

Extension Of Woodland Avenue Approved By Council For 1968

Lumbrook Street To Join Cleveland Avenue At Capitol Trail; Arswell Watson Named To Bi-Racial Committee, Mrs. Evelyn Mullen, Alfred Zamorski To Parks Group

Extension of Woodland Avenue in Lumbrook to the Cleveland Avenue-Capitol Trail intersection was approved at the regular meeting of Newark City Council last Monday night; four ordinances were given preliminary readings with final consideration scheduled for Oct. 9; Arswell M. Watson was appointed to the municipal bi-racial committee; and Mrs. Evelyn Mullen and Alfred J. Zamorski were named members of the parks and recreation advisory committee.

The Woodland Avenue extension was approved in a 7-0 vote with Public Works Director Benjamin J. Cunniff's opinion that this project initiated in August, 1964, be re-evaluated.

"Proceed with this as rapidly as possible," Councilman Olan R. Thomas urged of the Woodland Avenue extension, and it is to be included with the street program for 1968.

Preliminary approval was given to proposed ordinances regulating curbs and curbside parking on the west side of Academy Street, and installation of stop signs in the Nottingham Green area; limiting parking areas for motorcycles; and prohibiting certain types of noise on any property in the city.

Councilman Thomas and Arthur P. Mayer opposed 4-2 approval of this last, with Thomas questioning the term "excessive noise."

Noise Annoys
"Any noise that annoys me is excessive," Mayor Norma B. Handoff responded. The preceding three proposals were approved unanimously. Watson, a lifelong resident of Newark, was appointed to the bi-racial committee at Councilman Mayer's proposal, for an 18-month term effective last Aug. 1.

Mrs. Mullen of 111 East Cleveland Avenue, and Zamorski of 8 Connell Circle, were named to the parks and recreation advisory committee upon nominations by Councilmen Thomas and William E. Frame.

Contracts for city purchase of a 350 KVA outdoor unit substation and for three 4-door police patrol cars were awarded to Westinghouse Electric of Wilmington for the low bid of \$39,242, and to Wm. H. Porter, Inc., for enclosing the second certified check with a bid of \$7,307.

Purchasing Agent Philip M. Sowa pointed out that the price for the three police cars was less than that paid by the city in 1966.

"To what do we attribute this?" the mayor asked, and Councilman Mayer replied "to the purchasing agent."

Water Supply
Campaign reported that a water supply of up to 3,000,000 gallons per day had been located with expenditure of \$20,000 in Phase I of the ground water exploration program, and council approved an additional \$10,000 requested for Phase II. In the agreement with the firm of Geraghty & Miller, to complete work for production wells.

Execution of the agreement with the State Highway Department for reconstruction of Route 277 over the Christina Creek on Church Road, was approved pending approval by City Manager Edward R. Stiff.

The structure was cited as "a miniature Barksdale Road Bridge" and Councilman David H. Buchheit urged bridge construction, while Mayor Handoff cited the possibility of the bridge being "under a roaring mass of water" with development of the area.

Concerning assessment of \$4,506.48 on the Hearn Brothers property for city extension of water and sewer mains with 1965 annexation of the area south of town, Solicitor Clyde M. England, Jr., said that any assessments in the area "should not have been made."

Responsibility
The public works director's report of November, 1965, indicated that \$6,900 for sanitary sewer and \$6,400 for water were "expenses to be borne by the city" with annexation of the property, and former Planning Director John Griesbaum had reported that such utilities were to be provided at "no cost to the developer."

"What I agreed to is in the agreement," Councilman Dechert said of the document which does not specify city responsibility for utilities provision.

"We drew the agreement," England interposed, "and it is vague, it is our fault."

"I understand that the city would pay," Councilman Thomas said of installation costs, "but it would be assessed back to the developer."

Col. Samuel W. Lockerman Heads Wing In Vietnam

LT. Col. Samuel W. Lockerman, son of Mrs. Samuel P. Lockerman and the late Mr. Lockerman, is stationed in Thailand serving with the 428th Wing, Strategic Air Command, as deputy commander of operations training.

Col. Lockerman is responsible for the management and training of five branches of the wing in the overall bombing of North Vietnam. He is a graduate of Newark High School and the U.S. Military Academy, West Point, N.Y.

Air Force Academy Cadet

Marc E. Cotnoir
Cadet Marc E. Cotnoir, son of Mr. and Mrs. Leo J. Cotnoir of 356 Paper Mill Road, Newark, is one of more than 900 cadets who have started their sophomore year at the U.S. Air Force Academy.

During the past summer, Cadet Cotnoir and other members of the Class of 1970 completed a six-week training program in survival techniques and base defense tactics in the Rampart Range area near the academy, followed by a combat course in infantry weapons at Ft. Carson, Colo.

Cadet Cotnoir is a 1966 graduate of Salesianum High School, Wilmington, where he was a member of the National Honor Society; is a member of the Catholic Choir and Cadet Chorale at the academy, and won dean's list honors as a freshman.

Skinner Memorial Award Presented To James D. Beck

James D. Beck, candidate for a PhD in chemistry at the University of Delaware, was named yesterday as the first recipient of the Skinner Memorial Prize.

The Skinner Prize was established this summer in honor of the late Glenn S. Skinner of Newark, who taught chemistry at the university for 30 years. He retired in 1963 and died in 1965.

Beck, a native of Wrightsville, Pa., received the \$100 award on the basis of his "scholarship, research, and service to the university in teaching and other duties."

Beck, a 1962 graduate of Kutztown (Pa.) State College, taught high school chemistry in Pileswater, N.J., for two years before embarking on his doctorate program.

He has been an instructor in the physical chemistry laboratory and taught freshman chemistry at the University of Delaware.

Beck belongs to the American Chemical Society, the American Association for the Advancement of Science, Sigma Xi, and Kappa Delta, and lives with his wife and son on Polly Drummond Hill Road near Newark.

'Newark Schools On Parade' Wins Award Of 'Golden Mike' For Radio Excellence

The "Golden Mike" is one of the most coveted awards in radio and television, and this year, a program on Radio Station WNRK, produced by the information services office of the Newark special school district, received a national citation from the Golden Mike Awards Jury.

"Newark Schools On Parade" was honored for its nine-weeks series "Imperatives in Education," and Mrs. Park W. Huntington, communications director for the golden mike jury, and executive chairman of the Department of Delaware American Legion Auxiliary, announced that the program had been awarded the citation at the Boston meeting last week.

The "Imperatives in Education" series of broadcasts from Jan. 6, through March 5, of this year, was devoted to a critical examination of the nine most pressing problems facing youth today. It discussed the imperatives: how they affect students and the public; what can be done about them; and what is being done.

When asked the real intent of the program, Producer Philip A. Toman said: "The infinite human variety in 12,000 children and youth in the Newark school district is more than an incomprehensible statistic to be

County Executive William J. Conner Addresses League

Council Program Discussed At Annual Dinner Of Local League Of Women Voters

County Executive William J. Conner discussed the New Castle County Council last Thursday night as guest speaker for the annual dinner meeting of the Newark League of Women Voters in the Newark Methodist Church.

Mrs. Harry D. Hutchinson, league president, presided, and Mrs. Jerold M. Schultz was dinner chairman. Dinner was served by ladies of the church.

Conner said the county council was "well launched on a cooperative program" with Newark, citing his attendance with Mayor Norma Handoff at the regional Conference of Elected Officials, and their association in the county land use and transportation study.

"You might say I had a Stiff letter," Conner smiled with reference to "cogent advice" received from Newark City Manager Edward R. Stiff concerning the county budget.

The chief executive said that the county tax rate for Newark was "10 cents below that of unincorporated areas" as a result of locally provided services.

Conner explained the functions, responsibilities, and progress of the various county departments under the new council system.

The personnel department operates under a merit system with a "two year contract with the bulk of our employees," he said.

The public works department, which started with a single professional engineer, now includes four, and the department has been reorganized with a separate division to deal with storm water drainage.

"The county was beset for five years with drought—and now we have one with floods," he said. Department efforts include sanitary sewers, mosquito control, and drainage.

Army's Donald Straughn In Artillery At Vietnam

Army Pfc Donald E. Straughn, 19, son of Mr. and Mrs. Carleton E. Straughn, 720 Colgate Lane, Newark, was assigned to the 56th Artillery near Long Binh, Vietnam, on Sept. 1.

Pvt. Straughn, assigned to headquarters battery of the 56th Artillery's 6th Battalion, entered the Army in August, 1966. He completed basic training at Ft. Jackson, S.C., and was last stationed at Ft. Bliss, Tex.

Straughn is a 1965 graduate of Christiana High School, and before entering the Army, was employed by the DuPont Co. in Wilmington.

Philadelpia Symphony To Open Artists Series

The Chamber Symphony of Philadelphia with Ansel Bruslow, conductor, will open the University of Delaware Artist Series next Thursday.

The series also features Harpichordist Ralph Kirkpatrick on Nov. 29; Thomas Paul, bass, Feb. 12; pianists Stecher and Horowitz, April 17; and the Clarion Woodwind Quintet, May 9.

1st Lt. James Gray, Jr. Fires Expert With 45

Army 1st Lt. James S. Gray, Jr., 24, whose father lives at 6 Korda Drive, Brookside, fired expert with 45 caliber pistol on Aug. 30, at Ft. Benning, Ga.

Expert rating is the highest mark a soldier can achieve on his weapons qualification test.

LT. Gray is traffic escort officer in the military police company. His wife Janet, who is with him at the fort, graduate in 1963 from Western Maryland College.

Local CAP Cadette Ruth Montgomery Wins Ride In Jet

Cadette-Maj. Ruth A. Montgomery of the Civil Air Patrol Cadet Squadron at Newark, recently was awarded a jet flight from Dover Air Force Base, as an outstanding cadet of the 1967 Delaware Wing encampment.

"Thank you, thank you, thank you for selecting me as one of the cadets to receive a P-3 ride! And still I'm excited," she giggles.

"First, I was fitted for helmet, oxygen mask, and parachute. Then was taught how to eject in case of an emergency. Finally I got in the plane and we took off."

"I had the controls for a long time and tried steep turns, rolls, and other maneuvers. It was an experience I'm sure I'll never forget. It was just... fabulous!"

"Now, even though I have my (private) license, I find it hard to believe that I can actually fly an airplane—all by myself! But flying is just great and I never would have gotten a start if I had not joined CAP."

"Thanks again from a dazed teenager..." Cadette Montgomery concluded in her letter to Dover AFB officials.

School Board President Albert H. Jones Explains Need For Referendum On Oct. 12

Albert H. Jones

The Newark Board of Education has called for a referendum to build a new high school, a new elementary school, and to purchase land and make plans for still another elementary school. The referendum has been scheduled for Thursday, Oct. 12, from 2 to 9 p.m. in all 10 of the district's elementary schools.

When asked the most basic reason for the referendum, President Albert H. Jones said: "The Newark special school district has doubled its pupil population every seven years since the close of World War II, and still they come!"

Jones continued that the 3,000 pupils enrolled in grades nine through 12 this year, will reach 6,000 by 1975.

"The public works department, which started with a single professional engineer, now includes four, and the department has been reorganized with a separate division to deal with storm water drainage."

"The county was beset for five years with drought—and now we have one with floods," he said. Department efforts include sanitary sewers, mosquito control, and drainage.

New Art Gallery To Open Tuesday At 64 E. Main St.

Suzanne Waller, Rochelle Levin To Operate Newark Gallery For Exhibitions

The Newark Gallery at 64 East Main Street, a new art gallery, will open to the public next Tuesday following a private Sunday showing.

The gallery, operated by Suzanne Waller and Rochelle Levin, plans are to have one-man and group shows by professional artists and craftsmen, including area artists.

The gallery will be available for tours and lectures by appointment, and will obtain upon request, works of art not currently exhibited.

Included in the opening exhibit are oils, watercolors and drawings by Julio Auna, Eugene Ludens, Theodora Kone, Dorothy Crumb, Santos Ramon Sanchez, Wynn Breslin, Charles Rowe, Thomas Wise, Gloria Albright, Dee Crowley, Ronald Reillo, Barbara Bollin, Cammie Voight and Rea Redford.

Exhibiting crafts, ceramics and jewelry will be Victor Spinski, Ira Crocker, Dorothy King and Joe Hill. Graphics will include works by Picasso, Chagall and Miro.

The gallery will be open Tuesday through Thursday from noon to 4:30 p.m. and from 10 to 4:30 p.m. on Friday and Saturday from 10 to 5 p.m. and on Sunday from 10 to 4:30 p.m.

National in scope—local in giving—that's the Needlework Guild of America, one of the country's oldest and most useful charitable organizations. The Hockessin branch is joining with branches in the other 35 states in requesting new members to enroll during National Membership Week starting next Monday and continuing through Oct. 7.

Annual dues in any branch are two or more new articles of clothing on household linens.

The local branch will hold its annual in-gathering of garments on Nov. 4, in Harmony Grange Hall. Mrs. Ralph Townsend, coordinator of Junior Work of Philadelphia, will be guest speaker.

All articles donated will be distributed to charitable institutions and to local needy cases. There were 3,012 articles collected in 1966.

For information concerning membership in the Hockessin branch, contact Mrs. Sara P. Evans, president or Mrs. John H. Dennison, secretary.

The Hockessin Fire Co. Auxiliary will serve a roast beef and creamed mushroom supper at the fire hall this Sunday from 1:30 to 5:30 p.m. Mrs. Betty Gregg is general chairman.

The Community Club of Hockessin began its fall program with a tea held Tuesday afternoon in the Lamborn Library clubroom for members and guests.

Hostesses were Mrs. Lawrence Eastburn, Mrs. Louis Tanzello, and Mrs. Gordon Southam. Mrs. Elmer Taylor is chairman of this group.

A luncheon at 12:30 p.m. next Wednesday will open fall activities for the Waverly Club at the home of the president, Mrs. Ernest Lomax, on Corner Ketch Road. Mrs. Henry C. Mitchell will be co-hostess.

Vacation memories will highlight roll call of members.

Limestone Presbyterian Church

The following new members were received into church last Sunday: Jack S. Carty, Mr. and Mrs. Carl Freeman, Mr. and Mrs. Fred A. Sherman, Jr., Mr. and Mrs. John H. Keenan, Jr., and Mrs. J. C. Leitch and daughter Elma Jean, Mr. and Mrs. Donald MacQueen, Donna S. Richey, Mr. and Mrs. V. Urban Stermale.

Worldwide Communion will be celebrated this Sunday at both services—9:30 and 11 a.m.

The executive board of the Women's Association will meet next Thursday at 9:30 a.m. at the home of Mrs. Walter Favinger in Meadowood.

Fall activities for the Womodaun Home Economics Club began last Tuesday with Mrs. Elmer Taylor, president, at her home in Hockessin.

Mrs. Joseph Eastburn and Mrs. Edwin Lynam were named leaders for the training class in hem-stitching. The club voted to serve refreshments for closed television programs at Wilmington High School on types of insurance on Nov. 9. Mrs. Bertha Gregg was named in charge.

A tour of old homes in Odessa was scheduled for Dec. 4. A trip also is being planned for this fall. The club will have a covered dish luncheon on Oct. 18, at the home of Mrs. Dale Seymour.

Union Grange held its booster night meeting last Wednesday preceded by a covered dish supper. State Overseer Norman Dempsey and Mrs. Dempsey were among the 50 present for this event.

Two playlets were given based on a Roman theme. Louis Dempsey, Gene Dempsey, Harold Dexter, and Daniel Harris gave "Androcles and the Bear."

Melvin Dempsey portrayed Caesar in the "Great Caesar" skit with Richard Buckingham, Mrs. Gene Dempsey, Jacob Grube, Mrs. G. M. Dempsey, and Mrs. Richard Buckingham as the cast.

Homecoming Day will be celebrated Oct. 22. Guest speaker will be the Rev. Paul E. McCoy, district superintendent.

"Golden Mike" Award Program Host And Producer

"Newark Schools on Parade" Host H. Nelson Freidly and Program Producer Philip A. Toman examine the communication informing them that the local radio program had been cited by the "Golden Mike" Awards Jury for excellence in radio broadcasting.

With U.S. Navy

Charles M. Gibb, Jr.

Seaman Recruit Charles M. Gibb, Jr., 18, son of Mr. and Mrs. Gibb of 1005 Dixon Drive, Newark, graduated recently from nine weeks of basic training at the Naval Training Center, Great Lakes, Ill.

His training was highlighted by participating in Mid-America's Salute to the Flag ceremonies at Soldier Field in Chicago. He was one of the more than 10,000 Navy men who formed a living flag in honor of all men and women who are, or have been, in the U.S. Armed Forces.

Robert Reis of Limestone is moderator; David Bleakney, vice-moderator; Marsha Hallman, secretary, and Sally Fisher, treasurer.

Committee have been appointed as follows: Judy Reis and Kristin Houchin, devotions; David Pashall and Janet Holm, recreation; Sue McGonigle and Druina Hulings, contact; Sandy Charles and Michael Salter, refreshments.

An exchange program with St. Mark's Methodist Church Senior MYF is planned for Oct. 15.

J. Harrison Walker, choirmaster and organist of St. Andrew's Episcopal Church, gave the first recital last Sunday evening on the new Moller organ which was dedicated last Sunday. The organ was a gift from William Henry du Pont.

Worldwide Communion will be observed this Sunday at 9:15 and 11 a.m., and new members will be received.

A preparatory service in the sanctuary for the entire membership will be held tomorrow at 8 p.m. A fellowship hour will follow.

The adult church school class will begin this Sunday. The study for this quarter will be the Book of Exodus.

Officers will be elected by the Junior High Fellowship this Sunday at 6:30 p.m.

The Women's Association will meet next Tuesday at noon at the church to elect officers for the next two years and hear a program on the national meeting at Purdue University given by Mrs. John Goyne who attended these sessions.

The Hockessin Friendship group was entertained by Mr. and Mrs. Robert Manell in Kennett Square last Saturday for a supper meeting.

A program on Travels in Europe was given by the host who visited several countries there last summer.

SCIENCE TEACHERS

The Delaware Teachers of Science will meet at the University of Delaware Marine Biology Lab on Cape Henlopen at Lewes, beginning at 9:30 a.m. this Saturday.

More than 100,000 men have been designated naval aviators at the U.S. Naval Air Station, Pensacola, Fla., since naval aviation began in 1914.

Beck's Pond Camp Opens New Season For Scout Leaders

Boy Scout Troop 285 of the Newark Methodist Church started their new year with a weekend camping trip at Beck's Pond for troop officers, who laid plans for another active year.

Attending were Scoutmaster Dave Rahn, Glenn Lomas, Allan Nichols, Dave Dennis, John Hannum, George Hawthorne, Bill Lovett and Tom Morion.

At the first regular meeting the troop enjoyed pictures of last June's canoe trip on the Wading River in New Jersey, and elected Allan Nichols as senior patrol leader.

Meetings are very Tuesday night at the church, and the troop would welcome new members who want to take part in a program built around camping and the outdoors, C. A. Kerby reports.

DIVORCE LOOK

Sheldon Schweidel, coordinator of mental health programs, State Department of Mental Health, will deliver the opening lecture in the 1967 SOS series "A Look at Divorce," at 8 p.m. next Monday in the auditorium of the YWCA, 908 King Street, Wilmington.

News of Bear

Mrs. J. Leslie Ford, Correspondent
Phone 328-6484

Earl Rosado of Glendale, Bear, is a patient in Wilmington General Division with a compound fracture of the leg after falling from a motorcycle.

Red Lion Ladies Aid Society met Wednesday evening at the home of Mrs. Dora Walther.

Mrs. Eleanor Niblett, a former resident of Red Lion, is a patient in Emily Bissell Home.

Mrs. L. J. Walker and Mrs. John R. Sheats have returned from the hospital to their homes, much improved.

Mrs. and Mrs. James McCoy of Clair Estates visited with Mrs. Ann Harrington on Sunday.

Alfred Fleming of Glendale spent Sunday with his daughter, Mrs. George R. Moore, Jr.

The Bear Home Economics Extension Club met recently at the home of Mrs. Holly Dianich. Mrs. Pierce Fox presided in the absence of Mrs. Edward N. Baldwin, whose mother-in-law died in Vermont.

The roll call and minutes were read by Mrs. Charles Moore, secretary.

Committee chairmen were announced with Mrs. Martha Brennan in charge of citizenship; Mrs. Mil-

"Roots of Violence" Topic For Unitarians On Sunday

The Unitarian-Universalist Fellowship of Newark will have the Rev. William R. Moore speak on "Roots of Violence in America," this Sunday at 10:30 a.m.

Mr. Moore received his theology degree from Crane Theological School, Tufts University, and recently he served as a member of the national committee to abolish federal death penalty.

He was a chaplain for seven years in a state correctional institute, and coordinator of the Maryland Council for Abolition of Capital Punishment. The Fellowship invites the public to hear the Rev. Moore at 420 Willis Road.

WSSC CONFERENCE

The Conference Day Apart of the Woman's Society of Christian Service of the Peninsula Annual Conference will be held on Oct. 5, at St. Paul's Methodist Church, Odessa. "Bless Us Lord" will be the theme of the day's program which begins at 10 a.m. and concludes at 2:45 p.m.

World War II Vet Edw. Sniadowski Dies At Age Of 45

Edward F. Sniadowski, 45, of Rev. Road near Newark died Friday in Delaware Division after a short illness.

Born in Wilmington, he graduated from Salesianum School, and was an industrial engineer for Chrysler Corp. at Newark.

A member of St. John's-Holy Angels Catholic Church, New Forum Park Road, Mr. Sniadowski was an Army veteran of World War II.

Surviving are his widow, Mrs. Francis Callahan Sniadowski, three sons, Edward F., Jr., Donald and Andrew, all at home; a daughter, Linda A., at home; a brother, John, of Wilmington; half-brother Anthony of Elkton, Md.; two sisters, Mrs. Irene Swing of Townsend's Inlet, N.J., and Miss Stella Sniadowski of Wilmington; and a half-sister, Mrs. Charlotte Sherrill of Baltimore.

Solemn requiem mass was offered Tuesday morning at St. John's-Holy Angels Church, with interment in All Saints Cemetery.

Michael Bishop Succumbs At 94

Michael Bishop, 94, formerly of 211 Cloverleaf Road, Newark, died Monday night in Delaware Division.

Mr. Bishop was born in Chicago and came here two years ago to live with his son and sole immediate survivor, Wilbur J. Bishop.

He had been in Brandwine Springs Nursing and Convalescent Home for three months, and entered the hospital for surgery last Thursday.

The son moved last week to 2847 Drayton Drive, Heritage Park. Mr. Bishop was a machinist. His wife, Mrs. Catherine Bishop, died in 1957.

Requiem mass was offered in St. Matthias Catholic Church, Chicago, with interment in St. Joseph's Cemetery there.

Julia K. Kershaw Dies At Residence

Mrs. Julia K. Kershaw, 70, of 3 Great Mill Lane, Old Mill Manor near Newark, died Sept. 17, at her home after a short illness.

Widow of William J. Kershaw, who died in 1962, she was a member of Mt. Salem Methodist Church.

Surviving are a son, William J. Jr., of Dover; a daughter, Mrs. Joseph McGroarty with whom she made her home, five grandchildren; two brothers, Alfred, of Wilmington, and Roland King of Glen Burnie, Md., and five sisters—Mrs. Thomas Bradley of Chester, Pa.; Mrs. Earl Lockwood of Earleville, Md.; Mrs. Edith Denny and Mrs. Dolly Bristow of Newark, and Mrs. George Davis of Chambersburg, Pa.

Services were conducted Wednesday afternoon at the McCrory Funeral Home, Wilmington, with interment in Riverview Cemetery.

Patricia Siemen Employed In DuPont Plastics Dept.
Patricia J. Siemen recently joined the plastics department at the research and development division of the DuPont Co. at the Experimental Station, Wilmington.

Miss Siemen, daughter of Mr. and Mrs. Robert F. Siemen of Newark, attended the University of Delaware where she received her bachelor's degree in mathematics last June.

A member of Phi Beta Kappa and Phi Kappa Phi honor societies, and Mortar Board, she held a DuPont summer scholarship and teaching assistantship.

"I need a job, Senator," insisted the voter from the lawmaker's home town.

The Senator thought for a moment. "There aren't any jobs available. But I'll get up a committee to investigate why there aren't any jobs. And you can head that committee," he said.

Brown Succeeds Perkins

As Director For DP&I
Delmarva Power & Light Co. directors last Friday elected Werner C. Brown to fill the board vacancy with resignation of Dr. John A. Perkins, former president of the University of Delaware, who was elected president of Duke University in New York City.

Brown, vice-president of Hercules, Inc., is a resident of Greenville, Del. He joined Hercules in 1942 as a chemist at the Research Center near Wilmington upon receiving his AB in chemistry from Duke University.

BENEFIT CARD PARTY
A benefit dessert and card party will be given at the All-Star Rehabilitation Center of the Hospital for the Mentally Retarded at Stockley on Oct. 26, at 12:30 p.m. The party is sponsored by the Women's Auxiliary of the Hospital for the Mentally Retarded. Tickets will be available after Oct. 5, from members of the auxiliary.

PUBLIC SALE OF VALUABLE MERCHANDISE
This is to serve as public notice that there will be a public sale of a 1967 Ford Mustang hardtop on the premises of Wilmington Industrial Park, E. 7th St., Building No. 1, W. 1st, Del. at 9:30 a.m., Friday, October 6, 1967.

This automobile is being sold to satisfy a lien obtained by way of a conditional sale contract which has been assigned to the Farmers Bank of the State of Delaware, and who is the holder thereof.

It is being sold to satisfy the said contract and the said conditional sale contract against James W. Glend, Terms: Cash.

VOX POP!...ALSO MOM AND THE KIDS!

UNIFORM HOLIDAYS

The idea of uniform Monday holidays is drawing rather widespread support, for many people feel that the innovation would be beneficial to employers, employees, and the public generally.

Senate Bill 1217 provides that Memorial Day would be observed on the last Monday in May; Independence Day on the first Monday in July; Veterans Day on the last Monday in October; and Thanksgiving Day on the fourth Monday in November.

In addition, Washington's Birthday would be designated as "President's Day" and fall on the third Monday in February.

LETTERS TO THE EDITOR

Sept. 28, 1967

We are deeply grateful for the efforts of volunteer firemen who saved our home this morning when the barn close beside the house was destroyed by fire.

These dedicated men worked hard and well to prevent spread of the blaze to our home and nearby garage and shed, and through their skill and hard work the fire was confined to the barn. We could have lost everything.

Again, thanks to each of the men who protected our property.

Gratefully,
Elizabeth and Bill Durham

William N. Swan Dies At Age Of 75

William N. Swan, 75, died Sept. 20, at his home, 44 Thompson Circle, Newark, after a long illness.

Born in St. Georges, he lived there and in Newark all his life. He worked 19 years for the Budd Co. polychemicals division in Newark, and was a house painter.

Surviving are his wife, Mrs. Grace J. Swan; a daughter, Mrs. Alice Johnson, Wilmington; two sons, William I. Newark; and Richard T. Lendenberg, Pa.; two stepsons, Ralph L. Smith, Corner Ketch, and John D. Smith, Maplecrest, and nine grandchildren.

Services were conducted Saturday morning at the Robert T. Jones & Son Funeral Home, Newark, with interment in St. Georges Cemetery.

Ronald Hudson Graduates At Bos'n Mate's School

Seaman Apprentice Ronald J. Hudson, USCGR, husband of the former Miss Valnor D. Weiss of 146 Rockrose Drive, Newark, graduated recently from Boatman's Mate School at the U.S. Coast Guard Reserve Training Center, Yorktown, Va.

A member of the Coast Guard Reserve, he attended the two-week school for active duty training.

While at school, he studied line handling, knots, canvas work, boat compasses, log-writing, firing the .45 cal. pistol, cargo handling, and operating 40-ft. utility boats.

Alan Robertson Attends Gray School Of Medicine

WINSTON-SALEM, N.C. — Alan G. Robertson of Newark is enrolled as a first-year student at the Bowman Gray School of Medicine.

He is the son of Mr. and Mrs. Malcolm S. Robertson, 104 Hullihen Court, Newark.

A 1964 graduate of Hope College, he received his MA degree from Western Michigan University in 1966, and his MS from Rutgers last June.

Superintendent Of Schools

Dr. George V. Kirk

District School Department Heads Reported By Kirk

Newark Superintendent of Schools, Dr. George V. Kirk has announced district coordinators and department chairmen for secondary schools.

District coordinators are Mrs. Doris Patonovic, art; Mrs. Mildred E. Shields, English; William H. Bohning, foreign languages; Mrs. Kathryn M. Andrews, home economics; Anthony J. Cottone, industrial arts; Patrick O'Donnell, libraries; F. Neil Walz, mathematics; Harley S. Hastings, music; Roman A. Ciesinski, physical education; Jack C. Hallman, reading; Mrs. Catherine V. Bonner, science; and James B. Owen, social studies.

Within the secondary schools, chairmen are—Christiana High: Elinor J. Short, business education; Harry F. Cooper, English; Francis J. Fierro, foreign languages; Edwin J. Bearor, industrial arts; Mrs. Wilma J. Chambers, mathematics; L. Jerome Behrberg, music; Robert J. Turnberger, physical education; Paul D. Harding, science; and William P. Vannan, social studies.

Newark High School subject matter chairmen are—Mrs. Mary Hynson, English; Mrs. Margaret P. Farny, foreign languages; Anthony J. Cottone, industrial arts; George A. Hart, mathematics; Jon Woods, music; Kathryn I. Lutz, physical education; Richard C. Musselman, science; and Frank J. Osborne, social studies.

Chairmen at Central Junior High are—Edwin J. Hughes, business education; Judith K. Cassel, English; Mrs. LaVerne M. Kleckner, foreign languages; Elsworth L. Hoffman, industrial arts; Mrs. Beatrice J. Walls, math; Robert T. McAlpine, music; Charles C. Griffith, physical education; Robert E. Rice, science; and Donald E. Hynson, social studies.

At Christiana Junior High, Richard J. Krempsky is chairman, industrial arts; Mrs. Beatrice J. Walls, math; Robert T. McAlpine, music; Charles C. Griffith, physical education; Robert E. Rice, science; and Donald E. Hynson, social studies.

Ogletown Junior High chairmen are Michael D'Amico, English; Mrs. Agnes F. Smith, math; John H. Strein, science; and William A. Keeney, social studies.

Wilmington E. Shue School chairmen are William L. Maurer, business; Mrs. Nancy W. Powell, English; Mrs. Carol A. Cantwell, foreign languages; Daniel S. Magnotti, industrial arts; Howard R. Smith, math; Philip H. Taylor, music; William E. Horney, physical education; Susan C. Renshaw, science; and Robert J. Sokol, social studies.

Program Offered At U.D. For Construction Worker

In the second step of a three-phase program to provide education opportunities for workers in construction, the General Building Contractors of Delaware through the Industry Advancement Program is sponsoring the Technical and Business Services (TABS) course with the University of Delaware coordinating sessions.

The series for this year begins with concrete formwork on Oct. 2 and is designed for foremen and superintendents.

Classes on Mondays and Wednesday evenings will be limited to 35 students, and 37 evenings will be spent in each class lasting two hours.

CITY OF NEWARK Delaware COUNCIL

Public Hearing NOTICE

October 9, 1967 — 8:00 P.M.

Pursuant to Section 402.2 of the City Charter, Notice is hereby given of a Public Hearing at the Regular Meeting of the Council Chambers, Academy Building, Main and Academy Streets, Newark, Delaware, Monday, October 9, 1967, at 8:00 P.M., E.D.T., at which time the Council will consider for Final Action and Passage the following proposed ordinances:

1. AN ORDINANCE REGULATING CIRCUSES, CARNIVALS AND TEMPORARY STRUCTURES FOR PUBLIC ASSEMBLAGES.
2. AN ORDINANCE REGULATING PARKING ON ACADEMY STREET AND AUTHORIZING THE INSTALLATION OF STOP SIGNS AT CERTAIN LOCATIONS.
3. AN ORDINANCE AMENDING CHAPTER XIV, PART I, NEWARK CODE OF ORDINANCES BY LIMITING THE PARKING AREAS FOR MOTORCYCLES.
4. AN ORDINANCE AMENDING CHAPTER XIV, NEWARK CODE OF ORDINANCES BY PROHIBITING CERTAIN TYPES OF NOISE ON ANY PROPERTY IN THE CITY OF NEWARK.

Charles D. Long
Secretary of the Council
of the City of Newark

Sept. 28, Oct. 5

City Council

(Continued from Page 1)

"When the agreement is vague as it is," England said, "then it leaves the door open. Vagueness, if any, will endure to the benefit of Hearn." England said that without remission of assessment, "the other alternative is to let Hearn go into litigation."

Deferred Assessment

Assessment of the Gray property at the corner of Chestnut Hill Road and South College Avenue in connection with extension of the utilities lines to the Hearn property, was deferred pending use of the new lines in a 6-1 vote with Thomas dissenting.

Assessment for a vacant lot in the area was deferred in a 7-0 vote. "I am of the opinion that the collector is correct in his assessment," Councilman Frank J. Osborne, Jr., said of the situation. "I think it unwise to proceed further. I feel the city has an obligation to waive sewer and water assessment to the Hearn Brothers property," Osborne concluded.

"I would like to second that motion," the mayor said, "if permissible," and Councilman Mayer said "I will second it."

"How can you waive Hearn's assessment and defer others?" Doehert asked. And the waiving of assessment against the Hearn Bros. property was lost in a 3-4 vote with Mayor Handloff, Mayer, and Osborne supporting the proposal.

Documentary

"I would like to borrow your library card," City Manager Stiff said after Councilman William M. Coverdale's presentation of documentary evidence dating back to April, 1951, concerning city responsibility for payment of streets and utility provision with the annexation of Lumbrook by referendum.

Assessment of the Timko property with the paving of Woodland Avenue not included on the June, 1955 map of existing streets has been protested.

"I did not vote to exclude Lumbrook," Coverdale said of street improvements to be provided by the city with annexation, citing such exclusion as "political suicide" with Lumbrook in his council district.

Concerning city responsibility for costs of street paving and utilities, England said that council had "tried to cut the thing off in June, 1955," with a map of existing streets, and suggested it "wise to stay with that." "Why drop Hearn's because of vagueness?" Coverdale responded, referring to the solicitor's comment on the agreement, and proposal to waive assessments against that property.

Coverdale's documentary evidence concerning the Timko property is to be distributed for study, with council action scheduled for the Oct. 9, meeting.

Alderman's Action

Concerning report on the alderman's dismissal of 13 criminal cases, Coverdale said that five of these dismissals remain "puzzling to me" and Stiff is to present clarification.

England is to report on Francis M. Sullivan's complaint of failure by the board of adjustment to no-

Newark Symphony Orchestra Rehearsal

Down-beat on the 1967-68 season of the Newark Symphony Orchestra is given by Director Harley S. Hastings in the first rehearsal of the season.

The orchestra rehearses every Tuesday evening from 7 to 9 in the Newark High School Band Room on East Delaware Avenue.

This year, the symphony's third, three formal concerts and four radio broadcasts are planned.

Call what he said in rejecting the request," England said in reviewing the parking authority's loan application with the bank. A time limit for the city loan is to be negotiated, with Stiff's observation that such limit is considered to be "24 months after the first parking facility is in operation."

Concerning additional school crossing guards, Stiff said "the county has funds available—all they need is certification," but pointed out that such requests for county funds may weaken the city's bargaining position for next year's budget.

The school district has not certified the need for county guard provision, it was stated, believing that "the city is obligated to provide crossing guard." And Stiff said that Newark police had been assigned such emergency duty on a temporary basis.

Children's Safety
Urging county assistance, Doehert

Theatre Artists From Philadelphia To Aid At Schools

Five persons from Philadelphia's Theatre of the Living Arts will visit Christiana and Newark high schools next month as artists-in-residence.

Through arrangements just completed by the Performing Arts Project, two actresses, two actors, and one technical person will reside in the Newark area, Oct. 2-20, available to interested teachers in theatre.

They will work with high school teachers of English, history, music, art, languages—nearly any subject—who would like to focus one or more lessons around a dramatic presentation or interpretation.

Other plans for the three-week residency include the artists conducting workshops for teachers and students; holding open rehearsals for a play; providing assembly programs; and aiding drama teachers with play rehearsals.

These activities will be during and after school hours.

The artists also will be available to any community groups wishing to take advantage of their knowledge in professional theatre. Those interested in an informal discussion of theatre are invited to meet next Monday at 8 p.m. in Christiana High School. With sufficient interest, discussions will be scheduled for Wednesday evenings.

Call Mrs. Frances M. Patonovic at Christiana High School for information.

Mrs. Behnke To Address African Violet Society

The Delaware African Violet Society will meet Tuesday, Oct. 10, at Hanover Presbyterian Church, Wilmington, at 8 p.m., when Mrs. Wallace Behnke will speak on culture, growth and grooming of African violets.

A bus trip to the gardens of Hill, Pa., growers of African violets is scheduled on Saturday, Oct. 21, at 9 a.m.

Call Mrs. William Maltman for reservations. The public is invited. Mrs. Frank H. Hanby advises.

said that it was a "matter of safety of children, and just because the school board has not acted, let's not delay. Get police protection while we can."

Stiff said that he was "in favor of all the police protection we can get—but it may jeopardize our position for lower county taxes."

Doehert cited the need for crossing guards at North College and Cleveland avenues, and Osborne, at the intersections of Bent and Lafayette with Casho Mill Road.

New Castle County Councilman Henry R. Folsom, Jr., of Newark, submitted copies of a county ordinance approved Sept. 11, for county provision of school crossing guards after school district approval.

Newark police are to perform temporary duty at school crossings pending county and school district assistance.

Bill Conner

(Continued from Page 1)

Conner reported "real progress" in strengthening county police. The International Association of Chiefs of Police has assisted in recruiting, training and organizing the county force, and of 145 applicants for recent examinations, 100 were invited to take the test; 86 responded; 36 qualified; and 12 were selected and are being trained in the Wilmington Police School, he concluded.

The park and recreation program had been "greatly expanded" this summer, the county executive continued, with school facilities and matching funds of local civic organizations.

Plans were underway, he said for development of Del Castle Farms as a municipal golf course with \$200,000 in federal aid, and council is considering the \$200,000 mapping of the county for a general reassessment.

The planning department is surveying civil defense facilities, Conner said, and is responsible for the budget, census, land development, licensing, and building, craft, safety, and housing codes.

The county transportation board with Dick Andrews as chief administrative officer, Conner pointed out, is responsible for the Greater Wilmington Airport, and contemplates lengthening runways, and seeking industrial development of "non-landing areas at the airport."

"The public transportation system in New Castle County is on very shaky ground," Conner said, but cited cooperation between the county and City of Wilmington, with the transportation survey conducted by the consulting firm of Day and Zimmerman, whose report is due early in October.

Conner said that the county welfare program comprised \$2,000,000 or 20 per cent of the budget, and concerning the county role in air pollution measures, said "I visualize a subsidiary role."

Cockerham Promoted With Cavalry In Vietnam

William H. Cockerham, 20, son of Coy H. Cockerham, 12 Cassandra Road, Glendale, Newark, was promoted to Army Spec. IV on Aug. 22, while serving with the 1st Cavalry Division in Vietnam.

A helicopter repairman in Co. C of the division's 15th transportation battalion at Camp Radcliff, Cockerham entered active duty last October, and was stationed at Ft. Rucker, Ala., prior of his arrival in Vietnam last April.

The city manager is to investigate acquisition of 522-acres at the intersection of Kells Avenue and Manuel Street for municipal parkland; and the sidewalk program is to be discussed next Monday night after consideration of the parks and recreation capital budget.

Last Monday's meeting was extended from the 10:30 deadline with a 4-2 vote in the absence of Coverdale and over protest of Mayer and Thomas, to complete the agenda. Adjournment was at 10:50 p.m.

Delaware Faces Villanova This Saturday After Rhode Island Wins 28-17 Opener

After a 28-17 opening loss last Saturday, Delaware Football Coach Tubby Raymond took a positive approach to his team's performance after viewing movies of the Rhode Island game.

Delaware led 7-0 after the first quarter when Lazarski drove one yard for a touchdown and Jeff Lippincott kicked the extra point.

Rhode Island tied the score in the second period on Caswell's 18-yard touchdown pass to Kaufman, followed by Bjerke's kick, and then the Hens moved out for a 17-14 half-time lead with Hallback Brian Wright taking Linzenbold's touchdown pass for nine yards. Lippincott kicking the conversion, and then adding a field goal from 30 yards out after Rhode Island tallied their second TD on Kaufman's two-yard run and Bjerke kicked his second extra point.

After a scoreless third quarter, Rhode Island rolled to a two-touchdown advantage with Geiselman taking Caswell's pass for a 43-yard score; Bjerke driving one-yard for another, and kicking both conversions. "Obviously, we didn't play as well as we hoped," the Hens' second-year coach noted. "But there were some good individual performances. Bill Laughlin, Frank Linzenbold and John Miller had good days." Laughlin, the Blue Hens' middle linebacker, made a number of fine tackles and batted down two passes. The junior from Pittsburgh, Pa., was a key man in the Hens' rushing defense which limited Rhode Island to 120 yards.

Linzenbold, a senior quarterback from Roeboling, N.J., had a good day with 14 completions in 25 passing attempts for 136 yards and a touchdown. He added 28 yards rushing in five carries.

Miller, who was switched to fullback from his normal defensive end position just one week before the game when an injury sidelined John Spangler, gained 92 yards in 20 carries and was named to the weekly All-ECAC team for his performance.

"John did a fine job," Raymond said. "He ran well for us all day. Naturally, we missed not having him full-time on defense."

Raymond and the rest of the Hens coaching staff were also pleased with performances of several of the sophomores.

"Keller and Joe Purzycki played as well as we expected," the Hens mentor said, "and John Favero showed signs that he will be able to help us this year."

Keller and Purzycki are sophomore defensive backs who got their first taste of varsity battle against the Rams.

"We moved the ball fairly well, but we did not come up with the big block or the big play at the right time," Raymond said. "Overall we were not too pleased with the offensive line."

The Hens gained 257 yards rushing and 136 through the air, but were stopped six times in short-yardage situations.

The Hens meet Villanova at Delaware Stadium this Saturday at 2 p.m.

Frosh Coach Billy Hails Dick Kelley As Offensive Back

Newark's All-State Halfback Dick Kelley was cited by Delaware Freshman Football Coach Paul Billy as "our best offensive back" at the season's first luncheon meeting of the Newark Touchdown Club last Monday at the Horseless Carriage Restaurant.

As Monday's guest speaker for the Newark Touchdown Club, Billy pointed out that Kelley caught a pair of touchdowns passes thrown by Glen Davis of Old Bridge, N.J., in recent scrimmage against the Delaware varsity. "He has surprising good hands," Billy said of the former Yellowjacket broken field runner.

"The Blue Chicks' coach expressed pleasure with the performance of two other Newark freshmen football players — Conway Hayman — "who hits hard and is quick for his size," and Christiana's Roger Hunt as "small for an end, but a good, hard boy."

Billy pointed out that former Middletown Quarterback Sonny Merkel is ineligible this season after attending classes at West Point, but is working with "the demonstration squad" after enrolling this fall at Delaware.

Concerning the Delaware-Rhode Island game of last Saturday, Billy said "the third and one situation was the difference. They made it and we didn't."

He also cited Rhode Island's passing effectiveness with "predetermined receivers" permitting the quarterback to pitch promptly.

To a question on why Delaware employed a certain ineffective play in a critical situation, Billy said "I didn't want to approach Coach Raymond on that."

Of the pending game with Villanova this Saturday, Billy said the Wildcats are "about the best team I have ever seen on returning punts," and that the Philadelphia "has 'stormed' in a second half rally last week after trailing Boston College 24-7, to lose 27-24 on a last minute field goal."

Bob Pilnick is president of the Newark Touchdown Club; Bill Vaughn is vice-president; Roy Walton, treasurer; and Mike Sestini, secretary. Dad last Monday—Marty Van Hook is secretary; and Bill Murray, program chairman.

All interested men are invited to attend next Monday's noon luncheon meeting—same place—and to join the club.

Fullback John Miller Wins All-East Team Selection

Delaware Fullback John Miller has been picked on the first weekly Eastern College Athletic Conference All-East Division II football team for his play against Rhode Island.

A senior from Westmont, N.J., Miller gained 92 yards in 20 carries in the Blue Hens' 28-17 loss to the Rams last Saturday.

Miller, who usually plays defensive end only, was switched to fullback because of an injury to John Spangler. He also played defensively at end.

First fishing trip for more than a quarter-century.

Mrs. McDowell proved to be the fishing champion of the morning—and Michele the fried fish eating champ who ate them hot and crisp and fresh from the pan for lunch.

The Newark Post, Newark, Delaware, Thursday, September 28, 1967

Kelso Bound For International Horse Show

Mrs. Richard C. du Pont's Kelso, world's leading money-winning thoroughbred with earnings of \$1,977,898, will appear in a jumping and dressage exhibition at the 9th Washington International Horse Show at the D.C. Armory as a special highlight of the seven-day show opening Monday, Oct. 23.

Kelso, five-time "Horse-of-the-Year," who will be making his first indoor jumping and dressage exhibition at the International, is shown with his rider, Liana du Pont, daughter of the owner, who was a member of the crack U.S. equestrian team in the 1964 Olympic Games in Tokyo.

Conrad Spoils Coach Sam Dixon's Debut As Viking Mentor With 28-0 Opening Win

Sam Dixon's debut as new head football coach for Christiana High School was marred last Saturday at Woodcrest as conference-contender Conrad rolled to a 28-0 victory over the visiting Vikings.

Christiana threatened in the third quarter, penetrating to Redneck's three yard line where the Conrad defense held.

The Redskins tallied twice in the opening period as Bob Riley ran over from the two-yard line after Fullback Bob Scott had set up the score with a 47-yard jaunt and Clarence had scored on a three-yard run.

The Conrad defense limited the Vikings to two first downs in the first half.

The Redskins offense took over with two more TDs in the final period.

Dick Fulton's Three TDs Pace Wesley 47-0 Win

Dick Fulton, Newark High School's state scoring champion and All-State halfback in 1966, tallied three touchdowns and gained 149 yards rushing last Saturday in leading Wesley College to a 47-0 win over Dean Junior College at Franklin, Mass.

Fulton scored on runs of nine, five, and 17 yards for Wesley's Wolf-Verine touchdowns.

Reunion Slated For Hen, Cat Stars In Saturday Game

This Saturday's Delaware-Villanova game at 2 p.m. in Delaware Stadium will be a second annual reunion for one of the outstanding players on each team.

Delaware Middle Linebacker Bill Laughlin and Villanova Halfback Frank Boal were teammates on the 1964 Pittsburgh (Pa.) Central Catholic High School team that went undefeated and won the Catholic League championship. Boal was the leading rusher and scorer and Laughlin was the captain.

"We have been friends since grade school," Laughlin says. "It seemed strange playing against Pudgy (Boal) last year, but I am looking forward to it again."

Boal, a 5-9 and 175-pound speedster, leads the Wildcats in nearly every statistical department. He has gained 106 yards rushing; caught eight passes for 99 yards; returned nine kickoffs 220 yards; and punted for a 35.7-yard average.

"Boal is the key man in Villanova's excellent running game," Blue Hen Coach Tubby Raymond says, "but they have two other fine running quarterbacks in Bill Andrejko and John Sodaski. They have also put together a good passing attack and they will put a great deal of pressure on our defense."

Boal is probably the biggest breakthrough threat the Wildcats have. He has good speed and is a shifty runner. He gained 56 yards rushing against Delaware in the Cats' 16-14 victory last year and caught a 30-yard pass that helped set up Villanova's first touchdown.

Murray, the fullback and co-captain, gives Villanova a good inside threat to balance Boal's outside efforts. He has gained 95 yards in 22 carries and has caught four passes for 40 yards.

Walk, a 175-pound sophomore, has picked up 43 yards rushing and has pulled down five passes for 53 yards.

Quarterback Andrejko, who missed last year with an injury, has been hitting better than 50 per cent of his passes with 29 completions in 53 attempts for 347 yards and a touchdown.

Sodaski, a regular defensive back, has hit three of six passes for 20 yards and a touchdown as the back-up quarterback.

"They can attack in a great variety of ways," Raymond notes, "and they seemed to find themselves in the second half of their game with Boston College last week."

Trailing 24-7, Villanova fought back to tie the game at 24-24 before losing on a last-minute field goal.

"Don't let Villanova's 0-3 record fool you," Raymond warns. "They put things together in the second half last week and they are a good football team. In addition, they are further along in their season, having played three games to our one."

The Blue Hens dropped a 28-17 decision to Rhode Island in their opening last week.

Ed Beer, Bill Brown Win Babonia Sailing Title

Two Newark skippers won the Flying Junior and Sunfish class championships last weekend in the sailing regatta on the Bohemia River.

Ed Berg and Bill Brown are the local sailing champions.

Pedro Swann Scores 2 TDs, Tucker, One As Hoffman's Champs Defeat Lions 20-0

Junior Halfback Pedro Swann scored two touchdowns, and Quarterback Bob Tucker scored another as Coach Bob Hoffman's Yellowjacket conference champions walloped a tough squad of Lions at the Delaware Stadium last Saturday afternoon.

End Gary Hayman kicked a pair of extra points.

Swann slipped into the DeLaWarr end zone for a first period touchdown, but the Lions held the Blue

Hen Conference champions scoreless through the second period for a 6-0 halftime count.

In the third quarter, Tucker scored from one-yard out on a quarterback sneak, and Hayman's kick was good for a 13-0 lead.

And in the final frame, Swann caught Tucker's pass for a touchdown play covering nine yards.

Other Yellowjackets in action last Saturday against DeLaWarr include Co-Captains Bill Fletcher and Bob Russell at fullback-linebacker, and guards Halback Dan Winkler, Bradley Lane, and Keith Green.

Ends Keith Walker, George Toulson, and Eddie Davis; Tackles Gerry McCormick, Barry and Lee Hesselton, Bob Dean and Larry Smith; Guards Tom McDonald and Grier Murray; and Center Tom Bratton.

Newark plays at home this Saturday with a 10:30 a.m. kickoff against Mt. Pleasant.

The Knights of Mt. Pleasant lost a 28-19 opener to P. S. du Pont last Saturday.

Local Residents Win At Fair Hill With Horse Show

Newark residents won prizes at the Cecil County Breeders' Fair Horse Show at Fair Hill, Md., on Sept. 15.

Ralph Vannoy's Snow Girl won second place as local brood mare, and Snow Girl with Snow Ball won first place for mare with foal.

Mary Linda Vannoy won first place with her yearling Osborne Dale.

Karen Caddell won fourth place with Viking Vix in the class for three and four-year-olds; and Ruth Morrison won third place with My Fair Lady in working hunter outside course competition.

Peggy Leahy won fourth place with Sam in the local working hunter class over the outside course.

Jill McIntosh and Bryan McGinnis won third and fifth place prizes in Fair Hill and Delaware pony club classes.

Christine Leahy won fourth with Lady Lux in local pleasure horse competition, and Sharon Tyler with Jimmy Copper won third in the child's western horse or pony class, William H. Murray reports.

Mrs. Marvin Barrett Wins Newark Country Club Golf

Mrs. Marvin Barrett won the stroke handicap golf event in Ladies Day play last Tuesday at the Newark Country Club.

Mrs. John N. McDowell won second place honors, and Mrs. Paul Westly, third.

Match chairman for the day was Mrs. Martin Van Hook.

Larry Pratt's Hen Harriers To Open Against Lafayette

Delaware's cross country team opens the season at home next Wednesday, with Coach Larry Pratt's Hen Harriers entertaining the Lafayette Leopards varsity and frosh over the Polly Drummond Hill course at 4 p.m.

Pratt's distance runners compiled a 5-4 record in 1966, taking seventh place in the MAC university division meet.

Newark Notes
by **GIBBY YOUNG**
THREE HOME GAMES
Coach Bob Hoffman's Yellowjackets entertain Mt. Pleasant at 10:30 a.m. Coach Sam Dixon's Christiana Vikings face Wilmington High at 1:30; and Coach Tubby Raymond's Fighting Blue Hens meet Villanova at Delaware Stadium at 2 p.m. this Saturday in a solid Saturday of football for Newark fans. Another good reason why Newark is a good place to live, is its stellar sports program!
And your friends at H. G. Young Associates will be glad to talk with you concerning a home in Newark.
