Dear Dannie:

I am sending you herewith a copy of a letter to Graydon as well as a copy of an address which I made this week which you may wish to read when you have a few moments. I have been wanting to write you but I have been terribly occupied, as I know you must have been.

Hettie and Edna are in Tasco today and will spend the weekend in Cuernavaca with the Maryssaels and will come to our house to stay on Monday. They are well and I believe enjoying their stay. Jimmy is fine. I hope over the weekend to write you a long letter telling you about things here. I need not tell you my thoughts are with you many times every day and I hope that all is well and that you are well.

With affectionate regard and all good wishes from Marion and myself,

Cordially and faithfully yours,

George S. Messersmith
