TED JONES

A PROFESSIONAL STATE TREASURER

Ted Jones—as a leader in his community and state—is uniquely qualified to be Delaware's next treasurer.

As a leader in the fight to save Delaware tax dollars, Ted, as chairman of the State Distribution Agency, helped to develop the State Central Purchasing System. This saved thousands of dollars for the taxpayers.

As a leader in his community—through the Scouts, the Kiwanis, and as president and director of the Chamber of Commerce—Ted worked closely with many people in Rehoboth Beach and the surrounding area.

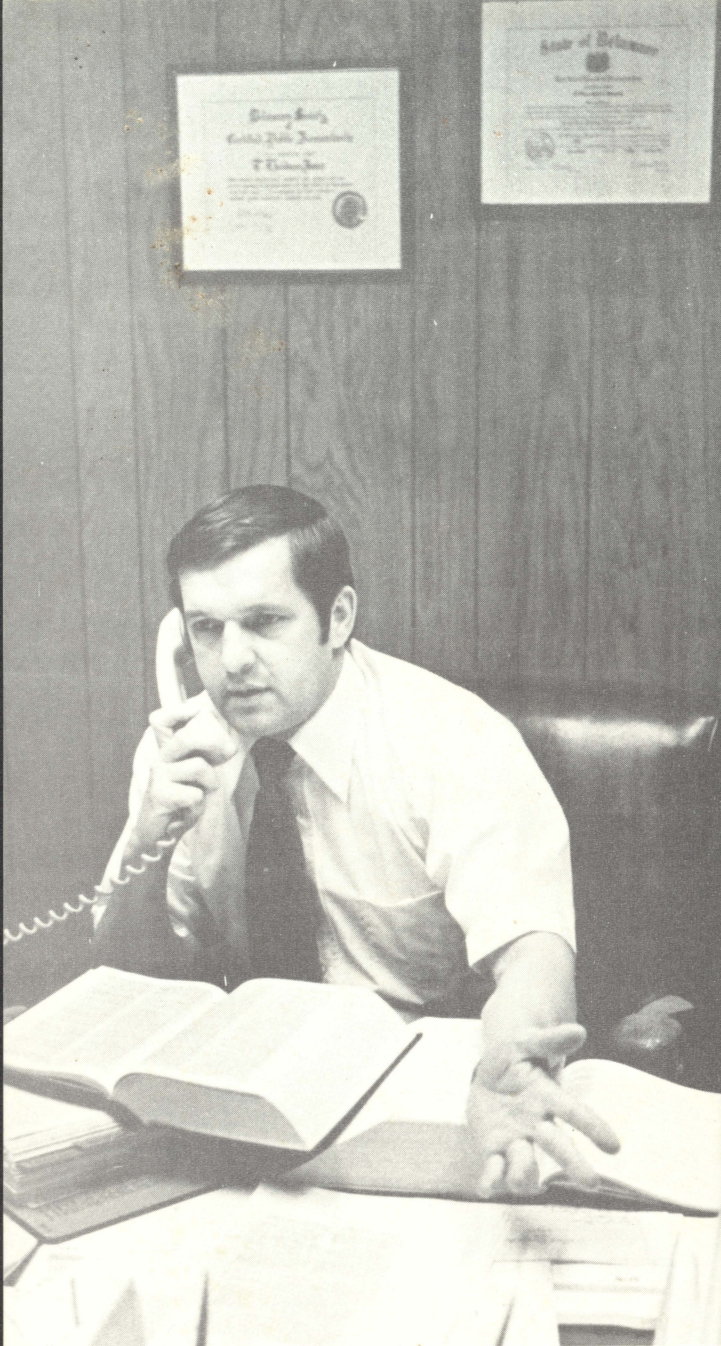

As a civic leader, Ted served on numerous town committees and helped develop the promotion, business management, and use of the Convention Hall.

As a political leader, Ted has worked on all levels of the election process, from committeeman to state wide finance chairman for Lt. Governor Bookhammer to Sussex County coordinator for Congressman Pete DuPont.

Ted Jones and his wife, Ruby, have two children. A Certified Public Accountant, Ted has built a successful firm, which now has four offices in Kent and Sussex Counties.
