Dear Brother

We received the letter written to us on last Thursday  
and Mr Walton received two from you on  
Saturday. When Cousin Eastland came home  
from seeing you he came to our house and  
promised mother he would go for you as  
soon as you were fit to be moved. He came  
down again on last Sunday and said  
he would make arrangements to go down  
to you. He wants to get a permit to  
bring you home before he goes down.  
and he wants the weather to get settled  
to for it has been raining for near  
a week and while I am writing  
it is still raining. He thinks there  
will be some more warm weather yet  
and you will still be getting better able  
to be moved. Dont let them Doctors  
take your leg off Edward, for you know  
that other Doctor said you would

Dear Brother

We received the letter to us on last Thursday and Mr  
Walton [Alfred Walton] received two from you on  
Saturday. When Cousin Cortland [Cortland Chandlee]  
came home from seeing you he came to our house  
and promised mother he would go for you as soon as  
you were fit to be moved. He came down again on  
last Sunday and said he would make arrangements  
to go down to you. He wants to get a permit to bring  
you home before he goes down. and he wants the  
weather to get settled to for it has been raining for  
near a week and while I am writing it is still raining.  
He thinks there will be some more warm weather yet  
and you will still be getting better able to be moved.  
Dont let them Doctors take your leg off Edward, for  
you know that other Doctor said you would get well  
with it on. We are all very

anxious about you and wish you  
were home. Cousin Cortland had  
not got your letter when he was  
here, but he said he would send  
around to the different Post offices for  
it as he supposed you had directed  
it wrong and it had been sent to  
another office of which there are a  
great many around there. his
