# Excellence in Teaching

Award Recipients

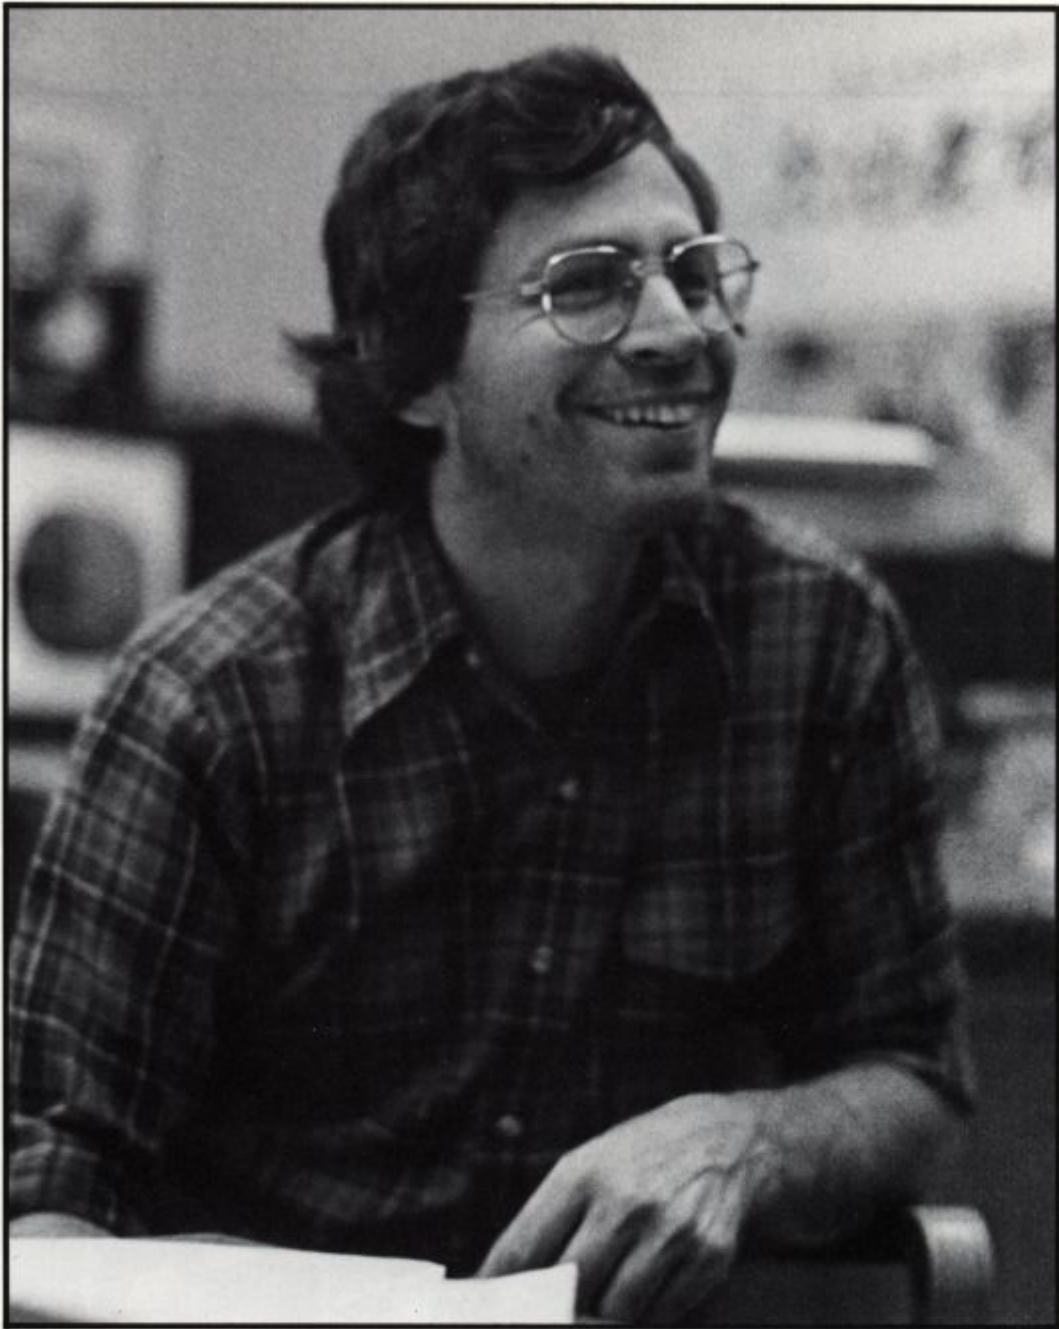

## Kenneth A. Lewis

Associate Professor, Economics

"The key is to be interested in teaching and get students interested in what you are doing — the rest will take care of itself. Be enthusiastic. Better teachers are genuinely concerned about their students."

## **Michael A. Greenburg**

Associate Professor, Mechanical & Aerospace Engineering

“When we’re high, there’s nothing nicer than sharing that with others. For me, learning is a sustained high, and teaching is the opportunity to share it.”

## **David F. Allmendinger**

Associate Professor, History, and Director of American Studies

"I try to make students scholars, doing original research from the start."
