September 22, 1952.

Dear Dannie

I hope that you had a good trip north. I cannot tell you how much Marion and I enjoyed the stay which you have made with us here, and we wish that it could have lasted longer. I also need not tell you how much I appreciate, completely aside from the pleasure of having you here, the invaluable help you gave us in so many things during your stay.

This morning I received a letter dated September 18 from Dr. Salvador Zubirán of the Hospital de Enfermedades de la Nutrición, of which I send you a copy and which is self-explanatory. He also sent me a copy of his letter of the same date addressed to the Heineman Foundation in acknowledgment and appreciation of the generous gift of the Foundation to the Hospital.

This is just a very brief and hurried note, but I did want to send you a copy of this letter from Dr. Zubirán. I hope to be writing you again on other matters later in the week.

With all good wishes,

Cordially and faithfully yours,

George S. Messersmith
