Dear Friends:

I am writing to you today to ask that you support Democrat Chris Johnson, who is running to become Delaware's next Attorney General in the Democratic Primary on **Thursday, September 6th.**

I have known Chris and his wife, Kate Soja, for years. They are good people who come from hardworking families. Their passion for public service and making their community a better place to live is evident. It gives me hope to see young people like Chris and Kate start their lives together and invest their time and effort into making the City of Wilmington a better place for everyone.

From his time in the City of Wilmington Law Department, to his most recent role as Deputy Legal Counsel and Criminal Justice Advisor to Governor Carney, I know how talented and thoughtful Chris is. It is clear how capable he is to take on the role of Attorney General. Our criminal justice system in Delaware is broken, and it's hurting neighborhoods like ours. The time is now for bold, new leadership that will help bring much-needed change to the Attorney General's Office.

You can read more about his platform at <u>www.ChrisJohnsonforAG.com</u> or check out his Facebook page.

I urge you to join me in supporting **Chris Johnson for Attorney General**. Thank you for your consideration.

Kind regards,

Kevin F. Kelley, Sr.

Dean :

I'm writing to extend my sincere gratitude to you for giving your time, energy, and support to my campaign. The last eight months proved that there is real momentum behind the issues upon which our campaign focused, and that this is just the beginning of a groundbreaking justice movement here in Delaware.

Our campaign was entirely people-powered, and brought attention to issues that have been long-ignored. I am truly humbled by the grassroots support we received from hundreds of Delawareans and beyond.

I cannot thank you enough for all the assistance and encouragement you provided me and my team. It is with your trust and your belief in the movement that we changed the landscape of justice reform in Delaware -- now, and for years to come. For that, I am truly grateful and inspired by what we have accomplished together.

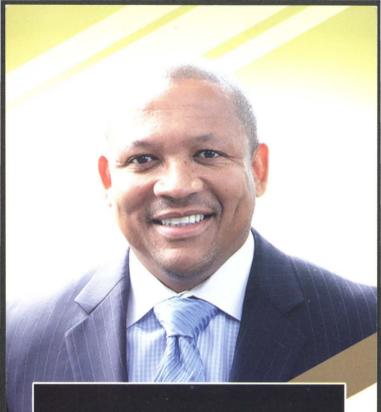

Let me be clear -- we are just getting started. There is so much work to be done as we continue to fight for a more fair and equal justice system.

Mouracup Is the Sois Be all Again, I thank you for standing by me during the beginning of this journey.

Onward.
