NEWARK BACKS BOND ISSUE AT TOWN ELECTION

Tax Payers Authorize Council To Borrow \$65,000 With Bonds \$20,000 For Street Work

VOTE 8,474 TO 46

On Saturday, by a vote of 8,474 to 46, the Town of Newark authorized its Council to borrow \$65,000 by the issuance of 4 1/2 per cent bonds. The vote was polled in a special election, which was required by an act of the State Legislature, which passed a bill authorizing the bond issue. One vote was allowed for every dollar paid in taxes by residents of Newark. Only two individuals voted against the issue.

\$45,000 will be used to retire 5 1/2 per cent bonds of the Town of Newark now outstanding, thus saving the town \$450, annually, in interest charges. \$20,000 will be used to start a street improvement program.

The bonds will be dated August 1, 1929, and will be callable at par, with accrued interest, at the option of the Council of Newark, at any date after five years after the date of issuance. They will be coupon bonds in denominations of \$1,000 each.

Bids on the sale of any or all of the issue, will be opened on July 25. The money for the bonds is required to be deposited with the Council of Newark, on or before August 15.

DEAN RECEIVES SUMMER SCHOOL

Reception Held On Campus This Afternoon

The most important social event of the week at the Summer School is the Dean's Reception, which will be held on the campus, east of Residence Hall, this afternoon, from 4:30 to 6:30. Miss Elizabeth Kelly, Dean of Women at Summer School, is in charge of arrangements for the program. Those who will receive with Dean Kelly are: Mrs. Latta McCabe, president of Student Self-Government Association, President ad Mrs. Walter H. Hultihen, Mr. and Mrs. W. A. Wilkinson, Dean Winifred J. Robinson. The Social Committee in charge of the affair: Helen Martin, Mildred Sherman, Dorothy Kramer, Phyllis Mason, Elizabeth Brady, Margaret Brady, Laura Sharp, Elizabeth Walker, and Mrs. Marian Kinard.

An entertaining musical program has been provided, under the direction of Mrs. Annabelle Groves Howells, instructor of music in Summer School. Mrs. Howells will give several vocal selections; Miss Beatrice Hattaborn and Mr. Arthur Hudson will play several violin selections. (Continued on page 8)

PUPILS' RECITAL

The music pupils of Miss Irene Sinton, of Strickersville, Pa., were heard in recital at the home of Mr. and Mrs. Charles Downey, near Newark, on the evening of June 18. Mrs. Ernest Blackman, of West Grove, was the soloist of the evening. The following program was rendered: Duet, "Flying Doves," by Charles Downey and Miss Sinton; "Evening Prayer" and "Sing Robin, Sing," by Rhoda Wilson; vocal solo, "Gypsy Trail," by Mrs. Blackman; "My Regiment," by Bessie Logan; duet, "The Blacksmith," by Anna Beers and Miss Sinton; "Orvettia Waltz," by Williamina Mackie; "Little Humming Bird," by Catherine Morris; "General Grant's March," by Anna Beers; duet, "Paul Revere's Ride," by Marion McDowell and Florence Blackburn; "Meditation," by Nedra Downey; "Black Hawk Waltz," by Charles Downey; "Duet," and "The Monkeys," by Dorothy Handloff; "Butterfly," by Mrs. Gibb; vocal solo, "Fiddle and I," by Mrs. Blackman; duet, "In the Blue March," by Dora Gibb and Mrs. Sinton. Visiting pupils, Clifford and Agness Owen, played a duet, followed by a piano selection, "Rosebud," by Clifford. Following the program refreshments were served.

DOG OWNERS FINED

Isaac Mackinson, state game warden, has been operating in Newark this week, with the result that over twenty dog owners have been served with warrants for harboring unregistered dogs. Where the owner is found guilty of delinquency in registering a dog, the fine imposed is \$5, plus costs.

Pay P. O. Obligations

Yesterday, Arthur Benson, bonding company attorney, came to Newark and settled all presented claims against the Richard Gove Company, the contracting company which held the contract for the new Newark Federal Post Office building. Mr. Benson also opened an account in the Farmers' Trust Company to be used to settle any claims which might subsequently be presented. Mr. J. L. Oberwager, government supervising engineer, will accept claims and draw vouchers for them. The Richard Gove Company failed while in the midst of the work on the new building, and the bonding company is finishing the structure.

The steel frame of the new building has been erected, and the brick work started today. Mr. Oberwager promises the Town of Newark its new post office by October 1.

BIG RED MEN'S PARADE TONIGHT

Tribes From Four States Will March Through Newark Tonight, At 7:30, Advanced Time

After two nights of bad weather, the Red Men's Carnival re-opened last night to a large crowd. Tonight will be one of the big nights of the Carnival week, with the huge parade, starting at 7:30, daylight time. Tribes from Delaware, Maryland, Pennsylvania and New Jersey will be in line and in colorful costumes. There will be a number of bands. The Red Men are furnishing a number of pure amusement features with their Carnival, including a shooting gallery, merry-go-round, and Everett's Curiosity Show. Mr. Everett is displaying a two-headed calf, a six-legged lamb, a three-legged hen and a three-legged goose. There are booths offering every sort of first quality merchandise as prizes, and the grand prize, an Essex coach, will be awarded, Saturday night.

Each night a blue white diamond ring is given as a ground prize. Last night N. A. Scott, of Elkton, won the ring. On the opening night, Saturday, the ring went to Raymond Knox, of Chapel street, Newark.

KILLED BY LIGHTNING

Harvey W. Maclary, who, with his family recently moved from Christiansburg to a farm which he had purchased, near Corbit Station, was instantly killed by a bolt of lightning last Thursday afternoon. In company with a neighbor, he was walking across the barnyard toward the house, when there came a terrific flash and crash—the only ones of the storm—and Mr. Maclary was seen to fall. Physicians were called, who worked over him for more than an hour, but with no result; it was quite evident that he had received the full force of the bolt, and had died at once.

The funeral, one of the largest in this vicinity for many years, was held at his late home at three o'clock, standard time, on Sunday afternoon. Rev. Samuel L. Irvine, pastor of Christiansburg Presbyterian Church, of which Mr. Maclary was a member, was in charge of the services, assisted by Rev. Harris, pastor of St. Georges Presbyterian Church. Interment was in White Clay Creek Cemetery. The following acted as pallbearers: Frank Moody, Henry Mason, Clarence Jones, Robert Elliott, Clarence Donovan and George Jackson.

Mr. Maclary is survived by his widow, who will be remembered here as Elizabeth Stroud, and three young children—Harry, Alfred and Ella Mae. His parents, Mr. and Mrs. C. W. Maclary, of Newport, also survive, as well as three sisters and one brother, as follows: Mrs. Bessie Donovan, of Middletown; Misses Emma and Rebecca Maclary and Mr. Robert P. Maclary, all of Newport.

TO ATTEND N. E. A. MEETING

Ira S. Brinser, superintendent of the Newark Schools, leaves Saturday for Atlanta, Ga., to attend the annual convention of the National Education Association. The convention closes July 4. Mr. Brinser goes as an official delegate of the Delaware State Education Association.

CORRECTION

Last week The Post reported that Dr. A. S. Eastman had purchased the house at 17 East Park Place. This was in error. Mr. A. B. Eastman was the purchaser of the property.

EARL R. KELLER HAS NEW POST

Newark Teacher Elected Principal Of Oak Grove School, Elsmere

It was announced, Tuesday, that Earl R. Keller, had been elected supervising principal of the Oak Grove School, at Elsmere, to succeed Christian C. Sanderson. For the past three years Mr. Keller has been chairman of the staff of the Newark Junior High School, where he taught social science. He was also coach of the Newark High School soccer team, and was in charge of boys physical education. The Newark Board of Education has, as yet, no announcement to make of Mr. Keller's successor here. Mr. Keller, who holds a first grade Delaware certificate, with a grade A rating, goes to Elsmere with the highest recommendations from the State Board of Education, the Board of Education of the Newark Special School District, and of Ira S. Brinser, superintendent of the Newark Schools. Before coming to Newark, Mr. Keller was principal of schools in New Market, Myersville and Williamsport, all of Frederick County, Md., of which he is a native.

In announcing his appointment, the Elsmere School Commission stated: "The local board received many applicants for this position and believe that from his past experience and several changes of positions, all of which have been promotions coupled with the three years' experience under Professor Brinser, at Newark, which is rated as one of the best equipped and highest standing and rating of many of the high schools in this section, Mr. Keller is well qualified for this position."

Mr. Keller graduated from St. John's College, Annapolis, Md., June, 1921, with the degree of Bachelor of Arts, following which he took a Summer course at the Maryland University. Later he took a course at Johns Hopkins University during the Summer of 1924 and 1925, and during the Summers since 1925 has been taking a major course in high school administration at Columbia University, New York City. He will attend Columbia University this Summer, following which he will receive the degree of master of arts.

CHARGED WITH MANSLAUGHTER

Willard W. Wilson Arrested Last Night In Connection With Death Of Auto Victim

Last night Willard W. Wilson, who lives near Newark, was arrested on a charge of manslaughter in connection with the death of Constantine Kilmaszewski, who died yesterday in the Wilmington General Hospital of injuries received when he was struck by a car Sunday night. Wilson was released under a bond of \$5,000 and will appear for hearing, today, in Municipal Court, Wilmington.

Kilmaszewski, who was 63 years of age, was found, Sunday night, lying in the street at Maryland avenue and Chandler street, Wilmington. He was taken to the hospital where it was found that besides lacerations and other minor injuries, he had a fractured skull. At the time no clue to the car which had struck him was apparent.

Last night, Sergeant of Wilmington Detectives Elwood Wilson signed a warrant for Willard Wilson's arrest, and Detectives Sutton and Warren took him into custody at his home.

NAME STATE CHAIRMAN FOR RADIO AUDITION

Miss Alyce Nichols, of radio station WDEL, Wilmington, has been appointed state chairman for the National Radio Audition, being conducted by the Atwater Kent Foundation.

This year Miss Nichols states singers will have even greater opportunities than were offered in previous auditions. The cash awards to singers have been increased from \$17,500 to \$25,000 and the scholarships from six to ten. This means, Miss Nichols asserts, that every singer who gains a place as a national finalist is assured a chance to have at least a year of training in one of the best conservatories of music in the country in addition to the cash prize received. The organization of local auditions and appointment of local chairmen to conduct them will proceed immediately, the new state chairman announces.

TAXPAYERS BODY ELECTS WARNER

Chas. Warner Made President Of Research League At Meeting Held At Cooch's Bridge

The newly elected Board of Trustees of the Taxpayers' Research League of Delaware was organized last Thursday afternoon by the election of Charles Warner as president of the League, Josiah Marvel, Hervey P. Hall, and Louis A. Drexler as vice-presidents, and Haldeman C. Stout as treasurer. H. Fletcher Brown, Edward W. Cooch, Mrs. Clarence Fraim, and H. T. Graham were elected to serve with these officers on the executive committee. Russell Ramsey, director of the League, was also elected secretary.

The meeting of the Trustees was held at Cooch Bridge, where they were entertained by Mr. and Mrs. Cooch in the historic Cooch homestead. Mr. Cooch, who has served as president of the League since its organization three years ago, asked to be relieved of the presidential duties. The Board reluctantly acceded to his request and ordered a minute to be spread on the records in testimony to his faithful and efficient service during the period of the League's early development.

The trustees reviewed the work of the League during the legislative session and approved the plans for co-operation with Governor Buck and other State officials for the study and improvement of the State's accounting and budget methods, its system of taxation, and its administrative organization.

The League's Board of Trustees consists of the following: H. Fletcher Brown, Mrs. Clarence Fraim, H. T. Graham, Henry R. Isaacs, J. Edgar Rhoads, David Snellenberg, H. C. Stout, Mrs. A. D. Warner, and Charles Warner from Wilmington; Edward W. Cooch, J. Warren Marshall, Josiah Marvel, John M. Mendinall, and J. P. Wright from rural New Castle county; J. Hall Anderson, Frank C. Bancroft, Hervey P. Hall, Walter W. Hynson and Henry Ridgely from Kent county; Louis A. Drexler and William V. Sipple from Sussex county.

CONTEST MAKES FINE KITCHENS

36 New Castle County Homemakers Make Big Improvements In Kitchens

In the final summing-up of the Wife Saving Kitchen Contest put on in New Castle county by the Home Economics Extension Service of the University of Delaware, Mrs. Kate Henley Daugherty reports that out of the thirty-seven kitchens that were scored in the beginning of the contest, thirty-six of the contestants made improvements in their kitchens. The one remaining contestant who did not make any improvement in her kitchen failed only because she was stricken ill a few days after the first scoring of her kitchen and had not returned from the hospital at the end of the contest.

The total amount of money that these thirty-six women spent in improving their kitchens was \$1,722.96. These expenditures were for the installation of electric pumps and hot water.

119 ATTEND ANNUAL 4-H SHORT COURSE

The eleventh annual 4-H Club Short Course, opened Tuesday morning at the University of Delaware. 119 4-H Club boys and girls from Delaware arrived that morning and will be quartered in Harter Hall until Saturday, when the course closes. Alex D. Cobb, State leader of county agents, is directing the course, assisted by the various county agents and members of the University Extension Service.

There are demonstrations, lectures and contests everyday, with recreation hours for swimming in the University pool, etc. In the evening the club members give impromptu entertainments.

ELK MILLS CARNIVAL

The Elk Mills Athletic Association will hold a carnival, running from July 1 to 6, inclusive. This carnival will be held under the management of the Arlington Amusement Co., of Washington, D. C., and will have all the modern carnival features. A Hupmobile sedan, fully equipped, will be given away the last night of the carnival.

Lightning Strikes Thrice

Lightening bolts struck three times in Newark during the severe electrical storm, early Tuesday evening. One bolt struck the chimney on the home of Chester E. Ewing, on Main street, travelling down the chimney into the kitchen, where it damaged the range and knocked plaster from the walls of the room. Mrs. Ewing, who was in the house at the time was slightly stunned.

A bolt also struck the house of William J. Barnard, in East Newark, but little damage was done. The Aetna Fire Company was called to the Barnard house, but no fire was started by the bolt.

A tree on the golf course of the Newark Country Club was also struck during the storm.

CROWD CATCHES DRIVER FLEEING FROM SMASHUP

Charles Jones Gets 30 Days After Strange Behavior Following Accident

OTHER CRASHES

Charles Jones, who said he lived in White Rock, Pa., was sentenced by Magistrate Thompson to 30 days in the Workhouse, Tuesday night, as the result of an automobile collision at Main and Chapel streets.

Jones drew particular attention to himself when, after running into a car driven by Walter Sweatman, he jumped from his machine and ran. A crowd pursued, caught and held him. Chief Keeley placed him under arrest. A blackjack and a bottle of alleged wine were found in his car. He had no operators' license and was sentenced on this charge. The car had Maryland tags for which Jones had no registration card. The local authorities are holding the car to investigate its ownership.

On Monday night a car owned and driven by Ira S. Brinser, superintendent of the Newark Schools, was badly damaged when it was struck by a car driven by Walter Ferguson, of Winterturth. The accident occurred on the Lincoln Highway, just east of Claringsbold's. Mr. Brinser, on his way to Wilmington, had stopped back of a stalled car to allow traffic in the other direction to pass. Sweatman came up from behind and tried to squeeze between the westbound traffic and Brinser's car. He sideswiped the superintendent's car, tearing off fenders, running board and one tire. His own car was also damaged on one side. Ferguson took full responsibility for the accident and agreed to pay all damages.

On Monday, Wilmer Riley, driving a car owned by Horace Patchell, sided on a street in Elkton and upset the automobile. Riley was uninjured, the car was considerably damaged.

66 STUDENTS IN FOREIGN GROUP

Will Sail For France July 19, Under U. D. Foreign Study Plan

Forty different colleges and Universities will be represented in the University of Delaware Foreign Study group of sixty-six students, who will sail for France on July 19, for a year of study abroad. Of these, two will be from the University of Delaware. They are W. Emerson Wilson, of Wilmington, and William W. Kirk, of Kirkwood. It is possible that more students may join the group before sailing time.

The plan for a year's study in France was inaugurated by the University of Delaware several years ago and is now approved by most every educational institution in the country. Most of those in the group are young people who have two years of college and if their work is satisfactory will be given credit for their junior year in France. On returning they will re-enter their respective colleges for their senior year.

The group now in France under this plan will return home next month. In the group to sail July 19, Mount Holyoke with six, has the largest number of any college. Wellesley, Bryn Mawr and Randolph-Macon Women's College will have five each.

NEWS OF THE NEIGHBORING TOWNS

AS TOLD BY OUR CORRESPONDENTS

Elkton

T. Henry Atkinson, for the past five years in charge of the American Telephone and Telegraph Company's interests in Elkton and Cecil county, has been transferred to a similar position in New York City, effective July 1. During Mr. Atkinson's stay in Elkton, many changes have been made in the operation of the local station, including the installation of new equipment, and the enlarging of the company's building at the corner of High and Bridge streets. H. C. Marsh, of Charlottesville, Va., station, has been transferred to Elkton to succeed Mr. Atkinson.

The Commissioners for Cecil County have fixed the county tax rate for the ensuing year at \$.40 on the \$100, a decrease of two cents from last year's rate. The levy was made on a basis of \$30,277,984, for real estate, and personal property, \$3,902,784 for securities, and \$925,000 for bank stock.

Elkton's town tax rate will remain at the price fixed last year, 85 cents on \$100.

MAN'S NECK BROKEN IN FALL OF FOUR FEET

While helping load a truck with fireworks at the plant of the Victory Sparkler Company, Elkton, Sunday, Scott Green, 57, slipped and fell four feet to the ground. He was taken to the Elkton Hospital where he died within a few moments. His neck had been broken.

The funeral was held on Wednesday afternoon, from his late home. Interment was in Elkton cemetery.

An inquest was held by Coroner Howard Green. Less than a month ago four persons were killed in an explosion of fireworks at the plant.

EDGAR HATHAWAY KILLED IN CHESTER

When he was caught in a mixing tank of the Atlantic Gypsum Products Company, Chester, Monday, and was buried beneath tons of rocky material, Edgar Hathaway, 27, a former resident of near Elkton, was instantly killed.

Hathaway, a foreman at the plant, was working with his gang of men around the mixing tank, when the mechanism suddenly became clogged, jamming a chain of buckets used to feed the ingredients for the mixture into the tank. The only means of correcting this was to lower a man into the tank, and Hathaway volunteered.

A rope was tied about his waist and he climbed into the entrance at the top. It is believed that a control lever slipped, setting the tank in motion. When the body was reached by workers it was found that the rope around the waist had contracted to a diameter of several inches. The body was terribly mangled. Police and members of an ambulance crew worked for more than an hour to extricate it from the mass of debris. It was necessary to cut a hole in the side of the huge cylinder with acetylene torches. The tank is 25 feet high and 15 feet wide.

Mr. Hathaway moved to Chester from Wilmington about two years ago and recently had resided at 1814 East Fourteenth street, Chester. The deceased was a member of Corinthian Lodge of Masons, Wilmington, and Lu Lu Temple, Philadelphia.

In addition to his wife, who was Miss Catherine Minster, of Elkton, he is survived by a sister, Mrs. Elizabeth Moore, of Newport, and his father, William Hathaway, of near Elkton.

Funeral services will be held Thursday afternoon at 2 o'clock in the Elkton Presbyterian Church. Interment in adjoining cemetery.

Stanton

(Continued from Page 2.)

When the lightning struck Stanton station and the lightning seemed to follow along the wire for nearly a half-mile. About 9:30 p. m. in the barn on the farm of Thomas Stafford between Stanton and Christiana was struck and burned to the ground. Two calves were burned as well as some farm machinery. Nine fire companies, Five Points, Elmore, Newport, Christiana, Newark, Cranston Heights, Good Will, Mill Creek and New Castle, responded, but they could do nothing to save the barn and concentrated their efforts on saving the house and other buildings. The barn and contents were valued at about \$10,000. The Young People's Fellowship were repeating their play in the Christiana M. E. Church and every one is praising the ease for the way they continued in face of all the excitement, showing splendid nerve and good training.

St. James Branch of the G. F. S. A. Stanton, closed their season's work with a dance held in the Odd Fellows Hall, at Stanton, on Thursday evening. The Marshallton Orchestra furnished the music. JUNE 27, 1929

Glassburn's Guerilla Campaign

Robert P. Glassburn, Major, C. A. C., is a public servant—a professional soldier—paid out of public funds and assigned to duty as commandant of the University of Delaware R. O. T. C. unit. As such public servant, his public acts are subject to comment or criticism. The Newark Post in its issue of Thursday, June 6, criticized the Major's actions in connection with the Memorial Day services in Newark.

The Major resents this criticism and in long statements, the publication of which he secured in other newspapers of June 21, he reviews at great length the part he took in the ceremonies.

Further discussion of the incident itself would be futile. The facts as presented in The Newark Post are known to all who participated in or witnessed the ceremony. They speak for themselves.

But the Major did not confine himself to the facts in the case. He made his communication to the newspapers a bitter personal attack on C. B. Jacobs, Jr., editor of The Post, indulging in abusive epithets and absolutely false statements. The Major bluntly accused Mr. Jacobs of having failed in his duty as a young American during the World War—an accusation which he made in these terms:

"Mr. Jacobs' statement * * * is a public demonstration of ignorance of fitting military ceremonial which, judging from Mr. Jacobs' age, he had a splendid opportunity to correct between April 6, 1917, and November 11, 1918, but apparently, did not."

"It would be possible for me to ignore the whole incident had he not closed his woeful editorial effort by accusing me of insulting the dead. I took my chance at being one of those dead, a chance that Mr. Jacobs saw fit to pass up."

Mr. Jacobs, though not a professional soldier, enlisted in the United States Navy on April 16, 1917, ten days after the United States declared war. He was relieved from active duty on May 1, 1919, nearly six months after the Armistice was signed.

Again facts speak for themselves and convict the Major once more—this time of untruthfulness.

A Vote of Confidence

On Saturday, the taxpayers of Newark voted 8,474 to 46 to authorize the Council of Newark to borrow the sum of \$65,000. The money will be obtained by issuing bonds of the Town to that amount. Each taxpayer was entitled to one vote for each dollar of taxes paid. \$45,000 of the amount to be obtained will be used to retire outstanding 5½ per cent bonds, and the remaining \$20,000 will be used for the improving of streets.

This large majority was a vote of confidence and courtesy, as there was no real opposition to the bond issue. The referendum vote was made necessary by a legislative precedent observed in all bond issue bills passed by the General Assembly. It should be encouraging to the Council of Newark to note the interest taken by the taxpayers in an election, which was purely a legal formality.

Methodist Episcopal Church

Rev. W. E. Gunby, Pastor
At a meeting of the Men's League held last Tuesday night, plans were made for a picnic to be held at the Welsh Tract, Tuesday evening, July 16. Committees were named on transportation, sports, refreshments. The membership, families and friends are invited to enjoy this outing.

The Sunday School Board held its June meeting and made plans for its annual outing at Charlestown, Tuesday, July 30, leaving the church at 1:00 o'clock, daylight saving time. Further announcement will be made later.

The first Quarterly Conference of the charge will be held this Friday night, June 28, at 8:00. All trustees, stewards, superintendents, and other officers of the church are expected to be present. The Quarterly Conference is the governing body in the local church and it is highly important that a full attendance shall be present to carry on the business to be brought before it.

The pastor was in Dover on Monday, meeting with several committees charged with the responsibilities having to do with the religious education work of the Conference.

The Union service held last Sunday night proved a delightful means of grace. The choir sang a beautiful anthem, Dr. R. B. Mathews made the prayer, and Rev. H. E. Hallman brought an enjoyable and helpful message from Matt. 10:22, "He that endureth to the end shall be saved." These services will continue each Sunday night at 8:00 during June and July. Dr. R. B. Mathews will be the speaker this Sunday evening. Not only the members of the congregations of the participating churches, but

also the general public of the community are invited to attend these and all services of our churches.

Lodge Notes

K. OF P.

On Monday evening Osceola Lodge, No. 5, Knights of Pythias, at a regular meeting held their semi-annual election of officers, when after a spirited contest the following officers were elected for the next six months:

Chancellor Commander, Leon Tryens; Vice-Chancellor, Frank Durnall; Prelate, Arthur Walters; Master of Works, Frank Balling; Master of Arms, Harold Grant; Inside Guard, James Harkness; Outside Guard, T. Ray Jacobs; Representative to Grand Lodge, G. I. Durnall; Alternate, Leslie Hill.

On Monday evening, July 8, Deputy Grand Chancellor Boyce and Staff will install the new officers, also on this date, the Grand Chancellor and official staff will make and official visit to Osceola Lodge. All members are requested to be on hand and give the Grand Lodge Officers a rousing reception.

On Friday evening, July 19, Osceola Lodge will hold a twilight picnic at Delaware Beach, which all members and their families are requested to attend. The Pythian Sisters are asked to go and help make this picnic a success. Further plans as to starting, transportation, etc., are being worked out by the committee.

JR. O. U. A. M.

The summer attendance of the American Flag Council, No. 28, Jr. O. U. A. M., continues to be large. Councilor Norton presided over the last session. Council regrets the loss of Brother Pennock, one of our oldest members. Brother Oscar Ewing, who has been seriously ill in Tampa, Fla., has recovered now. Election of officers took place, the following being elected: Councilor, Lewis; Vice-Councilor, Morris; Assistant Recording Secretary, Durnall; Conductor, Thomas; Inside Sentinel, Cowden; Outside Sentinel, Neave; Warden, Morrison; Jr. Past Councilor, Norton. Installation will take place, July 8. Next Monday night business of great importance will be considered.—A. Neal Smythe, Jr. Past Councilor.

PEOPLE'S COLUMN

PLEDGES SUPPORT

June 25, 1929.

Chas. B. Jacobs, Jr., Editor,
The Newark Post.

Dear Comrade:—
This is to advise you that at a regular meeting of the J. Allison O'Daniel Post, Veterans of Foreign Wars, held on the above date, a motion was passed commending you on your editorial opinion regarding the unfortunate incident occurring during the Town of Newark Memorial Day services, and pledging the support of your Post in any controversy arising from the publication of your opinion on this affair.

It is requested that you make this attitude of the Post public through the columns of your paper.

Yours in comradeship,

J. Allison O'Daniel Post,
Veterans of Foreign Wars
William Rupp, Commander.
J. L. Speace, Adjutant.

A GENTLEMAN BY ACT OF CONGRESS

June 25, 1929.

Newark Post,
Gentlemen:

It is a great pity when men must be made gentlemen by "Acts of Congress." It is indeed regrettable that the U. of Delaware must have as head of its R. O. T. C. organization one of these "gentlemen." One who does not appear to possess those sterling qualities that we all assume go to make up a Regular Army officer.

The "gentleman" in question tries to belittle a veteran of the World War by saying, "I took my chance at being one of those dead, a chance that Mr. Jacobs saw fit to pass up." The "gentleman" accuses Mr. Jacobs of not stating facts. What has he done here in his accusation? Mr. Jacobs did not wait for the draft but enlisted 10 days after declaration of war and served his country for 25 months. If the "gentleman" will recall to his memory the Memorial Day exercises he will remember that Mr. Jacobs talked with him and at that time was wearing a Veteran of Foreign Wars uniform.

It seems strange that a man of the type of the "Gentleman" is supposed to be would dare to make such an accusation of a gentleman when he is apparently utterly ignorant of facts. If the "gentleman" thinks an injustice was done him when facts were stated, what can he think he has done to Mr. Jacobs with his ignorant statement of unfounded facts?

If the "gentleman" thinks he was right in what he did why should he put the "shoe" on if it does not fit? Here he has admitted that there was a basis for the editorial. It is only the truth that hurts a person. To bring forth such statement as were published in The Delaware Ledger, by the "gentleman" in question, the truth must have been published in The Newark Post.

The writer can well recall the day he received his Reserve Commission. It is a day that will remain indelibly impressed on his mind because his commanding officer was truly a gentleman, and did not try to "steal the show."

In closing, it might be said that the "gentleman" in question has forgotten all the requisites of a real square shooting army officer and his statements are such as to warrant a humble apology to Mr. Jacobs.

FORDS WIN IN FINISH WAR EMERGENCY CONTEST

Under conditions more difficult than those which confronted Joffre's immortal "taxicab army" in its frantic dash to the Marne in 1914, Model A Fords swept to victory in a specially arranged contest, based on war emergencies staged by the military first aid section of the General Finnish Automobile Association.

Competing against fourteen different makes of automobiles manufactured in the United States and one Italian-made car, the sturdy Fords captured 18 out of 29 prizes. Ten of the fourteen "honor prizes" went to the Fords. Every Ford which entered the contest finished the 400 kilometer route. One was driven by a woman.

The purpose of the Finnish Automobile Association is to promote all-around driving training of its members in order that they may be able to take an active part in war maneuvers in a sudden emergency. Drivers received instructions regarding the route, parking places, and average speed required two minutes before the start of the race. No restrictions were placed on the size of the car or cylinder volume, which brought the Fords into competition with the more expensive and larger cars.

The race started from Helsingfors, and the cars were started at intervals of a few minutes in different directions. "Control Stations" were located at various points along the course to check the speed and other requirements. Reports of the outcome of the competition have just been received in this country.

SEEN ANY BLUE ZINNIAS?

Varieties of zinnias are numerous and tempting. Although the most popular kinds are solid in color, variegated forms exist, says Nature Magazine. Reds, yellows and bronzes predominate, although almost any color but blue is offered.

WEDDINGS

PRESTON-KAY

A very pretty wedding took place last Wednesday evening, June 19th, in the North East M. E. Church, when Miss Evelyn Preston, daughter of Mr. and Mrs. Walter Preston, became the bride of Thomas Kay, son of Mr. and Mrs. A. T. Kay, of Elk Mills, the Rev. E. M. Schockley officiating, and a very close friend of the bride, Mrs. E. M. Davis, playing the wedding march.

The bride was attired in white and carried white roses. Her maid of honor, Miss Elizabeth Harvey, was attired in pink and carried pink roses. The groom had as his best-man, Mr. Alfred Kay. After the wedding, Mr. and Mrs. Kay left on a motor tour through Virginia, visiting the Luray Caverns.

BLACKWELL-CALLOWAY

Mr. and Mrs. Clifford Calloway, who were married in Chesapeake City on June fifteenth, motored to Florida on their honeymoon, returning to Newark on Tuesday of this week. Mrs. Calloway is the former Leslie Blackwell, daughter of Mr. and Mrs. Walter Blackwell, of West Main street. They left later in the day on Tuesday for Ocean City, Maryland, to spend the summer. Mr. Calloway is engaged in the real estate business in that city.

BOYCE-POFFENBERGER

Mr. and Mrs. W. Truxton Boyce, of Stanton, announce the marriage of their daughter, Miss Belinda Wright Boyce, and David de Clifford Poffenberger, Jr., son of Mr. and Mrs. David Poffenberger, of Hillcrest, which was solemnized yesterday at 2 in St. Thomas' P. E. Church, in Newark, where the Rev. Martin Poffenberger, grandfather of the bride-groom, was rector about 25 years ago. The ceremony was performed by the rector, the Rev. R. B. Mathews. The bride was given in marriage by her father. Miss Isabel Brown was the bride's only attendant and Shirley McGill, of Wilmington, was best man.

The wedding was attended by members of the immediate families only, it being quiet due to the illness of the bridegroom's young brother. After an informal reception in the church, Mr. and Mrs. Poffenberger left on a wedding trip. They will be at home after July 1, at 1105 Hanes avenues, Gordon Heights.

The bride is a graduate of the Wilmington High School and has been attending Miss Illman's School for Kindergartners. Mr. Poffenberger is associated with the Wilmington Savings Fund Society. The bride's father was the Democratic candidate for Lieutenant Governor at the last election.

SINGS LIKE BUNCH OF KEYS

The corn hunting's song is not unlike the yellow hammer's, and probably he is often overlooked because of this similarity, and because he is an inconspicuous brown and yellow. Then, says Nature Magazine, he keeps pretty well hidden among the grain—except when he perches on a telegraph wire to sing. He sounds as if he were jingling a bunch of keys.

AN ODD ENGLISH BIRD

Pied wagtails are attractive birds, with bold, swinging flight, says Nature Magazine. Their call is somewhat like their relatives, the pipits, as they fly, then alighting beside a stream or stagnant pool to feed, while constantly wagging their long tails. These pied wagtails of England are clad in contrasting black and white; the white wagtails, more common on the continent, are gray and white.

FLOWER WITH A SURPRISE

The greatest charm of zinnia lies in the rich and varied hues that the species offers, says Nature Magazine. It may well take first rank as the most colorful of garden plants. One of the difficulties in the past has been the instability of the colors since one was never certain that varieties would come true to seed. Sowing zinnias always involved expectation and surprise.

Why "Our Process" of Permanent Waving . . . Is Superior

It is an "Oil Process," only a few minutes heat with no discomfort, resulting in natural looking, medium or wide Marcel waves.

It permits hair of the most delicate shades—even white hair—to be waved without any discoloration and leaves the hair soft and glossy.

No finger waving or retorting necessary—just "push" it upward and tuck the result.

Special Department for Marcel Waving, Finger Waving, Bobbing, Facials and Hair Coloring.
