Dear George:

I thank you for your interesting letter of January 2 giving your comments on Mr. Brosens' cable of December 18 relating the conversation he had with President Peron and on my reply to Mr. Brosens of December 19.

All the informations I have received during these last weeks from Buenos Aires have proven how right you have always been in your views on the development of the situation in Argentina. There is no doubt that the only solution to CADE's problem is the sale of all its assets to the Government, and this should be done as soon as possible.

I enclose herewith copy of a letter I received yesterday from Mr. Brosens and also a copy of a letter I wrote to him a couple of days ago.

Sincerely yours,

D.N.Heineman
