JH-Perronal 106 October 29, 1954 Mr. George S. Messersmith Sierra Paracaima 1285 Mexico 10, D.F., Mexico Dear Mr. Messersmith: I wish to thank you and Mrs. Messersmith for the many kindnesses you extended to me during my all too short stay in Mexico. It was awfully good to be with you both again. I was also very happy to have spent as much time as I did with you. but wish we could have seen more of each other. I arrived yesterday afternoon after a good flight and cabled father to say that I was back in New York. I understand that Nat is now planning to be here about the 10th of next month and as soon as I hear more about his definite plans, I shall let you know. I shall be writing to you more fully very soon but, in the meantime, just wanted to get this word off to you to thank you again for contributing so much to making my visit in Mexico a most pleasant one. Very sincerely. James H. Heineman JHH: pm
