**GOVERNOR'S MESSAGE**  
**STATE OF DELAWARE**  
**EXECUTIVE DEPARTMENT**

Dover

June 24, 1964

To the House of Representatives of the  
122nd General Assembly of the State of Delaware:

On June 16, 1964, I received House Bill No. 157 with House Amendment No. 2, entitled:

**“AN ACT TO AMEND SECTIONS 3902 and 3903,  
TITLE 14, DELAWARE CODE, RELATING TO  
TEACHERS' RETIREMENT AND DISABILITY  
PENSIONS.”**

I am returning this Bill to you without my approval because:

1. Under Section 1 of this Bill, 11 Del. C. § 3902 was repealed in error. This section pertains to the fixing of imprisonment terms.
2. Repeal of this statute, although perhaps later construed as a mere typographical error, could jeopardize the sentencing procedure in all criminal cases presently before the Courts of our State.

Respectfully submitted,

m  
Enclosure

ELBERT N. CARVEL  
Governor

**STATE OF DELAWARE**  
LEGISLATIVE REFERENCE BUREAU  
OF DELAWARE  
DOVER, DELAWARE

June 30, 1964,

Representative Russell D. F. Dineen  
Legislative Hall  
Dover, Delaware

Dear Representative Dineen:

House Amendment No. 1 to House Bill No. 581 adds certain language which was omitted from the original of House Bill No. 581 at the request of the Department of Public Instruction. The language was added in House Amendment No. 1 after conference with this office and the bonding attorneys since the language in question appeared in the last bond issue act. Unfortunately, House Amendment No. 1 contained an additional word which it should not have included. Senate Amendment No. 1 repealed House Amendment No. 1 and put the correct language back into the bill. After this was done, the bonding attorneys and this office decided that additional language was not required and that the bill ought to be passed as originally written. Therefore, Senate Amendment No. 2 repealed Senate Amendment No. 1 and restored the bill to its original form with the exception that it did correct one misspelled word.

Yours truly,  
MAURICE A. HARTNETT, III (**Amr**)  
Executive Director

**STATE OF DELAWARE**  
**EXECUTIVE DEPARTMENT**  
**DOVER**

October 20, 1964

To the House of Representatives of the  
122nd General Assembly of the State of Delaware:

There will be five Administration-sponsored bills which have passed the Senate and will be brought before the House of Representatives this afternoon. Because time is of the essence, a brief explanation about each bill follows:

Senate Bill No. 361 provides for a supplementary appropriation to the three County Departments of Elections. This is needed because of the reapportionment of the Senatorial and Representative districts which was authorized by the General Assembly and signed into law on July 13, 1964.

Senate Bill No. 363 provides for a supplementary appropriation to the office of Public Defender amounting to \$40,000. This need is brought about by the cases which have been referred to the Public Defender by the Superior Court Judges. In order for the Public Defender to operate as provided by law it is imperative that these additional funds be made available.

Senate Bill No. 362 provides for an appropriation of \$19,700 to carry on the Adult High School Evening Extension Program. This important program has been a resounding success throughout our State, with enrollment greatly exceeding anticipation.

We have a moral obligation to appropriate \$110,000 to the State Board of Education to support the program of Broadcast Educational Television. Senate Bill No. 364 will meet that obligation.

The Park Land Acquisition Bill, House Substitute No. 1 for House Bill No. 388, has been amended by Senate Amend-

ment No. 4 and has been sent to you by the Senate for your consideration. It is a highly significant Bill and the passage of it will set forth a program which will cause the 122nd General Assembly to be long remembered for its vision and wisdom. I urge its passage so that we may use the available funds for the embellishment of our beloved Delaware.

Respectfully submitted,  
ELBERT N. CARVEL  
Governor
