

To My Husband.

Brave and strong and manly and true,
 How could I help from loving you?
 Tender, ~~and~~ gentle ~~and~~ truthful and wise,
~~All~~ the soul of a god in your eyes.
 Soul of my soul I worship you,
 Husband of mine
 worship you? Ah Husband of mine,
 for you have I ~~placed~~ ^{made} my only shrine.

Some ~~men~~ ^{men} have gods to whom they bow
 And women too, have two gods I know,
 And I have you, oh soul of my soul,
 To give up my self complete & whole.
 What need have I of priest or creed?
 With you I find all I have & need.

Husband of mine, you have met two,
 That ~~is~~ ^{are} the refuge I find in you.
