Dear Sister

I received your kind and welcome letter and was very glad to hear from you But Sorry to hear that you had been sick I hope this may find you intirely well as it leaves me at present. I have nothing of importance to tell you at this time. Nothing of note has occurred since I last wrote to you we are now incamped on a little Hill where we get all the cool air that is going. our Corps is going to guard the railroad from Falmouth to aquia Creek. There is a great many rights getting Discharged as they are nine months men and their time of enlistment has expired this time one year my time will Be nearly out But I am not any ways uneasy I am very well Satisfied

for you know a good Soldier never
grolls But takes every thing coolly
of course I would like to see you all
But as a Soldier I am willing to stay
till I can get a chance to come and
see you. when I come I want to come
hounourable. I dont want to go home
as many has done go and Be affrid
to come Back for fear of Being
Funisheed. Annie there is nothing
gives me more please than to do my
Duty and do it cheerfully then
I feel as though I have Done right
I have Been in the Service for too
years and have never had one
cross word said to me yet and
there is few of our company can
say that I ought not to speak
so well of my Self But the officer
whow Command me will tell you
or any one else that I have Been
what I listed for and nothing else

my heart was made glad the other
day By seeing a man from old
Cecil Co. he was in search of his Son
whom Belonged to our Company
But was taken Prisoner in the late
Battle. when he started for home
he gave me a hearty shake of his
hand and Bade me good By
I thought to my self as he left
that I might never see him a
gain. he told me to Be a good
Boy and mind my officers I
thanked him for his good advice
and he is now home and perhaps
grieving over the loss of his Son
there is many a Brave man But
the Dust Since this war Begun
there has Been some Brave men
of our regiment killed Since
we Come out we can mourn
their loss But we Cannot
Bring them Back again

There is Some talk of our Corps
Staying here this Summer But there
is no knowing whether tis so or not
we cannot put any Dependance
in any thing we hear as there
is always so many rumours
affloat we cant Believe any
thing atal we have only
got too hundred me in the
regiment and I think tis
nearly time we was getting
relieved from the front
or else getting recruited
up for one more Battle
will kill the rest or Scare
them to Death
