## College Park Notes

by Eleanor Irwin

I am writing the column once again. It has not appeared because I have been ill.

I hope you folks will again send me news by Monday night. Without phones there isn't much chance to contact you.

We are extending best wishes to Bruce Oberholtzer of 37 Madison Drive who celebrated his 14th birthday on Saturday.

Mr. and Mrs. Tony Cosetti moved into their new home recently at 3 Lincoln Drive. The Cosettis are well-known in Newark.

Last Sunday a meeting of College Park residents was held at the State Theatre for the purpose of discussing the organization of a Civic Association. About 50 interested residents attended.

Two committees, a Home Improvement committee, consisting of Harry B. Crissman, Paul Morton, Mrs. Clarence M. Oberholtzer and Kenneth Beers; and a Civic Committee composed of Mrs. G. R. Sinclair, Ben Harris, Clarence M. Oberholtzer and John P. Murphy were selected.

You will be notified as to the time and place of our next meeting. Do keep this in mind. It is something in which we are all vitally interested, I know.

## YELLOWJACKET HIGHLIGHTS

By the Journalism Class

### Playing The Game Fairly

In a subject such as Journalism where the pupils go all over the building to interview and get news for their articles, the pupils should consider the many possibilities for getting into trouble. They should cast aside such ideas and do the things that they know are right. Such a thing as eating in the halls is tempting. To do this is not fair to the instructor or to other pupils. In everything a person does in his lifetime he should play the game fairly with the people he meets and the people he is surrounded by daily. A person should speak his opinion and tell the truth at all times. In sports a game should be played. He should follow the rules of the game and the rulings of the referees or the umpires. In a contact sport such as football a person should play a clean game according to the proper rules. A player should not elbow or knee other persons purposely.

In conclusion, "playing the game fairly" means playing it according to the rules, whether in the class room or on the athletic field.

—Irving Thorp

### Student of the Week

Mary Ann Zecha, a senior, came to us in her freshman year from Christiana. She was born in Wilmington, Oct. 8, 1935 and lived there her first seven years. She doted on her mother's subs, has a secret ambition "To meet the right guy," spends spare time working, prefers sport clothes along with the hillbilly version of "Secret Love." "How to Marry a Millionaire" gets Mary's vote as her favorite movie, and Tony Bennett rates pretty high as a male vocalist. Mary Ann's future plans are to work for the Bell Telephone Company.

Kathy Carico

### Juniors To Sponsor Bake

Members of the Junior class will hold a bake sale in front of Jackson's Hardware Store on Saturday, February 13, to raise money for the class treasury.

Carol Ann Thorp is chairman of the committee to plan the bake. Other committee members are as follows: Patsy Hall, Ginger Lanier, Barbara Link, Sue Roberts, and Grace Miller. All the Juniors have been asked to contribute goods amounting to two dollars per person for the bake. Opening at nine in the morning, the bake will open until sell-out. Various members of the class will sell the goods. Posters to advertise the bake will be made by the class under the supervision of Mr. Neil Osburn.

Along with the usual cakes, cookies, and pies, there will also be aprons, pot holders, salads, and canned goods.

—Alice Amoroso

### Snow Flake Ball

Newark's cheerleaders will sponsor the Snow Flake Ball, an annual dance held to bid farewell to the winter season, on Feb. 27 at 8 p.m.

A Snow Queen will be chosen this year by chance rather than by ballot. The girls will receive favors at the door, one of which will be different. The one receiving the odd one will be crowned queen of the ball.

"Winter Wonderland" will be the theme with a selected decorating committee headed by Violet Gray and Sally Ann Yedinak. The entire squad will participate in decoration of the gymnasium. Stephanie Klahr, captain, will be in charge of music.

### Interviews

Members of the Journalism class are now undertaking a project which consists of each student's choosing an active person in the community to interview.

Each one will follow the proper procedure for interviewing: selecting a person to interview, arranging an appointment, learning as much as possible about the interviewee beforehand, listing questions to ask the person, taking notes, and writing up the final article.

Some persons already mentioned for interview are Rev. Hallman, Pat Brosius, and George Neighbors. The interview, if written well, will be used in the Yellow Jackets Highlights column in the Newark Post.

—Bill Evans

Editor's Note: Doesn't have to be too well written, either, Bill.

### New High School Building

Mr. William Martin, architect for the new Senior High School, presented his plans at the recent PTA meeting in the school auditorium. Plans are underway to begin the actual construction sometime in July, and providing everything goes well, the school should open in September, 1955.

The building, to be located south of George Road Village beyond Tyre Avenue, will consist of a two-story classroom area with most service facilities in a one-story area. Although an auditorium and gym will not be available at this time, provision will be made later. Many suggestions for the school have been presented by the faculty, parents, and students in special meetings held with the architect and school officials.

—Janet Barnett

### Hot Rod Club

Boys interested in the operation of automobiles and the customizing of cars have formed a hot rod club. The club meets Wednesday nights from 7:30 to 9 at the Newark Armory.

The purpose of the club is to promote safe driving and road courtesy. Members also want to learn the functions of motors and how to customize cars.

There are ten members in the club at present, but the membership is not limited. To become a member you must submit your name to the officers and then you are voted in before you become a member you will be watched to see how you drive.

Officers of the club are Willard Kiser, Stephan Vansant, co-captains; John Holmquist, secretary; Robert Sweetman, treasurer. They have set the dues at \$5 plus \$1 a

### Senior Class Meeting

Ferris Lee, president of the Class of 1954, recently reported that the senior class will not present a class night in June. The decision came as a result of a vote taken at the last meeting on January 20.

At this meeting the financial standing of the class was discussed and a report was given by the treasurer, Jack McDowell. A list of names of the persons having paid dues will be circulated to the senior home room soon. It was also decided that each person going on the senior trip will have to buy a class picture which will cost \$1.50.

### 4-H Clubs Plan No-Fall Campaign For Home Safety

An active campaign to remove causes of falls in the home will be undertaken by Delaware 4-H and home demonstration clubs, starting Feb. 1.

"Since a home-accident survey completed by the clubs last year showed falls as a leading cause of accidents, this campaign is a natural follow-up," declares Miss Louise Whitcomb, extension home management specialist at the University of Delaware.

Typical of danger spots in the home are slippery floors, loose rugs, poorly lighted and cluttered stairways and halls, broken steps and loose window screens.

The 4-H campaign will be a contest to determine the most safety-minded boy or girl in each county. Four-H'ers writing the best story of their progress in removing causes of falls will receive scholarships to the 4-H short course or state 4-H camp. The Delaware Safety Council is offering these awards, and the contest will end May 30.

Home demonstration club women will concentrate on a room at a time. Each month, February through June, the club's safety chairmen will outline danger spots in one particular area—such as kitchen, living room or stairways. Members will keep records of hazards they have corrected.

### Loss Of Benefits Present Problem In Social Security

Loss of social security benefits continues to be a problem in the administration of the Social Security Act, declares Myron Milbourn, manager of the Wilmington field office.

He cited one case where a loss of benefits was recently prevented by a chance call at the field office by an insured 65-year-old worker. The worker had changed from a job covered by the law to a non-covered job. He had not intended to file a claim since he had thought that his new job would be covered by proposed legislation. This wrong impression was corrected when it came to the attention of the field office. The man filed his claim and is now receiving monthly benefits while working in a non-covered employment.

Milbourn stated that another cause for loss of benefits most commonly encountered is the apparent

Too many individuals overlook the fact that retirement does not necessarily mean permanent retirement nor total retirement. The beneficiary can receive benefits for months in which he meets the \$75 work limitations. Failure to file a claim when the highest average in monthly wages is attained can result in lower benefit rates.

## Capitol Trail News

Marjorie M. Bishop, Corres.  
Phone 6318

A large number of parents and interested persons attended the Open House at the Medill Elementary School last Sunday.

Judging from the many "Oh's" and "Ah's" and frequent comments such as, "Nothing like this when I went to school!" or "Wouldn't mind going back to school myself!" the Medill school really does meet with public approval.

Today's pupils are fortunate to have the benefit of the best modern learning facilities. It is interesting to note that much of the planning was carried out in a cooperative basis by committees of teachers, parents, school officers and interested laymen.

Miss Joan Jackson, daughter of Mr. and Mrs. Ford Jackson, Polly Drummond Road, returned to school this week after a two-week absence. Joan suffered a fractured leg while ice-skating on Jan. 17. She is now getting about with a walking cast.

Miss Patricia Ann Moncher, daughter of Dr. and Mrs. Arthur A. Moncher of Newark, has announced her engagement to Mr. Francis E. B. McCann, Jr., son of Mr. and Mrs. F. E. B. McCann, Kirkwood Highway. McCann is in service and is stationed at Fort Belvoir, Va.

John Winter Jr. of Staten Island visited his cousin, Peter Furness, Jr., Kirkwood Highway, on the weekend of Jan. 24.

Mrs. Peter Furness was hostess to four luncheon guests last Monday.

Mrs. Robert H. Furness, Sr., of Ft. Lauderdale, Fla., is visiting her son and his family this week.

Mr. and Mrs. Rodney Eastburn and family of Old Capitol Trail, spent last Saturday in Philadelphia.

Mrs. David Anderson, Jr. of Harmony Road spent Thursday in New York City, visiting the United Nations.

The Roseville Park Branch Library is located at the home of Mr. and Mrs. Charles Raymond, Laurel Ave. It is open to the public from 10 a.m. to noon on Saturdays.

**White Clay Creek Presbyterian Church**

Last Sunday was observed as Youth Sunday and the Psalter Reading was led by Martin Johnston. Jane Hammel read the scripture, and Grace Miller led prayers. A large youth choir under the direction of Mrs. Paul Peach, sang, "There Is Room In My Heart For Thee."

A gift of book markers for the pulpit Bible was made by Mrs. David Anderson's teen-age class, and Joyce Weaver represented the class in presenting the white and purple markers. The class had already given the green markers. The set, begun by Mr. and Mrs. LeRoy Hendrick, who presented the red markers some time ago, is now complete.

Mrs. Thomas Davis represented the women of White Clay Church at the executive committee meeting of the Council of Church Women in Newark last Monday. Plans are being made for the annual World Day of Prayer service on the first Friday in March. It will be held at St. Thomas Episcopal Church.

At the January meeting of the Improvement Society held last week, the new officers installed were Miss Romaine McCormick, president; Mrs. Atwood Johnston, vice president; Miss Ellen Gallaher, secretary; and Mrs. Nathaniel Richards, treasurer.

The president appointed the following committees: Sunshine—Mrs. Nathaniel Richards, Mrs. Mary Bradley, Miss Elizabeth Brown, Ways and Means—Mrs. Howard Smalley, Mrs. Sara Greenwalt; Mrs. Atwood Johnston, Mrs. Della Othson, Mrs. Nathaniel Richards, Mrs. James Bishop, Mrs. Talbert Chalmers, Mrs. Pusey McCormick.

The committee on visitation evangelism will meet Friday, Feb. 5, at 8 p.m. at the home of Harold Stanley, chairman. Each organization is urged to send one or more members.

The following are representing the adult classes and the women's association: Harold Stanley, Willard Johnston, Mrs. John Murray, Mrs. Frank Butterworth, Mrs. Howard Bradley, Mrs. Miller Darrell, Mrs. David Anderson, and Mrs. Thomas Davis.

## Boy, Sea, Explorer Scout Banquet Planned Tuesday

The Blue and Gold Banquet for Boy Scouts of Troop 55, Sea Scouts of Troop 250, and Explorer Post 251 will be held Tuesday, Feb. 9 at the Masonic Hall in Newark.

All parents and boys who have not purchased their tickets may obtain them from Rowland Gibson, phone 7472, before Saturday noon.

## Square Dance To Be Held At Newark High Gym

The Newark YMCA will sponsor a square dance on Friday, Feb. 19 at the Newark High School gymnasium, with Lester Grandline, caller.

Mrs. K. K. Neiswander and Mrs. C. M. Cooper are working on arrangements. If you wish to join in the fun call either Mrs. Neiswander, Mrs. Cooper or the "Y" office, 6761.

Mrs. Elmer Gallaher, and Mrs. Alice Hammel.

The theme of the program led by Mrs. Bishop, was "The Story of Our Church Hymns." Solos were sung by Jane Hammel, Mrs. Howard Bradley and the Rev. Bishop, accompanied by Romaine McCormick and recordings were played by Miss Hazel Johnston.

Rev. Bishop presided the meeting of New Castle Presbytery held in Dover on Monday.

Mr. Bishop, as chairman of children's work for the Presbytery Committee on Christian Education, has been responsible for arranging a speaking schedule for Miss Vanda Bewell, a representative of the Presbyterian Board of Publications, during the first two weeks in February.

The new voting districts of Pender Hundred were defined at last Wednesday's meeting of the Pender Hundred Democratic Club by Senator John R. Butler. The first district extends from the Maryland line east along the northbound lane of Route 40 to the Glasgow intersection of Route 696, and then the area on the west side of this road north to White Clay Creek Hundred.

The second district includes the whole of the hundred south of Route 40. The third and fourth districts comprise the area north of the Chestnut Hill-Ogletown road to White Clay Creek Hundred, east to Route 696, Marrow Road is the dividing line, with the third district to the east and the fourth district to the west, just beyond the Polish Orphanage. These areas include part of Newark and nearly all of Brookside.

The fifth district is the area defined from Route 896 east to the Crow's Nest along Route 40, up along both sides of Salem Road and north to the Ogletown-Chestnut Hill Road.

This division of the hundreds of this county has been necessitated by the population increase and the daily capacities of voting machines to be used in the next election.

Among the guest speakers at the Democratic Club meeting were Mrs. Belle Everett, vice president of the Democratic state committee, and president of the Women's Democratic Club of Kent County; Mrs. Ruth Haas, president of the Lower New Castle Women's Democratic Club; and Mr. Robert Reed, president of the Kent County Democratic Club.

## EDUCATION LOCAL RESPONSIBILITY

A worried parent recently wrote Mrs. Oveta Culp Hobby, Secretary of Health, Education and Welfare, expressing deep concern over community apathy toward local school problems, especially those of a budgetary nature. In an election involving desperately needed school taxes, the writer observed that, "There were 72 votes cast in our box—in contrast to the several thousand votes cast during the last presidential election. And ours is a neighborhood of young marrieds." Mrs. Hobby, a federal officer, was then asked to do something about the situation.

The answer to a plea of this kind should be painfully clear. Local initiative, local responsibility and local pride are things that cannot be established by fiat nor bought with federal money. Turning to the federal government to solve local problems is a deadly process for people who value freedom. It is suicidal in the case of education.

As Mrs. Hobby warns, "Our public schools began in our local communities, they must stay there. . . . The Federal Government must not interfere in educational matters which rightly belong to the local and State authorities."

## NEWARK IN REVIEW

Twenty-five Years Ago

### New Town Charter

Three attorneys, Charles B. Evans, George L. Townsend, Jr., and J. Pearce Cann have completed drafting a new charter for Newark which will be submitted to the State Legislature to replace the present charter which has grown obsolete with the passage of years and growth of the town.

Two of the most important changes in the new charter are a division of the town into four instead of three districts with two representatives to be elected from each district, and a provision instituting a registration of all qualified voters before each municipal election.

### Civil War Vet Passes

The G.A.R. Capt. Reynolds Post lost one of its last three members when Henry Jacobs, 85, died at his home in Newark, Friday.

Mr. Jacobs, who was born at Billford Crossroads, enlisted in Company E, Fourth Delaware Regiment, of the Union Army at Brandywine Springs, and with Major R. G. Buckingham and Charles Walz, local surviving members of the G.A.R., participated in many important engagements against the Confederate Army.

### Safety Campaign Tops Goal

The four-day campaign of the Delaware Safety Council to raise an operating fund of \$25,000 ended with a total of \$26,244 subscribed. Credit for the success of this drive, was given to the leadership of John K. Johnston, Newark, campaign director.

The Newark team, headed by Ira S. Brinser, was fifth among the 15 participating in the returns.

This is the first time in three years that the Safety Council has made a public appeal for funds. The appeal was made to expand the safety program with particular regard to traffic problems and to educational features in the state schools.

### New School Wing

At a meeting of the Newark School Board it was decided to renew application with the State Board of Education for completion of the new school buildings. The present building consists of a central portion and one wing, with the plans including two wings and an extended central section.

Newark Schools are crowded, each teacher has a larger number of pupils than can be effectively taught, and there is no room to house additional teachers should they be engaged.

### Music Society Officers

The Newark Music Society held its annual meeting at the Knoll at the invitation of Dr. and Mrs. Walter Hultshen, and George H. Ryden was elected president. J. O. G. Duffy was elected vice-president, Miss Freda Ritz, secretary, Warren Singler, treasurer, and Prof. R. W. Helm, publicity manager.

### Social

Last Thursday evening the Continental Band serenaded newlyweds Mr. and Mrs. Charles B. Jacobs, Jr., and Mr. and Mrs. Willy Von Ehren at the home of Mr. and Mrs. Thomas J. Serenell on East Main Street.
