Dear Dannie :

I am sending you herewith a copy of a letter which I received from a Mr. Nelson G. Williams, who appears to be a graduate student of the Bowling Green State University, and I am sending you also a copy of my reply, both of which are self-explanatory. I am also sending you the study which Williams transmitted with his letter, and I have read it with some care. It is of course a very inadequate and from our point of view completely inadequate study, and there are many inaccuracies in it which are just as important as the inadequacies.

We of course have no interest in his doing anything for us, but as he makes reference to CADE, you may wish to send a letter to Mr. Brosens with a copy of Williams' letter and one of my reply.

With all good wishes, I am

Cordially and faithfully yours,

  
George S. Messersmith.
