How Does Your Bank See You?

As a number?

Just one of their millions of accounts?

Or a name?

Your name. That's the kind of treatment you can expect at WSFS.

We're big enough to help: Bank the way you want, where you want, day or night. By mail or phone. Get cash – with no fees – at a hundred ATMs conveniently located where you shop and work. We think you'll find our unique products, like the WSFS Plan Card or 100% Equity Loans and Lines, just what you've been looking for.

And close enough to care: Since 1832, we've been taking care of people the big banks ignored. And because we're right here, we can give you local loan approval.

In the beginning.....

The End of the beginning.....

It is not the critic who counts, not the man who points out how the strong man stumbled or where the doer of deeds could have done better.

The credit belongs to the man who is actually in the arena;
Whose face is marred by dust and sweat and blood;
Who strives valiantly; Who errs and comes short again and again;
Who knows the great enthusiasms, the great devotions, and spends himself in a worthy cause;
Who at best, know in the end the triumph of high achievement' and Who, at the worst, if he fails, at least fails while daring greatly, so that his place shall never be with cold and timid souls who know neither victory or defeat.

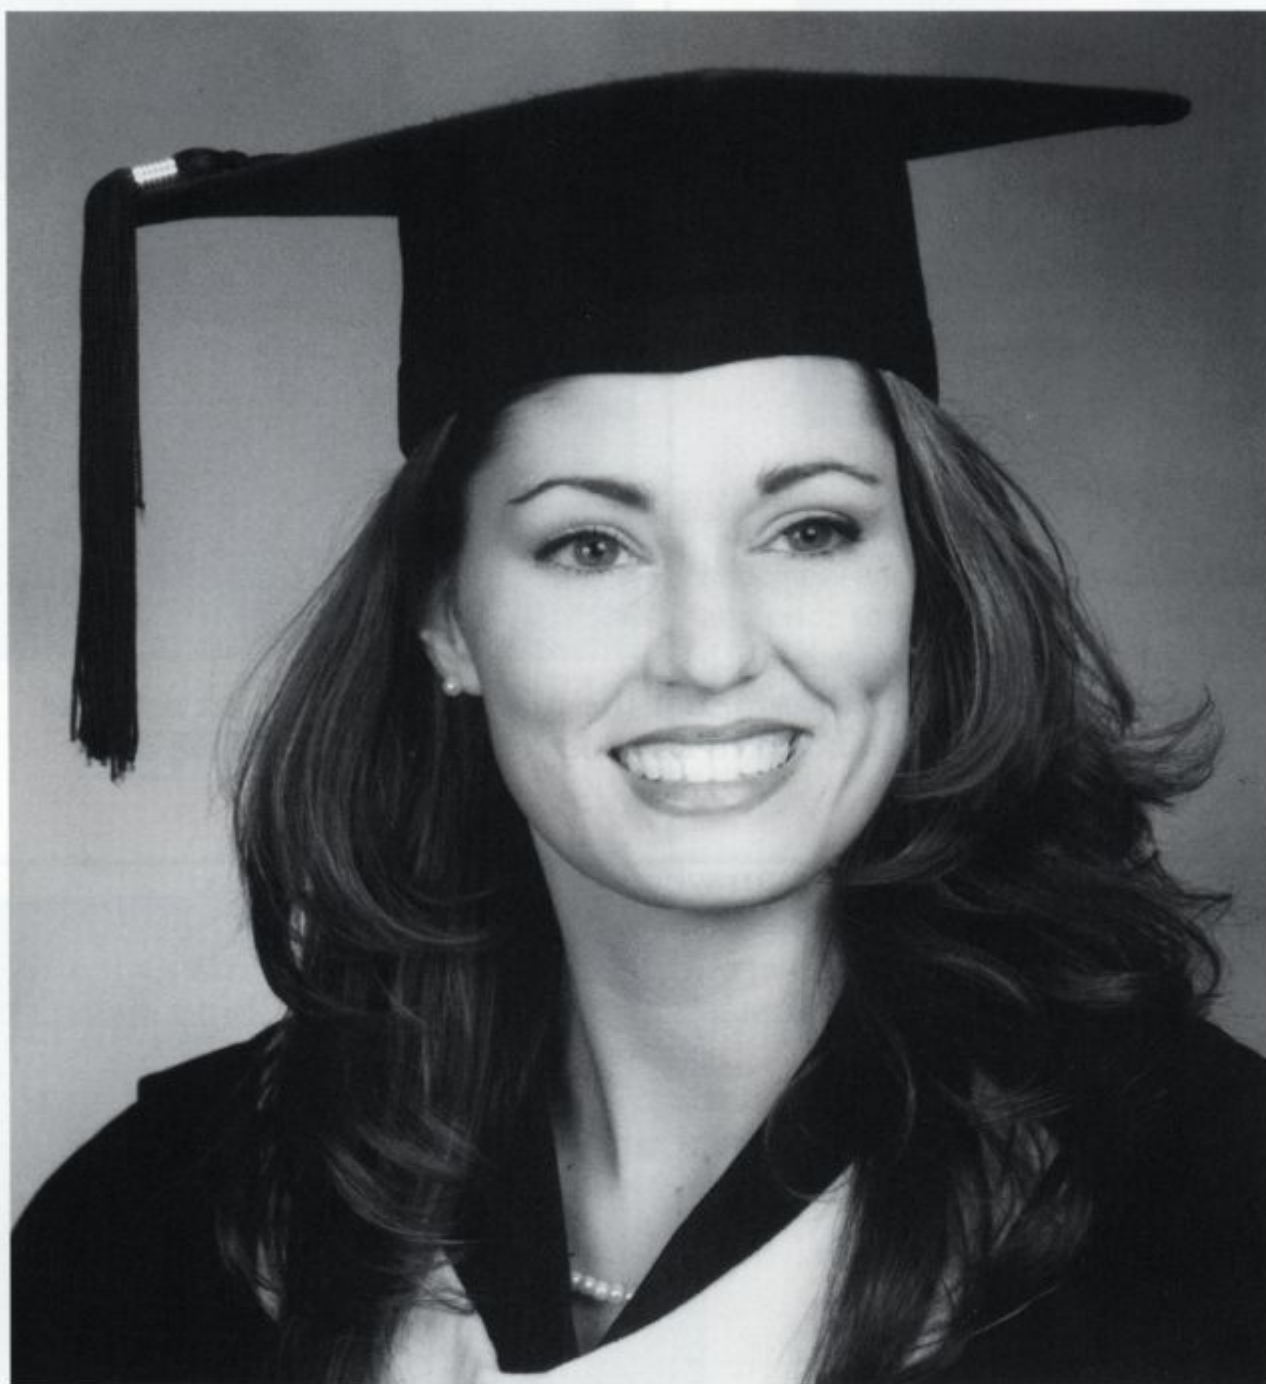

- Theodore Roosevelt

John,

We are very proud of you for what you have accomplished. Contentment is still a SIN. Remember the RULES that you learned in the Living Room. With you the LEGACY continues to thrive at a unprecedented level. You are now ready to "PLAY THE GAME."

*It started only yesterday
or so it seems.
We all came in as children
bright-eyed and full of dreams.
Every face was a stranger
would it ever end?
We were all so different then
yet, now we leave as best friends.
There was so much to experience
there was so much to learn.
We all made mistakes
everyone had their turn.
It wasn't always easy
but we still got by.
We relied on each other
together we would survive.
Now our days are numbered here
and it's time to say goodbye.
Our college life is over
but our friendship will never die.*
