

Dr. R. G. Stauffer Author of Program To Aid Youngsters

Reading Clinic Effort
Completes 10-Yr. Effort
With New Study Approach

Dr. Russell G. Stauffer, director of the Reading Study Clinic at the University of Delaware, is senior author of a communications program for elementary school students to encourage critical thinking on the part of youngsters.

Entitled Winston Communication Program, the plan provides correlation of reading, language skills, spelling, and handwriting. Co-author with Dr. Stauffer is Dr. Alvin Treut Burrows, professor of education at New York University.

The program is in agreement with the philosophy of Francis Bacon, the 16th century scholar who said, "the reader-thinker should bring in industrious observations, grounded conclusions and profitable inventions and discoveries."

Publication of the program represents 10 years of study, planning and writing by the authors.

Off the press in January, 1960, the Winston program is considered for inclusion in the curriculum by boards of education in the nation's leading cities.

The new Winston program includes three parts—the Winston basic readers to develop critical thinking; an American English program, the first to include the language arts skills within the covers of one book; and a series of associate readers, an extension of the basic reader phase.

Winston basic readers now include 15 textbooks, 11 study books, and readiness materials through the third grade. When complete, the program will extend through the sixth grade. In addition, there are teacher's editions and related material.

Each story in the basic readers is planned to meet a 30-minute reading period, and is designed to end on a left-hand page so that the climax is hidden from the reader until he turns the page.

Story titles and colorful illustrations contribute to the plot but never reveal it.

Charles H. Tilly, assistant professor of sociology at the University of Delaware, has received a national award from the American Council of Learned Societies for research in the humanities and related social sciences.

Dr. Tilly's "Study of the Social Origins of the Vendee" is concerned with an analysis of the counter-revolution which occurred in 1793 against the French Revolution. The work is an extension of Dr. Tilly's doctoral thesis written as a result of his research there in 1955-56.

He will visit France again from June 15 to Sept. 15 to work in libraries over a larger geographical area than that covered in the original study.

Dr. Tilly received a Robert Treat Paine Fellowship in social science in 1954-55, and a Social Science Research Council Training Fellowship in 1955-56.

Dr. Tilly received both his AB and PhD degrees at Harvard and studied abroad at Oxford and at Angers, France.

A member of the Delaware faculty since 1956, he serves as advisor to the Sociology Club and a member of Phi Beta Kappa and the American Sociological Society.

Certified Seed Advised
By Agronomist Springer

"The crop you harvest can only be as good as the seed you plant," according to Frank B. Springer, Jr., agronomist with the University of Delaware.

Actual drill box surveys show that farmers are losing thousands of dollars by planting seed of unknown quality and performance.

A big step toward better profits begins with certified seed, Springer said.

A fried chicken supper will be served Saturday in the Presbyterian Memorial Building beginning at 4:30 p.m. for the benefit of the Christiana Community Association. The continuing project of this group is maintenance of the village street lights, and proceeds of the supper will be used for this cause. Tickets may be obtained at the door.

Observance of the Easter season is in the forefront of church activities, the first scheduled event being a Palm Sunday breakfast for the Christiana-Salem Methodist Men at 7 a.m. Sunday in the Christiana church. Thomas Roberts is in charge of arrangements for the meal, with pancakes included on the menu.

Mrs. John Eastburn entertained members of Joy Circle Wednesday afternoon. Ruth Circle met at the church Tuesday.

A special communion service will be held in the Presbyterian Church Maundy Thursday, April 14, at 7:30 p.m.

An Easter egg hunt is scheduled for members of the Presbyterian Sunday School from 2 to 4 p.m. April 16, at the Hall Memorial Building. Children in all classes, are invited for games and refreshments.

The Presbyterian congregation has been invited to attend the sunrise service at Westminster House, Newark, at 6:30 on Easter. Young people will be welcome to attend the Fellowship breakfast following.

The Christiana-Salem Methodist Youth Fellowship will sponsor an Easter sunrise service at Christiana at 6 o'clock. Everyone is invited to remain for breakfast at the church. Reservations should be made promptly.

All grades of the Christiana-Salem School were represented at the

Newark Science Fair last week. Thirteen Certificates of Merit went to Christiana projects, a high percentage for the size of the local school.

Becky, daughter of Mr. and Mrs. Wilmer Sharpe, entertained friends at her home on Cooch's Bridge Road Saturday afternoon in honor of her seventh birthday. Guests were Bonnie Cross, Sharon Lawson, Bonnie Kemske, Sherry Grubb, Janet Sharpe, Janet Eastburn, Debbie Kappauf, Vikki DiStefano, Freddy and Elmer Boebel, Dennis Laws, Gary Long, Stephen McClain, David Kemske, and Kent Jones.

Mr. and Mrs. Lloyd Baker are receiving congratulations on the birth of a son in the Memorial Hospital, March 29.

Mrs. L. J. Walker, vice-president, will preside, and a slate of officers for next year will be presented by the nominating committee, of Mrs. Agnes O'Neal, Mrs. Elma Graden, and Richard Hofferker.

The Greenleaf 4-H Club will meet at the home of Jackie Jones, East Main Street, at 7:30 Tuesday evening. Dick Whittington will preside.

Delawareans set a record in their contributions to the 1959 Christmas Seal Campaign, it was announced today by Newark's G. Taggart Evans, executive secretary of the Delaware Anti-Tuberculosis Society, who said that a total of \$111,500 has been received from more than 53,000 responses to letters sent last November.

The funds are used to support the society's program of detection, control and prevention of tuberculosis and other respiratory diseases.

The \$111,500 contributed to the 1959 campaign is an increase of \$4,500 over the previous year when contributions reached a record \$107,000.

"Respiratory diseases are one of the most serious health problems confronting the nation today. They rank fourth as a cause of death," Dr. Gerald A. Beatty, president of the society, said. "Furthermore, acute respiratory conditions are responsible for about 65 per cent of all acute health conditions, according to the U. S. Public Health Service. Chronic respiratory diseases are responsible for millions of chronic illnesses annually."

The increase in contributions in the 1959 Christmas Seal campaign marks the 25th consecutive year that an increase in funds has been received in Delaware.

Women's Auxiliary for Chiropractors Selects Officers

The Women's Auxiliary of the Delaware Chiropractor's Association met recently at the home of Mrs. Charles Schultheiss, Newark, with Mrs. Henry A. Poe presiding, and elected officers for two-year terms with Mrs. Albert W. Nowak, president; Mrs. William F. Cook, vice-president; and Mrs. Byatt Smith, secretary and treasurer.

Correspondence from the Riverside Hospital was read, thanking members for recent contribution of face cloths and hospital gowns.

4-H Tractor Maintenance Cited As Boys' Project

It's time to thoroughly check that temperamental tractor, Dad. And one of the best ways to do it is to talk Junior into enrolling in the 4-H tractor maintenance project, according to Don Burton, New Castle County 4-H Club agent.

He says Junior, as a 4-H tractor maintenance project member, will learn how to care for and operate Old Unreliable skillfully, safely and efficiently.

Mr. Burton reports that more than 80 boys participated in the 1959 Delaware 4-H tractor maintenance program, and completed project books.

John C. Knies Returns On Flagship To Norfolk

John C. Knies, U. S. Navy machinist's mate fireman, and son of Mr. and Mrs. Charles E. Knies of 6 Maple Avenue, Roseville Park, Newark, returned to Norfolk, Va., on Feb. 9, aboard the amphibious force flagship USS Taconic after a seven-month tour of duty with the U. S. Sixth Fleet in the Mediterranean.

Besides serving as flagship for the Sixth Fleet Amphibious Force, the Taconic and crew also provided communications to the White House for President Eisenhower when he visited Afghanistan, Pakistan and India.

"He who is at war with himself is hateful within himself," said Bishop Fulton J. Sheen.

WE'RE MEETING THE CHALLENGE ... with 130 Million Dollars!

Year after year, we have met the challenge of supplying adequate and dependable service to meet all the needs of this rapidly growing area

Now, in 1960, we're taking a long look — projecting a five-year construction program totaling some \$130 million. Of this amount, some \$57 million is allocated for new generating facilities ranging from 66,000 to 150,000 kilowatts in capacity. More than \$23 million will be spent to extend gas and electric service to new customers and to increase service capacity to present customers. Approximately \$11 million will be allocated for the expansion of our 138,000 volt transmission facilities.

The balance will provide new substations and a wide range of projects to meet future requirements for increased service throughout the Delmarva Peninsula.

This forward looking construction program expresses our faith and confidence in future growth of the area we serve. You can be assured that — as in the past — we will meet all the needs of a growing population and an expanding economy with ample service for everyone, everywhere on Delmarva Peninsula.

ANOTHER NEWARK ELECTION

Local voters gained some experience in casting ballots Saturday with the referendum on a proposal to increase school tax rate—and the voice of the people defeated recommendations of our school administrators by an overwhelming margin.

It is to be hoped that public interest at the polls will be maintained with Tuesday's municipal election for choice of mayor and three city councilmen.

There will be but three polling places next Tuesday for registered voters—at the Fader Motor Company, 42 Main Street, for western district residents; at the offices in the Academy Building for the middle district; and at the Newark Department Store for voters in the eastern district—as compared with polls established last Saturday at each school building in the Newark district.

But Tuesday's polls are conveniently located, and if crowded—so much the better.

The League of Women Voters is to be commended for providing background information on each candidate. And the candidate—Mayor Frank M. Durnall and his opponent James A. Moore; western district council contestants James Henderson, George M. Neighbors, and Councilman George Wilson; middle district opponents John W. Fuller, Leroy Hill, Jr., and John Wharry, Jr.—and unopposed Councilman Vernon Steele in the eastern district—merit our respect and appreciation for their courage and conscientiousness of civic duty in filing for municipal office.

Brookside Resident Milton F. Bender Dies On Saturday

Requiem mass for Milton F. Bender, 51, of 4 Chaucer Drive, Brookside, was offered in Holy Angels Catholic Church on Possum Park yesterday morning with interment in All Saints Cemetery.

Mr. Bender died Saturday in St. Francis Hospital after a several weeks' illness. Born in Brooklyn, N. Y., he came to Delaware 3½ years ago with Tidewater Oil Company. He had been associated with the company for 16 years as a technician.

Mr. Bender was a member of the Holy Name Society of St. John's and Holy Angels Catholic Church. He is survived by his wife, Margaret C.; four children, Carolyn M., Francis X., Kevin R., and Brian H., all at home; a sister, Mrs. Muriel Stevenson, South Plainfield, N. J., and a brother, Kenneth B. Bender of California.

Swim Pool Conference Conducted At University

The first Delaware state swimming pool conference was held Saturday at the University of Delaware Student Center, stressing importance of swimming pool health and safety practices.

Some 150 owners and others associated with pools attended the sessions sponsored by the American Red Cross, Delaware State Board of Health, and the university.

Navy Notes - Assignment Asmara

Arrival in Africa
By William P. Mote

A graduate of Newark High School, Class of 1957, Navy Radioman Bill Mote, son of Mr. and Mrs. William F. Mote, Newark, is stationed at Asmara, Africa, 65 miles from the Red Sea. His articles concerning Navy life will appear from time to time.

Jan. 29, '60
Asmara rests on the very edge of the high plateau that makes up the central portion of Eritrea. It was little more than a village before Ras Alua, a famous Ethiopian general, made his headquarters there in the late 1800's.

The Italians made Asmara the modern city it is today. It was to be the Rome of East Africa.

Now a commercial city of 100,000 people, it is the most modern of East African cities and enjoys modern facilities not found in many areas.

Asmara has an airport; railway service with a busy freight station; inter-urban and city bus service, and many taxis. There are many cars and a complex street system of paved roads.

There are garages equipped to take care of any repair work.

By far, the biggest number of people in Asmara are the Nationals—the Eritreans—whose history goes back into the dim dawn of the world.

Next most populous are the Italians that stayed on after the English captured the city in World War II.

There are people here from all over the world — Asians, South Americans, and Swedes.

It is a common thing to see a man from India eating steak and eggs in an Italian restaurant, and a National waiter tending the table.

But, here that is normal. Here, people are just and only that — people — a prime example of a miniature United Nations.

Letters To The Editor

April 3, 1960

Dear Sir:
Would you please be kind enough to print the following letter?

On Tuesday of last week a fire which started on the property adjoining our place, rapidly spread to our home and was moving fast towards our home and out buildings. In a very short time after they arrived the firemen had this blaze under control, although one fireman said it was a stubborn blaze as the wind shifted several different times. We are sending a contribution to the fire fund in appreciation for the fine work which they did, and our only regret is we can't send a much larger amount.

Very truly yours,
Clarence Wilson

R D 2 Newark

During the past weeks there have been many unfounded statements made regarding the Newark Police Department. Some of these statements have been very damaging to the morale of said department.

I have contacted several police officials outside of the city and they assure me they can get all the cooperation they want from the department, even beyond the call of duty. This cooperation comes not from only one man but the entire force at all times.

These men are working on a six-day week, with approximately every third weekend off. Last Saturday Sgt. Tibbit went off duty at 11 p.m. — was back on Sunday at 6:45 a.m. I was in the station both times so I do know this is a fact. This is typical of their unstable hours. Salary-wise, a patrolman trainee earns \$1.35 per hour and a patrolman first class makes \$1.54 per hour, based on a 48-hour week.

I would like to recommend that steps be taken at once to put these men on a sensible 40-hour per week work schedule at their present wages. I for one defy anyone to prove that Newark does not get its money's worth in police protection, with the facilities available. There are many letters on file over the years to prove this point.

I also detest making a public theatrical performance of any hearing regarding any officer's conduct until there has been a full and complete investigation of all the pros and cons within the proper channels — and then thru the City Manager. I also think we, as councilmen are out of order in calling any officer to give a statement until he has been interviewed by our city administrative officials.

I think we have stooped to a low level, in the Young case, to expose his absolutely confidential psychiatric test (guaranteed confidential) at a public meeting. This action was entirely out of order, and should never happen.

All this discrediting for \$1.54 per hour—day or night, Sundays, Christmas, etc.

Chairman, Police Committee

Dr. Christie To Address First Presbyterian Men

Dr. John W. Christie, pastor emeritus of Westminster Church, Wilmington, will address men of the Newark First Presbyterian Church next Tuesday after a dinner at 6:30 in the church auditorium. Reservations are to be made with William D. Reading or Francis Reinhardt before this Saturday evening. Dr. Christie will discuss local church history.

Kirkwood CAR Delegates Attend Jersey Conference

Elissa Moore, Frazer F., and Mrs. Ira F. Jones, represented the Robert Kirkwood Society, Children of the American Revolution, at the 30th annual spring conference of the New Jersey State Society at Princeton, N. J. last weekend.

On Friday evening, a dinner-dance was held in Nassau Inn, honoring

national president Linda Lang, with Frazer, her escort. Frazer Jones led the pledge to the flag, and as national vice-president, gave a report on the eastern regional conference.

The Newark New Century Club meeting at 1:30 p.m. next Monday will feature Tom Bostelle, West Chester artist, who will discuss "How to understand and interpret surrealism and abstract art."

Three-time winner of the Christian Brinton Award and two-time winner of the N. C. Wyeth Award, Mr. Bostelle was born in 1921 in West Chester; attended the Pennsylvania Academy of Fine Arts; spent the war years in the South Pacific and Japan; and has been a 20 one-man show took place in 1947 in Philadelphia at the Philip Ragan Gallery.

Mr. Bostelle's work is included in the collection of the Wilmington Fine Arts Society, and several privately collected art galleries have been holding art classes for members of the Newark New Century Club on Wednesday mornings at the clubhouse.

Chairman for Monday's program is Mrs. Robert T. Jones, Jr., and hostesses are Mrs. Albert Burt, Mrs. Harry Rawstorn, assisted by Mrs. Donald A. MacLean, Mrs. A. H. Hauben, Mrs. M. W. Goodell, Mrs. Charles Essner, and Mrs. Steven Barczewski.

Officers of the recently formed Suburban Newark Century Club will be installed at this meeting.

Officers are Mrs. Herbert Illingworth, president; Mrs. Clarence L. Smith and Mrs. Ivan Trusler, vice-presidents; Mrs. Joseph McNeill, recording secretary; Mrs. Donald H. Thompson, corresponding secretary; and Mrs. Robert Gebhardt, treasurer.

Pledges Initiated For Local Chapter Of Beta Sigma Phi

Nine newcomers and a Nu Phi Mu transfer were initiated into Beta Sigma Phi sorority, Omicron chapter, at a formal pledge ritual and reception last Monday at the home of Mrs. Albert Chittenden, with Mrs. Leonard Carter, co-hostess.

Mrs. Adam Reed, president, introduced special guests with Mrs. Gustave Minne and Mrs. William Stevens.

The new members are Pat Maier, Mrs. Mark Case, Mrs. Stanley Francis, Mrs. Edsel Fike, Mrs. James Glenn, Mrs. Pierce Houchard, Mrs. William Knarr, Mrs. John Atkinson, and Mrs. Howard Slaney, and Mrs. George Con

Former Hen Star Jimmy Flynn Selected To Replace Ken Steers As Track Coach

Jimmy Flynn, former star sprinter and halfback at the University of Delaware, has been added to the Blue Hen athletic staff effective next September. Director of Athletics David M. Nelson has announced.

Flynn's major assignment will be as track coach, succeeding Dr. D. Kenneth Steers, who will devote full time to his duties as chairman of the department of physical education and the expanded teacher training program of the university.

Flynn, who graduated from Delaware in 1956, is football and track coach at Central Catholic High School in his hometown, Pittsburgh, Pa.

Excelling in track at Delaware during the undefeated 1953 season, Jimmy was a member of the mile relay team that set the Hen record that still stands at 3:25.8—against Muhlenberg.

As a grid star, Flynn was one of the Blue Hens' "James" boys with the 1954 team in rushing with 703 yards, and in scoring with 60 points.

The team which included Little All-America Quarterback Don Miller, compiled a 7-2 record, including a 19-7 win over Kent State in the

post-season Refrigerator Bowl game. He assumed his duties at Central Catholic in 1958, and in his first track season was responsible for building up a team lacking in sprinters, pole vaulters and hurdlers. He developed one hurdler into a Pennsylvania State Catholic champion.

In football, Flynn coached the 1958 team to a 3-3-2 record—the best at the school in nine years—and in 1959, to a 6-2-2 record, using the Delaware Winged-T attack.

His football assistants include Marty Apostolide and John Walsh, former Delaware athletes.

Following graduation, Flynn coached freshman track and football until he went into the Army in November, 1956.

Dr. Steers has doubled as chairman of physical education for men, and track and cross-country coach since his appointment to the faculty in 1944.

He asked to be relieved of his track duties after the 1959 season because of increased pressures of his job. Steers will continue as cross-country coach.

Pete Lengemann, Jake Feldman Top Tennis Prospects

The two best seasons in Delaware's tennis history should be followed with a third, as two new faces—Pete Lengemann, returnee from two years ago, and Jake Feldman, of Wilmington, a transfer from Pennsylvania may offset the departure of Ray Walker and Dick Diekmann.

Lengemann, who compiled a 10-2 record two years ago should take over Capt. Russ Givin's No. 1 post, while Feldman could move into No. 2, with Givin, of Wilmington, relegated to third position.

Tom Roe, of Salisbury, Md.; Bob Brunner, of Summit, N. J., and Ernie Levy of Wilmington are among other returnees.

Coach Roy Rylander reports the Hens may have trouble in doubles play.

The 7-2 record of 1959 was the second best in the Hens' history, topped only by the 11-1 record the year before.

The schedule:
April 15—Western Maryland Home
April 19—Johns Hopkins Away
April 23—P.M.C. Away
April 27—Swarthmore Away
April 30—Ursinus Home
May 2—St. Joseph's Away
May 5—Rutgers Home
May 7—Temple Home
May 9—La Salle Away
May 12—Franklin & Marshall Home
May 14—Bucknell Home
May 16—Drexel Away

Hen Reserves Top Regular Gridders In Final Practice

The reserves upset the regulars in the final football scrimmage of the University of Delaware spring practice.

The defensive battle, reflecting the lack of offensive workouts due to inclement weather, saw sophomore Halfback Bill Regan score the reserves' lone score early in the first period on a two-yard plunge. He also tied the two-point conversion which held up until the game's closing minutes.

Ron McCoy from Smyrna, scampered across for the regulars from the six, but the conversion attempt failed.

Coach Dave Nelson admitted that the scrimmage was less than completely successful, but pointed out that many of the Hen backfield regulars playing other sports did not participate.

Carl-Olaf Homen To Bolster Hopes For Hen Trackmen

Carl-Olaf Homen, Delaware's record-setting Middle Atlantic Conference cross-country champion last fall, will bolster the Hens' hopes of improving on last season's 3-3 track and field record, the poorest in recent years.

If all goes according to plan, Homen, a Brittingham International Scholarship holder, from Finland, should set new Delaware marks in the mile and two mile events.

In the pre-season ICAA indoor meet, Homen traveled the two-mile course in 9:34.6, which is nearly 11 seconds faster than the Delaware outdoor record.

Hens' Mile Relay Team Defeats Delaware State

Delaware's Blue Hen mile relay team defeated Delaware State College in a practice race on Frazer Field last Thursday with a time of 3:31.4.

Hen runners were Gil Mahla, cf Claymont; Chet Stachecki, cf Smyrna; Al Huey, of Milford, and Carl-Olaf Homen, Finland.

Coach Ken Steers Reports Strength In Running Events

Delaware's track team appears strong in the running department but lacks depth in the field events. The season opens April 16 against Swarthmore on Frazer Field.

Goals were scored by Buddy Melvin, of New Castle, Bob Koyanagi, of Seabrook, N. J.; Hal Grosh, of Seaford; Sid French, of Annapolis; Pete Wilson, of Albany, N. Y., and Mark Brown, of Wilmington.

Goalie Jim Pappas, of Chester, Pa., made 10 saves.

Delaware opens the season April 16 with Swarthmore in an attempt to better last year's 7-4 record.

Ed Maley's Lacrossemen Beat Union In Practice

Delaware's new lacrosse coach Ed Maley liked what he saw when the Blue Hen stickmen trampled Union College, 8-0, in a controlled practice scrimmage on Frazer Field last Saturday.

Goals were scored by Buddy Melvin, of New Castle, Bob Koyanagi, of Seabrook, N. J.; Hal Grosh, of Seaford; Sid French, of Annapolis; Pete Wilson, of Albany, N. Y., and Mark Brown, of Wilmington.

Goalie Jim Pappas, of Chester, Pa., made 10 saves.

Cornwell, Stanton Named Co-Captains For Hen Wrestlers

Bill Cornwell, 187-pounder from West Chester, Pa., and Tom Stanton, 157-pounder, from Somerville, N. J., have been elected co-captains of the Delaware 1960-61 wrestling team.

Coach Whitey Burnham reports this is the first time that mat co-captains have been elected.

Both wrestlers had outstanding records for the Blue Hens who compiled a 6-3 record the past season.

Cornwell led the team with a 6-2-1 record. Last year, as a sophomore, he had a 5-3-1 log.

Both are juniors, although it was the first year of competition for Stanton, a transfer from Arkansas State. He had a 7-2 season and placed third in team scoring.

The new co-captains succeed 123-pounder Bob Pierce of Bryn-Mawr, Pa., who has been captain the past two seasons.

Whiteman, Gladys Kelley Roll High Games For CDF

Paul Whiteman scored the high single 201 and top series 551 for men, 165 and series 477 for women in Continental-Diamond Fibre League bowling competition at Brookside last Monday night.

Otto Herman's Dilecto team leads the league with a 33-15 log, followed by Joe DeCicco's Machine Shop and Lew Fell's Spiral Tube squads.

Last Sunday at Brookside, the Bridgeport CDF visitors defeated the Newark team 13-11.

Marlene Perry's CDF bowlers finished fifth in Class C during the recent women's Delaware state bowling tourney.

Coach Wisniewski Faces Golf Season With 5 Lettermen

A senior-dominated team with five veterans bolsters Delaware's hopes of a winning golf campaign.

The Hens have had relatively lean years in the last two seasons (4-5 in '58 and 5-6 in '59) after a long period of winning under Coach Irv Wisniewski.

Captain Gene Gallagher, of Wilmington, heads the list of lettermen. Gallagher had a 4-7-0 record last year, and probably will be the team's lead-off man.

Other veterans and their records are Jim Cannon (6-4), of Wilmington; Dick Humphreys (5-1-1), of Lewisburg, Pa.; Jerry Connell (5-5-1), and Jon Hegan (2-0), both of Wilmington.

Junior Jim Marmon, and sophomores Bob Sutton, and Mike Turnbull, are promising newcomers. One of the three probably will crack the top five.

A tough schedule faces the Hens, with Lehigh, Bucknell and Pennsylvania, the top threats. Other traditionally strong teams are Rutgers, Haverford, St. Joseph's and Swarthmore.

All home matches will be on the Louviers course, at Milford Crossroads, two miles north of Newark.

Capt. Jack Baly To Lead Delaware Five Next Season

Jack Baly, blonde guard from Union, N. J., has been elected captain of the 1960-61 Delaware basketball team. The 6-1 junior was the Blue Hens' second-highest scorer during the recent campaign.

Baly, who rose from a key reserve role to a starter this year, tallied 314 points for a 13.6 per game average on a club that compiled a 7-16 record.

He topped the field in free throw completion, scoring on 70.2 per cent. His field goal percentage, 39.4, was one of Coach Irv Wisniewski's team best.

Baly seemed to improve with each succeeding game, and his best effort came in the season's finale against Swarthmore, when he scored Delaware's individual single-game high of 27 points, including 12 field goals.

He also holds the season's single-game free throw title of eight in 10 attempts against Bucknell.

Baly succeeds co-captains Chuck Hamilton of Harrisburg, Ark., and Gil Mahla of Claymont.

Hens Place Sixth For MAC Title Led By Dan Roosevelt

Sophomore Dan Roosevelt, from Arlington, Va., placed in three events to lead Coach Harry Rawstrom's Delaware Blue Hen swimmers to sixth place in the Middle Atlantic Conference Championship meet at Lewisburg, Pa., on March 4-5. Host Bucknell won the team title.

Roosevelt took fourth in the 200-yard backstroke, his specialty; fourth in the 440-yard freestyle; and sixth in the 200-yard individual medley. He accounted for seven of the Blue Hens' 14 points.

Butterfly ace Dick Cheadle took fifth place in the 100-yard butterfly, and Pete Georges took fifth in the diving event.

Wes Mock placed sixth in the 220 freestyle.

The Hens' freestyle relay team, composed of Jerry Harrison, Cheadle, Ed Bacon and Mock, also took sixth.

Catcher Pape Lukk Hits 340-Ft. Home As Hens Lose Second Game To Tarheels

Coach Harold Raymond's University of Delaware's Blue Hens dropped their second straight decision to the University of North Carolina baseball club at Chapel Hill yesterday, by a 6-3 score.

The Tarheels staged a three-run rally in the fifth to win their sixth in eight starts this season. The defeat leveled Delaware's record at 2-2.

Bob Gates went the distance for the Hens and was socked for nine hits, including five for extra bases. Delaware got five hits.

Catcher Pape Lukk opened the scoring in the third inning when he smashed a 340-ft. Delaware home run over the left field fence, but the Tarheels tied this in the fourth when Bob Griffin tripled and rode home on a single by Ron Norton.

Delaware tallied twice in the fifth on Dave Beinner and Gary Frantz singled to left to score runner, Sonny Rehm also walked. The bases were loaded and Bruce Green grounded into a double play on which Hoberman scored.

The Tarheels added a run in the sixth on a triple and a double. The Hens will move to Greensboro today to open a two-game series with East Carolina College, on travel to Washington, on Sunday to meet Georgetown.

35 Drinking Drivers Involved In Death Of 83 Persons With 73 Fatal Accidents

More than a third of the 98 drivers involved in fatal accidents on Delaware streets and highways in 1959 had been drinking and many were speeding. Of the 98 drivers in fatal accidents last year, 37 were speeding and 20 were on the wrong side of the road. A dozen had disregarded a stop sign or signal, and four disregarded a warning sign or signal. Seven fell asleep while driving.

Three drivers had been inattentive, investigators found, while two proceeded without having the right of way.

Improper passing was involved in one fatal accident, and fainting at the wheel in one other.

In addition to the 35 drivers who had been drinking, four pedestrians involved in fatal accidents had been drinking. Thirteen pedestrians and 70 passengers made up the 83 persons killed in traffic accidents last year.

More fatal accidents occurred on weekends and between midnight and 1 a.m. than at any other time. The analysis by day of the week, showed that of 73 accidents, an even dozen occurred on Saturdays, another dozen on Sundays and a third dozen on Mondays. There were 10 each on Tuesdays and Fridays; nine on Wednesdays, and eight on Thursdays.

Republican Women Hear Mrs. Calhoun At Suburban Club

The Suburban Republican Women's Club met March 28, at the home of Mrs. Howard B. Jernee, Brookside, when Mrs. G. Herbert Calhoun, president of the Delaware Federation of Republican Women's Clubs, spoke on the organization of new clubs and advantages of affiliation with the national federation.

Thirty-six women representing Brookside, Silverbrook, Fairfield Crest, Harmony and Windy Hills, and Glasgow, attended.

New officers were installed with President Mrs. Albert J. Vogel, Brookside; Vice-president Mrs. William Crossan, Harmony Hills; Secretary Mrs. William Press, Glasgow; Treasurer Mrs. Mark Case, Brookside; Corresponding Secretary Dorothy Gilbert, Brookside.

November fatal accidents numbered 11, while June and July had 10 each, and April had nine.

Of the 98 drivers, 71 were residents of Delaware and 27 were from other states. Among the victims, 64 were Delawareans and 19 from other states. Seventy-four of the drivers—just about three fourths of the total—were 25 years of age or older, while 24 were under 25 years.

The weather was clear in 44 of the 73 accidents. It was cloudy at the time of 18 accidents; while seven happened in the rain and four in fog.

Forty of the 73 fatal accidents occurred in New Castle County, 17 in Sussex and 16 in Kent.

Vehicle defects were noted in several of the accidents. Defective tires were reported in three and defective brakes in three.

Among the 13 pedestrians killed, five were crossing streets or roads at places other than intersections, and four stepped out from among parked cars.

Historic Film Offered By School Of Agriculture

"The Promise and the Glory" is the title of a film now available by writing to the University of Delaware Film Library, school of agriculture, County 4-H Agent Don Burton, reports.

The film is a re-enactment of the colonization of Jamestown, the battle of Yorktown and scenes at Williamsburg when it was the colonial capital. The film records the visit of 4-H'ers to historic spots as seen through the eyes of these young citizens.

Burton said the film is ideal for showing before any group interested in history and can be borrowed free of charge.

Library Associates Present University With 875 Volumes

It isn't often that 875 volumes are delivered to a library in a single day, but the University of Delaware's staff was confronted with this problem recently as the result of a gift from Library Associates.

The new collection, Hansard's Parliamentary Debates, is a record of proceedings of the British Parliament in both the House of Commons and the House of Lords, from 1902 to the present.

The gift was presented by Henry B. duPont, first vice-president of Library Associates, a nonprofit corporation empowered to receive and administer funds leading to the improvement of the library and its collections.

Dr. John M. Dawson, director of libraries at the university, said that the gift is "especially welcome at this time, since the university faculty has just approved a doctoral program in history."

The Hansard Debates are an essential reference tool for the English historian, Dawson said.

Heptachlor Usage Banned On Alfalfa, Forage Crops

The food and drug administration has placed a zero tolerance on Heptachlor use with agricultural crops; which means that it cannot be used on alfalfa or on any other forage crop where there is apt to be a residue of Heptachlor, according to Dr. Dale F. Bray, extension entomologist with the University of Delaware.

There has been considerable interest in the use of Heptachlor in granular form or mixed with fertilizers, for alfalfa weevil control. Even though these forms are designed to be used before the alfalfa starts to grow, they would still produce residues on the crop at harvest time. Therefore, the use of Heptachlor on alfalfa is illegal.

Alfalfa weevil control is now limited to methoxychlor or malathion sprays.

Ask your county agent or write

the department of entomology at the University of Delaware and ask to be put on the "Late News About Insects and Diseases" mailing list.

Harvey Bergeron Reports Progress For Local Airmen

Master Sergeant Harvey L. Bergeron, USAF recruiter for this area, reports that Airman Stephen T. Stanley, son of Mr. and Mrs. Harold L. Stanley of Delaplane Manor, Newark, has completed his initial course of Air Force basic military training at Lackland AFB, Tex., and has been selected to attend the technical training course for aircraft and missile maintenance at Amarillo AFB, Texas.

Airman Stanley enlisted in the Air Force last November.

Sergeant Bergeron was visited recently by Airman David C. Reichard, III, son of Mr. and Mrs. David C. Reichard of Red Mill Road, Newark, David, a member of the USAF Aerospace Force, graduated recently from the ground communications equipment repairman course at Keesler Air Force Base, and has been assigned to Andrews Air Force Base, Md., with manned aircraft and missiles.

Reichard, a Newark High School graduate, enlisted in August, 1958.

Also home on 12 days leave from electronics school at Keesler AFB, Miss., was Airman John N. Cox, son of Mr. and Mrs. Herman W. Cox, of Tanglewood, Newark. Airman Cox completed his first phase of electronics school with a 91 average. He will return to the Keesler base and hopes to continue with his high average and graduate next September.

Airman Cox enlisted in the Air Force last October.

Sir John Stainer's cantata "The Crucifixion" will be sung by the adult choir of the Ebenezer Methodist Church at Pleasant Hill this Sunday at 7:30 p.m. The service will begin with congregational singing of Easter hymns.

Mrs. W. Floyd Jackson, will direct the choir and Mrs. Norman Hitchens will be the organist.

Soloists will be Paul Nelson and Robert Milne, baritone and bass; Daniel Harris and Franklin Knotts, tenors.

Members of the choir are Mrs. Paul Nelson, Mrs. Ralph Whiteman, Mrs. Paul McClean, Mrs. Carl Nelson, Mrs. Gilbert Unger, and Mrs. Kinsey Whiteman, sopranos; Mrs. William Godwin, Mrs. Louis Dempsey, Mrs. Lindsay Greenplate, Mrs. Robert Milne, Mrs. Albert Jeyke, and Mrs. Charles Brockell, Jr., altos; Mr. Harris and Mr. Knotts, tenors; Mrs. Nelson, Harry Nelson, and R. Milne, basses.

Four Newark Men Named VFW Aides To National Chief

Four Newark area men—Nolan Jester, 20 East Stephen Drive; James E. Fields, 515 Capitol Trail; Henry Anderson, 22 Malvena Lane; and Bradley R. Vernon, Route 2, Newark, have been appointed national aides-de-camp to Louis G. Feldmann, commander-in-chief of the Veterans of Foreign Wars.

In making the announcement, Commander Feldmann said: "I deem it a great honor to have these men serve on my personal staff. They have long been tireless workers for the Veterans of Foreign Wars and I am confident that they will carry out their assignments as national aides-de-camp with the same enthusiasm."

"Our organization is fortunate to have men of their calibre standing ready to serve," Feldmann concluded.

Two Central Sites Selected By Lions For Flower Sales

Two central locations for the Newark Lions Club Easter flower sale have been announced by Ernie Jones, chairman of the Lions' annual welfare fund-raising project—in the recently vacated Neighbors drug store, at 72 East Main Street, and with sidewalk sales in front of Sheaffer's, across the street.

Fifteen varieties of blooming plants will be on sale from noon to 9 p.m. on Friday, April 15, and from 9 a.m. to 6 p.m. on Saturday, April 16.

The Lions have selected a slogan "The flower you buy may save an eye" in keeping with one of their welfare projects—aiding with sight problems.

Twelve teams of Lions will serve as salesmen in three-hour shifts, and all profits will be added to the Lions' welfare fund.

Team captains announced by Chairman Jones are Lions Wayne Brewer, Francis Neide, Wilfred Richmond, T. D. Smith, Thomas Foster, Charles Hoover, Russell Hardy, Robert Hall, Fred Mitchell, James McNeal, David McMillan, and Roger Watkins.

St. Michael's Council, Knights of Columbus, has announced its first annual scholarship banquet to be held May 5, at the Mill Creek Fire House, with John Carr, general chairman, to raise funds for establishing high school scholarships for deserving graduates of St. John the Beloved and Holy Angels parochial schools.

Banquet officials emphasize that these scholarships will be awarded upon the dual basis of need and scholastic achievement. Members of the two parishes, in particular, and the general public are invited for what "promises to be an outstanding evening of entertainment," the Knights report.

The guest list includes personalities prominent in the fields of education, religion, sports, state and local government.

Charm School Director Guest Of Local Janecies

Director of the Nancy Taylor Charm and Modeling School at Newark, Mrs. Willene Dudley was guest speaker at the recent monthly meeting of the Newark Janecies at the home of Mrs. William Sillman.

Mrs. Dudley discussed "inner beauty and charm of the individual," how to "make the most of yourself," and charm school fundamentals.

The Janecies sponsored a spring hat party on March 29 at the home of Mrs. Don Miller.

Mrs. Ben Raphael is chairman for a trip to the Bacon Health Center on April 28.

WANTED! A GOOD MAN

For a good job with a good firm that has experienced a very successful year in the Newark area—one of the oldest established insurance companies in the world—

THE JOHN HANCOCK MUTUAL LIFE INSURANCE COMPANY

In its first full year in the Newark area, John Hancock's local office won the President's Club Award, ranking 24th in 850 sales units.

Why? Because of young, aggressive men with the desire to succeed, and because of close cooperation between management and men in the John Hancock Company.

The job offers opportunity for advancement; salary plus commission; careful training under unit manager with personal, friendly interest; group insurance hospitalization for family—and a solid pension plan with job security.
