

## CHRYSLER WILL UNVEIL T-48 TANK JULY 1

### Work On Capitol Trail School Scheduled To Start Next Week

\$444,477 Contract For Construction Awarded To Wilmington Contracting Firm At Meeting Of District Board This Week; Building Scheduled For Completion In August, 1953

Work on the proposed E. Frances Medill School to be built on Capitol Trail is scheduled to be started next week.

The contract for the building of the new elementary school was awarded this week to The Rupert Construction Company of Wilmington at a meeting of the board of the Newark Special School District.

Rupert's bid of \$444,477 was lowest of four submitted. Other bids which submitted bids were: Ernest D. Sabatino and Sons, Inc., \$458,400; Shepherd and Company, Inc., \$477,795; and John E. Healy and Sons, Inc., \$490,000.

The one-story 12-classroom structure will be built on an 18-acre plot located on Red Mill Road, just off the Capitol Trail.

Present plans call for the building to be completed in August of 1953.

Barber Wilmer E. Shue, district superintendent, had announced that officials of Brookside Park, proposed school development just outside of Newark, had offered a 10-acre plot of ground within the development as building site for a new elementary school there.

According to Mr. Shue, school officials are seeking still another site which to erect another elementary school building within the city limits. School officials point out that if it is possible to find the site in the city, it will be necessary to look out for the children should not be sent far from their homes to attend school.

"As far as possible," says Mr. Shue, "it is our policy to locate the elementary school in sections of the district where they are needed."

In a highly probable, school officials had half-day sessions are a certainty next year in the elementary schools due to crowded conditions.

A definite decision can be made at that time, they continued, until it is seen how many new pupils will enter the elementary grades for next year. The only other solution to the problem of space is to reopen the Delaware Avenue building which is in need of extensive repairs that school officials have just about ruled out as a possibility.

### Leonard A. Rhodes Killed In Highway Crash Last Week

Victim Is Former Resident Of Newark And Father Of County Workhouse Official

Leonard A. Rhodes, 32, of Brandywine Springs and formerly a resident of Newark, was killed last Thursday in a head-on collision on Kirkwood Highway at Limestone Road.

The victim's son, W. Paul Rhodes, is warden at the New Castle County Workhouse.

According to state police, the accident occurred when Mr. Rhodes, who was driving north on the highway, attempted to make a left turn at the intersection at the same time a car driven by Raymond D. Knox, 30, of 20 E. Holland Avenue, Newark, entered the intersection. Both vehicles were involved and Knox, although badly injured, was found to be uninjured when examined at the hospital.

In addition to Chief Deputy Warden Rhodes, Mr. Rhodes is survived by his son, Joseph A. Rhodes, Philadelphia; a sister, Ella May Rhodes, Newark; four grandchildren, and one great-grandchild.

Funeral services were held at the T. Jones Funeral Home on Monday afternoon in Old Drawers Cemetery.

### Morris Morrison Is Elected By VFW

Member Of Post 475 Named Judge Advocate Last Week

Curis Morrison of Newark's Post 475 was elected judge advocate to the Department, Veterans of Foreign Wars, at the annual state convention held in Lewes over the weekend. This is the first time in several years that a member of the post has held state department position.

In addition to Mr. Morrison, those elected to the post were: Commander Robert McCormick, Raymond Edmonson, Ed Edmonson, Frank J. Henderson, Ed Saucerman, Robert Reynolds, Wallace Edmonson, Robert Kelly, Douglas Robinson, Robert Murray, Woodrow Beck, and Fred...

### Former Graduate Joins University Military Staff

Lt. Col. Bernard Isaac Greenberg, of 300 N. 27th Street, Wilmington, has been assigned to the staff of the Military Department of the University of Delaware as assistant professor of military science and tactics. Colonel Greenberg has assumed his new duties.

Colonel Greenberg is a former student at Delaware and graduated as a member of the class of 1937. Colonel and Mrs. Greenberg have two daughters Susan Ann and Beverly Ruth.

### Traffic Situation Worries Residents Of East Park Place

Petition Signed By Residents Of Area Requests Council To Take Steps In Matter

At last week's meeting of Newark City Council, Councilman Sam Diehl presented to the body a petition signed by more than 50 families of the East Park Place area, between South College and Chapel Street, requesting that city officials take action to halt speeding on E. Park Place by:

- 1—Putting up additional signs specifying the speed limit.
- 2—Installing signs warning of the fact that children are playing in the area.
- 3—Placing of a stop sign at the corner of Manuel Street and E. Park Place.
- 4—Attempt to arrange for having a motorcycle policeman patrol the area more frequently.

According to Mr. Diehl, the traffic has increased by five times during the past two months and is particularly heavy in the morning and evenings due to workers going to and from the Chrysler Plant. It was suggested that Chrysler officials be asked to place a notice on bulletin boards at the plant calling attention to the concern of residents regarding the children's safety.

"Nothing but arrests will correct the situation," said Councilman Frank Durnall and suggested that the matter be turned over to the police committee for further study, which Council did.

### Paul Hodgson Will Attend Summer Conference At Penn

Member Of U. of D. Staff One Of 40 Educators Chosen To Discuss Family Finances

Paul M. Hodgson, Teacher Trainer, Agricultural Education, University of Delaware and Delaware State Department of Public Instruction, is one of some 40 educators chosen by the University of Pennsylvania this summer to attend the university's summer workshop on family financial security education. Scholarships were awarded by a university admissions committee from nominations sent in by superintendents of schools and presidents of teachers' colleges. The program will open in Philadelphia on June 30 and continue through Aug. 9.

The workshop is one of four being held in American universities this summer to encourage better high school and college teaching of family finances. Subjects to be covered will include sources of income, budgeting, buying and borrowing on credit, home rental and ownership, bank service and savings plans, life insurance, general insurance, investments, Social Security, wills, taxes and all other phases of financial planning.

### Gen. O'Daniel Named To Command Pacific Forces

The Department of Army announced on June 21 the appointment of Lieutenant General John W. (Iron Mike) O'Daniel as commanding general of the U. S. Army in the Pacific. Since last July Lt. Gen. O'Daniel has commanded the First Corps in Korea. In a recent article in a Washington paper the unit was described as "the longest in Korea and probably facing the most enemy troops of any American force." Included under Iron Mike's command are troops and units of a dozen different nationalities.

### Congratulations In Order

Dr. and Mrs. Herbert A. Dorn, 618 Academy Street, are shown here receiving a visit from Mrs. Norma Handloff, Newark's Welcome Wagon Hostess. The visit was made on the occasion of the Dorns' admittance to American citizenship in naturalization ceremonies held in U. S. District Court in Wilmington recently. Dr. Dorn, 55-year-old, Berlin-born economic professor at the University of Delaware, and his wife, Elsiebeth, were classified as "stateless" persons prior to the ceremony. Dr. Dorn was a judge under the German Weimar Republic but resigned his post when Adolf Hitler came to power in Germany.

### Newark Students Will Produce Three Plays on Campus July 2

The Department of Dramatic Arts and Speech of the University of Delaware Summer School in cooperation with the Newark Recreation Association will present three plays at Mitchell Hall on July 2nd at 8:15 p.m.

Highlighting the evening's entertainment will be scenes from a sparkling comedy, a Broadway success, and a famous classic.

Young Newark people of junior high and high school age will participate as actors, producers, and technicians in the playbill under the supervision of students enrolled as directors in the University of Delaware summer school. Over thirty young Newark dramatic aspirants are engaged in the project which meets every afternoon from two to four. The playbill is part of a general program for the stimulation and improvement of dramatics in the schools which the dramatic center at the University has been conducting through its annual conferences, festivals, and other services to school and community theatres. It is hoped that its success will make it a permanent part of the summer recreation program.

The program for the evening of July 2nd will include scenes from Philip Barry's SPRING DANCE, a delightful comedy. Shakespeare's A MID-SUMMER NIGHT'S DREAM, and Ferber and Kaufman's Broadway success, STAGE DOOR.

SPRING DANCE will be directed by Miss Norma Wright. The cast will include: Gail Lambert, Mady; Jacqueline Chickney, Kate; Joan Lawson, Frances; Phyllis Manning, Sally; Nancy Custer, Miss Ritchie; Carol Brader, Alex.

Mrs. Elizabeth Anderson will direct A MID-SUMMER NIGHT'S DREAM and the cast will be: Betty Reinhardt, Quince; Lenny Loudis, Bottom; Ricky Parker, Flute; Bill Mote, Snout; Bill Colburn, Snug; David Gaylord, Starveling.

STAGE DOOR will be directed by Miss Joy Murray. The cast includes: Lois Hyre, Terry; Joan Otto, Jean; (Continued on Page 8)

### Previous Rezoning Actions Legal Says Newark Solicitor

Failure To Notify Residents By Mail Not Necessary In Previous Cases, He States

According to a statement this week by City Solicitor John P. Sinclair there is no question of the legality of recent rezoning actions taken by Newark Council.

The question of the legality of these rezoning ordinances was posed at last week's meeting of Council when it was brought out that in none of the recent changes have residents been notified by mail of the pending rezoning actions.

All action was halted on the matter of rezoning for the final time, at last week's meeting, an ordinance rezoning a portion of East Main Street from residential to business when Councilman Don Hill pointed out that Council had failed to comply with the regulations of the zoning ordinance in that all residents of the area had not been notified by mail of the proposed action.

Council Secretary Charles Long admitted that in none of the recent occasions have residents been so notified and the question was asked by a member of the audience if this meant that all of these rezoning actions would then be illegal.

It was reported that Mr. Sinclair answered, "I don't know." He has denied this.

"Actually," Mr. Sinclair stated, "the question of the legality of the previous zoning changes was not before Council, and I made no such admission."

"I did say that I did not know whether the city secretary had sent notifications by mail in previous cases, but I assumed he had. This is quite different from admitting to a lack of knowledge or opinion concerning the zoning amendments."

"For the benefit of those residents of Newark who have relied on zoning changes made by Council," he continued, "I should like to state that in my opinion there is no danger that the previous acts of Council in changing an area from one zoning classification to another can be declared invalid because of failure to notify by mail the owners of the area rezoned."

"This is true since in all cases the owners themselves have been the petitioning or moving parties."

Following the revelation last week that the residents of East Main Street had not been notified by mail, Council postponed action on the matter until July 15 to give the city secretary time to comply with this part of the zoning ordinance.

### High Government, Army Officials To Witness New Combat Vehicle In Demonstration At Local Plant

Spectacular Tank Show Will Lift Security Wrap From Massive Medium Tank Engineered By Chrysler And Built At Newark Plant; Pilot Model Was Completed December, 1951

The attention of the nation will focus on Newark on Tuesday, July 1, when the new T48 medium tank will be dramatically unveiled to the public for the first time at the Chrysler Delaware Tank Plant.

Secretary of the Army Frank Pace, Jr. will be among the several hundred guests who will witness the spectacular tank show lifting the security wraps from the massive medium tank, latest addition to America's armored might.

### Miss Suzanne der Derian At Mitchell Hall Tonight

Suzanne der Derian, soprano, will be the feature artist in the second concert in the current summer series at the University of Delaware.

This concert will be held in Mitchell Hall beginning at 8:15 p.m. tonight. The public is invited to attend. There is no admission charge.

Miss der Derian received her bachelor's degree in music from the University of Michigan. She has spent her summers at Interlochen Music Camp, Bay View Summer College, and Tanglewood-Berkshire Music Center, the latter conducted by the Boston Symphony Orchestra.

It was also disclosed that a pilot model of the T-48 had been completed at the Newark plant on December 14, 1951, just eight months after the first structural steel had been erected at the huge new plant.

Military security had previously prevented all but the briefest mention of the powerful T-48, the first all-new medium tank built for the Army since World War II.

A completely new combat vehicle, the T-48 was designed for Army Ordnance by Chrysler Corporation, America's largest World War II tank builder, and is now entering a production stage at Newark.

In the T-48, Chrysler Corporation, which has cooperated with the Ordnance Department on tank development programs since the end of the last war, has completely engineered a tank combining new hull and turret design with the latest in armament and fire control equipment.

The Ordnance Department announced some months ago that the 12 cylinder V-type Ordnance-Continental engine powering the T-48 is being built by Chrysler Corporation in the Michigan Ordnance plant in New Orleans. The first shipment of these new power plants arrived at the Delaware Tank Plant in May.

Chrysler Corporation financed and built the huge new plant at Newark. Five principal buildings, including a 31-acre manufacturing building, comprise the plant layout. The 1,000,000 sq. ft. plant was built in record time on a 240-acre tract.

Chrysler also recently began operating the Detroit Arsenal for the Ordnance Department. It was in that plant, constructed for the Army in 1941, that 25,000 tanks were built by Chrysler during World War II.

The T-48 will go through its paces for the tank show guests on a test course especially built for next Tuesday's important event. Compact and complete, the test course adjacent to the Manufacturing Building will demonstrate the versatility of the T-48 with an impressive display of its rugged construction and maneuverability.

T-48 tanks will scale walls, cross wide trenches, negotiate steep slopes, ford water obstacles, and maneuver at all speeds over difficult terrain. A corrugated concrete "washboard" road will also severely test the tracks and suspension system of the new medium tank.

In conjunction with the demonstrations on the test course, the invited guests at the Chrysler Tank Plant will have an opportunity to inspect the machining and assembly operations in the local plant.

### Change Announced For Brownie Camp

Mrs. G. T. Borchardt, Charge Of Day Camp After June 26

Mrs. Ernest Mayne, neighborhood chairman of Brownie Scouts, announced this week that after June 26 Mrs. G. T. Borchardt, district chairman, will be in charge of the Brownie Day Camp program. Anyone wishing to cancel a reservation or secure information about the Brownie Day Camp program from July 7-10 should get in touch with Mrs. Borchardt.

A bus will leave from the Newark High School parking lot on Lovett Avenue at 9:00 a.m. each morning, and then pick up the girls at Country Center at 3:45 each afternoon, returning them to the Newark High School parking lot. The children will be accompanied on the bus by the following adults:

- July 7, Miss Ruth Burris.
- July 8, Mrs. Harold Feeny.
- July 9, Mrs. William Stonecipher.
- July 10, Mrs. Anthony Loudis.

### J. Crowe, Former Resident Dies In Ridley Park, Pa.

James Crowe, age 65, of Swarthmore, Pa., former Newark resident, died on June 24 in Taylor Hospital, Ridley Park, Pa.

Mr. Crowe was a native of this vicinity and for many years was engaged in business here. He was the son of the late James and Mollie Crowe. In addition to his wife, the former Carrie Lutz, he is survived by one son, Rees Crowe of Springfield, Pa.; a sister, Elsie Crowe Adams, Clementon, N. J.; and a brother, William Crowe, Newark.

Services will be held on Saturday morning from the Williams Funeral Parlor, Baltimore Pike, Clifton Heights, Pa., with interment in Chester Cemetery.

R. T. Keller, Jr., General Manager of the tank plant, stated that the show will demonstrate for the first time the capabilities of the T-48 to invited guests, including high-ranking Army officers, government officials, civic leaders and press, radio and television representatives.

It was also disclosed that a pilot model of the T-48 had been completed at the Newark plant on December 14, 1951, just eight months after the first structural steel had been erected at the huge new plant.

Military security had previously prevented all but the briefest mention of the powerful T-48, the first all-new medium tank built for the Army since World War II.

### Five Newark Girls At Church Camp

Former White Clay Pastor Heads Conference Staff

Five young people from the Newark Presbyterian Church are attending the Young Peoples Presbyterian Conference at West Nottingham Academy which is near Rising Sun, Maryland and about twenty three miles west of Newark.

The conference consists of two hours of class work daily in subjects relating to church work such as mission study, projects for youth work, committee work, Bible study, etc., and special services such as vespers, twilight song services, and recreational programs. The staff, consisting of men and women experienced in church and youth work, is headed by Reverend Hendrick VanDyke, pastor of the Ashland Presbyterian Church of Glen Arm, Md., who will be remembered as the former pastor of the White Clay Creek Presbyterian Church near Newark.

Those attending from Newark are Carolyn Chalmers, Margaret Frye, Virginia Lanier, Jane Milliken and Carolyn Nutter. They expect to return Saturday afternoon.

## Extension Service Plans Grange Picnic

The Extension service of the University of Delaware will entertain the members of the Delaware State Grange and their families on Aug. 12 for an all-day picnic.

The Experimental Farm at Newark, will be the scene of this state gathering. Beginning at 10:00 a.m., the group will be taken on a tour of the farm starting at 11 a.m. with the extension officials in charge. A basket picnic luncheon will be followed by a program of recreation. The New Castle County Pomona Grange will also serve as host and will hold its yearly outing in conjunction with the state affair.

Calvin H. Ball, master of the Pomona Grange, Mrs. Ball, Mr. and Mrs. B. Taylor of Delaware Grange, Mr. and Mrs. Frank Silver of Center Grange are the local county committee assisting with arrangements.

## 4-H Delegates In Washington For National Club Camp

Four Delaware 4-Hers spent last week in Washington taking part in the 22nd annual National 4-H Club Camp. They were Dorothy Pierson, Hockessin; Marjorie Brown, Glasgow; Martin Johnson, Laurel; and Kenneth Richtern, Viola.

They were selected on the basis of outstanding 4-H record, leadership, and community service. Selection as a National Camp delegate is considered the highest honor that can be awarded a 4-H boy or girl, says Samuel Gwinn, state 4-H Club leader.

Miss Helen M. Pennington has accepted a teaching position in the Pennsburg Joint Consolidated Schools. She formerly taught at Morrisville Public schools and was first grade teacher at the William Case Building. Lt. Douglas Annand is the injured son of Mr. and Mrs. Fred Annand in the Naval Hospital at San Diego, Calif. and not Richard as was erroneously stated in last week's edition. Douglas is very slowly improving.

Dale Nowland, son of Mr. and Mrs. Gifford Nowland, narrowly escaped serious injuries last Tuesday when he was run over by a load of baled hay. He slipped and fell from the loaded wagon while on the farm of his uncle, Marshall Golt near Kermlesville. He was removed to the West Grove

Hospital where examination disclosed only severe bruises.

Mr. and Mrs. Einar Stoutland and family have returned from a three weeks motor trip to North Dakota where they visited Mr. Stoutland's parents.

Mr. and Mrs. William Hearn of Limestone Road, have purchased the bungalow from Irvin G. Klair where they've been residing for a number of years.

Harmony Grange No. 12 held its final session until August 18 last Monday evening. Plans were made for a family picnic and covered dish supper at the grange hall on July 17. Mrs. Roscoe Walker, Norman Dempsey, and Mrs. Frank Cooper will make the detailed arrangements. Mrs. J. W. Pennington, the lecturer, was appointed to attend the Middle Atlantic Lecturer's Conference at the University of Maryland on July 9 to 11. The semi-monthly card parties will continue on the first and third Tuesday nights of July and August.

## OPS Head States Most Prices Remain Near 1952 Peaks

Hits At 'Soft' Price Myth  
While Predicting Costs  
Will Remain At High Level

Post Staff Editor Director Ellis last week said most cost-of-living items continue to well at or near 1952 peaks and that so-called "soft" prices are a myth.

He said the "myth of soft prices" has deceived many responsible businessmen and others. He added that 50 percent of the items in the Bureau of Labor Statistics Consumer Index were selling at two-year peaks; 21 percent were within two percent of peak, while prices of only 10 percent were far enough below to be called "soft."

Included in the peak prices were those of bread, baby food, milk, fresh fruits and vegetables and many other basic goods such as automobiles, automobiles repairs and insurance, rent, beer, beauty and barber shop services.

There is no indication that prices are coming down on the things for government must buy for its vast defense program, either inside the country or in foreign markets, Arnall said. Prices are generally right at existing on petroleum, chemicals, metals, building materials, autos and trucks, machinery and many others.

In the foreign markets, the government was recently forced to allow higher prices for Chilean copper, he said. At the same time, a \$10 a ton increase was announced for Canadian newsprint. Higher freight rates, up 16 percent since price controls went into effect, were evident. Since OPS has no control over freight rates, it was forced to allow higher ceilings for the thousands of cost of living items affected, Arnall explained.

### Cleaning Cart Suggested To Save Housewife Steps

"It's not so much work as the walking that wears women out when they leave house, as the walking back and forth carrying."

M. Katherine Jones, New Castle County home demonstration agent, suggests putting cleaning on wheels, using a cleaning cart. Running back and forth adds weary mileage and minutes, and often interrupts the work so much that it adds nervous tension as well.

Plan the cleaning in advance, then assemble all utensils and supplies for use on a wheeled table or cart that can be moved from place to place. A sturdy, valuable cart is fine. If you use a cart with two shelves, it can carry not only the small items such as soap, brushes, but pails of water and even hand vacuum cleaners.

## Funeral Rites Saturday For Miss Ida Kimble

Miss Ida Louise Kimble, 74, retired school teacher, died Wednesday, June 25, in Wilmington General Hospital. She had been ill for some time.

Miss Kimble lived at 167 West Main Street, Newark, with her sister and only immediate survivor, Miss Evelyn Kimble. The daughter of the late John H. and Sarah T. Kimble of Appleton, Md., she was a graduate of the Maryland State Normal School at Baltimore.

Until her health failed about 20 years ago, Miss Kimble taught in the schools of Cecil County, Md., for 27 years. She was a member of the Retired Teachers' Association of Cecil County and head of Elk Chapter, D.A.R. She also was active in Head of Christiana Presbyterian Church and its Willing Workers Society. In addition to her sister, she leaves two nieces and a nephew, one of whom is Mrs. Amos Jaquette of Newark.

Funeral services will be held at 2 p.m. Saturday at the R.T. Jones Funeral Home, Newark, with interment in Head of Christiana Cemetery. Friends may call Friday evening at the funeral home.

## Mrs. Kate J. Brown Dies On Wednesday

Mrs. Kate Johnson Brown, 88, one of the oldest members of the White Clay Creek Presbyterian Church, died at her home on Nottingham Road near the Head of Christiana Church Wednesday, June 25.

The widow of James Brown, she had lived in that area for the past 48 years, and before that she lived in the Milford Crossroads area. She was also a member of the Improvement Society of the White Clay Creek Church.

Surviving are three children, Miss Elizabeth B. Brown, Norris J. Brown and Gaylor K. Brown, all at home; three sisters, Mrs. Mary Beates of Wil-

mington, Mrs. James Chambers and Mrs. Della Othson of Stanton, and three brothers, John A. Johnston of Stanton, Howard Johnston of Elmhurst and Maskie Johnston of Milford Crossroads.

Funeral services will be held from the home at 2 o'clock Saturday afternoon, with interment in the White Clay Creek Church Cemetery. Friends may call at the home Friday evening.

## Bob Siemen Named Assistant To Dave Nelson At University

The appointment of Bob Siemen as assistant director of health, physical education and athletics at the University of Delaware, was announced last week by Athletic Director David M. Nelson.

A graduate of Delaware, Siemen was appointed graduate manager of athletics by William D. Murray, then athletic director and head football coach, in 1946.

Siemen, 32, was graduated from Wilmington High School in 1939 and attended Delaware from 1939 through 1943. He served as a second lieutenant in the 17th Airborne Infantry Division in World War II and was discharged from service in 1946.

One of the four Delaware students to win four letters in athletics in one year, Siemen earned awards in soccer, track, basketball and tennis as a senior. He won a total of seven letters while at Delaware—and a trophy for scoring the highest number of points in intra-mural athletics over a four-year period.

Siemen also has coached Delaware's junior varsity and freshman basketball, baseball and tennis teams during the past six years. A past president of the Middle Atlantic Conference's Southern Division, Siemen makes his home in Newark.

## Sparks Hurls, Bats Local Legion Nine To Second Victory

Homer Accounts For Both Runs Scored By O'Daniel In Win Over New Castle

The Newark Jr. Legion nine tucked away its second victory of the season by downing New Castle Post last Friday evening by a score of 2 to 1. Albie Sparks pitched shut-out ball for five innings before the boys from New Castle pushed across a run which was unearned. Albie also proved the big gun of the local team with the bat hitting a home run with one mate aboard in the third inning this being the margin of victory for the O'Daniel club.

The local lads will be playing all their games away this week. Monday's game with the Del. Post was called on account of rain. On Friday evening the local lads play Post No. 29 in Elsmere.

The next home game of the local legion boys will be Monday June 30 when Clamont will be in to take on the O'Daniel boys on the Continental Field.

## Delaware Park News

Oedipus, beaten favorite in the Georgetown Steeplechase Handicap last Friday, has been assigned top-weight of 164 pounds for this Friday's \$10,000 two and one-half mile Indian River Steeplechase Handicap. Oedipus, champion jumper for the past two years, has been returned to New York and may pass up the Indian River.

The Mast, winner of the Georgetown Handicap, has been given second high-weight in the Indian River, 157 pounds. Alan T. Clarke, owner, trainer and breeder, of Clarksville, Md., is shipping his good sprinter, Senator Joe, from Delaware Park to Monmouth Park for a try at another stake. Senator Joe just recently finished fourth in the Oceanport Handicap at the North Jersey track. He has an engagement in the \$15,000 Rumson Handicap at Monmouth Park Wednesday.

In a letter to Racing Secretary Gil Haus, Trainer Preston Burch apologized for taking his horse away from Delaware Park so abruptly. Burch explained he was sending four runners he had at Delaware Park to Chicago for racing at Arlington Park. He told Haus he probably would ship some here for remaining stakes to be decided.

Ira (Babe) Hanford, who rode King Ranch's High Sead in his record-breaking Kent Stakes victory, has been engaged to handle the three-year-old son of Benbrough in Saturday's rich Leonard Richards Stakes.

John D. Shapiro, president of the Laurel Race Track, was a visitor Saturday. He was taken on a tour of inspection by Bryan Field, general manager of Delaware Park.

Joe W. Brown's Parading Lady shipped to Delaware Park from New York to start in the Delaware Oaks returned to Long Island Saturday morning. An injury incurred after Parading Lady arrived at the Stanton course was the reason for not having been entered overnight in the Oaks.

Joseph J. Paoli's seven-year-old Alacriti, which appeared to have broken down badly in Saturday's first race, suffered a ruptured left foreleg suspensory ligament. He was not destroyed.

Trainer Moody Jolley notified Delaware Park officials that he is definitely pointing Cain Hoy Stable's Armageddon, third in the recent Belmont Stakes, for the rich Leonard Richards Stakes to be renewed at Delaware Park Saturday.

## Hal Kinart Hurls Newark To Third Susquey League Win

Locals Down Chesapeake City Nine 5-4; Will Meet Elkton Next Sunday In Away Game

Newark scored its third victory of the season last Sunday in the Susquehanna League by downing the Chesapeake City Braves, 5 to 4. Hal Kinart making his first appearance for the local club pitched brilliant relief ball to gain his first victory of the season. Ronnie Woodward making his initial start of the season suffered a wild streak in the fourth inning and Kinart, after walking in a run, blanked the Braves for the remainder of the game.

Newark scored one run in the first when with two out Billy Woodward walked and scored when Run Jenkins doubled to right center. Newark scored four big runs in the top of the fourth. Buddy Cataldi walked to start off the inning. Bobby Gregg singled. Ronnie Bramble was safe on a fielders choice forcing Cataldi at third. Ronnie Woodward then walked loading the bases. Doug Tilley then squeezed in Bobby Gregg. Bramble scored when Albie Sparks filed out to center field. Woodward and Doug Tilley scored when the Chesapeake City infield booted the ball hit by Red Jenkins. Total four runs on just one hit and two errors.

The Braves came back in their half of the fourth to score four runs on four walks and two hits.

Doug Tilley second sacker for the Newark club was the fielding star of the game while participating in three double plays and having two hits in five trips to the plate.

Sunday Newark meets the strong Elkton Pirates at Elkton. Moxie Brown is expected to start the game while Nelson King, so far undefeated in the League will be on the mound for the Pirates.

## Just A Pal

To the American racing public, Tea-Maker is a famous thoroughbred, one of the best sprinters in the country. But to his pal, Bossal, Tea-Maker is just a horse, a good companion who's been around the F. Ambrose Clark stable a long time. The nine-year-old Tea-Maker is also a very versatile horse, for he has competed in hurdle races as well as on the flat.

## Extra Prizes Added For Winner Of New Castle

Delaware Park's New Castle Handicap, whose added money last season was doubled to \$50,000 and the distance increased to the classic mile and a quarter route, will have something else added when the big event for

fillies and mares is renewed July 5. In addition to the solid gold cigarette box which is awarded to the winning owner, the winning trainer and jockey this time will be presented with smaller replicas. Incidentally, each of the Stanton track's 14 stakes carries a handsome trophy in addition to the purse.

## Leonard Richard Stakes Will Feature Saturday Racing Card

King Ranch's High Sead Will Attempt To Score Third Straight Victory In 15th Renewal Of Mile And Furlong Event For 3-Year-Olds Which Will Be Worth More Than \$40,000

## Double Feature On Langhorne Track Scheduled Saturday

Iron Mike Magill Will Be Included Among Contestants In Sprint-Car Attraction

Langhorne, Pa.—Activity at Langhorne Speedway switches to night time operation beginning this Saturday evening. Officials have listed a unique schedule of events for the initial nocturnal program. A double feature will highlight the eight-event card — the Doylestown Sweepstakes for modified sportsman stock cars and for the first time on a quarter mile dirt track the sprint cars will also be presented.

Iron Mike Magill, recognized as the independent sprint car champion and winner of the 50-mile championship at Langhorne last August, will lead a strong field to the post in the sprint car feature including the veteran Mike San Felice and Buddy Powers.

Frank Errico, popular Philadelphia driver and perhaps the most improved driver in the short track sport, will be gunning for his first triumph. In the last feature staged around the short course Errico finished a strong second and according to racing officials if the event had a few more laps to go the Quaker City ace would have showed the way to the checkered flag.

Tommy Coates, 1951 point scoring champion, will also be pointing for his initial win of the campaign. Last time out the Trenton speedster finished fourth. Gordon Harvey, current leader in the race for the Frank Holzhauser Trophy, emblematic of the season championship, will be in the strong field, so too will spectacular Jim De-

King Ranch's speedy High Sead, winner of two straight editions of Delaware Park, will be one of the favorites in the \$40,000 Leonard Richards Stakes to be run at the Stanton oval on Saturday.

This 15th renewal of the Richards, a mile and a furlong two for 3-year-olds, will climax the next season west of racing at the local track. In his last outing High Sead practically ran away from the rest of the field in the Kent Stakes on June 11, winning easily while setting a new track record of 1:42 1/2 seconds for the mile and a sixteenth.

That smashing effort pushed the Max Hirsch-trained sophomore star to the foreground with the best 3-year-olds of the year. Other possibilities for the Richards include Jampol, a disappointment in the Kent; Brush Burn, also twice winner at Delaware; Fred R., Star of Penna, and others yet to be heard from such as Golden Gloves, Armageddon, Cash Flame, Closed Door, Suggested, and others.

Mrs. Walter M. Jefford's One Count, winner of the Belmont Stakes recently, will remain on the sidelines during the Richards. A bad knee bruise on his left front foot suffered in the Belmont, will keep him out of the Richards.

Friday's highlight will be the running of the \$10,000 added Indian River Steeplechase Handicap. The field will probably be about the same as competed in last Friday's Georgetown, was by Mrs. Esther duPont, wife of the Mast in front of Jim Navy Gun, who dead-heated for third with Crown Wind, is expected to try for the Indian River American Way will probably represent the Rokeby Stables.

# Local Nash Dealer Honored

John H. Dennison, right, president of Dennison Motor Company, is shown here being presented with a handsome clock trophy by E. M. Christie, Nash Motors Philadelphia zone manager, in recognition of his recent completion of 25 years as a Nash dealer. The award was made at a dinner held recently in Harmony Grange Hall at which the entire staff of Dennison Motor Company and Nash Motor representatives attended. Mr. Dennison has earned Nash Motors' "10-Point Select Dealer" award five times in recognition of his service to Newark residents.

## Homecoming Day At White Clay Church

**Dr. Willard Purdy To Bring  
Special Message On Sunday**

Sunday, June 29, will be observed as Homecoming Day at White Clay Creek Presbyterian Church on Kirkwood Highway.

This marks the 200th anniversary of the first church structure on the present site of the church.

At the 11:00 a.m. service the pastor, Rev. Bishop, will preach on "A Glorious Future." Special music will be provided by a quartet of young people: Jane Hammell, Carl Butterworth, William Peach and John Peach.

A committee from the Improvement Society, with Mrs. Alice Hammell, chairman, is arranging to serve a lunch following the morning service. In the afternoon service at 2:00 p.m. Dr. Willard G. Purdy, Moderator of the Synod of Baltimore, and pastor of First and Central Presbyterian Church, Wilmington, will bring a message on "The Church That Ought To Be." An anthem "In God's House" will be sung by the senior choir.

## Troop 55 Will Collect Scrap Metal Here On Saturday

Members of Boy Scout Troop 55 will make a scrap metal collection on Saturday from four garages here in Newark which have cooperated by saving

the scrap metal for the Scouts. Jack Hambleton, chairman of the troop committee, announced this week that if any Newark residents have scrap metal which they would like to have the troop collect, arrangements can be made by calling Newark 2-8881. No collection will be made unless prior arrangements have been made.

### Sylvia Field Named Dress Revue Winner

Sylvia Field, of the Blue Hen 4-H Club, Newark, is Delaware's state 4-H Dress Revue winner. She was selected from 37 contestants at the University of Delaware 4-H Short Course last week. Her reward is an all expense trip to National 4-H Club Congress in Chicago next November.

Miss Field's winning outfit was a ballerina length, white eyelet embroidery formal.

### County 4-H Dairy Judging Contest To Be Held

Plans are made for holding the New Castle County 4-H Dairy Judging Contest on Saturday, July 12, according to Maurice B. Field, 4-H club agent at large. The public is invited to observe the interesting educational event, which will begin at 9:00 A.M. on the University of Delaware Experimental Farm, Newark, Delaware.

All clubs in the county are urged to enter teams consisting of three members for this contest. These members do not have to be carrying a dairy project in order to compete. Any number may compete from a club. The teams will be selected at the contest by the trios of highest scores.

Connie Parker, Judith Palsy Hall, Kaye Dale Casey, Bernice Virginia Lauer, Madeline Sue Roberts, Little Mary Barbara Yates, Pat.

The entire project is under the general supervision of Dr. C. R. Kuse, Director of Dramatics at the University.

sity and Mr. Herman Middleton, Technical Director of the University Theatre. Curtain time will be 8:15 p.m. the evening of July 2 and admission will be free.

Weekend specials on beefsteaks and roasts have disappeared from food markets, OPS said. The reason, OPS found, was higher livestock and wholesale meat prices.
