My dear Friend,

As promised, I am now sending you copy of a letter I received from my friend Mr. Auchincloss of New-York, together with copy of my reply and of the accompanying comment on Professor Warren's proposal. I think you may be interested to read the views expressed in the above.

I am going to London to-night but I shall be back in Brussels on Thursday morning. Next Saturday the 12th I shall be going to Brioni in Istria, on the Adriatic Coast, staying there until the 4th or 5th September. My family are already there.

Don't work too much and don't let things get on your nerves.

Please give my best regards to Mrs. Messersmith, and believe me,

Ever yours faithfully,
