OFFICE OF THE PRESIDENT

Mr. George S. Messersmith
Sierra Paracaima 1285
Mexico City, Mexico

Dear Mr. Messersmith:

Dr. W. O. Sypherd has shown me his correspondence with you concerning your private papers. I believe he has told you of our desire to have them someday. Your willingness to have them deposited here is much appreciated.

It is my hope that you will stop in to see me when you are in the East. I would count it a real privilege to know you personally!

Sincerely yours,

John A. Perkins
President
