

\$1,000,000 Emergency Construction Fund Sought By Schools

Figure Is Above \$595,000 Already Asked For Immediate Needs

In addition to \$395,000 to cover immediate needs, another \$1,000,000 is being sought by the Newark Special School District as an emergency fund for new construction.

The proposed reserve is the Newark School Board's answer to the jump in enrollment expected as a result of an influx of defense workers and their families to staff the new Chrysler tank plant now under construction. Preliminary arrangements for setting up the large reserve were made following a conference between local officials and members of the State Department of Public Instruction.

Wilmer E. Shue, superintendent of Newark district, emphasized yesterday that the money is not being sought as a direct appropriation from the state. The General Assembly will be asked to match any money raised through local bond issues, which must first be approved by a district referendum. The final decision on both the funds for the immediate building program and the large emergency reserve will be made by the voters of the district.

The proposed \$595,000 program, designed to cover only the district's present needs, includes five major construction items: new elementary building in a rural area, \$375,000; expansion to the high school gymnasium, \$100,000; cafeteria for the New London Avenue School, \$100,000; shop and culture annex to the high school, \$100,000; and a new athletic field, \$15,000.

Under customary procedure, half the money for new school construction is raised locally through bond issues and the remainder is provided by state appropriations. If the legislature approves matching funds for the proposed program, plans will start here immediately for a referendum.

Debussy Cantata To Be Offered Feb. 4 By Methodist Choir

Noted Soloists To Take Part In Complete Version Of "Prodigal Son"

A cantata, "The Prodigal Son," by Claude Debussy, will be presented Sunday, Feb. 4 at 4:30 p.m. at the Newark Methodist Church under the direction of Miss Sarah Revelle.

Miss Revelle will also take the solo part of Lia, the mother. Other soloists will be Guthrie Frye, minister of music at the Peninsula Methodist Church, Wilmington, who will take the part of Azael, the son, and Clifford Woodbury, well-known concert singer and baritone soloist, who will sing the role of Simeon, the father.

The production will be given in the form originally intended by Debussy himself. The singers will be unseen, their words being portrayed through pantomime by actors on stage. Although the cantata has been presented many times in a purely musical form, it will be only the third time in this country that it will be heard in a musico-dramatic form. In 1947 the combined choirs of the Cathedral and St. Andrew's Church in Wilmington presented it with a vocal and dramatic cast, with Miss Revelle in the role of Lia. Again, in 1948, a similar production was presented in California. The fact that the rarely heard complete version will be given here should prove of great interest to local music-lovers.

Miss Ivalou McMeekan, well-known dramatic coach in Wilmington, will instruct the dramatic cast, and will play the part of Lia. The dramatic part of the son will be assumed by E. C. Maloney, and that of the father by Earl Wyatt. Both men are well-known for their interest in local dramatics. Members of the chorus cast will be Sylvia Field, Sue Jane Field, Esther Fouracre, Susan Martin, and Mrs. Earl Wyatt. Guest organist for the production will be J. Harrison Walker, organist and choirmaster at St. Andrew's Church, Wilmington. Mr. Walker was at the console during the 1947 production at the Cathedral Church.

Spencer At Head Of Christiana

Spencer, Presbyterian pastor at Middletown, N. Y., will speak at a service Sunday, Feb. 4, at 8 p.m. at Head of Christiana Church, Middletown Road.

He will describe his trip last spring to the Near East.

Spencer Named Aide

J. M. Sprecher, consulting engineer of Newark, has been appointed to membership of the public affairs committee of the newly formed Delaware Society of Professional Engineers.

Bob Knighton, Polio Victim, Is Campaigner In March Of Dimes

To one Newark campaigner, the March of Dimes is a personal crusade. He is 12-year-old Bobby Knighton, 50 Choate Street, who is still taking treatments for an attack of polio that struck him last summer.

"I'm out to help those who helped me," Bobby says of the National Foundation for Infantile Paralysis which benefits from the March of Dimes, closing here Jan. 31. And Bobby, despite the fact he still has a weak knee as a result of the disease, is proving one of the best leg men in the campaign, covering the Center, Choate, Linden and Chapel Street district.

To other volunteer workers also, the March of Dimes has personal meaning. Among those helping the drive, who have seen children or close relatives stricken by the disease, are: Mrs. Ralph Vannoy, Mr. and Mrs. Milton Draper, Michael Kubicek and Rodney Dann, the general chairman. Mr. Dann's son, Robert, who once suffered a polio attack, is now doing his bit for the dime march.

The truth is polio is by no means a rarity in Newark. Reliable estimates are that every local doctor handles

Bobby Knighton
two to three cases annually.
Young Knighton, now in the seventh grade at the Newark schools, is a typical (Continued on Page 6)

Conducts Survey

Mr. Pangburn is conducting a survey here to determine the recreation needs and wishes of the community. The past week he interviewed town and school officials and now is holding conferences with industrial leaders. He has also been inspecting the recreational facilities now available here. He will turn over his findings, along with recommendations on what sort of town-wide program, if any, should be organized here, to the Newark Recreation Association.

Evangelistic Services Now Being Conducted At Gospel Tabernacle Here

A series of evangelistic services is now underway at the Gospel Tabernacle, Lovett Avenue and Benny Street.

The speaker is the Rev. George Butrin, Canton, Ohio. Attendance has been high so far at the meetings, which are being held nightly at 7:45 p.m. The series will continue through this week, and, possibly, next with the exception of Monday night.

The service includes a gospel message, followed by special and congregational singing. The public is cordially invited.

Capl. Alton Haney Talking Army Electrician Course

Corporal Alton P. Haney, son of George M. Haney of 102 Old Oak Road, Newark, Delaware, is now enrolled in a fire control electricians course at Fort Bliss, Texas.

He will receive instruction in the operation and repair of fire control equipment for a period of approximately five months.

A former student in the University of Delaware, Corporal Haney entered military service in August 1950.

Police reported three auto accidents in town the past week, all minor mishaps involving bumped fenders and broken bumper guards. No serious damage was reported in any case.

Church Women Here Will Join In World Prayer Day, Feb. 9

Newark's church women will join in the annual observance of World Day of Prayer on Feb. 9 with a joint service at St. Thomas Episcopal Church at 2 p.m.

The theme this year is "Perfect Love Casts Out Fear." The high point of the Newark Service, which will bring together representatives of several Newark churches, will be a dramatic presentation by Mrs. F. W. Johns, Jr., and Mrs. Alex D. Cobb.

A choir composed of volunteers from the cooperating churches will be under the leadership of Mrs. Arthur Johnson. Those who wish to take part should join in a rehearsal Friday, Feb. 9, at 1:30 p.m. in the St. Thomas parish house.

Another highlight will come at a business meeting following the church service when a constitution will be presented for approval by the Newark Council of Church Women.

Plans are also being made for a children's service after school on World Day of Prayer. Details of this service will be announced later.

Plans for the observance were completed Sunday at a committee meeting at the home of Mrs. James L. Nichols, general chairman. On her committee are: Mrs. Theodore L. Ludlow, Mrs. Cobb, Mrs. Arthur Sastman, Mrs. Johns, Jr., Mrs. C. B. Runk, Mrs. Howard Leak, Mrs. John Baylis and Mrs. James Bishop.

Girl Scouts Will Start Cookie Sale, January 29

The annual cookie sale by the Newark Girl Scouts will start Jan. 29.

The sale is the only source of revenue for the Newark district committee. Friends of scouting are urged to support the effort.

Twelve senior and mariner Girl Scouts collected for the March of Dimes at the State Theatre on Saturday.

Among those attending the annual Girl Scout Dinner in Wilmington on Tuesday were Mrs. G. T. Berchardt and Mrs. Jerome Weinberg.

Renshaw Attends Moose Ceremonies In Baltimore

Herman Renshaw, governor of the Newark Lodge, Loyal Order of Moose, attended an installation of regional directors Saturday in Baltimore.

A group of 45 new members were inducted into the local lodge on Sunday.

Town Advances, Problems Ahead Sketched By Councilman Diehl

Achievements of the town government the past year and the major problems facing it in 1951 were outlined in a statement this week by Councilman Samuel Diehl.

Pointing to such progressive steps as the opening of the new power substation here and the securing of a lower rate on electricity, Mr. Diehl emphasized that, despite the general trend, debt-free Newark has managed to hold the line on its tax, water and electric rates.

Although the town's revenue has remained at the 1940-43 level, the Council, he said, has provided funds for the maintenance of many items of town equipment, authorized a pay increase for town employees, and purchased a wide array of new equipment for the police, the street and sewer, and the office departments.

As for the future with its promise of a broad scale industrial expansion here, Mr. Diehl said the town's major problems will be the completion of the southside sewer project, the exten-

Newark Schools Are Preparing For Own Emergency Defense

Plans Being Made For Protection Of Pupil And Plant In Disaster

Pupils and teachers of the Newark schools are preparing to play their part in local civil defense and to provide, as far as possible, for their own safety in an emergency.

A skeleton plan for disaster preparedness was drawn up yesterday at a general meeting of faculty, administrative and janitorial personnel.

The session was attended by John Fader, Newark's defense coordinator, and Police Sergeant Leroy Hill.

The topic was "War? What Shall We Do?" Teachers were urged to impress pupils with the seriousness of the present international situation, while soft-pedaling the tendency toward "war jitters" and mass hysteria.

The schools' defense program will cover four main categories: pupil safety, plant protection, classroom instruction and cooperation with over-all community civil defense.

Several areas were proposed tentatively as shelters for pupils in case of a hostile air attack. The basement corridors in the main high school building and the New London Avenue building will serve such a purpose. In the elementary school, the first floor corridor is regarded as the safest spot for shelter.

In the educational phase of preparedness, new emphasis will be placed on the teaching of Americanism. Special courses may also be offered youths about to be drafted. A suggestion that first aid courses be offered all interested persons was made. Also considered is participation in government bond sales and similar defense activities.

As regards the school's part in community defense, it has been proposed that high school senior boys be trained as substitute zone leaders. It was pointed out that in a daytime emergency most of the adult zone leaders would be away at their jobs and, possibly, unable to report to their neighborhood zones.

First Presbyterian Officers Relected At Annual Meeting

The annual meeting of the First Presbyterian Church was held Wednesday, Jan. 17, following the congregational dinner, served by members of the Ladies Auxiliary.

The congregational section of the meeting was in charge of moderator, the Reverend H. E. Hallman. Reports were heard from the various church organizations and all showed a healthy and active condition.

Mervin S. Dale, Arthur B. Eastman and John K. Speicher were reelected elders for a term of three years. William O. White was named to another three year term as deacon.

T. A. Baker was elected chairman of the corporate meeting which followed. Mrs. R. W. Heim, Charles N. Lanier, Jr. and Joseph M. McVey were elected to succeed themselves as trustees for a term of three years.

Joseph M. McVey, church treasurer, presented the financial statement for 1950 and followed with an estimate of the expenses for the present year. This estimate exceeded the previous year's expenses by a considerable margin, due to increased costs. Also a factor is a plan under consideration for obtaining a full time church worker to help with young people's work and to aid the pastor, providing enough financial support is secured in the every member canvass to be held the first Sunday in March.

Council Speeds 3 Projects To Meet Town's Expanding Needs

Two Big Residential Developments Proposed Here; Council Launches Water Survey; Studies Means For Extending Town Boundaries

Two large-scale residential housing developments, one a 500-family garden apartment project and the other a 60-duplex home development are tentatively scheduled for construction here.

This was disclosed at a special meeting Tuesday night of the Town Council. The 500-family project is proposed for a 35 acre tract on Elkton Road just south of town. A large Philadelphia real estate firm, whose identity was undisclosed, has entered into an agreement to purchase the land from Ralph Smith.

The 60-home development is still in the negotiation stage. No agreement of sale for the land has been signed as yet. However, it is proposed for an area in the town limits just north of the Pennsylvania Railroad between South Academy Street and South College Avenue. The developer is Allan Hart, who promoted the 60-family University Apartments just completed here.

The special meeting, which was called to consider the town's water supply problem, developed, after this disclosure, into a general town planning session. Three important projects were set afoot to meet the vastly expanding needs of the town, which have been mounting rapidly ever since the announcement that the huge Chrysler tank plant would locate here.

First, the Council authorized a geological survey, estimated to cost around \$10,000 with half the expense being met by the federal government, to discover new underground water sources. Council also is considering acquiring land along White Clay Creek with a view to building a dam for an emergency water supply.

Second, Council speeded plans for the south side sewer system, with possibly a larger pumping station than was originally planned. Expansion of the town's sewage disposal plant, now operating at near capacity, is also envisioned.

Third, Council directed its engineering department to map out new and extended town boundaries with a view (Continued on Page 6)

Newark Is Eligible For Federal Aid As Major Defense Area

Gov't Funds Available For Meeting Problems Of Expansion

Miss Marjorie Temple, national legislative chairman of the American Association of University Women, pointed out that Newark will be what is called in Washington a "federally impacted area" as a result of the defense industry settling here.

Miss Temple, speaking at the Newark branch meeting Monday night, explained that as an impacted area Newark is entitled to certain funds already provided by Congress, and that a great many bills now in committee may also prove beneficial.

She said that population shifts in this emergency probably will be even greater than those of the last war, and that the government realizes that communities faced with a large influx of population or widespread unemployment because of retooling will have needs greater than can be handled locally or even by the state. (Continued on Page 6)

Title Of Town Engineer Held By Carl S. Rankin

A misunderstanding has arisen regarding the status of Town Supervisor Francis Niede.

It is incorrectly believed in some quarters that Mr. Niede has been appointed Town Engineer. He has never held that title.

The Town Engineer is Carl Rankin, a professional engineer and member of the Town Council. Mr. Rankin has held the post of Town Engineer since before the appointment of Mr. Niede to the staff.

Annual Scholarship Drive By NHS Alumni, Feb. 1-15

The annual scholarship fund drive by the Newark High School Alumni Association will open Feb. 1 and continue through Feb. 15.

Members and friends of the Association are urged to lend their support. Only members will be approached directly for contributions. Others may mail checks to the general chairman, Mrs. Edward Ginther, 121 West Main Street.

Each year the Association presents a \$127.50 scholarship to the most deserving Newark High School senior.

Cub Pack 55 To See Movies Tomorrow Night

The January meeting of the Newark Cub Scout Pack 55 will be held in the basement of the Methodist Church tomorrow evening.

Moving pictures of the pushmobile derby in Newark and Wilmington will be shown to the scouts and their families.

Robert Motherall Passes Away At 93

Operated Store Here For 75 Years

Ninety-three year old Robert Motherall, a native of Newark and one of the community's oldest residents, died Saturday at the Flower Hospital here. Mr. Motherall, who had been a patient at the hospital for several years, had lived in Newark all his life. For 75 years he operated a general store on the site of the present College Inn, at Main Street and North College Avenue. He was associated with his brother, the late Nathan Motherall, in the business, which was sold before the death of the latter.

As a boy Mr. Motherall lived with his family on what is now the Dameron Farm on East Main Street. He received his early education at the private school of Miss Maggie Wilson at Newark.

His only survivors are two nieces, Miss Evelyn Barr of Wilmington and Mrs. Fred Middleton of Hillsdale, N.J., four nephews, Walter and Thomas Motherall, of Wilmington, and Townsend and William Motherall of Hillsdale.

The funeral took place from the Jones Funeral Home on Tuesday afternoon. Interment was in White Clay Creek Cemetery.

VA Chaplain To Talk At Calvary Baptist

South Pacific Missionary Work Is Topic

The Rev. Dr. Edward E. Coleman, Protestant chaplain for the Veterans Administration Hospital at Elmsmere, will be the speaker at the 11 a.m. service Sunday at the Calvary Baptist Church here.

Dr. Coleman, a World War II chaplain with service in the Pacific Theatre, will discuss some of the results of missionary work as he observed them in the South Pacific. He will also display several native artifacts brought from that area.

The church's special Christmas offering of \$20 will be used to purchase gospel hymn records for use by Dr. Coleman at his daily devotional services broadcast from the hospital.

To augment their building fund, members of the Calvary Church are collecting newspapers, magazines and cardboard. Mr. and Mrs. Harlan Denison, Capitol Trail, have offered use of their garage as a collection center. (Continued on Page 10)

YELLOWJACKET HIGHLIGHTS

By the Journalism Class And The Junior Journalists Club At Newark High School

Student Council Planning General Meeting of Student Body

In order to acquaint the students of the high school with the problems and procedures handled by their governing body, an open assembly meeting will be held in the near future. This will be the first meeting of the kind for some years. A vote will be taken following the meeting to determine the real value of such a large gathering.

If considered worthwhile by the students other such meeting will be scheduled approximately every six weeks. At the Thursday Council meeting last week a committee was named by President James Bueche to weed out and consider many suggestions for topics of discussion at the general meeting which have been coming in from the many homerooms and individuals. It will be the responsibility of this planning committee to set up the problems for discussion at the coming meeting.

Alvon Sparks.

"Judo" Experts Demonstrate For NHS Students

Morgan and Dahler, "Judo" experts, presented a varied program of tactics at the student assembly held in the auditorium on Wednesday morning, January 17.

Their showmanship and dramatic presentation of judo was filled with action and thrills galore. The demonstration included maneuvers effective in disarming an adversary who is using various types of weapons and also the execution of throws, trips, take-a-longs, proper methods of searching a person and tactics a girl might use to discourage a "so-called wolf" or masquerade. The show included the advantages of certain training in callisthenics and tumbling.

Nicholas Vlasveld and T. Burke.

SHERIFF'S SALE—By virtue of a writ of Lev. Fac. No. 17 March Term A. D. 1951, to me directed will be exposed to Public Sale at the Court House, Southeast Corner of Eleventh and King Streets, City of Wilmington, New Castle County, Delaware.

ON FRIDAY THE SIXTEENTH DAY OF FEBRUARY at 10 o'clock A. M. Eastern Standard Time, the following described Real Estate viz:

ALL THAT certain lot, piece or parcel of land, with the buildings thereon erected, situate in New Castle Hundred, New Castle County and State of Delaware, known as Lot No. 50, Block E, on the Plan of COLLINS PARK, as said Plan is on file in the office for the Recording of Deeds in and for New Castle County and State of Delaware, in Deed Record 2, Page 7, and more particularly bounded and described in accordance with a recent survey made by Damon and Foster, Civil Engineers, dated August 29, 1949, as follows, to-wit:

BEGINNING at a point on the Southeast side of Howell Drive, at fifty feet wide, said point being the division line between Lots Nos. 49 and 51, Block E, and distant one hundred fifty feet measured North forty degrees, six minutes, thirty seconds East along the Southeast side of Howell Drive from a point of tangency at the Northeast side of a twenty-two foot radius curve joining the said Southeast side of Howell Drive with the Northeast side of Buttonwood Avenue, at fifty feet wide, thence from said point of tangency North forty degrees, six minutes, thirty seconds East along the Southeast side of Howell Drive fifty-five feet to the division line between Lots Nos. 49 and 51, Block E, thence North forty-nine degrees, fifty-three minutes, thirty seconds East along said last mentioned division line one hundred thirty-seven feet and forty-one one-hundredths of a foot to a point in the Southeast side of a twenty-two foot wide utilities reservation, thence South forty-four degrees, twenty-nine minutes, ten seconds West along the Southeast side of said planting area and utilities reservation fifty-five feet and sixteen one-hundredths of a foot to the division line between Lots Nos. 49 and 51, Block E, thence North forty-nine degrees, fifty-three minutes, thirty seconds West along said last mentioned division line one hundred thirty-three feet and twenty one-hundredths of a foot to a point in the said Southeast side of Howell Drive, being the point and place of **BEGINNING**. Be the contents thereof what they may.

BEING the same lands and premises which Collins Realty Company, a corporation of the State of Delaware, by Indenture dated October 21, 1949 and of record in the Office for the Recording of Deeds, in and for New Castle County and State of Delaware, in Deed Record 2, Volume 6, Page 444, did grant and convey unto HORACE L. PEDRICK and MARY ANN PEDRICK, his wife, in fee. AND the said Horace L. Pedrick and Mary Ann Pedrick, his wife, and to be sold by HERBERT BARNES, Sheriff.

Sheriff's Offices, Wilmington, Del., January 23, 1951.

Hi-Y Boys At NHS Show An Active Program This Year

Newark Hi-Y Club has been most active this season with two paper drives, a bake, and a basketball team. In addition the group sponsored a delegation of seven students who went to the Hi-Y Conference in Washington during the Christmas season. Activities being planned for the next months are a dance and an assembly program.

The club basketball team has played Elkton, Hi-Y Alumni, and the High School JV team. Their team has been entered in the Hi-Y Basketball League. Members of the squad are: M. Murphy, A. Murphy, B. Hawthorne, G. Martin, B. Keene, E. Schaefer, J. Gregg, D. Palmer, N. Kline, R. Yoder, and L. Nelson.

Bill Hawthorne and Joe Gregg.

There's A Star For Me

By Edwin Leid

O Dear Mother, please lend an ear. For this story, I want you to hear Of the battles, battles of hell And the fellows, fellows that fell. We ask no mercy from the enemy here We want no pity (please shed no tear, But Dear Mother, just lend an ear.

The enemy has us all surrounded We know there is no escape. Thousands are wounded, many fall dead, We know our fate. The shells are falling, the bullets sing by. There is no hope, we know we must die.

This letter I write, though minutes are few. To the dearest of all, Dear Mother, to you.

Each star has a story to tell Of adventures and heroes that fell. God places a star as we hang a bell For the fellows, Dear Mother, and me, as each of us falls.

O Mother, Dear Mother, please lend an ear. If you could count the stary millions at night. This night you would see an extra bright light.

Special Vacations Topic Of 7-4 Discussions

Vacationing in Florida was the topic for discussion in two of the seventh grade Reading and Spelling classes recently. Peter Cooper of the 7-4 group told about his Christmas in Florida and Jean Hodgson spoke on her Thanksgiving down South.

Peter traveled on the East-Coast Champion, a New York to Miami train. Most of his two weeks were spent on the beach acquiring a good coat of tan. He did take time out for a boat trip and a visit to a museum.

On the boat trip Peter saw alligators in their natural home. He also saw many vultures—the sky was black with them. On his Natural History Museum visit Peter saw plants and animals of Florida. The animals lived on a man-made island. A row of buildings lined each side of the island. There were canals around the island and miles of beach near-by. Peter enjoyed the talking parrots. Some said, "Hello," and one said, "Come here." A cracker was their reward for talking.

SHERIFF'S SALE—By virtue of a writ of Lev. Fac. No. 39 March Term A. D. 1951 to me directed will be exposed to Public Sale at the Court House, Southeast Corner of Eleventh and King Streets, City of Wilmington, New Castle County, Delaware.

ON FRIDAY THE SIXTEENTH DAY OF FEBRUARY at 10 o'clock A. M. Eastern Standard Time, the following described Real Estate viz:

ALL THOSE CERTAIN lots, pieces or parcels of land, with the buildings thereon erected, situate in the City of Wilmington, County of New Castle and State of Delaware, and more particularly bounded and described as follows, to-wit:

No. 1. Known as No. 1807 Lovering Avenue, **BEGINNING** on the Northern side of Lovering Avenue at the distance of forty-three feet West from the Western side of Scott Street at a point in a line with the center of the party wall between the house on this lot and the house adjoining on the East; thence South parallel with Scott Street one hundred feet to the Southern side of a four feet wide alley leading into Scott Street; thence South parallel with Scott Street one hundred feet to the Southern side of a four feet wide alley leading into Lovering Avenue; thence South parallel with Lovering Avenue one hundred feet to the Western side of the party wall between the house on this lot and the house adjoining on the West one hundred feet to the Southern side of Lovering Avenue and thence thence South parallel with Lovering Avenue one hundred feet to the place of **BEGINNING**. Together with the use of said four feet wide alley in common with other adjoining owners forever.

No. 2. Known as No. 1809 Lovering Avenue, **BEGINNING** on the Northern side of Lovering Avenue at the distance of fifty-seven feet one-half inch West from the Western side of Scott Street at a point in a line with the center of the party wall between the house on this lot and the house adjoining on the East; thence South parallel with Scott Street one hundred feet to the Southern side of a four feet wide alley leading into Scott Street; thence South parallel with Scott Street one hundred feet to the Southern side of a four feet wide alley leading into Lovering Avenue; thence South parallel with Lovering Avenue one hundred feet to the Western side of the party wall between the house on this lot and the house adjoining on the West one hundred feet to the Southern side of Lovering Avenue and thence thence South parallel with Lovering Avenue one hundred feet to the place of **BEGINNING**. Together with the use of said four feet wide alley in common with other adjoining owners forever.

BEING a part of the same lands and premises which Sylvester D. Townsend, Jr., Trustee by appointment of the Orphans' Court of the State of Delaware, in and for New Castle County, by Indenture bearing date the eleventh day of May, A. D. 1948, and recorded in the Office of the Recorder of Deeds, &c., in and for New Castle County, in Deed Record M, Volume 27, Page 386, did grant and convey unto Clement S. Wood and Mary Wood, his wife, in fee. AND the said Mary Wood departed this life on the thirtieth day of August, A. D. 1947 leaving to survive her as surviving tenant by the entirety, the said Clement S. Wood, and the said Clement S. Wood departed this life on the eighth day of November, A. D. 1937, first having made his last Will and Testament, which is on record in the Office of the Recorder of Wills in and for New Castle County, in Will Record E, Volume 6, Page 444, wherein and whereby the said Clement S. Wood did devise the hereinbefore mentioned property unto Harvey Y. Wood, party hereto.

Seized and taken in execution as the property of Harvey Y. Wood and Callie S. Wood, his wife, and to be sold by HERBERT BARNES, Sheriff.

Sheriff's Offices, Wilmington, Del., January 23, 1951.

A drink from the Fountain of Youth was one of the things experienced by Jean Hodgson on her Florida trip.

She, too, visited the alligators. She refused an invitation to ride on a 400 year old alligator. Ostriches and peacocks were also seen on the alligator farm.

The Castillo de San Marcos was one of the places of interest that Jean visited. Jean's route by car to Florida took her over the Sky-Line Drive. She enjoyed the scenery along the way.

Joe Perkins and Ruth Davis.

Alias Summons in Divorce IN THE SUPERIOR COURT OF THE STATE OF DELAWARE AND FOR NEW CASTLE COUNTY

Eugene F. Thorn, Plaintiff, vs. Beulah R. Thorn, Defendant. ALIAS SUMMONS IN DIVORCE

TO THE SHERIFF OF NEW CASTLE COUNTY: YOU ARE COMMANDED AS YOU WERE HERETOFORE COMMANDED:

To summon the above named defendant so that, within 20 days after service hereof upon defendant, exclusive of the day of service, defendant shall serve upon A. JAMES GALLO, ESQ., plaintiff's attorney, whose address is Industrial Trust Bldg. Wilm., Del., an answer to the complaint.

To serve upon defendant a copy heretofore of the complaint.

If the defendant cannot be served personally, to publish this process as required by statute.

Dated Dec. 27, 1950.

TO THE ABOVE NAMED DEFENDANT: If this summons is served personally upon you, then, in case of your failure, within 20 days after service, exclusive of the day of service, to appear in person or by your attorney named above in answer to the complaint, the case will be tried without further notice.

If personal service is not made upon you and if this summons is published as required by statute, then, in case of your failure, within 20 days from service by publication of this summons, to serve on plaintiff's attorney named above in answer to the complaint, the case will be tried without further notice.

SHERIFF'S SALE—By virtue of a writ of Lev. Fac. No. 18 March Term A. D. 1951, to me directed will be exposed to Public Sale at the Court House, Southeast Corner of Eleventh and King Streets, City of Wilmington, New Castle County, Delaware.

ON FRIDAY THE SIXTEENTH DAY OF FEBRUARY at 10 o'clock A. M. Eastern Standard Time, the following described Real Estate viz:

ALL THAT certain lot, piece or parcel of land, with the buildings thereon erected, situate in Brandywine Hundred, New Castle County and State of Delaware, and being Lots Nos. 14 and 15, Block 29, on a plot of Gwinhurst, as the same is of record in the Office for the Recording of Deeds, at Wilmington, in and for New Castle County, in Deed Record B, Volume 29, Page 581, and known as No. 8 Laurel Avenue, and more particularly bounded and described as follows to-wit:

BEGINNING at a point in the Southernly side of Laurel Avenue at the distance of one hundred feet Easterly from the corner formed by the intersection of the said Southernly side of Laurel Avenue with the Easterly side of Lincoln Avenue; thence Southernly and parallel with said Easterly side of Lincoln Avenue one hundred and sixty feet to a point; thence Easterly parallel with Lincoln Avenue forty feet to a point; thence Northernly parallel with said Easterly side of Lincoln Avenue, one hundred and sixty feet to said Southernly side of Laurel Avenue, and thence Westerly forty feet to the first mentioned point and place of **BEGINNING**. Be the contents thereof what they may.

BEING the same lands and premises which E. Margaretha Marshall (sometimes known as Margaretha E. Marshall), widow, by deed dated the Thirtieth day of January, A. D. 1948 and recorded in the Office for the recording of Deeds, &c., at Wilmington, in and for New Castle County, Delaware, in Deed Record Vol. 28, Page 348, did grant and convey unto the said Harry F. Heller and Maude I. Heller, his wife.

Seized and taken in execution as the property of Harry F. Heller and Maude I. Heller, his wife, and to be sold by HERBERT BARNES, Sheriff.

Sheriff's Offices, Wilmington, Del., January 11, 1951.

Jan. 18, 25; Feb. 1.

SHERIFF'S SALE—By virtue of a writ of Lev. Fac. No. 43 March Term A. D. 1951, to me directed will be exposed to Public Sale at the Court House, Southeast Corner of Eleventh and King Streets, City of Wilmington, New Castle County, Delaware.

ON FRIDAY THE SIXTEENTH DAY OF FEBRUARY at 10 o'clock A. M. Eastern Standard Time, the following described Real Estate viz:

ALL THAT certain lot, piece or parcel of land, with the buildings thereon erected, situate in Christiansa Hundred, New Castle County and State of Delaware, bounded and described as follows, to-wit: **BEGINNING** at a point in the middle of the Newport and Gap Turnpike road at the distance of four hundred two feet one inch Northwestwardly from the line of the center of the Delaware and Western Railroad and in line of land now or formerly of Warren F. Richards and wife, thence by the center line of said Turnpike road North thirty-six degrees West one hundred forty-three feet more or less to land now or formerly of the Newport National Bank; thence by said last mentioned line of land South twenty-eight degrees North eighty-eight and one-half degrees East two hundred fifty-eight feet seven inches more or less to an iron pipe a corner of lands now or formerly of Warren F. Richards and wife, thence by line of land of said Richards North fifty-six minutes East the dividing line being about the center of a ditch one hundred sixty-eight feet to the place of **BEGINNING**. Be the contents thereof what they may.

EXCEPTING THEREOUT AND THEREFROM all that tract of land heretofore conveyed by the party of the first part to the State of Delaware, being a part of the roadbed of the Newport and Gap Turnpike Road, and more particularly bounded and described in deed of record in Deed Record M, Vol. 32, Page 355.

BEING a part of the same lands and premises which Caleb E. Burchenal and Dora Gilbert Burchenal, his wife, by their Deed dated June 9, A. D. 1925 and recorded in the Office for the Recording of Deeds, &c., in and for New Castle County aforesaid in Deed Record P, Vol. 33, Page 239, granted and conveyed unto the said Lena J. Richardson in fee.

Seized and taken in execution as the property of Louis L. Redding, Administrator of the Estate of Lena J. Richardson, and to be sold by HERBERT BARNES, Sheriff.

Sheriff's Offices, Wilmington, Del., January 23, 1951.

The story of a faith that paid off

YOU KNOW IT'S TRUE BECAUSE IT'S HAPPENED TO YOU AND YOUR FRIENDS AND NEIGHBORS

PROBABLY YOU'VE never thought of yourself as a maker of history. But you are. And here is how you, as a citizen of the United States, are creating the greatest success in all history.

Remember back in 1941 when the Defense Bonds you were buying suddenly had to become War Bonds? How you and your neighbors pitched in to buy them in ever-increasing numbers, to back our fighting men and to help achieve the victory of World War II? After V-J Day, when those bonds became Savings Bonds, you continued to buy them because you had learned how regular saving could build security and contentment for yourself and those you love.

The face of the land has undergone some dramatic changes in those years since V-J Day. Now the landscape is dotted with new homes that Savings Bonds built. Thousands upon thousands of new automobiles travel the highways—Savings Bonds cars, bought with the product of individual thrift. On the farms, Bond-purchased equip-

ment has helped produce bumper crops and prosperous years. Everywhere in America, man's urge to get into business for himself has become a bright reality. So has the ambition of loving parents to send their children through college. Time and time again, Savings Bonds have made those dreams and many others come true.

You KNOW they're come true, because it's happened to you or to some of your own friends.

And this is only the beginning of the story. Even after accomplishing so much, millions of American families still enjoy the financial security of owning more than fifty billion dollars—fifty thousand million dollars in Savings Bonds. More than at the peak of war-time Bond holdings!

How much money is that? It's enough

to build a new \$10,000 mortgage-free home for every family in San Francisco—and Sacramento—and Salt Lake City—and Denver—and Kansas City—and St. Louis—and Indianapolis—and Cincinnati—and Pittsburgh—and New York City—and the whole state of Texas!

And every week, everywhere in America, new millions of dollars are added to the total—as crisp new Savings Bonds are typed up with your name on them.

Kind of a king-size success story, is it? Your success story because you and the millions of your neighbors living it right now. Your own faith in America—your own desire for the warmth of family security and independence—have made the story of United States Savings Bonds the thrift miracle of all time.

For your security, and your country's too, save now - through regular purchase of U.S. Savings Bonds

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council.

Mill Creek Hundred News

Pennington Evans, Correspondent
Phone Hockessin 598

The Woverly Club had an interesting program on Wednesday afternoon at the home of Mrs. Irvin G. Klair with Mrs. Mary M. Buckingham as co-hostess. The program was an exhibit from her collection of scenes in Wilmington, old churches, street corners, historical landmarks. These pictures had been printed by the Wilmington Chamber of Commerce. The members noted the vast changes since pictures were taken. Also displayed a pair of baptismal trousers from the early Baptist church. Mrs. Edward H. Naudain read an article on Benjamin Franklin in observance of his birthday. Henry Mitchell, music chairman, read the life of Walter Damrosch. Mrs. H. Ellis Pierson asked members to write to women overseas and Mrs. Joseph Mitchell and Mrs. Paul W. Mitchell, hostesses.

The Capt. William McKenna Chapter D.A.R. held its January meeting with the regent, Mrs. James Marsey. Delegates for state and national sessions were named as follows: Mrs. James Marsey, delegate; Mrs. Donald Woodward, alternate, National Congress in April; Mrs. Marsey, Mrs. Leslie McCormick, Mrs. Louise Dempsey, Mrs. Laurence T. Bliss, Mrs. H. B. McVaugh, delegates to all state meetings in 1951; Mrs. Woodward, Mrs. Henry P. Wilson, Mrs. Paul W. Mitchell, Mrs. Lester Brewington, Mrs. Lillian Eastburn, alternates. The chapter realized \$25 from its newspaper drive. A program of readings was given by Mrs. McVaugh, Mrs. Mitchell, Mrs. L. H. McCormick, Mrs. Sara Evans, and Mrs. Donald Woodward.

The Winodausis Home Demonstration Club began its activities for 1951 last week with an all day meeting at the home of Mrs. Rollin Farmer on Limestone Road. The new officers were installed by Past President Mrs. Nelson O. J. W. Pennington is the new president and appointed her new chairmen as follows: Mrs. Goff, citizenship; Mrs. Sara Evans, publicity; Mrs. H. P. Demison, safety; Mrs. Carl Miller, workshop; Mrs. Bertha Amior, annual reports; Mrs. Dale Seymour, recreation; Mrs. Allan Lindsay, health; Mrs. Charles Keidel, sunshine; Mrs. Farmer, community; Mrs. Charles Kane, retiring international relations chairman, presented the recently completed United Nations flag to Mrs. Pennington, who accepted it for Harmony Rural School as a member of the school board. The club decided to sponsor a waste paper

drive next month. Mrs. Lawrence Uimer, Mrs. John Edler, Jr., and Mrs. D. Seymour will attend the school on "Plastic Bags" at Newark. The club gave \$5 to the March of Dimes and \$5 to the Red Cross.

William H. Naudain was able to return to his home from the Wilmington General Hospital last Saturday.

Corner Ketch

Last Monday evening marked the annual visitation of the Great Sachem of Delaware, Ralph O. Quillen, of Selbyville and his great chiefs from different parts of Delaware to Wa Wa Tribe and Leola Council. These officials were greeted by guests from Little Elk Tribe from Cherry Hill, Md. Miss Laura Mearns, district deputy great Pocahontas for Mineola, Yonah and Leola Councils, and Mrs. Ida Cooper of Wilmington, a past deputy Pocahontas, were also present. Inspirational talks were given before the assembly by Mr. Quillen and Great Senior Sagamore Ralph Buckingham of Newark.

Union Grange No. 1 will have the following committee chairmen for 1951 as appointed by Worthy Master Daniel Harris: Mrs. Louise Dempsey, home economics; Mrs. Mary Wallace, health; Elbert Poole, youth; Homer Crossan, executive; Robert Woodworth, legislative; Theodore Dempsey, ways and means; Mrs. Margaret Woodworth, finance; Mrs. Elsie Davis, resolution; Mrs. Elbert Poole, hospitality; Vernon Connell, by-laws; Mrs. Alice Davis, membership; Edwin Greenplate, community service; Mrs. Clarence Dempsey, publicity.

Mr. and Mrs. Kirk Loveless of near Corner Ketch, are being congratulated on the birth of a son born Jan. 19. They have a son, Freddy.

Union Juvenile Grange will meet Saturday afternoon.

Pleasant Hill

Mr. and Mrs. Walter Patterson are vacationing in Florida.

Mrs. Frank V. Whiteman visited her sister-in-law, Mrs. Ella Wright at the Delaware Hospital last week where Mrs. Wright is being treated for a fractured right arm and bruises as a result of a fall at her home in Wilmington.

Ebenezer Methodist Church

Rehearsals for the three act farce, "Grandpa's Twin Sister" are in full swing these days. Feb. 10 is the date for its presentation.

The official board of the church met Monday night for a covered dish supper and business session to complete plans for the turkey supper to be served Saturday beginning at 4 p.m. The change in the hour to permit the serving to be completed by 7 p.m. instead of 8 o'clock. The board is also sponsoring the drilling of a new well at the parsonage which will also furnish the water to the church.

The WSCS will meet tonight at 8 p.m. at the home of Mrs. Ralph Whiteman. The MYAF will hold its monthly meeting next Sunday at the home of Joseph Brown in Newark.

Harmony Rural School

An all girls' cast presented the weekly club program here in observance of "Thrift Week." Maryann Springer, Sallie Evans, Mary Emma Ransom, and Beverly Cannon gave a play "Let's Be Thrifty." Beverly Cannon read an article on Benjamin Franklin to celebrate his birthday.

Mermaid

Greater interest is being shown each week by the increased attendance at the training sessions for civilian police being held in Harmony Grange hall. Trooper Leo E. Daney of the Delaware State Police, is the instructor. To date 50 men and women have enrolled. John A. Ewing, the hundred coordinator, is planning to organize more classes at Yorklyn and one near Marshallton.

Harmony Juveniles will meet tomorrow evening for the semi-monthly session.

Red Clay Creek Presbyterian Church

The largest attendance in years marked the congregational meeting last week at the church. The pastor, Rev. George T. Jamieson, presided. Elders elected were Irvin G. Klair, William H. Naudain, and Lamar LeBon who will be installed Feb. 4 for three years. Retiring elders were: Archie Armstrong and C. Wardon Gass, the latter will serve as permanent benevolence treasurer. The congregation voted to pay \$1,000 to the National Board of Missions on its indebtedness of \$5,000. The church has a total membership of 381 and the church school 401. The junior department of the school sent \$17.00 to Irwin High School at Kohlapur, India, for the education of a boy there. Unusual Sunday School literature is being taken to the Gov. Bacon Health Center. The Missionary Society reported 74 members. The Men's League reported a special program planned for Feb. 8. Robert Frederick was named adult advisor for the youth budget. Merritt K. Armor, Samuel Dennison, and Herb-

ert Pierson were reelected trustees for three year terms at the corporate meeting. The budget submitted for 1951 was approved which will increase the pastor's salary \$200. The group voted to sponsor the every home plan for placing the Presbyterian Life Magazine in each home. Robert Harrar, James Alexander, Stephen Armstrong, and Morton Gregg will serve as ushers for 3 years. Miss Ruth Ball and Mrs. Frank Miller are the flower committee for this year.

FAT-FREE Vitamin A & D MILK

COOPERATION does it

Attaining personal and family security is a big job. For most of us, it can only be secured when many people join together with the same purpose in mind. That's the idea of life insurance.

It was the voluntary association of many families that created mutual life insurance. That cooperative endeavor made economic protection available to everyone at costs that are infinitesimal compared to what they would be if a family attempted to create this protection on its own.

For a few dollars a year an average family can assure itself of thousands of dollars worth of rock-solid security, of immeasurable peace of mind, and of financial independence for youngsters and old folks alike.

NEWARK TWENTY-FIVE YEARS AGO

From Issue of Jan. 20, 1926

Exhibit At Farm Show
George Cook, Paul Jaquette and Herman Conner, all members of Newark's 4-H Club, exhibited corn of their own growing at the State Corn Show this week in Dover.

George has been a consistent exhibitor and has brought home several prizes. Paul won a \$100 prize offered

in 1924 by the B. and O. railroad for being the outstanding club member of New Castle County. Herman has completed six years of club work. He bought a calf from the first shipment of pure bred Holstein-Friesian heifer calves that were distributed in this county by R. O. Bausman, county farm agent.

High School Play

The freshman home economics class at the Newark High School gave a play, "A Clothing Revolt," at Monday's meeting of the New Century Club.

In the cast were: Marguerite Brannan, Lillian Brown, Mary Moore, Edna Moore, Elma Smith, Pauline Moore, Roberta Leak, Agnes Miller, Hester Morris, Marjorie Barnard, Helen Ferguson, Helen Eastburn, Helen Frazer, and Ethel Connell. Miss Eleanor Duffy sang a group of charming songs.

Personals

Little Miss Mary Satterfield of this town is entertaining a number of her companions at a party in her home this evening, the occasion being her fifth birthday anniversary.

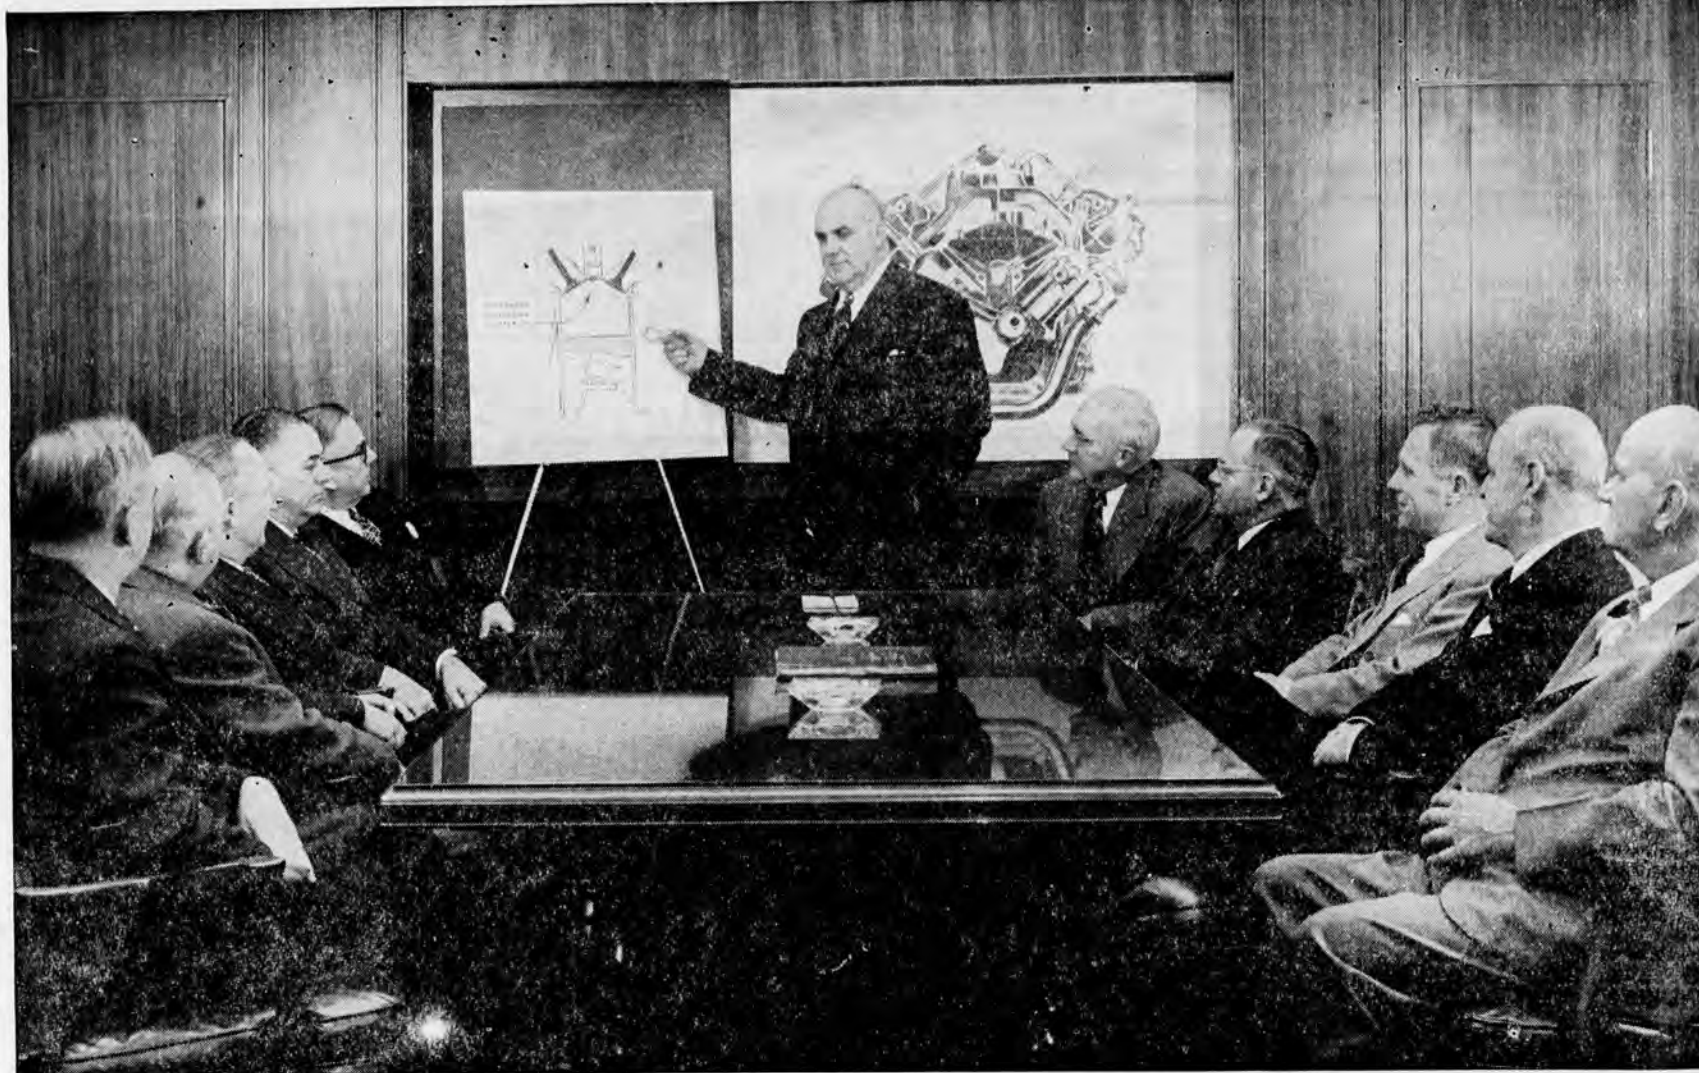

I. Newton Sheaffer, well-known painter and interior decorator with offices on Main Street, left yesterday from Baltimore on the Merchants and Miners Line for Jacksonville, Fla., from which point he will begin a tour of the Garden State and other southern points.

Pneumonia struck a Newark home last week and called another victim, this time a loyal mother and highly respected character, Mrs. Catherine E. Keeley, wife of James C. Keeley, of South Chapel Street. Mrs. Keeley raised a family of eight splendid children and devoted practically all her time to her home. She was, however, well known in Church, school and neighborhood.

Dodge Adheres To Tradition in '51 Hood Ornament Design

The attractive ram's head hood ornament on 1951 Dodge cars is

design, but it has a long history. In 1932, Fred M. Zeder, now chairman of the board of Chrysler Corporation, decided that the cars should have a hood ornament which would be distinctively and unambiguously American in origin and true Dodge design in its symbolism. Search was undertaken to determine what symbol would serve the purpose. Designers selected the Rocky Mountain Ram because it is definitely American.

Chrysler Corporation's Director of Engineering and Research, James Zeder, and other members of Chrysler's Engineering Board discuss plans for Chrysler's revolutionary new FirePower engine.

"This is the heart of Chrysler's new kind of power"

WHAT you see in the diagram is a 'hemisphere in metal'—an automobile engine ideal—the secret of more efficient power than any car has ever had.

"It is the Hemispherical Combustion Chamber of the remarkable new Chrysler FirePower Engine, soon to be introduced in the new Chrysler New Yorker and Imperial cars.

"What it does is to intensify the combustion of fuel with full-compression, turning more heat into power, getting more work from every drop of gasoline with efficiency never before possible.

"Though known to engineers as the best of all designs, none had been able to solve the formidable technical, mechanical, and cost problems to make it practical for the passenger car. What was needed to make this ideal work was an entirely new engine—new in every respect, and in every detail.

"This was a task so staggering that we well know why no one else has accomplished it. But the challenge of its many benefits was great enough to keep us going.

"It was the kind of design and production engineering job on which the Chrysler business and reputation have been built.

"Now, after years of effort, after millions of dollars of development cost, after bringing to bear all the experience, skill and special knowledge of our Chrysler engineers, research and production men . . . we have the answer, tested, proved, ready!

"It is the finest automobile engine in the world . . . a new pattern of power and proficiency that will set the pace for years to come.

"But it is also something more than that. To millions of people

who own Plymouth, Dodge, De Soto and Chrysler cars, it is a new living symbol of the kind and spirit of engineering advance on which their great satisfaction in their cars is based.

"With this full-compression Chrysler FirePower Engine, we now add a great new leader to America's first family of car engines—the great Plymouth, Dodge, De Soto and Chrysler car engines . . . as well as those in Dodge trucks in marine and industrial jobs all over the world.

"In other published messages we will give you the unbelievable results this engine has achieved during the last month of the hardest conceivable road and track endurance trials. You will see how Chrysler has again contributed to the automotive transportation which is so essential to Americans."

Meet Newark's School Teachers

(Thirty-eighth in a Series)

Miss Dorothy Markert is a native Delawarean. She attended Harrington Public School and then the University of Delaware, where, in 1937 she received a B. A. degree, majoring in mathematics and minoring in chemistry. After four months' teaching at Christiana School, she transferred to Newark, where she has continued, except for Army Service and leave of absence to attend school.

In July 1943, Miss Markert enlisted in the Women's Army Corps. She was stationed for two years in Dallas, Texas, with a Machine Records Unit. In July 1945, she was transferred to the European Theater of Operations stationed in Paris, France, with the Machine Records Headquarters until section was moved to Frankfurt, Germany. After four months in Frankfurt, she returned to the United States and was discharged.

During the year 1947-1948, Miss Markert attended the graduate school of the University of Pennsylvania, where she received a M. S. in Education, specializing in counseling.

Miss Dorothy Markert

Two of her favorite participating sports are badminton and ping-pong. At school she is a member of the Public Relations Committee and sponsors the Junior Honor Society.

Capitol Trail News

James H. Bishop, Correspondent
Phone 6318
Kirkwood Highway

"Jimmy" Stewart, son of Mr. and Mrs. Joseph L. Stewart, Capitol Trail, left on Tuesday of this week, bound for Texas and service in the air corps. His father, Paul Sayers, leaves on Thursday to enter the air corps. Jimmy's father announces that he will endeavor to keep the garage open evenings for the present, at least.

Mr. Paul Hutchison, Capitol Trail, entertained her son and his wife, Mr. and Mrs. Robert Brown, for dinner last Sunday. Mr. and Mrs. Brown are residing in Middletown.

Mr. Robert W. Inskeep, proprietor of Jack's Self-Service Market, Capitol Trail, is spending a few days this week in the Wilmington General Hospital, for a physical check-up.

Civilian Defense Organization

We are proud to announce that Harold L. Stanley, of Delaplane Manor, is serving as chairman of civilian defense for this area. The territory extends from Milford Crossroads to Capitol Trail, Pike Creek road and Capitol Trail from Nelson's Store to White Clay Creek Bridge. Mr. Stanley is pleased with the response for volunteers to date.

The 20-week course is held at 7:30 p.m. every Wednesday at the firehouse in Newark. Wilson Worrall and Sergeant Hill are in charge of instruction. The following names have been added in (there are others, we understand, to be added): Willard Johnston, Ferguson, Amos Norton, Frank Bunker, Herbert Smith, Joseph Brown, Earl Godwin, William Wimmer, Charles Raynond.

There is still time to join the group. Anyone interested in helping to carry out this vitally important community service may contact Chairman Stanley, Wilson Worrall, or Sergeant Hill.

Roseville Park Civic Association

At a meeting held last Tuesday, at the home of Mr. and Mrs. Alexander T. Miller, Laurel Road, William Wimmer, president of the Roseville Park Civic Association, presented a report of the achievements of the association for the past year.

In the interest of safety for school children, the State Highway Department responded to a request to mark a safety white line at the Park entrance. The cooperation of the Newark School was enlisted to name safety patrol officers for the Roseville Park group. Permission was granted to have one of the older safety patrol members travel on the bus with the younger children. A request to have school zone markers placed on the highway for the protection of loading buses was not granted. Instead, a "Stop" sign at the entrance was put up.

With the cooperation of half a dozen residents, six street markers were made for use on Laurel, Maple and Boxwood Avenues. Those for Maple are awaiting the completion of the new road.

Two loads of cinders were dumped on Oak Avenue for the benefit of many in the community. The triangle of ground at the Park entrance was cleared by the association three years ago and has been kept in good condition since.

A Christmas party was held, with Santa and candy and gifts for all the Park children.

The officers of the association are as follows: president, William Wimmer; vice-president, Kermit Smith; secretary, Maud Miller; corresponding secretary, Mrs. Emory Rohrbaugh; treasurer, James Townley.

William Wimmer, Sunday School superintendent, announces the resignation of Miss Marian Gallaher as Sunday School secretary and the election of Miss Ellen Gallaher to take her place.

Mrs. James H. Bishop represented the women of White Clay Church on the committee which met in Newark last Sunday to make plans for the World Day of Prayer Service, to be held at the Newark Episcopal Church, on Friday, Feb. 9, at 2 p.m.

Mrs. Bishop also met with the committee to draw up a constitution for the Newark Council of Church Women, on Thursday of this week.

Rev. Bishop announces that next Sunday will be observed as Youth Sunday. Members of the Youth Fellowship and the youth choir will aid in

JOAN HARDEN BRIDE OF MR. CHARLES AUSTON

The wedding of Miss Joan Harden, daughter of Mr. and Mrs. Chester Harden of Glasgow, to Mr. Charles Auston, son of Mrs. Paul Wiegley of Glasgow, Delaware, took place Saturday afternoon at 2 o'clock in the Presbyterian Church, Glasgow. The Rev. Ashworth Burdett, pastor of the church, performed the ceremony.

Florence Hart played the wedding music and accompanied Mr. Auston, soloist. The bride, given in marriage by her father, wore a gown of tulle and lace. Her cap was also tulle and lace. She carried a bouquet of pink roses.

Paul McCannons was maid of honor and the bridesmaids were Miss Mary Laws, Miss Grace Minner, Miss Dorothy Gabriel, Miss Joan Duhadaway, and the bride. Mrs. McCannons wore a gown of fuchsia satin and tulle with white and pink to match the bride's. The bridesmaids wore a dress of gold satin.

John Alston was best man and the groomsmen were Mr. William H. Minner, son of New York, and Claude Poole, son of the bride, of Linwood, Pa. Mrs. Harden wore a dress of rose tulle, with dark blue accessories and a corsage of pink rose buds. Mrs. Wiegley wore yellow wool with brown accessories and a corsage of pink rose buds.

After a wedding trip Mr. and Mrs. Auston will reside in Middletown.

GRANT-CRUMP WEDDING ANNOUNCED

Announcement is made of the marriage of Miss Irma Grant, daughter of Mr. and Mrs. John Grant of Chestnut 30th, Newark, and Mr. Alfred E. Crump, son of Mrs. John Spence and the late Mr. Crump, White Crystal Beach, Earlville, Maryland.

The ceremony was performed on Monday evening, Jan. 22, in the sanctuary of the Methodist Church, Georgetown, Md., with the Rev. M. Eugene Hungerford, pastor, officiating. Mr. and Mrs. William Crump, brother and sister-in-law of the groom, were the only attendants.

Mrs. John Spence, mother of the groom; Mrs. Alfred E. Green, grandmother of the groom; both of Earlville, and Mrs. Helen Truitt of Newark were the only guests at the ceremony. A reception at the home of Mrs. Green followed the ceremony and was attended by a group of relatives and friends.

The bride is a graduate of the Newark High School class of '50. Both the bride and groom are employed with Hayes Corporation and will make their home in Newark.

AETNA AUXILIARY CARD PARTY TUESDAY

The Ladies' Auxiliary of the Aetna Life, Hook and Ladder Company will sponsor a card and bingo party at the Pheasant in Newark on Tuesday evening, Jan. 30. Playing will start at 8 o'clock. Please note that this party will be held Tuesday and not Wednesday as originally planned.

CARD PARTY BY ST. JOHN'S CHURCH GRP.

St. John's R. C. Holy Name Society will hold a bingo party on Friday evening, February 2, at 8 o'clock in the Church Recreation Room. Refreshments will be served and the public is cordially invited to attend.

Engagement Announced

Mr. and Mrs. Charles S. Starn, Decatur Avenue, Pleasantville, N.J., announce the engagement of their daughter, Miss Elizabeth M. Starn, to Mr. John W. Rittenhouse, son of Mr. and Mrs. Rittenhouse of 154 Academy Street. Miss Starn graduated in 1949 from Friends' School, Atlantic City. Mr. Rittenhouse graduated from Mercersburg Academy and is now studying mechanical engineering at the University of Delaware. He is a member of Alpha Tau Omega fraternity. No date has been set for the wedding.

DR. BUNTING SPEAKER AT FELLOWSHIP DINNER

Dr. John J. Bunting, Jr., pastor of the Newark Methodist Church, was the guest speaker on Tuesday evening of this week at the program-dinner meeting of the Soroptimist Club of Newark.

This dinner was the planned fellowship dinner to which had been invited the presidents of the other civic and service clubs of Newark.

Mrs. Ann Longenbach, program chairman, introduced Dr. Bunting who spoke on the subject of "Service," breaking it into three parts. First, service must be religiously motivated, second, all that is done must be intelligently directed, and third, that service must be a cooperative pursuit.

Mrs. Frederick Parle of Hockessin gave several solos and she was accompanied by a club member, Mrs. Marian Gilmore Wilson, also of Hockessin.

In addition to Mrs. Earle and Dr. Bunting, other guests included Mrs. Bunting, Miss Beatrice Hartshorn, Miss Hazel Lyman and Mrs. John M. Sentman. Guests attending from civic groups were: Mr. Joseph Shields, Rotary; Mrs. Raymond W. Heim, Newark New Century Club; Mr. Donald Savitch, Chamber of Commerce; Mr. Kenneth Steers, Newark Recreation Association; Mrs. Henry Mote, Newark Business Women's Club; Mr. Russell Hardy, Lions Club; Mrs. Samuel Handoff, A.A.U.W.; Mrs. William Skold, representing P.T.A.; Mrs. Charles Lanier, Girl Scouts; and Mr. Harry Dawson, Kiwanis Club.

MISS THERESA DUFFY'S ENGAGEMENT ANNOUNCED

Mr. and Mrs. James B. Duffy, of 77 East Park Place, announce the engagement of their daughter, Miss Theresa Marie Duffy, to Mr. James Preston Towers, son of Mrs. Grace Towers, of Christiansburg.

Both Miss Duffy and Mr. Towers are graduates of the Newark High School.

MRS. BENEDICT OBSERVES NINETY-SIXTH BIRTHDAY

Mrs. Christina Benedict of 15 Annabelle Street will observe her ninety-sixth birthday on Saturday, January 27.

Mrs. Benedict resides with her son and daughter-in-law, Mr. and Mrs. Charles E. Benedict.

MRS. DOUGLES HOSTESS TO OFFICERS & LEADERS

A meeting of the Executive Committee of the newly appointed group leaders of the Women's Auxiliary of the First Presbyterian Church was held at the home of Mrs. Carlton E. Douglas on Tuesday, January 23, for the purpose of the drawing of names for the organization of groups for the next two years.

Group members will be announced at the auxiliary meeting on Tuesday evening, February 6. Election of new officers will also take place at this time.

DAR GROUP WILL MEET WITH MRS. BOUNDS

The Cooch's Bridge Chapter, D.A.R. will meet this Saturday afternoon, Jan. 27, at 2 o'clock, with Mrs. Harvey Bounds, 219 Dalloway Road.

Mrs. Alex D. Cobb and Mrs. Wallace Cook will assist as hostesses.

This is the same meeting formerly scheduled to have met with Mrs. George Dutton.

PLEASANT VALLEY CLUB TO MEET FEBRUARY 1

The Pleasant Valley Homemakers Club will hold the February meeting, Thursday afternoon, February 1, at 1:30 in Otis Chapel.

Mrs. Gertrude Foltz, president, announces that the subject of this month's meeting will be "Art of Making Plastic Bags."

This local group is practically a new club being in its second year of organization.

MEETING OF BIBLE CLASS MONDAY, JANUARY 29

The business and social meeting of the Ladies Bible Class of the First Presbyterian Church will be held at the home of Mrs. Clinton W. Woodmansee, 159 Haines Street, Monday evening, January 29.

FRIENDSHIP TEMPLE HOLDS INSTALLATION

Mrs. Nora Schuen, past chief, installed the newly elected officers of Friendship Temple, No. 6, Pythian Sisters, on Friday evening, January 19. Mrs. Schuen was assisted by Mrs. Evelyn Stickle and Mrs. Virginia Durnall. The entire ceremony was described as being most beautiful.

Mrs. Olive Walther was installed as the Most Excellent Chief and the retiring Most Excellent Officer is Mrs. Betty Wood.

Other officers include: Excellent senior, Sarah Kelly; excellent junior, Sadie Moore; manager, Florence Woods; secretary, Mabel Hill; treasurer, Marian Durnall; protector, Julia Walther; guard, Mollie Beck, and past chief, Betty Wood.

Mrs. Walther appointed the following committee: social chairman, Virginia Durnall, and flower chairman, Clara Morris.

There was an especially good attendance with every temple in the state being represented including the grand chief and grand deputy of the state.

SOROPTIMISTS PLAN CARD PARTY FEB. 14

The Newark Post

The Newark Post, Newark, Delaware, Thursday, January 25, 1951

Hoop Highlights

by "Sideline" Sam

Newark High's eagles have been having heavy weather in their last few games. Newark's 3 and 1 record read 3 and 4 before the Sallies game. With consecutive losses to Brown, 57-45, Conrad 70-61, and Archmere 80-50, Newark has dropped below the ninth position in the state. In the last two games the Yellowjackets meet the two top teams in the state, Archmere and Sallies.

A win over the Sallies would boost Newark's standing considerably. We know that if N.H.S. defeats this team it will be the biggest upset of the season thus far. All we can do is hope. Blaney went wild against Conrad the other night by scoring thirty-six points. Before the Sallies game he had 134 points in six contests. Bunney has had a good start and may become county and state high scorer.

To jump away from high school basketball for awhile, let us look at other basketball activities going on around school. They are the Hi-Y and F.F.A. teams which are now underway. The Hi-Y has played three games thus far; they defeated the Hi-Y alumni and the high school J. V.'s and lost to Elkton High's varsity. The F.F.A. has played only one game and won that by a 46-16 margin over the A. I. DuPont F.F.A.

The high school intramurals have been underway now for a week and a half with seniors, the only undefeated team in the loop, in first place, the juniors, beaten once, in second place, followed by the sophomores and then the freshmen.

Getting back to high school basketball, the Yellowjackets have not had many rooters at their last two games. Pretty soon Newark will be playing a lot of home games and we would like to see more spectators. Maybe rooters will boost the team's morale and they will pull out of the present slump.

The Yellowjackets have opened up with a new offensive attack. Blaney, who is a forward, has been playing pivot-man. The Conrad game was the first game in which he played the pivot shot and he really racked them up. Maybe this new offense is a good thing; the sixty-one points Newark scored is the highest score they have run up in five tilts this season.

July 25 Final Date Veterans Can Begin GI Training Course

Coming Spring Session Is Last Term Most May Start Education

Veterans of World War II planning GI Bill education and training were reminded by Veterans Administration today that the July 25, 1951, cut-off date for starting courses is only seven months away.

This coming spring school term will be the final term most veterans may enter or reenter before the deadline, V-A said, so if they plan to enroll it's not too early to start making arrangements now.

The 1951 deadline applies to most World War II veterans—those discharged from service before July 25, 1947. Those discharged after that date have four years from their discharge date in which to begin.

Veterans actually must have commenced training by the cut-off date if they want to continue afterwards V-A said. A veteran must be in training on that date unless he has temporarily interrupted his course for summer vacation or for other reasons beyond his control.

Once he completes or discontinues his course of GI Bill training after the deadline, he may not start another course. Also, he must meet the following two post-deadline requirements:

He will be expected to pursue his training continuously until completion, except for conditions which normally would cause interruption by any student.

And he may change his educational objective "only while in training and then for reasons satisfactory to the administrator." Public Law 610, which permits a veteran to make a first change of general fields of study merely by applying for it, will not be in effect after the cut-off date, V-A said.

Special consideration will be given to four categories of veteran-trainees who, for reasons beyond their control, either may not be able to resume their training by July 25, 1951, or may not be in a position to remain in continuous training afterwards.

The categories are (1) veterans who have started GI Bill studies and interrupt them to go back into active military or naval service; (2) veterans who completed pre-medical and pre-dental GI Bill schooling and can't get into a medical or dental school by deadline time; (3) teachers who spend their summers taking training leading to a degree, and (4) those who complete GI Bill undergraduate courses and intend to go ahead with graduate training training which would start after the deadline date.

Back in 1890, men did 15 percent of the work, animals 79 percent and machines 6 percent. The production of goods per man-hour averaged 27 cents worth. In 1930 men did 5 percent of the work, animals 12 percent, machines 84 percent, and the product amounted to 82 cents an hour.

In 1950 it is estimated that men will be doing only 3 percent of the work, animals percent, machines 96 percent, and the product will be worth \$1.61 an hour.

Eight

Newark Five Drops 2 In Susky Race; To Meet Elkton On Sat.

Now In 3-Way Tie For Second With Record Of Two and Two

The Newark AA courtmen, after getting off to a fast start in the Susquehanna League, hit a slump last week and dropped games to VFW 2863 and Elkton.

Newark, with a record of two and two, is now bottled up in a three way tie with Elkton and the Frankies for second place in the circuit race, trailing undefeated VFW 2863, which has a firm grip on the lead with a 4 and 0 mark.

A split in the three-way knot may develop Saturday night when Newark meets the Frankies in the nightcap of a twin-bill at the Elkton Armory. Elkton takes on VFW 2863 in the opener, which will start at 7:30 p.m. The second game is slated for 8:30 p.m.

Newark suffered its first league defeat last Tuesday, when VFW 2863 handed them a sound, 64-53, cuffing. The local club was still groggy Saturday when they ran in Elkton and went down by a slim 56-53 margin.

In the latter game, faulty foul tossing proved Newark's downfall. The home five converted only five out of 17 charity tosses. Even so, Newark held a two-point advantage at the half-time, but a revitalized Elkton team returned to outscore Newark 16-11 in the third period and held their three point lead for the remainder of the contest.

Jack Loomis paced Elkton with 22 points, while Pete Klopp was high for Newark with 18.

Bulletin Helps Farm Families In Planning

To help Delaware farm families make better plans for 1951, the Delaware Agricultural Extension Service has published a new bulletin. This bulletin, "A Delaware Farm Family Plans for 1951," is now available at all county extension offices, and from the Information Office, Wolf Hall, Newark.

Miss Louise R. Whitcomb, extension home management specialist, and W. T. McAllister, extension marketing specialist, are the co-authors.

Elkton High's Girl Cagers Nip Newark

The Elkton High girls' varsity basketball team, tripped the favored "Newarkers," 28-21, recently on the Marylanders' court.

Brooks led Elkton's assault with 14 points, while Newark's Thelma Gray too krunner-up honors with 12 points. In the Junior Varsity game, Elkton found itself on the short end of a 25-17 score. Erma Foster contributed 15 points for Newark.

18,183 Hunters Given Licenses Since July

A total of 18,183 hunting licenses were sold by Delaware since July 1, 1950, according to a report from the U. S. Fish and Wildlife Service, Department of Interior.

A breakdown shows 231 non-resident and the remaining 17,952 resident licenses were sold.

Fees amounted to \$43,922. Wild-fowl hunters purchased 4,709 duck stamps. Receipts from the duck stamps go to the Fish and Wildlife Service for the maintenance and expansion of the migratory wildfowl refuge system.

Albert M. Day, director of the Fish and Wildlife Service, said that the nation's hunters paid \$37,641,049 for 12,626,539 licenses during the 1949-50 hunting season. The number of license sales dropped 132,159 below the 1948-49 total of 12,758,698 while fees rose \$2,674,362 over the previous year's record of \$34,966,687. Many states increased the cost of their hunting licenses.

Throughout the country, 1,954,734 federal migratory wildfowl hunting stamps were sold, a slight reduction in sale of duck stamps under the all-time high record of 2,127,598 in the 1948-49 fiscal year.

Delaware Farm and Home Week is January 30 through February 2, at Wolf Hall, on the campus of the University of Delaware, Newark.

Hen Courtmen Face West Chester Rams On Saturday Night

Edge Out PMC, 65-62, For Their Third Win In Conference Play

The University of Delaware cagers, idle since their 65-62 conquest of Pennsylvania Military Academy last Wednesday, will invade West Chester State Teachers College on Saturday night.

The Hens will return to the field house the following Saturday for a meeting with King's College.

The PMC victory, their sixth in eleven starts, was a hair raiser. The Hens were in command at the half, 23-18, but the loss of Jim Kruzinski, pivot man, on fouls shortly after the resumption of play staggered the Delaware offensive. Six foot, five-inch, Big Jim, is the tower of strength in Hen's rebound play.

The Cadets quickly took advantage of the loss and by the end of the third quarter had moved into a slim one-point lead. The teams fought on even terms through most of the fourth quarter, with the Hens inching to a 57-53 advantage in the dying minutes on a field goal and a foul by Billy Utt. But before the whistle sounded, the Cadets had surged back to lead 58-56. Delaware was saved in the final seconds by a scintillating shot by Dick Evans.

The game clinching goal was provided in the overtime session by Frank Albera, who also capped the victory with a free toss. Albera was high man for the game with 18 points.

Du Pont Develops New Dairy Barn Fly Killer

The development of a new insecticide, designed specifically for use in and around dairy buildings, was disclosed recently by the DuPont Company. This new product now makes possible a complete fly control program for dairy farms through use of just two spray materials.

Both barns and cattle must be sprayed to make such a program effective, Du Pont entomologists point out. Use of the new insecticide in barns, combined with applications of the currently recommended methoxychlor sprays on cattle, will achieve this result. Such a program will combine complete safety from toxic hazards with long residual protection of cows and premises.

The new insecticide for dairy barn use is a combination of two modern chlorinated hydrocarbon compounds—methoxychlor and Lindane. It was developed to give dairymen quick kill of flies, and to keep barns fly-free for a number of weeks following each spraying.

Jacket Courtmen Will Invade William Penn Tomorrow Night

Play Host To Claymont Here Tuesday; Bow to Arch And Salesianum For Third And Fourth Defeats In Row

The Newark High Yellowjacket courtmen, smarting under four straight defeats, will be out to revive their flagging fortunes tomorrow night when they invade William Penn High School at New Castle.

The Jackets will return to the home floor on Tuesday for a meeting with A. I. DuPont.

In their first appearance before the home fans this season, Newark bowed, 44-39, to favored Salesianum on Tuesday night. The Jackets' a desperate last period rally, pouring in 17 points to the Sallies eight, failed to cancel out the visitors' early lead.

The Sallies held a 18-15 margin at half and drew away decisively in the third period when they outscored Jackets 18-7.

Bunney Blaney, dependable offensive, paced the Jackets with 13 points. Last Friday night against Archmere, the Jackets found themselves outclassed, going down 80-50.

The only irritating part of the losing as far as the Archies were concerned was Bunney Blaney, who went through with 32 points for his mates.

The Archies, leading contenders in the state championship, jumped to a 24-7 lead in the first quarter. Last Friday night against Archmere, the Jackets put up their best performance in the final period, making the Archies point for point.

Blaney sank 12 from the floor, eight from the charity stripe for 32 point total, taking individual honors for the game.

Score by periods:

Newark	7	13	15	19
Archmere	24	15	20	19
Salesianum	4	14	18	11
Newark	4	11	7	11

HOW TO RATE "TOPS"

with your
Party-Line Neighbors

It's easy to win a reputation as a good party-line neighbor. It pays dividends, too...for when everybody on a party-line cooperates courteously with the others, everyone gets good service!

Two Suggestions: When you start to make a call and find the line in use, hang up gently and give the other person a few minutes to finish his call before you try again. And when, while talking, you realize that your neighbor is waiting to make a call, hang up in a few minutes and free the line.

Members of MYF of Red Lion Methodist Church will hold a bake in Wilmington at Fifth and King Streets on Feb. 2.

The group will also hold a covered dish supper for members in church house on Saturday, January 27.

The Bear Home Demonstration Club held its monthly meeting at the home of Mrs. Herbert King on Monday. Mrs. Pierce Fox presided. Officers were installed by Mrs. Fox as follows: president, Mrs. Hudson Walker; vice president, Mrs. Charles Moore; secretary, Mrs. James Blest; treasurer, Mrs. Herbert King. A covered dish luncheon followed. Secret pals names were drawn. Mrs. Herbert King and Mrs. Edgar Broomall were named to attend Junior training school on Jan. 24. The following school was held on Jan. 18.

Later, Miss M. Kathryn Jones discussed the outlook for 1951. It was voted to donate \$10 to the March of Dimes.

The new president named the following committee chairmen: citizenship, Mrs. Joseph Maronsek; safety, Mrs. Edgar Broomall; publicity, Mrs. Clarence Highfield; scrapbook, Mrs. Frank Arthur; annual reports, Mrs. Edward Walker; recreation, Mrs. J. Leslie Ford; Blue Cross, Mrs. Robert Goodrich; community, Mrs. Horace Eastburn; sunshine, Mrs. Samuel Harman; health and nutrition, Mrs. Walter Sweetman.

The club will meet with Mrs. Clarence Highfield on Feb. 19. The topic will be "The Art of Making Plastic Pocket Books".

Mr. and Mrs. Orville Davis, of near Bear, spent Sunday with her sisters, Miss Nan Hayes and Mrs. Bertha Jenkins, of Middletown.

The semi-monthly meeting of Pen-cader Grange was held Monday night. James L. McCormick, master, presided. Two new members applied for membership.

The master named the following committees: legislative, Delbert Gooden, John Butler, W. C. Brooks; health, Mrs. Melvin Brooks.

Mrs. Lucy Butler was on the sick list. Worthy Lecturer Edward Williams announced his programs for the year and opened the lecture hour. Taking part were: Mrs. Delbert Gooden, John Butler, Edward Williams and James L. Ford, Jr.

The next meeting, a Valentine's party, will be Feb. 5.

Michael Ogden has returned home from the Wilmington General Hospital after undergoing an operation. He is much improved.

The assembly period on Friday at Eden School was in charge of Robert Walker. The following program was presented: a reading "Rapunzel," by Eleanor Ennis; a piano solo by Wilbur Gregory; unscrambling of words led by David Moores; riddles read by Ronald McCracken; "Lottie Is Dot," a Swedish dance, by the fourth grade; a guitar solo by Robert Walker; singing by the group.

Mr. and Mrs. J. Leslie Ford were entertained by Mr. and Mrs. James L. Ford at dinner in Newark on Sunday.

Thelma Wright is suffering from virus infection.

Mrs. Ella Brown, who returned from Memorial Hospital after being a patient there for five weeks, is much improved.

Howard Stanky has been confined to his home for the past week with the grip.

Mr. and Mrs. George Messick, of Philadelphia, and Miss Bessie Davis, of Wilmington, spent Thursday with Mrs. Annie Harrington.

Mrs. Annie Harrington spent Sunday with Mr. and Mrs. Raymond Davis of Newark.

Mr. and Mrs. George Moore spent Sunday with Mr. and Mrs. Robert Moore of Smyrna.

Bear had quite a field fire on Sunday morning on the farm, of Clarence Highfield. Six companies responded.

Mr. and Mrs. Horace Eastburn entertained at a family dinner on Sunday.

Betty Moore, Bunny Shirling, Jackie Law, Carol Craig and Emma Cochran are learning to be majorettes. Quite a bit of interest has been created through the study of Sousa's marches.

Mrs. Ethel Ciel is confined to her bed with rheumatism.

Mr. and Mrs. Harry Moore, Mr. and Mrs. William Moore visited Mr. and Mrs. Robert Moore of Smyrna on Wednesday.

Mr. and Mrs. Paul Burge, Mr. and Mrs. George Moore and children, spent Wednesday evening with Mr. and Mrs. Lawrence Tobin of Wilmington Manor.

Gyro-Matic Offered On Latest Dodges

Gyro-Matic transmission, which frees the driver from sitting, is available on all 1951 Dodge cars except the Wayfarer Sportabout, it is announced by L. L. Colbert, president of Chrysler Corporation.

Last year Gyro-Matic was confined to cars in the Coronet series consisting of six body types. This year it is available on three additional lower-priced models, the Meadowbrook four-door sedan, the Wayfarer two-door sedan and the Wayfarer three-passenger coupe. The Wayfarer Sportabout is equipped with gyro fluid drive.

"People like Gyro-Matic so well that we have decided to make it available on our lowest priced cars," Colbert said. "This does not mean that all Dodge cars, excepting the Sportabout, will be built with Gyro-Matic. The demand for Gyro-Matic is greater than we can meet without present production capacity, but we'll build as many as we possibly can."

1951 DODGE CORONET FOUR-DOOR SEDAN

The 1951 Dodge Coronet four-door sedan has a wider windshield and wider rear window for improved driver vision. Bumpers and bumper guards are larger and the grille and hood are of a new modern design. All 1951 Dodge cars are equipped with the new, more comfortable riding Oriflow shock absorbers. The model shown above is available with Gyro-Matic shift-free transmission.

News of London-Britain Vicinity

Martha Ness, Correspondent
Phone Kembleville 2171

The John D. Boggs of Londonderry Farms, near Landenberg, recently entertained a number of relatives and close friends at a beautifully appointed party to announce the engagement of their daughter, Beverly, to Lewis Gale Halsey, son of Mr. and Mrs. Claude S. Halsey of Landenberg.

Beverly, as we all know her, is a graduate of Kennett Consolidated High School, and Lewis graduated from Avon Grove School. Lewis is in business with his father at Chadham.

The young couple has no definite date set, but plan on a spring wedding, and will live in one of the nearby towns, convenient to Chadham. Beverly has expressed gratification over the warm reception her friends and neighbors are giving the announcement. That's what you get for being such a gracious young person, Beverly. Besides—Don't you know "all the world loves a lover"?

Mrs. Prescott, who brought Grandson Jimmie Sanborn back from Florida in fine physical shape after his grueling encounter with a tractor and an operating table this summer, recently had to take a quick business trip home to Florida. She returned to the Morris Sanborn home Jan. 11 for a week and now is in Florida again.

More names are contributed to the list of young men who have gone to "do their bit for God and their country." Paisley is the name Landenberg contributes, while Duane Phillips has gone from Lewisville, and Lester Volk, son of Mr. and Mrs. Howard Volk, represents the Kembleville-New London area.

Mrs. Evelyn Baldwin, Mrs. Boggs' mother, was a houseguest at the Boggs home, Londonderry Farms, from December 23 to January 7. Her many friends from the community welcomed this charming lady from Bryn Mawr.

On January 3, Mrs. John Alcock entertained in Mrs. Baldwin's honor at a lovely tea. Guests included Mrs. Boggs, Mrs. Arthur Hixon, Mrs. Edwin Hixon.

It will no doubt please the many warm friends the Jack Corbets left in this community when they accepted a call to a pastorate of a Methodist church near Chicago to hear that both Jack and Sarah Ann are very busy and happy. In a recent letter Reverend Corbett told of a beautiful Cape Cod cottage, consisting of seven rooms, bath, sun porch, shrubs, flowers, in short—completely dreamy, which his congregation has just completed for them. It seems that he has started a young men's group and a young boys' group. Mrs. Corbett is conducting a first aid course.

It is interesting to note that one of our local girls made the DuPont magazine this last issue, and Beverly looked so pretty standing by that convertible, we can readily understand the cute fan mail!

We're all pleased with this news. Carrie Fields and Winnie Filipi have decided to start a 4-H Club. A requisite is that the candidate be ten years old. Any interested person should contact Mrs. Gerhard Filipi or Mrs. Harold Fields.

We think Agnes Sanford deserves a feather in her cap for the way she has worked and worried with Pammy's new pet little cocker spaniel Cinder-Cinder has been a sick puppy for some time, but Agnes' perseverance under the vet's direction has won out, and Cinder is going to get well.

Previous involvements and matters of health prevented a good attendance from this district at the recent Red Cross first aid course in West Grove. Now we are going to get a break. It was announced at the last Home and School League meeting that in a month or so there will be available from the West Grove area an instructor to come down here to instruct a group, provided there are enough interested in the course. Thirteen persons signified their interest that night. There will be a series of lessons, once weekly. Just give Mrs. James Sanford or Mrs. Alcock a ring and signify your interest in said course.

Don't forget the next Home and School League meeting which will be at Southbank School Feb. 13. Dr. Agnew Ewing has consented to talk to us on various matters.

Use Care In Studying Farm Machinery Needs

Dr. Arthur Ness appeared before the Scientific Planning Board in Washington, D.C., January 16.

The various eighth graders from this community report that a perfectly divine time was had by all at the Newark eighth grade class party.

The smash-bang impact of all the big building going on about Newark has everyone gasping for breath. Signs of a "boom" are many. If we, several miles out, are wondering how to preserve the rural atmosphere in our beautiful hills, and if various people in town are thinking in dismay how they chose the atmosphere of a lovely little university town, how much greater are the problems of those whose job it is to deal with the populace as a whole! We truly need an "esprit de corps" to carry through gracefully the development of this section so function and beauty will be combined permanently!

When companies like Chrysler Corporation and DuPont are willing to invest millions of dollars around Newark, there must be a reason.

I have been advocating, "Invest your money in Newark." It is a good safe place.

With the recent turn of events it is more and more apparent that I was right. There are many opportunities right here and if you can't see them someone else will.

You won't know Newark in a short time. I still have some nice investments, ask me about them.

Anything to sell, give me a call.

Selling is my business.

Rotary Hears Facts On Stine Laboratory

Dr. T. R. Wood, of the DuPont Company's Stine Laboratories in Newark, spoke at the local Rotary Club on Monday evening. He discussed the three new laboratory buildings being constructed on the Elkton Road and showed the club an artist's drawing of one of them.

"The laboratories," he said, "are concerned with research in animal medicine and nutrition." They are looking for new ways to increase the efficiency of livestock production. Dr. Wood pointed out that a large group of biological specialists was being gathered at the Stine laboratories for this purpose.

According to club president, Joseph A. Shields, the Rotarians are continuing rehearsals for the 1951 minstrel show each Monday evening in the basement of the Chinese restaurant. Any persons interested in joining the chorus are urged to attend rehearsals which start at 7:30 p.m.

Talented Cast Set For 'Outward Bound'

Mrs. Hanson's Theatrical Background Varied

When the curtain goes up on the University Drama Group production of "Outward Bound" on February 8, 9, and 10, in Mitchell Hall, local audiences will have an opportunity to see several featured players whose past experiences contribute a wealth of talent to the production.

Mrs. Charlotte Hanson, a member of the School of Education faculty at the University of Delaware and wife of Prof. Earl P. Hanson, will be seen as Mrs. Cliveden-Banks. The role of an intrepid dowager who has been a furious social climber, was played on Broadway by the late great Laurette Taylor. Mrs. Hanson played this same role when she appeared in "Outward Bound" as presented by the Little Theater group of Puerto Rico. It was this production that Dorothy and DuRose Heyward started to direct before the illness that resulted in his untimely death, and the loss to the world of the author of "Porgy and Bess." While she was in Puerto Rico, Mrs. Hanson had her own radio show, "News from Broadway," sponsored by the local little theater group.

The busy mother of two youngsters, David, 11, and John, 16, Mrs. Hanson has made several public appearances before local community groups in her work as an educator. Another chapter in her theatrical experience was her role of the leading character in "Family Affairs," a production of the Washington Street Players of Dobbs Ferry, N.Y. Mrs. Hanson is a native of South Carolina, but her career has taken her into many far places. She and Dr. Hanson spent two years in Liberia before their residency in Newark.

Other members of the cast, which is being directed by Mrs. C. R. Kase, are: Dr. C. R. Kase, Mrs. Mary Lake, Mr. Herman Middleton, Mr. Carl Jones, Dr. Michael Kubicek, Mr. and Mrs. Joseph Shields, and Mr. E. Clare Mahanna.

Alias Summons in Divorce IN THE SUPERIOR COURT OF THE STATE OF DELAWARE IN AND FOR NEW CASTLE COUNTY. Mary Rose Just, Plaintiff, No. 19 Civil Action, 1951. ALIAS SUMMONS IN DIVORCE. Defendant, Carl Raymond Just.

TO THE SHERIFF OF NEW CASTLE COUNTY: YOU ARE COMMANDED AS YOU WERE HERETOFORE COMMANDED.

To summon the above named defendant so that, within 20 days after service hereof upon defendant, exclusive of the day of service, defendant shall serve upon W. T. Knowles, Esq., plaintiff's attorney, whose address is Industrial Trust Bldg., Wilmington, Delaware, an answer to the complaint.

To serve upon defendant a copy hereof and of the complaint. If the defendant cannot be served personally, to publish this process as required by statute.

James M. Maloney Prothonotary. Dated Jan. 24, 1951. TO THE ABOVE NAMED DEFENDANT: If this summons is served personally upon you, then, in case of your failure, within 20 days after such service, exclusive of the day of service, to serve on plaintiff's attorney named above an answer to the complaint, the case will be tried without further notice.

If personal service is not made upon you and if this summons is published as required by statute, then, in case of your failure, within 20 days from service by publication of this summons, to serve on plaintiff's attorney named above an answer to the complaint, the case will be tried without further notice.

Four Fire Alarms Sounded On Sunday

Sunday was anything but a peaceful sabbath for Aetna volunteers. Four fires, the total for the week, broke out at widely separated points.

Three were grass blazes, causing little or no damage. The first broke out at 8:30 a.m. along the railroad on South Chapel Street. The second was near Bear Station at around 11:20 a.m. The third was reported around 1:25 p.m. along Harmony Road.

The final alarm came from outside the district around 9:30 p.m. for a fire on a dairy farm between Elkton and Chesapeake City.

135 Men To Attend Methodist Banquet

Clinton Brown, Lay Leader, To Talk

About 135 persons are expected to attend the men's fellowship banquet at the Newark Methodist Church to-night at 6:30 p.m.

The speaker will be Clinton Brown, lay leader of the Wilmington District, Peninsula Conference. The affair will be sponsored by the Men's Bible Class of the church, and the turkey banquet will be served by the Woman's Society of Christian Service.

Mr. Brown will outline the organization and purpose of Methodist Men, a group organized in many Methodist churches. The men at the banquet will have an opportunity to indicate their interest in establishing a group at the Newark church. Other persons who will speak briefly are as follows: W. Francis Lindell, lay leader of the church; David B. Cole, president of the Men's Bible Class; Maurice B. Field, teacher of the class; Professor W. A. Wilkinson, former teacher of the class; and Dr. John J. Bunting, Jr., minister of the church.

Leighton Jackson will lead in a singing period. Mr. Lindell, who has been chairman of the program committee, will be toastmaster. Mr. Cole is chairman of the arrangements committee, and Sam Dum is publicity chairman.

Services Held Sunday

For Mary S. Ferguson

Mrs. Mary S. Ferguson, 90, widow of the late Cecil W. Ferguson, died last Thursday at her home in Edgewood Terrace after a long illness.

A sister of Harry Strahorn of Newark, Mrs. Ferguson was born at Fair Hill, Md., the daughter of the late Edward H. and Anna Mary Penny-strahorn. She had lived in this vicinity all her life. Her husband died about 10 years ago.

Services took place Sunday from the R. T. Jones Funeral Home. Interment was in St. John's Cemetery, Lewisville, Pa.

In addition to her brother, Mrs. Ferguson is survived by two sons: C. Preston Ferguson of Wilmington, and C. Gordon Ferguson of Gordon Heights; and three grandchildren.

She was a former member of the Order of the Eastern Star, and was a member of Bishop Cook Memorial.

- Advertised prices are guaranteed for one week, even though market prices go up. We believe this policy helps our customers save more money.
- With the correct price marked on every item, plus an itemized cash register slip... you know what you save at A&P.

and Prove to Yourself That A&P's Storewide Everyday Low Prices Will Save You More Than Just a Few "Week-End Specials."

What's more, A&P gives you a full week's protection against paying higher prices on any of its advertised items, even though market prices should go up. This full week's protection applies to not just grocery prices alone. Whether for meats, dairy products, fruits and vegetables or bakery treats... every price shown here is good from Thursday through Wednesday of next week... not to merely Saturday of this week.

ALL prices shown here, not just grocery prices, guaranteed Thurs. Jan. 25 through Wed. Jan. 31.

"Super-Right" Meats

There's a big difference between "Super Right" meats and ordinary meats because every "Super-Right" cut is specially selected to give you tender, juicy good eating, and carefully trimmed to give you more of it for your money. Yet A&P prices these famous meats as low as possible, fine quality considered. Try them once... you'll buy them always!
