

PROPOSALS FOR HEALTH SAFEGUARDS MADE HERE

Public Sanitary Measures Given Approval Monday At Council Meet

A number of proposals for increased sanitary and health safeguards in Newark were approved by the Town Council at its April session on Monday night. The recommendations were made by the local Board of Health and presented by Councilman Rodney H. Dann, who is also a board member.

The most important calls for an inspection of questionable wells in Newark and the adjacent area. Those found unsanitary after a bacteria test will be placarded, and the public warned to avoid them.

The board also advised that notices be sent to residents of the northside ordering them to connect with the new sewer system there in 90 days.

Council further approved a recommendation for flushing out water mains once a month and agreed to clean out the town reservoir.

Another proposal accepted by Council calls for the assignment of a town employee to operate the water chlorination system and guard against unauthorized tampering.

Mr. Dann also reported that 40 outside privies have been eliminated the past year in the town area. All were located in sections where sewer connections were available.

HOLY WEEK OBSERVANCE IS PLANNED

Presbyterian Services Start Palm Sunday

Palm Sunday will be observed at the First Presbyterian Church with special music by the combined choirs, starting at 11 a. m.

At 10:45 a. m. the regular session of the Sabbath School will feature a special service for Holy Week.

Special services for Holy Week will begin Wednesday, April 13th, at 7:45 p. m., with the Preparatory Service.

On Thursday, the Sacrament of the Lord's Supper will be observed, starting at 7:45 p. m.

The Senior Choir will present the sacred cantata, "The Crucifixion," by Staiger, on Friday evening, beginning at 7:45, under the direction of Charles Southwell.

The annual Easter Sunrise Service will be held on Easter morning at 7 a. m. in the Lecture Room. This service has always proved most inspiring, and the usual large attendance is expected. The regular Easter service will be held in the Sanctuary at 11 a. m., with special Easter music by the choir.

NEW DEN MOTHERS

Newark Cub Pack 55 was host to a group of Roselle's Pack 98 last Friday night. The visitors under cubmaster Ed Brown staged a demonstration of typical den meeting.

It was also announced that two local boys have new den mothers. Mrs. Frederick B. Kutz now heads Den 1 and Mrs. Walter Wassmer is directing Den 2.

Retiring Councilman Ramsey Makes Final Statement, Lists Town Needs

George E. Ramsey, Newark's 73-year-old member of Council, formally announced his retirement from that body on Monday night. His seventh year expires next Tuesday, and he will not file for reelection.

During his 14 years on Council, Ramsey has been in many other municipal positions. He becomes Newark's unofficial "elder statesman."

In his retiring statement, Mr. Ramsey reviewed briefly his work on Council, pointing out critical problems facing the town. Those which he felt should receive immediate attention, he said, were the proposed outside sewer system, the town's overloaded electric lines and the poor condition of the streets.

After fourteen (14) years of council service as Councilman from the

Funmaker For Rotary Show

Joseph A. Shields

As interlocutor for the Rotary Club's minstrel show, "Blackbirds of 1949," Mr. Shields will be the key man in fomenting the evening's fun on April 27. Two shows will be offered at the State Theatre on that date at 7 and 9:15 p. m.

A popular member of the club and well-known in the community, Mr. Shields will spark the round of comedy skits, local fun-poking, dancing and singing that will make up the show. Formerly swimming and basketball coach at the University of Delaware and later manager of the Community Store, Mr. Shields now owns and operates a farm near Elkton.

"Tickets for the 'Blackbirds' may be purchased from any club member or at Gold's Cut Rate, Eagle Furniture, or the Newark Department Store. Reserved seats may be secured without extra charge by presenting general admission tickets at the Newark Department Store.

Boy Scouts To Plant Trees At Picnic Site On Saturday

Local boy scouts will plant some 2400 Loblolly Pines and Multiflora Rose shrubs on the Newark picnic grounds northwest of town on Saturday.

The work will be part of a conservation project planned for the area by the Conservation District of New Castle County. The trees, which will also include Lespedeza plants, are being provided by the district.

A large area has already been burned and cleared in preparation for the planting. The trees are expected both to conserve soil and provide a refuge for wildlife in this area.

Also the project will provide a means of conserving water of the Christiana River, which forms in the area.

All scouts interested in joining the work are urged to meet at the Academy Building at 9 a. m. Transportation to the grounds will be provided. Richard Snyder, head of the county soil conservation program, will be in charge.

Six Building Permits Approved By Council

Six building permits were granted and two held up by town Council the past month.

An extension was granted to the Atlantic Refining Company for its proposed building at the corner of Elkton Road and Main Street. A gas station is planned for the site, but the company, on request of Council, has delayed tearing down the present structure due to the housing shortage.

Other permits were approved for the following: John Zimmer, Harold Sheaffer, Ford McBerty and Harold Squire.

A request by Wesley Wollaston for a permit to erect an apartment house was held up, due to the fact he submitted incomplete plans. Another by Edward Carlin for additions to his property near the Presbyterian Church was also tabled pending a study of his plans by Councilmen F. A. Wheelless and Rodney Dann.

HOLY WEEK SERVICES AT ST. THOMAS

Traditional Observance To Start Sunday

The traditional observance of Holy Week at St. Thomas' Church will begin with Palm Sunday services.

The Young People will have a Corporate Communion at 8 a. m. this Sunday, followed by a breakfast. The palms will be dedicated and distributed at the 11 a. m. service, according to ancient custom. The service of Holy Communion will follow the procession with the palms. For the anthem, the Choir will sing "Like As The Hart Desireth The Water Brooks" to the music of Palestrina, under the direction of J. Robert King.

The Holy Communion will be celebrated at 10 o'clock every morning in Holy Week, except Good Friday and Saturday. At 7 a. m. Wednesday, the Canterbury Club of Episcopal students at the University of Delaware will have a Corporate Communion at the church. Maundy Thursday will be observed with Holy Communion at 10 a. m. and an Evening Service at 8 o'clock.

A service of meditation and devotion will be held on Good Friday from 2 to 3 p. m. in observance of the Crucifixion.

Easter Day services will be held at 8 and 11 a. m. with music at both hours. The Junior Choir will sing at the earlier service under the direction of Mrs. Arthur Johnson. This service will be of special interest to those families who have children in the Church School.

CHURCH SERVICES

Set By Bible Presbyterians

The following services have been announced for the Bible Presbyterian Church of Newark. On Palm Sunday, April 10, the pastor, Rev. Hayes T. Henry, will speak at the morning service at 11 a. m. At the 7 p. m. evening service Gene Potoka, Young People's Director, and a student of Faith Theological Seminary, will bring the message.

On Tuesday, April 12, the monthly missionary meeting will be held in the church at 8 p. m. with a guest missionary as the speaker. On Wednesday, April 13, at 8 p. m., the Preparatory Service for Communion will be held with a special message being brought by Rev. Harold Mare, instructor at Faith Theological Seminary in Wilmington. On Thursday night at 8 p. m., Holy Communion service will be held under direction of the pastor, Rev. Henry, at which time new members will be received into the church.

Robbers Take \$400 From VFW Club Here Saturday

Robbers broke in the Veterans of Foreign Wars home on Barksdale Road early Saturday morning, taking \$400 in cash and rifling the nickelodeon.

The thieves gained entrance by using a crow bar on a window. Other than the money and damage to the nickelodeon no loss was reported.

Both the local and state police are investigating.

Scrap Paper Drive Is Set For Saturday

The Newark Hi-Y Club will conduct a scrap paper drive throughout the town on Saturday. If it rains, the drive will be held the following Saturday.

Proceeds from the campaign will be used to finance club activities at the school.

The members, who will take part in the collection, are: Richard Correll, Rodney Reed, David Kirk, Carl Wolf, Cliff Gray, Paul Hodgson, Jack Ferro, Ted Davis, Ross Smith, Tom Sheaffer, Don Rittenhouse and Jairo dos Santos.

Rites Held Sunday For Tolbert A. Cole

Services for Tolbert A. Cole, 68, who died Thursday, were held Sunday from the Ira C. Shaffender Funeral Home with the Rev. A. J. Jackson officiating. Interment was in the Newark Cemetery.

Mr. Cole, who was a tube maker at the Continental-Diamond Fibre Company for 29 years, retired six months ago.

Surviving are his wife, Mrs. Elizabeth Cole, and four sons: William H. David B. Charles L., and Samuel E. Cole, all of Newark, a sister, Mrs. Retta Lewis, North East.

Council Approves Then Cancels New Registration

Paul Griffith Withdraws From Middle Dist. Fight; Council Reverses Itself, Fears Violating Charter

After a week of charter quoting, thumbing through legal volumes, heated exchanges between prominent citizens, stormy Council sessions, precedent shattering action, the political situation here is back where it was a week ago.

The registration days approved by Council in a burst of moral righteousness on Monday before applauding citizens were quickly cancelled on Tuesday night when a sobered Council, convinced it had violated its own charter, assembled on short notice in offices empty of spectators.

Thus, the special registration set for Friday and Saturday is now off, and those citizens missed in last year's census will have to go without a vote.

After their surprise action Monday, the Council members got a case of legal jitters when they consulted their private attorneys. Legal opinion was virtually unanimous, they said, in supporting Samuel Handloff, town solicitor, who previously had called the registration days a possible violation of the town charter. The opinion was that the charter requires the assessment list, which is also the voting list, to be made up in June a year before the election. Opening the books now to register non-property owners and assess them would be a violation of this section.

Some of the members said they knew of individuals who intended to bring suit against the Council if the registration were held.

These events overshadowed an unexpected shift in the election line-up which came Monday when Paul Griffith withdrew from the fight in the Middle District, leaving the field to Samuel Diehl, R. T. Ware, and Jack Hershelman. Just before deadline last Friday, Rodney H. Dann, incumbent from the Western District, finally filed, thus making contests in all districts. He is opposed by Robert Levis.

Election officials, meanwhile, issued a reminder that the deadline for town tax payments is 5 p. m. this Monday, the day before the election. The taxes must be paid to be eligible to vote.

The balloting in the firehouse on Tuesday from 7 a. m. to 7 p. m. will be under the direction of the following election officers: George Ramsey, town treasurer, Robert S. Gallaher, Leighston Jackson, Thomas Skripps, Ruth Bausman, Elizabeth Brulatour and Ella Mae Maclary.

POLICE LIST 45 ARRESTS FOR MARCH

The Newark Police, bothered by only routine offenses the past few months, were faced with more serious crimes in March. Four arrests for larceny and two for forgery were listed in Police Chief William Cunningham's report, released this week.

Total arrests for the month was 45, with speeding and drunkenness again topping the list. Nine speedsters, and eight drunks were fined.

The forgery case involved the passing of a forged check to a local individual and not a business firm. The offenders were caught. No one concerned in the case was identified by the local police.

A breakdown of the remaining offenses here in March follows: Unregistered motor vehicle, 1 arrest; non-resident license, 1; disorderly conduct, 7; carrying concealed weapon, 1; reckless driving, 4; drunk and disorderly, 1; violating arrest, 2; driving drunk, 1; failing to stop at a "stop" sign, 3; failing to stop at red light, 1.

Investigations were as follows: accidents, 5; forgery, 3; all cleared; larceny, 2, one cleared; malicious mischief, 1 cleared.

Magistrate Clarence Foster reported collection of \$501 in fines. Parking fines came to \$28.

Three persons were held for the Court of General Sessions and one was sent to the workhouse.

Police calls totaled 222, and overnight lodging was given five. The police car travelled 2,773 miles.

Dover Minister To Be Guest At Ebenezer Sunday

The Rev. James H. Bishop, of Dover, will be the guest minister at White Clay Creek Presbyterian Church on Palm Sunday.

Sunday school will convene at 10 a. m. and the church service will follow at 11 a. m.

On Easter Sunday, Dr. Ernest Freeman Hall will be the guest minister.

Election Line-Up Facts On Candidates

Town Election, Tuesday, April 12
—Polling Site—Aetna Firehouse
—Voting Hours—7 A. M.-7 P. M.

Eastern District

Norman S. Battersby, incumbent, 224 South Chapel Street, employee of the Pennsylvania Railroad, completing second term on Council, former Police Commissioner.

Ernest Overby, 351 Delaware Circle, assistant to the business administrator at the University of Delaware, experienced in public accounting, has taken municipal audits in several Delaware towns including Newark, resident here since 1943, member Newark Methodist Church and president of the Read Village Association.

Middle District

Samuel Diehl, 214 Kells Avenue, jeweler, employed in Elkton, member of Hiram Lodge, A. F. & A. M., the Delaware Consistory, the Order of Eastern Star, the Knights of Pythias, resident here since 1933.

Richard T. Ware, 20 Linden Street, publisher of the Newark Post, resident here since 1935, member of Chamber of Commerce and Lions Club.

Jack G. Hershelman, 217 East Park Place, chemist with Hercules Powder, member of Junior Chamber of Commerce, former scoutmaster of Troop 56, resident here since 1943.

Western District

Rodney H. Dann, incumbent, 189 West Main Street, tugboat operator, completing first term on Council, serving as Police Commissioner, member of Board of Health, Rotary Club, resident here since 1936.

Robert C. Levis, 188 West Main Street, employed with Equitable Trust, Wilmington, many years resident here, formerly with Newark Trust and Curtis Paper Company.

\$300 Is Voted For Honor Roll Repairs

The town Honor Roll, Newark's only memorial to World War II veterans, will soon get a face lifting and general overhaul.

The Town Council has voted \$300 to paint and renovate the board, which is now somewhat shabby and weather-beaten. The memorial has not been in sound shape since it was blown down last fall by a wind gust.

The plan is to make the board, as far as is possible, a permanent memorial, with probably a glass protection over the nameplates. The action was taken in view of the fact that the civic fund drive for a permanent stone memorial does not appear likely to achieve its quota in the near future.

TO ASK FOR STREET BIDS

Authority to advertise for bids on a street repair program here expected to cost over \$18,000 was granted to Town Engineer M. G. Amick by the Town Council on Monday.

The work is not likely to get underway before summer it was said. It will include the laying of oil and chips on a number of unsurfaced streets, plus curbs and gutters for some.

Portions of the following thoroughfares are scheduled to be surfaced: Dallam Road, Hillside, Orchard, Kells Avenue, Manns, Ritter Lane, Chambers Street and Ray Street.

Curbs and gutters may be installed on Church Street, Ross, Dallam Road and Courtney Street.

Fluorine Plan Runs Into Obstacle; Action Tabled By Council Pending Full Report

The plan to treat the town water supply with Fluorine ran into what may prove a serious obstacle at Monday night's session of the Town Council.

Action on the scheme to curb tooth decay in young children was tabled pending a full report from the local committee which visited Newburgh, N. Y., recently to get data on the Fluorine experiment there.

Unless this committee's report proves highly favorable, it appears dubious that Council will seriously consider launching the plan here.

Councilman Rodney Dann, who made the Newburgh trip, said he would not favor it, since, as far as he could determine, the effectiveness of the Fluorinating water in preventing tooth decay has not been completely proved. He emphasized that the Newburgh project is still in the experimental stage and is scheduled to continue another five

J. HANDLOFF AND SHIELDS NEW ROTARY CLUB HEADS

New Officers And Directors Are Named In Annual Vote

Jack Handloff, manager of the Newark Department Store, and Joe Shields, a farmer of near Elkton, were elected president and vice-president respectively of the Newark Rotary Club at the group's annual election on Monday night.

Mr. Handloff, who was moved up from vice-president, succeeds Ken Steers, who as retiring president automatically becomes a club director.

Holger Schumann was reelected secretary and Gilbert Nickle was renamed treasurer. In addition to Mr. Steers, new directors are W. S. Hamilton and Wilson Price.

An auditing committee was also organized to include Alex Richards, chairman, Dr. A. J. Jackson and Bernard George.

The new officers will take over operation of the club following their formal induction on July 1.

The evening's program, staged by George L. Martin, featured the showing of "A Letter from America," an inspirational film pointing out the advantages of life in the U. S. The picture centered on a letter written by an emigrant to relatives in his home country.

Jack Handloff was named the club's official delegate to the district Rotary Convention. Others who will make the trip are: Ken Steers, Gilbert Nickle, Winnie Mayer and W. S. Smith.

Foreign students of the University of Delaware will be guests of the club on May 2.

A guest Monday night was Frank O'Day.

EDUCATOR, WELL-KNOWN HERE, DIES

Services Held Today For J. D. Jaquette

James David Jaquette, 82, one-time principal of the Old Newark Academy and a leading Delaware educator at the turn of the century, died Monday in Delaware City.

Services were held this afternoon at the Jones Funeral Home in Newark. Interment was in White Clay Creek Cemetery.

Mr. Jaquette was a descendant of Jean Paul Jaquette, prominent colonial landowner who came to Delaware in 1655 as first vice-governor of the state.

Born at Mill Creek Hundred on Sept. 25, 1866, Mr. Jaquette was the son of James and Catherine Jaquette. He attended private preparatory schools and was graduated from Delaware College in 1889.

Mr. Jaquette first served as principal of public schools in Rockland and later in Newport. In 1896 he was elected principal of the Old Newark Academy and served in this capacity for a number of years. He later became associated with the Farmers Trust Company of Newark and the Delaware Trust Company.

(Continued on Page 10)

years before complete statistical evidence will be amassed. To date, he said, the Newburgh officials will not say definitely that the plan is effective. He advised waiting until full scientific proof is available before introducing the project here. He added though, that this was his personal opinion and not necessarily that of the committee which went to Newburgh.

It was pointed out, however, that such authorities as the American Dental Society and the U. S. Surgeon General are enthusiastic over the plan.

The issue will finally be decided when the committee's formal report is submitted. In addition to Mr. Dann, those who made the Newburgh trip and who will submit the report, are Dr. P. K. Musselman, dentist; E. S. Biddle, local board of health; and Drs. Louis Smith and Francis Kramer, of the Biochemical Foundation.

R. T. JONES COMPLETES REMODELING

Funeral Home Now Offers All New Facilities

R. T. Jones Funeral Home has just completed an elaborate modernization program that now affords one of the finest establishments of its kind between Philadelphia and Baltimore.

The addition of modern air conditioning that assures an even and comfortable temperature at all times as well as cleanses the air of dust and impurities, serves the entire building. New plush carpeting covers the entire floor and the addition of an organ recording sound device provides appropriate music for all occasions.

Building facilities have been enlarged to include a new casket room permitting attractive display of fourteen caskets, in addition to a dress cabinet. Working facilities, too have been enlarged and vastly supplemented by the latest equipment and supplies.

The Jones Funeral Home now provides the most modern morgue, preparation and slumber room possible. New, cushioned chairs have been provided in the chapel where, also, a partial partition affords members of the immediate family a degree of privacy during ceremonies.

Health Note

The girl who looks sweet enough to eat may have a sour disposition.

Local Man Attending Insurance Convention

Rees S. Jarmon, 14 Kells Avenue, Newark, local agent for the Farm Bureau insurance companies, is attending the twenty-third annual convention of the firms in Columbus, Ohio. The 2-day event opened yesterday.

Principal speaker yesterday was Dr. Samuel N. Stevens, president of Grinnell College, Grinnell, Ia. Other speakers included Murray D. Lincoln, president and general manager, and Bowman Doss, agent vice-president, as well as representatives of the home office and the agency force.

United States Senator Hubert H. Humphrey, Minnesota (Dem.), is the chief speaker during the annual meeting session this afternoon. Other activities include the election of directors and officers of the three companies. Jarmon has been associated with the Farm Bureau companies since April 10, 1939. He plans to return here Saturday.

Ramsey

(Continued from Page 1)

"There is still much to be done in Newark. The Town is growing fast and will continue to grow. We are badly in need of a South Side Sewer. The cesspools which are being built over our water supply table at that point may find an inlet into our water supply to the Town and cause the water to become contaminated. This work should be done as soon as possible, and should be our next major project.

"Our Electric lines are over loaded now in certain sections of the Town. The wires are too small and overloaded. This project has been started and no time should be lost until it is completed. Our streets are in need of repair.

"Newark has long been known for its good water and clean streets. May we be noted for them in the future.

"When I first served this Town it was in debt to the extent of nearly Three Hundred Thousand Dollars \$300,000.00. Today we are free from debt and it is still a good place in which to live."

"Best wishes to my successor and the Council of Newark, and its citizens! Wishing all many years of prosperity and success, I am

Sincerely yours,
G. E. Ramsey."

Children's clothes last longer when we wash and iron them because we give them careful handling; (B) We know just the right soap products to use on tricky colors, multi-colored prints; (C) Save yourself strenuous labor, time, too, by calling us.

Newark Town Election

Notice is hereby given that the Newark town election will be held on

TUESDAY, APRIL 12, 1949

between the hours of 7:00 A. M. and 7:00 P. M. One Councilman will be elected from each District.

Any person on the assessment list shall be entitled to vote at the election if a town tax has been paid for the preceding year. Payments are to be made at the Council office on Academy Street.

TAXES MUST BE PAID NO LATER THAN 5:00 P. M. ON MONDAY, APRIL 11. No taxes will be received or payable on the election day.

The polling site will be in the firehouse of the Aetna Hose, Hook & Ladder Company.

The Town Council Offices will be closed all day on Election Day, April 12.

GEORGE E. RAMSEY
Treasurer

IF YOU WANT TO BUY A NEW CAR— WHY NOT BUY ONE THAT'S REALLY NEW?

See the difference! See why the New York Fashion Academy judged Ford the "Fashion Car of the Year." See the luxury of line and the rich interior fabrics. See those sofa-wide seats. They offer you more hip and shoulder room than any other car in Ford's field.

Feel the difference! Feel how Ford's "Magic Action" Brakes stop you 35% easier. Feel bumps disappear 'neath "Hydra-Coil" Springs. And feel that surging "Equa-Poise" Power. Only Ford in its field offers you a 100-horsepower V-8 engine. Only Ford in its field offers you your choice of V-8 or Six.

Save the difference! Where else can so little buy you so much car? And you save up to 10% on gas, too . . . up to 25% with Ford's new Overdrive.* See for yourself. Ask your dealer for a ride and you'll order your Ford today.

*Optional at extra cost.

Charles Tasker Sets Bowling Mark For Aetna; Postoffice Site Still In Doubt

From Issue of April 9, 1924

Postoffice Site

Uncertainty over the site for the proposed new postoffice increased this week. The government's lot at the corner of South College and Delaware Avenue may be purchased by the university, if another lot suitable for the postoffice can be found. For a time it was thought that the Curtis property on Main Street opposite the Academy Building would be secured, but the Government has rejected this plan. The university wants the South College Street lot in order to complete its program for the "Campus Beautiful."

Heiser Home Moved

The strange spectacle of a full size two and a half story house being gently moved along the ground down Main Street attracted much attention this week. The Heiser home, recently purchased from the university by William P. Wollaston, is being transferred to a new site along Delaware Avenue. The work is in charge of George Moore.

Bowling Record

Charles Tasker is now the official bowling champion of the Aetna Fire Company here. Both he and Prof. H. E. Tiffany topped the former record of 181 held by Morris Ewing last week. Prof. Tiffany bowled 184 one evening, only to be displaced by Tasker a few days later who rolled 187.

Personals

The first home musicale by the Newark Music Society was given last evening at the home of Mayor Eben B. Frater. The artists, all local people, were: Miss Anne Lois Ritz, soprano; Miss Dora Wilcox, piano; and Orville W. Mosher, Jr., violin.

Newark ladies who attended the recent Republican Women's Luncheon in Wilmington were: Mrs. George Medill, Mrs. George Paine, Mrs. Robert Houston, Mrs. W. A. Wilkinson, Mrs. W. H. Evans, Mrs. Durrant, Mrs. Whittingham, Mrs. H. H. Hoffer, Mrs. Gallagher, Mrs. H. W. Davis and Mrs. Everett Johnson.

Mr. and Mrs. O. K. Moore have moved from the Armstrong home on lower Depot Road to the Thomas J. Green house on West Main Street.

The first name heard as candidate for local office this fall is Thomas Claringbold who is said to be running for Levy Court from this district.

FARE HIKE REQUESTED

At the monthly meeting of the Public Utility Commission held in the Public Building, Wilmington, last Friday evening, Delaware Coach Company presented a petition asking that body to sanction an upward revision of its fares. This is the first time in twenty-nine years that an increase in local transit fares has been requested. Fares in the City Zone on bus routes were reduced in 1939 from 10c cash to 8c cash or a token sold at the rate of four for 30c. The Company states that an increase is now necessary to compensate partially for the increase in expenses and a substantial drop in revenue.

The proposed changes in the Wil-

lington zone would be from 8c cash to 10c cash and from four tokens now sold for 30c to four tokens for 35c. The 15c cash fare for two zones would be replaced by 10c per zone, or one token and 10c cash, or one 15c commutation ticket. The present 12½c commutation ticket on the New Castle and Marshallton Routes would be increased to 15c.

The petition for the revision of fares states that it has been the policy of Delaware Coach Company to hold its fares at their present levels as long as possible. It also points out that fares of many other transit companies throughout the country have been increased substantially within the past few years.

In an interview regarding the fare changes, P. T. Reilly, vice-president and general manager of the company, stated, "This company, like all other individuals and businesses, has felt the effect of increased costs in labor and materials. As of January 1, 1948, wages to all employees have more than doubled since present fares were established, and further substantial increases were made in the latter part of September of 1948. The costs of maintenance parts have gone up approximately 49% since 1941, and during the same period the price of new buses increased from \$8,332 to \$14,034, or 68%."

In addition to increased operating costs, he stated that revenues have declined because of the increased availability and use of automobiles.

The petition also directs the commission's attention to the operating ratio; that is, the relation of operating expenses to operating revenue and the marked effect on such ratio by higher wage levels and higher commodity price levels.

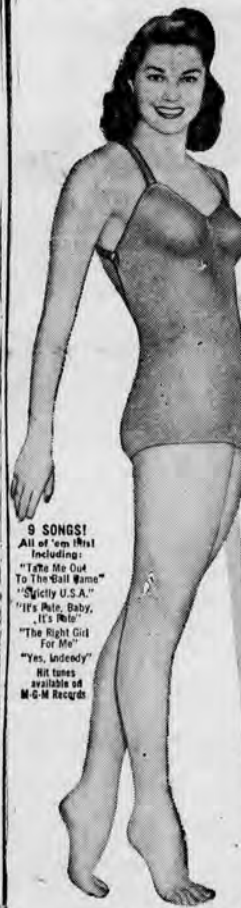

"Careful estimates for the year 1949 based on the present fare would result in a net operating income of \$20,642." His comment was that this is a perilous margin.

YELLOWJACKET HIGHLIGHTS

Contributed By Members Of
The Journalism Class At
Newark High School

Students Attend Press Conference

The fifth annual Temple Press Conference was held in Philadelphia on April 6. Schools from the following states participated in the contests sponsored by the conference: Southern Pennsylvania, New Jersey, Maryland, and Delaware.

Newark High School sent a team of five students. They were Cissie Murray, who competed in front page make-up; Bill Everhart, who took part in the copyreading competition; Donald Phillips, who participated in editorial writing; Gertrude Tierney, who took part in news writing; and Esther Fouracre, who entered the sports interviewing competition.

The time for the contests was from 10:15 to 12:30. After the contest period, the students were served a free box lunch. The afternoon meetings offered all members of the various school teams an opportunity to get together and discuss questions and problems arising from the contests.

Mrs. Roger Fouracre and Mrs. William Murray were the parents who accompanied the journalists to Philadelphia.

Girls' Softball Practice Begins

Forty-four girls turned out for softball practice, under the direction of Miss Ann Wooten, Monday afternoon, March 21. Thirteen members of last year's squad returned to the diamond to face a six-game schedule.

The final cut has not been made but the tentative squad is as follows: those who are veterans of last year—Patsy Wilson, Elsie Argabright, Dinny Wells, Aileen Ritchie, Cissie Murray, Esther Fouracre, Phyllis Harrison, Nicole Bernier, Joy Murray, Gertrude Tierney, Virginia Thornton, and Barbara Humphreys; new members—Doris Abrams, Judy Colburn, Nancy Conte, Joan Dean, Jean Fanning, Beverly Hammond, Dorothy Hawthorne, Rose Martin, Janet McFarlin, Carol Milliken, Jean Moore, Laura Jane Reed, Geraldine Riner and Alno Warrington.

The schedule is as follows:

April 28—Mt. Pleasant, home.

May 10—Friends, home.

May 12—Conrad, away.

May 18—A. I. duPont, away.

May 19—Mt. Pleasant, away.

May 24—William Penn, home.

Aileen Ritchie.

Football Meeting Held

An important meeting of all of next year's football candidates was held in the Newark High Auditorium on Wednesday, March 23. The meeting started with the coaches being introduced and plans for next season were discussed. Later there was a forty-minute movie on the high-lights of Delaware's 1948-49 football season.

Mr. Sposato and Mr. Ciesinski stated that they would start next year with a double-wing "T" and shift to any other formation later if necessary. There was a much larger turn-out of boys than was expected with approximately 65 boys attending. The meeting ended with the boys signing their names and positions. The coaches said that the school is going to get new uniforms for next year and the helmets are to be remodeled and painted.

Howard Long—10B.

Antrim Bureau Presents Program

The Antrim Bureau presented Hal Rodman, Hollywood's makeup man on Monday, April 4, 1949, who presented a program entitled Portraits in Make up. Mr. Rodman drew your friends and mine out of the audience and made them up to look like living portraits representing famous persons out of the pages of history and also old fashioned tintypes.

Layton Zimmer, Thomas Schultz, Riekey Diehl, Albert Jezyk, and Leonard Nelson were the five boys who were chosen from the audiences. Mr. Rodman went down into the audience and walked up and down the aisles looking for likely prospects. Layton Zimmer laughed so hard when Leonard was chosen that Mr. Rodman was drawn to Layton and then Tommy Schultz, who was blushing a deep red. He made Tommy up to look like Robert E. Lee and Uncle Sam. Albert Jezyk was taken through three stages of life: when he was a young school boy; when he was a freshman in college; when he was an old man. The other three boys were made up to look like old-fashioned tintypes.

Jean Thompson.

Letters Testamentary

Estate of Ella M. Janney, Deceased. Notice is hereby given that Letters Testamentary upon the Estate of Ella M. Janney, late of White Clay Creek Hundred, deceased, were duly granted unto Farmers Trust Company of Newark on the Tenth day of March, A. D. 1949, and all persons indebted to the said deceased are requested to make payments to the Executor without delay, and all persons having demands against the deceased are required to exhibit and present the same duly probated to the said Executor on or before the Tenth day of March, A. D. 1950, or abide by the law in this behalf.

FARMERS TRUST COMPANY
OF NEWARK,
Executor.

Address James Rankin Davis, Attorney-at-law, Equitable Building, Wilmington, Delaware.
3-17,24,31.

Spelling "B"

Tryouts for the Beacom College spelling contest to determine champions for 1949 was held in Room 222 at Newark High School Tuesday, April 5, at 1:30. The following ten words are samples that were used in the "B."

Verify, arouse, nephew, garage, freight, trolley, camphor, aviator, good-by, architect, etc.

Howard Long.

All-State Band Plans Concert

This year the Delaware Music Education Association is sponsoring an All-State Band. Students from the high schools of Delaware have had an opportunity through their respective county band organizations to vie for a seat in the All-State Band.

Twenty-five members from each county band plus twenty-five from Wilmington will comprise the All-State Band of 100 pieces.

The group will present a program on Friday evening, April 29, at P. S. duPont High School. Mr. B. Hejelmehrh, director of music, Baltimore Schools, Baltimore, Maryland, will conduct.

Clark & Clancy.

Conservation Assembly Presented

A representative of the Delaware Brandywine Valley Association spoke to the assembly on March 30, 1949. The speaker stressed the importance of saving the soil and explained how much goes to waste each year.

Many boys and girls had the impression, before the assembly, that this topic of "conservation" would be of

interest only to the agricultural students and boys interested in farming. But, their idea definitely changed after this interesting program.

The purpose of the film was to influence the students thinking about conservation and proper sewage disposal right here in our town and our state.

Jackie Cahall.

WITH REGRET...

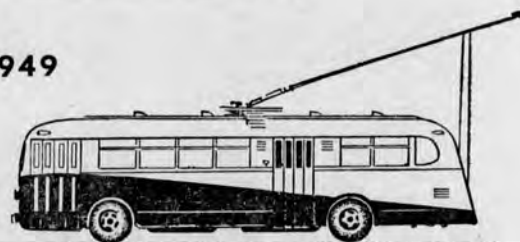

Delaware Coach Company has found it necessary to petition the Board of Public Utility Commissioners of the City of Wilmington for a change in its fare structure.

PROPOSED CHANGES

PRESENT FARE	PROPOSED FARE
8¢ cash	10¢ cash
4 tokens 30¢	4 tokens 35¢
15¢ cash for 2 zones	70¢ per zone—
	or, one token and 10¢ cash—
	or, one 15¢ commutation ticket
Commutation ticket 12½¢	Commutation ticket 15¢

1920 • 1949

The present rates of fares have been in effect from August 1920 to the present time—first for street cars and later for trolley coaches. Buses were put into operation May 1, 1925 with fares at 10¢ per zone. In 1939—fares on buses in city zones were reduced to 8¢ cash or four tokens for 30¢.

It is today as impossible for this Company to continue to operate under its present rates as it would be for an individual to live on 1940 wages.

FOR EXAMPLE

- 1 Trolley coaches which cost \$11,882 each in 1939—today cost \$17,979.50.
- 2 34-passenger buses which cost \$8,332.70 each in 1940—today cost \$14,034.58. Deisel Hydraulic Buses purchased in 1948 cost \$13,700.14 and the same bus in March 1949 cost \$16,266.86.
- 3 Wage rates have increased 88% since 1940, replacement parts costs are up 48.9% since 1941 and so it goes all along the line.

Here are the facts as to why additional revenue is needed

In 1948, Delaware Coach Company revenues decreased due to post-war adjustments and greater use of private cars. In forecasting 1949 operations, at present fares and based on these decreasing revenues, there would be left—over and above operating expenses—

only 9/10 of one cent out of every dollar collected. This figure shows the absolute necessity for increased revenues to provide for safe, dependable transportation and reasonable expansion in the Wilmington area and for a moderate return on money invested.

COMPARISON OF FARES IN OTHER CITIES

City	Cash	Tokens	City	Cash	Tokens
Albany, N. Y.	10¢	5-45¢	Indianapolis, Ind.	10¢	None
Allentown, Pa.	10¢	4-35¢	Johnstown, Pa. (buses)	13¢	2-25¢
Altoona, Pa.	10¢	None	New York, N. Y.	10¢	None
Atlantic City, N. J.	10¢	None	Philadelphia, Pa.	13¢	2-25¢
Baltimore, Md.	13¢	2-25¢	Richmond, Va.	10¢	6-50¢
Chester, Pa.	10¢	4-35¢	Schenectady, N. Y.	10¢	None
Fort Wayne, Ind.	10¢	3-25¢	Scranton, Pa.	10¢	4-35¢
Gary, Ind.	10¢	None	Washington, D. C.	13¢	3-35¢
Grand Rapids, Mich.	10¢	None			

Wilmington, Del. Present Fare 8¢ Cash—4 Tokens 30¢ • Proposed Fare 10¢ Cash—4 Tokens 35¢

It has been the policy of this Company to keep your fares as low as possible, but, under present conditions a moderate adjustment is necessary to continue to bring to you the best there is in public transportation.

DELAWARE COACH COMPANY

Serving the Public Since 1864

EDUCATORS PARLEY AT U. OF D. SOON

High School Programs To Be Appraised

An appraisal of ways in which high school programs can better meet the changing needs of boys and girls will feature the annual State Education Conference, on Saturday, May 7, at the University of Delaware.

In announcing the date for the conference, Dr. W. Earl Armstrong, dean of the university's School of Education, said the entire program will be given over to the "Life Adjustment Education for Every Youth" theme. Teachers, principals and superintendents from all over the state will be invited to attend, as is customary, but Dean Armstrong said that for the first time there will be general attendance sought among the schools' "lay public"—members of Parent-Teacher Association, school boards, and other interested groups.

Explaining the "Life Adjustment Education" program, Dean Armstrong said that "there is going on over the nation—in every state—a study of secondary education to determine what can be done to meet the needs of a greater percentage of youngsters in high school."

"The May 7 conference," he said, "is designed to promote this study in our own state, and the university is glad to lend its support to such a program, destined to help improve secondary education."

The nation's high schools, the dean continued, "have added courses and have changed the subject-matter somewhat in the Twentieth Century, and are now taking a new look at secondary education in terms of what has happened to society in these last 50 years."

"Life adjustment education involves re-thinking of our objectives and program in terms of demands which modern living places on the human being."

Dean Armstrong added that it is "imperative that the lay public and professional educators plan together for any such program," and that lay participation is being sought because of the convention of the educators that "if a program of education is to be realistic, it must not only be understood by the lay public, but planned cooperatively by the lay public." Attendance of about 300 persons is anticipated.

Three or four "outstanding leaders who have been successful in life adjustment education in other states will be invited to participate in the conference," Dean Armstrong said. These experts will keynote a general meeting which will open the conference, and they will serve in a subsequent panel discussion at which questions of the delegates will be answered.

Work Of State Units In Early Detection Of Cancer Is Cited

15 Cases Found In 1625 Examinations Given In State Centers Past Year

Fifteen cases of cancer have been discovered in 1,625 examinations given in the Delaware Cancer Detection Centers, it was announced recently by the Delaware Division, American Cancer Society.

A report on the operations of the cancer detection centers is one of the highlights of a booklet issued by the division last week. Entitled "A Report to the People of Delaware," the eight-page booklet, containing the facts on the Cancer Society's activities for the year, was distributed through the mails and by workers in the Delaware Cancer Campaign.

In one section, Dr. Victor D. Washburn, chairman of the Division's Special Project Committee, declared that "in their Cancer Detection Centers, the people of Delaware have a life-saving device which is already proving, after one year of operation, to be a good investment."

Dr. Washburn reports that from the opening of the first center a year ago today up to March 10, a total of 2,346 examinations were given in the centers to presumably well women 40 years of age and older.

After the follow-up process, final results have been reported in 1,625 cases. Dr. Washburn explained. In these, 15 cases of cancer were discovered. "In nearly case, the cancer was in a very early stage and the prospects for cure are very high," he declared.

"Equally important from the health standpoint is the fact that 40 per cent of the women examined have been referred to their physicians because of signs of other diseases, including precancerous conditions. Thus, the health of Delaware women is being protected

and improved by these examinations," the physician said.

"The examinations are provided free of charge, but the women examined are given an opportunity to share in the cost if they so desire. During the 11 months covered in this report, 1,590 of the 2,346 examinations were accompanied by donations totalling \$2,916. An additional \$20,400 from the funds contributed by the people of Delaware was used to pay for this program up to March 1, 1949."

McSpadden Completes Dry-Cleaning Course

R. Doyle McSpadden, proprietor of Mac's Rug and Upholstery Cleaning Company, 173 East Main Street, has just completed a 3-month course in the National Institute of Cleaning and Dyeing at Silver Springs, Md.

All the latest developments in the cleaning industry as well as every modern technique were covered in the refresher course offered by this nationally recognized school.

The course supplements many years of practical experience, Mr. McSpad-

den had in Newark. Cleaners from every state in the U. S. and some from Mexico were in attendance at the Institute, where Mr. McSpadden was elected president of his graduating class.

Over 5,500 air transport hours were logged by the Navy's Fleet Logistic Support Wings in the past half year for special missions providing rapid and flexible support to essential military activities.

Newark, Delaware, Thursday, April 7, 1949

TOWN WORK FOR MARCH IS OUTLINED

Supervisor Reports On Maintenance

Grading and graveling on Ray Street, Tyre Avenue and Forest Lane, plus curb and gutter work on the latter street, were the major town maintenance projects completed here in February.

Town Supervisor Robert Neeson also said the drainage problem in Read Village, about which the Town Council has received a number of complaints, has been eased somewhat. Both Neeson and Councilman Battersby studied the area and found that drainage water collects in critical amounts in the flat section south of Delaware Circle and particularly on Bassett Place. More work is necessary to remedy the situation, but this will not be possible until certain rights of way are secured, Neeson said.

The work of removing nine trees, considered as traffic hazards, was also completed in February. In addition, the contractor trimmed, topped and treated the Sweet Gum trees on Dallen Road. Mr. Neeson further announced that an inventory for the light, water, sewer and street departments has been carried out. The check-up emphasized the fact that a new system of time and materials control is necessary. This, Neeson said, should be based on the recommendations of the auditor, which will be presented to Council.

Other routine maintenance was carried out as follows:

Water Department

Alteration of facilities of town garage to accommodate repair equipment was completed; 3 new three-quarter service.

Street Department

Providing drainage facilities in connection with improvement of Ray Street.

Sewer Department

Manhole and piping for the new school building; periodic sludge removal and drying operation; two new

sewer connections.

Light Department

Removed two sirens from pole locations out of town; four after hours service calls answered; eleven new street lights installed; one transformer was replaced with larger size; forty service loops renewed; 4000 feet of primary wire strung; three new service loops; 9535 feet of secondary wire renewed and enlarged; installed one new three phase transformer bank; installed two new single phase transformers.

HOMEMAKER WEEK IS SET FOR MAY 1-7

Women Clubs Plan Annual Observance

Delaware home demonstration clubs will unite with other clubs throughout the nation in observance of National Home Demonstration Week, May 1-7, it was disclosed today by Miss M. Gertrude Holloway, state home demonstration leader and Mrs. Jonathan Wheatley, president of the State Home Demonstration Council. This is the fourth year for this event which calls attention to the broadening field of home demonstration work. With the theme, "Today's Home Builds Tomorrow's World," the National Week is marked in various ways by the clubs.

Last year, the more than 2,000 women who belong to Delaware home demonstration clubs celebrated this event by holding a state-wide all-day meeting, going to church by clubs, exhibiting their handiwork in local store windows, holding open houses and teas for other homemakers in their communities, taking part in radio broadcasts, and many other activities.

Highlighting this year's state-wide observance of the week will be a meeting for all club members, to be held May 5. Each club is also planning some special activity designed to bring home demonstration work before the public.

M. L. Wilson, director of Extension Work, U. S. Department of Agriculture, has said, "The leadership which home demonstration workers have always given in the important fields of nutrition, home management, clothing, and the like is also needed in solving such problems as health, recreation, and the

AMERICAN CANCER SOCIETY

enrichment of living. National Home Demonstration Week gives an opportunity to focus the spotlight on these broader goals. It affords opportunity to give recognition to the many able rural women whose leadership and devotion have made home demonstration work an essential ingredient in everyday rural life."

Dairy Short Course Planned For April 11

A special dairy short course for D.H.I.A. supervisors, will be held at the University of Delaware during the week of April 11, was announced by Edward H. Schabinger, County Agricultural Agent of New Castle County. This course will begin at 9 a. m., Monday morning in Room 309, Wolf Hall.

Young men interested in taking this course should be high school graduates with farm experience and interested in dairy farming.

Persons wishing to enroll in this course should write or call the County Agricultural Agent's Office, Newark, Del., or phone Newark 511 and make application. The cost of this course will include only expenses of room and board during the week.

Over 2 Million Vets Taking G. I. Training

Four in every ten veterans in training under the G. I. Bill and Public Law 16 on March 1 were enrolled in colleges and universities, Veterans Administration said.

Total number of Public Law 16 and G. I. Bill trainees was 2,469,250. Of these, college students numbered 1,001,265.

BIRTHS

Congratulations are being extended to Mr. and Mrs. Roger Kennard, of Prospect Avenue, on the birth of a son, born March 31, in the Memorial Hospital.

Mr. and Mrs. Robert Stewart, Jr., of 323 South College Avenue, are receiving congratulations on the birth of a son born March 28, in the Memorial Hospital. The baby has been named Jimmy Stewart. Mrs. Stewart will be remembered as Miss Marie Egnor, daughter of Mr. and Mrs. Ralph K. Egnor.

Congratulations are being extended to Mr. and Mrs. John C. Schwind, Jr., of Gwinhurst on the birth of a son, born March 31, in the Delaware Hospital. The baby has been named John C. Schwind, III. Mrs. Schwind will be remembered as Miss Eleanor Egnor, daughter of Mr. and Mrs. Ralph K. Egnor.

LADIES' BIBLE CLASS

"What Jesus desires to do for men and what he will not do for men" is the subject for class study this Sunday morning by the members of the Ladies' Bible Class of the Newark Methodist Church.

COVERED DISH SUPPER

Friendship Temple, No. 6, of Pythian Sisters, will hold a covered dish supper on this Friday evening, April 8, in the lodge rooms at 6:30 o'clock. Members may invite their friends to attend this supper.

PERSONALS

Miss Bessie Wingate, of Reistertown, Md., has been a guest of her cousin, Miss Jeannette Hough, Capitol Trail.

Mr. and Mrs. Frank Massin, of Lansdowne, Pa., and Mr. and Mrs. Robert Cook, of Pennwyn, spent last Friday with Miss Harriet Baily, of 170 West Main Street. Mrs. Massin, the former Miss Elizabeth Trainer, is Miss Baily's niece and will return to Newark on the week-end of April 14 as a member of the wedding party of Miss Vera Gould and Mr. Jack Smith.

Mrs. David Wherry, of Newport News, Va., is a guest of Mrs. William Gregg, of Cleveland Avenue.

Master Sergeant and Mrs. Charles E. Downey, of Washington, D. C., are visiting Sergeant Downey's father.

Teachers of the Delaware Avenue Building entertained Mrs. Frederick Spasato at dinner at the Old Court House Tea Room, New Castle, on last Wednesday evening, March 30.

Mrs. Hugh L. Montgomery, of Capitol Trail, has returned to her home after a three week's visit with her granddaughter in Philadelphia.

Mr. and Mrs. William Murray, of South College Avenue, spent the past week-end in New York City.

Mr. and Mrs. Edward H. Lake, of 22 Kells Avenue, who observed their first wedding anniversary on April 3, were guests this week-end at the Hotel Statler, Washington, D. C.

Mrs. Mary J. Devonshire, of 28 Choate Street, has returned to her home from a three week's stay in Clarksburg West Virginia where she visited at the home of Mr. J. Howard Carr and cared for his little daughter, Mary Kath.

Mrs. Charles Greer and Mrs. David Perry have returned home after spending eleven days in Miami and Key West, Florida, and while in Key West visited Mr. and Mrs. John Turnbull. Mrs. Turnbull will be remembered as Miss Elizabeth Johnson, of Newark.

AUTHORIZED ART-CARVED JEWELER

Mr. and Mrs. Lee L. Lewis, of 282 East Main Street, are visiting Mrs. Lewis' aunt, Mrs. Fred Dallenbach, of Champaign, Illinois.

Misses Ellenor Roberts, Virginia and Jean Phillips and Miss Carolyn Chalmers were week-end visitors in New York City.

Miss Rita M. Patnovic returned Sunday from a visit in Hazleton, Pa., and a week-end at Pennsylvania State College.

Congratulations are being extended to Mr. and Mrs. John C. Whitmore on the birth of a son, born April 5, in the Delaware Hospital.

PLAY GIVEN AT ASSEMBLY

First Graders Stage Program

A play "Peter Rabbits Easter Basket," marked an assembly program by Miss Margaret Nottingham's first grade at the Newark schools on Tuesday. A movie, "The Monkey and the Toys," along with songs and recitations by the students, completed the program. The announcer was Dottie Zimmers. The play cast included: Paul Lindell,

Bill Dempsey, Patsy Gray, Paul Bra-sher, Ronnie Nelson, Bobby Young and Carol Ann Gibson. In a group of bunnies were: Alan Beldyk, Steve Hildreth, Michael Coverdale, Joe Ratti, Billy Moore, Earl Bowser, Bobby Harries, and Jerry La Fountain.

Those who acted as flowers were: Marion Cullen, Barbara Ann Waldrige, Donna Cagle, Margaret Lanning, Shirley Smith, Betty Mackey, Sandy Sprecker, Shirley McCreary, Rosi Olskowski, Eleanor Burris, June Wiggins, Beverly Burris and Betty Jean Crow. Acting as blades of grass were: Ronnie Pyle, Joe Cunane, Fred Williams, Jimmie Linden, Ritchie Handloff, Bobby Starkey, Harvey Davis and Robby Maddock.

CARD OF THANKS

We wish to thank relatives, friends and neighbors for flowers and other kind expressions of sympathy during our recent bereavement in the death of wife and mother, Florence R. George.

FILLIN' IN

If shortly after Tuesday's town election you notice the heavens begin to reel, the moon disappear or bluish deep red, don't jump to conclusions about fool play at the polls.

By what we hope is merely an astronomical-political coincidence, a total eclipse of the moon is scheduled to follow the balloting in the firehouse. Around 9:28 p. m., while the votes are probably still being counted, the moon will edge into the earth's shadow and will not emerge until after 12:34. During this game of celestial hide and seek, the fate of Newark will be decided for another two years. The moon, we are told, will not disappear altogether, but, what seems worse, will turn blood red.

Since the eclipse was scheduled several years before the election, we suppose no dark portent will be intended Tuesday, no omen of the gods' displeasure over the election.

Still, what with the strange and tradition shattering events on the political front here the past week, one cannot be sure. When our august lawmakers agree to violate their sacrosanct charter by holding special registration days (as they agreed to do Monday) then get cold feet and return to legal righteousness by rescinding them (as they did on Tuesday), anything can happen. The heavens might well whizz about like a pin wheel on Tuesday night.

Personally, we do not want to be around the firehouse when the firmament begins to rock. We're not superstitious, mind, we just like to see elections and the heavens go their own ways.

While we hide under the sheets at home and await the election results, we can at least take comfort in the fact that we could not vote. We are one of those obscure non-property owners, possessing only a few shirts and the down payment on a soul, who was overlooked by Mr. Wheelless' census takers last year. We knew these gentlemen were coming around to register us sometime in the four day period, but, unfortunately, we were unable to stock up with enough provisions to see us through. On the third day, wasted and ravenous, we slipped out for a loaf of bread, and it is then, probably, the census taker knocked.

We can understand his irritation. After all, if we weren't interested enough to isolate ourselves for four days to await his coming, we didn't want to vote very badly. Still, we wish he had left us some token of his attention, some indication we had not been forgotten, a card, possibly, telling us when and where we could still register. As it was, we were innocent enough to take the census in good faith for what it was claimed to be, and we assumed that we were included among the elite.

But now, as we say, what with the heavens acting up, we're just as happy to be clear of the whole business. We are grateful also to the quaint, 19th Century wording of the town charter, which insists we need only live in town three months to vote but at the same time claims we must somehow have gotten on the tax list which by law must be made up a year in advance of the election. It is this fascinating paradox, among others, that adds zest to life in Newark. It is also another good reason for the heavens to reel agog.

Even if we had a vote we'd still be confused. Though the candidates have been quick to tell us their names and addresses and what excellent Councilmen they would make, we still aren't sure where they stand on specific local issues.

Harvard Group Studies How To Make People Less Selfish

Harvard University is trying to find out how to make people less selfish. The project was launched on the premise that "A selfish world will never have peace."

Heading the new \$120,000 research center engaged in this novel study of ways to promote world peace is Russian-born Prof. Pitirim A. Sorokin, Harvard sociologist.

"Unless persons and groups become more unselfish," he explained, "peace is impossible and new catastrophes are likely to be unavoidable."

120 Coon Hounds In Trials Here Sunday

Event Sponsored By Newly Formed Delaware Association

Approximately 120 coon hounds competed in the field trials held on the Newark Recreation grounds last Sunday. The event was sponsored by the newly formed Delaware Coonhunters Association.

The trials were marshalled by Melvin Nutter and Warren Samborn, both local hunters. The gallery on Sunday exceeded 500 people, who saw dogs from a 3-state area competing. H. C. Boden and E. T. McCully, representatives of the local recreation association, were present.

Top honors of the day went to a speedy dog (Eager Beaver) belonging to Charles Fisher of Orwigsburg, Pa. Second place was taken by another Pennsylvania hound (Spinner) owned by E. Barr, of Ambler. Third place was won by a well-known local dog (Spic & Span), originally from the Oak Grove Kennels, now owned by John Thompson, Elkton, Md.

The coon hunters voted a donation to the Newark Recreation group for the use of its grounds.

It was also announced that another trial is scheduled for Sunday, May 1. The location will be announced later.

Country Club Will Enter Phila. Tourney

12-Man Team To Be Captained By Al Dollins

The Newark Country Club will enter a 12-man team in the competition for the cup offered by the Philadelphia Golf Association on the Sundays of May 8-15-22.

Split into two 6-man units, the Newark team will be captained by Al Dollins. One sextet will be hosts to visiting club teams each Sunday, while the others will compete on the Philadelphia courses of the same club the same day.

Announcement of the plan to enter the tourney was made by Robert Stewart, chairman.

The Newark Club will hold the Delaware Amateur Golf Tournament with a tentative date set for June 11-12. George Anderson, winner last year, is expected to defend his title.

Al Dollins, who copped the President's cup last year, also plans to defend his title and Ellis Taylor will seek to hold his crown of club champion, earned last year. This event is scheduled to run over a period of five weeks, with the President's cup handicap stretching for six weeks during the summer months.

Serving with Chairman Robert Stewart on the golf committee of the club are Roland Wollaston, Al Dollins, George Anderson, B. F. Richards and William Pie. The club pro is H. G. Young.

KENMORE DANCE

A dance (square and round), card and bingo party will be held in the Kenmore High School near Providence, Tuesday evening, April 12th. Dancing will be from 8:30 p. m. until midnight. Card and bingo will start at 8 p. m. Music for dancing will be by Volk's Orchestra. The event will be sponsored by the Kenmore Athletic Association, P. T. A. and Alumni Association for the benefit of the School Library Fund.

Jacket Nine Begins To Take Shape As Conrad Debut Nears

Coach Mercer Lists Tentative Varsity; Reserve Power Still Major Weakness

The Newark High baseball nine began to take shape this week under the sharp eye of Coach Frank Mercer, who is stepping up the workouts in preparation for the opener at Conrad on April 20.

Mercer has fairly well sized up the forty or more candidates who turned out for the opening of drills, and the outlines of the 1949 varsity are beginning to appear.

Major support for veteran twirler Robert Haman is likely to come from Frank Porter, who has been showing promise in practice. No other outstanding pitching talent has developed as yet, according to Mercer.

Catchers Bramble and Hawthorne look like the most likely prospects to start in that position against Conrad.

Phil Harrison is the top choice for first sacker, while leading contenders for the remaining infield berths are: Jim Ford, second; Jim Knotts, shortstop; and Ralph Barrows, third. Also likely to see action is Buckingham, who can be used to spell any of the regular infielders.

In the hinterlands, Earl Laws, Rod Reed, Bill Records, and Ted Davis are bucking for starting positions, with Fox, Sparks, and Vandepoole making up the reserve pool.

After the Jackets make their debut against Conrad, they will meet Claymont on April 22. Their first home appearance will not be until April 25 when Wilmington High will invade the local athletic field.

Youth Inducted Into Guard Under New Set-Up

Sheridan Marshall, 49 Center Street, is the first Newark youth to be inducted into the National Guard under the new Army recruiting set-up.

Marshall joined Battery "C" at the local armory on Monday night after a brief swearing-in by Newark's new Army recruiting chief Cpl. Joseph F. Haas.

Cpl. Haas said the Army has taken over recruiting for both the National Guard and the Organized Reserve Corps. Openings for both the National Guard and the Organized Reserve Corps. Openings in either group are available to men between 17 and 35. At present, he said, the Regular Army is not assigning new volunteers to duty but is placing them on a waiting list.

Guard training periods, he added are held 2 hours every Monday night in the Armory. A 15-day field training period is held in the summer.

"I wish to invite every young man to come to the Newark Armory on Monday night at 8 p. m. and see for himself what the duties of a National Guardsman are," Cpl. Haas said.

Recruiting hours are also held at the postoffice Monday, Wednesday and Friday from 10 a. m. to 5 p. m.

DELAWARE NINE WILL MEET HORNETS HERE TOMORROW WINS 3 ON SOUTHERN TOUR

Martin's Charges Earn Victories Over Maryland, Lynchburg, Norfolk; Lose To Navy And Hampden-Sydney

The Blue Hens of the University of Delaware have made outdoors again, with three spring sports contests under way in Newark this week. Baseball and lacrosse are here, golf is just around the corner, with tennis and track close on its heels.

After a successful southern trip, the Blue Hen baseball team opened its home season against the Sho'men from Washington College yesterday and will meet the Haverford Hornets here tomorrow afternoon at 4 o'clock. The Delaware lacrosse men are playing their first game of the season against Williams College, from Williamstown, Mass., here this afternoon at 3 o'clock.

Coach Shack Martin's baseball team opened its season with a 5-2 victory over the University of Maryland lacrosse men at College Park, then lost to Navy at Annapolis, 14-9. Continuing into Virginia they trimmed Lynchburg College, 7-3, lost to a strong Hampden-Sydney outfit, 7-4, then closed their southern trip by winning from Norfolk Navy Station by a score of 8-6 in an exciting 11 innings.

Al Thorpe, captain, from Christiana won two of the three games on the tour, against Maryland and in a relief role against Norfolk Navy.

Two sophomores topped the Hen batting—Joe Higgins, second baseman from Seaford, swatted 333 with three hits in four trips against Navy, the stole home with what proved to be the winning run against Norfolk Navy.

John Helm, outfielder from Wilmington, hit .412 and tapped out three sixes at Norfolk.

Tom Silk, veteran catcher from Newark, led the team with runs batted in bringing five mates across the plate, and Ted Youngling, also a catcher, poled out the season's first home run along with a triple against Navy, and brought in three tallies.

Coach Mill Roberts took 24 lacrosse men to Baltimore for a pair of scrimmages against Johns Hopkins and the Mount Washington Club, two outstanding lacrosse teams of the nation, the travelled with 18 men down to Chapel Hill, N. C., where the Hens scrimmaged with the Tar Heels of the University of North Carolina Thursday, Friday and Saturday. They returned in Newark Sunday in fine condition for their first match of a 10-game season.

The Hen golfers will drive their first competitive balls of the test in a match against Johns Hopkins at Baltimore this afternoon, under guidance of Coach Joe Brunansky, and will meet Maryland here next Friday afternoon, April 15.

The Hen trackmen and netmen will go into action next Saturday (April 16) when Coach Ken Steers' cindermen go up against Hopkins on Fraser Hill here and Coach Ralph Jones' pistol welders will repel an invasion of Western Maryland netmen.

Visiting Nurse Lists

34 Calls For March
Miss Alice Lusk, Newark's visiting nurse, made 34 visits in March, according to her monthly report. Of these, 19 were nursing and 43 instructional.

A breakdown of the types of cases and number of visits each required follows: maternity, 1, visits, 6; cancer, 2; diabetes, 2, visits, 14; apoplexy, 2, visits, 34; paralysis, 2, visits, 11; shingles, 1, visits, 2; kidney diseases, 6, visits, 36; heart diseases, 3, visits, 9; asthma, 2, visits, 2; asthma, 1, visits, 18; miscellaneous, 18, visits, 45.

School Music Program Scheduled For May 6

The annual spring music program at Newark schools was incorrectly announced last week as scheduled for May 20. The event will be held on the morning of May 6.

Offered as a phase of the local observance of the state art festival, the program will be staged by the elementary grades. Much of the work behind the scenes is being performed by the students themselves. The scenery is being designed in cooperation with the school art department.

A display of student art work will be hung in various classrooms on the evening of the performance.

Pre-School Exams Set For May 5 At Schools

Preschool examinations for children who will be six years old before January 1, 1950, will be held May 5 at the Newark schools, according to an announcement by Dr. John R. Downes, health officer for New Castle County.

A physician and nurse will be present at this health check-up to give physical and dental examinations, as well as diphtheria immunization and smallpox vaccination for those who have not had this protection.

Parents are urged to come with their children, since when they do, the physician is able to explain fully the nature of any defects found. Then parents may understand the importance of having any needed corrections made during the summer months by the family physician and dentist. A healthy child, the State Board of Health emphasizes, is much better able to successfully start his or her school career.

Dr. Rees Named Newark Head Of Chicago U. Drive

Dr. Carl J. Rees, Old Oak Road, will serve as the Newark chairman of the University of Chicago Alumni Foundation campaign for \$100,000, John D. Dille, chairman of the Foundation, announced today.

One of 1700 workers in 450 cities throughout the nation, Honolulu, and Puerto Rico serving on the 1949 fund-raising drive, Dr. Rees is heading the Newark committee for the eighth successive year.

Estate of Samuel B. Morrison, Deceased. Notice is hereby given that Letters of Administration upon the Estate of Samuel B. Morrison, late of White Clay Creek Hundred, deceased, were duly granted unto day of March, A. D. 1949, and all persons indebted to the said deceased are requested to make payments to the Administrator without delay, and all persons having demand against the deceased are required to exhibit and present the same duly probated to the said Administrator on or before the Fourteenth day of March, A. D. 1950, or abide by the law in this behalf.

JAMES ALLEN MORRISON, Administrator.
Address: James Rankin Davis, Attorney-at-Law, Equitable Building, Wilmington, Delaware, 3-2431; 4-7.

IN THE SUPERIOR COURT OF THE STATE OF DELAWARE
IN AND FOR NEW CASTLE COUNTY
IN THE MATTER OF THE PETITION OF MARGERY H. HOLTGREVE AND MARGERY L. HOLTGREVE, A MINOR, FOR CHANGE OF NAME

TO THE HONORABLE THE JUDGES OF THE SUPERIOR COURT OF THE STATE OF DELAWARE, IN AND FOR NEW CASTLE COUNTY:
The petition of Margery H. Holtgreve and Margery L. Holtgreve, a minor, respectfully represents:

That the names of these petitioners are Margery H. Holtgreve and Margery L. Holtgreve; that Margery H. Holtgreve is twenty-five years of age, and that Margery L. Holtgreve is five years of age; that both petitioners have been for the last two years, and now are, bona fide residents of New Castle County and State of Delaware; that they desire to assume the names of Margery H. Collins and Margery L. Collins respectively.

Your petitioners therefore pray that their names be changed as follows: from Margery H. Holtgreve to Margery H. Collins, and from Margery L. Holtgreve to Margery L. Collins, pursuant to the provisions of the Act of the General Assembly of the State of Delaware, in such cases made and provided.

MARGERY H. HOLTGREVE
MARGERY L. HOLTGREVE

Sez Zeke: "I can afford fishin', on this sunny morn'; I make lots of money—with BLENN on my corn"

Blenn

Swift's Specialized Crop Maker

Maybe Zeke can afford to go fishing in the busy season—some of us can't. But farmers who use BLENN, Swift's specialized crop maker, worry less about their corn and other grain crops. BLENN is specially formulated to help produce higher yields of better-quality grain. It furnishes the balanced combination of growth elements corn and other grains require. It helps promote higher yields that pay off in extra dollars.

Users of BLENN tell of the big difference BLENN can make. They see crops that start strong

SWIFT & COMPANY

—grow uniformly—that have bigger ears or heads filled with plumper kernels. For higher-than-usual yields, feed your corn and other grains with BLENN this year. Order your supply today from your Authorized Swift Agent.

Buy at the sign of the RED STEER

See the new **DESOTO** before you decide on any other car at any price!

Compare the others with "The Car Designed with YOU in Mind"

You cannot compare the new cars merely by looking at pictures . . . or by watching them on the highway. You've got to get behind the wheel yourself.

That's why we urge you to come and see this new De Soto before you decide on any other car.

You notice the difference right away. De Soto's doors are wide. You walk in . . . and keep your hat on. The steering wheel doesn't hit your knees. You're on chair-high seats, so that you get all the benefit of the larger windows and windshield.

You've got full stretch-out leg room, front and back. And you've got more luggage space in that

flush-floor trunk than you ever dreamed of before.

Yes, De Soto is lower. It's got a longer wheelbase (all passengers ride between the axles). But there's no penalty for these advantages. Overall length and breadth are not increased. You needn't rebuild your garage. You can still change a tire. And a dented fender doesn't mean an expensive body repair job.

Let us show you all the new features of the car that lets you drive without shifting. Compare it for beauty, comfort, safety and value. Then decide.

Tune in "Hit the Jackpot" every Tuesday night, all CBS stations

DE SOTO FEATURES THAT MEAN MORE ENJOYMENT EVERY MILE

- ★ Tip-Toe Hydraulic Shift with Fluid Drive
- ★ New Feather-Light Steering
- ★ High Compression Powermaster Engine
- ★ New All-Weather Comfort System
- ★ Faster Getaway
- ★ New Ignition System
- ★ Longer Wheelbase with full "cradled ride"
- ★ Safeguard Hydraulic Brakes with new Cycle-bonded linings
- ★ Scuff-Resistant Finish on Cylinder Walls
- ★ Safety Rim Wheels and Super Cushion Tires

DE SOTO LETS YOU DRIVE WITHOUT SHIFTING!

PROGRAM OF MUSIC MON. AT CENTURY

**Hilda Somers
Is Heard In
Recital Here**

A program of sacred music was presented by Miss Hilda Somers, soprano, of the University of Delaware faculty as the Easter program of the Newark New Century Club this afternoon. Miss Somers, who was accompanied by Miss Mildred Gaddis, was most enthusiastically received. Her program included selections from Handel, Faure, Brahms, Dubois, Gaul, La Forge, Guion and Hageman.

A motion picture appropriate to the season was presented by Mrs. Arthur J. Jackson and her committee.

At a short business meeting conducted by Mrs. J. Pearce Cann, the following new members were welcomed: Mrs. Ludolph Welanetz, Mrs. H. S. Bueche, and Mrs. Eric Mayer. Tea was served by Mrs. Wilmer Shue, assisted by Mrs. Frank R. Mercer, Mrs. Herman Wollaston, Mrs. Kingdon R. Watt, Mrs. Richard Ware, and Mrs. Delmar J. Young. Mrs. Paul M. Hodgson poured.

The activities of the book group will close on May 2. Members are requested to pick up their volumes on that date. A lecture-recital by Mrs. Kurt Wohl will be the feature of the next club meeting on April 18.

THEATRE TO OPEN WED.

**Elkton Movie
Plans Premiere**

Good news to movie-goers in this area is the announcement that the new Elk Theatre will open next Wednesday evening in Elkton. Feature film for grand premiere is "Take Me Out To The Ball Game," starring Frank Sinatra, Esther Williams and Gene Kelly.

The first show will be at 6:45 p. m. Continuous performances will start the next day at 1 p. m.

Regarded as the most modern theatre between Wilmington and Baltimore, the Elk seats some eight hundred people and offers ample parking space. It is situated on the Newark-Elkton Road just entering Elkton.

Embodying the most advanced construction techniques, including complete fireproofing, the theatre also boasts the latest in projection and sound equipment. The interior is tastefully decorated with murals depicting scenes of Elkton history.

Guardsman Will Stage Public Dance Saturday

The National Guard will observe Army Week with an informal dance on Saturday night from 9 to 12 at the state armory in Wilmington. Batteries of Newark, New Castle and Wilmington are cooperating to stage the affair.

Tickets may be secured at the local armory or from members of Battery "C." They will also be available at the door on Saturday night.

Music will be by "The Guardsmen." Door prizes and free refreshments will be offered.

Town's Cash Reserve Dips Again In March

The town's financial reserve took another dip in March, falling to \$18,859.54 in cash on hand as against \$23,554.38 at the end of February, according to acting treasurer George E. Ramsey's report.

Income from all sources during March totaled \$21,672.38. This added to the February carry-over came to \$45,336.96. Disbursements drained off \$26,859.54 of this leaving the reduced balance.

Major item of revenue was the electric light receipts which amounted to \$11,336.49. Another sizeable source of income was \$7,401.42 in electric power. Water rents totalled \$1,765.38.

AAUW UNIT ENROLLS 8

**Geographer
To Be Heard**

Dr. Earl Hanson, professor of geography at the University of Delaware, will give members of the Newark Branch of the American Association of University Women a preview of his new book, "New Worlds Emerging," at the next branch meeting which will be held on May 2. Dr. Hanson's volume will soon be published by Duell, Sloan and Pearce.

Nineteen members of the Newark Branch have signified their intention of attending the Delaware Division Conference on April 9 at the Hotel DuPont in Wilmington.

Among new members welcomed into the Newark Branch since November 1, 1948, are Miss Vera Gould, University of Delaware; Mrs. Arthur Jackson, George Washington University; Mrs. Ernest J. Moyne, Columbia University; Mrs. A. T. Sweet, Jr., Women's College, University of North Carolina; Mrs. Paul R. Wunz, Jr., Pennsylvania State College; Mrs. Stanley Guertin, New Jersey State Teachers' College; Miss Edith A. McDougale, University of Delaware; and Mrs. Robert W. Mason of New Castle, Russell Sage College.

The arts and crafts group of the Newark Branch will meet on Tuesday, April 12, at 8 p. m., at the home of Mrs. William H. Adams, Jr., 1 Briar Lane.

Jaquette

(Continued from Page 1)

pany in Wilmington, retiring in 1932. An active member of Newark Methodist Church, he taught a boys' class in the church school for some time. He also was a member of Osceola Lodge, No. 5, Knights of Pythias.

Mrs. Jaquette's wife, Mrs. Mabel Campbell Jaquette, died in February. He is survived by four sons, Robert T. of Milford, James D. of Lewiston, N. Y., J. Paul and Amos C. Jaquette, of Newark; two daughters, Mrs. Philip Dwyer, of Ayer, Mass., and Miss Mabel Jaquette, of Newark, and 11 grandchildren. He was the last of six children.

LEGION ELECTION TUESDAY

The J. A. O'Daniel Post, No. 10, will hold its annual election next Tuesday night at the post home.

Commander Richard Couch urges a large turnout of members.

PUBLIC TO VIEW CAMP

The Girl Scout Camp site at Grove Point will be open for public inspection this Saturday and Sunday from 2 to 5 p. m.
