NEWARK GETS ALERT

An unidentified airplane caused
Civilian Defense personnel throughout
the state to receive an alert warning
early this morning.

Harry L. Bonham, chairman of the
Newark Civilian Defense Council stated
that Newark received the Yellow
warning signal at 2:15 o'clock this morn-
ing and all members of the Civilian
Defense organization who go into action
on the Yellow signal were called.

No other call came through until 3:20
a. m., when the All-Clear was flashed
over the wires. At first it was thought
that someone was fooling until it was
later learned that an unidentified plane
had been sighted.

NEWARK PRICE PANEL SET UP

Group Plans
To Aid Both
Consumer And
Store Keeper

Mrs. C. Harvey Boyce, head of the
local War Price and Rationing office
at 93 East Main Street has announced
that there has been set up a price panel
for the purpose of aiding housewives
and storekeepers in keeping down the
cost of living in and around Newark.

The panel distributes information on
new food prices to the stores and is
at once ready to answer questions or
complaints from the consumers. Harry
Dougherty has been named as chair-
man of the panel and other members
are Mrs. Thomas F. Manns, Robert S.
Gallagher and Mrs. Harvey Bounds. Miss
Betty Hanson is the full time price
clerk at the Board.

The panel meets weekly to discuss
price control questions. If there are
any complaints against local merchants
who appear to be charging prices higher
than the ceiling, the Panel will ask
the merchant to come in for a talk
with a view of helping him to under-
stand the regulations.

If any housewife feels that she has
been overcharged, she should, rather
than complain to her neighbors, get in
touch with the Price Panel at the War
Price and Rationing Board. Often an
error or misunderstanding can best be
cleared up in this way.

TEST AIR RAID HELD TUESDAY MORNING

Test Drill
Comes As
Complete
Surprise

Newark experienced its second test
air raid of the month on Tuesday morn-
ing and the test raid came as a com-
plete surprise to members of the Civil-
ian Defense personnel.

Mrs. Norris N. Wright and Mrs. Mur-
iel Mannos were at the Warning Center
when the Yellow signal was flashed
over the wires at 10:04 a. m. They im-
mediately sent out the warning to the
prescribed list of numbers.

The first Blue signal came through
at 10:54 when the whistles and sirens
gave the public their first warning that
an air raid was in progress, and mem-
bers of the Auxiliary Police and Air
Raid Wardens immediately assumed
their stations.

The Red danger signal was given at
11:04 and lasted for ten minutes with
the second Blue signal being given
to the public at 11:14. The All-Clear
signal was flashed at 11:24 when street
lights were flashed on and off three
times.

During the test raid a simulated in-
cident was held at the corner of South
College Avenue and Sunset Road where
an unexploded bomb was supposed to
have been dropped. The incident was
taken care of by members of the bomb
squads.

Harry L. Bonham, general chairman
of the Newark Council for Civilian De-
fense was high in his praise for the
way that the limited number of Civilian
Defense workers handled the situation.

\$329,650 IN BONDS SOLD

Third War Bond
Drive Near End

Newark has sold less than half of
their quota of Third War Bonds it
was reported this week by George I.
Townsend III at the regular weekly
turn-in meeting held on Monday night.

With only a few days remaining in
the drive it is reported that only \$329-
650 has been sold while the quota for
the district was set at \$700,000.

Zone captains and their workers are
making an intensive drive to secure
sales from every resident of Newark
and vicinity in an effort to put the
town Over-The-Top.

Called To Army

J. E. H. Lafferty

ARMY CALLS EXTENSION SERVICE EDITOR

J. E. H. Lafferty
Reports For
Induction On
October 8

John E. H. Lafferty, Editor of the
University of Delaware Agricultural
Extension Service for the past two
years, has been ordered to report at
Camden on October 8 for induction
into the United States Army.

Mr. Lafferty, a native of Cheswold,
Delaware, took over the duties of Ex-
tension Editor in December, 1941, suc-
ceeding Wm. H. Zipp who resigned to
become associated with the Federal
Land Bank at Louisville, Ky.

Graduating from the University of
Delaware in 1938, where he received
his Bachelor's degree in agriculture, Mr.
Lafferty served as Field Agent in Kent and Sussex
Counties and was Field Agent and As-
sistant in Land Classification from June
to December, 1938.

He was Assistant Extension Econo-
mist from October, 1939 to June, 1940,
and served as State Bureau of Agricul-
tural Economics Representative from
July 1, 1940 to December, 1941 when
he accepted the position as editor of
the Extension Service.

Mr. Lafferty has been assisted by
Miss Betty Burch, a University of
Missouri graduate, majoring in journal-
ism, since January, 1943. Miss Burch
will likely carry on the Extension Ser-
vice work until Mr. Lafferty's successor
is named.

MEMBERSHIP DRIVE TO OPEN OCT. 1

Music Society
Plans To Stage
Concert Series

The Newark Music Society has an-
nounced a membership drive beginning
Friday, October 1, and extending over
a ten day period.

A series of concerts comparable to
memberships will be given, depending
entirely upon the support accorded
this organization which has existed in
Newark since 1923.

Admission to the concerts will be by
membership tickets, which is a new
basis intended to assure such artists
as Thomas Richner and William Mas-
selos, two pianists brought here
through efforts of the Music Society in
the past two years.

Those having heard Mr. Richner,
a Naumberg award winner, and Mr.
Masselos will realize the importance of
the largest membership possible.

Assisting in the sale of memberships
are: Mrs. Ralph Beaman, Mrs. Robert
Boyd, Mrs. J. D. Counahan, Mrs. S.
E. Dameron, Mrs. A. S. Eastman, Miss
Frederick, Anthony J. Loudis, Mrs. P.
K. Musselman, Miss Freda Ritz, Mrs.
Wm. Russell, Mrs. Frank K. Simons,
Mrs. R. E. Stone, Mrs. A. E. Tomhave,
Mrs. C. Webber and Dr. W. O. Sypherd.

Test Air Raid Follows Fire Drill

The second fire drill at the Newark
High School was held on Tuesday
morning at 10 o'clock at which time
the building was evacuated in one
minute and fifty seconds which was five
seconds slower than the first test drill.

Shortly after the student body and
faculty had returned to their class
rooms they were surprised by the alert.

LATE TRAIN STOP HERE SCHEDULED BY PENNSY

C. of C. Efforts
Result In Newly
Scheduled Stop
Here At Midnight

Persistent, untiring efforts of the
Chamber of Commerce, to have a night
train from New York and Philadelphia
stop at Newark, were rewarded this
week with the announcement that the
Pennsylvania Railroad had scheduled a
midnight train stop here, effective
Monday, September 27.

Headed by Weldon C. Waples, the
committee waged a long and bitter
struggle before the railroad company
finally consented to stop their 12:30
train from New York here to discharge
passengers from New York City, Phila-
delphia, Wilmington and other points
enroute.

It is pointed out that unless local
residents use this train and unless the
railroad company is convinced of its
need, the service may be discontinued
after a trial period and such a con-
venience lost to Newark patrons.

Leaving Pennsylvania Station at New
York at 10:00 P. M., the train leaves
Philadelphia at 11:46 P. M., leaves
Wilmington at 12:19 A. M., and arrives
in Newark at 12:30 A. M. Such a sched-
ule is especially convenient to shop-
pers, theatre goers and business people
who find it difficult to get home in
Newark in the late evening without
driving their cars to Wilmington.

Mr. Waples and his C. of C. commit-
tee already have received numerous
letters of commendation and appreciation
from the University of Delaware and
industrial firms whose representa-
tives will be benefited by the move.
It is hoped that others will show their
gratitude by using this train instead
of getting off at Wilmington and driving
home.

LOCAL DOG PICTURES ON DISPLAY

Three More
Enlistments
This Week

Three more enlistments have been
received for the War Dog Fund of
Dogs for Defense during the past week
it has been announced by Mrs. Harry
Clark Boden, in charge of recruiting
for this area.

Miss Mary Ella Betty has enlisted
her cat "Muff" as a corporal in the
Army. James Q. Smith has enlisted
his female police dog "Tuck" as a
Sergeant in the WAC's and Miss Eliza-
beth Grime has subscribed to an en-
listment as a private in the WAC's in
memory of her pet dog "Drouk."

In connection with National Dog
Week, Mrs. Boden stated that an ex-
hibit had been placed in the windows
of the O'Toole Real Estate Company,
duPont building, Wilmington, and one
of the windows was allotted for the
War Dog Fund of Dogs for Defense.

Many Newark subscribers have loaned
pictures of their dogs and pets
which have been added to the display.
Among those to be seen are: pictures
of both cats and dogs, loaned by Miss
Elizabeth Grime; Others loaning pic-
tures were: Miss Edna Samson, James
Q. Smith, Mrs. Hans Lebach, William
H. Walker, Jr., Mrs. E. B. Wright, Mr.
and Mrs. H. C. Boden and Miss Eve
Boden.

ROTARY MEETING

The Newark Rotary Club held their
regular weekly meeting at the College
Inn with Lester Scott, president,
presiding over the business session.

Samuel E. Dameron, program chair-
man for the evening introduced Dr.
Walter Hullahen, speaker for the eve-
ning who spoke about the trainees sta-
tioned at the University of Delaware.

Dr. Hullahen spoke about the inten-
sity of the training given and stated
that the boys are a selected group from
the best schools and colleges in the
country.

Next week's meeting will be the
monthly business meeting of the club.
The aims and object committee of the
club will meet at the home of E. New-
man Rose, 24 Kentway, at 7:45 o'clock
Thursday evening, September 30 to
discuss important business.

NEWPORT WAR BOND PREMIERE NETS \$74,450

War Veterans
Speakers At
Crest Theatre
Sunday Rally

Newport, Sept. 30th — About 300 people attended the Bond Premiere at the Crest Theatre Sunday evening which was sponsored by the Newport Civilian Defense Council. The bond sale in this area has to date netted the sum of \$74,450, divided as follows among the various sectors of the Newport Council:

Tuxedo Park, \$450; Silverview, \$250; Lyndalia, \$1,150; Woodcrest, \$3,775; Newport, \$11,250; St. Georges Bank Bond Sales \$2,275; Newport Post Office Bond Sales \$2,400; Century Wood Division of the Koppers Koke Co., \$50,000; Crest Theatre, \$3,000.

There were two veterans of the war present who spoke. One of the boys was in the Sicily campaign, having returned here only about a week ago. He told of the sensation of being bombed and machine-gunned from the air.

The other veteran had served in the North Atlantic; in the South Pacific, and in the Sicily campaign, where he had been machine-gunned, and bombed, and was suffering from a nervous condition.

The Belvidere Sector held a Bond Rally Sunday afternoon, launching their campaign with a parade and mass meeting held at the Belvidere School. Father Anderson of Wilmington spoke concerning the Racial Conditions which have resulted in riots in various sections of the country.

Mrs. Mae Brown also talked on Advancement of the Colored Race.

Arthur G. Craig, Assistant Coordinator of the Newport Civilian Defense Council spoke in behalf of the Council.

Mr. D. J. Richey, Principal of the Krebs School, announces that Mrs. Florence Gural of Tuxedo Park has been employed at the Krebs School as part-time Secretary. He also announces that Miss Edith Patterson, who has been a member of the faculty for several years, teaching the sixth grade, has resigned to accept a position in the Wilmington schools. Miss Mary Katherine Gray will succeed Miss Patterson as teacher of the sixth grade.

Mrs. Elsie Lynch, teacher of the third grade, accompanied pupils of her grade to Wilmington yesterday to visit Old Swedes Church and "The Rocks".

Mrs. Phyllis Heck, Supervisor, was a visitor at the Krebs School on Friday, observing methods of instruction.

Mrs. Elva Bogia, Bond Sales Chairman at the Krebs School, announces that sales this week amounted to \$827.40. The grades which were 100 percent in their purchases included Mrs. Dorothy Pyne's third grade; Miss Edith Patterson's sixth grade and Mrs. Margaret Ford's seventh grade.

The Women's Society of the Christian Service of the Newport Methodist Church sponsored a "Fellowship Supper" on Wednesday evening, at which time members got-together after their summer vacation, and discussed plans for church activities during the coming season. Mrs. David Stevenson, President of the Society, was in charge of arrangements.

Mrs. Julia McCallister of Newport who has been confined to her home for sometime by illness, observed her 66th Birthday Anniversary.

"Party lines, like all telephone wires, are busier than ever these days. If you folks will keep calls brief and be thoughtful of your neighbors, you'll all get better service on your party lines."

THE DIAMOND STATE TELEPHONE COMPANY

Dean Golder Elected Head of D.S.E.A. Unit

Dean Marjory Stuart Golder of Women's College was elected president of the University of Delaware Chapter, Delaware State Education Association, at the chapter's annual meeting this week at University Hall in Newark.

The committee on membership includes Prof. Leo Blumberg, Prof. Rena Allen, Dr. A. P. Colburn, Dr. J. Fenton Daugherty, Dr. Rees, and Professor Heim.

Delegates to the Representative Assembly of the D. S. E. A., are Dean Golder, Dr. Rees, Professor Heim and Prof. W. A. Wilkinson.

Harness and Running Races Here Saturday

Sulky races and running races will feature the matinee harness races to be run Saturday afternoon at the Old Huber Track on the S. E. Dameron farm at the east edge of Newark when the Homewood Driving Park Club will stage the largest show in the history of the track.

Walter Bolton, an official of the racing club has stated that many of the best and fastest horses in the east will be present to compete.

The circuit that has been built up this past year by the Delmarva Matinee Club has done much to revive interest in this sport and unusually large crowds have been present at all the tracks in the circuit.

The first race starts at 1:30 p. m.

HOW TO GET NEW "A" GAS RATION BOOK

Expiration
November 21

Detailed instructions for mail renewal of "A" gasoline ration books in the 17 eastern states and the District of Columbia have been forwarded to War Price and Rationing Boards with the suggestion that application forms be distributed as soon as possible, the OPA announced today. Local rationing boards will begin distribution of new books this month.

The expiration date of eastern motorists' present "A" books is undetermined, OPA emphasized. It had been hoped that an improvement in the gasoline supply situation might make possible an increase in "A" rations for easterners. This increase would have been accomplished by advancing the present expiration date of "A-6" coupons from November 21 to sometime in October.

At the present time, however, the supply situation in the East is not sufficiently improved to make an increase possible, and motorists must plan to make their "A-6" coupons last through November 22.

The renewal procedure will be simple. Motorists may obtain renewal forms at all Official Tire Inspection

Stations in the State of Delaware. Applicants for renewed rations must mail the forms back to their local rationing board. The applicant must be sure to attach (1) the back cover of his present "A" book properly signed, and (2) a current tire inspection record showing that proper inspections have been made. After checking the applications to make sure that the motorist is entitled to a new "A" book, the board will issue it through the mail. All "A-7" coupons (first page) will be detached from the new books. Motorists, on the date that the new book becomes valid, will begin using "A-8" coupons. These coupons will not be accepted for purchases of gasoline until that date, which will be announced.

Here's How Uncle Sam Would Like You To Save Gas and Electricity in Your Home

To release critical materials---fuel, transportation, manpower
---for war needs

COOKING

Don't use the range oven for
kitchen heating.

Economize in use of kitchen
range as follows:

Cut down on amount of water in which you cook
vegetables.

Cook more one-dish meals.

Keep burners clean.

Place utensil over top burner before turning on.

Turn burner off before removing utensil.

Don't over-cook foods, oven-peaking is wasteful of fuel
and time.

Water boils at 212° F. Violent boiling cannot make
it any hotter and will not speed up cooking. Lower
heat when liquids start boiling.

REFRIGERATION

Do not leave door of refrigerator
open.

Do not crowd or put hot or warm
dishes in refrigerator.

Remember to re-set refrigerator control
to normal after quick-freezing—do
not permit excessive amounts of frost
to accumulate on the freezing unit.

WATER HEATING

Economize in use of water heater by re-
pairing leaking faucets, insulating pipes
and tanks, not leaving hot water run-
ning while washing, not filling tubs for
baths, and setting automatic water heater
thermostat at a minimum of 120° to
140°.

HOUSE HEATING

Reduce house air-leakage by in-
sulation, storm-sash, weather
stripping and caulking.

Set heating thermostat at not over
65° and lower throughout as
many hours as possible.

Shut off the parts of house
which are not in use.

Shut off heat supply to garage. Keep
garage doors closed at all times.

Turn off heat before opening windows.
Close doors in rooms with open win-
dows. Turn thermostat down if it is in
room where windows are open.

Close fireplace damper when not in use. Make
certain damper fits tight. Open or loose-fit-
ting fireplace dampers are one of the greatest
heat wasters, as any opening to the chimney
will draw the heat out of the room.

Put heating system in top-notch condition. In-
spect air-valves on all radiators. Replace,
clean or repair any found inoperative. In-
spect air valves regularly during the heating
season. In hot water systems, open valves
once a month to let out accumulated air. Do
not cover or improperly enclose radiators in
actual use.

LIGHTS & APPLIANCES

Conserve in their use and turn off when not
actually needed. At the time of re-
newal, use lower wattage bulbs where
practical.

MAGICIAN ENTERTAINS CUB SCOUTS AT MEETING

3 Boys Join Cub Pack; Will Visit Launching

Newark Cub Scouts held their regular monthly meeting last Friday evening in the Scout rooms of the Old Academy building in charge of Jay Stouffer, cub master.

Three new members were welcomed into Cubbing. They were Charles Brown and Lowell Hendricks inducted into Den No. 2; and Robert Case who became a member of Den No. 7.

Rodney Smith and Dick Patchell were advanced to the rank of Wolf and Ben Bug was advanced to rank of Cub. Jimmy Lewis received Gold Arrow Points and the Den flag was presented to Den No. 1.

The members of the Pack were entertained recently by a trip to Wilmington to see the Blue Rock base ball team play and Norman Tweed reported on the trip and described the game.

Jimmy Lewis told about the Cubs going to St. John's R. C. Church on Sunday, September 12.

The Cub project for October is the making of benches for the Pack rooms and each member is required to bring games to play at the Halloween party which is being planned.

It is planned to have the members of the Pack visit a boat launching in Wilmington in the near future.

The Cub project for the past month was Ships and each boy was required to bring model boats to the meeting.

Howard Long and Roger Fouracre acted as judges and prizes of Defense Camps were awarded to Rodney Smith, Gus Skinner, Jr. and Milton and Jimmy Draper. Each Den presented a part skit about seafaring life.

Entertainment for the evening was provided by the Trumpet Trio consisting of Harlan Tweed, Jay Steinhauer and Burton Shean. Neal Suddard demonstrated feats of magic and how the hand is quicker than the eye.

Refreshments were served by Mrs. Philip Harrison, Mrs. Burton Mackey and Mrs. Edward Patchell, assisted by Ted Jim Bill Wollaston, Edmund and Joseph Stout.

OFFICERS NAMED AT SCHOOL

Christiana Stamp Sale Is \$122.45

Miss Ruth Elliott, principal of the Christiana Public school has announced that the following Club officers have been elected at the school: First and second grades, Howard Burris, president; Raymond Hales, vice-president; Anna Coleman, secretary.

Third and Fourth grade Reading Club, Thomas Baker, president; Anna Wierczynska, vice-president; Eugene Keely, secretary; Billy Davis, treasurer.

Fifth and sixth grades "Our Weekly Club", Nancy Murray, president; Betty Cleaves, vice-president; Ruth Ann Lockard, secretary; Bernard McHugh, treasurer.

Seventh grade "Blue Hen Club" Arthur VandePoole, president; Raymond Thorp, vice-president; Charles Burge, secretary; Joseph Stevens, treasurer.

Eight grade "Christi Club", Delena Amorosa, president; Virginia Cleaves, vice-president; Dorothy Keely, secretary; John Marvel, treasurer.

During the morning session on Tuesday there was a state wide test air raid and the students of the school had their first real test of the present term. The children proceeded to their various shelters in a most orderly manner.

Mrs. Arthur VandePoole told the eighth grade pupils about her recent trip to Chicago. Next week at the regular assembly program two boys will speak on hobbies.

F. F. A. BOYS HELP OUT ON FARMS

School Boys Help Farmers Save Crops

Thirty members of Newark Chapter, Future Farmers of America have enlisted in an emergency effort to help farmers harvest their corn crops and to help alleviate the shortage of farm labor.

Due to the shortage of grains with which to feed farm animals this coming year, the members of the Newark Chapter feel that it is their patriotic duty to help in this emergency and they are completing five days study in three days that they may have two days each week to devote to helping farmers of this vicinity.

The plan for having the boys help in relieving the labor shortage has been worked out by John E. Lawrence, instructor of vocational agriculture at the Newark High School, who is also faculty advisor of the F.F.A. chapter.

Last week the 30 boys who have enlisted in the effort to help farmers save their crops went to the farm of Raymond Vansant near Kemblesville on Thursday and to the farm of Richard Vansant on Friday.

PERMIT FOR FIELD TRIAL

It has been announced that the Delaware State Board of Game and Fish Commissioners have issued a permit to the Eastern Beagle Club to hold their annual A.K.C. Licensed field trials starting Saturday, October 2.

CHURCH SERVICE

Rev. Harris Is Speaker

The regular services of the Bible Presbyterian Church will be held at the Red Men's Fraternal Home, corner of South College Avenue and West Park Place.

This week in the absence of the pastor, Rev. Thomas G. Cross who is vacationing in Pennsylvania, Rev. R. Laird Harris, assistant professor of Old Testament at Faith Theological Seminary in Wilmington will deliver the message at both the morning and evening services.

At the morning worship service starting at 11 o'clock he will use as his theme "The Author and Finisher of Our Faith". In the evening, his subject will be "Strength in Adversity".

Sunday School will be held as usual at 10 o'clock under the direction of H. Lloyd Yarnall, superintendent. The lesson topic will be "Jesus and the Ten Commandments".

Sanders Campbell, the son of a missionary and a senior at Faith Theological Seminary, will bring the message at the regular mid-week prayer service.

Morning Services At The Head of Christiana Church

Services at the Head of Christiana Church will be held in the morning on Sunday, October 3. Sunday School will begin at 10 o'clock and the morning worship service will be held at 11 o'clock.

Harold L. Stanley, superintendent, will be in charge of the Sunday School hour. The lesson topic to be discussed is "Jesus and the Ten Commandments".

The pastor, Rev. Evan W. Renne, will bring the meditation at the Communion service at 11 o'clock on the theme, "The Greatest Text in the Bible".

New members will be received into the church and the choir will present two special numbers. A special offering will be received for the Presbyterian War Time service fund.

All members and friends are cordially invited to attend these services.

Southern States Members Receive Refund Checks

Members of Southern States Newark Service are receiving checks representing their part of the \$1,141,000 which Southern States Cooperative is paying to its farmer members in Virginia, West Virginia, Maryland, and Delaware. Of the total being distributed, \$905,000 represents a 2.5 per cent patronage refund, and \$136,000, a 6 per cent dividend on outstanding capital stock.

Besides the payments being made by Southern States Cooperative, a dividend of 6 per cent on capital stock has been declared by the board of directors of the local organization. The total of Newark's patronage refunds to members is approximately \$7,500. Membership in this cooperative, which is managed by M. D. Crowl, is about 700.

The board of directors for Southern States Newark Service is as follows: Harvey Crossan, president, Landenberg, Pa.; William McCloskey, Elmer Crossan, Frank Moody, John Mayer, Newark; George Hamilton, Robert Vannoy, Lincoln University, Pa.

How About That!

By
Ruth Safran

It was the first G-I wedding in Tunisia—flying soldier and flying nurse being married by a flying chaplain. And my friends Sgt. Paul S. Green covered the wedding for Stars and Stripes.

He tells how Paratrooper Kautz met Nurse Riley at Camp Kilmer, N. J., that they went over in the same convoy—but in different ships—and how they kept in close touch by plane.

"Together they sweated out the official OK from NATOUSA and finally the precious piece of paper arrived. In GI language it noted that Lt. Kautz and Lt. Riley, 'each being members of the United States armed forces and a person being subject to Military Law have each been granted permission to marry the other after 20, August, 1943.'"

"And so the great day arrived," Paul writes. "Lt. Riley's sister nurses—all of them in air evacuation work too—bustled about preparing the scene which was the back steps of the villa where they lived. They covered the steps and the wall with spotless white bed sheets. Over the sheets on the stairs they placed a bright red carpet begged or borrowed from a French chapel in town. A dresser also disguised in a sheet served as the altar. On top of the dresser the nurses arranged four golden candelabra, and four vases of flowers were set on the ground—two on each side of the altar."

"As his 1st hour of single blessedness drew to a close, Kautz paced the ground nervously in his high boots. 'It's worse than jumpin', he muttered. 'This time the chute better open'. The flying nurses, the pilots and the flying medics took their places as S-Sgt. Howard Goodwin, of Beverly Hills, Cal., coaxed music out of a tiny French organ and the in-

evitable 'Oh Promise Me' was sung. . . . The ceremony was short—from the chaplain's first words to the twin 'I do's'. . . . Then the newly married couple swept down the steps as they were hit by an old-fashioned rice barrage. . . . The pair started life in fine style: they were driven off in a shiny black carriage lined with white sheets and led by two chestnut mares with white bows on their reins and a freshly washed driver in clean suit and a black derby hat secured God knows where."

Magnanimous Gesture Department

There was a hush in the assembly at the High School when the principal got up to speak. And my cousin reported to me the following: "After a few preliminary words, the principal promised us that school would be dismissed the day peace is declared."

I remember being dismissed from college classes the day our school beat Notre Dame.

High, Wide and Handsome Bowling

It was the first night most of the war workers had ever bowled. One of them stuck to her ball as it went down the alley. Another managed to throw it over her shoulder. And one floored the instructor by asking for help and getting a spare on her first practice shot. By the time the evening was over, some of the brand new bowlers were breaking 100 on their score.

The teams drawn up so far include: Vada Mullins, Ruby Jones, Gladys 'Blackjack' Payne, Hattie Christian, Sadie Mullins, Tena Sheppard, Gladys McFarland, Cleo Satterfield, Kate Sullivan, Estelle Eatman, Billy Perry, Mrs. Amelia Nichols, Mrs. Mae Smith, Yetta Chaiken and Betty Douglas (who will Captain one of the teams).

With the experience of one night's playing behind them, the teams will take part in the League events tonight. Even 'Pistol-Packing Mother' . . .

If you're one of the lucky people with a Community Concert Series ticket to see Paul Draper dance Monday night, my personal observation is that you'll enjoy his artistry and fun. At least, that's the way the audience I saw reacted in New York last week. Mr. Draper strings all kinds of songs together—tunes, waltzes, blues, and ven "Pistol-Packing Mother" (as he referred to it) and somehow the result is coherent, delightful and entertaining.

Miss Ada P. Sherwin, Secretary for the Eastern District of the Board of National Missions of the Presbyterian Church of U. S. A. will be the guest and speaker at the 11:00 o'clock service on Sunday morning, October 3, at the White Clay Creek Church, Capital Trail, near Newark.

Miss Sherwin's visit is being sponsored by the Women's Missionary Society of the Church. The Young People are arranging special music for the program. A cordial welcome is extended to all. Rev. Clyde E. Rickabaugh is the pastor of the church.

SPECIAL SPEAKER AT GRACE CHURCH

An Evangelist and Missionary, Miss Elsie Reese, will be speaking at the Grace Church, Lovett and Benny Streets, October 3, to October 10, inclusive. The evening services will start at 7:45 P. M. and will be each evening of the week including Saturday.

Miss Reese is a successful Missionary among the Lesu Tribes People in China-Burma Border. She will be preaching from various topics in the Bible and will bring in much of her experiences in foreign Missionary work. You will find her messages interesting and a great encouragement to your life. Miss Reese will sing special numbers in the Chinese language.

Everybody welcome. Come and bring a friend. Rev. C. F. Krull is pastor of the church.

SURE SHOT

The test Air Raid that came as a complete surprise to residents of Newark and the members of the Civilian Defense personnel was carried off fairly well considering the fact that it was held in the day-time and a large percentage of Civilian Defense workers were not in town at the time of the test raid.

One of the most amusing incidents of the test raid was the fact that two young messenger boys on their way to the warning center after the whistle blew encountered Harry L. Bonham, head of the local defense council walking down Main Street. The boys accosted Mr. Bonham who was unknown to the boys, he was told that he would have to seek shelter because there was a raid on. Mr. Bonham complimented the boys on their efficiency.

Employees on the B. & O. Railroad feel that they are superior beings and should not be governed by the rules of the Civilian Defense. They think that they should be allowed to continue with their work while the red signal is on. Sureshot feels that their work is not one bit more important than anyone else's work UNLESS they are at work repairing that bumpy crossing. Say folks, I ask you, Ain't that crossing the limit?

When firemen go to a fire and do a good job—that is news; but—when firemen come back to the Fire House and find the fire engine is on fire—That is real NEWS. Further information will be gladly provided by the Fire Chief.

Folks—All joking aside—The Newark firemen have been taking it on the chin this week. Starting off last Saturday afternoon with a call to East Main Street where it was found that the seat of an automobile was on fire, the firemen have spent a very busy week.

Sunday the firemen received two calls, the first was along the B. & O. Railroad tracks where a locomotive had set fire to a field. Shortly after the firemen returned they were called to Ogletown where a straw rick on the John Kennelly farm was destroyed by fire. Prompt work on the part of the Newark and Christiana fire ladders, saved the outbuildings from catching on fire.

Monday the firemen responded to two more alarms which were field fires. Again on Tuesday there were two field fires and to top it off there were two more field fires yesterday. There are far too many field and grass fires. It is about time that the remen made a charge for that kind of fire fighting. Then there would not be quite so many.

Airplane spotters at the Possum Park Observation Post feel quite sad. The reason—Rev. Eugene Kramer who has been Day Captain at the post for Tuesdays has resigned. That is bad news.

Good News—Professor Frederick B. Kutz has signified his willingness to accept the post vacated by Father Kraemer. Professor Kutz will make a good Day Captain.

It has been stated that spotters at the Possum Park Post are proudly sporting medals on their chests denoting that they have faithfully served their country. I used to think that the Chestnut Hill post was some stuff but those dudes at Possum Park seem to take the lead in everything. It has been confidentially stated that they are planning to erect a flag pole. You don't suppose that they have any flag pole sitters out there do you. Doc Carl J. Rees is on the job as chief observer. He believes in having all the fancy touches for his post.

ROTARY CLUB TAKES ALL FOUR GAMES AS LEAGUE BOWLING OPENS FOR 1943

Masons Are In Second Place With Red Men and Elkton Triumph Tied For Third and Fourth Places; Milford X Road, Fifth; Danita Last

The Friday Night league at the Legion bowling alleys opened the 1943-44 bowling schedule last week and there was a large crowd present to witness the season opener.

GRID SQUAD FORMED AT DELAWARE

Shack Martin Coaches Squad; Games Sought

Formation of a freshman football team at the University of Delaware has been started under the direction of William E. (Shack) Martin, assisted by William S. Murray, head grid coach at Delaware for the past two years.

Martin's football squad, which numbers 31, is an outgrowth of physical education classes under Martin's direction. According to Murray, the boys are anxious to play a few games on the gridiron and as a result Martin is working with an inexperienced squad for which he hopes to schedule several games with high schools of the state.

Only one member of the squad, Larry Prucino, a halfback at Wilmington High last year, has had any real experience. The squad is light, in addition to being green, and Martin feels that it would not be above, or even equal to the calibre of most of the high schools of Wilmington.

At present, Martin is endeavoring to line up a schedule with surrounding schools.

The 31 boys out for football are all civilian students whose total enrollment at the university is 103.

Murray also announced the soccer schedule which opens Oct. 14 with West Chester State Teachers College on Frazer Field. The booters are being coached by Ed. Prince. Other games are with Navy Jayvees, home on Oct. 16; West Chester Teachers away on Oct. 23; Oct. 31, open; Nov. 6, Stevens Tech, home.

The Newark Rotary Club opened by winning all four games from Danita Hosier team. The Masons dropped the first game to Milford Cross Roads team 647 to 619 but came back strong to win the next two games and total pins.

Minnehaha Tribe of Red Men divided honors with the Triumph Explosives team from Elkton, both teams winning two points.

The honors for high score for the evening went to Dale Landers of the Rotary Club team with 583 for three games and high single game with a score of 258 pins. Dale Landers was the only bowler with a score of more than 200. Manning of the Danita team was next high bowler with a single game score of 187 and Howard Walstrum bowling for the Red Men was third with 176.

James Megilligan, manager of the Legion Bowling Alleys has stated that the Monday, Tuesday, Wednesday and Thursday night leagues have been filled and are ready to start their season. Several other teams have inquired into the possibility of rolling in late leagues, ones that start at nine o'clock after the first teams that start rolling at seven o'clock finish.

Mr. Megilligan would be glad to hear from other teams who desire to join late leagues willing to roll the last half of the evening.

The Thursday night league is composed of all-girl teams from Newark and Elkton.

BEAGLERS WILL HOLD FALL TRIALS NEXT WEEK

Eastern Club's Annual Event Will Be Run Over Club Course

Final plans were made by the members of the Eastern Beagle Club for the holding of their annual fall American Kennel Club, licensed field trials, which will start their running on Sunday, October 3 and will continue through Saturday, October 9.

The trials will be run over the club course on the estate of S. Hallock du Pont at Milford Cross Roads and Mrs. John W. Chalmers farm, Bluebell Gardens.

The running of the 13 inch All-Age Bitches class will open the week's trials on Sunday morning as this is one of the largest classes run at the trials and end the following evening. The 13 inch All-Age Dogs class to be held on Tuesday and Wednesday, October 5, will be known as Derby Day when both the 13 and 15 inch classes will run.

The 15 inch All-Age Bitches class will be run on Thursday, October 7 and the 15 inch All-Age Dogs class will run Friday and Saturday, October 8 and 9. The entry fee for the All-Age classes is \$5 per hound and the fee for the Derby Classes is \$3 per hound.

Prizes for all the classes will be 50 per cent of the entry fee divided as follows: 40 per cent to the first place hound; 30 per cent to the second place hound; 20 per cent to the third place hound and 10 per cent to the fourth place hound. Standard A.K.C. ribbons will also be awarded to all hounds placing.

The drawings for brace-mates will take place promptly at nine o'clock on the morning of the running of each stake and will be held in the clubhouse.

Raymond Vansant Buckingham, secretary of the club has announced that George Bowen of Lumberton, N. J., and C. W. Frank of East Orange, N. J., both well known in Beagle circles will act as judges for this year's trials.

NEWARK HIGH SCHOOL WILL OPEN FOOTBALL SEASON ON SATURDAY AT WILMINGTON

Yellowjackets Will Meet Brown Vocational In Opening Tussle; Clash With Conrad Scheduled For Thanksgiving Day

Newark High School will open their 1943 football season on Saturday afternoon when they will meet Brown Vocational at Wilmington, it was stated by Roland Jackson, the new Yellowjacket coach.

Lt. Harold Sheaffer Completing Combat Training

Lieut. Harold N. Sheaffer, son of Mr. and Mrs. Harold Sheaffer, 38 Prospect Avenue, is completing his combat training with the Army Air Forces heavy bombardment units at Geiger Field, Wash., and will soon be an expert navigator of a Flying Fortress. For many months Lt. Sheaffer has been subject to intensive instructions on his particular job as a member of a Fortress crew and is getting his final phases of training at that big base in the Pacific Northwest.

Lieut. Sheaffer entered the service in January, 1942, and prior to that he was employed by the Continental-Diamond Fibre Company. His brother, Robert, is a Naval Aviation Cadet, stationed at Corpus Christi, Texas. He is a graduate of the Newark High School where he excelled in many sports and also attended the University of Delaware.

Clarence Humphreys of Marshallton will act as field trial secretary and John Mullins and Clarence Burris will be field marshalls.

Dinner will be served each day at the club house and it has been stated that the kennels are insured against fire with a watchman on duty at all times.

Officers of the club are: Joseph Dougherty, Richardson Park, president; Charles T. Hartmann, Carrcroft, vice-president; Raymond Vansant Buckingham, Newark, secretary; and Charles Marlow, Jr., Wilmington, treasurer.

Newark's starting line-up will probably see Captain Joseph Talucci in the center spot on the line. Anthony Gokiewicz will be on the line as left guard; Marvin Butler, the Jackie's heaviest man will be at left tackle with Buddy Cataldi, left end. On the right side of the line there will be John Wells at guard; John Hamilton at tackle and Corbet Vansant on the end.

Donald Griffin will call the signals with Bill Hamilton and Walter Martin as halfbacks. Leonard George will start off in the tail back position.

Albert Vogel, manager of the team and his assistant Harvey Renshaw have spent a busy week assisting Coach Jackson with the various jobs of getting the team ready for their opening game.

Red Henderson has spent a busy week dogging the steps of doctors, school officials and the coach in an effort to get back in the game but due to a bad condition it has been stated that there is definitely no possibility of Henderson seeing action with the team. Henderson has been a real help to Coach Jackson in helping the boys both with sitting up exercises and signals.

Two more games have been added to the 1943 schedule this week. The Yellowjackets will oppose the University of Delaware freshman team on the local field Friday, October 29 and it was also stated that there will be the annual tilt with Henry C. Conrad High School on the latter's field Thanksgiving Day.

Coach Jackson expects to use practically every boy on the squad at the opening game Saturday.

THE END of September is in sight.

And the end of September brings us close to the end of the 3rd War Loan drive.

If you haven't bought \$100 worth of extra War Bonds—extra, mind you—dig up that money and buy your share today!

Men who are fighting for you... bleeding for you... ready to die for you... are waiting for the news that you people at home are backing them up 100%.

They know what invasion costs in blood

and lives. They know, too, what it costs in equipment, munitions, supplies, that must reach the front in a never-ending stream. And they're counting on you for the money that goes to keep that stream flowing.

No matter what you have to sacrifice... no matter how much it pinches... you cannot let them down!

They're calling on you to hurry, hurry, hurry! Get that \$100 extra into War Bonds before the drive is over.

3RD WAR LOAN

BACK THE ATTACK... WITH WAR BONDS

NOW!

**THINK WHAT IT'S

It's cold and cramped . . . damp and dangerous. You're hungry, too, although G.I. rations see you through. But, boy, how a good big steak . . . this thick . . . would taste! And a cup of steaming hot coffee! And a bath, and clean clothes! Boy!

And those shells! Man, that one was close . . . you wonder whether you'll ever see another morning. And if you do it will be push, push, push, all over again . . . attack! You think about the folks back home . . . whether they're thinking about you . . . whether they're helping - all they can.

Well, are you? Are you buying bonds with every-thing you've got? Buying them in addition to your payroll savings bonds? You can - you know you can . . . you know, way down deep, that you can spare an extra \$100 for an extra bond this month, while the Third War Loan Drive is on.

Your extra money is needed . . . desperately . . . you can't let those boys of ours down now! How will you ever look one of them in the eye, if you fail him now!

Dig down, buddy . . . dig down now . . . find that \$100, for an extra bond.

You can . . . you must . . . you will!
