## ST. JOHN'S INSTALLS FOUR NEW WINDOWS

### Memorial Glass Is Among Those Finished; Work Is Progressing

The installation of stained glass windows at St. John's R. C. Church is progressing satisfactorily, it was disclosed yesterday, with four new windows being completed along with the stone for the large rose window.

The side windows each contain three medallions depicting an incident which illustrates the theme of the window. Then completed, every window will be of stained glass, each covering a particular theme while the set will tell the complete Messianic story.

The general plan was designed by the Rev. E. J. Kraemer and is being executed by Mrs. P. H. Balano, a well-known Philadelphia artist, formerly associated with the firm which installed the famous windows in the chapel at Valley Forge.

The windows, in the opinion of experts, are truly works of art, ranking with the best in this part of the country and are an artistic enrichment to the community, it was said. A cordial invitation is extended the public to visit the church in the daylight hours at any time to view them.

Among the windows already installed is the service windows, its theme is the Redemption. The medallions depict Christ carrying the cross; the Crucifixion and the Pietà—the Virgin holding the dead body of Christ. It contains an inscription from Isaiah, "I am he that blot out thy iniquities, and will not remember thy sins."

The dedication reads: "In loving remembrance of the young men and women from St. John's who served in the Armed Services." This window was dedicated by popular subscription.

On Easter Sunday the high mass will be celebrated at 8:30 o'clock; the low mass at 10 o'clock. Confessions will be heard on Saturday from 2 to 5 and Sunday from 9 to 12.

## VARIED CONCERT BY MALE GROUP HERE MAY 1

### Orpheus Club Plans First Appearance In Newark

In a program featuring familiar folk songs, spirituals, popular semi-classical pieces and other numbers adapted to male choruses, the Orpheus Club, well-known male choral group from Wilmington, will appear here on May 1 under the auspices of the Newark Parent-Teacher Association in the high school auditorium beginning at 8:30 p. m.

Early ticket sales at Rhodes Drug Store, where they will be available until the eve of the event, indicate an enthusiastic reception for the increasingly popular group which will be making its first appearance in Newark.

The club, which is under the direction of Lewis Grubb, is composed of Wilmington business and professional men who have been singing together for twenty-nine years. Founded as a war morale group in 1918, the group has performed annually ever since.

A quarter of a century of public appearances and constant training have fused the fifty male voices in the group into a single rich-toned instrument of highly perfected technique.

The group's current season includes appearances at Seaford and West Chester and will close with a concert at Longwood Gardens.

Conductor Grubb, who is also director of music at the McCabe Methodist Church, is well-known in music circles of Wilmington and Philadelphia. Accompanist for the group will be Mrs. Vivian Ely.

## P.T.A. HOLDS OPEN HOUSE AT SCHOOL; 300 ATTEND

### Group Selects Committee To Name Slate For May Elections

Attendance at the April Parent-Teacher Association meeting last Thursday evening passed all records for recent months, when 300 parents and friends turned out for the open house at the Newark Public Schools. The visitors took advantage of the opportunity to visit with teachers in the classrooms and to discuss first-hand the activities of the school.

Refreshments were served by the Home Economics Department under direction of Miss Mildred Stahlnecker and Miss Harriet Roberts.

At the business session following, a nominating committee, which will draw up a slate of candidates for the P.T.A. election in May, was chosen as follows: George Townsend III, Dr. Charles Lanier and Miss Greta McKinsey. The next meeting will be May 16.

The open forum on the school tax referenda, which was planned for the meeting, centered for the most part on the question of eligibility for voting on the increased tax issue scheduled for Saturday, April 27.

Discussion of the advisability of adopting a new type report card at the school was postponed until the next meeting.

## CHURCH TO HEAR NOTED VOCAL GROUP

### Christiana Presbyterians Plan Program

The Eppley Sisters Gospel Quintette of Manchester, Pa., will appear at the Head of Christiana Presbyterian Church, Sunday evening, April 28, at 8 o'clock.

The five sisters render a deeply spiritual and a very unique program featuring vocal quintettes, soprano and alto solos, artistic piano playing and numbers on the following instruments: Vibra-harp, violin, electric Hawaiian guitar, saxophone, accordions and cathedral chimes.

The group's recent concert tours have included leading churches and radio stations in United States and Canada. Thousands have heard them; churches have been crowded to capacity and many turned away.

Members of the group are graduates of Wheaton College, Wheaton, Illinois; the Dunmore School of Music, Harrisburg, Pa., and are at present special vocal students of Messiah Bible College, Grantham, Pa.

The members of the Head of Christiana Church and their pastor, Rev. Evan W. Renne, extend to all a most cordial invitation to join them in attending the program.

## FOUR FIRES THIS WEEK

### Fodder Rick Burns With Loss of \$75

Four alarms were received by the Aetna Hose, Hook and Ladder Company the past week beginning Tuesday when a fodder rick on the farm of James Smith of Strickersville, Pa., caught fire. Damage was set at \$75.

The fire was caused, it was said, by sparks from a tractor exhaust.

On Thursday, a vacant building, which stood for many years near the Roseville Bridge, was destroyed.

Monday, a grass fire broke out on North Street here, but was extinguished without damage.

Tuesday morning, a tree on the property of Thomas Claringbold, Roseville, caught fire. Only minor damage resulted.

## Sixth Grade Hears Talk By Brazilian Student

Jaindos Santos, a native of Brazil now enrolled in the Freshman class of the local school, gave a talk to the pupils of Mrs. Margaret Koeligs' 6C class, on April 5.

## Forum On School Tax Vote Is Held At P.T.A. Meet Here

A discussion of the forthcoming school tax referenda was held in an open forum at last Thursday's P.T.A. meeting with Henry Wolf presiding.

Among those addressing the chair was General Paul Rinard, former State Senator. Mr. Rinard, advised against the use of a capitation tax and pointed out that a local tax, rather than help from the state, is the most desirable means of raising the money being sought for the local schools.

Superintendent Wilmer Shue in turn explained the need for passing the proposed referendum, pointing out that the school has at the present time a deficit, and that in order to staff the classrooms with an adequate and efficient teaching force raises in salaries for the teachers are necessary.

In an interview today Superintendent Shue stated, "It is hoped that the generous response of the people at this meeting is an indication of their interest in the schools, and that future meetings will show a like interest and similar attendance."

## OFFICERS NOMINATED AT CENTURY CLUB MEET

### 25 New Members Guest Of Honor; Club Business Session Is Held

Twenty-five new members were guests of honor at the New Century Club's meeting Monday afternoon, when officers for the coming year were also nominated at the business session.

Mrs. R. O. Bausman was named candidate for president and Mrs. M. L. Draper for first vice-president. Others on the slate, which will be up for election at the next club meeting, are: Mrs. C. E. Douglass for second vice-president; Mrs. A. E. Wyatt, recording secretary; Mrs. E. B. Milburn, Jr., assistant recording secretary; Mrs. P. F. Pie, corresponding secretary; and Mrs. C. R. Runk, treasurer.

The club also voted to make its two annual student awards, one to the outstanding art student in the Newark Senior High School and the other to the pupils in the graduating classes of the Senior High, Junior High and the Colored School who best combine preeminent qualities of scholarship and good citizenship.

The sum of \$10 was voted to the American Cancer Society for its current drive, and the members approved a plan to contribute a book to the Edna Bussey Warner library at the Women's College and another to the Newark Public Library.

The group also agreed to continue its aid to the Latin-American Scholarship at the University of Delaware.

## FINAL CONCERT OF YEAR

### Newark Music Society Offers Curtis Quartet

The Curtis String Quartet and Ralph MacLean, clarinetist, will be presented in a program of works by Mozart, Debussy and Shostakovich, in the final concert of the season by the Newark Music Society, Tuesday, April 23, at 8:15 p. m., in Mitchell Hall.

The Curtis String Quartet is well known to a Newark audience, having appeared here during the last two seasons. This group of four, Joshua Brodsky, Marguerite Kuehne, Max Aronoff and Orlando Cole, has won approval for its fine ensemble playing, its clean-cut artistry and its evident enthusiasm for the music being offered.

Mr. Ralph MacLean is solo clarinetist with the Philadelphia Symphony Orchestra, and he has played with the Curtis String Quartet in the Town Hall Series of Chamber Concerts which were so well received by Philadelphia music lovers. Mr. MacLean and the Quartet will play the Mozart Clarinet Quintet.

An earlier announcement stated that the American Woodwind Players would be presented at this concert. This organization has disbanded. The executive committee of the Music Society was very fortunate in being able to program the Curtis String Quartet and Mr. MacLean for the evening of April 23.

## RULES FOR VOTING ON REFERENDA ARE GIVEN

### Registered Voters Are Qualified. Board Says

Question as to eligibility for voting in the school tax referenda, which will be held Saturday, April 27, was raised in several quarters this week.

In a statement issued yesterday, school board officials said that any citizen who is properly registered with the Registration Commission is qualified to cast a ballot. This would include anyone eligible to vote in a general state or national election, it was said.

As announced previously, separate hours have been listed for voting on each referendum, as required by state regulations. Voters may file their ballot on the first referendum on the \$300,000 bond issue from 1 to 3 p. m. on the 27th, while voting on the second referendum covering maintenance and salary proposals will be from 2 to 5 p. m. the same day.

Heavy voting is forecast on both issues as interest in the questions steadily mounts. Some quarters predict a turnout of about 800 voters, which would be a marked jump over response to former school elections. Estimates as to the number of citizens in the Newark Special School District eligible to vote are unavailable, it was said.

Voting will take place in the high school building. The new tax rate proposed by the referenda is 40 cents on \$100 of assessment, an increase of 20 cents over the present rate of 12 cents.

## 21 SCHOOLS TO JOIN IN BAND AND CHORUS FETE

The largest number of high school students ever to visit the University of Delaware campus on a single day is expected to be in Newark on Friday, May 3, to participate in the first Band and Chorus Festival held here, it was disclosed today.

Music directors at twenty-one schools throughout the State already have indicated their intention to participate in this non-competitive all-day festival in which it is now estimated nearly 1,400 students will take part. It was stated by Walter L. Mitchell of Wilmington High School, who is president of the Delaware Music Educators' Association.

The principal purpose of the festival, which is sponsored by the University of Delaware and being planned in conjunction with educational administrators and music teachers throughout the state, is to develop music and interest in it among students in communities throughout Delaware.

## New Organ For Easter Services At Local Church

The Bible Presbyterian Church's new organ, which has arrived, will probably be installed for the Easter services, the pastor announced yesterday.

The instrument was produced by the Hammond Company and is their best make, he said. It is improved over the old type by a new reverberation control which gives the effect of an echo organ. It was purchased at a cost of \$2,200.

At the annual congregational meeting recently, the following new officers were elected: Elders, Mr. Raymond Jackson and Mr. Clarence Smith; Deacons, Mr. Paul O. Veit, Mr. Evans Watkins, and Mr. Cecil Cresswell. The officers retained were: elders Joseph Brown, Reuben Reynolds, H. Lloyd Yarnall and Mr. G. J. Groh; and deacons, Harry Beers, Gustavus Blackson and Mr. August Toiyonen. These officers will be ordained and installed on Thursday evening at the communion service.

The Easter Services will be held on Sunday at the usual hours. Sunday School begins at 10:00 o'clock which will be followed at 11:00 o'clock by the Morning Worship service. At this time the pastor will speak on "The Fact of The Resurrection." The evening service will begin at 7:00 o'clock, when the theme will be "Jesus On The Evening of His Resurrection Day." At both of these services there will be special music by the choir.

Everyone is cordially invited to attend.

## LIONS HEAR MATTHEWS

### Inflation Discussed

Inflation as it applies to the layman was discussed by E. F. Matthews, treasurer of the Newark Trust Company, at the weekly Lions Club dinner meeting here Tuesday night. Lion Matthews was also program chairman for the evening.

Rising prices are due principally to three causes, the speaker said, namely: increase in supply of money, rate of turnover of money supply, and the quantity of commodities available to meet demands.

About forty members attended the session at which President T. D. Smith presided.

## RIDERS

of Nos. **4-41-51-52** Coaches

Here's a suggestion to save you time — make  
your trips more convenient, more comfortable

### Colonial Heights Residents

In going home from the city in the evening  
rush hour, take a No. 4-1 Coach if it comes  
along first. Ask for a Transfer and get off at  
Lancaster Ave. and Union St. There, take the  
next No. 4 Coach for the rest of the trip home.  
The No. 4, by this time, is less crowded—assuring  
you a more comfortable ride. By our  
schedule, a No. 4 immediately follows a No.  
4-1 so that you have only a short wait at Lan-  
caster Ave. and Union . . . and most times  
there's no wait at all.

### Bellefonte Residents

When you're going home from the city in the  
evening rush hour, if a No. 4 Coach comes  
along first—take it. Obtain a Transfer and  
alight at 44th & Market Streets; pick up the  
next 4-1 Coach for the rest of the trip home.  
By this time, the No. 4-1 is less crowded and  
you have a more comfortable ride. Our sched-  
ule is to have a No. 4 immediately precede a  
4-1. Therefore, you seldom have to wait long  
at 44th St.—most times, there's no wait at all.

### Silview Residents

If a No. 5-1 Coach comes along first in the  
evening rush hour, when you're going home  
from the city—take it. Obtain a Transfer and  
alight at Boxwood Road; pick up the next 5-2  
for the rest of the trip home. By this time,  
the 5-2 Coach is less crowded—thus you have  
a more comfortable ride.

Our schedule is to have a No. 5-2 immediately  
follow a 5-1. Therefore, you seldom have to

wait long at Boxwood Road . . . most times, in  
fact, you have no wait at all.

\*\*\*

Like many of our passengers on these routes,  
you'd find it's time-saving and convenient to  
follow this plan. By waiting briefly for  
coaches at transfer points—RATHER THAN  
IN TOWN—you get home more quickly, help  
avoid congestion and heavy loading in the  
evening rush hour. Try this method just  
once . . . and you'll want to use it always be-  
cause of the time and trouble it saves you.

## ALUMNI TO HEAR SYPHERD

University Head Graduated Here Fifty Years Ago

Reminiscences covering a period of over fifty years at the University of Delaware will be narrated by Dr. W. Owen Sypherd, president, at the annual Alumni reunion here on May 18. Dr. Sypherd, who is the only scheduled speaker for the affair, graduated from the university here just one half century ago.

Tentative plans for the event have been announced by Joseph M. Cherpak, alumni president. Chairman of arrangements is C. Thomas Attix of Wilmington, a 1921 graduate. On his committee are Harry G. Lawson, '06; John V. Postles, Philadelphia, '11; Harvey C. Bounds, Newark, '16; Lewis H. Kramer, '26; Samuel Krewatch, Carney's Point, N. J., '31; James H. Hallett, Jr., '36; and John E. Doordan, Newark, '41.

The reunion will open with a business meeting in the field house at 2 o'clock, followed by a baseball game at 3 o'clock between teams of the University of Delaware and Johns Hopkins University, Baltimore.

The annual dinner will be at 6 o'clock in Kent Hall of the Women's College. It will be buffet style. Because of the lack of facilities, it is not being held in Old College Hall, usual site of reunion dinners.

## U. D. HOUSING PLAN URGED

Suggested By Women's Group

Urging the use of temporary facilities for housing women students at the University of Delaware, the state division executive board of the American Association of University Women passed a resolution setting forth that the state board express to the trustees of the university its concern over the lack of housing facilities and urges temporary facilities, "pending hoped-for action by the next session of the legislature in appropriating funds for a badly needed new permanent dormitory for women on the lower part of the campus."

"We are deeply concerned that, if veteran registration increases as expected, there will not be adequate housing at the university within the next two or three years for Delaware girls who are now in our high schools and who wish to attend the university," the board said further in the resolution.

## Yes, We Are Moving to 54 East Main Street

About May 1st

Yes, it's true we've been given a short notice to vacate our present "little house."

Yes, it's true it came at the height of our Spring Season and we've been upset . . . in fact, we've been very upset!

Yes, it's true we've purchased the big yellow house across the street, (the old Pemberton home-stead) at 54 East Main Street, and remodeling is going on at top speed.

Yes, it's true we're building an addition along our private lane that will make our Shop four times larger than our present Shop . . . and even larger, when needed!

And, so, may we at this time, thank each and every person who has made a purchase from us since August 1943 and assure you that our new Shop—Peggy Cronin Fashions—will be dedicated to you—your fashion needs . . . your fashion fancies . . . and to "Nationally Famous Fashions" at prices you enjoy paying.

## 7 PLAYS IN U. OF D. FESTIVAL

4th State  
Drama Fete  
On April 27

All phases of the contemporary theatre are represented in the "Feast of Theatre" which will be presented by the Fourth Delaware Play Festival scheduled for the University of Delaware in the afternoon and evening of Saturday, April 27.

Since reports on the trials which determine the final selection of plays are not yet all in, Dr. C. R. Kase, director of dramatics at the university, it is not possible to announce definitely what plays will be seen in Newark at the Festival. He added, however, that entries in the Festival include plays by Eugene O'Neill, the leading American playwright, and Noel Coward, leading English playwright.

Comedies as usual are a great favorite and include cuttings from SNAPU and THE GREAT BIG DOORSTEP, and the one-act plays FOURTEEN, by Alice Gerstenberg, MANIKIN AND MINIKIN, ANTC SPRING, and LADIES ALONE. Among the more serious plays are THE GREAT DARK, by Dan Tabor, and the social drama, LAWD DOES YOU UNDERSTAND.

By the elimination of any admission fee, the University has made it possible for the public to enjoy the complete Festival program at no expense. In addition to witnessing seven plays by the best school and community theatre groups in the State, the audience will have the additional opportunity of hearing comments on the performances by one of the leading theatre directors in the country.

According to the schedule announced for the Festival, four plays by public and private schools will be given in the afternoon, beginning at 1:00 p. m. and three plays by community theatres in the evening, beginning at 8:15 p. m. All performances will be given in Mitchell Hall.

### IN MEMORIAM

In loving memory of our dear son, Howard A. Messick, who passed away April 19, 1928.  
The fairest of lilies are the fairest to fade,  
The sweetest first to fade,  
The fondest, dearest, best of all,  
At peaceful rest is laid.

As some sweet blossom droops and dies  
When blighted by the frost,  
He faded from before our eyes  
And all too soon was lost.

But in God's garden free from pain  
Where grows his forest flowers  
We know that we shall meet again  
This fairest bloom of ours.  
Loving, Mother and Dad.

NEWARK, DELAWARE

There seems a great deal to be said about the apparently unwarranted and prejudicial item that appeared in last Sunday's Star wherein two Newark policemen were charged with unmercifully beating a malaria-suffering G. I. and Town Alderman Rumer is alleged to have fined the defendant \$20 without specific charge, then refused to give a receipt.

Considerable interest was manifested at the scheduled Tuesday night hearing. Spectators crowded the narrow confines of the magistrate's office, the stairs leading to his office and even the sidewalk in front of the council office. As one person put it . . . you would have thought it was a three-ring circus instead of a simple hearing before magistrate's court.

The whole upshot of it all amounted to exactly nothing . . . so far. Attorney Wise, representing the defendant, and Attorney Handloff both bustled officiously about consulting the Code Town Ordinances and numerous hastily scribbled notes on backs of envelopes, slips of paper and whatnot.

Judge Rumer nonchalantly chewed a toothpick, Police Commissioner Battersby puffed his cigar and the defendant, Charles Williams, a nice-looking, clean-cut lad stood quietly by interestedly taking in all the proceedings.

The town was well represented with Mayor Hubert inconspicuously present. Police Chief William Cunningham and Officers Morrison, Hill, Wideman, Smith, Tibbets and Robinson all there . . . with Councilman George Ramsey thrown in for good measure.

Several witnesses sat quietly waiting to be called. It still puzzles us what Bill Clancy, Jolly Handloff, Grover Surrat, Stanley Gibbs, and ourselves were doing there unless it was just out of curiosity. We think the Judge would have done well to charge admission for he probably will never have a more interested group of non-interested spectators at a trial.

And, all for nothing. The show fizzled. After consultations in which the opposing attorneys agreed to disagree the feature was postponed until seven o'clock Wednesday evening, April 24. Rain checks were not issued but all were extended a hearty invitation to return at that time with the admonition that no seats would be reserved.

Possibly you feel that we are treating this serious affair a little to optimistically but in truth we think a mountain is being made out of a molehill . . . on the basis of what we have heard, thus far.

We may be wrong, but . . . we predict that nothing definite will be done. With the defendant reportedly about to move to Elkton and the postponement already in effect we have an idea that this thing, like so many others, will eventually slip from notice and die a natural death.

And that might be a good thing for all parties involved. Already too much bad publicity has been given the affair . . . and some of its drastically inaccurate if usually reliable sources are correct.

Simply in the effort to present the other side of the picture and to do local law enforcement officers due justice, we recant.

In its issue dated April 14, 1946, the Sunday Morning Star said: "What may prove to be sensational . . . is a case on a yet unknown charge against a twenty-two year old veteran who claims police gave him a brutal beating when they burst into his home, dragging him from bed to put him in jail."

Williams' story, quoted in the Star, said in part: "One cop hit me on the side of the head. They didn't quite knock me out and they stopped during the three blocks to the station and hit me again until I could hardly stand up. When they got me to jail, I remember one of them kicked me and they shoved me into the cell. One cop knocked out my front teeth. After that I didn't know anything until 5:30 the next morning. . . . My wife paid Magistrate Rumer \$20.00 and they let me go. . . . I don't know yet what they got me for. . . . they didn't give my wife a receipt but finally he gave us one dated Sunday."

That, in part, says the Star, is Williams' story. Other sides of the story to be considered are avowals by officers sworn to uphold the law that Williams was drunk, that he had been involved in creating a disturbance in two other places prior to his arrest and that he was bruised and his teeth out from fistfuffs occurring prior to his arrest.

Tibbets and Robinson, the two arresting officers, alleged to have beaten Williams, have been on the force some years. They are both good, conscientious officers. They both have been in the armed service and would not, we think, take any undue advantage of a fellow G. I. in trouble.

These officers say they did not strike or kick Williams, and we believe them. If he was sick as he claims, he wouldn't have been able to put up much resistance to arrest. Thus why would the officers want to beat him up?

Williams is said to have been drunk in the Washington House. The taxi driver who took him home said he was drunk. The officers claim he was drunk. Personally, we believe he WAS drunk and NOT sick from malaria. What you or anybody else thinks is his own affair. We have no interest in the case from either side other than to see the truth told and justice done.

And, the only purpose of this appearing in print at all is in the attempt to remove some of the stigma placed on local officers by the Star's published account of an incoherent

## JACKETS SHUTOUT A. I., 3-0 FOR FIRST WIN OF YEAR; FACE ELKTON ON TUESDAY

**Silk Goes Distance For Jackets; Suppresses Two Scoring Threats By duPonters By Strikeouts With Bases Loaded In Fifth And Sixth**

After ringing up their first victory of the season, a snappy 3-0 shut-out over A. I. duPont on the athletic field here Monday afternoon, the Yellow Jackets face an unknown quantity when they meet Elkton High before the home fans here next Tuesday afternoon.

Their first victory in three starts, the A. I. triumph provided some much-needed confidence for the Newark club which went down previously to Brown Vocational and Claymont.

The Jackets met Wilmington High on the local field yesterday afternoon, the score being unavailable when the Post went to press.

Against A. I. duPont on Monday, Tom Silk, who went the distance for Newark, yielded seven hits but refused to crack under pressure and twice saved the day when, with the bases crammed, he struck out his final man to retire the side.

In a black moment in the first inning, A. I. men quickly filled the bases, but, with two outs, Silk whiffed Stoefel to smother the scoring threat. Again in the sixth, the duPonters littered the bases, but Silk once more settled down to strike out his man for the final out.

Although they collected only five safeties, the Jackets made them good, scoring one run in the opening inning and adding others in the fourth and sixth. Third sacker Davis, who poled two safeties, was top batsman for Newark.

Against Brown last Friday afternoon in a game played in Wilmington, the Jackets boasted a 3-1 lead in the third, but weakened in two frames to give the city lads a 7-run scoring spree. The Jackets, whose hitting has been on a par with their opponents, notched 10 safeties against 11 for Brown. Outfielder Walker collected three to make him the outstanding Newark slugger of the afternoon.

story that sounds just a little fishy to us.

Incidentally the taxi driver who took Williams to his home on that ill-fated Saturday night WAS Bob Marston and NOT Bob McFarlin.

## Legion Essay Contest Entries To Be May 20

High school students planning to enter the nation-wide essay contest sponsored annually by the American Legion Auxiliary will submit their entries by May 20, it was announced this week.

Entries from the Newark High School will be screened by the local unit and the best will be passed on to State Department Judges who will examine entries from throughout the state and turn the winning theme over to National Legion Auxiliary judges for final eliminations.

Local judges who will consider entries by students of the Newark High School have not been named as yet, it was said this week.

## ADDRESSES ROTARIANS

An outline of problems faced by military authorities in reorganizing the new National Guard was given by Brig. Gen. Paul R. Rindard to members of the Newark Rotary Club at their regular weekly meeting here Monday evening. Program chairman was Johnson Reeves.

Plans now underway call for a new guard with officer strength of 90 percent and enlisted men strength of 80 percent of wartime requirements, he said, with the entire organization ready to mobilize within four hours if an emergency should arise.

Plans for the Delaware organization include provisions for an AA unit and a coastal defense outfit as in the pre-war set-up, plus an air unit, which will be a Wing of the 142 Fighter Squadron with headquarters in New York. The Wing assigned to Delaware will be stationed at the New Castle Air Base.

Volunteers accepted for the guard air force will be trained by regular army air force units and, after passing their course, will become members of the National Guard unit.

Visitors present were: Hans Bodeling, Chester, Pa.; J. T. Ellison, New Castle; Robert Quillan, New Castle; and William Gillespie, Butler, N. J.

Next week's meeting will feature a General Electric sound film on Electronics. Jerry Weinberg is program chairman for the evening.

## DELAWARE PARK STAKE LIST HITS NEW HIGH OF \$165,000 TOTAL PURSE TOPS \$800,000

**Some Of Nation's Outstanding Horses Are Entered In Events; Wilmington Handicap Is Opening Day Feature Planned For May 29**

M. C. (Ty) Shea, racing secretary, and his aide, J. G. (Gil) Haus, expressed the opinion that the Delaware Park stake list, aggregating a new high of \$165,000, will include many of the outstanding horses in the country. Eleven of the 13 stakes on the program, running from May 29 to July 4, closed last Friday.

Without having final figures at hand, Mr. Shea asserted the total number of entries already was a new Delaware Park record. In all Delaware Park's total purse distribution will exceed \$800,000.

The most impressive of the stakes are the three \$25,000 events—the Kent, the Sussex, and the New Castle. There are two, the Delaware Oaks and the second State stakes, carrying \$12,500 added, which closed last August and which will gross more than \$300,000 each. These carry the future earnings and have been increased to \$10,000 added for 1947 with proportionate gain in gross value.

First on the list is the opening feature on May 29, the Wilmington Handicap, carrying a purse of \$7,500 added for three-year olds and upward at six furlongs. Three others are at the same value, including the Memorial Day top number for two-year olds fillies. This is called the Polly Drummond and is over the five furlong track. The others are the Christmas Stakes an event for two-year old colts and geldings at five and a half furlongs and the Dover Stakes for two-year olds of any description also at five and a half furlongs. The Christmas is to be run on June 22 and the Dover closing day, July 4.

The Delaware Oaks, first of the futurity numbers, will be run June 5 at a mile and a furlong for 3-year old fillies and the second is for 3-year olds at the same distance, labeled the Diamond State, running June 22. The other three stakes are for the jumpers. These begin with the Delaware Spring Maiden on June 13, carrying \$5,000, while the others are the \$10,000 Georgetown on June 27 and the \$10,000 Indian River on June 3, both for four-year olds and upward.

## What's your Insurance Question?

"You didn't mean to bite anybody, did you Shag? And now maybe we're in real trouble, Dad says..."

**Insurance Question:**  
If your dog injures someone—a neighbor, perhaps, the delivery boy, or even a stranger passing by—can you be held responsible?

**Answer:**  
Yes, if your dog causes injury or damage, you may be sued—and you may be forced to pay a large amount of money. That's why it's smart to have the protection of Hartford "Damage Suit" insurance. Costs as little as \$10 a year, protects you and your family against damage suits arising from a wide variety of causes.
