STATE OF DELAWARE  
OFFICE OF LIEUTENANT-GOVERNOR

Dover, Delaware, April 19, 1937

Gentlemen of the Senate:

By vote of this body on April 16, action on Senate Substitute to Senate Bill No. 179 was deferred until today. It now becomes the duty of the Chair to announce its decision with regard thereto.

The title to the original bill provided for the erection of a bridge over the Murderkill at Bowers in Kent County. That of the substitute for the sale of land to the Delaware Railroad Company and the relocation of railroad platforms at State Road in New Castle County. It is obvious that the two titles have nothing in common and that the substitute bill was strictly new business.

Under Concurrent Resolution adopted by the Senate and House of Representatives, the time for the admission of new business has expired. A Concurrent Resolution may not be set aside by the Senate even under suspension of the Rules. It follows, therefore, that Senate Substitute for Senate Bill No. 179 may not be received or acted upon by the Senate. This is the decision of the Chair.

Many protests from school people from all over the State have come to me during the past forty-eight hours against the amendment to House Bill 312 which would take the appointment of State Superintendent of Public Instruction away from the State Board of Education. As President of the Delaware State Teachers Association I most vigorously oppose this measure which is wrong in principle and which if enacted into law would jeopardize the entire educational structure of our State. I sincerely hope that you will use your influence against it.
