VOLUME XXVII

NEWARK, DELAWARE, THURSDAY, NOVEMBER 12, 1936

NUMBER 42

## DIAL PHONES PLACED INTO REGULAR USE

Change From Manual Service  
Made Today At Noon;  
Numbers Altered

OPERATORS RELOCATED  
Employees Get Position At  
Other Offices; 3,000  
Phones Affected

All telephones in Newark, Holly  
Oak, Hockessin and Delaware City  
are now being operated on a dial  
basis.

Promptly at noon today (November  
12) the approximately 3,000 tele-  
phones in these towns were changed  
from manual to the dial method of  
operation, the transition being com-  
pleted in less than one minute.

J. Edward Murphy, manager for  
the Diamond State Telephone Com-  
pany, reminded telephone users that  
virtually all telephone numbers have  
been changed and he urged them to  
consult the new directory for the cor-  
rect listing before dialing a call.

Operators Cooperate  
Prior to the planning of the change  
of dial service in these communities,  
a complete study of all of the fac-  
tors involved was made and the re-  
location of the force was worked out  
in cooperation with the operators them-  
selves.

The entire regular operating force  
at Newark have accepted positions in  
other Bell Telephone central offices.

Mrs. Mildred C. Ewing, whose  
home is in Chester, Pa., will be lo-  
cated in the Swarthmore, Pa., central  
office. Mrs. Helen J. Steele, whose  
home is in Oxford, Pa., will be located  
in Kennett Square.

Others Placed  
Other operators will be located as  
follows: Mrs. Rosalie H. Crockett and  
the Misses Elizabeth R. Tweed, Ethel  
M. Gregg and Clara R. Foote have  
been given positions in the Wilming-  
ton central office.

The only other employee was Mrs.  
Evelyn S. Stickley, who was not a  
member of the regular operating  
force, and whose husband is employed  
here in Newark.

A demonstration on the use of the  
new dial phones was given by Dia-  
mond State engineers before more  
than 1,500 students in two groups at  
the Newark High School yesterday  
morning.

Employing a model built especially  
for the occasion, the engineers demon-  
strated every step to be made in com-  
pleting a call. Members of the audi-  
ence were allowed to question the  
demonstrators.

## Colored Parents and Teachers In State To Convene

Mrs. Manly P. Northam, Yorklyn,  
president of the Delaware Parent-  
Teacher Association; Miss Etta J.  
Wilson, Newark, executive secretary;  
and other members of the executive  
committee will meet with Mrs. Cecie  
P. Henry, head of the Delaware  
branch of the National Congress of  
Colored Parents and Teachers, and  
representatives of local P.T.A. A.  
groups at the Booker T. Washington  
School, Dover, Tuesday evening, No-  
vember 17, at eight o'clock. Work for  
the balance of the school year will be  
discussed.

Others to Attend  
Others who are expected to partici-  
pate in the meeting include Mrs.  
W. R. Keys, Clayton; Mrs. Orville R.  
Wright, Farmington; S. Marcellus  
Blackburn, Dover; and J. Graham  
Scott, Milford.

Parts of the film, "Helping Chil-  
dren Grow," taken by Mrs. Robert P.  
Robinson, former president of the Del-  
aware P.T.A. A., will be shown by Miss  
Wilson who did the editorial work in  
connection with it.

## Newark P.T. A. Meets Next Thursday Evening

Miss Sally Ehlers of the Women's  
College, University of Delaware, will  
address the Newark Parent-Teachers  
Association on Thursday evening, No-  
vember 19, at 8 o'clock in the New-  
ark High School auditorium. Her  
subject will deal with the proper se-  
lection of books.

A display of children's books will be  
made by a Wilmington distributor.

## Telephone Numbers

With general changes made  
in the numbers of Newark's  
telephones, an important list to  
jot down on your calendar is  
given herewith:

- Police Newark 4801
- Fire Dept. Newark 2911
- Council Newark 591
- Public Schools Newark 3521
- University of Delaware New-  
ark 511
- Post Office Newark 4541

## DR. SYPHERD TO GIVE READINGS

Programs Conducted By Dela-  
ware Eng. Dept. Are Now  
Open To the Public

The first of the annual series of  
readings by members of the English  
Department of the University of  
Delaware will be given next Monday  
evening, November 16, at 7:30, in  
the Hilarium of Residence Hall, Wom-  
en's College.

Dr. W. Owen Sypherd, professor  
of English and head of the English  
Department will read from the writ-  
ings of G. K. Chesterton, the famous  
English essayist, critic, short-story  
writer and thinker, who died during  
the past summer. Chesterton was  
especially well-known for his para-  
doxes and brilliant speculations con-  
cerning social problems. Dr. Sypherd  
will preface his selections with a  
short discussion of Chesterton's po-  
sition in English letters.

Recalls Lectures  
Citizens of Newark and vicinity will  
recall the notable lecture on the En-  
glish Bible and the reading from the  
music poems of Browning that Dr.  
Sypherd gave in Mitchell Hall last  
year.

Since their inception a few years  
ago, the readings given by the En-  
glish Department have been largely at-  
tended by members of the student  
body and faculty of the university,  
but now the department, believing  
that they may be of general interest,  
wishes to call the attention of the  
public to them and to extend a cor-  
dial invitation to the community to  
attend them. The readings last ap-  
proximately three-quarters of an  
hour.

Subsequent readings will be an-  
nounced in due time through this pa-  
per.

## Morley Delights

Christopher Morley, one of Ameri-  
ca's most interesting literary per-  
sonalities delighted an audience of  
500 on Tuesday evening, the largest  
crowd to attend a University Hour  
program this year. The speaker was  
introduced by Dr. Sypherd.

Following a few humorous intro-  
ductory remarks, the eminent author  
entertained his audience by reading  
from his own selections and having  
them classed by those present as  
"high brow," "middle brow," or "low  
brow."

All of the selections read were  
placed in the "low brow" class by the  
audience, according to the vote.

## New Physician To Open Offices Here Nov. 20

Dr. E. Hughes Nutter, who com-  
pleted his internship at the Homeo-  
pathic Hospital, Wilmington, this year,  
will open Newark offices at 91 East  
Main street, on November 20.

A graduate of Ohio Wesleyan Uni-  
versity, where he completed his pre-  
medical work in 1931, Dr. Nutter re-  
ceived his doctor's degree from the  
Hahnemann Medical College, Philadel-  
phia, in 1935.

The son of Rev. Melvin D. Nutter,  
17 Kells avenue, Dr. Nutter and his  
wife reside at the paternal home.

## Century Club Meeting

The Newark New Century Club  
will hold its regular bi-monthly  
meeting next Monday afternoon at  
two-thirty o'clock. A reception will  
be held at the session for teachers of  
the Newark Public Schools.

## LOCAL LIONS CLUB DINNER HOLDS STAGE

Service Organization Marks  
Founding Next Tuesday  
At College Hall

EDUCATOR WILL SPEAK

Plans for the Seventh Charter  
Night to be marked by the Newark  
Lions Club next Tuesday evening  
with a dinner and dance at Old Col-  
lege, University of Delaware, were  
completed this week. More than a  
hundred members from associated  
clubs and guests from five states are  
expected here for the affair.

Indications have been given that a  
party of some fifty people from Wil-  
mington will aid the local service or-  
ganization mark its founding.

With Dr. Charles J. Keppel, direc-  
tor of Tome School, Port Deposit,  
acting as principal speaker for the  
occasion, other dignitaries expected to  
attend are Dr. Walter Hüllihen, presi-  
dent of the University of Delaware;  
Lt-Governor-Elect Edward W. Cooch,  
Mayor Frank Collins and their wives.  
Rev. H. Everett Hallman, pastor of  
the First Presbyterian Church, has  
also been invited.

Noted Educator  
Dr. Keppel, who has been connect-  
ed with private preparatory schools  
for some twenty years, took over the  
Tome directorship last year. He will  
make his initial appearance in New-  
ark on Tuesday.

Filling speaking engagements at  
Elkton last winter, Dr. Keppel im-  
pressed listeners at meetings of the  
Kiwanis Club and Women's Club of  
that town.

Succeeding R. J. Shortlidge at Port  
Deposit, Dr. Keppel, who came from  
Cranbrook Preparatory School, near  
Ann Arbor, Michigan, has done an  
excellent job of restoring Tome to its  
once eminent place in the field of edu-  
cation.

With the 1935 enrollment of the  
school bettering that of four preced-  
ing years, the institution this fall  
greeted an influx of students that  
more than doubled the 1935 registra-  
tions.

## FRANK FADER GREET'S FORD MOTOR HEADS

Local Dealer, A Democrat, Is  
Reminded of Likeness  
For Landon

VIEWS NEW 1937 CARS

Newark has a "twin" for Governor  
Alfred Landon, defeated aspirant on  
the Republican ticket for the presi-  
dential seat, and he had to journey  
to Detroit to find it out.

A. Franklin Fader, head of the  
Fader Motor Company, 42 W. Main  
Street, who is an outstanding Demo-  
cratic leader in White Clay Creek  
Hundred and a brother of State Rep-  
resentative-Elect John R. Fader, spent  
the week-end in Detroit as a  
guest of the Ford Motor Company,  
where no less a personage than Edsel  
Ford, president of the concern, greet-  
ed him as Landon's "twin."

Dean of Dealers  
Along with 7,000 other dealers from  
throughout North America, Mr. Fader  
traveled to the motor car center  
for the single purpose of viewing the  
new line of 1937 cars to be marketed  
by the Ford organization.

Although known as the "dean" of  
Ford dealers on the Atlantic Sea-  
board, having been a representative  
for twenty-five years, Mr. Fader had  
never met Henry Ford, founder of  
the mammoth corporation, nor his  
son, Edsel.

Finding the opportunity for a  
"how-do-you-do" with both of the il-  
lustrious figures, Mr. Fader was con-  
versing with the elder member of the  
duo when Edsel of the Fords re-  
minded him of the decided likeness  
between him and the Kansas govern-  
or.

Gets "Kidded"  
With N. C. and Robert J. Quillen,  
Ford dealers in New Castle and ar-  
dent Democrats in their own right,  
leading the "attack," Mr. Fader was  
the center of considerable "kidding"  
for the balance of the trip.

The local party left here last  
Thursday and arrived in Detroit the  
following morning, when the new  
Ford line of cars was presented in a  
style that reminded of the late Zieg-  
feld.

## Work of J. Allison O'Daniel Post No. 10, American Legion, Evaluated by Historian

By A. E. Tomhave  
(Post Historian)

It is necessary to look back over  
the year's activity to properly eval-  
uate and appreciate the work of the  
Legion post, and to realize the value  
of the organization to the community.  
The activities of the post are so  
numerous and so varied that this re-  
port cannot go into the detail neces-  
sary to give the complete picture of  
the work done.

At the beginning of the legion year,  
the post conducted a movie week to  
raise funds for its varied activities.  
This was a departure from previous  
years when home talent shows were  
conducted to raise money. The tre-  
mendous amount of work involved in  
staging a home talent show, and the  
rather small financial returns for the  
time and work expended were the  
principal causes for the change.

For the first time in the history of  
the post, the legion and its affiliated  
organizations attended church in a  
body on the Sunday nearest Armistice  
Day. This is a good beginning in the  
proper observance of the day that  
really belongs to the legion.

Record Membership  
The post attained a record mem-  
bership in the year 1935-36. A total of 88  
members were enrolled in the post  
which was one over the quota set and  
10 more members than were enrolled  
last year.

The Americanism work of the post  
was outstanding for the year. One  
thousand flag codes were purchased  
and distributed in the public schools.  
A program was given at the high  
school assembly in which the speaker  
discussed the proper display and use  
of the flag. Two prizes of \$2.50 each  
were given for excellence in American  
History in the public schools.

The Boy Scout Troop sponsored by  
the post is one of the strongest in the  
state. The troop was called on by a  
number of organizations to aid them  
during the year in handling traffic

and otherwise aiding them. The scouts  
performed nobly in gathering clothing  
for the flood sufferers in Pennsylvania,  
and played an important part in the  
Memorial Day observances.

The post again sponsored a Junior  
Legion baseball team. Even though  
they did not win the Department  
championship, the training in sports-  
manship is of greater value than win-  
ning championships. Any funds ex-  
pended for the scout troop and junior  
baseball team will not be returns in  
future years in better citizenship of  
those boys taking part in these  
activities.

Sons of Legion  
The Sons of the Legion Squadron  
received their charter during the past  
year. The squadron has made excel-  
lent progress during the year and is  
ready for real work and service to the  
community. To help develop interest,  
the sons have organized a baseball  
team and a duck pin bowling team.

The work of the squadron was out-  
standing during the observance of  
Memorial Day. The building of the  
replica of the tomb of the unknown  
soldier and the construction of the  
white crosses made possible a setting  
at the Memorial Library which will  
long be remembered by the citizens of  
Newark.

The post took the leading part in  
the observance of Memorial Day in  
Newark. The Vesper Services at the  
Memorial Library is gaining in favor  
each year. The largest attendance in  
the history of the post was experi-  
enced this year. The replica of the  
tomb of the unknown soldier and the  
white crosses added much to the ser-  
vices. The post again placed an Ameri-  
can flag and planted a geranium on  
the graves of the soldiers of all wars,  
buried in the vicinity of Newark.

The post again presented entertain-  
ments at Perry Point. In addition,  
golf clubs and balls, and ten pins were  
taken to Perry Point through the ef-  
forts of the post.

## VOCAL ARTIST

Fritz Krueger

Noted Philadelphia tenor who will  
appear at Mitchell Hall, University of  
Delaware, on November 19, in com-  
pany with a number of other artists  
from the Curtis Institute of Music.  
The Newark Music Society is sponsor-  
ing the affair under the direction of  
Miss Freda Ritz.

## CURTIS CONCERT PRESENTED SOON

Newark Music Society Will  
Bring Three Artists To  
Mitchell Hall, Nov. 19

On Thursday, November 19, at 8  
p. m. the Newark Music Society will  
sponsor the first of the Curtis Insti-  
tute of Music concerts in Mitchell  
Hall.

Three artist-students of the insti-  
tute will be featured: Miss Elsie Mac-  
Farlane, who possesses a rich contral-  
to voice; Eugene Ciresu, young vi-  
olinist and pupil of Madame Lea Lu-  
boshutz and Fritz Krueger, lyric tenor  
and pupil of the celebrated Emilio de  
Gogorza.

Miss MacFarlane has made numer-  
ous public appearances, having been  
soloist with the Philadelphia Orches-  
tra under the direction of Dr. Leo-  
pold Stokowski in the performance  
of "The Three Cornered Hat," by  
Monte Carlo Ballet Russe in 1935,  
and was recently soloist in the pro-  
duction of Mendelssohn's Elijah at  
the Second Presbyterian Church in  
Philadelphia.

With Detroit Orchestra  
Mr. Ciresu, prior to his enrollment  
at Curtis last year, was active in mu-  
sical circles in his home city, having  
appeared with the Detroit Symphony  
Orchestra.

Mr. Krueger has just returned  
from three months of opera study in  
Italy. For two years before becoming  
enrolled at Curtis, he taught voice  
at Midland College, Fremont, Ne-  
braska and concertized extensively  
throughout the midwest. He has done  
considerable singing in opera and  
light opera in Philadelphia and vi-  
cinity as well as a number of radio  
broadcasts over the Columbia Broad-  
casting System.

Miss Freda Ritz, chairman, headed  
the committee instrumental in arrang-  
ing the program.

## STUDENT HIT BY CAR; NOW IN HOSPITAL

Driver Under \$500 Bond; Vic-  
tim Suffers With Broken  
Leg; Freshman at Del.

DEMENTED MAN TAKEN

Returned To Pa. Authorities  
After Being Found; Grain  
Thief Suspect Arrested

Joseph Mulrooney, aged 18, of Wil-  
mington, a freshman at the Univer-  
sity of Delaware, was struck Friday  
evening as he attempted to cross West  
Main Street in order to go to the  
Kappa Alpha fraternity, by a car  
driven by Thompson Brightigan, of  
near Newark. Mulrooney, who is a  
K. A. pledge, suffered a compound  
fracture of the leg. He was taken to  
the Wilmington General Hospital  
where he is expected to be confined  
for six weeks.

Brightigan was arrested by Pri-  
vate Sheaffer of the State Police and  
Chief of Newark police, William Cun-  
ningham who investigated the case.  
He is being held under \$500 bond by  
Magistrate Frank Haley, of Wil-  
mington, to appear before Magistrate  
Daniel Thompson on January 22 to  
answer a charge of assault and bat-  
tery.

Lunatic Taken  
Anthony Wroblanski, aged 46 years,  
was taken from the Pennsylvania  
Railroad waiting room Sunday eve-  
ning by Chief Cunningham when he  
appeared to be mentally deranged.  
Investigation disclosed the fact that  
Wroblanski had escaped about a week  
ago from the Pennsylvania Asylum  
for Feeble Minded in Norristown. He  
was turned over to the Pennsylvania  
authorities on Monday.

Benjamin Sartin, of Elkton, Md.,  
formerly of Buck Bridge and Middle-  
town, was picked up on suspicion by  
Chief Cunningham after he had sold  
184 bags of corn to Dayett's Mill,  
Cooch's Bridge, on Tuesday. Investi-  
gation disclosed the fact that Sartin  
did not possess a driver's license and  
Cunningham was holding him on this  
charge when Maryland authorities  
claimed that the corn had been stolen  
from a number of Cecil County fam-  
ers.

Sartin was questioned by Chief  
Cunningham and Officer Leroy Hill  
and then turned over to Deputy Sher-  
iff Elwood Racine and Officer David  
Randolph of the Elkton police.

## Meeting Of The Melody Circle Held On Tues.

The Melody Circle, a branch of the  
Delaware State Federation and the  
National Federation of Music Clubs,  
held its second meeting Tuesday eve-  
ning, November 10, at the home of  
Miss Marion C. Gilmore, councilor.

Officers were installed as follows:  
president, Mary Alice Pierson; vice-  
president, Florence Cranston; secre-  
tary, Betty Mumford and treasurer,  
Lillian Gilmore.

It was announced that two prizes  
will be given for the two best com-  
positions written by members, and  
dealing with various phases of music.  
Another prize will be given to the  
member who makes the most pro-  
gress in his work within the next  
two months.

Musical Program  
The program opened with a review  
of the life of Haydn by Wanda Gil-  
more. Piano solos were given by  
Betty Mumford, Betty Jane Perry,  
Florence Cranston, Helen Gilmore,  
Carolyn Guthrie, Alice Yearsley,  
Mary Alice Pierson, Grace Crossan,  
Jeanne LeFevre, Lillian Gilmore,  
Anna Crossan, Joanne Gilmore, and  
Betty Ann McMillan.

In place of the December meeting  
of the Melody Circle, members will  
give a recital. Mr. George Lee will  
be the guest soloist.

## Economist To Address College Hour Assembly

M. M. Dougherty, economist at the  
experiment station, University of  
Delaware, will address the College  
Hour assembly at Mitchell Hall next  
Tuesday at 11:45.

He will speak on opinions and ob-  
servations gathered during an exten-  
sive motor trip in Europe made last  
summer.

## Lesson for November 15 THE HEROISM OF CHRISTIAN FAITH

LESSON TEXT—Acts 2:12, 13, 27-34;  
Romans 8:1-5.  
GOLDEN TEXT—Greater love hath no  
man than this, that a man lay down his  
life for his friends. John 15:13.  
PRIMARY TOPIC—On the Castle Steps.  
JUNIOR TOPIC—On the Castle Steps.  
INTERMEDIATE AND SENIOR TOPIC  
—Taking Risks for Christ.  
YOUNG PEOPLE AND ADULT TOPIC  
—Risking All for Christ.

We now come to the close of the  
third missionary journey of Paul.  
As he came to Jerusalem for the  
last time in his eventful life he was  
warned by a prophet, Agabus at  
Caesarea, that if he went up to  
Jerusalem he would be bound and  
given over to the Gentiles.

Heroism of the highest and noblest  
type has characterized the follow-  
ers of Christ in all times. Paul  
was not one to be deterred from  
what he believed to be God's will  
by the probability that he would  
suffer. Like all who follow the  
Lord Jesus Christ in truth he was

I. Fearless, in Practice as Well  
as Theory (Acts 2:12, 13, 27-34).

Many there are who sing, "I'll go  
where you want me to go, dear  
Lord, I'll be what you want me  
to be," or smoothly repeat consecra-  
tion vows, who are frightened away  
at the slightest difficulty, and who  
feel that they must have been mis-  
taken about the Lord's will for their  
life at the first indication that his  
guidance would interfere with their  
comfort or convenience. No such  
cowardice or vacillation was found  
in Paul.

In the first place, he did not intend  
to have a holy purpose weakened  
by disheartening talk. How many  
young men and women have left  
a place of sacred meeting with God  
aglow with the purpose of serving  
Him in the foreign mission field,  
and then permitted an uninterested  
friend or relative or employer to  
talk them out of it.

In the second place, we find Paul  
carrying through his purpose. When  
he came to Jerusalem he was coun-  
seled to enter the temple to take  
a Nazarite vow, and thus to satisfy  
his enemies. Some have com-  
mended Paul for thus pacifying  
those who withstood him, others  
strongly condemn him for yielding.  
His purpose was good, but his ac-  
tion was unfortunate results. An in-  
furiated Jewish mob saw him in  
the temple and wrongfully accused  
him of defiling the temple by bring-  
ing a Greek into this holy place.

A riot ensues, and Paul would  
have been killed had not the Ro-  
man captain and his band rescued  
him. Was Paul afraid? He im-  
mediately turned his arrest into an  
unsurpassed opportunity to give  
a testimony and to make a defense  
of his ministry (See Acts 21:40-  
22:22). He admonished others to  
"be instant in season and out of  
season" (II Tim. 4:2); he practiced  
what he preached. He constantly  
urged faith in God, steadfastness  
in the midst of trials; he gave full  
proof of these things in his own  
ministry.

In all this he did not seek his  
own glory, or any honor for his  
own name. The Christian hero  
knows nothing of heroism for pub-  
licity's sake; he does not serve  
with an eye on the "grandstand."  
Paul was actuated by a deep and  
a genuine

II. Concern for the Salvation of  
His People (Rom 8:1-5).

The Christian worker who knows  
nothing of "great sorrow and un-  
ceasing pain" in his heart over the  
plight of the unsaved does not fol-  
low in the Pauline succession, nor  
does he know the heart of the Man  
of Sorrows.

Paul surely did not wish himself  
separated from Christ, but was so  
deeply moved that he said he "could  
wish" it—if it were not wrong—in  
order to save his brethren.

Do we need a revival of com-  
passion in our churches, and in our  
own hearts, a yearning over the  
multitudes about us who are as  
sheep without a shepherd?

### A Golden Link

A mother's love is indeed the  
golden link that binds youth to age,  
and he is still but a child, however  
time may have furrowed his cheek,  
or silvered his brow, who can yet  
recall with a softened heart, the  
fond devotion, or the gentle chid-  
ings, of the best friend that God  
ever gives us.

### Love of Our Work

It is only those who do not know  
how to work that do not love it. To  
those who do it is better than play—  
it is religion.

### Life

Life is not made up of great sac-  
rifices of duties, but of little things  
of which smiles and kindness and  
small obligations given habitually,  
are what win and preserve the  
heart.—Sir Humphrey Davy.

### Prejudices

Prejudices may be intense, but  
their lives are limited—to discover  
when they are dead and to bury  
them, is an important matter, and  
no unseemly tears should be shed  
at their funerals.

## EGYPT TAKEN AS THEME OF SCHOOL PLAY

### Newport Pupils Make Layout Of Town; Principal Plans Unusual Program

#### RICHIE POEM ADOPTED

By Miss Emma S. Maclary

Newport, Nov. 11.—The assembly  
program at the Krebs School this  
week was in charge of the fourth  
grade pupils, under the direction of  
Miss Jennie Rickards. Officers pre-  
siding were: president, Michael Bro-  
jols and secretary, Virginia Green.  
The feature of the program was a  
play entitled "A Trip to Egypt,"  
which was the result of a unit of  
study work. The various scenes rep-  
resented were their trip on the boat,  
and what they saw enroute from New  
York to Egypt; a Bedouin Home of  
Africa; an Egyptian Home, and their  
trip on the Nile River.

#### Egyptian Stories Told

They related stories in connection  
with their study of Egypt, and in-  
teresting references were made to the  
Egyptian pyramids, hieroglyphics  
and dances, etc., illustrating their  
stories with pictures which fourth  
grade pupils had prepared. During  
this unit of work, Mrs. Nicholas Bro-  
jols visited the school and told the  
pupils of her trip to the Mediter-  
ranean country. At the close of the  
program, the entire group sang the song  
"Delaware" as written by Janet Col-  
cord, a fifth grade pupil at Krebs,  
and which is being circulated by  
Glenn Gildersleeve, director of music  
for the state.

#### Third Grade Continues

The third grade pupils, under the  
direction of Miss Elsie Nowland, are  
continuing their unit of work on  
The Town of Newport. An extra  
class room is being used for their  
work, where they have marked off  
the floor according to streets in the  
town, and have erected at proper  
points the most important buildings  
in connection with the operation of

town activities. Special attention has  
been given to historical points in the  
town.

It has been noted that the site  
where the original Newport school  
was located, and where Virginia  
Apartment now stands, was an en-  
campment for Washington's army.  
The layout shows Newport long ago,  
and a comparison at the present time,  
showing the progress the town and  
vicinity has made. The children have  
included in their study visits to busi-  
ness places and farms in the section,  
noting things of interest, which they  
have worked into their miniature  
Newport. This exhibit is open to the  
parents and friends of the children if  
they care to visit the school to view  
it.

#### Many Visitors Present

Visitors at the Krebs School this  
week included Dr. H. B. King, direc-  
tor of elementary education in Dela-  
ware schools; Mrs. Phyllis Heck, su-  
pervisor; and Mrs. E. Hopkins, who  
came here representing Dr. Hopkins  
of Columbia University in connection  
with observing the results of his work  
here in "Curriculum Problems."

D. J. Richey, principal of the  
school, has announced that an "Open  
Night" will be held on Friday eve-  
ning, November 20, at which time a  
one-hour school session will be held  
with teachers and pupils in their re-  
spective class rooms conducting a regu-  
lar school session.

This is being arranged in connection  
with the Parent-Teacher Associa-  
tion activity, for the purpose of giv-  
ing all parents an opportunity to  
observe methods of instruction at the  
school, and in the hope of creating  
a greater interest in school work  
among the parents of the district.

#### Grange At Church

Members of Delaware Grange No.  
46, P. of H. were among the delega-  
tion from the New Castle County  
Pomona Grange observing their an-  
nual "Go to Church Day" on Sun-  
day, attending the evening service at  
Hanover Presbyterian Church, Wil-  
mington. The invitation to the Grang-  
ers was extended by Worthy State  
Master R. P. Robinson, a member  
of Hanover Church.

The Women's Bible Class of the  
Newport M. E. Church held their  
monthly business meeting and social

in Monday evening in the Church  
House. Mrs. A. C. Hall, chairman of  
the program committee, presented the  
program.

The New Castle County Ladies  
Auxiliary Association of Volunteer  
Firemen held their annual banquet  
on Armistice Day in the Masonic  
Hall, Newport. A turkey dinner was  
served by the Ladies Aid Society of  
Newport M. E. Church. Approxi-  
mately 200 guests attended the affair.

#### Guild Meeting

The Guild of St. James P. E.  
Church met this week at the home  
of Miss Margaret Morris, 3 Elmhurst  
Place, Richardson Park. Plans were  
made for winter activities. St. James  
P. E. Church was open all day on  
Wednesday, Armistice Day, for a  
quiet day of prayer for World Peace.

Approximately 400 guests were  
served at the annual turkey dinner  
given by the Newport M. E. Church  
Ladies Aid Society this week.

The Five Points Chapter No. 13,  
O. E. S. held a dance Friday evening  
in the Newport Woman's Club Build-  
ing. Mrs. Arnold Grubb was chair-  
man of arrangements for the dance,  
working with Mrs. G. D. Baldwin,  
chairman of ways and means for the  
chapter.

At the meeting of the Newport  
Woman's Club held on Tuesday, Mrs.  
W. B. Francisco, gave current events,  
among which was the announcement  
that the sonnet presented by Mrs. D.  
J. Richey, president of the club, had  
been selected as the Delaware poem  
to be printed in the book containing  
poems from each State, in connection  
with the celebration of the fiftieth an-  
niversary of the Statue of Liberty.

The Newport Club is very proud of  
the fact that this honor has come  
to one of their members, as there  
were 1,000 poems submitted.

#### New Members Named

At this same meeting of the club,  
five new members were accepted,  
namely Miss Alma Spencer, Miss  
Edith Patterson, Miss Belle Cham-  
bers, Miss Ethel Woodward and Dr.  
Elizabeth Miller of Richardson Park.  
It was decided to hold a social  
meeting on the second Tuesday eve-  
ning of every month, as some mem-  
bers are unable to attend afternoon  
meetings. Mrs. Charles Bratton,  
chairman of education, was in charge  
of the meeting held on Tuesday eve-  
ning, and a question box was the  
feature of the program.

The junior section of the Newport  
Woman's Club held a meeting on  
Wednesday evening, a which time  
plans were discussed for their  
Thanksgiving dance on Thursday eve-  
ning, November 26. Miss Elizabeth  
McCallister is general chairman, and  
is being assisted by Miss Virginia  
Selby in the arrangement of programs  
and decorations. The junior members  
have taken as their project of work  
this year the purchase of new equip-  
ment for the playground which is op-  
erated every summer by the senior  
branch of the club.

#### Church Celebration

The 150th anniversary of Metho-  
dism in Newport will be celebrated  
during the week of November 15 to  
22, with special services every eve-

ning during the week, in charge of  
the Rev. J. C. McCoy, pastor. The  
various church groups will be in  
charge of the program as follows:

Sunday morning 10:30, Rev. J. C. McCoy,  
pastor; Sunday evening 7:30, the Rev. Harold  
Lundquist, former district superintendent.

Monday evening will be "Men's Night," with  
Dr. J. B. Cog, secretary of the Home Board  
of Ministers and Church Extension Work,  
Philadelphia will be the speaker.

Tuesday evening will be "Women's Night,"  
with Mrs. Oscar Jones and Mrs. C. A. Jell-  
icks of the Women's Bible Class will be in  
charge, and Miss Rita Emerson, assistant  
pastor of Grace Church, Wilmington will be  
the speaker.

Wednesday evening will be "Music Night,"  
and Mrs. Marion Green, organist, will be in  
charge of the program. Dr. Gumbly will be the  
speaker on the subject, "Life Is A Song."

Thursday evening will be "Reunion Night,"  
with Miss Lela A. Lyman, chairman. The  
Rev. R. P. Nichols, who was pastor at the  
Newport Church from 1913 to 1915 will be the  
speaker.

Friday night will be "Young People's Night,"  
with Arthur G. Craig, chairman, and the Rev.  
O. J. Collins, of Wilmington will be the speak-  
er. Rev. J. B. Vaughn of Madley Church,  
Wilmington will give vocal selections.

The services will be concluded on Sunday,  
November 22, with Dr. Gumbly as the speaker  
and the morning and Bishop Edwin Bruce  
Hughes as the speaker at the evening service.

#### CARD OF THANKS

I want to thank my friends for re-  
membering me so kindly on my birth-  
day this week. I received 63 cards  
along with many beautiful flowers  
and useful gifts.

corporation created by and existing under  
the laws of the State of Delaware, the  
agent in charge of its principal office in the  
State of Delaware, being the FILM AU-  
TOMATIC MACHINE CORPORATION, 600 Market Street,  
Wilmington, Delaware.

That upon the filing of a Certificate of  
Amendment to the Charter of the said  
corporation, authorized capital of the said  
corporation has been reduced from Eight  
Hundred Thousand Dollars (\$800,000.00)  
to One Hundred Seventy Five Thousand  
Dollars (\$175,000.00), and that therefor the  
holders of the shares of the said corpora-  
tion have agreed to reduce the par value of  
the capital stock issued and outstanding of  
said Corporation, at a special meeting of the  
stockholders of said Corporation, called for  
that purpose, and the said reduction of cap-  
ital, voted in favor of the said reduction of cap-  
ital.

That the said reduction of capital of said  
Corporation is to be effected by the exchange  
by the holders of 175,000 shares of the par  
value of \$1.00 each, being all of the present-  
ly issued and outstanding capital stock of  
said Corporation, for 175,000 shares of the par  
value of \$1.00 each of the new capital stock  
of said Corporation, and that the said Certi-  
ficate of Amendment filed simultaneously  
herewith, on the basis of one share of the  
presently outstanding Five Dollars (\$5.00) par  
value stock for each share of the newly author-  
ized One Dollar par value capital stock.

That the assets of said Corporation remain-  
ing after such reduction are sufficient to pay  
all debts, the payment of which shall not have  
been otherwise provided for.

IN WITNESS WHEREOF the said Corpora-  
tion has caused this Certificate to be made and

## FEATURE TWO SCHOOL ACTS AT ASSEMBLY

Church At Christiana Ready  
For Homecoming Day;  
Program Set

### XMAS TREAT ASSURED

By Mrs. Edna A. Dickey  
Christiana, Nov. 11.—The assembly program of the Christiana-Salem Consolidated School was held today. It was presented by the third and fourth grades under the direction of Mrs. Estol Hopkins.

Following the appropriate opening exercises, the program continued with a Thanksgiving play featuring a cast of Virginia Murray, Henry Turzycki, Robert Thorp and Laura Dever. Poems were given by Virginia Murray, Robert Thorp and Charles Lebe-gern.

An Armistice Day play included: Charles Lebe-gern, Dorothy Baker, George Culbertson, Vaughn Ware, Louis Hutchison, Dorothy Clayville, Audrey Cleaver, Albert Cleaves, Delores Amoroso and Gilbert Cunningham.

School will be closed Thursday and Friday while the faculty attends a state teachers' meeting in Wilmington.

### "Live, Love and Labor"

Last Sunday evening Rev. R. M. Green, pastor of the Christiana M. E. Church, preached a narrative sermon. The title was "The Three L's," namely, "Live, Love and Labor." Next Sunday morning, Rev. Green's theme will be, "The Necessity of the Cross."

Sunday evening at 7.30 p. m., Miss Mae Trimble will be at the Christiana Church to show moving pictures of the Strawbridge Home for Boys, Sikesville, Md.

The following program has been arranged for the Home Coming Day to be observed in Christiana M. E. Church on December 6: Morning service at 11 a. m., Dr. Francis Harvey Green, headmaster of Pennington School, Pennington, N. J., will be the speaker. Afternoon service, the message will be brought by the Rev. J. E. Layton, of Holly Oak M. E. Church. The Holly Oak Choir will be present to render musical numbers. Evening service at 7.30 p. m., the Rev. Preston W. Spence of Preston, Md., a former pastor of the Christiana Church, will deliver the message.

Mr. and Mrs. Arthur Wilson of Wilmington will sing at the morning and evening services.

The preparatory class will meet Friday evening at 7.30 p. m. Boy Scout meeting at the same hour.

### Christmas Treat Financed

The Ladies' Auxiliary of the Christiana Fire Company sponsored a card party last Friday evening. Receipts are to be used to help defray the expense of their annual Christmas treat to the children of Christiana.

The regular meeting of the Christiana Improvement Association was held in the basement of the Christiana M. E. Church on Tuesday evening. A covered dish luncheon preceded the meeting.

Christiana will be canvassed within the next two weeks in the interest of the Red Cross. The drive opened last Wednesday.

The annual poultry and oyster supper held last Wednesday evening by the Christiana Presbyterian Church was largely attended. The receipts of the evening were quite substantial.

Mrs. Hattie Price of Easton, Md., was the guest of her mother, Mrs. Alma Cannon over the week-end. They attended the Delaware-P. M. C. game in Atlantic City on Saturday.

Mr. and Mrs. Norbert Cassell were called to Washington on Wednesday due to the death of their niece.

### Plans Being Laid By Jr.

#### O. U. A. M. for Anniversary

"Thirty-five members of our council attended services at Ebenezer Church last Sunday," said A. Neal Smythe, publicity chairman of the J. O. U. A. M., in his weekly interview.

"Rev. Wills delivered a very stirring address on Armistice history," he stated.

"On Monday night," continued Mr. Smythe, "we held a large session in our council chamber during which Roger Dobson was elected to fill a vacancy as assistant recording secretary. Norton is now posted at the door."

"Plans were discussed for the annual popularity contest which will begin soon and end December 21," said Mr. Smythe.

Discussion of plans for the 40th anniversary celebration also took place. The affair will be held in the New Century Club.

Mr. Smythe grinned, then laughed and said, "The latest sport will be a tiddle-wink contest sponsored by Mc-

## There's A Law

Collection  
of Taxes

This series of articles, taken from the code governing the town of Newark, is being run with the approval of the Council of Newark and the President for the information of local residents. While a serious effort is being made to carry the full meaning of each law, exact language has been dropped for obvious reasons. THE NEWARK POST requests that readers refrain from any and all misinterpretation of these articles. Legal questions are to be referred to licensed attorneys or to the Council of Newark for decisions and advice.

### ARTICLE I

Taxes, like death, come whether you like it or not and payments due the Council of Newark are governed by a law enacted by the Senate and House of Representatives of the State of Delaware in General Assembly met, two-thirds each branch thereof concurring on March 31st, A. D., 1903.

The pertinent facts of the law are that taxes assessed or levied on real estate in the town of Newark shall constitute a prior lien thereon for three years from the date when said tax is so assessed and levied. It may be collected, with all incidental costs, fees and expenses, by a sale of the property, buildings or estate concerned under specific provisions.

### Priority Given

Lien for taxes shall be prior to and satisfied before recognition, mortgage, judgment, deed or obligation. In case of a sale under execution process or by order of any Court of any real estate upon which such tax shall exist, such lien shall be transferred to the fund arising from such sale in the hands of the officer or trustee making said sale and the real estate so sold shall be discharged therefrom so long as the fund arising from the sale is sufficient to pay the entire amount due the town of Newark as taxes.

Any person refusing or neglecting to pay taxes or any part thereof by the first day of December of the year in which said tax was assessed, might see the property sold along with goods and chattels.

### Tenants Involved

Landlords, who refuse or fail to settle the important item of taxes, place tenants in the embarrassing position of standing good for the debt. The law specifies, in part—" . . .

### PROVIDENCE

The Missionary Society of Rock Church met at the home of Mrs. A. B. Criswell last Thursday.

Mr. William Kelley is out again after being confined to his bed for a few days due to illness.

Mr. and Mrs. Ira Scott entertained friends at a dinner on Sunday in honor of Mr. Scott's birthday.

Mr. William Holland, of New Jersey, spent the week-end with his parents, Mr. and Mrs. James Holland. Mr. Holland is still under the doctor's care.

Eight teachers and two substitutes of Rock Church attended the Cecil County Convention of Christian Education held at North East Methodist Church last Thursday.

The Rock Aid Society will meet at the Session House on Thursday evening, November 12.

Mrs. Ralph Brown, of Perry Point, visited the home of her parents, Mr. and Mrs. Charles Stuart on Saturday.

Mr. James Wood and Miss Mildred Dunsmore attended the Ridgely soccer game on Sunday. Mr. Wood was slightly injured while playing in the game.

Mrs. Robert C. Mackey spent a few days last week with Philadelphia friends. She attended the Nurses' Alumni Banquet of the University of Pennsylvania on Thursday.

The final game of field ball was played on Friday between Calvert High and Kenmore at Calvert and ended in a 6-6 tie. The Kenmore boys lost in soccer to Calvert 3-0.

### Local Women Featured At District Meeting

Final plans for the annual meeting of the District of Delaware Young Women's Christian Association to be held at Dover in the near future are being made by a special committee. Miss Marion F. Breck, Dover, is chairman of arrangements, and Mrs. Ralph T. Jones, South College Avenue, is program chairman.

Other prominent Delaware women to participate in the session are: Mrs. Charles P. Townsend, president, of Dover; Miss Winifred J. Robinson, dean of Women's College, University of Delaware; and Mrs. J. E. Dutton, Jr., Seaford.

Members of the student Y. W. C. A. at the Women's College will give a play, "Rehearsal at Seven," as part of the program.

Arkansas centennial celebration leaders want to give the name Will Rogers Trail to a road from northwestern Arkansas to Louisiana.

Mullen and Colmery."

"A \$3.00 prize will be offered next week but you must be present to win," Mr. Smythe concluded.

said tax may be collected from or levied upon the goods and chattels of any of his tenants, if such there be, who shall be allowed to set off the amount against any demand for rent on the part of such delinquent . . ."

In cases of buildings, grounds or estates belonging to a minor or minors or to a person or persons absent from the town of Newark, the tax laid may be collected from the person or persons having the care of such grounds, etc.

Where owners, caretakers, tenants or any responsible persons cannot be located and where personal property, goods and chattels cannot be sold to pay taxes, the property itself can be sold through the offices of the probatory and sheriff of New Castle County.

### Covers All Cases

The tax collector can distraint on personal property as well as buildings, grounds and estates although any surplus from sales, over the amount due in taxes, is returned to the delinquent owner.

Personal property can be removed and placed in custody by the tax collector until a sale is held. He can also insist that employers deduct taxes from the pay envelopes of employees by giving notice of collection.

Any employer or employers refusing to make deductions at the request of the tax collector becomes liable under the law. The same powers are given a collector of taxes in the town of Newark as those held by a county collector by any law of the State of Delaware.

Where a regular tax collector has not been named, as in the case of Newark at present, the treasurer for the council can act in lieu thereof. So, if C. Vernon Steele starts nagging about this time for taxes due the town, don't become overly annoyed. Remember—"There's A Law."

By Mrs. John Jagger

Mrs. William Hufnell was an Avondale shopper on Friday morning.

William Crossan of Monaca spent Sunday with his grandmother, Mrs. Catherine Crossan.

Mr. and Mrs. Howard Cox of Hockessin were Saturday evening visitors with Mr. and Mrs. John Jagger.

George Thomas visited his wife at the University of Pennsylvania Hospital, Philadelphia, on Sunday and found her much improved.

Mrs. Agnes Crossan of Philadelphia spent the week-end at the home of Mrs. Jennie Crossan.

Mr. and Mrs. Hugh Gibson and family spent Sunday with Mr. and Mrs. Herbert Rose of Singery.

Mrs. Laura Lund is on the sick list.

Elmer Crossan and daughter of Philadelphia were Sunday callers at the home of Mrs. Jennie Crossan.

The Collegeville banquet was held in Philadelphia on Saturday evening and the following attended: Rev. Donald A. Ottinger, Miss Helen Ottinger, Bernice Bailey, Vivian Bailey, Madeline Bailey, Phyllis Bailey, Grace Bryan, Elsie McCormick, Laura McCormick, Alice Bailey, Blanche Hudson, Evans Bailey, Gilbert Holton, Franklin Dripps, Eugene Dripps, Leslie McCormick, Hollis Gray.

Mr. and Mrs. Clarence Batten of St. Georges spent the week-end with Mr. and Mrs. Ernest George.

About 29 persons from the American Legion and Auxiliary attended the evening church service on Sunday at 8 p. m.

Mr. and Mrs. William Lafferty visited the hospital in Philadelphia on Sunday and found Jimmy improved he was up walking around the room. He is yet unable to get his mouth opened wide, but the doctor gives them very encouraging news.

### Work of J. Allison O'Daniel Post, American Legion

(Continued from Page 1)  
forts of post members. A bus load of patients from Perry Point were the guests of the post for an afternoon of bowling at the Legion alleys. A bowling team of legionnaires made a trip to the Perry Point Hospital which was

much appreciated by the hospital inmates. Donations were made for stamps and cards to be used by the patients at Christmas time.

A real service was performed for the World War veterans of this community when a committee from the post was appointed to aid in filling out the applications for Adjusted Compensation Certificates. The business-like way in which this committee functioned resulted in every veteran receiving his bonds with the minimum of cost and effort on his part. The proper filling out of the applications by the committee eliminated the annoyance of returned applications because of lack of proper application. The post made many friends through the work of this committee.

### Bowling Alley

The bowling alley project made outstanding progress during the year. By a method of refinancing in which legionnaires and friends of the legion took the notes of the Legion Holding Company, it was possible to move from the former location to Main street and obtain a new home for the alleys. Two more alleys were purchased which gives the legion 8 alleys completely equipped, located in a modern building built for bowling alleys. The members of the post should look upon these alleys as the post's old age security. Three years of operation have demonstrated that the bowling alleys can supply the funds needed for post activities in the years to come with the minimum of efforts by the members. The welfare efforts consisted of

cash donations to the Red Cross, Visiting Nurse Association, and the Flower Hospital, and the routine work that necessarily comes to a post. The post cooperated more fully than ever with the auxiliary in their child welfare work during the past year.

A joint meeting was held with the Rural New Castle County Posts in the local post room during the year. A considerable number of Department officers attended this meeting.

A combined meeting with the Legion Auxiliary was held during the year in connection with the observance of Mother's Day. Speakers from the State Board of Health discussed their work regarding mother and infant mortality, and suggested how the legion and auxiliary could assist in this work.

The entertainment meetings held during the past year have stimulated interest, and helped in bringing out members that otherwise would not attend meetings. The post should not overlook opportunities to enlist the interest of the membership.

The post again entertained the Continental Band in appreciation of their cooperation during the year.

Some progress has been made in completing the records of the members of the post for a permanent post record. This effort should be continued until the record is complete.

This report of the year's work should not only call to mind the activities of the past year, but should inspire the post to greater efforts for service to their community, the state and nation.

## GOODBYE, HELLO

Pick up any telephone in Newark right now and you get one of several kinds of noises. They aren't ordinary noises, however, because each one is different and each one has a meaning all its own.

Dial telephones are here, and once the populace gets accustomed to the idea, the full efficiency of the new instruments will finally be appreciated.

Until the stiffness of the "dials" works out, and until users develop the knack of handling the gadgets, you'll probably long for an opportunity to curse someone.

That opportunity has gone, unless you care to dial "information" or "operator" in order to expound an earful of pet profanity. If you failed to bid adieu to your favorite operator this morning, that chance has been lost forever, too.

In saying "hello" to the dial system, telephone users bid "goodbye" to the bright and cheerful "hello" that telephone girls everywhere have been voicing since time immemorial, or so it seems—only in more recent years the greeting has been changed to "number, please."

We'll miss the operators—and a greater portion of the people in this sector will miss them, too. Possibly it's imagination, but somehow the feeling is general locally that Newark's telephone staff was just a "little better" than the average. Anything or anybody good is bound to be missed. We wish you success, girls, and thanks for the swellest service it was humanly possible to give.

## DON'TS FOR PREACHERS

A conscientious preacher for half a century, Rev. Adolf William Meyer of St. Mark's Lutheran Church in Yonkers, N. Y., last week told 150 fellow clergymen of the Atlantic District of the United Lutheran Synod of Missouri, Ohio, and other States, how to preach successful sermons. First warning that "a torpid liver produces a dull sermon," spry old Dr. Meyer counseled them to "get a good sleep Saturday night," added four "don'ts":

"Don't give a 'goody-goody talk' but let the thoughts you express delve very deeply into life.

"Don't be like a brother I heard preach some time ago who kept saying 'Rejoice' . . . in a doleful way.

"Don't rely on ready-made material for your sermons. Anybody can open a can and warm up the contents. Have a blank book always handy to jot down thoughts.

"Don't forget that your parishioners attend the movies and are accustomed to action. The pastor should listen in on the radio and should read the morning paper every day. The hearer should realize that the man in the pulpit is as much up-to-date or more up-to-date than the man in the pew."—Time, News magazine, Nov. 7.

## IS LIFE INSURANCE SAFE?

There has been considerable discussion recently as to whether life insurance is "safe."

In the view of experts, it certainly is—that is, it will pay its contracts, when they fall due, exactly as specified. It will pay them in dollars.

Naturally, if the value of the dollar drops, you'll get less than you plan on. That is true of any kind of investment.

So—to thoroughly protect the life insurance policyholder, as well as the owner of savings accounts and bonds, we must demand that government maintain a sound currency. The "safety" of such investments is dependent on the "safety" of the dollar.

## FOR HEALTHIER CHILDREN

Better physical examinations than ever before are being given this year to Delaware school children.

In the opinion of the authorities, more complete examinations are possible due to an increased popular understanding of the value of this service. The improvement is reported by the county health officers, who are nearing completion of the work.

Preliminary reports of the findings to date confirm the people's wisdom, they say. For instance, two years ago complete physical examinations were made of 229 children in a representative Sussex County school. Seven children were found to have unsuspected but definite heart ailments. Treatment by a private physician was begun at once. Re-examination this fall shows six fully recovered, the seventh improved.

Under present arrangements, children in the first, fourth and seventh grades are examined by a physician; those in the second, third, fifth and sixth grades are inspected by a public health nurse. Parents are invited to attend and observe the work.

The examination is complete when parents request it, and where schools provide facilities. Because of the time required for this, assistance in the more populous districts is provided to County Health Officers by private practitioners.

The improved public response is believed due to years of health education in the schools, support of local physicians, and influence of Parent-Teacher Associations.

### Final Curtain Falls For "Chic" Sale

That final curtain—death—fell for Charles "Chic" Sale, noted comedian and author, last Saturday bringing to the end the career of a beloved character actor. "Chic" was perhaps more well known as an author to the Nation than as an actor. He was reported to have realized a fortune from his brief booklet, "The Specialist." As a boy, Sale's gift of characterization made him a popular entertainer. While attending business school at Urbana, Ill., he was frequently called to the University of Illinois to help with entertainments. He made his first stage appearance in Bellefontaine, Ohio, in 1908, there picked up by the Keith Circuit. For many years he was a headliner of the Keith and Orpheum Vaudeville Circuits. His first film role was in "The Star Witness." In films, Sale succeeded in an ambition to break away from his familiar rural roles, and become a feature player of various character roles. We, the public, will long remember his wit and humor. We shall never forget his character role as of the man who knew Lincoln.

### Grand Prize

The grand prize, \$50, was won by Sewell Gravenor, local lad. The winning number was 6,494. The winners of the \$1 prizes were Robert LaFell, Ruth Jackson, James Hall, Bud Lloyd and Lester Belton, all of this town.

### State Theatre House Notes Friday and Saturday

Despite the fact that her father, Stanley Lupino, was the highest paid comedian on the London stage, Ida Lupino made her first stage appearance at the staggering remuneration of \$5 a week. Ida was only 11 at the time. Today at 20, she is on the brink of Hollywood stardom as a result of her work opposite Nino Martini in "The Gay Desperado" playing here these two days. Along with these two great stars, Leo Carrillo and Harold Huber have very interesting roles in the film.

Ida Lupino

As an added attraction on Saturday you will find Dick Foran, the singing cowboy, thrilling you in his latest film, "Trailin' West."

### Monday and Tuesday

"These Three," one of the most talked of films of the year will be on the screen of this theatre these two evenings. Miriam Hopkins, Joel McCrea and Merle Oberon have the leading roles in this picture. Samuel Goldwyn chose these three outstanding stars to portray the difficult major roles in this tensely dramatic thunderbolt of three innocent people, victims of a whispering campaign of vicious lies and ugly rumors that shattered their lives.

Another one of those "Crime Doesn't Pay" shorts will be added to the bill on both days. The title of the subject will be "Fool Proof!" These short subjects are endorsed by many organizations as the outstanding short features on the screen today.

### Wednesday and Thursday

Bert Wheeler and Robert Woolsey return to the screen of this playhouse in "Mummy's Boy."

In this film you will find this popular comedy team on scientific excavations in Egypt. The insane comedy as only these two comic stars can give out will keep you laughing through the evening. Cash prizes will again be given away on Thursday night.

### Delaware Alumni of Wil. To Hold Meetings in "Y."

The Wilmington Chapter of the University of Delaware Alumni will hold its regular monthly meeting in Odd Fellows Hall, Wilmington, tonight.

Under the supervision of Edgar P. Reese, president of the organization, many interesting programs have been planned and executed. Recently reorganized, this club has been instrumental in bringing to the Wilmington alumni of Delaware College many of the questions and problems faced at the local institution.

Beginning with next month's meeting, the chapter will convene in the Wilmington Y. M. C. A.

### District Y. W. C. A. Meeting To Be Held at Dover Nov. 17

Mrs. Ralph T. Jones, of Newark, and Mrs. Sallie Sharp Messick, of Seaford, have been placed in charge of plans for the program of the annual meeting of the District of Delaware Y. W. C. A.

The meeting will be held in the Dover Century Club on Tuesday, November 17, and will start with a dinner at 7 o'clock, followed immediately by a short business session. At the conclusion of this short meeting, the program will be presented. The students of the Y. W. C. A. at Women's College will present a play, "Rehearsal at Seven."

Mrs. Charles P. Townsend, of Dagsboro, president of the association, will have charge of the meeting. Arrangements for the dinner have been made by Miss Marion Breck and Mrs. John Shilling, of Dover, and Miss Edie Davidson, of Cheswold.

Strange as it may seem, with approximately 10,000,000 people still on the relief rolls, several Federal agencies privately declare that there is a shortage of skilled labor in certain industries.

## Basketball

Just as Newark court fans were wondering about lack of plans for a local basketball team this winter, Bill Gillespie, principal and athletic head at the high school, gave sudden life to the situation by threatening to place a team in the New Castle County League, now in the process of reorganization.

Probably not satisfied with his manifold duties in an official capacity, Bill has seen fit to add a few chores, or so it seems. At least he attended the first meeting of the County loop last night in Wilmington as a delegate from Newark, which might mean a lot of things.

With Charlie (Tinker) Cole, who has handled the independent Jackets over the last two seasons, definitely stating that he will not engage in basketball this year, Gillespie's move is a happy one indeed.

There's a wealth of material on hand for a great team and Gillespie's presence might indicate that Newark fans will finally see a local club in action here instead of being forced to follow it to Elton and other places.

## Thanks, Joe

E. Joe Cooney, Rising Sun, who is quite a baseball performer in his own right, as fans who have seen him cavort around second base can testify, thinks highly of our choice last week of Ray Goldy on the all-star Bi-State League team.

States Joe, in a public utterance, (via card) "Congratulations on picking Ray Goldy from the ranks of the ball players of the Bi-State League. It has been far too long since Ray has been given the credit due him. You may take it from one who has taken those rifle throws of his from the outfield and watched him get those hits in the clutch with the best in the league."

And that's more than kind of you, Joe. We're sure Goldy will appreciate it. Our thanks are many for your card.

## Roamin' Bits

Dr. J. R. Downes, Eugene C. (Pete) Stolz, Dr. A. A. Mencher and R. T. (Bobby) Jones, Jr., all whom are more or less better known in this section, take the "long distance" football crown. Driving to Baltimore last Saturday for the Notre Dame-Navy game, they returned to Newark, picked up Bill Gillespie and proceeded to Atlantic City for the Delaware-P. M. C. fuss that night.

R. T. Jones, Sr., Father Eugene J. Kraemer and Dr. E. F. Smith, the latter a State Board of Health official from Dover, were in the party at Baltimore. Other Newarkers in the stands were Harry H. Cleaves and Walter R. Powell.

The writer saw the twelfth Notre Dame team in action since 1923 and rates it the poorest of the lot. If Knute Rockne turned over in his grave last Saturday it can be charged to the fact that Irish players were weak in tackling, blocking, running and passing. Unforgivable sins—all of them.

More than that a mediocre Navy team outsmarted the South Bend delegates, which is enough to bring Rockne's ghost out on a prolonged haunting spree. Something like that will be needed against Army and Southern California—not forgetting Northwestern.

DELAWARE OUT FOR REVENGE  
IN FINAL FRAZER FIELD TILT

34-7 Thumping Received Last Year At Hands of Drexel Lions On; Opponents Enjoying Most Successful Season In Years; Clark Not Too Optimistic

By Bill Fletcher

Fresh from a 7-6 victory over Ursinus, who, by virtue of the defeat was toppled from first place in the Eastern Pennsylvania Collegiate League race, the Drexel Dragons will journey to Newark Saturday in an attempt to unroost Coach Lyl Clark's Blue Hen gridders.

John Quinn, flashy Dragon halfback, who starred in the stirring upset by dashing 35 yards to score in the second period, is expected to be in rare shape for the tilt with the Hens.

Drexel, with a highly touted passing attack, responsible directly or indirectly for most of their scores, attempted 13 aeriels and connected 5 for a total of 90 yards. Four were intercepted by the Bears.

The Dragons' rushing attack was unimpressive with only 162 yards gained from scrimmage for a total of 8 first downs.

## Revenge Is Sweet

Smarting from a 34-7 drubbing delivered by the Philadelphians last year, the Hens will be out for revenge and should the power displayed against P. M. C. continue to function, Coach Clark's men have an excellent chance to wind up on the shiny side of the ledger.

The Blue Hen mentor is inclined to take a pessimistic stand despite the showing against the Cadets. He was high in his praise for the entire team, stating that it was difficult to select any outstanding stars. He was pleased with the work of Ware and Viden, freshmen linemen and back. Ware has earned himself a starting berth at a tackle post.

The Delawareans have been going through light drills all week with special emphasis being placed on pass defense in an effort to break up the Dragon's passing attack.

## Starting Lineup

Lined up for the whistle Saturday will be Fenton Carey and Bob Ramsey, running backs; Lew Carey, quarterback; and Ernie George, bucking back. On the line will be Jack Daly and Joe Seannell, ends; Swede Drazdov and Fritz Ware, tackles; Frank Frankowski and Captain Jack Hodgson, guards, and Jim Dillon, center.

The Dragons have notched up four victories against three defeats thus far this season. Juniata, Susquehanna, Lebanon Valley and Ursinus have been bowled over by the Halas coached team, while St. John's, C. C. N. Y., and Gettysburg have delivered the setbacks.

## Successful Season

Under the coaching of Walter Halas, who played football under the late Knute Rockne at Notre Dame, the Dragons are on the road to one of the most successful seasons in recent Drexel history.

At the starting posts for the Philadelphians will be: ends, Hale and B. Stevens; tackles, Smolak and Capt. Fitzgerald; guards, Brosius and Smullen; center, Rhile. In the backfield will be Rodgers, quarterback; Fox and Quinn, halfbacks, and Stephens, fullback.

The largest crowd to attend a home tilt this year is expected on Saturday when the annual Homecoming Day will be observed.

GILMAN SEEN AS  
READY FOR TOME

Maryland Scholastic Rivals  
In 17th Meeting At  
Port Deposit

More than the average number of football partisans from the Newark sector will drift to Port Deposit Friday afternoon for Maryland's leading football clash in schoolboy circles. It's the seventeenth annual meeting between Tome and Gilman.

The colorful series which started in 1919 when the Roland Parkers scored a 7-6 upset has been marked by close, hard-fought contests except on three occasions.

## Should Be Thriller

Although Tome is undefeated in five starts to date, having registered victories over Lawrenceville, Harrisburg Academy and the Maryland Jayvees, while holding a strong Franklin and Marshall Academy team to a scoreless draw and gaining a 7-7 deadlock against an equally powerful Severn Prep array last Friday, pregame indications are that the affair with Gilman will pack all the thrills of former seasons.

Gilman upset a favored McDonough eleven last week, 12-7, to give definite notice that Tome would have an opponent worthy of its mettle.

## Make Uphill Fight

Cashing in on their lone chance to score, which came in the third quarter, the Tome warriors made an uphill fight of it against Severn last week.

Outplayed throughout the battle, the Blue and White staved off several scoring chances of the Severn Park gridders, holding for downs twice in the second period within the five-yard line. Tome was inside the Severn 40-yard mark only once, and scored on that occasion.

Bobby Jones, Newark youth who ranked an all-State tackle post in 1935 as a member of the local high school team, is doing great work in Tome's powerful line.

Meeting a fighting Dover team here Friday, the Newark High School Yellow Jackets triumphed 12-0 despite the handicap suffered by the absence of co-captains Ren George and Bones Fenner. Early in the third quarter, Skillman, recent tackle convert to fullback, raced 70 yards to cross the last mark but the play was nullified as a teammate was detected holding. Newark's first score came as a result of a pass, Skillman to Harrington, while the second came as a result of a long sustained drive with Skillman scoring.

Oppose New Castle  
On Friday, the team will travel to New Castle to play the Roman coached combine. Although New Castle has lost the majority of their games a good contest should result as the Waterfronters always play heads up against the Jackets because of the keen rivalry between the schools.

To date, the Gillespie coached team has won three, tied two and lost two games.  
On Monday, Coach "Irish" O'Connell's team traveled to New Castle to be downed 12-8 by the New Castle Junior Varsity. The Mudflatters capitalized on the breaks and the victory margin was furnished by an intercepted pass.

Bucky Walters Out For Season With Broken Ankle; Five Other Regulars On Sidelines As Outcome Of Bruising Battle With Fort Jay; Joey Dychala Gets Chance

By "The Roamer"

Crippled through the loss of Bucky Walters, star halfback and punter, who will be out of action for the balance of the season with a broken ankle suffered last week, Fort DuPont's gridiron warriors will seek their ninth consecutive victory Sunday in a battered state.

Fort Hancock will face the Engineers' B squad, which Captain Chadwick, head coach, announced he will start in the forthcoming clash.

## Engineers Battered

The Fort Jay game, which DuPont won, 6-0, when Captain Larry Fath bucked his way across the last wide stripe in the closing play of the afternoon, left the Engineers in bad shape.

In addition to Walters' loss, Fath, Atkinson, Cassidy, Wichowicz and Ambrose reported for practice on Tuesday a bit the worse for wear.

Ready for just such an emergency, Captain Chadwick has been slowly schooling an array of younger players who are expected to take over the reins this week by giving a good account of themselves against the Anti-Aircrafters.

## Dychala To Fore

The man's size job of replacing Walters falls to Joey Dychala, light but aggressive leader of the B squad. Standing only five feet eight inches and weighing but 165 pounds, Dychala is rated as a capable all-around backfield man who lacks only a chance to demonstrate his worth.

Joey passes, punts and runs the ball with equal dexterity. He has likewise shown encouraging keenness as a field general.

Another back who will have a chance to show his talents this week is Blackie Zenone, who excels as a broken field runner.

Former Celtic Center  
Is Laying Bricks Here

"Horse" Haggerty, who captured no little glory and cornered quite a bit of gold as center on the original New York Celtics, basketball knightrins for more than a decade, was "discovered" working in Newark this week.

Employed as a bricklayer with the C. O. Struse & Son concern, a subcontractor on the new Chemistry Building being erected on the University of Delaware campus, Haggerty has been staying at the Deer Park Hotel for several weeks. He left here yesterday for a short period, but will return when the bricklaying work is again started.

Haggerty first popped into the headlines as the pivot man on the Reading Pretzels in the old Eastern League some twenty-five years ago. He later teamed up with Nat Holman, present cage mentor at C. C. N. Y.; "Dutch" Dehnert, originator of the widely copied "pivot or back-up" play, Joe Leonard and Marty Barry under the Celtics banner. It is rated as the greatest combination in basketball history.

After a short sojourn in the American League, Haggerty drifted to Canton, O., in the Central loop where his career ended in 1927.

By BILL FLETCHER

THE BLUE HEN MENTOR, Lyl Clark, isn't overly optimistic about the prospects of copping the remaining titles which pit the Delawareans against Drexel and Washington College.

A couple of performances similar to the act put on in Convention Hall Saturday night would clinch these "BILL" FLETCHER contests but the Hens have displayed a tendency to suffer a relapse on alternate weeks—comas that cost them the St. Joseph's and St. John's games. Should they continue the superb play demonstrated in the shore tit, however, the Blue and Gold will definitely wind up on the Gold side of the ledger rather than the Blue. It would mean a balanced season for the year with four victories and four defeats.

Regardless of the outcome, Coaches Clark, Bud Schilling and Ed Kirschner have done a commendable job of converting limited material into a clicking combination which, despite weight and size disadvantages was able to hang up conquests over Randolph, Macon and P. M. C.—two worthy opponents for the school the size of Delaware.

A COMBINATION OF heady football, driving defensive tactics when it was most needed, and the excellent condition of the Blue Hens proved to be the downfall of the favored Cadets Saturday night.

The latter factor played a prominent part in deciding the contest for the Soldiers appeared to weaken considerably in the last half while the Hens kept plugging on and on and on, not showing their fatigue as did the slowly-slipping Cadets.

WASHINGTON COLLEGE was tossed around for a 28-6 spanking by Mt. St. Mary's—all of which looks good for the Hens as far as that tilt is concerned and as far as you can trust comparative scores. Clark's men dropped a 12-0 contest to the Mountaineers in their second game and this is considered by us, to be their worst showing of the season.

A victory over Drexel is wanted around these parts for more reasons than one and despite the fact that the Hens are smarting from the feather-stripping last year, they're going to need plenty of stuff to slay the Dragons.

They've got it—if they only show it.

REGARDLESS OF THE high aims and ideals of an endeavor—you'll always find some one or some group ready to start slinging mud at the slightest excuse. No matter how definitely installed or how much improved a project is there's always to be found those who feel personally caught in the backwash because of a close connection with the old cast-off order.

They can't keep a discreet silence—they don't observe the good points of the adopted plan and attempt to promote it but instead they must keep up a steady barrage of backfires because of bitterness felt at the loss of what they will stubbornly insist is the better plan.

From a column in the University of Delaware's "The Review" we quote: "The Intramurals . . . On Wednesday night a rather unimpressive basketball game was played between the S. P. E. Fraternity team and an aggregation of freshmen, mainly S. P. E. pledges, coached by Jack Hodgson. The freshmen won—which again illustrates, it seems to me, that any endeavor is foredoomed to failure whenever the engaging constituents cannot put their best foot forward."

All this following the FIRST contest staged by the Physical Education Department in its newly-adopted intramural program.

Come, come, my good man—to say that this plan is "foredoomed to failure" is rather a clumsy statement for which to be responsible. 20-1 odds to the contrary would be like taking candy from a baby.

WE QUOTE further: "The system is supposed to be run for the benefit of the commuters and non-fraternity men—are they being benefited?"

Once again—watch your blood pressure, O, Worthy Columnist, or the big, bad phys-ed department may purchase some Flit and squirt your masterpiece right out of the paper.

Your uncalled for blurs at a stage so early in the game, must be to the Intramural directors somewhat akin to a mosquito buzzing around in the ear.

Lyl Clark, Blue Hen Mentor.

## LEADING CUE STARS TO BE CARDED HERE

Camp Opens New Schedule At Martin's Friday Night; Eight Listed

RUDOLPH HERE NOV. 20

Newark billiard fans will have the opportunity of seeing eight of the world's outstanding players in action this season at the State Billiard parlors, atop of the State Theatre, Main Street.

Arrangements were completed last week by Jimmy Martin, proprietor of the local recreation parlor, with Sylvester Livingston, manager of the National Billiard Program, to bring such stars as Welker Cochran, Erwin Rudolph, George Kelly, "Patsy" Natalie and "The Man of Mystery" for five distinct exhibitions in his rooms commencing November 20 on which date Rudolph, three times world's champion, will inaugurate the NBP series.

Camp Here Friday

Stealing a march on the regular program, Martin has booked Marcel Camp, youthful wizard and one of the ten ranking players in the world, for an independent appearance Friday night.

Two other top-flight artists—Champion Jimmy Caras, Wilmington, and his arch foe, Willie Mosconi, Philadelphia—who are not under Livingston's wing, will play a match at Martin's during the season. The date has not been announced as yet.

## Oxford Red Men To Visit Minnehaha Tribe

Tuesday evening a delegation of members of Minnehaha Tribe and several members of Mineola Council, D. of P., went to North East where they attended a Tri-State rally of Red Men which was preceded by a supper served by the D. of P. Among the speakers of the evening were Great Inchoonee Burnett, of Harrisburg, Pa., Great Chief of Records of the United States Setser, of Philadelphia, and Rev. Insley, of the North East P. E. Church. Frank H. Balling of Minnehaha Tribe, Past Great Sachem, extended greetings from the Great Council of Delaware.

Next Tuesday evening a large delegation from Ochokonee Tribe of Oxford, Pa., is expected to visit Minnehaha Tribe.

## Admission Free

Admission at all times will be free by invitation, with only a limited number of seats. In addition to playing any selected opponent, each touring star will follow his match with an exhibition of fancy and trick shots, and instruction of many phases of the cue game.

Players operate on a set schedule, each following the other at intervals of two weeks, according to the card worked out by Livingston.

In anticipation of another big season, Martin has completely revamped his entire layout. Each of the five tables has been recushioned and covered with the new purple cloth, which replaces the conventional green felt so long a mark of billiard tables.

### High School News

The new Commercial Department of Newark High School, started last September, promises to be a great success, and is already a very popular department among the student body. Fourteen pupils are enrolled. The course of study includes eight commercial subjects: bookkeeping, typewriting, spelling, commercial arithmetic, rapid calculation, business English, shorthand and penmanship. Civics is also required.

Miss Anderson, who is organizing this department, is to be congratulated on the success which is so largely due to the energetic personality of the teacher.

The bake held by the pupils of this department last week netted \$31.31. The Board of Education has already provided most generously by way of modern desks, typewriters and other commercial furniture. In appreciation of this, no request for the desired additions was made, but the pupils themselves do the work. The money earned will be used in purchasing a Webster's unabridged dictionary, a pencil sharpener and pictures.

Every other Friday at the High School a literary program replaces the regular routine. The pupils provide the greater part of the entertainment, after which a short address is made. Next week they will be addressed by Prof. Elisha Conover. Visitors are welcome.

### Celebrate Wedding Anniversary

Mr. and Mrs. Edward Walton of Iron Hill celebrated the tenth anniversary of their wedding last Saturday. A very pleasant time was spent by all the guests, an especially enjoyable time being passed in the dining room.

Among those present were: Mr. and Mrs. Charles Walton, Mrs. Shuttleworth, Misses Eleanor, Elizabeth and Margaret Brodly, sisters of the hostess, Mrs. Alexander, Mrs. William Brodly, Mr. Robert Brodly, Misses Martha and Sara Brodly of Philadelphia, and Mr. Charles Walton, Sr.

G. Fader, while working in the hay mow yesterday, fell with a lighted lantern in his hand. He had thrown hay over the funnel covering the opening, and later stepped too near, causing the fall. Fortunately no bones were broken, although he is suffering with bruises and the shock from the fall.

### Announcement

Mr. and Mrs. Franklin Eastburn, of near Newark, announce the marriage of their youngest daughter, Beulah Lloyd, to R. Raymond Lewis, of Newark, on August 3, 1911. The ceremony was performed by Rev. George L. Wolfe at his home, 1213 Market street, Wilmington. Immediately after their marriage the happy couple spent a week at Atlantic City, N. J.

### Republican Gains

Reports from yesterday's election show that the pendulum is swinging back. Perhaps the most noteworthy victories are those of New York and Maryland. The Republicans have captured the Legislature of New York and indications are that Maryland has again swung into the Republican column. This with Republican gains in other states show the tendency toward a progressive attitude held by the sober element of the people.

The fight in Philadelphia is in doubt. The issues were purely local and the outcome points to the election of reform candidate, Blankenburg.

No state has been watched with Maryland contest. The loss of this state will be keenly felt by the Democrats. Detailed reports will be given in next issue.

## New 1937 Ford V-8 Coupe

THE smart new front, new bar-type bumpers, slanting V-type windshield and smoothly flowing lines of this five-window coupe, pictured above, typify the advanced design of the new Ford V-8 cars for 1937. The coupe, which is offered both with and without de luxe equipment, is the only single-seat closed body type. Its

seat is full width, with folding divided seat back. The spare tire is carried in a compartment back of the driver. The deep luggage compartment can be reached either through the rear deck door or by tilting down the right seat back. New "finger-tip" steering and new easy action safety brakes are featured. Two engine sizes are available.

### New Legion Auxiliary Head Selects Committee Leaders

At a recent meeting of the J. Allison O'Daniel Unit of the American Legion Auxiliary, Mrs. Francis Lindell, retiring president of the organization, was presented with a citation awarded by the Department of Delaware, for the progress made during the past year. Mrs. Allyn Cooch, the newly installed president, presented the citation.

Other officers of the local unit recently installed are: vice-president, Mrs. Harry Herbener; secretary, Mrs. J. Harvey Dickey; treasurer, Mrs. Leon Case; sgt.-at-arms, Mrs. Paul D. Lovett; historian, Mrs. A. E. Tomhave; chaplain, Mrs. Francis Lindell.

#### Chairmen Announced

At Mrs. Cooch's first meeting of the year held last week, she announced the following chairmen: Americanism, Mrs. Arthur Tomhave; child welfare and rehabilitation, Mrs. Newton Sheaffer; constitution and by-laws, Mrs. Harry I. Garrett; education of war orphans, Mrs. Leon Case; finance, Mrs. Wm. Francis Lindell; finance, Mrs. Frank Balling and Mrs. Paul Lovett; legislation, Mrs. Wayne Brewer; membership, Mrs. Harold Sheaffer; music, Mrs. George Jones; national defense, Mrs. Helen Irwin; national bulletin, Mrs. Fred J. Strickland; publicity and radio, Mrs. Orville Little; poppy, Mrs. Harry Gabriel; house, Mrs. Harry Herbener; juniors, Mrs. Lee Lewis; cradle roll, Mrs. Harry Herbener.

### Newark Country Club To Stage Dance Saturday

Bud Wilson and his orchestra will furnish the music for the Newark Country Club dance to be held this Saturday, November 14.

A large crowd is expected as usual for this affair. These dances have gained in popularity so much that they have become the most impatiently awaited dances ever held in Newark.

Go and take your friends—a good time is assured.

The Los Angeles outfield quartet of Arnold Stutz, Art Weis, Art Jahn and Wally Hood in 1926 appeared in a total of 650 games and were credited with 1,475 putouts and 76 assists and charged with but 11 errors for a .993 record.

1911. Funeral services were held from her late residence, near Iron Hill, yesterday afternoon. Interment at Welsh Tract burying ground.

#### Thomas Jefferson Scott

Thomas Jefferson Scott, in his seventy-seventh year, died at his home in Cowtown, Md., on November 7, 1911.

Funeral from his late residence, Cowtown, Md., on Friday, November 10. Service in Head of Christiana Church at 11 o'clock. Interment in adjoining cemetery.

### New Dodge Shown

Again capturing a good portion of the spotlight of America's interest in new motor cars, Dodge scores another "smash hit" with the new line of 1937 cars. The Rittenhouse Motor Company, 24 S. College Avenue, is showing several attractive models of the lengthy line.

From its striking new radiator grille back to the last graceful curve of its body, the new Dodge is a complete unit of advanced "windstream" styling. Rittenhouse representatives claim it is the most beautiful Dodge ever built.

New, improved chair-height seats—new, improved weight distribution—new, airplane-type hydraulic shock absorbers—new, improved ride levelator—and the new Dodge all-steel safety body which is securely mounted on cushions of rubber in an effort to banish road noises from the body—are a few of the outstanding features of the new models.

#### TIRE TREADS

### New Safety Features

In the new Dodge "high safety" interiors, all knobs and buttons are done away with—all handles being smooth and rounded. This is a decided step toward increased interior safety and beauty.

Powered by a rugged Dodge "L" head engine, the new cars include improvements designed with an eye to economy.

In an 80,000 mile test in which five competitive cars were used, Dr. Andrew H. Ryan, well-known authority in the field of fatigue research, found a definite relation between restful riding qualities and safety factors in both cars and drivers.

His findings, according to Dodge engineers, have been followed in designing the 1937 products.

### New Fords Announced

A new Ford for 1937, presenting definite advances in modern streamlined design, and powered either with the V-8 85-horsepower engine now in use in more than 3,000,000 motor cars, or a brand new 60-horsepower V-8 "economy" engine, which is a smaller counterpart of its elder brother, will be put on demonstration by the Fader Motor Company, 42 West Main Street, Saturday.

### THE STORY'S HERO

"Are you a hero worshipper?" "I am," said Senator Sorghum. "But heroes do not always last." "No. It takes press agenting to make a hero. Some go on into literature and others have their day, like other best-sellers."

## SCHOOL TRIP FOR STANTON PUPILS MADE

Visit Marine Terminal Where  
Freighter Is Inspected;  
Students "Home"

### CHARLES WRIGHT DIES

By Mrs. Harriett W. Knotts  
Stanton, Nov. 11.—Grades five and six of Stanton School had an interesting trip to New Castle and the Marine Terminal on Monday. Many historical things were seen there.

At the Marine Terminal they boarded the S. S. Frankwald the second largest ocean freighter which enters this port.

The first grade children at Stanton are having a unit of work on the home. This unit has helped to develop a better understanding and appreciation of the part each member contributes toward the family life. In connection with the unit the children have constructed a very attractive house and lawn.

The one room house is furnished as a living room, with furniture all constructed by the children working in committees. Bedroom and dining room furniture has also been made to be in turn placed in the house. Kitchen furniture is being constructed.

#### P. T. A. Holds Party

The Stanton P. T. A. held a most successful Halloween party Thursday night.

Great headway is being made by the Wilmington Gas Co. in laying the pipes for supplying gas to the homes of Stanton.

Many Stanton friends attended the funeral of Mrs. Anna Anderson, wife of Lemuel Anderson, who died on Saturday. Funeral services were held at her home at Richardson Park on Tuesday. Mrs. Anderson lived for a number of years at Stanton, before moving to Richardson Park.

#### Charles Wright Dies

Mr. Charles Wright, husband of Mrs. Lilly G. Wright, who had been seriously ill at his home for several weeks, passed away on Tuesday morning. Funeral services will be held from his home on Friday afternoon at 2 p. m. interment at St. James Cemetery, New Port.

Mrs. Sue Ruth who had been seriously ill at her home but who had been able to be up for a while is now confined to her bed again in a serious condition and little hope is held for her recovery.

Mr. Harry Carrigan and family of Wilmington, Mrs. J. M. Anderson and Mrs. Annie R. Derickson of Stanton motored to Belair, Md. on Friday to visit Mr. Charles Wagner and family.

#### Many Visitors

Mrs. J. Bullen and Mrs. Annie R. Derickson made calls in Greenville and Guyencourt on Tuesday.

Mrs. George W. Russell visited Mrs. Annie R. Derickson over the week-end.

Sunday will be New York Christian Advocate Day at the Stanton M. E. Church. The subject at the morning service will be "In the Mountains With God," by the pastor, Rev. E. D. Collins. Epworth League at 7 p. m. All young people are urged to attend.

Evening service at 7:30 with a great song fest. Subject, "What Are You Worth" continued by the pastor, Rev. Collins.

Plans are being made for a Thanksgiving service at the church on Sunday, November 22. Special music at both services.

Mr. Alvin Satterthwaite was the winner of the blanket chance off last week.

### Local Lions Club

#### Dinner Holds Stage

(Continued from Page 1)

#### Close To People

It has been Dr. Keppel's aim to live close to the people in the vicinity of any school with which he is connected. That he has accomplished this end at Tome is borne out by the increased registration of students from

within a circle of twenty-five miles of Port Deposit.

Athletic teams have improved, programs expanded, faculty changes have resulted in a higher scholastic standing—all of which are parts of the plan Dr. Keppel introduced for the betterment of the school.

Following the dinner Tuesday night, the Lions and their guests will dance with Bud Wilson's orchestra furnishing music.

The affair was arranged by a committee consisting of George Haney, A. E. Tomhave and C. H. Rutledge.

### New Owners Take Over The Student's Lunch

The Student Lunch, formerly owned by Mr. Wilson Blockson, has changed hands and is now under the propriet-

orship of Mr. and Mrs. Robert Stine of Charlestown, Md. The establishment will be known as Stine's Lunch Room.

Mrs. Stine has had extensive experience in the restaurant business for the last 15 years. She formerly operated an establishment in New York.

Courtesy, moderate prices, good food and plenty of it, are the promises of the new owners.

#### TO LOOK IN, MAYBE

"What's that building?" asked the stranger.

"That's the asylum for the blind," said the native.

"Go on, you can't find me," said the stranger. "What's all them windows for?"
