*Congratulations to the Class of 1999  
Best Wishes for a Bright and Successful Future*

Look closely at AstraZeneca, and you'll see  
100 years of combined experience developing  
revolutionary medical advances worldwide.  
You'll see effective R&D teamwork, with 55 new  
pharmaceuticals in the pipeline and many  
more to follow. You'll see careful management  
that maximizes the potential of each compound.  
And you'll see 50,000 of the most creative and  
dedicated professionals in the industry.  
Together, we're AstraZeneca: a new  
force in world pharmaceuticals.

# How Does Your Bank See You?

**As a number?**

Just one of their millions of accounts?

**Or a name?**

**Your name.** That's the kind of treatment you can expect at WSFS.

**We're big enough to help:** Bank the way you want, where you want, day or night. By mail or phone. Get cash – with no fees – at a hundred ATMs conveniently located where you shop and work. Or go to a nearby full-service branch. Many are open evenings or seven days a week for your convenience. We think you'll find our unique products, like the WSFS Plan Card or 100% Equity Loans and Lines, just what you've been looking for.

**And close enough to care:** Since 1832, we've been taking care of people the big banks ignored. And because we're right here, we can give you local loan approval.

**Stop in at your neighborhood office.** We look forward to seeing you. **Or call us and compare.** 302-792-6160 or 1-888-WSFSBANK.

Right Size. Right Here. Right Choice.™

## YOU can make a WORLD of DIFFERENCE.

David Reed Photography/Mosentine

At Dade Behring, it is our mission to serve laboratory professionals by providing the products, systems and solutions necessary for their continued achievement. We do this by focusing exclusively on the needs of clinical laboratories worldwide; by understanding that our success comes solely from meeting those needs; and by believing in the impact we can all make in laboratory medicine.
