Gentlemen:-

We wish to take this opportunity to express to you our appreciation of the high quality of the half-tones which you have furnished us for use in the "Class Book", as well as the prompt and business-like manner in which you have handled all the work which we have entrusted to you. We can thoroughly recommend you to anyone who wishes to obtain half-tones of the highest quality at a moderate cost. Such a combination of these qualities we have been unable to find elsewhere.

Thanking you for the many courtesies which have been extended to us in the course of the business relations which we have had with you, we beg to remain,

Very truly yours,
