Pfc. Jas. T. Greenplate

Marine Private First Class James T. Greenplate, son of Mrs. Mary A. Greenplate, Elkton Road, recently completed his recruit training at the Marine Corps Recruit Depot at Parris Island, S. C., by receiving a promotion to his present rank. He also won the silver cross of Marine Sharpshooter when he fired 218 of a possible 250 with the Garand rifle.

Concert Tonight To Open Summer Series At Mitchell Hall

J. Robert King Will Direct Delaware Symphonette In Program Open To Public

The Delaware Symphonette will present the first concert of the University Summer Session Series tonight at 8:15 p.m. in Mitchell Hall on the University Campus. The orchestra will be under the direction of J. Robert King. The Symphonette will perform four works on Thursday, two operatic and two symphonic. The program will open with the Overture to the Magic Flute by Mozart, and will be followed by "The Walk to the Paradise Garden" by Frederick Delius. This work represents the incidental music to the opera, "The Village Romeo and Juliet," and is played between the fifth and sixth acts. The last two works on the program will feature Mr. William Saputelli, cellist, in the Haydn Cello Concerto in D Major, and Mr. Francis X. Gallagher, Narrator, in the "Lincoln Portrait" of Aaron Copland. The concert is open to the public without charge.

Close Inspection Helps In Choosing Washable Rayons

"Rayons are still a favorite of many women, but the problem of washability sometimes causes shoppers to buy other textiles," says Miss Ruth E. Pearce.

Miss Pearce, clothing specialist, of the Delaware Agricultural Extension Service, passes on some facts to remember if you want washability in the rayon you buy.

First, says Miss Pearce, look for a smooth even weave. Crepe or spongy weaves indicate that the fabric may wrinkle and shrink. Second, look for a firm weave, one in which the threads stay firmly in place, without fuzziness and ravelling that ruins seams. Third,

look for color-fast dyes, that won't run or fade in washing. To test color, clip a piece from the seam, and shake it in a glass of hot suds, and watch for coloring in the water. Be sure that trimmings are fast color, too.

Fourth, look for special finishes that make some formerly "hard to wash" rayons washable. If the fabric is so treated, the label will tell you so.

Common sense can be the guide to hand-washing versus machine washing, Miss Pearce suggests. If the label doesn't tell you, look at the construction and the weave. A well-constructed garment, with a firm fabric can often be thrown into the washer. But dainty rayons, such as lingerie crepes, washable sheers, tissue failles, and others, need gentle handling. Use lukewarm water and mild soaps, and never soak fine fabrics.

COURTESY PAYS on party-line telephones, too

Little courtesies, like Mike's stopping traffic to let Gramps cross the street, help to make life happier.

Consideration for the other fellow is the basis of good party-line telephone service, too. If you are always courteous on the telephone, you're sure to find your party-line neighbors the same. Remember the three R's of party-line courtesy — Relinquish the line as soon as possible when you hear others try to use it; Replace the receiver gently when you find the line in use; Regulate your calls so that others may use the line in-between.

Mr. and Mrs. Elmer Gallaher and daughter, Ellen, of Kirkwood Highway attended the wedding of Mr. Gallaher's niece, Miss Phyllis Gallaher of Elkton, last Saturday.

Miss Gallaher was united in marriage to Mr. Francis Tweed of Newark, in the Leeds Methodist church. Stephen Stanley, son of Mr. and Mrs. Harold Stanley, Delaplane Manor, entertained the members of his sixth-grade class of the Newark School at his home on Wednesday afternoon, June 11.

Miss Virginia Furness, daughter of Mr. and Mrs. Peter Furness, Kirkwood Highway, entertained a number of her friends on her birthday, last Thursday, June 12. Sister Susan, celebrated her ninth birthday a week previous to this and sister Allie's birthday was observed in May.

Mr. and Mrs. Furness and family enjoyed a trip to Rock Hall, Maryland, last Sunday, June 8.

Mr. and Mrs. Manlove McMullan, Kirkwood Highway, entertained Mrs. McMullan's mother and Mr. McMullan's father and mother at their cottage on the Northeast River, last Sunday, June 15.

Miss Grace Miller, daughter of Mr. and Mrs. Alexander T. Miller, Roseville Park, entered the Alfred I. DuPont Institute on Monday of this week for further treatment.

Mrs. Harold Stanley, Delaplane Manor, suffered a bad cut finger on Wednesday of last week. Freshly-sharpened knives can be very dangerous at times.

We are glad to report that Miss Margaret Lamborn, Polly Possum Park Road, is able to be back at work again after a bout with rheumatic fever.

Roseville Park Branch Library The library at the home of Mr. and Mrs. Charles Raymond, 1419 Avenue, will be closed until Saturday, June 28th.

White Clay Creek Presbyterian Church

Mrs. David Anderson, Jr. entertained the members of her teenage class at her home on Harmony Road, last Wednesday, for an outdoor hot-dog roast.

The Sunday School children who participated in the Children's Day program were entertained by their teachers with ice-cream, cakes, and candy on the lawn of the church on Saturday, June 7 following rehearsal.

Miss Hazel Johnston's Sunday School class together with representatives from the other organizations of the church have formed a committee to study the problems of improving the lighting in the church auditorium.

Rev. Bishop announces that the four windows for the east side of the auditorium have been ordered. These memorial windows are to be installed for dedication on World-Wide Communion Sunday, the first Sunday in October.

Next Sunday, June 22, at the 11 a.m.

church service the pastoral message will be "Expected—Something More."

Vacation School Willard Johnston, Chairman of the vacation school committee, announces that the session has approved the following staff members for the vacation school to be held at White Clay Church for two weeks beginning June 23.

Mrs. James Bishop, Director, Mrs. Thomas Davis, Mrs. Miller Darrell, Mrs. Frank Buckingham II, Mrs. Paul Peach, Miss Janet Allen, Mrs. Charles Raymond, Miss Ellen Gallaher, Rev. James Bishop.

Staff members will be installed in the morning church service on Sunday, June 22. The Sunday School offering on that morning and the loose offering in the church service will be devoted to helping defray the expense of the school.

Homecoming Sunday Sunday, June 29th, is Homecoming

Sunday. This will be the 200th Anniversary of the first church structure on the present site of the church. The regular morning service will be at 11:00 a.m.

At 2:00 p.m. Dr. Willard Purdy, moderator of the Synod, will bring the message. A committee from the Improvement Society is making arrangements to serve a light lunch following the morning service.

Open Letter to Newark

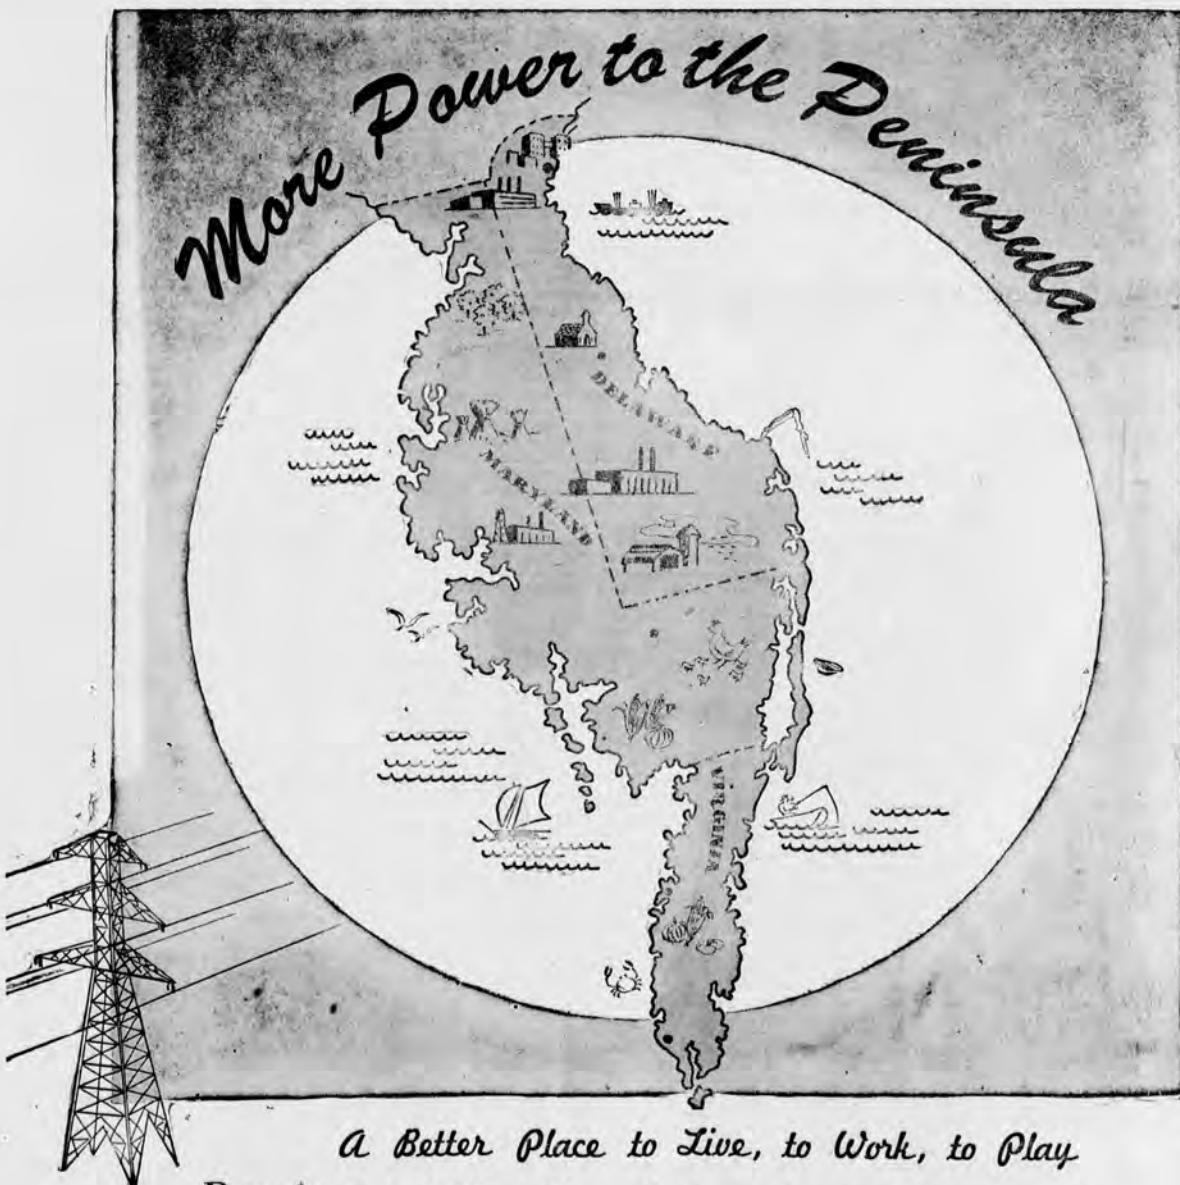

Effective June 16 I, George Jackson, withdrew from the concern known as Jackson's Hardware in Newark.

I would like to take this opportunity to thank the many friends and customers with whom I have dealt during the past 25 years for the favor of their friendship and business.

To my successor I wish the best of luck and trust that you will continue to favor him with your valuable patronage.

Sincerely,

GEORGE JACKSON

A Better Place to Live, to Work, to Play

DELMARVA—Peninsula of Plenty, with more electric power for home, farm and industry. Power to operate the machines in our diversified and expanding industrial plants . . . to help the farmer produce more, with less effort and greater profit . . . to make housework easier, more pleasant . . . to help you enjoy the increasing number of leisure hours the use of abundant electric power provides. While the supply of

electric power is more than adequate to meet your present requirements, we are planning and building now to meet your future needs . . . to keep Delmarva a "Peninsula of Plenty," with plenty of power for everyone. To provide all the power that's needed to keep the Peninsula a better place to live, to work, to play.

Representatives of the Hockessin meeting of the Society of Friends will attend the Friends General Conference opening at Cape May, N. J. June 28 and closing June 30. The theme is "To Live More by Christian Principles Than by This Atomic Age." Special activities are planned for each member of the family. Round table subjects include: human rights, building the institution of Quaker principles and strengthening life. Speakers will be Clarence E. Pickett, honorary secretary of American Friends Service Committee, and Patrick M. Malin, director of the American Civil Liberties Union. The celebration of the 300th anniversary of Quakerism will also take place. The "Three-in-One" Homemakers' Club will sponsor a baked goods and Club sale in front of Jackson's Hardware Store on Main Street, Newark on Friday, June 27 starting at 12 noon. Mrs. Raymond Cochran, Mrs. John Lynch, Mrs. Clarence Jester, and Mrs. Martin Gauger comprise the committee. Mrs. Robert P. Major is the club's delegate at the annual short course which opened yesterday and closes Saturday at the U. of D.

As a community-wide project, the Hockessin-Yorklyn Lion's Club will again sponsor swimming classes for youth of the area. Miss Dorothy Williams of Yorklyn, will be the instructor assisted by Thomas Watson. Mrs. Fred Annand of Limestone Road has returned home from San Diego California where she spent eight weeks at the bed side of her son, Lt. Richard Annand who was seriously injured in a plane crash. Friends will be glad to hear Richard able to sit up. He is a patient in the Naval Hospital there.

Ebenezer Methodist Church

Carl Nelson, Sr.; publicity, the Rev. E. J. Horney, Miss Catherine Dempsey, Mrs. Harry Nelson.

The official board will hold its June business meeting next Monday at 8 p.m.

A nursery will be started for the parents who wish to attend the Sunday morning services with out the responsibility of their children. Mrs. Paul Nelson and Mrs. Gilbert Unger will outline the plan and children between the ages of two and six will be cared for during the worship services.

The Mite Circle held its annual Men's Night Tuesday night when the older members heard recollections from the days when the horse and buggy brought the men and women to monthly meetings. The meeting date had to be as near full moon as possible to enable the traveler to see the roadway. Excerpts from the early Mite journals were surely interesting. The Rev. E. J. Horney was host to the group at the parsonage and served as program chairman with Leonard Nelson and George Knotts as his assistants. Gray Lomax, Clarence Jester, and Herman Biddle had charge of refreshments.

The Helping Hands Circle held its final meeting for the summer last Wednesday night with Mrs. R. P. Major as hostess. Plans were made for the annual picnic on July 8 at Port Herman, Md. A picnic lunch will be enjoyed.

Lindsay Greenplate and his fiancé, Miss Marjorie Saylor of West Chester, Pa., and Leonard Nelson, Jr. — spent the weekend at the Peninsula Methodist Conference Camp near Centerville, Md.

Harmony School
Closing exercises were held last Monday for the students and parents. An amateur show was given by the students and cash awards given to the winners by Mrs. Elsie W. Stradley, teacher. Joyce Cannon and Mary Emma Ransom tied with Sallie Evans for first prize; Linda Hahn and Mary-

ann Springer tied with Betty Springer for second. Robert Hahn won third, Faye Trimble and Fay Cannon tied for fourth. A program of sports followed and prizes were won by Stanley Springer, Daniel Barlow, Nancy Barlow, Shirley Barlow, Norman Ransom, Sallie Evans, and Betty Springer. The school won the attendance banner for the school year having captured it six times. Perfect attendance certificates were received by Daniel Barlow and Nancy Barlow, four years; Anthony Springer, Stanley Springer, Barbara Cannon, three years; Maryann Springer, Shirley Barlow, Sophia Springer, two years; Robert Hahn, Jr., one year. Maryann Springer and Sallie Evans who completed the sixth grade and will enter H. C. Conrad High School for their junior high work, were first honor roll pupils for the final marking period as was Joyce Cannon of the fifth grade. Sallie Evans has been a first honor roll student for the entire term. Sophia Springer was placed on the second honor roll.

All the desks in the school room are being refinished during the summer.

Mermiad
Robert Hahn who is associated with the Hercules Powder Company, left Saturday for Mexico where he will remain for a month.

Dale Nowland is spending this week with his uncle and aunt, Mr. and Mrs. Marshall Golt at their home near Kembleville, Pa.

Red Clay Creek Presbyterian Church
A daily vacation Bible school opened this week for the children between four and fourteen. Mrs. George T. Jamieson and Mrs. Jesse Harmon are the directors for the school which will close June 27. The members of the teaching staff and assistants include the Rev. G. T. Jamieson, Mrs. S. S. Dennison, Mrs. W. H. Naudain, Mrs. Leroy Parker, Mrs. Paul W. Hitchens, Mrs. James Alexander, Mrs. Harold Creamer, Mrs. Andrew Mitchell, Mrs. Harold Wivel, Miss Sarah Dennison, Mrs. Richard Beard, Mrs. A. E. De Pamphilis, Miss Doris Woodward, Mrs. Dale Seymour, Mrs. Robert Frederick, and Miss Jane Frederick.

The Women's Bible Class held its final meeting for the summer last Wednesday night. Mrs. Calvin Ball and Mrs. Alice Benson were hostesses. Plans were made for the annual picnic to be held Aug. 2 at Port Herman, Md.

The Women's Missionary Society will conclude its activities for the summer with a meeting this afternoon. Mrs. J. Robert Frederick is program chairman. Tuesday evening, the group heard a talk on "Guatemala" given by Mrs. Joseph Holton Jones of Wilmington at a meeting of the Lower Brandywine Church Society. Mrs. Jones visited that country recently and gave her impression of conditions there.

OPS Answers

Q. What does this court decision allowing Capehart increases to retailers and wholesalers do?

A. The effect would be to raise the cost of living, particularly in foods, where prices mostly are at their highest levels. For that reason Director Ellis Arnall of OPS has asked the Congress to clarify the Capehart Amendment so that it is clearly only applicable, as was the intent of the Congress, to manufacturers and processors. The consequences of applying Capehart increases to wholesalers and retailers, says Arnall, would be a step so far-reaching, so disastrous to effective price stabilization, that the amendment to the Defense Production Act must be made explicitly inapplicable to wholesalers and retailers.

TO FRIENDS AND CUSTOMERS OF JACKSON'S HARDWARE

Effective June 16 George Jackson retired from a business he has faithfully served for more than 25 years here in Newark.

On that date the management of Jackson's Hardware was taken over by Herman Handloff.

The new manager and his staff will be happy to serve the many established customers of the concern and to secure many new friends through improved service in what they hope will be the finest hardware store in Delaware

Good luck to George Jackson in any future ventures and congratulations on a job well done.

Continental Diamond Fibre Company Newark, Delaware

June 17, 1952

TO OUR EMPLOYEES:

On next Friday, June 20, you are going to vote on the question whether you want the United Textile Workers Union to represent you at this plant, or whether you prefer not to be represented by that Union.

The ballot will be secret. No one will know how any employee votes.

It is the right as well as the duty of each employee to vote. It is a duty which you owe to yourselves and to your family as well as to your fellow employees. Nothing could be of more importance to your present and future welfare and your right to work at your job in peace and security, without interference or dictation from anyone.

The Company is not for or against any Union. That is for you alone to decide. We urge you to vote on the BASIS OF TRUE FACTS — not on fear or empty promises made by outside paid organizers. Do not allow yourselves to be deceived by any of the campaign "hog-wash" as to the claimed advantages of voting for the Union. Investigate the facts. Have the Union organizers told you the facts or have their statements misrepresented the facts?

DID THEY TELL YOU —

That the wage increases which the Company has granted at Newark and Marshalltown during the last four years have been no less than those granted at Bridgeport?

That the wage rates in certain classifications are higher at Newark and Marshalltown than at Bridgeport?

That pay for unworked holidays, vacations, group life insurance, weekly sick and accident benefits and other fringe benefits are the same at all the Company's plants — that they are not greater at Bridgeport where the United Textile Workers Union negotiated the contract?

That at Bridgeport all employees after thirty days of employment are "forced" to join the Union and pay Union dues or the Company must fire them?

That even though no initiation fees are being charged now, if it wins this election, the Union will later require all members to pay dues, to say nothing of fines and assessments?

That of the many authorized and unauthorized strikes at Bridgeport in recent years, the last one continued for about a month and a half?

That this same United Textile Workers Union tried to organize Synthene, a competitor of your Company located in the Bridgeport area, and the Synthene employees would have no part of this United Textile Workers Union?

What they will do with the money you would be required to pay them as dues, fees, assessments and fines?

DID THEY TELL YOU why the United Textile Workers Union asked the Company to promise that it would not send letters to its employees about this election?

We want to repeat what we said in our previous letter — that there are no advantages that the United Textile Workers Union can obtain for you which you cannot obtain for yourselves, without payment of dues and without running the risk of loss of work, loss of pay, loss of friends, loss of peace and security.

We know that if your decision is based entirely on FACTS — FACTS that have been established by experience, your vote will be "NO" — so overwhelmingly "NO" as to prove conclusively that our employees do not need and do not want this Union. It should then quit bothering you and allow you and us to go about our regular normal business.

Sincerely yours,
CONTINENTAL-DIAMOND FIBRE COMPANY

"The Store For Better Values"

Horses, Not Track, Given Full Credit For Records on Saturday

The record-breaking performances of King Ranch's High Scud and Bayard Sharp's Hannibal at Delaware Park on the weekend assumed additional brilliance today when track superintendent Clarke M. Pardee said there was no rolling or scraping of the racing strip before these races — merely normal maintenance procedure.

High Scud romped off with the mile and a sixteenth Kent Stakes in 1:42 1/5, clipping two-fifths of a second from the former mark shared by Natchez and Plucky Maud. The colt won by six lengths and could have run faster had he been extended. The smashing effort pushed the Robert J. Kleberg colorbearer right into the muddled three-year-old picture. Hannibal passed up the Kent to gallop home a five lengths victor in the six furlong Pan Zareta Purse. His time of 1:09 obliterated the old track standard of 1:10 1/5 and came within four-fifths of a second of Bolero's world record set at very fast Golden Gate Fields in 1950.

With turf followers still talking about the fast times made here Saturday, Pardee — as much impressed as anyone else by the remarkable races turned in by High Scud and Hannibal — readily supplied answers to queries and took a group of turf writers on an inspection tour of the running strip. Sure enough, the safe four-inch cushion looked as hard as today.

"The track had as much cushion as ever Saturday, if not even more," Pardee said. "On Friday evening, it had the periodic re-mixing of the topsoil, or loam, which supplies the four-inch cushion to protect horses' underpinning. We used the drag harrows, but the strip was not rolled or scraped and no effort was made to make it faster, or other than normal. What we did was normal maintenance such as takes place three or four times during a meeting and always following heavy rains."

"You can attribute Saturday's fast times to the fact that the re-mixing of the top soil meant a livelier but safe cushion. We had a recent six-day rain period and that washes away some of the fine topsoil. So we mix the soil along the inner rail with that from there out, which makes the cushion springier; gives it more life."

"That fine topsoil comes from our own track property, from the meadows in our plant. Under that loam is what you'd call a sub-layer, 18 inches of sand, and we have an excellent drainage system. The fresh topsoil contains a high percentage of humus, which accounts for the springy cushion. Every four years, one inch of topsoil is added to make up for an annual quarter-inch loss by erosion caused by rain, wind, etc. This was done last spring and resulted in a livelier, springier cushion."

After High Scud's scintillating effort, owner Kleberg himself inspected the racing strip. Rubbing a foot in the soil, he smiled and said, "Well, there's plenty of topsoil there — nothing wrong with this track!"

As for Bayard Sharp, he probably made the understatement of the year after his Hannibal threatened the world record. "He's a nice sprinter, isn't he," said the Wilmington sportsman. He said he planned to fly Hannibal to Arlington Park Wednesday for next Saturday's \$20,000, seven furlong Warren Wright Memorial.

Yellowjackets Take Third In County Scholastic Race

Newark Finishes With Eight Straight Victories; Elkton Only Team To Win Twice

Compiling a record of ten wins and four losses, Newark High School's baseball team finished in a tie with P. S. DuPont for third place in the New Castle County scholastic baseball race.

Conrad High continued its domination of the mythical loop by winning 12 of 14 contests and taking the title for the second consecutive year.

Over the past three seasons under the coaching of John Chanowski, Conrad teams have scored a total of 38 victories against four losses.

Newark High finished the season on the crest of an eight-game winning streak after dropping decisions to Conrad, A. J. DuPont, and Elkton twice.

The final standings:

Delaware Park News

The Brass Hats golf team composed of Delaware Park officials defeated the Press Box team for the second straight year in a six-man match yesterday at the Newark Country Club.

John K. Johnston, chairman of the Delaware Racing Commission, was host to the golfers.

The Brass Hats won the event, with four victories to two for the newspapermen covering the Delaware Park meeting. The Brass Hats winners were Bryan Field, vice president and general manager; Lester Bernd, photography department; Al Fahey, publicity director and a real sleeper in Jack LaBelle of the recreation department; Bill Boniface, Baltimore Sun papers racing editor, and Bob McCurley of the Philadelphia Daily News, accounted for the Fourth Estate's victories. Boniface posted low score of 39 for the nine holes.

The veteran Joe Renick accepted his first mount of the meeting in one of last week's races astride Thomas P. Morgan's Ten Stone. The 42-year-old rider was scheduled to ride Morgan's Blue Camp in the opener but arrived late from New York.

Harry Husman's Blinfort is the leader in the Montchanin Handicap with a total of 27 points as a result of her first and fourth in the first two Montchanins. The filly is likely to find competition a bit rough in the remaining Wednesday events which will be increased to mile and a quarter, mile and a half, and the final number will be carded at a mile and three-quarters. Ramon DeLorburu's Ben-hadar, a stretch-running Argentine importation, is regarded as the one to beat for the \$2,500 award to the winner of the series under the point

system. Ben-hadar was impressive last Wednesday in his first local showing to win the mile and a furlong Montchanin to accumulate 24 points. The others to register points thus far are Zeeland and Net Result, 12; Father Link and Vamano, 6; and Lucky Harp, 3.

Mrs. Esther DuPont Weir's good Temple Gwathmey Steeplechase Handicapper, The Mast, which won the cap stakes in his last start, is a strong eligible for the \$10,000 added Georgetown Steeplechase and Indian River Steeplechase Handicaps to be renewed here June 20 and 27 respectively.

Eyander B. Schley's Fracas, victor of the Tom Roby Steeplechase Stakes in his first appearance here on Thursday, has one more major engagement remaining on the stakes schedule at Delaware Park. The French-bred 6-year-old is slated to go postward in the Delaware Spring Maiden Steeplechase on June 24. Fracas won the Belmont Spring Maiden and one subscription covers the three events, the last of which is contested at Aqueduct.

J. Gilbert Haus, Delaware Park's racing secretary and handicapper, issued the condition book for the final sixteen days of the meeting. During this period, which embraces Wednesday's program, eight added money steeplechase events.

The lip tattoo division of the events will be decided including three Thoroughbred Racing Protective Bureau finished a three-day stint last Saturday in the stable area. The official lip tattoo provides a fool-proof identification system of thoroughbreds and is in vogue at all TRA member tracks. No thoroughbred shall be permitted to start at a member track unless the Jockey Club registration certificate number has been officially tattooed by the TRPB beneath the upper lip.

Christiana Stable's Enchanted Eve, a starter, in last Saturday's Gazelle Stakes at Aqueduct, is eligible for the two rich filly and mare stakes to be renewed here. The Wilmington owned three-year-old daughter of Lovely Night and Poupee was named by her owners, Mr. and Mrs. Harry Langer, for the \$27,500 added Delaware Oaks next week-end and the \$50,000 added New Castle Handicap on July 5.

Special Train Set To Carry Newarkers To Phillies Game

B & O Train Will Leave Here At 11:00 A.M. Saturday For Shibe Park, Return Afterward

Local professional baseball fans are making plans this weekend to take advantage of the special baseball excursion train direct to Shibe Park on Saturday for the game between the Phillies and Cincinnati Reds.

Tickets, which include the train fare and reserved seat at the game, are on sale this week at Rhodes Drug Store and the B and O ticket office here in Newark.

Total cost of the round-trip rail fare and reserved seat is \$3.50 for men and \$2.75 for women. The difference in fare is the result of the fact that Saturday is ladies day at the park. Children's tickets are half-price, as usual.

The special train will leave the Newark B and O station here at 11:00 a.m. (DST) and will go direct to the North Broad Street Station in Philadelphia at Broad Street and Lehigh Avenue which is only a short walk from the park. The return train will leave from the same point 45 minutes after the end of the game.

Officials of the Phillies urge all interested persons to purchase tickets as soon as possible so that sufficient reserved seats can be set aside to accommodate the contingent.

Durney Post Ties O'Daniel Nine, 2-2

Sparks Allows Only One Hit But Issues 13 Bases On Balls

Although able to produce only one hit off the offerings of Alvon Sparks, Durney Post scored two runs, as many as O'Daniel Post could tally with the aid of five hits, to deadlock the locals, 2-2, in an American Legion game played here last week.

While allowing only one hit, Sparks gave up thirteen bases on balls to opposing batsmen while striking out eleven.

Both runs scored by the locals came in the first inning on a home run by Dave Hurm with a mate on base.

Stewart Winner Of President's Cup At Local Country Club

Defeat Whitey Wester; 3-2, To Win Affair On Sunday; Also Ties Member-Guest Lead

Bob Stewart, Jr., defeated S. K. (Whitey) Wester, 3 and 2, to win the President's Cup tournament at the Newark Country Club last Sunday.

Both par and his opponent took a beating as Stewart blazed through the finals match in brilliant 69, two under par.

In addition to the usual President's Cup, symbolic of the annual affair, Stewart was the winner of a set of irons donated by Dave Douglas, Newark's gift to the professional golf ranks.

Stewart made it a double win for the day when he teamed with George Martin, Wilmington Country Club, to tie for the low net score in the member-guest tourney also conducted Sunday over the local course. The low net for the day of 58, was also posted by Harry McDonald and George Lovett.

Al Dollins, newly crowned state amateur champ, teamed with Willard McConnell of Kennett Square to tie Sank Richards and Ike Turner, Wilmington Country Club, for the low gross best ball score of 75.

More than 150 members of the local club attended a golf clinic presided over by Joe Aneda, Newark pro. Assisting Aneda on the program which was entitled "Swing's the Thing" were Johnny Long, unattached pro from Easton, Pa.; Joe Hock, four-time Lehigh Valley champion from the Green Pond Country Club in Easton; and Al Dollins.

Darkness Halts Legion Game With Scored Tied, 6-6

Second Time In Week That Local Nine In Deadlock; Sparks Connects For Homer

Newark's J. Allison O'Daniel Post No. 10 and Delaware Post No. 1 battled to a 6-6 tie last Friday in an American Legion contest played on the Continental Field. This marked the second game in a row that the local club engaged in with no decision. Earlier in the week they tied Post No. 1, 2-2.

Dave Hurm was touched for four runs in the first inning of the contest which was called after five because of darkness. Big blow of the inning was a homer by Campanello with two mates aboard. Sparks homered for the locals.

Newark Defeats Claymont, 4-3, In Legion Baseball

Dave Hurm Strikes Out Ten In Pitching Locals To First Win Of Season On Monday

After two tie games last week the O'Daniel Post No. 10 American Legion nine finally broke into the top half of the column on Monday evening when they defeated the R. C. DuPont Post of Claymont, 4-3.

After trailing 1-0 for the first two innings of the game, the locals showed across three runs in the top half of the fifth inning to take the lead. Claymont came back with two runs in the last of the sixth to knot the score.

Newark scored the winning run in the seventh when Carswell led off with a triple and tallied on a single from the bat of Jerry Trusky.

Dave Hurm fanned ten of the Claymonters in accounting for his first win of the season. O'Daniel will play on Friday night in New Castle.

Weekend Driving Hazards Account For Four Out Of Ten Deaths On Highways

The hazards of weekend driving have increased greatly since the end of World War II, the Association of Motor Vehicle Insurance Companies warns today, requiring the almost constant presence of a family or friends for Saturday and Sunday trips.

Nearly all of the 15,000 men, women and children killed in weekend accidents on the highways last year were family groups bent on pleasure trips, according to Thomas N. Boate, acting manager of the Association's accident prevention department. This was 800 above the Saturday and Sunday death toll in 1950—and 2,000 higher than in 1946, the first full year after World War II.

Injuries are now about 200,000 greater each year on weekends than they were in 1946. This reflects the tremendous increase in Saturday and Sunday accidents, Mr. Boate said, and emphasizes the urgent need for particularly safe driving when the family set forth on weekend outings.

Following the last war, the toll of injured and maimed for life in weekend traffic accidents alone increased from 40,000 in 1946 to 64,000 in 1950, he estimated. In 1951, the number went well above the 650,000 mark.

Weekend accidents also cost more than 10,000 lives in the six years following World War II and a total of more than 3,000,000 men, women and children were injured on Saturdays and Sundays from the beginning of 1946 to the end of 1951, according to studies made by the Association. Four out of every ten traffic deaths now occur on weekends, Mr. Boate said. Of every 100 persons injured in automobile accidents, 35 are victims of Saturday and Sunday driving.

Families that don't want to have their weekend fun marred by tragedy must recognize the growing importance of extra caution when the highways are thus crowded. Racing at high speed to a destination or weaving in and out of traffic lines are two of the worst ways of bringing tragedy to any family. They have brought injury or death to thousands of homes. Are a few minutes or even a few hours of time saved worth a lifetime of regret? Let every driver, therefore, consider the extra hazards of weekend travel. The family wheel of fate literally is in each driver's hands. If he isn't level-headed, sober and conscious of the traffic rules, others in the car should take action. That isn't back-seat driving. It is just self preservation."

Food Prices Will Continue Upward According to OPS

Present indications are that the upward movement of food prices will continue indefinitely, OPS regional director Joseph J. McBryan said yesterday.

In addition to the fact that prices for food have been moving steadily higher during the past weeks, he said, there is much evidence that corner grocers particularly are low in stocks and will soon be forced to buy new food supplies in greater quantities.

Such increased orders will further stimulate the price spiral and push the cost of family necessities nearer to OPS ceiling levels, McBryan added.

He said that such increased buying by retail food stores was almost inevitable since all reports agree that demand on the part of the housewife and the consumer generally has been growing steadily.

This has been noticeable especially with reference to items previously reported to be plentiful, McBryan said. He cited canned tomatoes as a good example. Here the price has remained constant due to increased demand, despite the fact that last year's pack was almost double that of the previous year. As a result, a break in the price of tomatoes had been expected but did not materialize.

1,573 Accidents Cost \$726,891 In Five Months Of '52

699 Drivers Involved Have Been From Out Of State; 315 Drivers Were Suspended

A total of 1,573 accidents has been reported to the financial responsibility division of the Delaware Motor Vehicle Department during the first five months of this year. The financial responsibility law became effective on Jan. 1.

In his report to Harold H. Keller, motor vehicle commissioner, Harry P. Jones, director of the division, stated that of the total number of vehicles involved in these accidents, 245 were not covered by any insurance.

Property damage resulting from the accidents totaled \$726,891, and a total of 650 persons were injured in the accidents reported to the division which receives reports only on accidents involving damage of \$100 or more.

Of the drivers involved, according to the report, 699 were from out of the state.

Mr. Jones noted in his report that since the division has been created, 1,221 cases were processed and of this number 952 have been closed. Thus far the department has issued 315 suspensions for failure to comply with the financial responsibility law.

GRASS ROOTS OPINION

Denville, N. J., Herald: "It really surprised us to read in the New Jersey Power and Light Company magazine that if the Company had been forgiven its tax bill for the year 1951 it would have been able to provide FREE electric service to every residential customer for five months of the year."

Hood River, Oregon, News: "In this, the greatest tax collecting year in the history of the world, the United States Federal government is claiming to be exacting much of its 'extra tax dollars' from the rich. This can't be true. The 'little guy' is suffering. The Oregon Business and Tax Research reports if the U. S. government took all the taxable income in excess of \$4,000 from all individuals that would raise less than \$2,000,000,000."

Birmingham, Ala., Industrial Press: "We cannot understand why the leaders of organized labor have not been able to recognize their duty to their members and the American public. We believe that any intelligent worker knows that what he and every other American needs most is a decrease in the cost of living instead of an increase in pay. Why the leaders refuse to see this is a mystery."

Elkton, Md., Cecil Whig: "Mr. Murray the union leader... orders the members of his union to work or not to work as he sees fit... For any one individual to be vested with and exercise the authority to tell thousands of American citizens, from day to day, whether they shall or shall not go forth to win their daily bread... is extremely difficult to fit into the pattern called 'American.'"

Starke, Fla., Telegraph: "It has been a sin and a shame that the underworld racketeers have not shared with the rest of the public the privilege of paying taxes. Now that this condition is to be remedied, we may yet see a racketeer wearing the only thing left to most of us after taxes—a barrel!"

West Point, Miss., Times-Leader: "Washington dispatches disclose the fact that a total of more than 5,500,000 persons are now drawing Federal aid of one sort or another—and that current relief rolls are the largest in peacetime history."

Hillsboro, Mo., Record: "You might get an idea of the hugeness of a billion if you realized that since the birth of Christ more than 1900 years ago, just slightly more than a billion minutes have elapsed... If you take a look at the President's proposals further, you will see that he wants to spend more dollars in the next fiscal year than there have been seconds between the birth of Christ and the present time."
