Special School Time Schedules Announced For All Children

Doors of All Newark District Schools To Open Thursday Morning, Sept. 9 at 8:20; Parents Requested To Have Children Ready For Buses 10-Minutes Ahead Of Schedule

A tentative time schedule for all pupils in the Newark school district has been announced by local school authorities and the doors at all schools will be opened at 8:20 Thursday, Sept. 9.

The difference in elementary school time schedules results from a varied bus schedule.

Elementary school starting and dismissal time differ because of slight variations in the school bus schedule. The school bus schedule is being worked out by the school district and the bus company.

Parents are requested to have their children ready for the bus at least 10 minutes before the school opening time. The school district is not responsible for children who are late for school.

A RESCUE TRUCK FOR NEWARK, purchased by the County and Federal Civil Defense organizations was turned over to the local Civil Defense group last Thursday night when Harry B. Crissman, acting county CD director (left, foreground) handed the keys to Wallace G. Johnson, (right) director of the Newark Civil Defense organization, at ceremonies held on the city garage property at East Main Street. Carroll A. Seale, chief of the CD county rescue division, stands in the foreground with Crissman and Johnson. Interested observers are (left to right, background) George Dunsen, John H. Jackson, John G. Maurer, Jr., Oran Smith, Lewis Pyle, Willard Wilson, Wm. D. Reynolds, Elwood Fouracre, Clarence Reed, David Cole, and Earl Gregson.

County Recreation Need Survey To Be Conducted In Communities

A countywide survey of community recreational needs is being planned by the Newark County Park and Recreation Commission, according to a letter sent to civic organizations throughout the county.

The letter, from Edwin G. Willing, commission chairman, asks the organization to cooperate in determining the location, size, and type of recreational facilities they need, and the number of people such facilities should serve.

To get answers to these questions, the commission will have a professional recreational planning organization survey the county's recreational needs, in cooperation with local groups.

Participation of the local communities in this survey will serve two purposes, the letter says; it will give professional planners the benefit of the knowledge of individual neighborhoods possessed by local residents; and it will increase residents' interest in and understanding of the recreational program.

Proceeds of the project are earmarked toward the new parish house now being constructed on South College Avenue.

Lunches will be served daily from the opening at 11 a.m. until 2 p.m. A snack bar will be open from 2 until the closing at 10 p.m.

Chairmen working with Mrs. Daugherty include Mrs. Vernon Lewis, housekeeping; Mrs. Richard Groo, food; Mrs. Gilbert Chase, program; Mrs. J. Carl Rees, finance; and Mrs. Joseph P. Patonovic, publicity.

Two Car Collision Results In \$600 Property Damage

A two car collision on the Newark-Glassboro road Friday evening at 7:20 involved total property damage estimated by Newark Police at \$600. Neither driver was injured.

Police report that an automobile operated by Dorothy C. Davis of RD 2, Newark, was backing onto the highway when struck by a stake-bed truck traveling south on Route 696.

The truck, owned by Ralph Vanover and operated by Richard L. Dayton, 20, struck the Davis automobile in the rear and the impact drove the car some 150-ft. down the highway. Rear fender, trunk and bumper damages to the passenger vehicle were estimated at \$350, while damage to the truck's fender and drive shaft were estimated at \$250.

The parties involved agreed on a settlement and no charges were pressed.

2 Day Pre-School Teacher Meetings Planned Next Week

Orientation, Planning Programs For Members Of Faculty Scheduled

Pre-school sessions for members of the Newark public school faculty will be held on Tuesday and Wednesday next week.

Tuesday's program will begin at 9 o'clock with the invocation by Rev. Howard Huges, pastor of St. Paul's Lutheran Church, followed by an extension of greetings by Joseph M. McVey, president of the Newark Board of Education; Dr. Wallace M. Johnson, mayor of Newark; and PTA presidents Mrs. W. L. Gore, Medill School; William Cooke, Brookside; and Michael Kubicki, Central School.

Frederick B. Kutz, high school principal, and Henry M. Brader, elementary school supervisor will introduce the new teachers, and discuss the program plans.

Dr. Thomas E. Robinson, president of Glassboro Teachers College, will deliver a talk on "A Basic Philosophy of the School's Job" and following lunch in the cafeteria, Dr. Robinson will speak on the topic "Specimens in a Course of Study."

The afternoon will be devoted to committee meetings with discussions of American Education Week, Christmas, Ethics, School Manual, Health, Legislation, Social activities, Faculty Play, PTA, Public Relations, Faculty planning; Fund drive; and Steering procedures.

On Wednesday morning, at 8:30 o'clock, the committee reports will be submitted on work plans for the year.

At 9:30, elementary teachers will assemble in the music room of the Central elementary school and the high school teachers will meet in Room 117 for general orientation and planning.

Lunch will be served in the cafeteria at noon, and in the afternoon, the teachers will prepare their reports for the opening of school on the following day.

Local VFW Post To Hold Election Next Thursday

Members of the VFW J. Allison O'Daniel Post 475 will select a junior vice-commander, a chaplain, and three members of the home committee at a meeting next Thursday evening at 8:30, at the post home on Barksdale Road.

Sergeant Wm. Fanning, commander of the local post, is to be transferred to Washington, D.C., and John Burke will assume the commander's duties in Newark. Wm. Corbin, junior vice-commander, will move up to Burke's post as the new senior vice-commander.

Lone Bid For Postoffice Received From Brookside

Newark Postmaster F. Allen Cochrane has announced that but one bid was received for a contract to operate a proposed branch post-office in Brookside. The bidding deadline was last Thursday.

The bid has been forwarded to Washington for approval, and pending Federal confirmation and the completion of the Brookside shopping center site, the branch office will be established for the sale of stamps, money orders and postal savings, and for the deposit and collection of mail.

Scout Troops 55-56 Plan Combined Camping Event

Boy Scout Troops 55 and 56 will begin their fall activities with a combined camping trip at French Creek State Park, Birdsboro, Pa., on the weekend of Sept. 11-12.

All scouts are requested to contact Scoutmaster William Peoples, phone 2330, or Scoutmaster Kenneth Crouse, phone 3595, for information concerning this initial outing.

Carl Thomas Wins Pushmobile Derby Over Local Track

Ten Newark Youngsters Compete In 8th Annual DAP Sponsored Racing

The once rain-soaked Pushmobile Derby was held without a hitch last Saturday, and 11-year-old Carl Thomas, of Claymont, raced down the new Milford Crossroads track to victory on the same wheels used by his now 21-year-old brother in the first Derby held back in 1947.

Second place was won by 11-year-old Francis Sharp in his first derby competition.

Ten Newark youngsters participated in the eighth running of the DAP Pushmobile Derby, and three of these boys—Ken Hofferker, Ed Scully, and Billy Preston won their first heats. Hofferker defeated Richard Burge, Wilmington, in the Class A first elimination run, a time of 34.18; and Scully outraced Robert Wiley, of Newark, in a time of 34.23.

Preston defeated Robert Reynolds, Edge Moor, in the Class B first elimination, with a time of 34.96. George Jarman, Carl Hutterworth, and Claude Mitchell, Newark Class A contestants, along with Wiley, were defeated in their first races.

Newark Class B competitors David Gray, Darryl Amoroso and David Stimmel lost in the first round.

In the second class B elimination event, Preston was defeated by Robert Bender, Wilmington, in a time of 35.61.

In Class A second eliminations, Hofferker and Scully were stopped by Martin Beaver, Holly Oak, and Harold Warrington, Georgetown in times of 34.4 and 35.43.

Breaking the continuity of the class races, special contests in two 1954 red and white coupes saw Gov. J. Caleb Boggs defeat Mayor August F. Walz by 20 yards, U.S. Senator J. Allen Frear, Jr., conquered U.S. Rep. Herbert B. Warburton, and Wallace G. Johnson, son of Mayor Wallace M. Johnson of Newark, defeated Mayor Harvey Spicer of Georgetown. All three winners received silver plaques.

Awards Presented Banking Women For Selling Bonds

Miss Edna Campbell, State Chairman, Receives Award For Group From A. D. Cobb

Miss Edna A. Campbell, chairman of the Delaware Association of Bank Women, was recently presented with an engraved copy of President Eisenhower's inaugural prayer and a certificate of award for the Delaware women's group achievement in selling U.S. Savings Bonds during the 1953-54 Women's Crusade for Security.

The awards were presented by Alex D. Cobb, state director of the U.S. Savings Bonds Delaware Division.

The 23 members of the Delaware bank women's group reported 25 sales of bonds amounting to \$46,000, exceeding the crusade goal of one sale per member.

The President's Prayer is framed in wood taken from the inaugural platform, and the certificate of award is signed by George M. Humphrey, Secretary of the Treasury, and C. P. Baldwin, chairman of the Delaware U.S. Savings Bonds Advisory Committee.

Miss Campbell is assistant vice-president of the Farmers Trust Office of the Wilmington Trust Company, in Newark.

State CD Director Speaks Before Local Lions Club

Col. D. Preston Lee, State Director of Civil Defense, addressed members of the Newark Lions Club at the Newark Country Club on Tuesday night, in a discussion of the state and county CD program.

Col. Lee described the Civil Defense control headquarters at Ft. DuPont, and explained the program prepared to meet emergency demands.

Reverend Meier was program chairman, and Dr. Thomas Hogshhead presided in the absence of Charles M. Cooper.

New Clergyman

Newark newcomer, the Rev. Robert W. Andrews has accepted the position of minister of Christian Education at the First Presbyterian Church in Newark, and will direct the Westminster Foundation for students at the University of Delaware.

Mr. Andrews will reside at the City Line Apartments, Elkton Road, Newark.

Record 1st Grade Enrollment To Begin School On Thursday

First Graders' Building, Teacher, Room Assignments Announced For Opening Day Of School; Parents Urged To Provide Identification Tags For Young Scholars

Some 400 little boys and girls will tug at mothers' hearts and apron strings next Thursday morning when they enter the first grade of school in the Newark special school district, for an all-time local record high enrollment.

Parents of these first-time scholars are urged to label all lunch boxes, book bags, pencil boxes, and any other supplies carried by the first graders, and in the case of bus-riding pupils—to provide identification tags pinned on the outer clothing, listing the child's name and address, to facilitate home delivery by the school bus drivers.

Advice to Parents: Parents who accompany their first graders to the school buildings, are advised to leave the child with the teacher after a quick, firm "good bye."

From past experience, school authorities have learned that first grade pupils take things in stride with a minimum of homesickness if there are no lingering farewells and they are placed under the immediate care of their teachers in the company of their classmates.

Classes for all public school pupils will begin at 8:45 a.m. Thursday, with half-day sessions scheduled through Friday, Full day classes will begin on Monday, Sept. 13 for all grades.

For the first time in recent years, local school facilities permit the scheduling of regular, all-day sessions for all grades with the acquisition of the Medill, West Park Place and Brookside elementary school classrooms.

Registrations for enrollment in the Newark school district are being accepted daily at the Academy Street school offices, from 8 a.m. to 4:30 p.m., but school officials stress the fact that no registrations can be accepted on the opening day of school, Sept. 9.

First grade building, room, and teacher assignments follow for the guidance of parents.

CENTRAL BLDG.—ROOM 128 Teacher—Miss Steele Leland Alken, Joyce Beninger, Nora Brackin, Frederick Burnham, Sandra Crompton, Brenda Davis, Mary Dickey, Martin Frazier, Mary Keister, Barbara Keppel, Jane Keppel, Stephen Kubic, James Lasky, Kari Louie, Beverly Loy, Nancy Lucas, Karen Matt, Susan McClendon, Diane McFann, George Neighbors, Sandra Patonovic, Mary Lou Perry, Larry Reddick, Craig Rice, William Rylander, James See, John Stiner, Catherine Widdows, Joy Warwick, David Womer, Jane Lloyd.

CENTRAL BLDG.—ROOM 125 Teacher—Mrs. Boone John Beck, Irvin Bolton, Ella Campbell, Mary Crawford, Dolores Diefenderfer, Doris Fuller, Randall Gentry, Linda Handloff, Jane Hartman, Barbara Hawkins, John Hickman, Thomas Jenkins, Ned Kibler, Margie King, Ruby Lloyd, Phyllis Lord, Charles Loundsbury, Susan MacLary, Judith McFarlin, Glenn Morrison, Sharon Pemberton, Margaret Perkins, Thomas Plotts, Conrad Robinson, Sandra Robinson, Thomas Runnels, Larry Stevens, Elaine Taylor, Matthew Zeisberg.

CENTRAL BLDG.—ROOM 101 Teacher—Miss Spencer Joan Hagdon, James Beachell, Peter Bushnell, Patricia Clark, Martin Foraker, Sandra Ann Gray, James Grundy, Nancy Hambleton, Joy Harper, Harry Hogshhead, Joanna Johnson, Brian Keller, Dorothy Lofland, Ruth Mayer, Bertha McClure, Keith McCormick, Richard Morrison, Helen Naylor, James Pollack, Linnet Povel, Michael Pretko, Janet Rush, Donna Schen, William Spear, Barbara Vogel, Donald Walp, Barbara Williams, Sylvia Stephenson, Susan Hilton, Alexander Barbara.

Local Fraternity Petitions Court On Zoning Ruling

ATA Contests Newark Board Of Adjustment Decision On Housing

A University of Delaware fraternity has asked the Superior Court to reverse a Newark Zoning Board of Adjustment ruling forbidding it to use a residential district dwelling as a fraternity house.

The petition was filed last week for the local chapter of Alpha Tau Omega national fraternity, by Vincent A. Theisen, Wilmington attorney. The dwelling is at the north-west corner of South College Avenue and Kent Way.

The fraternity sought to occupy the building under a Newark zoning ordinance provision permitting such use when authorized by the board.

Boggs Praises State Workers With Labor Day Proclamation

Industry's acceptance of Delaware as a good state in which to do business reflect credit on the state's work force, Governor J. Caleb Boggs said in setting aside Monday, Sept. 6, as Labor Day.

The chief executive pointed out "Delaware's future in the field of industrial development seems assured through the many expressions of interested businesses and firms which are continually seeking sites or buildings within the area." This, Governor Boggs pointed out, shows that the standards of products manufactured in the state have met with general approval, both at home and in world markets.

"It is an annual custom," Governor Boggs declared, "to set aside one day each year dedicated to those men and women through whose efforts we continue this high degree of productivity, which in turn makes our state one of the most prosperous in the nation. It again provided in 1953 the highest per capita income in the United States."

Governor Boggs concluded by saying that Labor Day should be marked to remember "those who contribute so much to our well-being and to the continued enterprise and loyalty of our thousands of workers whose daily performance carries the good will of the First State to all lands and all peoples."

General Chairman

Mrs. J. Fenton Daugherty

The Newark Antiques Show, sponsored by the Women of St. Thomas Episcopal Church for the ninth consecutive year, will be held Sept. 22, 23, and 24 in the Newark New Century Club.

Mrs. J. Fenton Daugherty, assisted by Mrs. Robert T. Hall, is serving as general chairman.

Twenty-four dealers from five states and the District of Columbia will supply merchandise of the distinguished caliber the Newark show has displayed in the past.

Proceeds of the project are earmarked toward the new parish house now being constructed on South College Avenue.

Lunches will be served daily from the opening at 11 a.m. until 2 p.m. A snack bar will be open from 2 until the closing at 10 p.m.

Chairmen working with Mrs. Daugherty include Mrs. Vernon Lewis, housekeeping; Mrs. Richard Groo, food; Mrs. Gilbert Chase, program; Mrs. J. Carl Rees, finance; and Mrs. Joseph P. Patonovic, publicity.

Two Car Collision Results In \$600 Property Damage

A two car collision on the Newark-Glassboro road Friday evening at 7:20 involved total property damage estimated by Newark Police at \$600. Neither driver was injured.

Police report that an automobile operated by Dorothy C. Davis of RD 2, Newark, was backing onto the highway when struck by a stake-bed truck traveling south on Route 696.

The truck, owned by Ralph Vanover and operated by Richard L. Dayton, 20, struck the Davis automobile in the rear and the impact drove the car some 150-ft. down the highway. Rear fender, trunk and bumper damages to the passenger vehicle were estimated at \$350, while damage to the truck's fender and drive shaft were estimated at \$250.

The parties involved agreed on a settlement and no charges were pressed.

Main Street Landmark Times Time-Marking Duty

The Newark's most timely landmark, the clock in the Newark Trust Company building, is back in operation after a rest of several days.

The clock's occasional tendency to go awry is understandable, since it is a very complicated mechanism, operated by remote control through a master clock inside the bank. To set the clock's four street faces, four different controls must be adjusted within the bank. Needless to say, the advent of Daylight Saving Time or the return of Standard Time is a major event at the bank.

In all fairness, the clock cannot be blamed for its latest lay-off. It was shut down because of the expansion program going on at the Newark Trust. The bank's modern, new quarters are now nearing completion, so the clock has gone back to work.

R. L. Hardy

Newark resident R. L. Hardy, 4 Tanswood Lane, has been appointed chairman of the local Red Feather campaign for the United Community Fund of Northern Delaware.

Mr. Hardy conducted an initial meeting of the Red Feather campaign regional organization last week in which plans for solicitation in the Newark area were outlined. Interested solicitations are to be concentrated in a one-day drive, Oct. 13.

Peter Zeidler

Peter Zeidler of Newark took the grand championship, and 20 ribbons in the Delaware Guernsey Parish Show at the University of Delaware farm here Saturday.

He entered 14 of the approximately 200 head of cattle at his farm.

In addition to Mr. Zeidler, local winners in the 16 classes included senior heifer calves, first, Clarence Fraim and Daniel Harris of Newark; Faim and Daniel Harris of Newark; and three-year-old cows, breeding champions in junior show, some 70 Lynn Harris, of Newark. Some 70 head of cattle were entered in the show.

Mill Creek Hundred News

Sam Pennington Evans, Correspondent
Phone: Hockessin 7798

Since the afternoon at 2:30 p.m. the members of the Society of Friends of the Mill Creek Hundred, Delaware County and Chester County, Pa., met at the Mill Creek Friends Meeting, 1000 E. Main St., Wilmington, Del., for the annual meeting. The meeting was held in the new building which was dedicated in 1930 and has been the regular meeting place of the Society since that time. The meeting was held in the new building which was dedicated in 1930 and has been the regular meeting place of the Society since that time.

Demonstration Groups Eliminate 9000 Fall Hazards

"Stop Falls Campaign" Results in Correction of Potential Dangers

Nearly 9000 potential fall hazards were recognized and removed by approximately 1400 Home Demonstration Club members through the state during the "Stop Falls Campaign" conducted February 1 to June 30. A similar survey made last year showed that falls were the chief cause of two-thirds of all home accidents, according to Miss Louise R. Whitcomb, Extension home management specialist at the University of Delaware.

Of the 82 home demonstration clubs in the state, 63 clubs participated in this latest campaign. Each month the club members discussed with the safety chairman of their club how to recognize hazards in different home areas. The areas included living room, bedroom and bathroom area, kitchen, basement and attic, and the yard area. Club members then checked their own homes.

The study showed that the living room had the most fall hazards. Shawnee Evening Club, Milford removed the most hazards, 637.

The results of this campaign clearly indicate that checks on home hazards are needed, Miss Whitcomb states. Such checks can prevent many a painful injury and save many a doctor bill, she adds.

Veterans' Corner

Provided by The Veterans' Administration Information Service

Q—My National Service Life Insurance has been lapsed for more than three months and I understand I must take a physical examination in order to reinstate it. Will VA give me the examination?

A—Yes. You may receive your physical examination, at no cost, from a VA regional office or hospital clinic.

Q—I intend to go to school under the Korean GI Bill. I would like to get a part-time job to supplement my GI allowance. Is there any limit on how much money I would be permitted to earn?

A—No. There is no limit on the outside earning of veterans in school under the Korean GI Bill. No matter what you earn, your GI monthly allowances will remain the same.

Q—I am enrolling in college this fall under the Korean GI Bill. When can I expect my first GI allowance check?

A—You will receive your first check about two months after you enroll. Under the law, payments are made after the end of each month of training so that accounts for one month. Then, you and your school must sign a certification that you've been in training all month. VA pays its allowance within 20 days after it receives this certification; so that accounts for almost another month.

Q—Could I receive VA outpatient treatment for a non-service-connected disability?

A—No. Under law, out-patient care may be received only for the treatment of service-connected disabilities.

Kindness in ourselves is the honey that blunts the sting of unkindness in another.

Capitol Trail News

Marjorie M. Bishop, Correspondent
Kirkwood Highway
Phone 6318

Suddenly we realize that August has slipped away and September has taken her place. Summer-time always seems too short, doesn't it? Especially for the youngsters. Here's hoping that we are all starting the month with renewed energy and refreshed spirits.

Pushmobile Derby

The vicinity of Milford Crossroads has acquired a new name, "Derby Hill", now famous for the new site for the Pushmobile Derby Track.

Derby Hill was the mecca for thousands of Delawareans who came last Saturday to witness the first derby to be run on this track, rated the finest in the country. By early afternoon it was estimated that a crowd of 10,000 people had gathered.

You may have been among the throng, or perhaps you anxiously followed over the radio the course of your favorite entry. Whether loser or winner, they were all good sports to the very end when Carl Thomas, Class A Champion, piloted Car 93 to win the finals.

All added up to a very successful day-long event, thanks to the unselfish efforts of the Delaware Police and the Pushmobile Derby Association.

Persons
Mr. and Mrs. Joseph F. Chalmers arrived on Saturday, Aug. 28 from Seattle, Wash., for a visit with Mr. and Mrs. Talbert Chalmers, Possum Park Road.

Congratulations to Frank H. Buckingham of Red Mill Road who had the honor of being the oldest member present at the annual Harkness family reunion held on Aug. 22 at the home of Mrs. Louise H. Dempsey, Corner Ketch, Mr. Buckingham is 86 years old.

Friends of Daniel L. Buckingham Jr. are pleased to learn of his engagement to Miss Sarah Hale Potat, daughter of Mr. and Mrs. John R. Potat, of Louisville, Ky.

Mr. Duhammel is associated with the General Electric Company in Louisville and is the son of Mr. and Mrs. Daniel L. Duhammel, Kirkwood Highway.

Mrs. James T. Brown, Kirkwood Highway, motored to Oxford, Pa., last Thursday.

Mrs. Harold Stanley, Pat. Stephen and George Stanley, of Delaplane Manor, have returned from a vacation.

News of Bear

Mrs. Leslie Ford, Correspondent
Phone: New Castle 6484

Miss Dorothy Whittington had the misfortune to break her ankle on Friday. She will have it in a cast for four weeks.

Mrs. Howard Slaughter and son Randall; Mrs. Carrie Slaughter; Mrs. Rhineer Slaughter; and Mrs. Annie Harrington spent the week at Ocean Grove, N.J.

Raymond Davis of Newark spent Monday evening with his sister, Miss Bessie Davis.

James L. Ford, Jr. of Newark spent Wednesday with his parents, Mr. and Mrs. J. Leslie Ford.

Mr. and Mrs. Lawrence Tobin and son Larry of Wilmington Manor Gardens spent Tuesday evening with Mr. and Mrs. George Moore and family.

Mrs. Thomas Whittington, Dorothy and Frank Whittington, Mrs. George Moore, Robert and Judith Moore spent Tuesday at the Philadelphia Zoo.

Mrs. Preston Dasher, Mrs. J. Leslie Ford, Mrs. Paul Burge and son spent Tuesday with Mrs. Marie Delbert of Elkton.

We welcome back to Eden School teachers Mrs. May B. Leasure and Miss Ethel Campbell, and all the scholars on Wednesday, Sept. 8.

Mr. and Mrs. Horace Eastburn, Miss Janet Eastburn, Miss Ruth Hutchison and Miss Lella Hutchison are spending the week at their cottage at Rehoboth Beach.

Mrs. Harold Wink is a patient in Wilmington Memorial Hospital.

Dr. Walter E. Carr remains about the same in Delaware Hospital.

The congregation and friends of Rev. Ashworth Burslem are very sorry to hear about his fall and hope that he may soon be able to throw away his crutches.

I never did anything worth doing by accident, nor did any of my intentions come by accident; they came by work. —Edison

Christiana Calling

Sylvia P. Jones, Correspondent
Phone New Castle 6876

A flurry of activity is noticeable around Christiana now as late vacationers and weekend travelers hurry to make the most of the flying warm summer weather.

Mrs. Elsie Reed and son Donald, with Mr. and Mrs. John Lynch of Polly Drummond Hill, motored last week to North Pole, N.Y., where they made an inspection tour of Santa Claus' headquarters. The party crossed Lake Champlain and traveled through the New England states before returning home.

Mr. and Mrs. Park Eby are vacationing in Wildwood for two weeks. Mrs. Mary Hanna also spent several days with them there.

Mr. and Mrs. Robert Vincent and family recently visited Mrs. Vincent's mother, Mrs. Rust, in Harrington.

Mr. and Mrs. Howard Burris, Howard, Jr., and Raymond Hales spent last Sunday at Rehoboth.

Mr. and Mrs. Walter Hoxley and children, Melvin, Mary Ann and Harriet, of Limestone Acres; Mrs. H. A. Phelps, Miss Ruth Phelps; and Mr. and Mrs. H. S. Jones and sons, Southard, Barry, and Bruce, of Red Mill Road.

Among the 108 descendants of William and Mary Ann Tarry Burge who attended the 18th annual Burge family reunion in Middletown last Saturday were Mr. and Mrs. John Burge, Douglas Burge, Mr. and Mrs. George Ware, Mrs. Elsie Reed and son, Donald. A basket picnic luncheon and a program of sports were enjoyed at the home of Mr. and Mrs. Millard Reed.

As vice-president of Local 266, Newark, United Textile Workers of America, Homer Vincent is a delegate to the American Federation of Labor convention in Atlantic City this week.

Mrs. Homer Vincent is a guest of her sister in Chester, Pa.

Thomas J. Claybaugh has been given his honorable discharge after seven years in the U.S. Navy. Mr. Claybaugh and his wife, the former Miss Alice Morrison, are living on Walthers Road.

Howard Burris, Jr. and Raymond Hales will leave on Sept. 5 for two weeks' training with the Naval Reserve at Bainbridge, Md.

Congratulations to Dr. and Mrs. Irvin Carroll on the birth of a son at the Delaware Hospital on Aug. 22. The Carrolls have one other child, Susan.

Miss Cissy Murphy's weekend in Richmond as left fielder with the Wilmington Redbirds, champion girls' softball team of Delaware, might be described as interesting, but strenuous. After winning over the Virginia Dairy team in the

morning, the Redbirds were finally defeated by the Richmond Polyanthus, 4-0. Ultimate winners of the Central Atlantic Regional Girls' Softball Tournament were the Columbia Girls of Washington, D.C.

Wedding Planned
The wedding of Miss Ann Lockard, daughter of Mr. and Mrs. William R. Lockard and Mr. John Roland Pyle, son of Mr. and Mrs. Charles Roland Pyle of Kennett Square, Pa., will take place on Saturday, Sept. 11, in the Christiana Methodist Church.

The Rev. Arley B. Golden will officiate. Harold Lynch of Cooper Farms will play the wedding music and Mrs. Arley B. Golden will sing.

Miss Margaret Marie Lockard will be her sister's maid of honor. Bridesmaids will be Miss Janet Eastburn of Bear, Mrs. William Redding of Wilmington, and Mrs. Arlene Francis of Stokelyville, Pa., another sister of the bride.

Barbara Pyle is to be junior bridesmaid and little Miss Patricia Lockard, flower girl.

Best man will be Herbert McKinstry of Deeburgh, U.S. Navy, and William Cann, Jr., of Newark; William Jenkins of Toughkenamon, Pa., and Charles E. Johns of Toledo, Ohio.

Miss Lockard graduated from the Newark High School in 1949. She is associated with the Avon Products Company, Mr. Pyle, a Kennett Square High School graduate, served two years with the U.S. Air Force and is now engaged in farming.

After a wedding trip the couple will live in Avondale, Pa.

Residents of this area were shocked to learn of the death of Mrs. Ada Beeson, wife of W. Bertram Beeson of Elmhurst, in the Wilmington General Hospital on Aug. 28. The daughter of Mr. and Mrs. Lawrence A. Weidner Sr., she was a graduate of Newark High School and a member of the Christiana Methodist Church.

Survivors, besides her husband and parents, include three daughters, Sherry Lanna Beeson, and twins, Sandra Lynn Robinson and Sharon Lela Robinson; three sisters, Mrs. Alice S. Hare, Wilmington, Mrs. Viola L. Neilson, Salt Lake City, Utah, and Mrs. Anna B. Lewis, Newark; and a brother, Lawrence A. Weidner, Jr., Newark.

Cooch's Bridge and Glasgow

Mildred Ludwig, Correspondent
Phone: Newark 8-5496

Superintendent Edward Crowe of Otis's non-denominational chapel announces the annual Fall Festival will be on Saturday, Sept. 11, beginning at 6:30 p.m. The chapel's famous home-made ice cream will be served, as well as home-baked bread, cakes, and candies. Entertainment for children will include pony rides, dart and milk bottle games, a fish pond, and a novelty table.

Mrs. Vito Amoroso held a novel brush party last Wednesday evening which commenced with a hot-dog roast to which the husbands were invited. The demonstrators were Mrs. Peggy Miller of Christiana and Mrs. Charles Stein of the Christiana-Cooch's Bridge road have returned from a two-week visit to Wisconsin. Their eight-month-old daughter, Barbara, was christened Sunday, Aug. 22 by Mrs. Sine's father, Rev. Fred Lynn of the Fulton, Wis. Congregational Church. Some 20 members of the immediate family were present at the baptismal ceremony.

The Town and Country Home Demonstration Club will meet next Tuesday evening at 8:30 at the Chestnut Hill home of Mrs. Charles Golt.

Co-hostesses will be Mrs. Helen Meade and Mrs. Kaye Vernon. Mrs. Helen Meade will demonstrate the making of flower corsages. For further instruction in decorative stitchery, the club is hopeful of obtaining a Singer demonstrator for the next work party.

Sunday School Picnic
Over 30 persons attended the Salem Church Sunday school picnic Saturday at White Crystal Manor. The picnic, scheduled earlier in the month, had been postponed because of the death of a church trustee.

The Salem social will hold their annual watermelon party on the church lawn next Wednesday evening at 8 o'clock. The Sunday School reopens Sept. 11.

Staff Sgt. James Crockett, son of Mr. and Mrs. Clarence M. Crockett of Cooch's Bridge, arrived at his parents' home Saturday by plane from San Francisco by way of Ft. Meade where he received his discharge.

Sgt. Crockett, after two years in Korea, crossed the Pacific in 15 days on an aircraft carrier and had been doing some long-awaited fishing at Kilt's Hummock.

His brother David missed seeing him by one day. David, a navy man, shipped out of New York Friday, on a destroyer.

The Crockett's held a family reunion at their home on Sunday, with 45 members of the family present. Former Sgt. Crockett will live in New Castle and get acquainted with his almost two-year-old daughter.

The Oglethorpe H.D. club picnic Saturday at White Crystal was attended by 22 children and 15 adults, all of whom enjoyed a delicious picnic lunch.

New residents are urged to register their school-age children Monday through Friday from 8 a.m. to 4:30 p.m. at the Academy Street elementary or high schools. There will be no registrations the first day of school, Sept. 9.

Mr. and Mrs. James McMillan of the Christiana road have returned from their honeymoon trip thru North Carolina.

LICENSE APPLICATION
Crichton's intends to make application for a license to sell alcoholic liquor for consumption at the premises from a package store at the proposed Newark Shopping Center to be constructed by Monogram Realty Inc., situated at the northern side of East Main Street, East of North Chapel Street, Newark, Delaware.

Crichton's Beverages Inc., Newark Shopping Center, Newark, Delaware.

County Agent Offers Aid For Ants-In-House Fight

Ants in the house are a nuisance, agrees County Extension Agent Edward H. Schabinger. To get rid of these unwelcome pests, use a two per cent oil-base chlordane spray, the county agent advises.

Wherever ants are coming in, spray the outside walls, from the ground to the windows. Apply the spray also to the lower part of window frames and around doors. If there is a porch open underneath, or other open areas under the house, apply the insecticide to those areas.

If the ants have nests inside the house, spray as near the nests as possible. Use a small paintbrush to make sure you get the insecticide exactly where you want it.

\$3 Million In 7-Months Paid Out By Blue Cross

More than \$3,000,000 has been paid for members' hospital and surgical medical expenses in the first seven months of this year by the Delaware Blue Cross-Blue Shield plan. This was reported yesterday by H. V. Maybee, managing director of Group Hospital Service, who said the total of Blue Cross and Blue Shield payments to hospitals and doctors from January through July is \$3,031,826.

HISTORICAL REVIEWS
OF THE NEWARK AREA

By ETHEL M. HILL

Heckwelder, Brainerd and Tostel all assure us in positive terms that among the Indians, a devil was unknown. At the time of light looked upon as a beneficent figure. The Indian did not appeal to light for assistance.

The study of Wamun Alum is being written by M. R. Harrington and Dr. Speck, in Delaware County, and the religion of the Indians made clear as to how they played to 12 Manitou who relayed the prayers to the Great Manitou who was in all things—the trees, the flowers, the animals—and who, in turn, relayed the prayers to the Great Manitou. The study of the Lenape's religion is being given careful attention by these men.

Lenape

The Lenape Indian was not the ignorant native we often think, but a man who taught his family that the Great Manitou watches over his own.

Mr. C. A. Weslager of Wilmington has made an extensive study of the Delaware Indian and is very helpful in the study of this subject.

The Wamun Alum was a legend carved on stone or bark and as the legend was in pictures, painted red, a very few of the older Indians could translate these carvings to the others.

It starts: "At first in that place at all times above the earth. On the earth was a great fog. And there the Great Manitou was. At first, forever, the fog was everywhere. The Great Manitou was. He made the extended land and the sky. He made the sun, the moon, the stars. He made them all to move evenly. Then the wind blew steadily and it showed and the water flowed off far and strong."

A group of islands grew newly and there remained. Anew spoke the great Manitou—A Manitou to Manitou. To being mortal souls and all. And ever after he was Manitou to man and their grandfather. He gave the first mother, the mother of beings. He gave the fish. He gave the turtles. He gave the beasts. He gave the birds.

This is the first 13 pictures of the Wamun Alum. There are 24 in this first part; 16 in the second; 20 in the third; 16 in the fourth; 60 in the fifth part.

The 30th picture is translated: "at this time from north and south the whites came. They are peaceful. They have great things. Who are they?"

Mrs. Ada Beeson
Funeral Services
Held On Tuesday

Mrs. Ada Beeson, 36, wife of W. Bertram Beeson, 313 Winston Avenue, Elmhurst, died early Saturday morning in Wilmington General Hospital where she had been a patient 10 days.

Born in Newark, she was the daughter of Mr. and Mrs. Lawrence A. Weldin, Sr., and a graduate of Newark High School. She was a member of Christiana Methodist Church.

In addition to her husband and parents she is survived by three daughters, Sherry Lanna Beeson, and twins, Sandra Lynn Robinson and Sharon Louise Robinson; three sisters, Mrs. Alice S. Hare, Wilmington; Mrs. Viola L. Nelson, Salt Lake City, Utah; and Mrs. Anna B. Lewis, Newark; and a brother, Lawrence A. Weldin, Jr., Newark.

Funeral services were held Tuesday at the E. T. Jones Funeral Home in Newark. Interment was in Newark Cemetery.

George M. McCleary Dies
At Roxborough, Pa., Home

George M. McCleary, 76, died Sunday at his home in Roxborough, Pa.

Born in Lewisville, Pa., the son of Robert Huggins McCleary, he is survived by his wife, Blanche; a son, George, of Collegeville, Pa.; and a daughter, Mrs. Earl Clayton of Roxborough.

Mr. McCleary's sister, Mrs. Emma Greig, resides in Newark; and he leaves two brothers—Robert, of Lewisville, and John, of Chester, Pa.

Interment was in West Laurel Hill Cemetery, Philadelphia.

OUT OF
GODFREY'S
TEABAG

My racehorse made his first start the other day. He was right up there with the leading horses . . . then they opened the starting gate and he was away, behind.

Two goofs were out fishing and they were catching fish one after another. One of them said, "Gosh, if we could only find this spot again." The other fella said: "That's easy. We just mark an X on the side of the boat where it was." The other guy said, "Don't be so stupid! Next time we come back here, we don't know if we'll get the same boat!"

There was a foursome playing golf. The first fellow sliced the ball and it went 220 yards and rolled into the hole. Number two hooked badly and it rolled into the hole. The third man comes up, drives it straight as a rifle shot—another hole in one. The fourth guy goes up to the tee, addresses his ball a couple of times and then picks it up and throws it about 20 yards. "What did you do that for?" the other asks. "Aw, who'd believe me, anyway," he replied.

Three men were out fishing in a boat. Each man had a pack of cigarettes, but none of them had a match. So they solved the problem by throwing one cigarette overboard which made the boat a cigarette-lighter.

Extension Service
Returns Dividends
To Rural DwellersU. S. Agriculture Dept.
Survey Discloses Gain
In Improved Practices

An estimated 5,393,522 families changed one or more agricultural practices in 1953 as a result of Extension Service activities, according to a recently compiled report by the United States Department of Agriculture.

This was 16 percent greater than was reported in 1952. Of this total, 3,349,061, or 62.1 percent, were farm families, while 2,044,461, or 37.9 percent, were rural non-farm families. The survey results indicated that 1,093,629, or 20.3 percent, of the families assisted lived in urban areas before.

Estimates of county extension agents participating in the survey placed the total number of families assisted, by some phase of extension work, during 1953 at 8,313,429, or 24 percent more than were reported the year before.

In 1953, for the first time, provision was made in the statistical report form for reporting assistance given urban families separate from rural nonfarm families. This has doubtless resulted in more fully reporting urban extension work than in previous years, said the survey report.

Added Life Years
Call For Planning
Official RemindsLife Expectancy Increase
Of 21-Years Since 1900.
Requires Old Age Planning

Life expectancy today is about 21 years longer than it was in 1900, according to Myron Milbourn of the Wilmington Social Security Office. "This means that the average American now lives to be more than 70 years old. More of us can expect to live well into our seventies, eighties, and nineties," he declared.

He pointed out that throughout life most of us from time to time have taken stock of what we were doing and where we were going. Figuring up our assets and liabilities, we decided what to do for a living, whom to marry, where to live, how to bring up our children, etc. In many cases this planning is not a very conscious process; often we more or less drift into things. As we grow older, however, it is wise to make serious and conscious plans for the future—for the years after we elect, or are forced to, retire at age 65 or later. Ranking high in such planning should be a comprehensive plan aimed at meeting personal and family economic needs during these added years that science holds out to us.

Rainy Day Plans

If, in formulating your plan, you are fortunate enough to be able to look forward to a company pension; if, in preparation for the proverbial rainy day you have laid aside a portion of your earnings in a savings account; if wise investments have been made from which you hope to derive income, and if home ownership is numbered among your goals or accomplishments, you and your family can indeed look forward with much confidence to a financially secure old age.

"But, don't let your planning stop there—don't overlook what may very well prove the most important plank in your entire planning program—your stake in Federal Old-Age and Survivors Insurance," Milbourn advised.

In Delaware, the social security office is at 813 West Street, Wilmington, and a representative goes to seven other communities throughout the State on a regular schedule. It is your office, maintained by the Social Security Administration for your convenience. Don't wait until you are over 65 and ready to retire to take advantage of its services. Find out now how the old-age and survivors insurance program fits into your plan for the future.

If you can't get into Wilmington, see the representative from that office in the town nearest to you. A representative is in the Old Academy Building, Newark, the 2nd Tuesday of each month at 9:30 a.m.

Elm Leaf Beetles
To Invade Attics
Again This Winter

Brown curled leaves on your elm trees with a fancy lace-like look are caused by the little dark-colored beetle which pestered you last winter when it appeared in your attic. In other words, the elm leaf beetle has just been through the leaf feeding stage, states Louis A. Stearns, Extension entomologist at the University of Delaware.

Last winter housewives were disturbed by this little beetle hibernating in the attics and other secluded places and appearing in great numbers on warm days. The little bug did no harm while in the house.

It's too late now to control the elm leaf larvae feeding. An insecticide for this should have been applied in early June. For control of the elm leaf beetle, Stearns recommends lead arsenate, 6 pounds in 100 gallons of water, or 2 pounds of 50% wettable DDT powder.

Another invasion of attics can be expected next winter where damage to elm trees has been plentiful this year.

Employment Figures Drop
8,000 Below 1953 Report

Employment in the Wilmington industrial area in mid-August was more than 8,000 below the same period in 1953, and more than 3,500 below employment figures for August, 1952, according to a recent report by the Delaware State Chamber of Commerce.

The employment figures, compiled as of Aug. 16, however, showed an increase of 276 over the total last May.

Delaware Civil Defense Facts

Third in a Civil Defense Series by D. Preston Lee
State Director of Civil Defense

The quiet, little river town of Delaware City, now all but forgotten in the rush of progress, may one day become the state's emergency capital.

It will be a grim day, for it will mean that the United States is at war and its cities under attack from the air.

Hard by Delaware City in abandoned Fort DuPont on the river shore just south of the C. & D. Canal, the state Civil Defense is quietly reading its "Control Center," which will be Delaware's brain and heart in an emergency.

Here in a huge bunker—with nine-foot concrete walls, faced by 25 feet of dirt—are the maps, records, files, radio and telephone equipment and living quarters for the civil defense director and his staff.

Here also are quarters for Delaware's governor and his aides, along with storage facilities for valuable state records. In short, this abandoned bunker, with its long concrete corridors, its dungeonlike chambers, is ready to serve as a self-contained headquarters unit, Delaware's wartime capitol.

Under Delaware's CD plan, each county and incorporated town also is expected to set up a control center for its own CD program.

Attack Plan
In an attack, when CD will "go operational," the state's defense organization will work this way: Reports of damage, fires, casualties will be reported to the nearest control center, which will dispatch the necessary fire crews, police and rescue squads. If a city or town gets into real trouble, it can call on the county control center for help. If a county is hard-pressed, it can summon state aid through the Delaware City headquarters.

A running picture of the disaster situation will be pinpointed on maps in each control center. If the state itself is taxed beyond its defensive powers, the state control center will call on the regional

GI Home Loans For July
Total \$2,182,410 In Area

Valuation of GI home loans committed for guarantees by the Veterans Administration regional office in Wilmington for the 30-day period ending July 25 was \$2,182,410, it was announced last week by Thomas H. Stilwell, office manager.

The valuation, representing 200 loans, compares with a total of \$2,187,025 and 216 loans on June 25. The May 25 figure was 229 loans for \$2,375,290.

Among the home loans approved for guarantees were 61 for Korean War veterans. This brings to 614 the number of veterans of that war aided by the VA program in Delaware.

Desire is prayer; and no loss can occur from trusting God with our desires, that they may be moulded and exalted before they take form in words and in deeds.

—Mary Baker Eddy

Again This Winter

OUT OF GODFREY'S TEABAG
My racehorse made his first start the other day. He was right up there with the leading horses . . . then they opened the starting gate and he was away, behind.

Two goofs were out fishing and they were catching fish one after another. One of them said, "Gosh, if we could only find this spot again." The other fella said: "That's easy. We just mark an X on the side of the boat where it was." The other guy said, "Don't be so stupid! Next time we come back here, we don't know if we'll get the same boat!"

There was a foursome playing golf. The first fellow sliced the ball and it went 220 yards and rolled into the hole. Number two hooked badly and it rolled into the hole. The third man comes up, drives it straight as a rifle shot—another hole in one. The fourth guy goes up to the tee, addresses his ball a couple of times and then picks it up and throws it about 20 yards. "What did you do that for?" the other asks. "Aw, who'd believe me, anyway," he replied.

Three men were out fishing in a boat. Each man had a pack of cigarettes, but none of them had a match. So they solved the problem by throwing one cigarette overboard which made the boat a cigarette-lighter.

HEARD ON "Talent Scouts"
MONDAYS, CBS AND CBS-TV

own Civil Defense program will determine, in large part, how well this country will stand up under an enemy attack.

Under Delaware law, each county, city or town is required to set up a Civil Defense system. But the thoroughness of that system—the money appropriated, the equipment stockpiled, the personnel trained and ready—is, to a great extent, left up to the community.

What is your community doing about it?

ARTHROSIS?
I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body, and with muscular atrophy from . . . in fact, I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me, I will reply at once and tell you how I received this wonderful relief.

ADAPTING TO CHANGE

One of the distinguished characteristics of American industry is its ability to adjust itself to changes of great magnitude.

As an example, some 50 years ago kerosene was the oil industry's principal product. Gasoline was nothing but a nuisance, and the main problem was to find ways of getting rid of it as cheaply as possible. Then came the automobile. By 1910 there were about 500,000 motor vehicles in the country—by 1920 there were more than 9,000,000. Today over 45,000,000 cars ply our streets and highways, all drinking gas. That once-useless product now flows out of the refineries at the rate of 100,000,000 gallons a day, and close to half of all the crude oil produced is converted into gasoline and lubricants.

The oil industry's success in producing this enormous flood of gas doesn't end the story. Quality, no less than quantity, is a big factor. The gasoline used 30 years ago would "knock" a modern engine into the repairman's hands in a hurry. Thanks to research, modern gas makes cars run with near-perfect smoothness—and it delivers about 50 percent more miles to the gallon in addition. And the cost of the gas, taxes excluded, is about the same.

Under free enterprise, we get the best and the most for the money.

NEWARK IN REVIEW

Twenty-five Years Ago

Postoffice Cornerstone

Postmaster Wm. H. Evans laid the cornerstone of the new Federal Postoffice building in Newark on Saturday afternoon, before a crowd of interested observers. Other speakers included J. L. Oberwager, government engineer in charge of post office construction; Mayor Frank Collins, and Congressman Robert G. Houston.

In his introductory remarks Mr. Evans lauded the work of Mr. Oberwager for the rapid construction of the building. He stated that the contract called for 400 working days to complete the structure and that Mr. Oberwager, in the face of many unforeseen difficulties, had cut that time to 180 days.

School Year Begins
The school year for Newark began this morning with the preschool faculty conferences at 9 a.m. School pupils will report Monday morning at 7:30 a.m. with grades 1, 2, and 3 to be housed in the Delaware Avenue building; grades 4 and 5 in the Main Street school, and grades 6 to 12 in the new building on Academy Street.

All buildings have been thoroughly cleaned, inspected, and renovated, and the cafeteria will also open on Monday.

Council Traffic Ordinance
At Tuesday night's regular Council meeting, a new traffic ordinance was given its first and second readings, and it was decided to put its provisions into effect within the next few days.

The ordinance, prepared by J. Pearce Cann, provides for parallel curb parking on all streets in town except on the north side of Main where three hour parking at a 45 degree angle will be provided. Cars will park parallel to the curb on the south side of Main Street with a 20-minute parking time limit.

Water Conservation
The Council of Newark has requested all users of town water to be careful and conserve such water during the present drought. There is no immediate danger of a water shortage, Council advises, but the pumps are being taxed to supply the current demand, and with a continuation of the dry weather, the situation could become serious.

School Bus Schedules
Stiltz Brothers have been awarded the contract for the transportation of out-of-town pupils to the Newark public schools.

Four buses will cover four routes—one more bus than was necessary under the program of the past year. All buses will leave Newark at 6:30 and arrive back at the school with their youthful passengers at 7:30 a.m.

GOP National Commitment
Gov. C. Douglass Buck was unanimously elected to succeed former U.S. Senator T. Coleman DuPont as Republican National Commitment.

The governor, who was in his office in the State House when the committee reached their agreement, was escorted to the Supreme Court room where he was officially informed of his selection.

City Officers
Merle Sigmund's appointment as town engineer was ratified at Tuesday's Council meeting.

Wm. J. Lovett, former councilman, was elected by City Council to fill the middle district vacancy occasioned by resignation of Councilman Herbert Henning.

Sports
C. E. "Pat" Keyes, former graduate student and track coach at the University of Delaware, has accepted a full schedule of appointments to officiate at football games this fall. He is a member of the Eastern Association of Intercollegiate Football Officials.

Among the games he will handle are Swarthmore-Drexel; Villanova-Loyola; St. Joe's-PMC; F&M-Ur-

sinus; Delaware-Swarthmore; Yale-Maryland; PMC-Delaware; Villanova-North Carolina and F&M-Gettysburg.

A team of 36 Newark Country Club golfers defeated the duPont Country Club golf team on Saturday, 52-39—the largest winning margin registered by either club.

In a two-ball foursome feature at the local club, P. B. Myers and C. A. McCue won first prize on Labor Day with a net 70, while Walter Hulihan and E. B. Crooks checked into second place with a net 72.

Charles Pie took the silver spoon prize for low gross with a 73, one of the best rounds turned in by an amateur in the history of the club.

The University of Delaware grid squad will begin practice on Tuesday with a group of 35 candidates reporting to Coach Joe Toback.

Vincent Mayer, John Holloway, and Amos Jaquette, up from last year's Newark High School varsity, will be among the Blue Hen candidates.

Among the lettermen expected to report are Capt. Ace Taylor, Shelladay, Barton, Hill, Benson, Reitzes, Kane, Draper, Staats and Hopkins.

Dave Loveland, flashy backfield performer who played varsity football for three years before dropping out of school last year, is expected to be a Delaware candidate again.

Newark dropped out of a first place tie with Aberdeen in the Tri-City League when Chesapeake City defeated the locals, 4-3, on Labor Day.

Auster, playing left field for Newark, had a perfect day at the plate, with three hits, while Malone, second base, collected three for four.

The Newark line-up: Malone, 2b; Buckingham, cf; Peters, ss; Auster, lf; Davis, c; Knotts, 3b; Chalmers, lb; Whitman, rf; Rose, p.

Newark will play a double-header with Aberdeen on Saturday. Frazer Field to decide the league championship.

Social
A bingo party will be given by the Pythian Sisters in Fraternal Hall on Friday evening.

Miss Edith McCall, of the Press of Kolls, arrived home Tuesday on the S.S. President Roosevelt, after a two-months stay on the Continent and in England.

Mr. and Mrs. Alonzo Messick, Mrs. Wesley Ewing, and Miss Laura Jacobs spent Sunday in Atlantic City.

Mr. and Mrs. Roger R. Lovett and Mr. and Mrs. Wm. J. Lovett spent Sunday and Labor Day at Gettysburg.

Mrs. W. T. Cullen, Mrs. Harry Neave, Miss Jennie Williams and Miss Ann Lloyd spent Friday on the boardwalk at Atlantic City.

Miss Elizabeth Worrall and Miss Calista Foote have returned from a visit to Niagara Falls.

Mrs. Clara Newitt, of Philadelphia, has been spending several days at the home of Mr. and Mrs. Richard Cooch.

"Harried Holiday" Precautions Urged By Safety Council

Holiday Drivers Advised To Allow Plenty Of Time For Vacation Road Trips

"We've all heard the comment that we get out of life just about what we put into it. And most people will agree that this is pretty true," states Clifford T. Foster, vice-president for public safety of the Delaware Safety Council.

Mr. Foster says "It's also true of vacations. If you put a lot of tension and hurry and bustle into your vacation trip you'll end up with a harried holiday. But if you approach the deal in a relaxed frame of mind, plan carefully so you don't bite off more than you can chew, and take it easy all along the way, you're likely to have a pleasant trip. And you'll return home refreshed."

Most Important
"What's more, you're much more likely to return home safely, especially if you're driving. The hectic hurry of so many vacationing motorists invites traffic accidents."

"With time at a premium, too many people grudge an additional minute spent enroute, he said. They speed, they weave in and out of traffic, they take foolish chances. They short-change themselves on sleep and drive when they're tired. They also drive after they've been drinking or over-eating."

Rudeness
"And what heels they are! They can't take time to be courteous. They never give pedestrians or other motorists a break. And if anyone infringes slightly on their rights, they follow. No wonder they're nervous wrecks by the time they get home."

"The fellow who takes it easy has a much more pleasant trip. What if he has missed a few points of interest? He's probably made some pleasant contacts that more than make up for it. And it doesn't bother him that he hasn't established any record for miles covered per day. He's had time to enjoy the country through his windshield. To be pleasant and courteous to all he met, and he hasn't worried himself into a nervous breakdown or a serious accident."

Mr. Foster urges—"If you're taking an automobile trip this year, consider your behavior after the example of Mr. Take It Easy. Remember, a vacation is a time to enjoy yourself. . . . to get as much pleasure and relaxation as possible. . . . to iron out tensions so that you'll come home refreshed."

Make yours a pleasant, courteous, relaxing, AND SAFE vacation trip.

Sergeant Assists School Construction For Koreans
Sgt. Jack P. Yoder, whose wife, Eleanor, lives at 125 Prospect Ave., West Grove, Pa., recently helped construct a schoolhouse in Korea, under the Armed Forces Assistance to Korea program.

He is a supply sergeant in service battery of the 199th Field Artillery Battalion, which provided materials and technical assistance for construction of the 800-student building.

The sergeant, son of Mr. and Mrs. M. E. Yoder, of Newark, entered the Army in November, 1952 and arrived in Korea the following June.

Women Consider Clothing Top Must On Buying List
Women still think of clothes as tops on the important list. That's the report of Ruth E. Pearce, clothing specialist for the Agricultural Extension Service, University of Delaware. Miss Pearce says that in 1953, consumer expenditures on clothing were more than three times that of the average for the 1930's.

In 1954 the average price for wearing apparel has risen slightly, about one percent higher than a year ago. A few declines in prices of women's clothing are noted, restricted to items made of man-made fiber. Prices of cotton apparel and men's and children's shoes have increased a little.

"There never was a man so busy that he couldn't stop to talk about how busy he was,"

—L. S. McCandless.

There's an economy-minded shower valve on the market which automatically shuts off the water after a 60-second rinse.

Jersey Turnpike's Lost & Found Dept. Registers Super Sleuth Performance

Don't despair if you discover that you've left a valued possession at one of the 10 eating facilities along the 118 mile New Jersey Turnpike. Whether the article is your wallet, your favorite pipe, or a current "Best Seller," it's rarely an irretrievable loss.

No doubt, the hostess already has your coat in safekeeping and it will be returned to you soon after you report it missing. It might take a little longer to uncover your pipe. As for the book, you probably won't bother to make known your loss and it will provide good reading for some bed-ridden patient in a nearby hospital.

With practically no clues, the super sleuths of the highway restaurant track down owners of a wide variety of lost property.

All personal property found at any of the 10 Howard Johnson eating places along the Turnpike—and there's lots of it—is held for claim for 90 days. Jewelry is held for 20 days. (Valuable or wedding rings are kept indefinitely hoping they will be claimed.) If unclaimed within the prescribed periods, most of the articles are given to charity. Some are given to the finder.

Unclaimed Gifts
For instance, Howard Johnson sends unclaimed clothing and toys to the Salvation Army or a church rummage sale. Glasses become the property of Lions International who collect discarded eyeglasses and sends them to worthy organizations.

However, most of the items left at the restaurants on the super highway are returned to their rightful owners. Of more than 3,000 articles reported lost or found in six months, about 2,000 were returned.

All items are marked, dated, tagged and catalogued. Names are checked, telephone calls are made and sometimes as many as 12 letters on one item are written to find the rightful owner. If there is no identification and there usually isn't—a little more detailed checking is involved. Optical prescription numbers, watch numbers, laundry marks and company letterheads are some of the clues that are used to trace the owner of a lost article. In several cases handbags and overcoats have been traced through labels on boxes, or bottles of medicine in pockets.

Forty huge bins, two file cabinets, and a large steel safe are filled with an assortment of hats, shoes, fountain pens, umbrellas, pipes, toys, razors, gloves, etc.

At the Delaware Room.

In a pleasant, air conditioned atmosphere you enjoy a cocktail

—a dinner that's deliciously different

Excellent chefs, daily prepare a variety of dishes, one of which will surely tempt your palate.

For that U.S. Choice steak or tender lobster too. . . stop in soon.

Market Value

is a basic concept in Real Estate. We do not intend to write its definition but we do want to point out to you prospective buyers that it fluctuates — it is never constant — in the exact same way as the Stock Market varies or as the price of eggs, butter and coffee change from one shopping trip to another. The factors which name Market Value in Real Estate may be over simplified as naming them to be supply and demand — of course there are other factors. If you are in the market for a home, we believe that NOW is the time to act BECAUSE after the progress of Chrysler and DuPont in Newark is understood clearly by all of us the values of Real Estate may go up.

All of the following offerings are priced not unfairly. Which interests YOU?

322 Delaware Circle

semi-detached, asbestos shingle exterior, full basement, 4 rooms and bath, hot air heat.

\$6,000

New brick ranch in Pa.

4 rooms, bath and garage, including NEW refrigerator and range.

\$12,500

714 South College Avenue

all brick, 5 rooms and bath, aluminum windows — a maintenance free home.

\$14,500

Maryland ranch

5 acres, hill and stream, 3 or 4 bedrooms.

\$19,000

Christine Manor

Last custom built home for sale in this fine section.

\$26,750

Maryland Estate, junior size

30 acres and modernized 3 bedroom farm house.

\$25,000

Large home, center of town

brick, 5 bedrooms, 2 1/2 baths.

\$32,500

10 miles from Newark in Pa.

Stone and frame ranch which would cost \$70 to \$75,000 to duplicate. Bargain hunters, this is it!

\$43,500

Kentway, opposite Campus

Newark 2269

According to Mrs. Frances Adam of Mt. Holly, New Jersey, supervisor of the lost and found department for the Howard Johnson Company, most of the difficulty in finding the owners of these articles lies in the fact that there are seldom any markings on the items that are found and they are rarely claimed immediately after being lost.

"I recall one item," said Mrs. Adams. "A man's wrist watch that wasn't reported missing until 12 months later. We did recover it for the gentleman, however."

Mrs. Adams claims that there is often an interesting mystery connected with an article found like the wallet that contained nothing but several newspaper clippings from the obituary columns. Next to the names of the deceased were written the words "Probably", "Maybe" and "No Good". "No matter how hard we tried," said Mrs. Adams. "we couldn't figure it out until the owner finally claimed his wallet and explained that he was a tombstone salesman."

Blind?

Another driver left her eye-glasses at one of the restaurants. An hour and a half later she called up from a restaurant 60 miles further north

stating that she lost her eye-glasses and that she couldn't see a thing without them. She drove 60 miles before she discovered the glasses were missing. A Turnpike state trooper rushed them to her for fear she would try to drive further without proper vision.

Whether for reasons of modesty or timidity, among the items that go unclaimed are: A woman's girdle, a pair of men's pants, false teeth and men's hats. In fact, in the past 2 1/2 months 260 men's hats have been turned in and 90 percent of them are still to be claimed. These and scores of men's wrist watches and rings have led Mrs. Adams to believe that men are the most forgetful people on the highways today.

So, if you fail to hang on to your hat while driving along the New Jersey Turnpike, or lose a diamond ring, don't abandon hope. It's a safe bet that the missing possession is safely tucked away. You can get it back any time up to four months.

People of the world speak more than 1,000 separate languages or dialects.

TANGY CHEESEBURGERS

Nothing beats the Cheeseburger as an outdoor food for fireworks—whether you actually plan a Fourth of July celebration on your lawn, or whether the fireworks consist of large numbers of neighbors dropping in unexpectedly. The Cheeseburger is one of the most individual as well as one of the most popular dishes to be made—rare or medium or well done according to the taste of the guest, with or without pickle, mustard and catsup. But we bet everyone will like this Tangy Cheese Topping. And two other things guests will enjoy along with them are fresh crisp flowered radishes and tender young scallions. A third—a long, cool hot-weather drink of iced tea, easily done with instant tea.

Spread cooked hamburger patties with this Tangy Cheese Topping and broil until cheese bubbles and browns slightly. Serve on plain or toasted enriched yeast-raised buns. Cheeseburgers may also be grilled over an outdoor fire by the simple method of browning one side and putting the cheese mixture on that browned side and letting it melt as the second side cooks.

The Tangy Cheese Topping: One-quarter pound of grated Cheddar cheese; two tablespoons mayonnaise; two teaspoons prepared mustard; one teaspoon lemon juice; and one-half teaspoon celery salt. Blend all ingredients thoroughly.

"I want a Guaranteed Annual Catch—and no monkey business!"

Patience is the ability to idle your motor when you feel like stripping your gears.

30 Yellowjackets Go To Camp For 6-Day Training Period

Varsity Candidates Attend Camp Tockwogh Grid Drills; Squad Of 12 Jayvees Prepare For Seven-Game Schedule On Home Field; Varsity Scrimmage Scheduled Saturday

Thirty boys bidding for heavy duty with the 1954 Yellowjacket football squad, left Newark yesterday morning with Head Coach Raymond "Scotty" Duncan, End Coach Les Maurer and Backfield Coach Dick Musselman for a six-day stay at Camp Tockwogh, Md., and a well-organized program of football instruction, conditioning, play, and acquaintance-ship.

The Newark delegation will return home on Monday evening, Sept. 6, and with the exception of Sunday's interim of rest and relaxation, the days at Camp Tockwogh will be active ones.

Rise and shine is at 6 a.m. Coach Duncan announced, "and after a two-mile run and a shower, we'll have breakfast."

Following a brief rest period, the boys police the camp cabins and take in a blackboard drill.

Football practice for an hour and a half is followed by a swim, lunch, and a rest period that can be utilized for ball sessions, correspondence, or just resting.

Another grid practice session is scheduled for an hour and a half in the afternoon, followed by another conditioning swim, and then dinner.

Evening Program
An after-dinner free time period is followed by blackboard instruction and football movies—films of the top collegians and pro gridgers in action—and entertainment will be provided by a professional magician and Newark Yellowjacket candidate-coach impromptu vaudeville acts.

"Then, lights out," Duncan continued. And that should be a welcome bit of scheduling after a full day.

Parents and friends are invited to visit the boys on Saturday and Sunday, with the lone scrimmage scheduled Saturday at 3 o'clock.

There will be no Sunday workouts and football is out of the Sunday picture. The boys will attend church in the morning, walk or sit around the camp with their visitors, and the coaches will provide a hot dog roast that evening, followed by group singing.

Varsity Camp Squad
Varsity candidates training at Camp Tockwogh are: John Miller, Jon Kleibisch, Bill Hiddleston, Larry Biasotto, Jake Shaw, Bob Conaway, Kenneth Hall, Bob Gore, Doug David, John Miller, Lee Schaffer, Mark Hurm, Norwood Bonney, Ray Klapsky, Pete Cooper, Terry Sparks and John Roemer.

Richard Schultz, Ronald Hayman, Joe Lehman, David Thorp, James Crowe, Ted Boutin, Arthur Shaw, Jerry Knotts, James Jackson, Fred Gainer, Ed Chase, Tom Kershaw, and Elmer MacAteer.

Forty-two Newark High School grid candidates are working out daily at home on the local field in preparation for a seven game varsity schedule, and three former Howard High players — All-State halfback Ken Hall, Ronald Hayman and Arthur Money — accompanied the varsity squad to camp.

Millard Naylor, veteran coach at Howard, said: "I hate to lose those boys, but my loss is Newark's gain. They should strengthen the Yellowjacket squad."

Commenting on the performance of Lee Schaffer, Edystone, Pa., transfer student, Duncan said: "Lee is a valuable addition. Defensively, he's one of the best I've seen." Schaffer, a backfield veteran, is a 175-lb. junior.

Diamond Dust From The Sporting News

Phillies Outfielder Del Ennis has joined a select circle on his club. When he hit a homer against the Dodgers August 22, it was homer number 200 for him. Only two other Phillies, according to The Sporting News, have reached that mark. Chuck Klein is tops, with 243, and Cy Williams second with 217.

Six National League pitchers, through August 25, had completed the winning cycle. That is, they had won at least one game against every other club in the league. As listed in The Sporting News, they were: Harvey Haddix and Brooks Lawrence of the Cardinals, Carl Erskine of the Dodgers, Robin Roberts of the Phillies, Johnny Antonelli of the Giants, and Lew Burdette of the Braves.

A Baltimore brewery has awarded \$1,000 apiece to three Orioles in a favorite-player contest. And look what happened. As related in The Sporting News, the very first winner, Joe Coleman, pitched a shutout.

After Vern Stephens won, his batting averaged dropped from above .300 to the .280's, and he came up with a bad back. The very first Joe Coleman pitched a shutout.

While Willie Mays has been a dangerous home run threat this year, to Cincinnati pitchers he has just been another man in the Giants lineup. The Sporting News, quoting writer Arthur Richman of New York, says that of the first 27 homers Willie blasted this season, only two were off Redleg hurlers.

For two generations, no pitcher in the American Association had been able to break the strikeout record set by Charlie (Heinie) Berger. But then came along Herb Score. When Score, pitching for Indianapolis, struck out Bob Stephenson of Columbus in the sixth inning of a game August 19, Stephenson became number 246 on Score's whiff list in 1954. And that, says The Sporting News, broke the record of 245 set by Berger, pitching for Columbus, in 1908. Zeke Bonura set a record for right-handed pitchers by cutting 22 for right-handers. The marks have stood since they were set originally, but both have been tied this season and ironically on the same day. In the first game of a double-header on August 28, Mickey Vernon hit his eighteenth homer of the season and in the nightcap Roy Sievers connected for his twenty-second four-bagger.

Stan Musial keeps on setting records. His own personal records, he added to two of his lifetime marks the August 21 week-end against Cincinnati. He reached the 100 mark in runs scored for the eleventh straight year, and brought the tenth time he had collected at least 300 total bases.

The Sporting News says this week that Fred Hutchinson will be the manager of the Detroit Tigers again next year. It says it has learned that President Spike Briggs has made up his mind to renew the contract, for one year, and will make the announcement, probably just before the World Series. It will be a third term for Hutchinson who, at 35, is the youngest manager in the majors.

EIGHT Manning-Madden Member-Member Tourney Winners

Stop Dill-Pacello Duo 5 and 3; Hugh Gallagher Leads Wright Qualifiers

Bob Manning and George Madden won the Newark Country Club's Member-member tournament last week end when they defeated Tony Pacello and Wilmer Dill, 5 and 3 in the finals.

S. K. "Whitey" Wester won the sweepstakes with a 67-2-65, while Sank Richards took second with a net 66. George Paine and Jim Tyler tied for third with 67s and Paul Legg checked in with a 70.

The Newark Country Club's women golfers were rained out of their Tuesday match with the duPont Country Club golfers.

Top qualifiers for the E. B. Wright Memorial Tournament are Hugh Gallagher, with a net 67; Bob Stewart, 68; Ray Halsey, 69; and Doug McMillin, 70.

The medalist must qualify this Saturday, with first round play scheduled to begin on Sunday.

The final round of the E. B. Wright tourney is scheduled to be played during the week of Oct. 3.

Joe Haas Conquers Field In Sunday's Speedway Feature
Baltimore Racer Wins In 25-Lap Main Event At Wilmington Speedway

Joe Haas of Baltimore, latest sensation among Maryland car drivers, joined the ranks of main event winners at Wilmington Speedway Sunday night as he outdistanced a field of veteran race drivers in the 25-lap headline race before 2,805 auto fans.

Haas bested Ed Adams of Rising Sun, Md., and modified division point leader Erv Streets of Wilmington as Adams and Streets salvaged the second and third place slots. The running time was 7:33.05.

In addition to his victory in the 25-lap windup, Haas also took first honors in his preliminary heat and a semi-final elimination. Lou Johnson of Wilmington scored a semi-final triumph while other preliminary entries were won by Bob Hill of New Castle, Tommy Elliott of Boynton Beach, Fla., and Pee Wee Pobletts of Baltimore.

Spectacular crashes featured the night's racing with Tom Langshaw of Elsmere and Jim Sidwell involved in the most serious. Sidwell's auto was wrecked but the Wilmington driver escaped injury.

The special Powder Puff Derby for women drivers drew a field of 12 starters with Jesse Bass, Wilmington; Jean Williamson, Wilmington; and Doris Langshaw, Elsmere, finishing in that order.

Gettysburg Eleven To Begin Practice With Squad Of 40
Pre-season practice drills for 46 Gettysburg College football players will begin Monday morning, Sept. 6 as head coach, John Yovicin begins his third season.

Daily workouts will be held twice a day for the two weeks prior to the opening of classes at which time the sessions will take place once daily. Minus 12 lettermen, including All-State and Little All-American halfback, Joe Ujohal, the Bluejays will open their eight-game schedule on the night of October 2 at Bucknell.

The Gettysburg roster will be made up of seven ends, seven tackles, eight guards, five centers and 19 backs. Included in the squad will be nine seniors, 22 juniors and 13 sophomores. Twenty-two of the returnees are lettermen; players who helped Gettysburg win eight and lose only one to Delaware last year for the best record in the history of the school.

Strips of white squid fished just off the bottom some half mile from the mouth of the Delaware inlet failed to produce a strike and we ran further offshore to drift over a sand and shell bottom that proved more productive.

Weakfish or sea trout began coming over the side with regularity and two of them would go 16 inches or better. They were beautiful fish and on the light bait-casting tackle, provided some rod-straining, racing action.

Anyone For Tennis? Lots Of 'Em!

Leaders in the Newark Recreation Association summer tennis program are shown with instructor Raymond "Scotty" Duncan at the close of the season's play.

From left to right, excluding Coach Duncan, are Marilyn Woodhouse, Garry Hurn, Bill Shue, Joe Marvel, Barbara Bohning and Beverly King.

Natty Young Night Honors Jr. Champ At Newark's Club

Delaware's junior golf champion Natty Young was honored last night by fellow members at the Newark Country Club for the successful defense of his state championship earlier this summer, and for his participation in the National Junior Chamber of Commerce golf championship tourney held recently at Albuquerque, N.M.

J. Harvey Dickey, president of the Newark Country Club and chairman of the program for the evening, presented young Natty with a wrist watch gift from the club.

A large crowd welcomed the 16-year-old champion with a feast of shrimp, clams and oysters, and a Bing Crosby golf movie was shown as a feature of the evening's entertainment.

Newark's golf professional, Joe Aneda, was on hand for the affair after competing in the PGA Philadelphia District Open tourney on Monday.

Joe Aneda Loses 1st Round Play At Philadelphia PGA
Joe Pro Aneda was defeated in the first round of the Philadelphia District PGA tourney played at the Shawnee Inn and Country Club on Tuesday.

Newark Country Club's golf professional lost a 6 and 5 decision to host pro Stan Dudas.

Eddie Gunther, former golf pro at the Newark club, defeated his first round opponent, 3 and 2.

Aneda fired a qualifying round 79 on Monday.

TOP SCORER
Bob Gantt was leading scorer on the Duke football team in 1943 with only one touchdown. He got the other 41 points on conversions.

Vets Beat Browns For Championship In American Loop

Mathewson Wins 6-Hitter; Lackman Loses In 4-Hit, 12 Strikeout Performance

The VFW Phils became the 1954 Champions of Newark's American Little League by defeating the Optimist Browns 5-2 in the third and deciding game of the series last week.

Mathewson, winning pitcher for the Phils, scattered six hits while striking out six Brownie batters. Lackman, hurling for the Browns, struck out 12 and gave up four hits. However, the Phils put their hits together back to back, in the third and fifth innings to bring in the winning runs.

Battling honors for the evening went to the Phil's first baseman Brooks, who doubled in the third inning and hit his third-of-the-season home run in the fifth.

The Browns scored in the last inning on a double by Lackman, a walk by Jackson and a double by McNertney.

The game marked the final appearance in Little League play for Dilling, T. Mathewson, Stummel and Wilson of the Phils and Dunn, Jackson, M. Saunders, and Lackman of the Browns.

Delaware Grid Champs Practice With 16 Lettermen

Fightin' Blue Hens Issued Equipment Tuesday; Two-A-Day Drill Sessions Yesterday With Squad Reporting For Nelson's Fourth Term As Football Coach

Delaware's Fightin' Blue Hen grid champions to action yesterday, as a squad of some 48 college-bound players reported to Coach Dave Nelson for the first of the two-day sessions scheduled until just before the West Chester opener on Sept. 25.

The players received their room assignments, exams, and football equipment on Tuesday, and the have the best of it from here on in.

Sixteen lettermen returned from the 1953 championship squad which disposed of seven out of eight opponents to win the Middle Six Conference title, and Nelson and his aides are shy of just two regulars from last season's powerhouse.

Capt. Johnny Borresen, tackle, and Frank Serpico, high-scoring end, are expected to field improved teams. Coaching football is tough, even with a winner.

Returning Delaware lettermen are: Seniors—Capt. Dan Ford, Don Miller, Jimmy Flynn, and Tony Candeloro, backs; Tony Redfield and Marty Apostolico, ends; Steve But-

Dave Douglas Wins \$1,300 In Toronto Open Tourney
Dave Douglas dropped a first round lead in the \$25,000 Toronto Open Golf Tourney last week, but picked up \$1,300 with a final 72 for a total 274 over the 72-hole course.

Newark's touring, top-flight golf professional fired an opening round 63 to equal the course record set by Ed "Snuggles" Oliver in 1947.

Bob Holscher, California newcomer to the tournament trail, also tied the course record 63 in a 60-minute first place in the field to take first place and \$5,000 with a 269.

Ed Oliver checked in with a final round 70 for a total 278 and \$400 prize money.

GLEN FARMS

"A Modern Suburban Village"

THREE MILES FROM NEWARK

To the original Glen Farms Development begun in September, 1952, two additional sections of 17 and 50 acres have been added. The plot plans for these new additions are being completed and individual home sites will be placed on sale on Saturday, September 4th.

Prospective purchasers can now view the site and reserve tentative lots. Each plot consists of eight tenths of an acre. Some are larger. The majority are wooded and several are located along stream or lakes.

The original plan of "Glen Farms" comprised 65 acres; twenty-five plots of this portion have been sold and sixteen dwellings, \$12,000 to \$15,000 range have been completed or are under construction.

The natural beauty of this development and the attractiveness of the almost acre-sized sites have appealed to many home seekers who are in search of a moderate-priced but different development.

If you, too, are looking for a miniature country estate for your future home, you would do well to investigate "Glen Farms" and reserve your plot before the choicest sites in the new portion of this carefully restricted development are sold.

30 Plots at \$1,000
40 Plots at \$1,250
10 Plots at \$1,650

Reservations prior to the opening sale are being accepted and attractive payment privileges are offered.

To reach: Cross B.&O. R.R. in Newark, West Main Street, pass Country Club, two miles on Nottingham Road to our sign on right at Egypt Road; then one-half mile to "Glen Farms".

Speed Check (Continued from page 1)
There are few speed limit signs in Brookside, but it is assumed that the state speed limit of 25 miles per hour for residential areas is applicable except on Chestnut Hill Road, where the posted limit is 40.

In a letter to residents, explaining the system, it is pointed out that police will trace the driver after each complaint and will notify him with a warning the first time. Charges will be filed in case of a second offense, the letter adds.

The letter, signed by George Sabat, chairman, and Charles Zencov, both of the health and safety committee, points out that Brookside streets are laid out so as to discourage speeding as much as possible but there is no traffic patrol and there have been some violations. It continues:

"The best solution is the most obvious one—and also the most expensive, namely, to set up a full time, salaried traffic patrol. Fortunately, however, there are some alternate methods. We could have part-time paid policemen. We could have volunteer deputies. Or we could have citizen cooperation. These are listed, incidentally, in decreasing order of expense."

"After studying the alternatives and making inquiries, your committee found that the plan best suited for Brookside is citizen cooperation. This method is the simplest, the most economical, and, if supported by you, the most effective. It gives you hundreds of people alerted for your family's safety—not just one or two patrolmen."

Fraternity Files (Continued from page 1)
Board of adjustment after a public hearing. But the board, after a public hearing, turned down the application on July 26.

Board members are Mayor Wallace M. Johnson, City Engineer J. Francis Neide, and John P. Sinclair, city solicitor.

The chapter petition argued that on at least two previous occasions the board permitted other dwellings, within "a few feet from the location of the house involved," to be occupied as fraternity houses. This action set a precedent for establishment of fraternity houses in the section, the petition contended.

League Of Women Voters Guests At Rotary Meeting

Two representatives of the Newark League of Women Voters addressed members of the local Rotary Club at their regular Monday night dinner meeting, and discussed voting registration, and the operation of voting machines.

Mrs. A. S. Priestley and Mrs. Samuel Handloff, representing the League of Women Voters, displayed and demonstrated a miniature voting machine as a feature of the evening's program.

C. Nield Clark was the Rotary Club's program chairman.

No meeting will be held on Labor Day, and the next meeting of the Rotary Club is scheduled for Monday evening, Sept. 13.

Wm. Rasmussen, district director of the U. S. Coast and Geodetic Survey will be the guest speaker, with the topic "Ground Water in the Newark Area."

PROGRESS
Thirty years ago, the oil industry employed 200 research technologists. Today, U. S. oil companies employ about 15,000 people in research activities.

Liquor Commission Reports Delaware Revenue On Sales

Revenue collected by the Delaware liquor commission for the fiscal year ending June 30, this year, was \$1,673,443.64 according to a report submitted last week by Commissioner George J. Schulz to Gov. J. Caleb Boggs.

The collections by the commission for the 1953-54 fiscal year were \$415,478.35 more than collections of \$1,257,965.29 for the previous fiscal year.

A part of the increase was due to the higher taxes on spirits, wine, and beer authorized by the 1953 General Assembly which became effective on July 1, 1953.

Increases in license fees, authorized by the same Legislature, did not become effective until July 1, this year, and are not reflected in the revenues.

Mr. Schulz's report shows that the net amount of revenue collected by the commission since its creation now amounts to \$19,124,655.10.

Lewes Museum To Be Open For Labor Day Visitors

The Zwaanendael Museum at Lewes will be open to visitors on Labor Day, Monday, Sept. 6, in addition to the usual week-day and Sunday hours of the present season. Normally the museum is closed on Mondays.

Miss Catharine C. Maull, curator, will receive visitors daily from 10 a.m. to 5:30 p.m. Sunday's hours are 12:30 to 5:30 p.m.

Miss Maull announces some recent additions to the present lustreware exhibit, that will remain on view until October. This exhibit has been attracting much attention from thousands of summer tourists who visit the historic museum.

Civil Service Positions Open At New Castle Base

Civil Service examinations for local appointments at Warehouseman and as aircraft mechanic at the New Castle County Airport have been announced.

The job as warehouseman pays from \$1.65 to \$1.91 an hour, while the position as aircraft mechanic has an hourly wage scale of \$1.75 to \$2.30.

Applicants must be at least 18 years of age.

Information and application forms may be obtained at the Newark Postoffice from Woodrow W. Sings.

County Ag Agent Advises On Care Of Dairy Cattle

For dairy cows to produce their best during the hot months three things are essential, reminds County Agent Edward Schabinger. First, is an abundance of high-quality feed that can be eaten rather quickly. Second, provide a good supply of fresh water, and third, a cool, shady place for cows to lie down.

Good pasture, especially rotation pasture, furnishes the most feed to be eaten in a short time. Mr. Schabinger informs. Extra roughage such as hay, grass silage, or left-over corn silage, all help to supplement pasture. Cows do not have the energy to hustle around for feed during hot weather as they do when it is cooler.

Plenty of water is very important. If the pasture does not have running water it may be necessary to pipe it to the pasture. Otherwise, the cows should be brought to the barn or other source of water during the middle of the day.

Hot, muggy weather is hard on cows, especially if they have to lie in an open field in the hot sun during the heat of the day. If the pasture does not have shade it is advisable to bring the cows into the barn during the heat of the day or turn into another lot that has shade.

Hot weather increases with cows doing their most efficient job of producing milk. The county agent reassures. "It pays dividends to do anything that will make them more comfortable."

Reading Fair Dates Cover Eight Days From Sept. 12

The Reading Fair opens one week from this coming Sunday.

The fair, one of Pennsylvania's largest, operates Sunday, Sept. 12 through Sunday, Sept. 19, eight days and nights.

The fair features such outstanding attractions as Grand Circuit horse races, a Broadway stage show and state-wide Aberdeen Angus and Hampshire swine shows. It is said to have the largest livestock exhibit in the east.

Brookside Cub Scout Pack Plans First Season Meet

Cub Pack 252 of Brookside will hold its first meeting of the new season at 7:30 p.m. Wednesday, Sept. 8, in the temporary Brookside Elementary School at Marrows Road and Brookside Boulevard.

Any boy eight years old or over is eligible, but those who have not quite reached their eighth birthday also are invited to attend.

"Some women are happy if they can keep their hair light and their pants dark."

School Cafeteria Staff Attends 2-Day Workshop

A workshop for cafeteria employees in the Newark school district began yesterday afternoon at 1 o'clock in the Academy Street school building, and will be concluded this afternoon.

Consultants and speakers included Miss MacVean, state supervisor of school lunch programs; Mrs. Marshall, manager of the Newark central cafeteria; W. P. Goiner, of the State Board of Health; and George W. Gilbert, Arbycraft Co.

The workshop program consisted of demonstrations of the new school equipment, preparation and clean-up of lunch for 55 guests; and discussions of menu planning, cafeteria sanitation, work schedules, and service routines.

Back To School---Happy Days

American children should appreciate the opportunity to attend a GREAT AMERICAN FREE SCHOOL.

Compare today's AMERICAN FREE SCHOOLS with the ones we had at the turn of the century. You will find that the AMERICAN FREE SCHOOLS are keeping well up with AMERICA'S wonderful progress.

NEXT to the HOME and CHURCHES Our SCHOOLS have the greatest influence on AMERICA'S future citizens.

NEWARK has as good schools as you will find anywhere in the NATION.

LARGE FAMILY HOME

Only 3 blocks off E. Main St.

6 bedrooms, 2 bath, L.R.-D.R. very large kitchen, laundry room. Full size basement, new GE oil hot water furnace, full length storm sash and screens, 2-car garage, lifetime asbestos roof, all in excellent condition inside and out. Corner lot 50x150 ft.

Why worry about a big roomy home to live in when you can buy this bargain with only \$2,000 down.

If you don't need so many bedrooms you can easily rent them, and cut down the high cost of living. Possession at settlement.

ACADEMY STREET

OPPOSITE HIGH SCHOOL ENTRANCE

One of the nicest locations in the city. Beautifully landscaped grounds, lot 60x180 ft. Plenty of old shade and well-kept shrubbery and flowers. Masonry-stuccoed white dwelling, 1st floor large L.R.-D.R. den or music room, modern kitchen, beautiful new powder room, large front porch. 2nd floor—three corner bright bedrooms, attractive bath. Plenty of closets.

Spacious and full size cemented basement, with laundry, copper plumbing, nearly new gas circulating, warm air furnace.

House completely redecorated, inside and out, refinished floors, nothing to do but move in.

A money saving location right in the heart of our city. Quick possession. All for only \$17,000.00.

BUY OF THE YEAR

SOUTH COLLEGE AVE.

BRICK — 4 beautiful corner bedrooms and bath, 2nd floor. First floor: reception hall, brick fireplace, large L.R. & D.R. with den, large bright kitchen and powder room, H.W. Floors, artistic open stairway. Plenty of closets, one cedar lined, 3rd floor: one large room that would make two big bedrooms. Grand club and play room, basement. Oil hot water heat, nearly new furnace.

Grand circular front porch, slate roof, fine two car garage. Beautifully landscaped lot 100x200 ft. Fine hedges and shrubbery.

If you need a large home in one of NEWARK'S best residential areas, you should investigate this one.

With some redecoration and additions you will have a home that you would be proud to own.

A REAL BARGAIN AT \$22,500.00

Shown by appointment only.

DELAPLANE MANOR

Beautiful 4 bedroom home, Large L.R. with open stairway, large D.R. with bay window, large modern kitchen. Full size high, dry, play room basement, new oil burner. Corner lot 125x194 ft., large hedge fence, and beautifully landscaped, circle drive.

One, two blocks to Bus line, close Medill School. Quick possession, and real buy at \$20,000.00.

COUNTRY HOME

With 15 acres of high elevation, very productive land, on the beautiful Pennsylvania hills, only 12 miles from Newark.

Has 8 room dwelling, with bath and central heat, large bank barn, poultry houses, tobacco shed and other out-buildings—all in excellent condition. Twenty large apple trees, blacktop road, front and back, school bus. In the village of Hickory Hill, close to stores and church.

Fairly priced at \$13,500. Shown by appointment only.

WELCH TRACT ROAD

4 rooms and bath bungalow. Half-acre beautiful lawn, with solid woods in front. Masonry building 26x26 would make nice bungalow. Newark school bus at door. A good buy at \$6,000.00. Quick possession.

STONE RANCH HOUSE

New, 92-ft. long, with garage and breezeway, pond, 3-bedrooms, L.R., D.R., Den, Kitchen and Bath, Oil heat. Sun deck. Beautifully landscaped lawn, only 4 miles to Newark and Louvers Building.

Shown by appointment only. Nice buy at \$16,000.00.

CAPITOL TRAIL

Close to Medill School—Brick home, 1st floor, 3-bedrooms, new bath, modern kitchen with electric dish washer, 2nd floor, 4-bedrooms and bath, outside stairway. Full size new cemented basement, with fruit cellar and laundry. Full length storm sash and screens. Oil hot water heating plant (new) copper plumbing. In beautiful condition inside and out. No better location between Newark & Wilmington. Wilim-Newark bus at door. No better buy in this area for \$18,000.

SILVERBROOK

New home and a beauty! 3 bedrooms, large living room with brick fireplace and picture window, tile bath, dream kitchen with dining area. Oak "BRUCE" Park floors all rooms. Car port, utility room. Plenty closets. Radiant overhead heat.

This is an exceptionally well planned home and you will like it. Shown by appointment only.

NEW COUNTRY HOME

Stone, L.R. Knotty Pine panelling, D.R. Modern kitchen with electric dish washer, 3 beautiful bedrooms, tile bath, expansion attic with stairway, for two additional rooms if desired. Two-car garage under house, amble drive. Lot 100x200 ft. 2 1/2 miles to Louvers Building. Good hard surface road. Open country and one of the better areas around Newark.

Newark School bus. Possession at settlement. A fine buy for less than \$20,000.00.

If you are interested in buying a home or in a lot on which to build, it will pay you to call us before buying.

Come to Newark and be happy."

Masonry stuccoed, 4 rooms and bath each floor, all hard wood floors, oil hot water heat, beautiful high dry cemented basement on good size lot, only two blocks from High School. Rentals are scarce and high, and this would make a fine investment.

Only \$18,000.

LARGE BRICK HOME

8 Bed rooms, L.R., with brick fire place, D.R. Nice kitchen, basement, large front porch, high elevation and grand view. Lot 110x400 ft. Plenty of old shade and shrubbery. In city.

EAST PARK PLACE

A fine home in one of NEWARK'S best residential areas. Very large living room, dining room and kitchen first floor, beautiful oak floors. 2nd floor, 2 large bedrooms, and bath, with more large walk-in closets than the average family would have any use for. Full size high cemented basement, oil hot water heat, garage, exceptionally fine level lot, nicely landscaped and shrubbed. In excellent condition inside and out.

This is a real buy at today's new low price of \$12,700.00. We can convince you, by a showing. Quick possession.

COUNTRY HOME

Old Baltimore Pike

On beautifully landscaped 3 acres. L. R., two large bedrooms, bath, modern kitchen, utility room, garage and unique steam bath, first floor. 2nd floor, two bedrooms, drop stairway. Aluminum storm doors and storm windows. Artistic rustic outside fireplace. Newark school bus at door. A fine buy at \$15,000.00.

EAST MAIN STREET

One of the best business locations in the city. Call us for further information.

DAIRY FARM

With 113 acres very productive ground, large dairy barn with 36 stalls, six calf and stock pens, lounging parlor, silo, and large feed storage space.

Good 8-rooms and bath dwelling just reconstructed. H.W. floors, full size cemented basement, fine machinery storage buildings, and garage, beautiful pond well stocked with fish. Tennant house. All buildings in excellent condition. Some well timbered woods, apple orchard.

This is a good going dairy farm, on blacktop road, 3 miles from Newark. Well priced. Shown by appointment only.

COUNTRY HOME

Beautiful location on Paper Mill Road, in setting of grand old shade trees, pines, four large apple trees; 8 rooms, full basement, corner two highways. Approx. 1 acre, stream. All floors refinished and redecorated throughout. If you want to live in the country in a beautiful area you should investigate this property. Newark School bus.

Are moving fast, with a few left, and they are all choice. NEWARK'S most desirable and fascinating dwelling area. Scenic beauty and high altitude make them most attractive. Some wooded lots on the Welch Tract Road, are very attractive, all fairly priced and restricted.

STONE COUNTRY HOME

Polly Drummond Hill. View unsurpassed in the county — with 3 acres of beautiful lawn, trees and shrubbery, make it the IDEAL SPOT. 4 bedrooms, bath, very large living room, D.R. approx. 20 ft. square, large kitchen, two-car garage, Newark school bus. Just \$23,500.00.

BRICK CAPE COD
