NEWARK, DELAWARE, NOVEMBER 7, 1923.

NUMBER 40

TOWN COUNCIL FOR SITE CHANGE

Finally Agree to Delaware Ave. Lot for Proposed Post-Office

MUST OPEN DRIVEWAY ON COLLEGE TRACT

Department Architect's Recent Appearance Here Encourages Mayor

The Town Council in session assembled Monday night voted their recommendation that the lot at the corner of South College Avenue and Delaware Avenue, now owned by the Government, be turned over to the University of Delaware for a lot of similar size located further down Delaware Avenue, east of Wolf Hall. In so doing, the Council made the provision that a driveway, now planned on the University development program, be opened in the vicinity of the new Government lot, to facilitate traffic and the convenient delivery service from the building.

The proposed trade in real estate comes as the result of efforts on the part of the University authorities to widen South College Avenue from the old Library to Delaware Avenue, and to remove the last obstacle in their plan of future development of the entire Depot Road district.

When first the question of an exchange came before Council on July 2nd of this year, it was voted down. Then on October 3rd of this year the matter was revived. Although championed by Mayor Frazer and other members of Council, the proposal was tabled and no definite vote taken.

On Monday night, however, the Councilmen, on motion of Mr. Beales, revoked their former decision and recommended the change.

It was felt by the members of Council that in passing this recommendation both the town and the University will have been satisfied and that knowing this, the Post Office department would undoubtedly place Newark on the list of towns to have new post offices very soon.

A Mr. Simon, said to be a representative from the architect firm in which the Government has placed all post office plans, visited Newark Saturday, and, escorted by Mayor Frazer, Dr. Walter Hüllihen and A. G. Wilkinson, looked over the two lots in question. He intimated that the Post Office authorities would not accede to any proposition involving a larger expenditure of funds as their budget had been forced to the limit. He stated that the Delaware Avenue lot, near Wolf Hall, would be quite suitable to the needs of the Department.

The driveway named as a proviso in the recommendation is marked out on the "development plan" of the University architects and winds through the lower campus about Wolf Hall.

Mayor Frazer and Councilmen were very much encouraged over the prospects of a new Federal Building.

It is evident that the lot at the South College Avenue corner is preferred by many residents, but it is not believed that a great deal of objection will be made to the exchange. The Council was of the opinion that the present lot will make an admirable site, and will open up Delaware Avenue as more of a business street than ever before.

Other Business

With the exception of the post office lot matter, the November meeting was productive of little business. Routine matters were discussed and disposed of.

Mrs. Hossinger, secretary, reported the sum of \$1337.29 in the treasury November 1st.

The matter of payment for the erection of the Fire Siren for the Fire Company shaped up as a real issue, and for some minutes Council hesitated in taking action. Mr. Wilson stated that the town should pay the entire bill. It was evident that some objection had been raised at the last minute, and when the bills were presented for payment, the fire siren bills were voted upon separately. After some hesitancy, Mr. Colmery moved they be paid from the Town funds, and the motion carried. It was evident that everyone felt some what relieved.

The secretary was ordered to inform the Newark Department Store management that trash and waste

TO GIVE "PINAFORE"

Benefit Show For Century Club Sometime In March

It was announced yesterday that the men and women of Newark will present Gilbert and Sullivan's famous light opera "H. M. S. Pinafore" sometime next March.

Preliminary plans are now under way, but a cast has not as yet been selected. This will be done in the near future, and active work will start in plenty of time to allow for delays. This production will be most elaborately staged and many local stars familiar to Newark audiences will again appear.

FINES WILD DRIVER

Wilmington Man Falls In Toils Of Law

Adair Darnado, of 1613 Holland Street, Wilmington, was arrested Monday of this week by County Policeman Jones, charged with operating a machine while under the influence of liquor.

When arraigned before Magistrate Thompson, the prisoner was fined \$150 and costs.

Failing to pay the fine, Darnado was committed to the New Castle County Workhouse, Tuesday.

LOCAL PEOPLE TO FEATURE MUSICAL

Changes In Program Made for Affair In Century Club On 15th

The music committee of the Newark New Century Club announce that they have been obliged to make a change, and will not be able to have Miss Frye sing at their concert, to be given on Thursday evening, November 15, at 8 o'clock, in the club house.

Instead they will give a concert of local talent. The musical talent of Newark is exceptionally fine, and a splendid program has been provided.

Those assisting are Miss Dora Wilcox, Professor Mosher, Mrs. J. P. Cann, Miss Eleanor Duffy, Professor George Ryden, Mrs. Roy Sparks, Miss Ann Ritz, and Miss Jane Dutton.

The concert will be free, and all music lovers are cordially invited to attend.

PURE BRED CATTLE FOR NEWARK FARM

S. J. Wright Purchases Carload of Guernseys For His Place on Chestnut Hill

HAS IMPROVED BARN

A carload of pure bred Guernsey cattle from Kennebunk, Maine, arrived in Newark yesterday consigned to Samuel J. Wright, head of the Continental Fibre Company and one of Newark's pioneer business men.

Mr. Wright has made extensive improvements upon his place, "Tip-Top Farm" on Chestnut Hill near town, and here the new stock will be quartered.

A splendid registered Guernsey bull came in the consignment, and it is believed that Mr. Wright will start building up a big herd of these cattle.

The car was in charge of an attendant who made the entire journey with his valuable charges.

Repairs and remodeling to the amount of about \$10,000 have been made to the Wright farm in the past year or more and the barn wherein the cattle will be housed has been made modern and convenient in every detail.

A paper must not be openly burned at the rear of the store after sundown.

The milk report submitted by Roland Herdman, was read and approved, all the dealers being well within the law on both bacteria and butterfat.

Permission was granted to J. C. Vansant and Son for the erection of another gasoline pump in front of their garage by Mayor Frazer some days ago. Council voted to uphold the Mayor in the matter.

As there was no more business to be brought before the body, the meeting was adjourned.

BIG BOOZE HAUL HERE MON. NIGHT

County Officers' Shots Stop Driver After Truck is Nearly Ditched

Approximately 350 gallons of pure grain alcohol loaded in a big truck was confiscated by State and County officers along West Delaware Avenue, just above the residence of Dr. Walter Hüllihen, about ten o'clock Monday evening.

The big coup was made by State Detective Chandler, Constable L. C. Jones, and State Policeman J. R. Jones. The latter regularly patrols the highways in and around Newark and is well known here.

The occupants of the truck gave their names as Norman Watson and Charles Watkins, both of Baltimore. It is believed that the truck was enroute to the Maryland city when captured.

Chased from City

The attention of the officers was first attracted to the truck when they ordered it to slow down when crossing Market Street bridge in Wilmington. As the officers were on the trail of an alleged robbery near Christiansa, they dismissed the matter. Later, however, they again picked up the truck on the Glasgow-Newark road. It was then that Detective Chandler played a "hunch" and made an effort to stop the truck and see what was inside. The driver, however, attempted and nearly succeeded in ditching the officers' machine, and proceeded on.

Bowling along at a high rate of speed the truck entered Newark and turned up the slight grade into West Delaware Avenue from Depot Road.

The officers then managed to corner the truck, but it was not until several shots from the revolvers of Chandler and Constable Jones that it came to a halt.

One or more of the shots took effect in the alcohol containers, as excited townspeople, attracted by the shooting, pronounced the odor very strong in the vicinity.

The truck and two occupants were taken into custody and ordered to proceed to Wilmington. They were held in \$1000 bail each by Magistrate Stradely yesterday morning.

The pursuit of the truck and its final capture did not involve the local police authorities. Chief Lewis, however, was on hand just after the arrests were made and stood guard over the truck before it left for Wilmington.

The shots were plainly heard by residents over the entire western section of town.

Mr. Chandler had no intentions of halting the truck until his suspicions were aroused by its high rate of speed and the round about route it was taking.

As far as can now be learned, the seizure marks the largest single haul made in this county since the Volstead Act went into effect.

TEARING DOWN OLD BUILDING

Gamble Property On Main Street Gives Way to College Program

Active work in furthering the development plans of the University went under way late last week, when workmen started tearing down the old Gamble house on Main Street near the Library. Miss Bertha Gamble vacated the building several weeks ago.

The status of the meat store of Charles P. Steel and the College Book Store remains unsettled. Both these properties are to revert to the College in the course of a few weeks, and they will also be cleared and improved, opening up a clear vista from Main Street to the Women's College. Mr. Steel it is understood is planning to continue his business in another part of town if a site can be procured.

ANNOUNCE SALES

The Farmers' Trust Company, in an announcement in another part of the Post this week, calls attention to a proposed series of Auction sales in which the farmers of the vicinity may have a public exchange for the disposal and purchase of farm machinery, live stock and implements. The sales will likely start sometime after Christmas.

PROSPECTS BRIGHT FOR EARLY START ON STATE MEMORIAL LIBRARY HERE

Committee Hopes to Have Foundations Started Before Cold Weather Arrives; Plans Ready Except For Few Minor Changes

Although hampered and delayed for many months by unforeseen obstacles, the work on the new State War Memorial Library on the lower campus of the University will in all probability be started within a few weeks.

In an interview with Dr. Walter Hüllihen, a member of the Building Committee, it was learned that efforts are being made to raise a sum of about \$80,000 by means of additional subscriptions from those who have already pledged large amounts.

It is understood that this amount must be in the Library treasury before the building can be safely put under way. There will be nothing done until the committee is assured that the work can be completed with funds on hand.

After deducting losses due to mistakes in filling out pledges by citizens of the State, and the amounts to be set aside for maintenance and stocking with books, the committee had left about \$225,000 with which to build. The plans then were altered to fit the decreased appropriation, and later, the high cost of building materials prompted a further delay until this fall.

Many heavy subscribers have considerably increased their pledges to make up the \$60,000 funds, and the committee is still hoping to have the balance in hand within a very short time. In many cases the citizens who gave heavily to the fund have further

EXPERTS LIKE NEW LIBRARY

Dr. Walter Hüllihen, H. Rodney Sharp and other members of the Memorial Library Committee have been busy the past few months in gathering expert advice and criticism of the proposed new Library, both from eminent librarians from other Universities and from prominent architects.

Of chief importance in this effort to have everything right, was the comment made by a member of the National Fine Arts Commission in the Congressional Library in Washington. This commission is probably the greatest group of authorities on public buildings in the country.

When the commission saw the plans and sketches for the Library in Newark, one of the members exclaimed,

"This building will add distinction to any campus."

increased their pledges twenty per cent.

As soon as the committee can see its way clear financially, ground will be broken, and it is hoped that a part of the foundation and grading work will be completed this month.

CRASHES THROUGH P. R. R. SAFETY GATES

Charles Clark Again Figures In Smash-up Last Sunday Morning

Charles Clark of this place, driving a Ford roadster belonging to Francis Moore, owner of the Newark Inn on East Main Street, crashed through the safety gate on the north side of the Pennsylvania Railroad crossing at the Depot Road Station last Sunday morning about 11.30.

According to witnesses of the accident, the 11.40 northbound train was standing at the station, and both gates had been down for several minutes. The light car approached the crossing at a high rate of speed. Clark applied the brakes, but too late to avoid the crash.

The car tore off the gate and broke the iron casting at its base. Neither Clark nor the other two occupants of the car, Vola Eubanks and Leo Moore, were injured. The car suffered a broken windshield and top, and other damages.

Several people standing on the station platform were of the opinion that the young people were very fortunate in that there was no train approaching on the south bound track. Had there been, a terrible accident would have occurred.

This was the second incident in which spectators received a shock at the crossing on lower Depot Road. On Wednesday last a big sedan missed being demolished by an express train by a matter of inches.

COUNTY FARMERS TO EXHIBIT IN CHICAGO

M. O. Pence to Have Charge of Display at Exposition

Members of the Delaware Corn Growers' Association are sending exhibits of corn, wheat and soy beans to the fifth International Grain and Hay Show to be held at Chicago, in connection with the International Live Stock Exposition, December 1 to 8. The Chicago Board of Trade has provided 1250 premiums aggregating \$12,000 for best exhibits of corn, grain, and hay at the show. The purpose of this great show is in the interest of better crops, better markets and a better agriculture.

Delaware has heretofore been represented in a small way because no

represented the state and exhibitors at the show. M. O. Pence, Secretary of the Corn Growers' Association, will take charge of the exhibits this year and is now co-operating with the County Agents in all three counties in securing exhibits.

The following farmers and corn growers of New Castle County will send exhibits to Chicago: J. B. Stahl, Greenville; Fred Trimble, Hockessin; Wilson Pierson, Hockessin; J. Howard Mitchell and Sons, Hockessin; A. S. Whitlock, Odessa, and Joseph Pierson, Hockessin. Sussex and Kent Counties will also be well represented with exhibits, the former especially with soy beans.

AUTO TURNS OVER; TWO ARE DROWNED

Felton Men in Tragedy Near Cooch's Bridge Yesterday

HAD BORROWED CAR FOR TRIP TO DOVER

Men Pinned Under Light Car in Two Feet of Water

EFFORTS TO REVIVE ONE MAN FAIL

Herman Calloway and a companion named Anthony, the former from near Felton, Del., and the latter a resident Felton, Del., had the latter a resident yesterday afternoon about four o'clock, when the Ford touring car in which they were riding, left the highway about a quarter mile north of Cooch's Bridge, ran along the bank of Dayett's Mill race, and then turned turtle in the shallow stream.

Calloway was twenty-four years of age, and leaves a wife and three-year old daughter. Anthony's age was given as about forty. Efforts to get in touch with his relatives in Harrington had not been completed at noon today.

The car, only partially damaged by the accident, was the property of Rentz & Sons, automobile dealers and garageman of Felton. According to the younger Rentz, who came to Newark last night, Calloway had borrowed the car when his own had developed a burned bearing. Rentz was informed that Calloway wished to go to Dover and return. Anthony was not with Calloway at the time of departure from Felton.

Both bodies were taken to the undertaking parlors of Robert T. Jones here and are there held awaiting word from relatives down State. Both men were cut about the head and face by flying glass, but death was due to drowning.

Happened Suddenly.

O. W. Widdoes was the first man on the scene after the accident. He was taking a load of school children from Newark to Cooch's Bridge, and believed that the ill-fated car was behind him. When he returned about five minutes later, he saw the car upside down in the race, and the two men partly submerged in the water. Unable to extricate the victims, he ran for aid. J. T. George, a farmer living on the Cooch farm returned with Widdoes and together they lifted the men from under the car. By that time several people had congregated, and every effort was made to revive Calloway, who appeared to have a spark of life left. Dr. Peters, of Christiansa, arrived shortly later and pronounced both men dead.

Three young pigs, about eight weeks old were in the car at the time of the plunge. Two escaped and one was drowned. The two men were riding in the front seat, and were unable to free themselves.

Said To Be Speeding

No one actually saw the fatal accident, but from an examination of the wheel tracks, and by information from nearby farm workers, it was generally believed that the car was going at a high rate of speed. It was headed south, and left the road at the beginning of a sharp turn. The race runs alongside the road at this point, the two being separated by a rounded embankment. The right wheels of the car evidently ran along the top of this bank for about thirty yards, with the left wheels on the roadside. Then the front of the car slipped into the soft mud of the race, and the momentum caused the rear of the car to somersault over and land top down in the shallow water.

Armistice Dance

With Madden's Orchestra furnishing the music, and many novelty numbers on the program, the big Armistice Day dance in the Armory next Monday night promises to be a most successful affair.

Battery E of Newark is sponsoring the dance.

St. Georges

The Hallowe'en social held in the Odd Fellows Hall, Thursday evening, by the Parent-Teacher Association was a success. The evening was spent in music and games appropriate to the occasion. Prizes were awarded to the following: Miss Elma Turty for being the best dressed; Miss Martha Rash for being the most unique, and Willard Gesford for being comical.

The benefit Hallowe'en social held by the Epworth League Wednesday evening cleared \$10.43.

Nelson Neff, a farmer, is suffering from injuries received in a runaway accident. Mr. Neff was working in the fields when the horses became frightened and run over him breaking his arm and bruising his body.

The Ladies' Aid Society of the M. E. Church is making plans for a bazaar to be held in the Odd Fellows Hall, November 28 and 29.

Miss Sarah Atkins, of Milton, is the guest of the Rev. and Mrs. H. E. Reed for a few days.

Miss Mildred Rash is visiting her aunt, Mrs. Martha Turner, in Wilmington.

Burrell Crompton and Newlin Buckson motored to Alexandria, Va., where they will spend a few days.

ODESSA

James Knotts, of Wilmington, visited friends here on Saturday.

Miss M. C. Enos visited her sister, Miss Georgia Enos, in Wilmington, over the week-end.

Miss Margaret Janbier, Philadelphia, is spending some time with Mrs. Josephine Woods.

Miss Helen Conner, of Wilmington, has been visiting Mrs. William Bryson.

Mrs. C. V. McCoy has been entertaining Mrs. Elizabeth Harrington, of Harrington.

Mr. and Mrs. Loney Slacum and two sons, of Cambridge, have been recent guests of friends here.

Miss Lillian Morgan and sister,

Pleasant Hill

Don't forget the oyster supper in Red Men's Hall at Union, Saturday evening of this week, under the auspices of Leola Council No. 14, D. of P.

Rev. and Mrs. J. H. Geoghegan, of Newark, Md., spent Tuesday of last week with Mr. and Mrs. F. V. White-man.

Mrs. Harry Harmer and son, Joseph, of Philadelphia, and Mrs. L. B. Brown and son Ervin, of Tacony, spent Hallowe'en at the home of Alban Buckingham and family.

Mr. and Mrs. John Price, of Newark, spent Sunday with Mr. and Mrs. Arthur Atwell.

Mr. and Mrs. W. P. Stinson entertained on Thursday, Mr. and Mrs. Victor Leibhart, of Collingsdale, Pa.

Miss Mary Thatcher, of Wilmington, was the week-end guest of Miss Margaret Rerickson.

Mrs. Elmer Jeffers spent Wednesday of last week with relatives in Wilmington.

Miss Margaret J. Peach is spending sometime with Wilmington relatives.

Mr. and Mrs. Lester Brewington and son, Stanley, of Wilmington, and Miss Pickering, of Claymont, were Sunday callers at the home of John E. Buckingham.

Miss Gertrude Stanetia, of Southwood, Del., spent Sunday with Miss Ellen Dwyer.

Miss Myrtle Morgan, have returned from a Chester visit.

Leon Buckson and family, of Townsend, have been week-end visitors with his parents, Mr. and Mrs. George Buckson.

Mr. and Mrs. John Keegan, of Philadelphia, have been spending a few days with Mr. Keegan's parents, Mr. and Mrs. Michael Keegan, near town.

Miss Irene Stevens, Wilmington, was the week-end guest of Mr. and Mrs. Willard Spicer.

Mr. and Mrs. Raymond Cummins and son, of Dover, have been visiting Mrs. Cummin's parents, Mr. and Mrs. George Davis.

Mr. and Mrs. Harry Wilson and nephew, Merritt Moore, were visitors with Wilmington friends part of last week.

HALLOWE'EN PARTY

McClellandville School Scene of Affair on October 30

The McClellandville School was the scene of a Hallowe'en celebration on the evening of October 30. Everyone was ready for a merry time, dressed in gayly colored costumes, and with the decorations of the room, the rustic tent built of autumn foliage, and the gypsy maid to tell fortunes, it seemed as if the only object of the meeting must be entertainment. However, there was time for the people of District No. 40 to organize a Parent-Teacher Association, to elect their officers and to hear the program by the school children. The officers chosen were: President, Mrs. Daniel Willis; vice-president, Mrs. Gustavus Smith; secretary, Mrs. Walter Newton, and treasurer, Mrs. George Hobson.

Wilson Line

The Best is None too Good

This old adage is especially true with reference to bathing and toilet equipment.

No dwelling is safe that is lacking in sanitation.

The church, theater, school or office building that does not provide sanitary toilet and wash room facilities menaces health.

The old-fashioned water closet—or the out door privy—wherever found, should be replaced with a modern sanitary fixture. Comfort requires and demands modern sanitary water closets.

Let Good Health Week, October 21st to 27th, find your property completely equipped for sanitation, ventilation and hygiene.

We'll gladly serve you—to your advantage.

ELKTON AGAIN
SCORES A HITHallowe'en Parade in Mary-
land Town Draws Hun-
dreds of People

FOUR BANDS THERE

The fifth annual Hallowe'en Celebration in Elkton was held last Wednesday evening, and again a great crowd of people from three states were present. While the parade was not believed to have been as long as in previous years, the costumes and stunts were quite up to standard. Rival attractions in Havre de Grace and Wilmington tended to cut down the list of entries. However, there was plenty of fun, and prizes for all.

Chairman Feehly, Chief Marshal Taylor McKinney, H. Winfield Lewis, and Michael Lipman were on the job all evening keeping things moving and assisting the judges in their tedious work.

The parade started shortly after 8 o'clock on High Street, marched to the west end of town, thence on Main Street to North Street, to High and around the block to the judges stand in front of the Fire House.

At the second appearance before the judges, each individual or group did their particular stunt, and some of the mthrew the crowds into bursts of laughter.

"Fire, Fire, Fire"

Among the uproarious farces in the parade was Bob Gonce and his antiquated fire engine. While misplaced in the division of floats, his antics with the powerful hose was a delight. The hose threw a stream all of six feet in length, doused the Minnehaha Band of Newark and many bystanders. A seltzer bottle, painters' ladder, dinner bell, and an aged horse were other implements of a well ordered engine of the early "60's."

Henry Mote, of Newark, won first prize with his "corn float." The Elkton Red Men had the finest fraternal display in line, their big truck being entirely covered with decorations. The McCool car was also a pretty sight.

Of course, Spark Plug was present, and along with him was "The Old Kentucky Home," a real masterpiece of decorations, the inevitable black face comedians, dancing girls of all sizes, dainty little maids in bridal costumes, the "human frog," and "grandfather's clock," slightly out of whack but still running.

And then there was the "Chesapeake City Bus," a modern vehicle with racy lines, a one-man airplane, two cross-country cyclists on velocipedes, and baby coaches by the score.

Horsemen and women played a prominent part in the procession. Two horses in particular bowed and pranced before the judges in approved circus style.

Big Crowd There

Cars were parked on every available street in Elkton that night.

Cherry Hill, Md.

Mr. J. A. Knight and family motored to Camden, Del., last Sunday and spent the day with Mr. Knight's mother, Mrs. Taylor.

The stork visited this town last Tuesday night and left a bouncing baby boy at the home of Mr. and Mrs. Ralph Jones. Mother and baby are doing nicely.

Buddy Egnor, son of Mr. and Mrs. Maurice Egnor, and Lynn Jones, son of Mr. and Mrs. Ralph Jones, who have had severe attacks of pneumonia, are improving.

Mr. W. W. Kelly was a Baltimore visitor last Saturday.

The supper held last week by the trustees of the M. E. Church was a success, about \$100 being realized.

Contractor Abbott has finished laying the concrete on our road and is busy building its shoulders and expects to have the road open for traffic in about two weeks.

Mr. George P. Cook and sister, Miss Mary, of Churchville, Md., spent Sunday with Mr. and Mrs. A. T. Abernathy.

Miss Maud Elmore and Company, of New York, are giving nightly entertainments in Red Men's Hall this week.

Mr. Roy Janney, of Federal Park, spent last week with his mother, Mrs. Elwood Janney.

Various estimates of the size of the gathering gave the number as ranging from 2000 to 5000 people.

The merchants entered into the spirit of the occasion heartily and their windows and interior decorations were very pretty. Strings of red white and blue lights were stretched across Main Street near the Court House, and gave an added brilliancy to the affair.

After the parade, two dances were held, one in Mechanic's Hall, to the music of the "Melody Makers," and the other in the Armory, with Sterling Dunbar's Elkton Band officiating. The prize winners were announced within an hour after the end of the parade, in the Armory, thus speaking well for the Elkton judging system.

Four bands were in line during the parade, Elkton, Minnehaha Band of Newark, Cecilton, and Northeast. The procession was fully a mile long.

There was no disorder whatever, and all during the evening the big crowds milled back and forth without causing a traffic jam. The entire affair was well handled, and came right up to par with other Hallowe'ens in years past. It is the hope of all that the splendid custom may be continued in Elkton each Fall in the future.

Elkton Personals

Last Friday evening The Gleaners entertained the Epworth League in the Lecture Room of the M. E. Church. The room was beautifully decorated with autumn leaves, witches and black cats. The Epworth League came masked and after a parade around the room the masks were removed and the rest of the evening was spent playing games and eating gingerbread doughnuts and candy.

Mrs. Frank Cartledge spent the week-end with her daughter, Mrs. John Alexander.

Mr. and Mrs. C. Ellis Deibert have been entertaining Mr. and Mrs. Rhodes of Cresona, Pa. Mrs. Rhodes is a sister of Mrs. Deibert.

Mrs. Theodore Ott and Mrs. Wright were hostesses to the Westmister Guild last evening. The meeting was held at the latter's home on West Main Street.

The Gleaners held their monthly meeting at the home of Miss Hilda McCool last evening.

On Monday of this week Mr. and Mrs. Emil Lechler moved to Atglen, Pa.

Mr. and Mrs. George McKeown returned Sunday after an extended motor try through the north.

The Minstrel Show given by the Soldiers from Federal Park was so poorly attended at Mechanics Hall recently that the troupe decided not to put the show on and returned home.

Mr. and Mrs. Herbert Morgan are the proud parents of a son, Herbert, Junior, born Friday, November 2nd.

The Episcopal Church held a bake in the office of Mr. Henry Constable recently. About \$35 was cleared.

Mr. and Mrs. C. Ellis Deibert spent a few days with her parents in Cresona, Pa., recently.

Mr. and Mrs. Leland Ott and children motored to Philadelphia Friday of last week.

Mr. and Mrs. Emil Lechler moved from Elkton last week. Mr. Lechler will take up work similar to that of the Victory Sparkler Co.

Miss Victoria Jamar left Friday for a visit with friends in Washington, D. C.

Mrs. James Zogbaum spent a few days in Philadelphia recently.

Giving Him First Chance

"You've got plenty of nerve. The idea of stealing my chickens and then trying to sell them to me."

"Well, sah, I thought you'd pay a better price for chickens you'd raised yourself. You'd know what you're buyin'!"—Boston Post.

J. J. MINSTER
CALLED BY DEATHWell Known Elkton Merchant
Succumbs After Several
Weeks Illness

BURIED TOMORROW

One of Elkton's best known and most liked merchants passed away early Sunday evening when Jacob J. Minster succumbed to an illness which had kept him in bed for the past several days. Members of his immediate family were at his bedside when the end came. He was sixty-five years of age.

The deceased is survived by his wife and the following children: Emma, wife of Dr. Albert Johnson, of Lincoln, Missouri; John J.; Henrietta, who recently became the bride of William Gardner of Elkton; Lillian, Catherine and Jacob.

Mr. Minster, an expert jeweler by trade, had a most interesting career. He was born in the Ruhr district of Germany and early in life became an apprentice to a famous watchmaker. He applied his talents diligently and in the required time mastered his trade and became a master jeweler. He drifted all over Europe, both on the Continent and on adjacent Islands. He had many vivid experiences and was full of reminiscences of the days of his youth.

The lure of America proved too much for him, however, and he came to this country while still a young man. He settled in Elkton about thirty years ago, and built up one of the best jewelry establishments on the entire peninsula. The Minster store is noted for its careful workmanship, its fine display of the best silver and jewelry and has ripened with age into a real institution. It is now managed by J. J. Minster, son of the deceased.

Mr. Minster was very active in movements of general welfare to the town and its people. Almost ever since he took up his residence in Elkton he had been a member of the Singery Fire Company and served as president for several years.

It is said that his last illness was the indirect result of a fractured hip suffered when run down by his fire engine during a blaze about seven years ago, and from which he had never completely recovered. He was known and liked by people all over Cecil County.

He was also a member of the Masonic Order, the Odd Fellows and the Red Men, and took active part in each of these organizations. A thorough and exact business man, and a good citizen, he will be mourned by a host of friends throughout the community wherein he lived.

GLASGOW

Special services will begin in the Penecader Presbyterian Church Sunday evening, November 11, at 7.30 o'clock. Meetings will be held the following week.

A Rally Day will be held in the M. E. Church Sunday afternoon, November 11, beginning at 3.00 o'clock. Everybody is invited to attend these services and help make them a success.

Mr. and Mrs. J. Leslie Ford and children, of Cooch, Del., spent Sunday here, at the home of her parents, Mr. and Mrs. H. L. Dayett, Sr.

Those who visited at the home of Charles Leasure, Sunday, were: Mr. and Mrs. Herman Frist, Mr. Thomas Humes of Wilmington, Mrs. C. W. Hanley of Berlin, Md., Mr. and Mrs. Cyrus Mercer and family, of Claymont, Del.

Mr. Arthur Coleman visited his sister, Mrs. George Sheats of this place, Sunday.

Misses Beulah and Lela Leasure and Olan Cleaver visited at the home of Mr. and Mrs. James Jackson, of Fairview, Sunday evening.

TO BRIDGE BOHEMIA

New Structure Part of Maryland's Program Next Year

It has been reported that the State Roads Commission of Maryland is planning to tear down the present bridge across the Bohemia River south of Chesapeake City early next year and replace it with a new concrete structure.

The present bridge is entirely unsafe for heavy vehicles and considerable agitation has sprung up in that locality for a new one. The bridge is nearly half a mile long.

RECENT MARRIAGES

Elkton Center For Nearby
Couples

Marriage licenses were granted at the Court House in Elkton this week to the following residents of this vicinity.

Howard Simpson of Chesapeake City and Kathryn W. Underwood, of Delaware City; Howard W. Stanley and Lillian M. Webb, Bear Station, Del.; and George W. Johnson and Harriet L. Camac, St. Georges, Del.

DEAD IN STREET

Elkton Man Found In Chester
Saturday Night

Believed to have succumbed from the effects of poisonous liquor, Price Ferguson, aged forty-five years, of Elkton, was found in a street in Chester, Pa., Saturday night last. His body was brought to Elkton for burial.

He is survived by three sisters and one brother, all residents of Elkton.

Hockessin

School was closed Monday and Tuesday on account of the illness of the teacher, Miss Elsie Smith.

Mr. and Mrs. Harry Wirt and Miss Anna Collins attended the banquet given by the Bell Telephone Company Monday evening in Wilmington.

Wesley Perry, accompanied by his brother-in-law, Lester Flemming, left Tuesday for Norristown, Pa., on a hunting expedition.

Ruth, three-year-old daughter of Mr. and Mrs. Caleb Wilson, who has been ill, is reported out of danger.

Pittsburgh Gazette Times—A volume of reminiscences is expected from Ambassador Harvey, it is stated, but there is no rumor that Woodrow Wilson will write the foreword.

Old Roman Laws

Many of our laws have their basis in the old Roman laws. In early days of the Roman Empire a man could not exercise control over his estate after death. Later in the march of progress this was changed.

There would be many protests now if the State did not give men the privilege to dispose of their property as they see fit. Yet many do not make use of their privilege. They die intestate and the fixed laws of descent become effective.

Any attorney will be pleased to explain present laws effecting Wills and a descent of property. Our officers will be glad to discuss the administrative side with you.

IN THE CHURCHES

Ebenezer Church

The revival at Ebenezer has now entered upon the third week. The attendance and interest manifested has been fine. There have been a good many conversions. Rev. Robert E. Green, of Dover, preached Friday evening. Mr. Green also delivered an address to the class of new converts Sunday morning, and Sunday evening he gave a missionary address in the Epworth League. The pastor preached both morning and evening. The sermon of the morning was on "The United States and Prohibition." There shall be a continual effort to enforce prohibition in our parish. Mrs. Susan E. Payne sang a solo and Mr. Green and Mrs. Gehman sang several duets. The Cemetery Society met Saturday evening at Ebenezer Church. A new constitution was drawn up and adopted. New officers were elected as follows: President, Mrs. M. Whiteman; vice-president, Mr. George Knotts; secretary, Mr. Harvey Davis; treasurer, Mr. Edwin Guthrie. Several committees are yet to be appointed by the president.

Home Coming Day will be celebrated at Ebenezer Church November 25. All are asked to remember the date. All the Ebenezer folks are wanted back home that Sunday.

White Clay Creek Church

Rev. W. R. McElroy, Pastor.
At White Clay Creek Presbyterian Church the pastor, Rev. W. R. McElroy, will preach Sunday morning. This subject will be "The Family A Solidarity For Heaven."

Pencader Church

Revival meetings begin at Glasgow, the Pencader Presbyterian Church, Sunday evening, November 11, at 7.30. The following ministers will preach during the meetings: Dr. McElroy, Sunday, November 11; Dr. Bohner, Monday, November 12; Dr. Gillman, Tuesday, November 13; Dr. Pitzer, Wednesday, November 14; Dr. Little, Thursday, November 15; Dr. Wagner, Friday, November 16. No meeting Saturday.

LADIES AID OF M. E. CHURCH MEETS

Several Good Readings Feature Regular Session

The Ladies Aid of the Methodist Episcopal Church met last Thursday afternoon in the church building with quite a large attendance present.

After the opening hymn, Mrs. Williams, president of the society, read a portion of the 26th chapter of Acts. Mrs. Crossan then led the assemblage in prayer.

After the business meeting a very pleasing program was rendered, as follows:

Reading, "The Best Is Good Enough For Me," by Mrs. T. F. Manna.

Reading, "Miss Hannah's Trip To Court," by Mrs. Mote.

Reading, "The Bachelor's Ditty," by Mrs. A. D. Cobb.

Poem, "A Changed Cause," by Mrs. Oscar Elliott.

Later refreshments were served by the committee and a pleasant social time enjoyed.

TO BUILD HOME

Elkton Contractor Awarded Job On North Street

Foundation work will start this week under the direction of Walter Miller, a contractor of Elkton, for a new home on upper North Street in that town, for Mr. Calvin Fox.

WITH THE PARAGRAPHERS

Philadelphia North American—Lloyd George declares there is a great war coming. What Americans are trying to figure out is whether he considers it a threat or a promise.

Marion Star—Here's the test. How would you like to submit a cause to a supreme court selected by Senator LaFollette?

CENTURY CLUB HOLDS MEETING

Movie Benefit and Supper Planned As Future Events

The regular meeting of the Newark New Century Club will be held in the club house on Tuesday afternoon, November 13, at 2.30.

The club wishes to again announce a moving picture benefit on Wednesday evening, November 14. "The Woman With Four Faces." It is hoped that all club members and all those who are interested in the club will attend this performance.

December 4, at 5 o'clock, the club will give a supper in the club house. There will also be fancy work, cake and candy tables, and other attractions.

Mrs. Neal, the chairman of the fancy work table requests that all donations of fancy work be sent in as soon as possible, either to her, Mrs. Bonham or Mrs. J. P. Cann.

TALKS ON Y. W. C. A. IN FAR EAST

National Secretary Present at Local Meeting Of Y. W. C. A. Thursday

Between forty and forty-five members, their parents and friends of the Y. W. C. A. were entertained at tea at the home of Mrs. E. C. Johnson last Thursday afternoon. The gathering was primarily held for the purpose of arousing additional interest in the Y. W. C. A. movement in this vicinity.

Miss Herring, a national secretary of the Association, was the chief speaker at the tea. She told of the great work being done in China and other parts of the Far East, and greatly impressed those who heard her.

Miss Martha E. Good, secretary for Delaware, also spoke briefly of the work being done in this state, and paid particular reference to the value and advantages which can be derived by the girls from the annual Summer Camps.

Ten was served to the guests by the following Newark girls:

Misses Catharine Townsend, Josephine Hossinger, Sue Smith, Elsie Hubert, and Aileen Shaw.

STANTON GRANGE HAPPENINGS

A Juvenile grange has been organized at Stanton, and will be known as Diamond State Juvenile Grange No. 1.

Mrs. R. P. Robinson, State Superintendent of Juvenile Granges, met with the members Monday evening, and instructed them in the secret work of the order. Mrs. Mary E. Dickey has been elected matron of the grange. The following were elected officers: Master, Lewis Boulden; overseer, Frank White; chaplain, John Narvel; lecturer, Lawrence Knotts; steward, Wilson Boulden; assistant steward, Margaret Ruth; gatekeeper, Charles Boulden; secretary, Thelma Lucas; treasurer, David Vannort; Ceres, Elizabeth Boulden; Pomona, Eleanor Vannort; Flora, Lillian Bell.

The following, together with the above officers, are charter members: Alfred Lucas, Clifton Abrams, Harold Narvel, Nelson Powell, Kennard Smith and Howard Klair.

Meetings will be held every Monday evening in the Friends' Meeting House, Stanton.

Diamond State Grange Monday night initiated a class of candidates in the first and second degrees, and will give the third and fourth degrees next Monday evening. The lecturer's hour next Monday evening will be in charge of Miss Bessie M. Edwards.

Unity Lodge, I. O. O. F., of Stanton will hold a bazaar in Odd Fellows' Hall on Friday and Saturday evenings. There will be cake, ice cream, fancy articles, etc., for sale.

THE PRESIDENT'S THANKSGIVING PROCLAMATION

By the President of the United States of America.
A proclamation:

The American people from their earliest days, have observed the wise custom of acknowledging each year the bounty with which Divine Providence has favored them. In the beginning, this acknowledgment was a voluntary return of thanks by the community for the fruitfulness of the harvest. Though out of mode of life has greatly changed, this custom has always survived.

It has made Thanksgiving Day not only one of the oldest but one of the most characteristic observances of our country. On that day, in home and church, in family and in public gatherings, the whole nation has for generations paid the tribute due from grateful hearts for blessings bestowed.

To center our thought in this way upon the favor which we have been shown has been altogether wise and desirable. It has given opportunity justly to balance the good and the evil which we have experienced. In that we have never failed to find reasons for being grateful to God for a generous preponderance of the good. Even in the least propitious times, a broad contemplation of our whole position has never failed to disclose overwhelming reasons for thankfulness. Thus viewing our situation, we have found warrant for a more hopeful and confident attitude toward the future.

In this current year, we now approach the time which has been accepted by custom as most fitting for the calm survey of our estate, and the return of thanks. We shall the more keenly realize our good fortune, if we will, in deep sincerity, give to it due thought and more especially, if we will compare it with that of any other community in the world.

The year has brought to our people two tragic experiences, which have deeply affected them. One was the death of our beloved President Harding, which has been mourned wherever there is a realization of the worth of high ideals, noble purpose and unselfish service carried even to the end of supreme sacrifice. His loss recalled the nation to a less capricious and more charitable attitude.

It sobered the whole thought of the country. A little later came the unparalleled disaster to the friendly people of Japan. This called forth from the people of the United States a demonstration of deep and humane feeling. It was wrought into the substance of good works. It created new evidences of our international friendship which is a guarantee of world peace. It replenished the charitable impulses of the country.

By experiences such as these, men and nations are tested and refined. We have been blessed with much of material prosperity. We shall be better able to appreciate it if we remember the privations others have suffered, and we shall be the more worthy of it if we use it for their relief. We will do well then to render thanks for the good that has come to us, and show by our actions that we have become stronger, wiser, and truer by the chastenings which have been imposed upon us. We will thus prepare ourselves for the part we must have in a world which forever needs the full measure of service. We have been a most favored people. We ought to be a most generous people. We have been a most blessed people. We ought to be a most thankful people.

Wherefore, I, Calvin Coolidge, President of the United States, do hereby fix and designate Thursday, the Twenty-ninth Day of November, as Thanksgiving Day, and recommend its general observance throughout the land. It is urged that the people gather in their homes and their usual places of worship, give expression to their gratitude for the benefits and blessings that a gracious Providence has bestowed upon them, and seek the guidance of Almighty God that they may deserve a continuance of His favor.

In witness whereof, I have hereunto set my hand and caused to be affixed the great seal of the United States.

Done in the city of Washington, this 5th day of November, in the year of Our Lord, One Thousand, Nine Hundred and Twenty-three, and of the Independence of the United States, the One Hundred and Forty-eighth.

CALVIN COOLIDGE.

Mantell Coming Again

Arrange for Newark Parties as early as possible

PERSONALS

Mr. and Mrs. J. W. Usher, Jr., and family have taken over the new Bungalow on Kells Avenue, recently completed by Charles P. Wollaston. Mr. Usher is the Delaware representative for the Goodyear Tire and Rubber Co.

About twenty-six local Masons and members of their families spent Saturday last in Alexandria, Va., where they attended the laying of the cornerstone of the \$4,000,000 Masonic memorial to George Washington, near that city. The local delegation was headed by Edward W. Cooch, State Grand Master.

Wharton Shortlidge, of Wst Grove, Pa., joined the Newark delegation on the trip to Alexandria, Va., last Saturday.

Mrs. J. Pearce Cann giving two large bridge parties this week. The first one was held this afternoon and the second will be held tomorrow afternoon, both at her home on Main street. About thirty-six people, many from out of town guests, were present this afternoon, and an equal number is expected tomorrow.

Luncheon was served this afternoon during the play by the following girls, girls at Misses Hebb's school in Wil-

mington: Misses Sophie Janvier and Kitty Faulkner, of New Castle, and Kitty Cochran and Sara Bacchus, of Wilmington. These girls will remain over as house guests of Mrs. Cann.

The Sigma Nu Fraternity will attend the Presbyterian Church next Sunday morning in a body.

Mrs. J. H. Hutchinson has returned to her home here after a visit of several weeks with relatives and friends in Carlisle, Pa., and Boston, Mass.

Mrs. R. W. Heim will give a tea to a number of friends next Friday afternoon at her home on Delaware Avenue.

Mr. and Mrs. George Henry, of Brooklyn, N. Y., are visiting at the home of Mr. and Mrs. Charles B. Evans.

Mr. and Mrs. Ben Proud entertained friends from Pottstown, Pa., over the past week-end.

Miss Frances Hulihan has been confined to her home this week by a slight illness. She is reported much better at this time.

J. O. Clark and family have moved

from their residence on Kells Avenue to a house on the Experimental Farm, south of town.

Mrs. Laura M. Willis and Mr. and Mrs. Ralston Steel motored to Philadelphia last Sunday.

Miss Charlotte Hobbs has been forced to give up her work at the High School this week on account of illness.

Mrs. Bennett, of Sharptown, Md., is visiting her niece, Mrs. Jams C. Hastings, of this place.

The Tuesday Evening Bridge Club was entertained at a supper party at the home of Miss Elenor Duffy, at Cooch's Bridge this week.

Miss Nan Davies, who has been visiting Dr. and Mrs. G. B. Pearson for the past two weeks, has returned to her home in Germantown, Pa.

Mrs. G. B. Pearson has returned from a week-end visit with her son at Princeton University, where she chaperoned her niece, Miss Margaret H. Cochran, of East Orange, N. J., at the Annual Senior Prom on Friday night last.

Mr. and Mrs. William Walker, of Wilmington, were guests on Sunday of Mr. and Mrs. James Brown.

Mrs. Amanda Bramall, of Moore, Pa., spent the week-end as the guest of Mrs. James Brown.

Mr. and Mrs. Charles L. Medill spent the week-end with Mrs. Philena Medill.

Hon. Charles R. Miller will speak at Women's College on Saturday evening, November 10, at 8 o'clock, on his experiences in Mexico. Open night without dancing at Women's College.

Commissioner Frederick R. Wallis, of the New York Bureau of Corrections, will speak on Immigration at the Women's College Assembly on Friday, November 9th, at 12 o'clock.

Mrs. N. M. Bennett spent the week-end with Mrs. Lottie Stewart, at her home in Norwood, Pa.

Miss Edith O. Lewis was the week-

end guest of Mr. and Mrs. William J. Kelley, Providence, Md.

Mr. and Mrs. H. B. Steele and daughters spent the week-end in Danville, Pa.

Mr. and Mrs. Harry Mann, Jr., and son Harry, of McClellandsville, spent Sunday visiting relatives in Philadelphia.

The Misses Kittie and Bobbie Smerbeck, of Dover, were guests of Mr. and Mrs. G. R. Watkins, the past two weeks.

County Agent Russell E. Wilson, wife and daughter, Barbara, of Dover, spent the week-end with Mr. and Mrs. M. Pence, of Park Place.

George H. McGraw has rented his farm, east of Newark, to A. E. K. Davies for the coming year. Mr. McGraw, with Mr. and Mrs. Jack McGraw and Mr. and Mrs. Melvin Harris, have moved to Philadelphia.

Miss Katharine Pritchett, of Harrisburg, Pa., spent Saturday and Sunday with friends in this town.

Miss Esther Phoebus is spending several weeks with relatives in Wilmington.

Mrs. E. K. Butler and Miss Florence Butler are visiting relatives in Baltimore.

Misses Nettie and Georgia Downing, of Wilmington, spent the week-end with Mr. and Mrs. Wm. H. Evans.

Mr. and Mrs. L. J. Hayes and family, Miss Ida McGonigal and Mr. Elmer Horsey, of Dover, were Newark visitors on Sunday.

Mr. and Mrs. George Henry, of Brooklyn, N. Y., spent the week-end with Mr. and Mrs. Charles B. Evans.

BATTERY "E" SAFE

That the local battery Anti-Aircraft, under Captain Mote and Lieutenant Davis, is in no danger of being dissolved was made evident in a statement from the former officers yesterday.

The Newark battery has sixty-five men on the rolls at present and is leading in all branches of the work. While the attendance has at times been unsatisfactory there is no reason to believe that the organization will be forced to relinquish Federal support.

IN MEMORIAM

RUPP—In loving memory of my dear husband, Jacob Rupp, who passed away October 30, 1919.

There is a grief that cannot find comfort,
A wound that cannot be healed,
A sorrow deep in my heart,
That cannot be relieved.

Of grief and sorrow,
I've had my share,
But the loss of you, Dear One,
Was hardest to bear.
Sadly missed by his Wife.

MANY IMPROVEMENTS MADE ON BUILDINGS AND GROUNDS OF UNIVERSITY SINCE LAST MAY

G. Wilkinson Reports A General Completion of Many Repairs and New Improvements At Both Colleges

Mr. A. G. Wilkinson, business administrator of the University of Delaware, aided by D. Lee Rose, superintendent of grounds, has brought to completion many repairs and improvements to the buildings and campus of the University since last May.

The general upkeep of the University property has been well handled and the appearance is strikingly neat and clean.

Chief among the accomplishments during the summer and early Fall have been:

1. The laying of a concrete pavement along the south side of Delaware Avenue between the Infirmary and the eastern end of the college property.

2. The painting of the exterior of Wolf Hall, Residence Hall, Harter Hall and Sussex Hall.

3. The institution of a student post office system, with a fully equipped office in Recitation Hall, and the prospects of a Federal sub-office being started.

4. The building of a new temporary dormitory at the Women's College. There are several minor repairs and improvements which have also been made during this period.

One of the pleasing changes has been the installation of two new chefs in the dining Commons and the gen-

eral improvement of meals and service there.

The Building and Grounds committee of the Board of Trustees of the University, headed by H. Rodney Sharp as chairman, were to hold a meeting this week, but it was postponed indefinitely.

Mr. Wilkinson will make a detailed report of progress along the above lines at the next meeting of the Board.

RECEIVES PROMOTION

N. M. Lawrence, of Newark, left last Thursday for Lockhaven, Pa., where he started in at once as supervisor of the Tyrone Division of the Pennsylvania System.

Mr. Lawrence was formerly assistant supervisor of the Maryland Division with headquarters in Newark. His promotion comes as a reward for his good work in this locality.

To Hold Bake

The pupils of the Primary School, under the direction of Miss Harriet Wilson and other members of the teaching staff, will hold a bake in their schoolrooms on Saturday, November 10th, from 10 a. m. until 12 noon.

The proceeds realized from the sale of the good things will go to the piano fund.

THE STEP BEYOND FEDERAL AID

It is generally recognized that existing roads fall into four classes: Interstate roads, state roads (important to the whole state), country roads (important to the whole county), and local roads, serving only a small part of a county.

The United States Government recognizes the importance of the interstate road by providing in the Federal Aid act, that interstate roads of a mileage not to exceed seven per cent of the total system, may receive Federal aid in construction.

States recognize the importance of the state road, and build it often wholly from state funds. Counties build their own roads and sometimes local roads, although many such are enterprises constructed by a community of less size than the county.

State roads and interstate roads usually join. Some state roads may not have good connections across a state line, but as a general rule they do; indeed, many interstate roads become truly national in scope, and become known by the national name as the National Old Trails Road, the Lincoln Highway, the Lee Highway, etc.

It is the argument of those who be-

lieve that the United States should go further than Federal aid, and become the original constructor and permanent maintainer of truly national roads; that, just as states build state roads, counties build county roads, and communities build local roads, so should the nation build the main interstate trunk lines; that there are roads which truly serve the whole nation, which should be built by and maintained by the whole nation, just as there are state roads which truly serve the whole state and which the states recognize are rightly built and maintained by the state.

appear upon the books of the company but also, in case where the stockholders or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

Everett C. Johnson, Owner.

Sworn to and subscribed before me this 26th day of October, 1923. (Seal) Daniel Thompson, Notary Public.

4. That the two paragraphs next above, giving the names of the owner, stockholders and security holders, if any, contain not only the list of stockholders and security holders as they

Providence

On Saturday evening, November 3, Miss Elizabeth Payne gave a party in honor of Miss Inez Mackey, of Trenton, N. J., and Miss Eleanor Schaffer, of Philadelphia.

The house was beautifully decorated with Hallowe'en decorations. About seventy-five guests were present from Baltimore, Elkton, Calvert, Cecilton, Middletown, Newark, Wilmington, Philadelphia and Trenton, N. J. A delightful evening was enjoyed by all.

Mr. and Mrs. John Mackey and Mrs. Simmons, of Trenton, N. J., were week-end visitors of Mr. and Mrs. Osborne Mackie.

Mr. and Mrs. Leon Gallaher, of Richardson Park, Del., spent the week-end with Mr. and Mrs. Harry Gallaher, of Fair Hill.

Mr. Osborne Reynolds, of Western Maryland College, is spending a few days at home.

Miss Elizabeth Payne had as her guests over the week-end, Miss Inez Mackey, of Trenton, N. J., and Miss Eleanor Schaffer, and Mr. Leroy Mackie, of Philadelphia, and Miss Elsie Cameron, of Elkton.

ADMINISTRATRIX'S SALE OF REAL ESTATE

By virtue of an order of the Orphans' Court, will be exposed to sale at Public Auction or Vendue, on Monday, November 19, 1923 at the County Court House, Wilmington, Delaware, the following described Real Estate, late of Robert Ogle Currinder, deceased, to-wit:

ALL that lot or piece of land situate in Mill Creek Hundred, on the public road leading from Newark to Milford Cross Roads, having a front on said road of fifty feet and extending back three hundred feet.

For terms of sale and full description, see large bills posted or address the undersigned.

ANNA M. CURRINDER, Administratrix, CHARLES B. EVANS Esquire, Ford Building, Wilmington, Del.

Attest:—Norman P. Crouch, Clerk O. C. Wilmington, Delaware, November 1, 1923.

NOTICE

To Whom It May Concern:

The Automobile Department is now ready to issue licenses for the year 1924 to persons desiring the same numbers carried in 1923 if applications are made on or before November 30. After that, licenses will be issued consecutively and the numbers held in 1923 not issued.

The Department would appreciate that automobilists secure their registrations early.

A. R. BENSON, Secretary of State.

NOTICE TO BIDDERS

Public notice is hereby given that the Board of Education of Newark, Delaware, and the Delaware School Auxiliary Association will meet at the office of the Delaware School Auxiliary Association, 4116 Du Pont Building, Wilmington, Delaware, on November 28, 1923, at the hour of two o'clock in the afternoon and then and there will receive and open sealed proposals for furnishing labor and material to erect and complete a new School Building for the City of Newark, in the county of New Castle, Delaware.

The work for which bids or proposals are hereby invited will consist of a semi-fireproof building constructed of brick, concrete, and with a combination timber and reinforced concrete floor construction and a timber roof construction. The size of the building is two and three stories and part basement high, approximately 170' front by 118' deep.

Bids will be received for the erection complete of the entire building under one contract, or for the following divisions separately:

- 1.—For the general construction, which includes all masonry, carpentry, steel and iron, roofing, painting and all work kindred thereto.
- 2.—For plumbing and gas fitting, and all work kindred thereto.
- 3.—For heating and ventilating and all work kindred thereto.
- 4.—For electric work.

The Board of Education reserves the right to accept or reject any or all proposals and to waive informalities at their discretion.

All bids must be in sealed envelopes addressed to the Board of Education, Newark, Delaware, care of Delaware School Auxiliary Association, 4116 Du Pont Building, Wilmington, Delaware, endorsed "Proposal for (naming the branch of work covered by bid)" within the name of the bidder.

No bid will be considered unless accompanied by a certified check to the order of the Board of Education of Newark, Delaware, to the amount of 2 per cent of the amount of the bid or a bid Bond of like amount, binding the bidder to execute the contract if awarded him. The terms of the proposal with surety required are fixed by the specifications.

The Board reserves the right to accept or reject any or all bids. All bids shall hold good for 30 days after formal opening of same.

Copies of the plans, specifications and proposal forms will be on file in the offices of the Delaware School Auxiliary Association, 4116 Du Pont Building, Wilmington, Delaware, for the purpose of examination and estimation.

There will be a limited number of copies of the plans and specifications which will be loaned to the prospective bidders on deposit of a certified check to the order of Delaware School Auxiliary Association in the sum of \$25.00. If plans and specifications are returned on or before the submission of estimates, the check will be returned, but should the plans and specifications be not returned, the deposit may become forfeited.

THE BOARD OF EDUCATION OF NEWARK, DELAWARE.

Dr. W. H. Steel, President, DELAWARE SCHOOL AUXILIARY ASSOCIATION

Dr. Joseph H. Odell, President.

NEWARK, DELAWARE, NOVEMBER 7, 1923.

NUMBER 40

GUNNERS PROMISED FINE QUAIL SHOOTING

Game Warden Reports Birds
Plentiful Following Dry
Hatching Season

The season for quail, which opens November 15 and closes December 31, this year promises to be the best that Delaware sportsmen ever have enjoyed, according to John P. LeFevre, chief game warden of the State of Delaware. The birds, which are mostly of the bob-white variety, are very plentiful, particularly in lower Delaware and there is excellent sport in store for those who like to seek the feathered tribe.

The dry weather during the hatching season in the spring is chiefly responsible, sportsmen say, for the quail being about in such large numbers. When the hatching season is a wet period the young quail which are delicate usually contract an illness that carries them off in a few hours. This year, however, conditions were at the best for the production of quail. According to the game laws of Delaware every gunner who guns out of his county must pay a license fee of \$1.10.

Wild ducks are very plentiful this fall largely due to the fact, it is said, that the weather has not been cold enough to start them on their southern migration. The ducks being shot throughout Delaware now are native ducks, it is said. No Canadian fowl have been shot down this fall which indicates, the game wardens say, that the weather north has not become cold enough to drive the birds south. Ordinarily it is warm enough in Delaware for Canadian ducks to stop here, whereas Delaware ducks usually seek a warmer climate many hundreds of miles south of this state.

NEARLY A FATALITY

Bystanders At P. R. R. Station
Horrorified At Narrow
Escape Of Car

Patrons of the Pennsylvania Railroad stood horrified late last Wednesday afternoon, when a large sedan occupied by four women, narrowly missed being ground to pieces by a fast south bound express.

According to eye-witnesses, the car was proceeding south on Depot Road at about 20 miles per hour. As it passed Bryan's store, the colored gate tender suddenly put down the gates.

The heavy car was finally brought to a stop, partly under the gate and with its fenders nearly on the track. At the same instant, the express roared by, missing the car by not more than six inches.

Laxity of the gate tender was blamed by many of the spectators. Whether there will be an investigation made into his actions has not been learned, but many in the crowd believed it should be done.

The names of the occupants of the car could not be learned Wednesday, as they drove off, apparently unconcerned over their narrow escape.

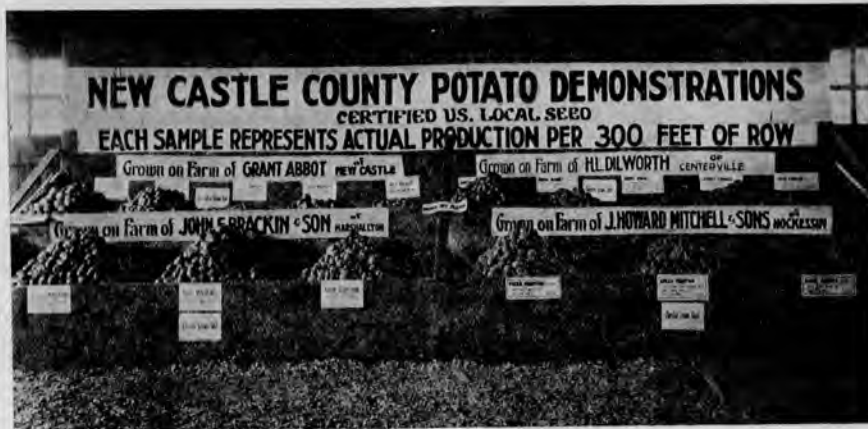

On Hunting Trip

J. A. McKelvie, proprietor of the Deer Park Hotel here, and an ardent sportsman, left last Thursday for the mountains of northern Pennsylvania, in Beaver County, in quest of birds and small game. He was accompanied on his trip by a brother, and will join a party of Pennsylvania sportsmen at the gunning grounds.

County Agent Accorded High Honors

Russell E. Wilson, Kent County, Delaware, and five other county agricultural agents from widely separated sections of the country have been awarded high honors by a committee of prominent agriculturists, headed by Prof. F. E. Bear, Ohio State University, for the soil-fertility programs which they have developed among their farmers this year.

For some time a large number of county agents have been giving special attention to the importance of developing definite country programs for the maintenance of the fertility of land under cultivation. The successful candidates, who come from counties in Minnesota, Kansas, Ohio, Delaware and Vermont, were obliged to satisfy extremely rigid requirements by the Committee of Judges, which included Professor Bear, Dr. A. G. McCall, University of Maryland, Director S. B. Haskell, Massachusetts Experiment Station, and Professor M. F. Miller, University of Missouri.

COUNTY EXTENSION SERVICE EXHIBIT AT THE DELAWARE STATE FAIR, 1923

RESULTS OF POTATO DEMONSTRATIONS—1923

Demonstration on Farm of John F. Brackin, Marshallton
Type of Soil—Chester Loam

Green Mountain—Certified—Yield per acre	194 bu.
Green Mountain—Seed grown from certified seed—Yield per acre	201
Local Garfield—Not certified—Yield per acre	154

Demonstration on Farm of H. L. Dilworth, Centerville

Type of Soil—Chester Loam

Green Mountain—Certified—Yield per acre	124 bu.
Rural Russet—Certified—Yield per acre	60
Rural Russet—Seed grown from certified seed—Yield per acre	29
Jersey Cobbler—Certified—Yield per acre	77
Local Cobbler—Not certified—Yield per acre	15

Demonstration on Farm of Grant Abbott, New Castle

Type of Soil—Sassafras Loam

Green Mountain—Certified—Yield per acre	58 bu.
Rural Russet—Certified—Yield per acre	42
Jersey Cobbler—Certified—Yield per acre	97
Virginia Cobbler—Not certified—Yield per acre	75
Local Cobbler—Seed grown from Virginia Cobbler—Yield per acre	38

Demonstration on Farm of J. H. Mitchell & Son, Hockessin
Type of Soil—Chester Loam

Green Mountain—Certified—Yield per acre	163 bu.
Green Mountain—Seed grown from certified seed—Yield per acre	126
Rural Russet—Certified—Yield per acre	124

Note.—With one exception the certified seed showed a material increase in yield over the seed grown from certified seed or the local seed. The demonstration on the farm of John F. Brackin, of Marshallton, is the exception. The yields of certified and seed grown from certified seed were practically the same. This might be explained on the basis that there are exceptions to all rules. However, this data is submitted for the potato growers to draw their own conclusions.

Last year the Rural Russet compared favorably with the Green Mountain. This year the yield of the Rural Russet has not come up to expectations. From our two years' work the conclusions might be drawn that the Rural Russet does not stand up under adverse conditions. However, two years' work is not sufficient to draw final conclusions.

The demonstrations in the region of the Chester loam, the soil type which prevails from Newark through the northern part of the County, indicated that the Green Mountain is the variety especially adapted to the Chester loam soil type, although in several cases the Irish Cobbler made fair yields. The demonstration in the region of the Sassafras loam, the soil type which prevails from New Castle down through Middletown, indicated that the Irish Cobbler is the variety suited to the Sassafras loam type of soil. The yields of both the Green Mountain and the Rural Russet on this type of soil were very unsatisfactory.

Final conclusions cannot be drawn from two years' work. The results of these demonstrations are submitted for the potato growers to make their own deductions.

NEEDLEWORK GUILD EXHIBIT POSTPONED

November 12th Set As Date
For Next Meeting

It was announced yesterday that the meeting of the Newark Branch of the Needlework Guild, originally scheduled for tomorrow afternoon, has been postponed to Monday afternoon, November 12th, at 2.30. The meeting will be held at the home of Mrs. Charles B. Evans. At 3.30 there will be an exhibit of clothing and other displays. The public is cordially invited to attend the exhibit.

NEWARK BUILDING AND LOAN PAYS OFF SERIES

Two Hundred Thirty Shares
Amount to \$46,000

Newark Building and Loan Association at its regular meeting last night passed approval on paying off Series No. 31 Issue, 230 shares, amounting to \$46,000. Of this amount \$29,250 was in cash and \$1,750 in cancelled loans.

Incidentally the local company is keeping pace with its past record. It is the oldest association in the State and has a record—"Never a failure." Much of the development of Newark can be traced to the business foresight of this organization.

The Stork

Mr. and Mrs. Frank G. Widdoes of this place are receiving congratulations from their many friends and relatives upon the birth last Friday of a baby son. Both mother and child are doing well.

A baby was born to Mr. and Mrs. J. A. Kennedy, of Milford Cross Roads on October 24th. Both mother and child are doing well.

Mr. and Mrs. Frank Downey, of McClellandville, are receiving congratulations upon the birth on October 26th of a baby girl. Mrs. Downey and the little newcomer are both progressing favorably.

Weather

Unsettled and rain beginning of week and again after Thursday; otherwise fair. Normal temperature.

SWINE INFLUENZA IN DELAWARE

By DR. C. C. PALMER

Professor of Physiology at The University, and An Authority on Diseases of Domestic Animals

A few years ago a disease appeared among the swine herds of the West and Middle West, that became known as Swine Influenza. Recently the same disease has made its appearance in Delaware. Swine owners should be on the lookout for the disease, and upon its appearance, take steps to control it.

The Delaware outbreak occurred in swine shown at Fairs where the Delaware animals came in contact with swine from the West which were evidently carriers of the disease. The symptoms appear suddenly and are characterized by loss of appetite, pronounced and peculiar thumpy breathing, painful cough, muscular soreness and high temperature. Other symptoms may be observed. The temperature runs very high often reaching 106 to 108 degrees F. The progress of influenza

through the herd is rapid, and the condition lasts, as a rule, about four or five days. In most herds the mortality is about one or two percent.

When the disease makes its appearance among the swine herd, the sick animals should be removed from the well animals and placed in clean, dry quarters. Dry sleeping quarters are essential. Avoid crowding and supply the animal with pure, fresh water and avoid heavy feeding. The sick animals should receive a light laxative ration. For this purpose a slop feed made of middlings and linseed oil meal will serve very well. Veterinarians have reported good results in the treatment of the disease following the use of respiratory stimulants. It is advisable in outbreaks of swine influenza to employ a Veterinarian to treat the sick animals.

HEAD OF CHRISTIANA CHURCH SUPPER IS CUSTOM HANDED DOWN THROUGH GENERATION

As the Fall of the year passes and Winter approaches, old residents and people who have events of the year card-indexed in their minds, begin to look for the date of the oldest church custom in the community—the Head of Christiana Church supper.

It is to be held in the church next Wednesday evening, beginning at five o'clock in the afternoon. In this section of old customs and traditions, none has weathered the stress of years as the Head of Christiana Church Supper.

One member of the congregation today is rounding the ninety-eighth milestone of her life, and even with her vivid memory of the old days, cannot remember when the custom of holding a fall supper began.

The church itself is 225 years old,

and it has been estimated that the supper has been held annually for almost 200 years. Naturally, it becomes more of an event than a mere supper.

Generation after generation has brought great baskets of good things from farms to this supper. The harvest is over, the farms are planted and sown, from kitchen beams, cellar vaults, and chicken houses will come the fruits of the Thanksgiving season.

Descendants of families who ran the supper years ago will run it this year, and so deep seated has become the event in the minds of the community, that it bids fair to continue as one of the oldest social affairs in the entire state.

HALLOWE'EN DANCE WELL ATTENDED

Women's College Annual Fall
Party Held Saturday
Night

The annual Hallowe'en Masked Dance given by the girls of the Women's College of the University was held last Saturday evening in Old College Hall. About 100 couples attended the dance.

The girls were costumed very attractively. Some of the effects were quite elaborate and called forth many complimentary remarks.

Dancing commenced at about eight o'clock and continued to 12 with a half hour intermission. George Madden's Orchestra, always a favorite with the students of both colleges, furnished splendid music throughout the evening.

Sweet cider and pretzels were served all through the dance.

Many of the girls had guests from other colleges and nearby cities and towns. In view of the Haverford victory that afternoon, the dance took on the aspect of a celebration of victory.

The patronesses were Dean Winifred J. Robinson, Mrs. George E. Dutton, Mrs. Wilson, and Miss Rachel Taylor.

WHITE CLAY SERVICES

Revival Meetings To Continue
Through This Week

Under the direction of Rev. W. R. McElroy, pastor, assisted by the Rev. John MacMurray, who is preaching the sermons, the series of revival services being held at the White Clay Presbyterian Church, are being well attended, and considerable interest has been evidenced by the community.

The services will end next Sunday evening, continuing through this week, with preaching and special music each evening.

Rev. MacMurray after completing his series of sermons at White Clay Church will go to Port Penn where he will conduct as imilar group of meetings for one week.

FARM BUREAU DRIVE POSTPONED TILL 1924

Annual Meeting Scheduled
For Newark on December
Twentieth

Time and place for holding the annual meeting of the New Castle County Farm Bureau was fixed at a meeting of the bureau Saturday afternoon in the directors' room of the Security Trust Company, Sixth and Market Streets, Wilmington.

Thursday, December 20, was selected as the date and Newark as the town for the meeting. Officers will be elected for the ensuing year, reports will be presented giving a resume of the activities of the organization, and a speaker of national note will deliver an address on a subject of interest to agriculturists of the state.

In addition to this business the Farm Bureau decided to postpone its campaign for membership until the fore part of the new year. The campaign had been planned for the third week in this month, but it was deemed advisable to devote more time to its preparation. It also was decided to engage the services of a trained organizer to conduct the membership drive.

The Farm Bureau already has some 600 members, comprising the leading grangers of New Castle County. Memberships run for three years.

Frank F. Yearsley, Marshallton, president of the bureau, presided at the meeting. Among the guests were Harry Jones, Dover, publicity agent of the State Federation of Farm Bureaus, and R. E. Wilson, agent of the Kent County Farm Bureau.

President Yearsley named the following committee to conduct the District Corn Show, at Hockessin, date for which will be announced. W. W. Buckingham and R. O. Bauman, Newark; Wilson Pierson, Paul Mitchell and Fred Trimble, all of Hockessin. Due to the shortage of the corn crop in the southern part of the county it was decided to hold the exhibit this year in the northern part.

It was announced in connection with the membership drive that arrangements have been made for a set of motion pictures from Chicago, one of which will be of the "Brown Mouse," taken from the "Brown Mouse Book."

LABOR SCARCE FOR FALL FARMING

Several Farmers In Vicinity
Have Heavy Potato Crops
But No Help

A complaint coming from the fields of old Pencader and which has been taken up by those dwelling by the banks of the White Clay, and down around the Maryland line makes a real issue of the local farm labor situation.

In speaking to Thomas J. Green of Pencader, it has been discovered that in over twenty years of farming he has never been forced to dig potatoes without help. On Monday of this week, however, he dug twenty-four baskets in three hours, and the tubers were of the finest quality.

It has been a good potato year all through this section, according to reports. Most of the husking is well on its way to completion, but it has been mighty hard on the farmers. It is next to impossible to place dependence on the hired men now.

Mr. Green reports that this is the second crop of spuds he has raised from the same one-acre field. An early yield late in the summer netted him a good return, and the late potatoes have been equally as nice.

GOT THE BIG ONE

Lee Rose Lands Record Bass
At Noxentown Thursday

D. Lee Rose, one of Isaak Walton's true disciples, journeyed to Noxentown dam last Thursday and brought home a seven pound large mouthed bass, measuring twenty-four inches in length. He caught it fairly and squarely without the use of anaesthetics, or hypnotism. It was proudly displayed to friends and neighbors and later graced the Rose dining table.

P. S. Doctor Rhodes is requested to note this account.

Have Your Eyes Examined!

SYMPHERD BIBLE IN EVERY SCHOOL SOON

Board of Education Accepts Gift of John G. Townsend, Jr.

Through the generosity of former Governor John G. Townsend, Jr., of Selbyville, copies of "The English Bible," compiled, arranged and edited by W. O. Sypherd, head of the English Department of the University of Delaware, will be placed in every schoolroom of the State.

This decision was reached at a recent meeting of the Board of Education. The gift was accepted and Mr. Townsend warmly thanked by members of the board.

H. V. Holloway, President, stated that he believed the gift would be one which will go far as an influence for good.

Mr. Townsend has always evidenced a great interest in Delaware schools, and has taken this means of expressing his desire that they continue to be up to standard.

WELSH TRACT SCHOOL GETS ANOTHER BOOK

Attendance Record Keeps Up Well In Nearby School

The Welsh Tract School will be awarded a second book for the school library for good attendance during the month of October. The book selected is "Just So Stories" by Kipling.

At the next meeting of the Parent-Teacher Association buttons will be given to the following pupils for perfect attendance:

Helen McCarns, Catherine Jarmon, Margaret Wright, Gladys Whitten, Jane Reed, Bessie Coleman, John Reed, Paul Milliken, LaCosta Hickey, Thomas Reed, Franklin Jarmon, Charles Coleman, William Coverdale, Thomas Milliken, Elmer Smith.

Good Attendance—Louisa Whitten, Claire Morris, Harry Downs, Harvey Davis, Francis Morris, David Coverdale, Miles Coverdale.

The regular monthly meeting of the Welsh Tract Parent-Teacher Association will be held at the school on next Tuesday evening, November 13.

RED CROSS HELPS WAR'S SUFFERERS

Aids 200,000 Veterans and Their Families—27,000 Disabled Still in Hospitals.

SPENDS \$5,866,255 IN YEAR

Individual Attention Assured to All Physically Ailing or in Distress.

Washington. — War service five years after the armistice, which on November 11 the American Red Cross marks with the opening of the annual membership canvass, shows that during the past year assistance was extended by the Red Cross to some 200,000 ex-service men or their families. To 130 hospitals throughout the country approximately 75,000 ex-service men were admitted for treatment, and to 63,296 of these men definite and specialized service was extended, the Red Cross annual report discloses. In all hospitals under government operation a total of nearly 27,000 disabled veterans were reported by the Surgeon General of the Army.

These facts of the aftermath of physical and mental disability five years after the World War, and the burden resting upon the relatives and dependents of the ex-service men, show conclusively the great need of the Red Cross to act as a supplementary arm of the government in service to these many thousands of men who wore the uniform of the United States. It should be emphasized that government assistance is necessarily standardized along specified lines affecting them as a whole. The Red Cross service is to the individual man and the solution of his problems. This the Red Cross designates "home service" for its aims to give the loving care and interest of the home to these men undergoing physical reconstitution far from their actual home influences.

Year's Expenditures \$5,866,255
In the year ended last June 30 the Red Cross reports \$3,920,000 spent by its Chapters in extending individual attention to the ex-service men and \$1,946,255 spent by National Headquarters of the Red Cross, a total of \$5,866,255. In behalf of the men called to duty in the World War the Red Cross since July 1, 1917, has spent nearly \$164,000,000. Today there are 2,668 Chapters in as many localities carrying on this work, aiding the individual veteran, assisting his family, furnishing creature comforts and funds to tide over troublesome periods.

The strong connecting link between the Red Cross and the United States Veterans' Bureau takes the complications out of difficult cases of claims. The Red Cross in this work requiring personal representation of the ex-service man has acted in appeal cases, insurance matters, personal and family problems, camp and hospital activities, and in cases of death. This service handled nearly 12,000 compensation and insurance claims, and 2,225 allotment and other claims.

Solves Serious Problem
The financial problem of the ex-service man when traveling to and from hospitals is a serious one, and in meeting this constant demand the Red Cross expended \$158,334.17 during the year. For extra recreational equipment in Veterans' Bureau training centers \$14,806 was spent, and for the blind veterans in the government school funds were supplied to enable some of these unfortunate men to enter business as storekeepers and poultry raisers.

In Veterans' Bureau hospitals the record of a single month illustrates the large service rendered by the Red Cross. For example, 15,504 new cases required attention, and a total of 26,907 cases were acted upon; 49,368 letters and 1,863 telegraph messages written, and more than 1,600 entertainments given in recreation houses for the benefit of the patients.

Authorities declare that the present is a critical time in the lives of many of the disabled ex-service men who during the five years since the armistice have developed misgivings of recovery.

Work Among the "Regulars"
Service to the enlisted men of the Army, Navy and Marine Corps is a charter obligation of the Red Cross, which in the last year recorded over 200,000 cases of assistance extended and 834,420 visits to the sick and disabled. Inquiries by the Red Cross at the request of Government authorities into the home conditions of soldiers, sailors and marines aggregated 17,714, and there were nearly 6,000 instances where the Red Cross located men for their families.

All these activities constituting a single responsibility of the American Red Cross demonstrated during the year that its "war service" in behalf of the veteran and the man enlisted in the nation's defensive arms must go forward unfalteringly and without stint of funds. The work of the last five years has welded a close bond of regard between the men who sacrificed and the Red Cross, whose efforts are praised and indorsed by the veterans' organizations. To do all that can be done to soften the consequences of the hard blows of war is the supreme duty of the Red Cross, to which it is giving its best work and most liberal service.

A Candlestick for Mademoiselle

The slender daintiness of youth—never lost by many charming women—demands expression in her boudoir, her writing table—her tea table.

For her silver candlestick—fashion's authentic note in decorative detail—slender, graceful lines that catch the very essence of her own spirit and charm.

Made for her by craftsmen whose art is the fruition of long generations of fine silversmithing.

Offered at prices remarkably moderate.

FIRE DESTROYS ST. GEORGES RESIDENCE

Blaze Does \$1000 Worth of Damage Saturday Morning

Fire companies from Middletown and New Castle responded early Saturday morning last to a blaze in St. Georges. A bungalow owned by the St. Georges Building and Loan Association and tenanted by Frank Big-

near, was partially destroyed.

Only heroic work by members of a bucket brigade formed by neighbors saved the house from being razed to the ground.

The loss is estimated at about \$1000.

The family, which was asleep at the time, was aroused by the shouts of neighbors and fled from the house without harm. Little furniture damage was noted.

A Gun, a Dog and a Man

Hunting Season is coming on and every red-blooded American thinks of Wood and Field with Dog and Gun.

Winchester is the American word for a Good Gun. No one disputes it. It is the last word.

They are here—just your idea. Come, look them over.

Ammunition, too. Everything for Hunting.

LIFE ACCIDENT HEALTH

THERE IS AN OLD ADAGE that says, "It is too late to lock the barn after the horse is stolen." Likewise, it is too late to get your automobile insured after the car is stolen or been ruined in an accident.

Why not let me show you what is possible in the way of complete protection at a surprisingly low cost to you.

It is much better to be safe than sorry, and much cheaper for you in the long run, because automobile accidents will happen, and sometimes with disastrous results to the financial welfare of the owner, when he is not covered with reliable insurance.

Haverford Goes Down to
Defeat in Good
Game, 19-6

SURPRISE LOCALS

Quakers Gain Almost At Will
Through Delaware Line,
But Fail in Pinch

Delaware almost ran into a snag in its victorious march through the current football season last Saturday when the Red and Black warriors of Haverford unleashed a powerful offensive in the game on the Main Line.

Two big breaks quickly converted into Delaware scores by the alertness of the Blue and Gold line, accounted for two touchdowns, and again late in the game a concerted march to the goal with all the Delaware backs taking a crack at the Haverford defense, resulted in the final score.

The first quarter of the game was by far the most active of all. Shortly after the game commenced, Garrett of Haverford, attempted a forward on his own forty yard line. Torbet, a Delaware tackle, broke through, however, and hurried the passer so that he dropped the ball. Torbet pounced on it like a cat and was off. He ran the forty yards for a score made pursued by the whole Haverford team. Williams failed at goal.

On another occasion in the same quarter, Lohman scooped up a bad pass from the Red and Black center and raced for another score. The Delaware stands were in a frenzy of excitement.

Haverford Battles On

With two touchdowns starting them in the fact, and the game slipping away, Haverford desperately fought on. In the second half the entire tide of battle turned. Instead of rushing the ball to the goal, Delaware found themselves on the defensive, and at a loss to fathom a splendidly developed Haverford attack. Coached by a former All-American, the enemy showed one of the best offensives in its history.

The center of the Delaware line bore the brunt of the attack, and time after time, Wilbur, Nolan and Lamberti carried the ball through Donaldson for big gains. When the line stiffened, they resorted to a baffling overhead attack which had the Delaware secondary defense scattered all over the field.

However, one of their passes went wild in the third quarter and fell into the arms of Weggenman, the fastest back on the Delaware team. Weggenman promptly galloped over sixty yards, being tackled on Haverford's 17 yard line.

From there, Delaware took it over with Elliott and Williams doing the work. Elliott kicked the goal.

Last Quarter

The last quarter found the Red and Black again on the offensive and deep in Delaware territory. They ripped and tore their way through the Delaware line for big gains. A penalty of 15 yards for unnecessary roughness placed the ball on Delaware's yard line. Wilbur then went over for their only score.

McAvoy's team again showed up well on the defense, with the exception of Captain Donaldson, who had an off day. His passes from center were none too good, and many plays went through his position.

The Blue and Gold, however, according to reports, did not show the heavy, sustained offensive which had been hoped for. The team was alert and on their toes, and this fact alone resulted in two touchdowns and the game. Williams and Elliott played good hard football, but as a whole the team lacked a punch.

Haverford displayed the best brand of football seen in that college for years. They tackled hard, and well and played real football all the way through the game.

A big crowd of Delaware rooters were on hand to witness the game, and they saw another victory chalked up for their favorites. The line-up:

Haverford
Rhoades left end Magaw
Hollingshead left tackle Kramer
Albert left guard Akin
Miller center Donaldson
Sumway right guard Hubert
Miller right tackle Torbet
Montgomery right end Lohman
Garrett quarterback Garvine
Nolan left halfback Elliott
Lamberti right halfback Weggenman
Wilbur fullback Williams
Substitutions—Haverford: Heilman
for Nolan, Lowry for Lamberti; Nolan

ELKTON HIGH BEAT
TOWER HILL SCHOOL

Marylanders Score At Will
And Win From Wilmingtonians, 33-0

Elkton High School had a field day last Friday afternoon at the expense of the Tower Hill eleven from Wilmington.

The Elkton team scored at will all through the game. Many substitutes were pressed into service late in the struggle and they, too, kept up the scoring.

The Marylanders outweighed the Tower Hill team considerably and also showed a better trained outfit. They followed the ball closely and showed a heavy consistent attack which the visitors could not stop.

Terrel, Minster, Pierson and Smith were the bright particular stars for the Elkton team.

DELAWARE HAS
HEAVY SCHEDULE

Basketball Team To Take
Trips North and South
During Season

Under the leadership of Ralph France, captain, Delaware's basketball team started preliminary practice in the gym this week.

Coach McAvoy will take charge of the team after the current football season. In the meantime the squad will drill in fundamentals under Captain France.

Several likely candidates reported at the first call. France, Jack Williams and McKelvie are back this year and ready for the season. It is not believed that Sook Jackson another mainstay, will be out until late in the season, because of his broken forearm.

Paul Garvine, a Freshman, is said to be a star man on the court, and several other Freshmen aspirants will make the older men hustle for positions.

The schedule for this winter includes two trips, one northward and the other into Virginia. On the northern trip, Pratt Institute, West Point and Brooklyn Poly will be played. On the southern jaunt, V. M. I., Washington and Lee and Roanoke are scheduled.

All in all, the schedule is a stiff one and will severely test the Newark team.

In addition to the above games, the old rivals, Haverford, Swarthmore, Dickinson and Ursinus again appear on the schedule.

Captain Ralph France, guard, is of course making no predictions this early in the season, but the prospects look pretty good up there under the lindens.

DOVER NEXT

The first game of the "crocoial series" with Dover High occurs next Friday afternoon when Joe Wilson's pets line up against the Capitol Seat boys.

Dover has been enjoying a most successful season and it is believed that the State Championship lies between Newark and the downstate team.

It is expected that one of the largest crowds ever to witness a High School game here will be on hand Friday afternoon. Newark is in fine shape and ready for the hardest battle of the current season.

A Newark victory will go a long way toward bringing another Championship banner home.

Tact At The Dance

"What do you do if a man persists in asking you for a dance—and you hate him?" asked Maud.
"Tell him your card's full," advised Dora.
"Well, suppose it isn't?"
"Say it is—and let him see it isn't."

DIAMOND STATE
NOSES OUT ELKTON

Wilmington Man Hurt In
Game At Elkton, Saturday
Score 7-6

When Mackey missed his try at goal after point last Saturday afternoon late in the final period of a bitter football battle, Elkton lost its chance to even the score with the strong Diamond State team from Wilmington.

The Elktonites had trailed for the better part of the game, and things looked mighty dark when the Marylanders took a brace and played the visiting team off their feet. Mackey, Ford and Sheaffer ploughed their way up the field for yard after yard, and close to the end of the game, Ford skirted right end and ran for a touchdown.

The only score made by the visitors came in the second period when "Sol" Slaughter, well known baseball star of this vicinity, circled end for a spectacular forty yard run for a score.

Later in the game, however, this dashing player was badly hurt and forced to leave the field of battle. His injuries looked so serious that he was rushed to Union Hospital. It was feared he had suffered a brain concussion. This was not the case, however, and he was discharged the following day.

This game attracted quite a large crowd to Elkton field, and they were repaid with a close, hard battle. The line-up:

Diamond State
Gracey left end Fockler
Cavanaugh left tackle Purnell
Biggie left guard Hoy
Golden center Gonce
Bernardo right guard Kethley
Hayden right tackle Wells
Nesbit right end Woods
Cunningham quarterback Schaeffer
Sylvester left halfback Prestoe
Autman right halfback Mackey
Slaughter fullback Ford

SCORE BY PERIODS
Diamond State 0 7 0 0-7
Elkton 0 0 0 0-6
Touchdowns—Slaughter, Ford.
Goal after touchdown—Slaughter (placement). Substitutions—Diamond State: Daley for Biggie, Kilman for Slaughter, W. Welsh for Hayden; Elkton: Saunders for Fockler, Williams for Schaeffer. Referee—T. Anderson.

NEWARK DOWNS
FORT DuPONT

Sunday Game at Fort Results
in 9-7 Victory for
Locals

STEEL SCORES ONCE

In one of the hardest fought and evenly matched games ever played on the Fort duPont gridiron, Newark A. C. scored its first victory of the season when the local boys downed the strong and heavy Fort team by the score of 9-7.

The first period was not half over

The Last Straw

Mr. Busiman was exasperated with the telephone. Ten times that morning he had tried to get a number and each time something or other had prevented him from speaking. At last he got through.

"Hello!" he said. "Is Mr. X. there?"
"Yes," replied a voice. "Do you want to speak to him?"
That was the last straw. Back went the reply in icy tones: "Oh, no! I merely rang him up to hand him a cigarette."—Telephone Record.

ed good football. The antics of the Alumni in the second half riled Hopkins and the rest of the High School team but no harm came to anyone.

Patchell, the High quarterback, played one of the best games of his career. He ran the ball nicely, returned punts with real ability and handled his team coolly and cleverly. Grant, Shorty Chalmers, Doordan, and Manns handled themselves well on the lines at all times.

For the Alumni the work of Art Mayer, Schwartz, Sanborn and the Cornog brothers stood out. Herbie Henning ran his team all dressed up in civilian clothes. However, he was not badly muscled.

Quite a crowd witnessed the contest, and the sentiment was pretty equally divided. Many fathers of boys playing on the High School team were present to bestow the parental blessing on their offspring.

when the Engineers jumped into the lead. Barney and Hummel, two all around stars well known throughout this community, opened up their attack and soon had the ball in Newark territory. Barney took it over for the first score of the game.

Doe played a stellar game throughout, and was aided by Jim Keeley the old reliable, and by the entire line. The locals played better football than the soldiers and deserved to win.

Newark scored its touchdown near the end of the second quarter, through the excellent work of Steel and Hopkins. Keeley carried the pigskin four yards through center for the touchdown but Steel failed in his effort to kick the goal.

The feature play of the game, and the one which perched the victory on Newark's banner was a goal from the field by Steel in the third quarter. This short but rugged lad, who several years ago starred in the backfield at the University of Delaware, was the main cog in the Newark offense. In the third quarter, standing on the 30-yard line, he booted the ball squarely between the uprights from a difficult angle. This kick added three points to a touchdown previously made and really won the game for the visitors.

Newark lost a chance to score a second touchdown in the third quarter when Hopkins fumbled on the Engineers' goal line and the play resulted in a touchback for Newark.

The line-up:

Newark
Sanborn left end Tripp
Keeley left tackle Miller
Crow left guard Bache
Hill center Gavin
Robinson right guard Rowan
Smith right tackle Novack
Seelye right end Corton
Steel quarterback Barney
Hopkins left halfback Hayes
Watkins right halfback Strong
Keeley fullback Hummel
Referee—Charles Welch, Defiance.
Umpire—Cornog, Newark. **Head Linesman**—McConnell, Fort du Pont.
Linesmen—Crompton, Newark, and Talor, Fort du Pont. **Timer**—Claringbold, Newark.

Behind
The Magic Door

"OPEN SESAME." The great cave filled with jewels and gold was opened by these magic words. He who knew the password was admitted to wealth.

And those old tales of the Arabian Nights have a modern conception in the telephone.

"Open Sesame" has changed to "Number, Please." The doors to every active concern are thrown wide open. And behind those doors is the wealth of the Nation.

The thousands of daily calls that are placed in this State are indicative of steady business activities. The business growth of this section is dependent on rapid communication.

The miracles of old are commonplace today. The telephone has brought the farthest point of the Nation to your doorstep.
