PRICE FIVE CENTS

HALLOWE'EN MARDI GRAS PLANS NEAR COMPLETION

24 Cash Prize Awards To Be Made; Bands To Play In Parade

Fred Steigler presided over a meet-
ing which included representatives
from all local civic organizations, at
John R. Downes office Monday eve-
ning, which saw the furtherance of the
proposed Halloween Mardi Gras pro-
gram discussed.

Originated and promoted by the
Parent-Teacher Association, the idea
has gained community-wide interest
with all civic and fraternal organiza-
tions participating. Its purpose is to
provide innocent amusement for all
"mischievous" with various pro-
jects being arranged for the different
age groups.

Opening with an elaborate costume
parade at 7:30 p. m. on the evening of
October 30, the program also includes
a dance at the New Century Club for
younger group, a dance at the Armory
for high school students with movies
in the high school auditorium for chil-
dren and adults.

The colored group will follow the
same program with a dance in the Com-
munity Hall for older students, a
dance at the school building for
younger students and movies at the
Church Hall for children and adults.
Refreshments will be served at all
functions, at a small charge.

According to present plans, cash
prizes will be awarded to the first
and second winners in different age
groups of four classifications. Awards
will be made for the best dressed in-
dividual, best dressed couple and best
dressed group, as well as to the most
comical individual, most comical couple
and most comical group to children
under 10, children from 10 to 14 and to
children over 14 years old as well as
to the colored group as a whole.

Including the University, Continen-
tal-Diamond Fibre Company and New-
ark High School Bands, the parade will
form between Academy Street and
Lewitt Avenue, in front of the public
schools at 7:15.

The line of march will follow East
on Delaware Avenue to Haines, North
on Haines to Main, West on Main to
Elton Road, South on Elton Road to
Delaware Avenue, thence East to Aca-
demy Street where it will disband. The
colored contingent will form on New
London Road, march to the high school
where it will join the parade and con-
tinue with it to the Deer Park where
the colored section will swing up New
London Road to their respective points
of entertainment.

NEWARK HIGH FUND DRIVE

Rebecca Kirk Chairman

The annual United Fund Drive of
the Newark High School will be held
from October 20 to October 31. The
school has set its goal at \$650 or fifty
cents per pupil.

The money will be distributed among
The Community Chest, Junior Red
Cross, Anti-Tuberculosis Society,
March of Dimes, and Cancer Control.
There will be no other drives during
the school year for money for any of
these organizations.

The committee for this drive is com-
posed of the following teachers: Miss
Rebecca Kirk, chairman; Mr. Stanley
Gates, Miss Catharine Bonney, Mrs.
Virginia Nichol, and Miss Jennie Smith.

CONVENTION AT NEWARK

All Schools To Take Part

First Annual Convention of the Dela-
ware Scholastic Press Association to be
held at Newark High School on Satur-
day, November 1. Students and ad-
visors are invited to attend. Program for
the day will be as follows: registration,
general meeting, with guest speakers,
and students' sectional meetings. A
business meeting to follow with the
election of student state officers.

Women's Golf Time Stated Erroneously On Postal Cards

Reply postal cards mailed this
week to golf members of the New-
ark Country Club erroneously
stated that special golf events
would be held for women mem-
bers at 10 p. m. on Saturday, Oc-
tober 18. The time should have
been 10 a. m.

Other events marking the occa-
sion will be a tournament for men
at 2 o'clock in the afternoon with
the annual golf banquet for men
and women alike at seven o'clock,
in the clubhouse.

The College Inn will cater a tur-
key dinner for the banquet at
which J. K. Johnston will be toast-
master. The introduction of 1947
tournament winners and presenta-
tion of trophies which have not al-
ready been awarded will feature
the affair. All golf members and
their guests are urged to attend.

GOV. BACON TO ATTEND UNIVERSITY HOMECOMING

Col. Ralph Sasse Principal Speaker; Gerald P. Doherty Toastmaster

The University of Delaware's annual
Homecoming Day will be held on Sat-
urday, Nov. 1, in connection with the
Delaware-Franklin & Marshall football
game that afternoon at Wilmington
Park, Joseph M. McVey, president of
the University's Alumni Association,
announced today.

Because no football games are being
played this year at the university's
Frazier Field in Newark, the scene of
the Homecoming Day dinner will be
the ballroom of the Hotel DuPont, he
said. Dinner is scheduled for 6:30 p. m.

Principal speaker will be Col. Ralph
Sasse, former West Point football coach
who now is conducting Camp Arrow-
head near Lewes. Colonel Sasse will
speak informally on his experiences
in football.

EXTENSION CLUB VISITS RUTGERS

Twenty-Five Members Make Trip

Twenty-five members of the New
Castle County Rural Extension Club
made an all-day tour to the agricultural
college and experiment station at Rut-
gers University, New Brunswick, N. J.,
on Oct. 9.

Members of the delegation were
greeted at Rutgers by Lindley G. Cook,
associate director of the New Jersey
Extension Service. They took part in
a discussion on "Grass Land Farming,"
inspected the agronomy experimental
plots and managed pastures and toured
the dairy plant and farm buildings. A
highlight of the trip was a visit to
the agricultural engineering shops at
Rutgers and to a farm equipped with
hay drying equipment using artificial
heat.

The Rural Extension Club is an edu-
cational group sponsored by the Dela-
ware Agricultural Extension Service.
It was formerly known as the New
Castle County Older Youth Group.
Members who made the trip are:
President, Edward Williams, vice-presi-
dent, Joseph Maloney; secretary, Han-
nah Mitchell; treasurer, Joseph Jar-
rell; advisor, Maurice B. Field; pro-
gram committee, Evelyn Boyd, Char-
lotte Laws, Raymond Lindell; and
Dorothy Conner, Nelson Boyd, William
Price, David Aiken, Ross Bush, Jean
Lee, John Maloney, Lawrence Parrish,
James Jarrell, Alice Jarrell, Miriam
Johnson, Katherine Frazee, William
Pierson, Alex Jarrell, Norman McDan-
iels and Paul Bartell.

Newark High School Band Uniforms Arrive

Uniforms for the Newark High
School Band arrived Wednesday af-
ternoon, October 8. Students were given
their uniforms at that time and made
their first appearance Saturday evening
at the Wilmington Ball Park when
Newark played Salesianum. Their next
appearance will be when Newark meets
Wilmington High on the Newark field
this week-end.

CENTURY WILL HOLD ROUND TABLE DISCUSSION

Rev. F. Baker Will Be The Guest Speaker At Next Meeting

Members of the Newark New Cen-
tury Club will participate in a Round
Table discussion on The Family, The
Home, and The American Way of Life
at their next club meeting on Monday,
October 20, at 2 o'clock. Rev. F. Ray-
mond Baker, of Wilmington, after
speaking briefly on the subject, will
act as moderator. A panel consisting
of Rev. H. Everett Hallman, Rev. A.
J. Jackson, and Rev. Eugene J. Krae-
mer will formulate opinions on ques-
tions and problems presented by the
audience. Club members have been
urged to bring guests who might be
interested in joining such a discussion.

With juvenile delinquency among the
nation's greatest domestic problems,
the topic should prove timely and en-
lightening. Mrs. J. P. Carr, chairman
of the American Homes Committee, has
arranged the program. Mrs. Milton
Draper will be tea hostess for the day.
Preceding Dr. Baker's talk, there
will be a brief business session with
Mrs. Robert O. Bausman, president,
presiding.

MEXICAN ART SHOW AT LIBRARY

35 Works Of Diego Rivera In Exhibition

Thirty-five works of Diego Rivera,
celebrated Mexican artist and fresco
painter, are featured in the current ex-
hibition at the University of Delaware
Art Gallery in the Memorial Library.
The collection, which comprises draw-
ings, pastels and watercolors, is on
loan from the San Francisco Museum of
Art.

The group is especially selected to
illustrate Rivera's artistic evolution
from 1921, when he became leader of
the modern Mexican movement, to
1938, when, particularly in the field of
fresco painting, he has won fame in
the United States.

Rivera came to California in 1930 in
order to execute commissions arranged
for by San Francisco admirers of his
vivid nationalistic paintings. His fresco
for the California School of Fine Arts,
painted in this period, exemplifies his
technical achievement in this medium
of art. Appropriate to its setting, it
depicts the fresco painter with friends
and helpers at work. Superimposed
upon it, it is a painted scaffold on
which subordinate scenes and person-
alities are introduced. This exhibition
includes a series of studies for this
particular fresco showing the steps by
which Rivera evolved the finished
painting, which is also on display.

The public is invited to view the ex-
hibit, which will remain in the Mem-
orial Library until October 26.

RICHARDSON INSTALLED COMMANDER

Dr. Carl Rees Presided Over Meeting

The regular monthly meeting of the
American Legion was held in the
Country Club this week with State
Department Commander Rees presiding
over the meeting. Dr. Rees and his
staff installed the following officers:
Sergeant-at-Arms, Miss Winifred Tay-
lor; Service Officer, Vernon Steele;
Historian, Arthur E. Tomhave; Chap-
lain, Clayton Keith; Finance Officer,
Herman Handloff; Adjutant, Conrad
Lewis, Jr.; Assistant Adjutant, Clyde
Baylis, Jr.; Vice-Commander, Richard
Cooch; Commander, William Richard-
son.

Floyd Jackson, past state commander,
presented to the post a certificate of
Meritorious Services for the past year,
and awarded Mr. McBerty the best
commander's pin.

Commander Richardson announced
that the social meeting for the month
will be Oct. 28 and William Martin
will be program chairman and football
pictures will be shown of some of the
games in the past season.

Richard Cooch, membership chair-
man, announced that the post has 144
paid up members for the new year
which is seventy per cent of the 1946
total. Ways and Means chairman Wassa-
mer said the post is taking part in
selling chances on the automobile that
the State Department has to give away
sometime in February, and on Novem-
ber 28 the post is going to hold a dance
at the Shrine Club.

Thrift Sale Nets \$30 For School Lamp Fund

The percentage of the Thrift Sale,
held at Scott's Warehouse last Friday,
turned over to the Newark School
Fund for germicidal lamps amounted
to \$30, it was learned after the proceeds
had been computed.

Due to the fact that many salable
items are still on hand and available,
the Thrift Sale will be continued this
Saturday only, from 10 a. m. until 2
p. m., at 16 Tyre Avenue, and will be
open each Tuesday through November
18, from 11 a. m. until 4 p. m.

Scout Executive

John O. Shanks

J. O. SHANKS CHOSEN AS NEW SCOUT EXECUTIVE

New Del-Mar-Va Council Head Takes Post November 1

John O. Shanks, Assistant National
Director of Volunteer Training, Boy
Scouts of America, has been chosen as
Scout Executive of the Del-Mar-Va
Council, Boy Scouts of America, with
headquarters at 2 East Ninth Street,
Wilmington, Delaware, it was announ-
ced after a meeting today by Paul D.
Lovett, president of the council.

Mr. Shanks, who has a background
as a public school administrator, phys-
ical education director, Scout execu-
tive and author, will assume his post
November 1. He succeeds Frederic
Wellington, Scout executive at Wil-
mington for the past eight years, who
becomes Scout executive at Rochester,
New York.

He entered the Boy Scout Move-
ment as a Tenderfoot Scout in 1922, ad-
vancing to the highest rank, Eagle
Scout, having held every office in his
troop. Mr. Shanks served as Assistant
Scoutmaster, Scoutmaster, Commis-
sioner and member of the local Council
Executive Board.

Mr. Shanks became an Assistant
Scout Executive, his first professional
position, at Rochester, New York, in
1936; serving as Educational Director,
Director of Public Relations and As-
sistant Director of Camping. While at
Rochester he served as Chairman of
the Western New York Scout Execu-
tive Seminar. In 1940 he was promoted
to Scout Executive of the Colonel
Drake Council at Oil City, Pennsylv-
ania.

In June 1942 he joined the National
Staff of the Boy Scouts of America, as
Assistant Director of Volunteer Train-
ing. In this capacity he has been re-
quired to travel in all parts of the
country and assist in the leadership
training program in many Councils.
This has given him a broad experience
in Scouting methods and procedures
which should enable him to contribute
greatly to the program in the Del-Mar-
Va Council. Mr. Shanks has conducted
several training courses at Camp Rod-
ney for both the executive staff and
the volunteer leaders.

LIONS HEAR T. A. BAKER

41 Gumball Machines Placed

At the regular club meeting on Octo-
ber 14, Lion Pickett was program
chairman, with Dr. T. A. Baker as the
principal speaker, the Lions Club with
several other organizations in town are
to take part in the Halloween celebra-
tion in the form of a Mardi Gras for the
youngsters to keep them out of mis-
chief. The Lion's Club will serve re-
freshments at cost by the boys and
girls committee of which Mr. Pickett
has been appointed chairman to take
charge of this activity.

Mc. Powell reported that 41 Gumball
Machines have been placed through the
business section of town and he thinks
they will net the Welfare Fund sixty
cents to one dollar per machine per
month.

Russell Bing was served a free din-
ner.
Plans are being made for a big meet-
ing of Lions Clubs of Zone 1, New Cas-
tle County, in January.

BANK ROBBER TRAPPED IN ARIZONA

Pierce Girl Being Held; Loot Recovered

Norman Lee Rechuba, 25, of Lewis-
ville, Pa., wanted for bank robbery in
West Grove, Pa., and his 16-year-old
girl friend got off a train in Yuma,
Ariz., and walked into a trap set for
them by Federal Bureau of Investiga-
tion agents.

Rechuba, with \$408 in his pockets
and \$3,153 in a suitcase, approached a
shadowy figure in the pre-dawn dark-
ness to ask directions. His encounter
brought him face to face with FBI
Agent Lewis Ingraham, who with local
officers was awaiting his arrival.

Taken into custody with Rechuba
was Natalie Pierce of Lewisville, Pa.,
who had been employed as a waitress
in Newark.

With Rechuba's arrest, police are
putting the finishing touches on last
Thursday's holdup of the bank which
netted the two holdup men \$8,319.
Rechuba's alleged accomplice in the
holdup, Lawrence L. Griffin of Porter
Road, Bear, was apprehended last Sat-
urday and is now confined to the New
Castle County Workhouse awaiting
extradition proceedings.

According to the FBI, Rechuba
could be sentenced in Yuma under a
new federal legal procedure by plead-
ing guilty to the charge of violating the
federal banking statute providing the
district attorneys of Arizona and Penn-
sylvania approve. If he enters a plea of
not guilty he will be brought back to
Pennsylvania to answer the charge in
the Federal Court at Philadelphia, they
said.

Kenneth Logan, special agent in
charge of the Arizona FBI office, said
Rechuba admitted participating in the
bank robbery and that he fired a shot-
gun at pursuers while escaping.

Logan said he was advised by federal
officials in Pennsylvania that the
Pierce girl would be prosecuted as a
participant in the robbery on the
grounds she obtained one of the shot-
guns used.

While the case is practically solved,
Delaware state police continued in
rounding up additional evidence which
will be used in Pennsylvania when the
two suspects are placed on trial.

Newark to Play West Chester Sunday

The Newark Colored Athletic Club
will play West Chester Community
Center in a football game Sunday af-
ternoon on Frank Spafford's field
with the kick-off at 2 p. m.

UNIVERSITY AVERAGES RATE HIGH

**375 Students
Out Of 1,660
On Dean's List**

Slightly more than 22 per cent of the University of Delaware's students enrolled last term maintained scholastic averages high enough to place them on the dean's list for that period, according to statistics just released by Dr. Francis H. Squire, dean of the university.

The list numbers 375 students of all classifications from among the 1666 students then enrolled. A scholastic index of 3.00, or a "B" average is required for students on the list. Fourteen had 4.00, or straight "A" averages.

Graduates of thirty-one Delaware public, private and parochial schools are represented, with exactly half of the Delawareans from Wilmington High School and P. S. duPont High School, whose graduates are most numerous on the campus. Twenty-four are from Newark High School and 19 from H. C. Conrad High School.

Twenty-four other states and the District of Columbia also were represented, as were six foreign countries and American possessions.

The University's School of Arts & Science accounted for 201 of the 375 students listed, or nearly 25 per cent of the school's enrollment; Engineering, 91 students, or about 17 per cent of the school's enrollment; Education 42 students, or about 36 per cent of the enrollment; Agriculture, 32, or about 20 per cent of the enrollment; and Home Economics, 9, or about 20 per cent of that school's enrollment.

Sophomores, with 99 class members named, and seniors, with 96, were predominant in that respect. Other groups were: Second-term freshmen, 91; juniors, 66; freshmen, 10; and irregular students, 11. Irregular students are those not seeking degrees.

Again, veterans were represented on the Dean's List in almost exact proportion to their numerical weight on the campus. Some 60 per cent of the students were veterans last year, and of the 375 on the list, 231, or 61 per cent, had served in the armed forces.

The 14 students with straight "A" averages were:

Arthur E. Boys, Wilmington; Claire Collins, A. I. duPont High School; Reese E. Dukes, Laurel; Phyllis Gentieu, of Pennsboro, N. J. High School; David C. Grier, Wilmington; Robert W. Kennard, Newark; Richard W. Kuntzman, Abington, Pa.; Irving N. Morris, P. S. duPont School; Lottie Mueller, Wilmington; Daniel Nathans, Wilmington; Jacqueline Seidel Rofel, P. S. duPont School; Charles M. Rogers, Sayville, N. Y.; Ann T. Scannell, Ursuline Academy; and Arnold P. Schueler, H. C. Conrad School.

VETS TO GET CHECKS

**Allowances
Due From Start**

Veterans Administration again reminded veterans entering colleges and universities this fall that most of them would not receive their first subsistence allowance check before early November.

These initial payments will include all subsistence allowances due from the start of the semester until the end of the last full subsistence period prior to the issuance of the check.

The first payments may be delayed in some areas where student-veterans deluge VA offices with queries concerning their subsistence payments within the first six or seven weeks after the closing of their school's enrollment.

When personal inquiries of veterans come to a VA office in volume, the work on all other cases is delayed since tracing of inquiries on delayed payments receives priority attention, VA said.

Afternoon Services Head of Christiansa

Services will be held in the afternoon at the Head of Christiansa Presbyterian Church, on Sunday, October 19. Sunday School will begin promptly at 1:30, and the church service will follow at 2:30.

Patrick Morgan, superintendent, will be in charge of the Sunday School. The classes will consider the lesson topic, "The Creative Power of Faith." The attendance goal has been set at 89. The pastor, Rev. Evan W. Renne, will deliver the sermon at the church service on the subject, "Jesus and the Home." Christian House Sunday will be observed at this service. The Junior and Senior Choirs will present special music.

Westminster Fellowship will be held at 6:45 p. m., followed by Junior Choir rehearsal. All members of the Fellowship and the adult counselors are urged to be present. All young people of the church and community are welcome.

3 WOMEN EARN AWARDS

**Whiteman
Bowls 616**

The Newark Bowling Leagues are underway for the current year with several high scores being registered upon the local alleys.

Last week Continental-Diamond Fibre team rolled 2788 pins to defeat Texaco which rolled 2502 pins. Paul Whiteman was high scorer for the winners with 616 pins and Stanley Gibbs was high scorer for the losers with 530 pins.

Women bowlers which have qualified for the News-Journal Awards in league competition are: Miss Carolyn Challmers, Miss Olive Fulton, and Miss Gladys Woodward.

POLICE WARN BICYCLIST

**Must Have
Reflectors**

Chief of Police Cunningham has asked all children who own bicycles to stop riding them on the sidewalks and they must have reflectors, and a light should be used if riding at night.

During the war these articles were not available, but now they can be had, so the police are going to enforce the law. Children who have bicycles and do not have these articles are asked to leave their bicycles home until they do have the necessary things on their bicycles.

E-52 GROUP TO PRESENT SHAW'S PLAY AT PARLEY

Presentation To Conclude Conference Of Theatre Group

A feature of the Eastern Theatre Conference, to be held at the University of Delaware on October 18-19, will be a Saturday night performance of Shaw's "The Dark Lady of the Sonnets," by members of the E-52 Players of the best university.

Written in 1910 by George Bernard Shaw as a plea for a British National Theatre, this one-act play is peculiarly appropriate for production at this conference, where both professional and non-professional theatre workers are meeting to discuss the establishment of an American National Theatre. On Sunday a special symposium on the plans and projects of the American National Theatre and Academy will be conducted by members of the Board of Directors of ANTA, which include C. Lawton Campbell, Robert Breen, Raymond Gilder, George Freedy, Clarence Derwent, Alexander Kirkland, and Dr. C. R. Kase, Director of Dramatics at the University of Delaware and current president of the American Educational Theatre Association.

Members of the cast of "The Dark Lady" include William Whedbee as William Shakespeare; Jane Booker in the title role; Verda Vance as Queen Elizabeth; and Howard Hitchens as the Beefeater. Mrs. Elizabeth Kase, active member of the University Drama Group and an expert in all phases of theatre work is directing the play.

All of the members of the cast are veterans of Mitchell Hall footlights. Whedbee had the male lead in last spring's campus production of "Joan of Lorraine," while Miss Vance and Howard Hitchens as Mary Todd and Abraham Lincoln, shared acting honors in "Storm." Miss Booker has played in several Mitchell Hall productions, including "Storm" and "The Great Big Doorstep."

Immediately following the performance, conference delegates will be guests of the E-52 Players at an informal reception to be held in Brown Hall.

Zeiler's Jersey Wins National Recognition

Masterpiece Emblem Royal 1448393, a registered Jersey cow owned by Peter Zeiler, Newark, Delaware, has won the Delaware 350 Day State Fat Championship in her class as announced by The American Jersey Cattle Club. In winning this high honor she produced 9180 pounds milk and 470 pounds butterfat as a Junior Two-Year-old. This record exceeds by more than two times the yearly butterfat production of the average dairy cow in the United States.

All tests on this cow's production were verified by Delaware Agricultural College and The American Jersey Cattle Club.

Services Friday Morning For Mrs. Barbara R. Lenhoff

The funeral of Mrs. Barbara R. Lenhoff, of Delaplane Manor, Kirkwood Highway, Newark, will be held from her home at 8:30 o'clock Friday morning with requiem mass at St. John's Church, Newark, at 9:30 o'clock. Interment will be in Cathedral Cemetery.

Mrs. Lenhoff, formerly of Wilmington, died Monday at her home. In addition to her husband she is survived by six sons and three daughters: Vincent Lenhoff, of Philadelphia; Master Sgt. Raymond J. Lenhoff, of Washington, D. C.; Donald E. and Clement J. Lenhoff, of Wilmington; John P. and Gerald Lenhoff of Newark; Mrs. Leonard Whann, of Wilmington; Mrs. Temple F. Connolly and Regina Lenhoff, of Newark.

XMAS SEALS SYMBOLIZE SPIRIT OF AMERICA

A pair of oxen pulling a sled loaded with Christmas trees is featured on the 1947 Christmas Seals, which have arrived at the headquarters of the Delaware Anti-Tuberculosis Society, G. Taggart Evans, executive secretary, has announced.

Reminiscent of the scene in rural America in bygone days, this year's seal symbolizes the pioneer spirit which enabled Americans to conquer a wilderness, and which enables them to fight a relentless battle against a disease which kills 53,000 Americans a year. The seal was designed by Raymond H. Lufkin, of Tenafly, N. J., nationally known free lance artist and typographer.

The 31st annual Christmas Seal sale which was originated in Delaware in 1907 by Miss Emily P. Bissell, will be conducted throughout the nation from Nov. 24 until Christmas.

Of the money raised in Delaware, 95 per cent will be used within the state for state-wide tuberculosis control projects, Mr. Evans said, and the other five per cent will be forwarded to the National Tuberculosis Association to support research and other services on a national scale.

The activities of the Delaware Anti-Tuberculosis Society which are made possible by the annual sale of Christmas Seals include: Case finding through tuberculin testing and X-ray; nursing service for indigent patients; rehabilitation and job training; maintenance of Sunnybrook Cottage for Delaware children; health education for school and adult groups. Staff members of the society and volunteers are now preparing the Seal Sale appeals.

DELAWARE FARM FRONT

There shall be no Armistice for rats in Delaware! This slogan heralds the rat control program which has just been launched throughout the state. Setting the November 11 date as "rat bait day," members of the Delaware Agricultural Extension Service, Granges, Service Clubs, youth groups and commercial agricultural organizations are cooperating to help farmers rid their properties of the rodent pest.

Four steps in eradicating rats are: 1. Clean up rat harbors; 2. Pre-bait; 3. Use effective rat poisons, and 4. Rat-proof buildings. Further information on rat control may be obtained from the county agricultural agents in Newark, Dover or Georgetown.

The 1947 program for soybeans, as announced by the U. S. Department of Agriculture, is explained to Delaware farmers by C. E. Ocheltree, state chairman of the Production and Marketing Administration. Under this year's program, all farmers who have soybeans are eligible for benefits of the support price, which is \$1.84 per bushel for black, brown or mixed beans, and \$2.04 per bushel for yellow beans. Farmers who hold beans and sell them later on are assured that the government will purchase them at any time at the support price. Details of the soybean loan programs are available from county AAA committees.

Final Rites Wednesday For Mrs. Ruth E. Mote

Mrs. Ruth E. Mote, 75, widow of the late James Herbert Mote, died Saturday at her late residence, 43 Chouteau Street, Newark. Born near Newark, she had lived in this state most of her life. She was a member of the Woman's Society of Christian Service of the Newark Methodist Church.

Mrs. Mote is survived by a son, Henry F., of near Ogletown, and a daughter, Mrs. Mary Tasker, of Newark.

Funeral services took place from the late home in Newark on Wednesday at 2 p. m. with clergymen Rev. Jackson and Rev. White conducting the services. Interment was in Newark Methodist Cemetery.

Pallbearers were: Francis Richards, Jesse Tressler, Leslie Hall, Norman Slack, Jack Tweed and Howard Lynam.

Ware Abouts

Just a sniffing and a snuffing is the common—but far from favorite practice these days when about every other person we meet is bedeviled with a nasty head cold.

We had a beaut last week and stayed home and doctored it all one evening, getting it pretty well under control until we played golf on Sunday and satan got his licks in . . . hence we are again nursing a red and runny snozzola. Fellow sufferers have our sympathy.

It's a pleasure to report that the B. & O. Diplomat, Train No. 3, has resumed its southbound daily stop at Newark at 6:06 p. m. after having been cut off in a general move by the railroad about ten days ago.

Justified public clamor apparently bore some weight with the railroad officials who restored the stop last Wednesday in an unheralded move. The regular stop will be included on the next Time Table released by the B. & O. as it temporarily is stopping on general orders to the engineer and conductor.

The Diplomat has been a regular stop at Newark for forty years, according to George Ramsey who was connected with the B. & O. in nearly as many years before his retirement. To Mr. Ramsey, who made a special, personal visit to Baltimore in behalf of having the Diplomat stop restored, and to the many other interested parties who voiced protests against the measure, we extend our heartfelt thanks and appreciation on behalf of all the train-riding customers.

As one of our favorite and more dependable sources of comment put it, hundreds of thousands of dollars in freight are paid annually by the Continental-Diamond Fibre Company, National Vulcanized Fibre Company, Danita Hosiery Mill, Curtis Paper Company to say nothing of smaller businesses.

So, he concludes, the Pennsy as well as the B. & O. could readily increase their passenger stops here even at a slight loss as a matter of convenience to visiting salesmen, local business and their traveling public.

The U. of D. Drama Group's presentation of "Room Service" at Mitchell Hall last week was a highly enjoyable affair with the entire cast performing creditably. Hats off to the unpublishing committee members without whose unstinted efforts the play could not have been the success it was.

Ted Davis, son of Mr. and Mrs. Robert B. Davis, Cleveland Avenue, who was hospitalized in a cast last week as the result of a back injury sustained during a N. H. S. football practice session, returned to his home here this week—but will be bedded for an indefinite period.

We're indebted to Judge Otto Thomas, mustachioed politico of Falls Pa., for calling our attention to an item appearing on page 107 of the July issue of Popular Science Monthly which said: "Roadside sockets for hungry motorists on long trips, suggested by Idamae Buratt, of Newark, Del., who would like to see coin-operated electrical outlets installed on main roads."

If you thought you'd get by reading this without any mention of football, you're mistaken.

Newark teams were doubled vulnerable last week with both the Blue Hens and Yellow Jackets failing to make their contract, by one measly point.

The Hens dropped a tough one in their invasion of Lewisburg when they were defeated by the Bucknell Bison. 13-12, while the 'Jackets lost an equally close one when Salesianum pinned a defeat on them by virtue of the extra point, 7-6. Some days it doesn't pay to get out of bed.

Delaware's abbreviated and separated ducking season opens for its first period next Tuesday, October 21.

Last week's public acknowledgement of Wes Perry paying the renewal of his subscription to the Post bore some fruit at least. We are just in receipt of another welcome, albeit ambiguous, piece of correspondence from former Principal of Newark Public Schools William Kline Gillespie, enclosing two disreputable looking frog-skins and saying:

"If Wes Perry feels that a subscription to the Post is worth renewing, I too shall seek renewal of my subscription. Enclosed find fee for same and if my application for reinstatement is accepted send local bugle to name above, but address below" . . . Which to do, Bill, is a privilege and a pleasure. We

still think you're the world's worst ping-pong player . . . and the Friday Evening Committee no longer functions since you're away.

To Roland (Hots) Wollaston goes the honor of establishing some kind of a record for the longest drive on the local golf course. Standing on the 9th tee, in a wind of gale proportions, Hots' drive carried the ditch and landed about fifty yards short of the 9th green—a distance of about 350 yards . . . If you don't believe it there is a cloth imbedded in the fairway to mark the spot until a permanent monument can be erected.

The State Highway Commission probably won't like it but we have it from a pretty reliable source that the long-delayed extension of the dual highway from Price's Corner to Newark limits is contemplated at an early date . . . in fact the project is now rated as number two on the order of projects to be completed in 1948—at an expense of \$330,000 of which \$180,000 will be federal funds.

According to present plans, it is believed, the extension which may be only a single lane at first, will run from the present end of the concrete dual road (at Limestone Road, R. D. 2) joining Capitol Trail a few miles East of Newark at the point where the single old concrete road now ends.

2-Headed Calf Born On Pennsylvania Farm

A two-headed calf—the oft doubted wonder of many a country fair midway—is a reality on a farm near Easton, Pa.

The animal has only two ears and a single skull, but is equipped with four eyes, two mouths, two noses and breathes on both sides. Dr. Ervin Diehl, a veterinarian, said most two-headed creatures die because of constriction of the juncture of the two throats. This one he added, apparently does not have that difficulty.

The Sports Post

By Sean N Hurd

A total of two points was the margin by which defeat came again to both of the teams followed most closely by Newark's football fans. The University of Delaware's Blue Hens made the long jaunt to Lewisburg only to be forced to wend their way home on the short end of a 13-12 count after Bucknell's Bisons had gained some measure of revenge for their defeat by the Hens last year.

Newark's Yellow Jackets, playing under the arcs at Wilmington Park last Saturday night, matched Salesianum in the touchdown department with each team scoring one six-pointer; but the Newarkers' failure to add the extra point caused them to absorb a 7-6 defeat.

Thus the high school and the university both have grid records showing one victory and two defeats. The Yellow Jackets, however, will have the earlier opportunity to balance their season record, for they meet a winless and scoreless Wilmington High team on the local lot this Saturday afternoon while the Blue Hens have an open date as they prepare for Gettysburg on October 25.

You - Never - Can - Tell Department: The weekly round of gridiron upsets got off to a fine start last Friday night when St. Louis University stunned the Georgetown Hoyas, 16-0. . . . But even more of a stunner followed on Saturday when Georgia's Bulldogs were muzzled by Kentucky, 26-0. . . . Another crash was heard when the highly touted Tarheels of North Carolina, attempting to recover from the previous lacing administered by Texas, fell prey to the Deacons of Wake Forest, 19-7. . . . In the Southwest, a previously undefeated Arkansas team was reversed by Baylor, 17-9. . . . From the West Coast came rumblings of Santa Clara's 13-7 defeat of Stanford. . . . Viewed as an upset by many was Iowa's 27-14 win over Indiana.

GRID GRITS: For thriller of the week we select Navy's 14-14 stalemate with Duke, achieved by a Navy touchdown and conversion with only 10 seconds of play remaining. For whatever difference it may make, the Middies' previous record of 10 straight defeats may now be looked upon as 11 games without a win. . . . Rutgers would do well to coax Princeton over to New Brunswick every year for their annual clash. These teams have been rivals for 78 years, and only on the three occasions when the Tigers have left their own lair has Rutgers been able to triumph as it did last Saturday, 13-7. . . . It appears to be almost a certainty now that Army's undefeated streak will be extended at least to 34 games since the Cadets were able to hold off Illinois in a 0-0 tussle last week; and only V. P. I., Columbia and Washington and Lee are to be faced by the West Pointers before they journey out to the mid-West to tangle with Notre Dame on November 8. . . . For the first time in its long gridiron history, Harvard took a trip south of the Potomac, in view of the 47-0 pasting administered by the not-so-gallant Cavaliers of the University of Virginia, you can't blame the John Harvards if they stick to their own more northern clime. . . . Even without Levi Jackson, the Blue of Yale waved atop the Blue of Columbia as Lou Little's lads were dropped from the undefeated ranks by the men from New Haven, 17-7. . . . The Nittany Lion roared again with overtones last Saturday when Penn State trampled Fordham, 75-0. The total score wasn't the highest we saw in the weekly ledgers, but we doubt if any other eleven registered more than 40 points in a single period—and that is the sum run up by the Penn Staters in the second quarter. . . . Pitt which, along with Fordham, formerly was a national football power, suffered its weekly rout, this time at the hands of Michigan, 69-0. . . . And speaking of power, who can deny that there is plenty of it in sunny California as witness: California 48—Wisconsin 7; Southern California 32—Ohio State 0.

PLAY-FOR-PAY DEPARTMENT: Who would have guessed that the previously victory-less Chicago Bears would wallop the undefeated Philadelphia Eagles by such a count as 40-7. . . . And did you notice that a 17-yard field goal with less than three minutes to go caused the downfall of the Cleveland Browns by the Los Angeles Dons, 13-10. Thus the Browns suffered their first setback in 12 All-America Football Conference encounters. . . . With the addition of Tommy Mont at quarterback and Jim Hefft at fullback, look for a rejuvenated and rebuilt Wilmington Clippers eleven to return to the hoped for winning ways.

Few, if any, will select Nebraska to upset Notre Dame this Saturday when these schools meet on the gridiron for the first time since 1925. But there is a great story in the rivalry between the Irish and the Cornhuskers. These schools have fought it out for gridiron glory on 14 occasions and no other team even approaches the record which Nebraska has in its football relations with the South Benders. As of now, it's a complete stalemate with each team having notched five victories and one game having resulted in a scoreless draw.

BISONS BEAT DELAWARE ON PASSES IN HARD FOUGHT CONTEST, SCORE 13-12

Delaware Idle This Week-End, Gettysburg Tangle With Blue Hens Next At Wilmington Oct. 25

By a margin of a single tally, the difference between a good extra point boot and its failure, Delaware's Blue Hens lost their second straight game of the season Saturday afternoon to Bucknell University by the score of 13 to 12.

The Bisons displayed a strong ground attack from a combined T-single wing offensive but scored both times on passes by Paul McConnell to Ed Stec and Charles Gruneberg, both completed in the end zone. Delaware scored both times on the ground on sensational running of Mariano Stalloni, reserve full back. Stalloni

plunged for the first score from the 3-yard line with Billy Cole scoring the second on a twenty-two yard run after Stalloni had carried nine times from Delaware's 20 to Bucknell's 22. Glenn Wright missed both extra point tries.

Bucknell started another march, then tossed a long forward which was completed to Williams and on the next play Bucknell fumbled and Cole recovered for Delaware, carrying the ball to the 43-yard line.

Delaware fumbled in the late second period and recovered. Then Bucknell threw the Hens for successive losses and took over, starting another touchdown drive. With only minutes left in the second quarter the Bisons built up four first downs through power plays and Swanson passed to Williams which was completed on the five-yard line. Delaware fans were greatly relieved to hear the gun end the half after the play was completed.

The Bisons came back in the second half and advanced to Delaware's eight where they held. Coady kicked out to the 25, where Bucknell set up their second score of the afternoon. A stretch drive by the Hens in the fourth quarter began when Seaman's kick went over the Delaware goal line. Play was resumed on the twenty where Stalloni carried three times for first downs, and Cole gained 10 more on the next play. The Blue Hens pulled a naked reverse from the twenty-two and scored their second touchdown. Delaware held for four downs on the ensuing kick-off, and began another drive that was finally stalled on Bucknell's 44 to end the ball game for the afternoon.

ROSE TREE HUNT CLUB RACES ON SATURDAY

Outstanding Hunters Are Entered In Varied Events

Rose Tree on Saturday at Media, Pa., will offer one of the best distance races of the season when the Major Henry Reed Watfield Challenge Cup race at one mile and a half takes place. There are 15 horses entered, many of which are well-known in hunt racing circles. The ability to carry weight will be a big factor in this event as it is a heavy-weight race with minimum weight at 165 pounds. Walter Wicks' Kaitain, R. K. Mellon's Dillsburg, winner at Rolling Rock, Leiger's Shangrila and Mesty Lew, Odell's Bone Sleeping, an Irish importation, Hunneman's Stream On have shown that they can carry weight and they will probably be favored to win. Actually it is a very open race as Kann's Capt. Hart, Kline's Hew Puzzle, Boyce's Flying King, just up from Laurel, and others can all go the distance and there might very well be a dark horse among these.

This will be but one of the features of Saturday's races. The Riddle Cup one mile with 25 horses entered, the Foxcatcher Plate with 16 horses for the two mile brush race and a rather small but very high class entry for the Rose Tree Hunter Challenge Cup three mile timber race, all pressing close finishes and smashing races. And, what a scramble there will be in the six furlong event with 16 horses to go. This is the farmer's race and is the first event at 2:00 p. m. and those coming should be there early as this event will be usual furnish great excitement not only for the farmers, there in droves, but for all the big crowd sure to attend.

SALLIES NIPS NEWARK BY CLOSE SCORE, 7-6; WILMINGTON HERE OCT. 18

Yellow Jackets Looking For Second Win Of Season With Twice-Beaten Wilmington High After Losing Third Game

Salesianum High School football team scored its first victory of the 1947 season last Saturday night at Wilmington Park, defeating Newark High School, 7-6.

The first half was scoreless. Newark drove from its own 15 to the Sallies 25-yard line but the Gold and White held. In the second quarter the Sals moved from their own 15 to Newark's 27.

All of the scoring came in the second half of the contest. Sallies broke the ice in the third quarter on a drive from their own 37, culminating in a touchdown plunge by Harry Hall from the 3-yard stripe. John Cassidy caught and drop-kicked the extra point. Brooks' kick was taken by Newark and brought back to Salesianum's 27 as the period ended.

In the final period the Yellow Jackets came through with a 6-pointer on a pass from Wollaston to Crosetti who received it on the 17 and went over to the score. Ford attempted to throw a pass to Crosetti for the extra point, but toss was incomplete.

Saturday afternoon we find Wilmington High School (twice beaten) coming to Newark. The Yellow Jackets will be out to get their second win of the season. We can't say too much about the Wilmington team, because they have played all outside teams this season so far and they are probably packing plenty of power for this contest.

Ted Davis, quarterback, injury to the Jackets squad and will be lost to the squad for the rest of the season. Newark has lots of power stored up after their tough luck games which they have this season.

The lineup: Newark Salesianum

STUDENT WAR DEAD TO BE HONORED OCTOBER 26

Names Will Be
Inscribed On
Memorial

The University of Delaware will unveil a memorial plaque honoring its 67 World War II dead, at a dedicatory service on the campus, Sunday, Oct. 26. The plaque, in bronze on a granite base, will be placed in front of Mitchell Hall, where the ceremony will be held.

The name of each of the 67 men is inscribed on the plaque, which was presented to the university by Mr. and Mrs. Louis E. Stafford of Glassboro, N. J., whose son, Louis E. Stafford, Jr., was a member of the Class of 1945. Parents and wives of all the deceased have been invited by the university to be present at the service.

Acceptance of the plaque on behalf of the university will be made by Dr. William S. Carlson, president. Speaking on behalf of alumni will be U. S. Rep. J. Caleb Boggs, of the university's class of 1931, while William Nash, president of the Student Government Association, will speak for undergraduates.

Another alumnus, Major Henry Javel, now on active Army duty in the Office of Chief of Chaplains, will ask the invocation. The Rev. John Oldman, Jr., of Lower Brandywine Presbyterian Church, near Wilmington, will pronounce the benediction. Mr. Oldman, a former Navy chaplain, also is an alumnus.

Francis X. Gallagher, another university alumnus, will read the roll of honor, while the plaque is unveiled. Col. Donald M. Ashbridge, U. S. A. retired, chairman of the university's committee for the memorial service, will preside. All the speakers were in the armed services during the recent war. Trustees of the university who will be present will include Gov. Walter W. Bacon and Lieut.-Gov. Elbert N. Curren.

The service, which will start at 3:30 p. m., will be open to the public, and Colonel Ashbridge stated that persons who knew the men being memorialized were particularly welcome to attend.

An alumni committee which arranged for placing of the plaque included Dr. John A. Munroe, chairman; Charles E. Grubb, James F. Mullen, Bernard P. Doordan, and G. Cleaver Price.

The university's war dead whose names appear on the plaque are:

John H. Banks III, Casimir L. Blaska, Robert J. Bostwick, Henry S. Brady, Horace C. Brown, Robert W. Callaway, Charles L. Caulk, Jr., Alfred L. Clifton, Robert L. Coleman, Clarence O. Climaxing a busy year in 4-H Club work for girls will be the State Achievement Day, October 18, at Caesar Rodney High School, Camden, Delaware.

At this time, approximately 30 girls from Talleyville to Delmar will model dresses they have made in 4-H clothing projects. To be able to model her dress at the State Style Review, a girl must have received a blue ribbon award in a similar review in her county.

One of these teen age models will be selected from this group to represent Delaware in the National Style Review at the National 4-H Club Congress in Chicago, December 1-4. The winner is chosen on the basis of how effectively she has completed the costume with interesting details or accessories, as well as the general construction of the garment. The posture and grooming of the girl are also an important point of decision.

Also a featured part of the program will be the clothing and dairy foods demonstrations, in which girls will participate both as individuals and in teams. County winners in the clothing demonstration will vie for a \$25 Savings Bond. Dairy foods competitors will demonstrate various uses of milk and other dairy foods in the normal and convalescent diet. Individual and team winners in dairy foods will each be awarded a \$50 Savings Bond.

Zeitler's Jersey Wins State Fat Championship

Design Marie La Gene 1427455, a registered Jersey cow, owned by Peter Zeitler, Newark, has won the Delaware 305 Day State Fat Championship in her class as announced by The American Jersey Cattle Club from their offices in Columbus, Ohio. In winning this high honor she produced 9966 pounds milk and 519 pounds butterfat as a four-year-old. This record exceeded by more than two and one-half times the yearly butterfat production of the average dairy cow in the United States.

All tests on this cow's production were verified by Delaware Agricultural College and The American Jersey Cattle Club.

CERTIFICATE OF REDUCTION OF CAPITAL OF LAPLANT-CHOATE MANUFACTURING CO., INC.

Laplant-Choate Manufacturing Co., Inc., a corporation organized and existing under the General Corporation Law of the State of Delaware, whose resident agent in charge of its principal office in the State of Delaware is Corporation Service Company, 909 Market Street, Wilmington, Delaware, does hereby certify as follows:

1. That at a meeting of its Board of Directors duly held and convened, a resolution was adopted setting forth a proposed approval of the reduction of the capital of said corporation hereinafter set forth and calling a meeting of the stockholders having voting power for the consideration thereof.

2. That thereafter, at a special meeting of the stockholders of the above-named corporation, called upon ten days' notice given in accordance with the By-Laws thereof for the purpose of voting upon the question of reducing its capital, a resolution was duly adopted by the holders of record of a majority of the outstanding shares of stock of the corporation having voting power approving the reduction in the capital of the corporation hereinafter set forth.

3. That the corporation has heretofore had outstanding, as authorized by the Certificate of Incorporation, as amended, 37,500 shares of \$1.00 Convertible Preferred Stock, sometimes herein-after referred to as "Convertible Shares"; that said shares were of par value of \$10.00 per share, but, by appropriate action, the capital represented by each of said shares was \$20.00 per share, and the total aggregate capital represented by said shares was \$750,000.00.

4. That of said 37,500 Convertible Shares, 2,322 shares were retired and \$20.00 of the capital of the corporation was applied in the retirement of each of said shares, resulting in a reduction of capital of the corporation in the amount of \$46,440.00.

5. That the remainder of said Convertible Shares, to-wit, 35,178 shares, were convertible in accordance with their terms into 35,178 shares of Common Stock of a par value of \$5.00 per share, and the capital of the corporation was thereby reduced in the amount of \$422,156.00.

6. That the Certificate of Incorporation of said corporation, as amended, prohibits the reissue of the 37,500 Convertible Shares, retired or converted as aforesaid, and that such shares constituted all of the outstanding Convertible Shares of the corporation, and pursuant to the provisions of Section 28 of the General Corporation Law of the State of Delaware, upon the filing and recording of this certificate as therein provided, the Certificate of Incorporation of said corporation, as amended, shall be amended so as to effect a reduction in the authorized capital stock of the corporation by the elimination

therefrom of all reference to said Convertible Shares.

7. That the assets of the corporation remaining after such reduction are sufficient to pay any debts, the payment of which has not been otherwise provided for. IN WITNESS WHEREOF, said LAPLANT-CHOATE MANUFACTURING CO., INC., has caused its corporate seal to be affixed and this certificate to be signed by R. E. Choate, its President, and A. D. Dennis, its Secretary, this 20th day of May, A. D. 1947.

MECHANICAL DRAWING AT NEWARK HIGH

Credit For Course Will Be Given

For the first time at Newark High School, a Mechanical Drawing Club is being formed under the direction of Ellsworth Hoffman, shop instructor.

Every Tuesday, Thursday and Friday during activity period the club meets in the Main Street building, which is also used by NHS students for agriculture and shop classes.

When all the equipment is obtained the class will be taught instrumental drawing by Mr. Hoffman. Credit will be given to the students who satisfactorily pass the course.

The members of the club are: Ronald Rich, Julian Wallace, Walter Colmery, William Walker, Marvin Patterson, Robert Grundy, Ronald Ewing, Edward Borowka, Joe Semar.

Case Concluded Over Newark Rent Charge
Trial of the case of Philip B. Fleming, administrator of the Office of Temporary Control, against Walter R. Powell, of 43 East Main Street, Newark, was concluded in U. S. District Court before Judge Paul Leahy last week. Judge Leahy reserved decision and gave the parties one week in which to file answers.

The OTC had charged Powell overcharged I. G. Edwards and Verlyn Edwards, tenants in the house he owned at 54 East Delaware Avenue, Newark, \$180 above the rent ceiling. Judgment of \$540, triple the amount of the overcharge is asked by the complainant in the suit. John P. Sinclair represented the defendant and Nathan P. Michlin and Harvey Wertheimer the OTC.

Homecoming

(Continued from Page 1)

Also speaking will be Coach Bill Murray of the university's football team, who will discuss the recently-ended 32 game undefeated streak, and prospects for the balance of the season. The toastmaster will be Gerald P. (Doc) Doherty, Jr., of the university's class of 1916 and former graduate manager of athletics there.

Among the guests who have accepted invitations to attend is Gov. Walter W. Bacon.

John E. H. (Jack) Lafferty, of the Class of 1938, appointed by Mr. McVey as chairman of the 1947-48 Reunion Committee, said that wives and other guests of alumni were being invited to the dinner, for which announcements now are being mailed to alumni.

Other members of the Reunion Committee include Carl T. Wise, LeRoy W. Hickman, Col. E. P. Jolls, Robert P. Goldey, J. Donald Craven, and Robert F. Siemen.
