Wednesday.

Dear Frances,

I'm getting your letters. Many thanks. I would like to write fully but I have no stenographer & simply can't write fully by hand. I shall get one of the excellent stenographers to come and. for me.

The work is going well. We see many people. I think we will not have too great trouble to put plan over. The people here seem to like me & have

tested me, and all goes very well.
They think our plan is instructive.

Your father & Yvonne arrived
Monday morning and had good luck.
Mae & her husband were here &
returned to Sheffield last evening.
She is looking very well & seems
very happy.

Your father is in good shape.
He goes to Brussels tomorrow.
Mae & I go to Brussels
next Tuesday or Wednesday for
a week & then return here.
