Dear Jimmy:

This is just a word to tell you that I would appreciate if while you are in Brussels you would make an inquiry from the Treasurer of Sofina or Sodec as to what may be on my credit in the books of Sodec or Sofina for fees as a director of Sodec. I have unfortunately not kept my personal papers in too good shape and I do not know just what the fees are which are to my credit. It won't do me very much good to have this knowledge for the moment, as the fees, as you know, are not transferable, but it would be useful in the near future probably to know what they are. There is a possibility that in the not too distant future Argentine pesos may be transferable, or at least that some use may be made of them in the Argentine. If you find it inconvenient to make this inquiry, I will make appropriate inquiry directly by letter from the Treasurer of Sodec, but if you can get this information conveniently while you are in Brussels I would prefer to do it in that way.

With all good wishes, and hoping you had a pleasant trip over,

Cordially and faithfully yours,

James H. Heineman, Esq.,
