to Ken-
sey Johns, Sr., performed in what
is now the Amstel House museum.
Washington was among the invited
guests.

The residence of Dr. and Mrs.
Harry A. Carl, Third and Delaware
Streets, was the scene of another
Van Dyke wedding in 1824 when
Dorcas Van Dyke became the bride
of Charles I. duPont. It was here
that Lafayette was a guest.

Two rare relics of New Castle's
former commercial activity still
remain for present generations to
muse over. One is Packet Alley, a
link between the packet boats and
stagecoach for travelers going north
and south.

Belonging to a later era but
unique in character is the original
ticket office of the old New Castle
& Frenchtown Railroad, one of the
first in the country. The ticket of-
fice, built in 1832, is believed to be
the oldest of its kind in existence
in the U.S. Some of the original
sleepers can be seen on the section
of track adjacent to the building.

Perhaps the most fabulous of the
private homes open to New Castle
Day patrons is the Read House, the
present residence of Mrs. Philip
D. Laird, which is considered a
perfect example of Colonial archi-
tecture.

Among the many other popular
stopping places in the tour are Old
Presbyterian church, built in 1707
and the cradle of Presbyterianism in

Delaware; New Castle Academy;
the Arsenal, built by the U. S. Gov-
ernment in 1808 because of the
threat of war with England.
Visiting hours at public places
will be from 10 a.m. and in private
homes from 11 a.m. to 5 p.m.
Mrs. William Bridgewater is gen-
eral chairman of the 1959 observ-
ance of "A Day in Old New Castle"

which was inaugurated in 1924 and
has been held annually since except
for a lapse during World War II.
Tickets may be obtained at booths
conveniently located in the town.

Sputniks, Space To Feature Ball For Drama Group

Annual Beaux Arts Ball Planned May 16 At NCC With Outer Space Theme

The annual Beaux Arts Ball of the University Drama Group will be held at the Newark Country Club on Saturday, May 16, President Betty Kase has announced, with "Space" the theme of this year's event.

The Interplanetary Beaux Arts Ball will feature decorations and costumes with some relationship to satellites, orbits, gravity, planets, count-downs, Sputniks, spiral nebulae—in fact that whole new frontier of the universe.

The grand march from which the judges will select many costume awards, will start at 9:30 p.m. Music will be provided by the Paul Whiteman, Jr., Orchestra, and late supper will be served.

The general design for out-of-this-world decorations has been prepared by L. Parker Thomas, assisted by Carrie Thomas, Bonnie Tetrault, Joe Leahy, Joe McVey, Jackie Squier, Peg Miller, John and Sal Stephenson, and Al and Jackie Root.

Prue Leahy is in charge of table decorations, assisted by Muffin Schneider, Eleanor Calder is chairman for refreshments.

Business manager is Donald Dutton, with Dorothy Dutton coordinator of reservations.

Doug McMinn will be master of ceremonies; Virginia Mahanna is chairman for prizes; and Jack Ernest heads the judging committee.

Betty Dearing, general chairman, urges all members to make reservations not later than Monday, May 11, through Gail Rubin or Polly Hardy.

Aetna's White Elephant Auction

Funds for the Aetna Hose, Hook and Ladder Company of Newark were obtained last Saturday when a white elephant sale was held at the Newark Shopping Center for the local fire company's benefit. Ben Scott, president of Scott's Appliances, auctions articles while Dick Evans, (right), Gallagher, Evans and Company, hands the "white elephants" to him. The articles were collected by Explorer Post 255 of Newark.

Annual May Fair Planned Saturday By Brookside PTA

Crowning Of King, Queen To Feature Annual Event Conducted At Brookside

Mrs. Albertus Waters, chairman of the 1959 Brookside PTA May Fair, has announced that the annual May Pole dance and crowning of the May King and Queen will take place Saturday at 9:15 a.m. on the lawn of the Brookside elementary school, under the direction of Mrs. Ruth Sutcliffe.

Pupils of the fourth, fifth and sixth grades have chosen the following court to escort the royal pair to the throne:

Christine Creighton, Karla Gubine, Linda Harper, Ruth McKunkin, Brenda Walls, Barbara Wilson, Kerry Bittenbender, Frank Highley, Irving Hopkins, Philip Hufman, Allan Mullin and Bruce Turner.

The identity of the king and queen will be announced the morning of the fair, following their election.

Track events, to be directed by Melvin Masonheimer and Robert Miller, will begin at 10:30 a.m.

Mrs. Charles Rotenberry and Mrs. Robert Maxwell are co-chairmen of the bake sale; Mrs. John Atkinson and Mrs. Edwin Cromwell head the white elephant sale; and Mrs. Henri Dorsman will operate the variety shop, to open at 10 a.m. Refreshments will be for sale in the cafeteria under the supervision of Mrs. George Moroz and Mrs. Norman Kugel.

Color sound films will be shown in three rooms, divided according to age levels beginning at 11:30 a.m. A nominal charge will be made.

Arrangements are being made by Charles Zencey and Andrew Pocayko to have pony rides available in the afternoon.

Others assisting in the fund-raising event include Mrs. Alex Graham, chairman of homeroom mothers, securing baked goods, white elephant articles, and many volunteers to man the stands; George Creighton, in charge of finances; and Mrs. Donald Crossan, publicity.

Roy Pleasanton Elected National Commissioner

Elder Roy Pleasanton, Cooch's Bridge Road, Newark, has been elected a commissioner to the general assembly of the United Presbyterian Church, USA, which will meet in Indianapolis, May 2 to 27.

The general assembly is the supreme governing body for the 3,102,572-member church. Last May, the Presbyterian Church in the USA and the United Presbyterian Church of North America, merged to form the United Presbyterian Church in the USA. Since then, the merger has been followed through on the local level, and there will be reports on how well it is proceeding.

200,000th Phone

(Continued from Page 1)

Wilmington in 1879 and the system began to spread in the following year when the first line was extended outside the city to the Garrett Snuff Factory at Yorklyn.

In those early days, each community operated its own telephone company and there was no system of intercommunication. The telephone companies did not operate beyond the limits of the community in which the central office was situated.

Harry A. Richardson, of the Richardson and Robbins Company, holder of an interest in the Dover Telephone Company, undertook to unite the small community services into a single company. He organized the Diamond State Telephone Company in March, 1897, and established a complete telephone system which connected key points throughout the Delaware-Maryland-Virginia Peninsula south of the Delaware Canal.

The American Bell Telephone Company, predecessor of the American Telephone and Telegraph Company, was weaving a nationwide telephone system at this time and, in 1905, the Diamond State Company arranged with the American Telephone and Telegraph Company for the connection of Delaware telephones to the growing Bell System.

In 1912, the Diamond State Company sold to the Chesapeake and Potomac Company all its properties in Maryland and Virginia. At the same time, it purchased the properties of the Delaware and Atlantic

Telephone and Telegraph Company which served Delaware's New Castle County.

Dial service was introduced in the state for the first time at Wilmington in 1929, Rose said. At the time, there were 32,000 telephones in service throughout Delaware.

The 50,000 mark was reached in 1940 and the number of telephones jumped past the 100,000 mark in 1948.

Delaware became the first state in the nation to enjoy one hundred per cent dial service when the Georgetown central office was converted to dial operation in 1950.

At the present time, the Diamond State Company has 36 central offices in Delaware handling approximately 870,000 originating local and out-of-town calls on the average business day, Rose stated.

The company's plant investment at the start of this year was well in excess of \$62,000,000 and its annual payroll is approximately \$7,750,000, Rose said. In addition, the company last year spent an estimated \$2 million in purchases of supplies and services from 650 suppliers throughout the state.

University Honors Retired President Of Trustee Board

Retired Judge Hugh M. Morris of the U. S. District Court was honored last Thursday night at a dinner by the board of trustees of the University of Delaware, the deans, and the administrative officers. He officially retired Friday as president of the board.

Mrs. John A. Perkins, wife of the university president, was hostess. A trustee gave the university a portrait of Judge Morris, painted by Bjorn Egeli.

Dr. Perkins spoke of Judge Morris' 30 years as trustee and 20 as board president and said, "He seemingly has none of the human frailties, either large or small, which prevent most of us from living constantly according to the dictates of our better selves."

G. Burton Pearson read a statement of appreciation from the trustees, and Dr. John A. Munroe read a resolution passed by the faculty lauding Judge Morris for leading the university safely through periods of crisis and change to ever-greater strength.

Antiques, Flower Slides To Feature "Y" Meeting

Mrs. John W. Myers will show some of her collection of slides on wild flowers at next Wednesday's noon luncheon meeting at the Alice P. Smyth YWCA Center in Newark.

Next Thursday, Albion Soule will speak on "Refinishing Antiques." A retired duPont engineer, he has practiced this hobby for 40 years, working spare time in antique shops.

The public is invited to these noon luncheons. Bring a sandwich. A beverage is provided. Mrs. Howard C. Hoyt and Mrs. Clarence Smith are luncheon chairmen.

Hasskall To Visit Phoenix In Police Training Trip

Trooper Paul Hasskall, Delaware State Police, will visit the Arizona Highway Patrol at Phoenix during a six-day field study trip beginning Saturday, in connection with his training at Northwestern University's Traffic Institute.

Hasskall resides at 212 Tamara Circle, Harmony Hills, near Newark.

He is expected to return with \$2 million in purchases of supplies and services from 650 suppliers throughout the state.

Group Hospital Service Makes Record Payments

Group Hospital Service had a record year in 1958—paying out more money than ever before for hospital bills, and for medical and surgical care of Blue Cross-Blue Shield members, it was reported yesterday by Harold V. Maybee, managing director.

The organization's annual report shows that Group Hospital Service paid out \$8,289,980 in hospital and medical bills last year.

Miss Wild is a graduate of Caesar Rodney High School. Her parents are German immigrants who came to this country several years ago.

Federal government employees are paid an average of \$90 a week. The average in private industry is \$78.

doctor bills for members—91 per cent of its operating income. Only 6.9 per cent of that income went for operating expenses, and the other 2.1 per cent into reserve for future use.
