George Messersmith Esq.

American Consul-General

BERLIN

My dear Friend,

Very many thanks for your long and interesting letter of the 26th. instant. I hope to find time to answer it more fully later, but want to thank you immediately for your willingness to intervene with the American-Consul in Zürich in favour of Dr. Csato and to tell you how much I appreciate your kind intervention. The doctor informed me to-day that he had never applied at any Consulate for a visa for the United States.

I shall be here till the 14th. of March and should be very glad if you would send me copies of your letters in this matter as you said you would.

Once more many thanks and believe me with kindest regards to you and Mrs. Messersmith,

Cordially yours,
