DINNER TO OPEN SAFETY COUNCIL FUND CAMPAIGN

J. K. Johnston To Direct Membership Drive, Which Will Start With Banquet Monday

WANT \$25,000

A state-wide campaign to enlist new members in the Delaware Safety Council in order that the educational safety work to meet the increased traffic and highway and home safety needs may be inaugurated will commence next Monday, January 21, under the general direction of John K. Johnston, at Newark, vice-president of the National Vulcanized Fibre Co.

Mr. Johnston will tender a dinner to some 165 volunteer workers in the du Pont-Biltmore Hotel on Monday evening. A number of citizens of the town have been invited to attend.

Pointing out that the automobile registration had increased in the past 10 years four times, while the Safety Council's budget had increased in the period less than three times, Mr. Johnston recalled that there have been 79 motor vehicle fatalities in our state in the past year and over 800 serious injuries. This situation has been commented on in the press and called the one black spot in the state of Delaware's 1928 record. In the summer of 1928 were accidentally killed and over 600 seriously injured. It is to meet this situation in a practical and effective manner that the Safety Council Directors are working to secure an Operating Fund of Twenty-five Thousand Dollars. General memberships are being solicited in the amount of \$10.00 yearly.

The Delaware Safety Council was organized in 1919 and has achieved eminent success in the industrial field. Here accidents have been reduced in Delaware plants to less than one-half national prevailing averages. The council is a non-partisan and non-profit association which operates as a branch of the National Safety Council. On its Board of Control are 93 volunteer directors from all parts of the state. Former Senator Louis A. Buxner, of "Burwood," near Camden, Delaware, is serving his second term as president of the association.

THREE FIRES THIS WEEK

The Aetna Hose, Hook and Ladder company extinguished three fires in the last three days of the week, which is keeping with the experience of the company of having fires in triplets. On Monday a grass fire was put out the rear of the residence of Harlan Reed on the State Highway.

Tuesday morning a call was sent on the residence of Irvin Dayett, Coach's Bridge. The company made very rapid response and found a fire blazing in the servant quarters the house. An oil stove, thought to be out, had been put in the closet, but was burning, and set fire to clothes in a closet. The fire was extinguished but it had done damage amounting to probably \$100. The fast work on the part of the firemen prevented what might have been a serious fire. Yesterday morning a burning couch in the kitchen of the house of Thomas Lober, on New London avenue. The couch had caught fire apparently from the sparks of a cigarette. The blaze sent out a vast volume of smoke, but the damage would probably be covered with \$50.

On Sunday, an alarm was sent in on Christiansburg, but apparently was a false alarm, as the company was called in and told not to respond.

PROF. KIRKBRIDE IMPROVING

Professor R. W. Kirkbride, director of the University of Delaware Foreign Study Plan, who has returned to Johns Hopkins Hospital, Baltimore, for treatment, is reported to be improving. Mr. A. G. Wilkinson, business administrator for the University, invited Professor Kirkbride, Monday, to said that Professor Kirkbride had a blood transfusion last week, and seemed to be much better. Professor Kirkbride returned to this country in France, last Spring, because of poor health.

HORTICULTURAL MEETING

The forty-second annual meeting of the Peninsula Horticultural Society will be held January 29, 30 and 31, at Camden, Delaware. Dr. J. F. Adams, of the University of Delaware, is secretary of the society. Among those who will speak at the meetings are: Dr. Adams, F. Lagasse, L. R. Detjen, Dean C. A. Cue, H. L. Dozier, H. G. Butler and T. F. Manns, all of the University of Delaware.

4-H WORK GIVES KEY TO SUCCESS

Corn Show Cup Winner Predicts His Victory In Letter To State Leader

In November, 1928, Robert Maull, a 4-H Club member living near Lewes in Sussex County, wrote a letter to A. D. Cobb, State Leader of County Agents of the University of Delaware, which closed with this statement: "Club work has taught me to endure defeat until it can be turned into victory."

"If Robert realized the value of that lesson in November, he certainly must believe it with all his heart now," said Mr. Cobb today, "because he has just won the big silver trophy cup of the Delaware State Corn Growers' Association for being the best 4-H Club corn judge in the state."

"Last year in the state contest," continued Mr. Cobb, "Robert only placed twenty-fourth in a list of thirty-nine contestants, and to have moved up to first place certainly proves the truth of his statement made two months ago."

In this annual 4-H club corn judging contest which was held during the State Corn Show at Dover on January 4th, young Maull competing with thirty-four other club members was required to place four ten ear samples each of white and yellow corn, and write reasons for his placings, and place five single ear samples of white and yellow corn. He scored 374.4 points out of a possible 400 perfect score for a grade of 93.6 per cent. Second place went to Alvin Simpler, a member of the same club, with a grade of 89.1 per cent.

This was the ninth annual contest for this cup which will become the permanent property of the 4-H club boy or girl who wins it three years in succession. Leon MacCauley, of Bridgeville, won the cup in 1927 and 1928, but dropped to fifth place this year. Two former 4-H club boys have had two legs on the cup. Stanley Short, of Cheswold, held it in 1921 and 1922, and Lawrence Meredith, of Greenwood, in 1924 and 1925.

Even of the contestants this year made grades of 80 per cent or higher, which is considered an excellent showing by those who conducted the contest, which is made quite difficult because of the honors attached to it. Training in judging was given the club members as a part of their regular 4-H club work by the County Club Agents of the Extension Department of the University of Delaware. In addition to their club training many of the boys who have reached high school age have received valuable assistance from the teachers of Vocational Agriculture.

DESECRATE CHAPEL

It has been discovered that vandals have wantonly desecrated the abandoned Wesley Chapel, on the road to McClellandville. It was first noticed that windows in the chapel were broken. Further examination revealed that several of the memorial windows had been smashed, the altar torn up and the organ pulled apart. The damage is estimated at \$2,000.

DR. RHODES, PRESIDENT OF AETNA FIRE COMPANY

At the organization meeting of the directors of the Aetna Hose, Hook and Ladder Company, held last night, Dr. George W. Rhodes was elected president to succeed John R. Fulton. Irving Durnall was elected vice-president, and R. Earl Ramsey and Warren A. Singles were re-elected secretary and treasurer, respectively.

To Call Police

Mark 405 on your phone book as the police number of the Town of Newark. This is Chief of Police Keeley's phone number. The number is not listed in the telephone book, as the phone was installed by the Council of Newark after the last issue of the telephone book was published. We are publishing this information in answer to a number of inquiries as to how to call an officer in Newark.

COLLEGE BILLS GIVEN TO HOUSE

University Of Delaware Asks \$405,000 For New Buildings And For Maintenance

Yesterday Representative Wayne Brewer, of Newark, introduced three bills in the House, of the State Legislature, asking appropriations aggregating \$405,000 for the University of Delaware. The bills will be referred to the appropriations committees of both the House and the Senate, and then will be discussed in the Budget Committee, which is composed of the two appropriations committees.

One bill provides for \$110,000 for the completion and equipping of the new engineering building now in course of construction. Two years ago the University asked for \$320,000 for this building and the amount was cut by the Legislature to about \$200,000, but the amount was not sufficient to erect the kind of building needed and consequently the extra appropriation was asked for.

One other bill requests \$185,000 for an office, class room and laboratory building at the Women's College, University of Delaware, and the third bill, \$190,000 for a gymnasium at the Women's College.

The University is also asking for an increase in its regular appropriation, in order that it can keep in force its advanced salary scale, which last year it was necessary to put into effect to stop wholesale resignations from the faculty. The emergency was met last spring by funds from private individuals, but now in order to keep its teaching staff intact, the University must have aid from the state.

No date has as yet been set by the General Assembly for its bi-annual visit to the University of Delaware.

NEGRO FATALLY SHOT AT ELKTON

Louis Warrington Instantly Killed During Quarrel; Assailant Held

Louis Warrington, 50 years of age, colored, was shot and instantly killed Saturday night in the home of Levi Shockley, also colored, Collins street, Elkton.

Shockley, who is an employee of the Pennsylvania Railroad, was entertaining several friends, and drinks were passed around among his guests. It is alleged that during a conversation, Warrington slapped Shockley's girl. This aroused the host's anger, and he dropped his guest to the floor with a blow on the head. Warrington, on regaining his feet, began carving Shockley's face with a razor. Shockley picked up a .45 calibre revolver and fired. The first bullet passed through his victim's head, killing him almost instantly. This was followed by several other shots, which went wide, lodging in the walls of the room.

By the time the shooting came to an end, Deputy Sheriff Bouchelle was on the scene and placing Shockley under arrest, had him removed to Union Hospital, where his condition is said to be serious. Shockley's face bears several long and deep cuts. Coroner Howard Green took charge of Warrington's body and will hold an inquest after Shockley's condition warrants obtaining a statement. The dead man for years had been employed as a fireman in the boiler rooms of the Jessup and Moore pulp works in Elkton.

KRAUT SUPPER

The Young Women's Home Missionary Society of the Newark M. E. Church will give a souper kraut supper in the banquet room of the church, Thursday evening, January 24. An attractive menu has been planned, as follows: Baked fresh ham, souper kraut, mashed potatoes, home baked beans, jellies, pickles, rolls, butter, ice cream, coffee.

SUMMARIZE EGG CLUB RECORDS

Give Averages For Year On Types Of Flocks; Flock Mortality Was 46 Per Cent

The Delaware Farm Egg Record Club summary for the year November 1, 1927, to October 31, 1928, has been prepared by H. S. Palmer, Poultry Specialist, and released for publication by County Agent Ed. Willim, Jr., of Newark. Along with this yearly summary is the report for November, the first month of the new Poultry Calendar year.

According to Mr. Palmer's report, showing the results of records received from 161 farms reporting for November, 1928, the pullet flocks averaged 7.4 eggs per bird, the hens 3.3 eggs per bird and the mixed flock showed 5.2 eggs per bird for that period of 30 days. "This average showing the pullets well ahead of the hens and mixed flocks (ones with hens and pullets together) ahead of the averages for the hens is a natural one at this time of this year," comments Mr. Willim on the report. "During this fall month," continues the County Agent, "the pullets are just coming into production, while the hens are moulting and probably in their rest period regaining their strength for another laying season. All layers must have a rest period and it naturally comes during the fall."

A new feature of the monthly summary furnished by Mr. Palmer to all members of the calendar keepers club will be figures indicating the per cent (Continued on Page 4.)

IMPROMPTU SPEECHES GIVEN IN ASSEMBLIES

High School Pupils Called On To Address School; School Closes First Banking Year

TAX ACCOUNT

Professor Ira Brinser, superintendent of the Newark Schools, has introduced extemporaneous speaking in the Junior-Senior High School assemblies. At each assembly a student and a faculty member is called on for a talk on a given subject.

At assembly, last Friday, Mr. Clair Meley spoke on "What Assembly Should Mean." Raymond McDowell spoke on "Wells' Outline of History," the "Book Found Most Interesting in the School Library." Kathleen Spencer told, "How I Learned to Spell."

At yesterday's assembly Laurence Brown gave a sketch of the life of Benjamin Franklin. Frederick Porter spoke on "Franklin As a Citizen." Music was furnished by a violin sextette, composed of Frank Mayer, Kathleen Spencer, Chauncey Wheelers, Whitney Day, Allen Lockton and Mr. David McMenamin. Roberta Leak played the piano accompaniment, while Marion Spencer played the cello and David Coverdale, the drums.

On Tuesday the Newark Schools closed their first School Savings Year, a system of school savings having been installed on January 19, 1928. (Continued on Page 4.)

COLLEGE HOUR SPEAKER

Mr. Harry N. Holmes, field secretary for the World Alliance of International Friendship, was the College Hour speaker in Wolf Hall, yesterday, at 11 a. m. His subject was "The Pacific Ocean, the Coming Center of International Activities."

The speaker was introduced by A. G. Wilkinson, business administrator, who prior to introducing Mr. Holmes, paid tribute to Dean E. Lawrence Smith, who died six years ago yesterday.

Mr. Holmes was entertained at luncheon by Dr. E. B. Crooks, who had worked with him in the Y. M. C. A., during the World War.

METHODIST MEN'S LEAGUE

The regular monthly meeting of the Men's League was held in the lecture room of the M. E. Church last Tuesday night and was well attended. Much business was transacted, followed by nomination of officers, Tuesday, February 19, being election. Mr. Francis Lindell, president of the League, gave a very interesting talk on the "Boundaries of the State of Delaware and Adjacent States." Refreshments were served.

Chamber of Commerce Dinner on January 31

At a meeting of the Board of Directors of the Newark Chamber of Commerce, held Tuesday evening, it was decided to hold the annual dinner meeting on January 31. A committee composed of R. W. Heim, E. C. Wilson and J. E. Dougherty was named to arrange the affair. The dinner will be held in Old College, and Zack Wells will be the main speaker.

GRANGE MASTERS MEET HERE TODAY

Will Discuss Program Of County Agent For 1929

A meeting of the Masters and Lecturers, or of their representatives, of the subordinate granges of New Castle County has been arranged by Pomona Grange Master Joseph Mitchell, of Hockessin, and County Agent Ed. Willim, Jr., of Newark. The grange representatives will discuss the County Agent's proposed program of work for 1929. The meeting will be held in Wolf Hall this afternoon at 1:30.

The following granges will probably be represented at the meeting. Harmony, Hockessin, West Brandywine, Center, Rose Hill, Diamond State (Stanton), Delaware (Newport), Union and Newark and New Castle Pomona No. 1.

Continuing the policy, inaugurated several years ago of discussing the program of work with the agricultural organizations of the county, as well as with groups representing various localities in the county and other groups interested in the county's agriculture, such as the County Bankers' Association, Mr. Willim expects to receive considerable help from these meetings on ways of making the County Agent more useful to the farmers of New Castle County. He plans to hold similar meetings with other interested organizations in the near future.

Among some of the features relating to livestock of the proposed program for 1929 to be discussed at this meeting will be, plans for organization of a cow testing association, the value and need of sweet clover pasture for dairymen, amount of alfalfa raised in the county and its value as a dairy roughage, and discussion of poultry industry in the county.

The crops discussion part of the program will probably center around the potato demonstrations, the treatment of wheat to prevent smut as well as discussion on the canning and truck crops of the county.

STUDENTS INJURED

Two University of Delaware students, Harold Plummer and C. C. Gerow, Jr., were injured yesterday morning when a car in which they were riding figured in a collision with a car driven by H. A. Lamphere, of Wilmington. The accident occurred on the Newport road near Stanton. Plummer's shoulder was hurt, while Gerow was cut on the leg.

The students were on their way to Newark at the time of the accident. In the car with them were three other students, Harold Linberger, M. Gerow and Harold Panoast, driver of the car.

Guggenheim Fund for Aeronautics Sends Certificate to Postmaster Evans

Thanks Him for Work in Having Newark Marked from the Air and Commends Town for Identifying Itself in This Way

Postmaster William H. Evans has received a certificate from the Daniel Guggenheim Fund for the Promotion of Aeronautics, and a letter from Harry P. Guggenheim, president of the Fund, thanking him for his efforts in having Newark marked so that it might be identified from the air. The certificate is signed by Harry Guggenheim and Charles A. Lindbergh.

About two months ago, the name Newark was painted in chrome yellow letters, 10 feet high, on the postoffice roof. This was done after Mr. Evans had had letters from Postmaster General New and Mr. Guggenheim asking that Newark be identified to flyers journeying overhead. The idea of marking towns in this way originated with Col. Chas. A. Lindbergh. About a month ago, Colonel Lindbergh, flying from New York to Washington, passed over Newark, and noting the letters, circled and swooped his plane in recognition of the marking. The work of painting the letters was done by Herbert Henning, who first drew them in from a scale drawing, which he had made.

CAESAR RODNEY AWARDED STATE BANKERS CUP

Newark High Team, Favored To Win Corn Judging Cup Permanently. Does Not Place

MIDDLETOWN SECOND

The results of the annual State Corn Judging Contest, held at Dover, Friday, January 4, in connection with the annual State Corn Show, have just been announced by the judges, Prof. George L. Schuster and Claude Phillips, of the Agronomy Department of the University of Delaware.

The Caesar Rodney High School Agricultural Department placed first with a team average of 72.02; with Middletown High School Agricultural Department second with a team average of 70.57; and the Bridgeville High School Agricultural Department third with a team average of 68.3. Newark High School, favored to win permanent possession of the cup this year, was not even in the money.

The prize cup, which was offered five years ago by the Delaware State Bankers' Association for the best corn judging team from Delaware high schools, was won the first year by the Seaford High School; the year following by the Newark High School; the third year by the Bridgeville School; and last year again by the Newark High School. Newark is the only high school having won the cup more than once. One of the rules of the contest is that the cup will be competed for each year at the State Corn Show until a school has won it three times, when it becomes the permanent property of the school.

PARADE WILL FEATURE FIREMEN'S CONVENTION

Ira Shellander On Parade Committee For Annual Meeting In Wilmington In July

Ira C. Shellander, of the Aetna Hose, Hook and Ladder Company, has been named a member of the committee on invitations and parade for the annual convention of the New Castle County Volunteer Firemen's Association, which will be held in Wilmington, July 10. At a meeting, held in Delaware City, Monday night, plans were drawn for the program of the convention.

The parade has been set for the afternoon of the tenth, and with the 34 companies in Delaware and the many guest companies from out of the state in line, it is expected that it will be the largest firemen's parade ever held in the State.

Each company in the Association is inviting a company from out of the state as its guest at the convention. Aetna has extended an invitation to a Coatesville, Pa., Fire Company.

The general convention committee will hold a meeting in the Aetna Fire House on Tuesday, February 5.

DR. EWING HONORED

Dr. Harvey W. Ewing and the Rev. Daston W. Jacobs, of Newark, attended the annual banquet and meeting of the Alumni Association of Drew University in Philadelphia, Monday night. Dr. Ewing was one of the speakers and was also elected vice-president of the association.

NEWARK YIELDS TO NEW CASTLE

Lose First League Games;
Boys, 23 To 10; Girls,
26 To 16

The Newark High School basketball teams got off to a bad start in the D. I. A. A. schedule, losing the first league games to New Castle by wide margins. The games were played at New Castle, last Friday evening; the Newark boys losing, 23 to 10; and the Newark girls dropping their game, 24 to 16.

The Newark boys held the New Castle five even for the first half, but in the second half Newark lost its grip and New Castle walked away with the game. Bowen and Moore were the scoring stars of the game, getting 10 tallies each. Smith and Holloway, Newark forwards, played some good basketball.

On Friday, Newark will play its second league games at Delaware City, both girls' and boys' teams playing.

NEWARK DROPS TWO GAMES

Local Baseball Team Suffers From Heavy Schedule

Newark's winning streak received a severe set-back during the past week, the team lost to Theta Chi, 31 to 22, in the college gym, and to the Polish Falcons, 38 to 25, in the Wilmington High gym. They partly made up for their two defeats by trouncing Scott M. E., 50 to 32, in the college gym Tuesday night.

In the Theta Chi game the Frat boys had it all over Newark. Newark made a belated second half rally, in which Bland starred, but the could not overcome the 19 to 6 first half score. McDowell, of Theta Chi, was the outstanding star of the game, his contribution was 18 points.

Against the Polish Falcons, Newark was indeed in bad form, the boys appear stale from too much basketball. The team has apparently undertaken a stiff schedule and are trying to crowd four and five games into

every week, which is some assignment for a team with a limited number of players. The Falcon center played the leading role by grabbing himself 14 points.

Back on their home floor in the college gym, Tuesday night, Newark recovered their lost stride by smothering the church boys; the game was not as close as the score indicates. Newark has secured a find in Boose, who, entering the game late in the second half, scored 10 points before the church team knew what hit them. Boose should be a big help for the balance of the year.

DREXEL DOWNS DEL. IN SPURT

Blue and Gold Five Outplay Rivals In First Half Of Game, But Lose Out In Second

A desperate rally towards the end of the second half gave the Drexel Institute basketball team a 34 to 26 victory over the University of Delaware in a game played, last night, in Philadelphia.

Delaware played a fast game in the first half with change of pace that often had the Drexel boys rocking on their heels, and at the close of that period the Blue and Gold were holding the edge. In the second half, Drexel came back with a rush that carried it across a winner. Jaquette, Delaware center, with 15 points, led in scoring for both teams. Score:

DELAWARE FIVE TAKES 2 GAMES

New Line-up Conquers Moravian College And Pratt Institute

Coch Rothrock, last week, shook up the University of Delaware basketball varsity line-up with surprising results. Changing Barton and Hill from forwards to guards and Roman and Holt from guard posi-

tions to forwards. The new combination cleaned up Moravian College, 45 to 12, on Friday night, and beat a fast, clever team from Pratt Institute, on Saturday night, 33 to 28.

The Moravian game was Delaware's all the way, although most of the scoring was in the second half. At the end of the first half the score was 10 to 5. Shortly after the second half opened Delaware ran its 10 points up to 29, and then the second team was sent in and continued the clean-up.

In a game following the Junior Varsity lost to the Coatesville Y. M. C. A., 44 to 32.

The Pratt game was fast and exciting from the first to the final whistle. The Brooklyn boys took the lead at the opening and held it up to the last few moments of the half, when the Blue and Gold spurred to tie the score at 16 points. In the second half both teams threw themselves into the game and the score saw-sawed until the last few minutes when two field

goals by Barton and one by LeCarpentier took the game.

The new line-up again showed to advantage in this game. Barton and Hill not only proved a close combination at keeping their basket safe, but managed to pile up points on the offensive. Roman and Holt paved the way for score with their fast and accurate passing.

In a preliminary game the Delaware Junior Varsity defeated Goldey College, 42 to 23.

Stanton

The Parish Aid of St. James' P. E. Church, met at the home of Mrs. Wm. H. Hollett, on Tuesday afternoon last, at which time the following officers were elected for the ensuing year: President, Mrs. F. L. Boynton; vice-president, Mrs. Charles Wilson; secretary, Mrs. Wm. H. Hollett; treasurer, Mrs. Norman Dutton. The usual committees will be appointed at the next meeting. Words of sympathy were sent to Mrs. Edward Murray, retiring secretary, whose husband is very sick, and also to Mrs. Charles Wilson, who is ill with the grip.

There were very few present on Wednesday night at the meeting of the G. F. S. on account of so many of the members being sick. Plans were suggested for the next year's work and will be discussed on Wednesday night next.

The Epiphany meeting of the Woman's Auxiliary of the Diocese was held at Old Swedes Church, Wilmington, on Thursday afternoon. The meeting was presided over by Mrs. Henry Higgins, the president, and very interesting addresses were made by the Bishop, who spoke on the work of St. Luke's Hospital, Tokyo, Japan; Mrs. Cook, of Washington, D. C., on the Church Periodical Club, and Mrs. Morris, wife of the Bishop of the Canal Zone, on the work in the Canal Zone. The following members of St. James' Branch were present: Mrs. W. A. Mitchell, Mrs. J. W. Mitchell, Mrs. A. J. Newlin, Mrs. R. C. Newlin, Mrs. David C. Rose, Mrs. W. M. Coverdale, Mrs. John Ford, Mrs. Chas. P. Dickey, Miss Isabella Wagner. Tea was served by the members of Old Swedes Branch. The devotional exercises were conducted by the Rev. Robert Bell, vicar of Old Swedes.

At a meeting of the Clergy, Superintendents and Church School Workers of the Diocese held in Old Swedes Church, Wilmington, on Thursday evening, January 10, the Department of Religious Education was organized. The meeting was presided over by the Bishop, Philip Cook, and the following officers were elected for the ensuing year: President, Rev. R. B. Mathews; vice-president, Mrs. W. D. Bradford; secretary, Mrs. T. C. Andrews; treasurer, Robert J. Foreman; Representatives, Wilmington, Wm. Lenderman; New Castle County, Miss Marion Brown; Kent County, Dr. Harry Holloway; Sussex County, Willy Trought. Those present from St. James Church, Stanton, were: Rev. E. A. Rich, Mrs. R. C. Newlin, Mrs. Wm. H. Hollett, Mrs. Chas. P. Dickey and John M. Lacey.

At the meeting of Unity Lodge, I. O. O. F., last Wednesday evening, words of regret were spoken on the sudden death of Goldsmith Nailor. He was prominent in the work and well-beloved by all who knew him.

The Building Commission of the new consolidated school met with Mr. Taylor of the Delaware School Foundation and the architect, Mr. Beetle, on Friday evening, and went over the plans for the new building. Some minor changes were suggested. They will endeavor to have the new building completed in time for the fall term.

On Wednesday evening last an aged colored man, James Brown, was struck while walking along the road between Newport and Stanton, and fatally injured. P. M. Benjamin, contractor, operator of the car, claims he did not see the man until he struck him. Brown was given first aid at the home of F. O. Keen and then taken to a hospital, where he died. Too much stress cannot be placed on the danger pedestrians incur while walking along our highways. Some scheme should be worked out whereby those who must walk have a safe place to travel.

On Saturday Frank E. Haley, special officer of the Law and Order Society, assisted by other officers, raided the home of Mr. and Mrs. Natal Di Buno, on the Ogletown road, near Stanton, and confiscated, it is reported, a 20-gallon still, 50 gallons of mash, and 8 gallons of the finished product. The Di Bunos were held under bail by Magistrate Black for the illegal possession of liquor.

Mr. and Mrs. Frank F. Yearsley, of Brandywine Springs, were the recent dinner guests of Mr. and Mrs. Chas. P. Dickey.

Mr. Gordon Newlin, of Claymont, was the guest of Mr. and Mrs. Clayton Lucas, on Sunday.

Mrs. Ellis Neville was a recent guest of her daughter, Beatrice Neville.

Mr. Andrew Bradley visited his brother, Wm. Bradley, on Sunday.

Miss Dorothy Jones visited her aunt, Mrs. Lydia Dennis on Sunday.

Mrs. Alexander and Mrs. Lockerman visited Mrs. Alexander's children at Sunnybrook Farm, on Sunday.

The following residents of the town are on the sick list: Lemuel Anderson, Mrs. Anna J. Wright, Harry A. Boulton, Miss Lora H. Little, Misses

Elkton and Neighboring Towns

The Circuit Court for Cecil County has refused to comply with the petition presented to it Friday, and signed by about a hundred persons, asking that the sentence of thirty days in the county jail at Elkton, imposed upon Norman Bakeoven, a young white man of Elkton, be rescinded. Bakeoven was indicted for manslaughter for the death of George McKenney, of North East, in an automobile accident along the Elkton-North East road, about a month ago. Besides being sentenced to 30 days in jail, he was fined \$100 and costs.

The firm of Brown and Lewis, dry goods merchants of Elkton, was declared bankrupt on Thursday. The first meeting of creditors will be held at the office of Henry L. Constable, Elkton, referee, on January 23. The bankruptcy petition was filed in the District Court of the United States for the District of Maryland. Robert D. Brown and James Alfred Lewis, members of the firm, are well-known business men of Elkton. Mr. Lewis is a member of the Board of School Commissioners. Former Clerk of the Circuit Court, H. Winfield Lewis, has been appointed receiver of the bankrupt firm.

Going as usual to the barnyard on his farm, located in the Sixth election district, near Farmington, Cecil county, Friday afternoon to drive the cows into the barn, preparatory to milking, Charles Fox, who with his brother Fred Fox, operated a large dairy, was attacked by their bull, a few seconds after he had driven the last cow into the barn. The farmer was forced into a corner in the yard, injuring him so badly that he died a short time later at his home. The bull, heretofore, had been considered quiet, showing no signs of attacking anyone.

Mr. Edward T. Murray returned from the hospital on Sunday. While much improved, he is still very ill.

The funeral of Blazio Vannicola was held from his late residence on Wednesday morning. Requiem Mass was celebrated at St. Anthony's R. C. Church with very Rev. J. Francis Tucker, pastor, as celebrant. Interment followed in Cathedral Cemetery. The pall bearers were Charles Dirose, Anthony Cirillo, Natalia Di Buno, Camillo Cimaricane, Lawrence Lorenzo, and Nicholas Schiallo. He is survived by his wife and four children, Patsy, Louis, Jacob and May. He was born in Italy but had been living in this country and this community for some time, and was well liked by all who knew him.

The people of the community are sorry to hear of the death of Mrs. Sallie E. Crawford, wife of George H. Crawford, which occurred from pneumonia, on Friday, January 11, at her late home near Stanton. She was a member of Trinity P. E. Church. The Rev. Frederick Kirkus had charge of the funeral service, which was held on Monday afternoon, January 14, from her late residence, with interment in the Wilmington and Brandywine Cemetery.

The Reading Circle composed of the teachers of the schools of Stanton, Newport, Sunnyside, Christiana and Brandywine Springs, met on Wednesday afternoon at the Henrik J. Krebs School at Newport. Miss Ella J. Holley discussed the teachers' retirement fund, which will be presented in the near future to the State Legislature for discussion.

The Woman's Auxiliary of St. James P. E. Church will hold their regular monthly meeting at the home of the president, Mrs. W. A. Mitchell, on Thursday afternoon, at 2.30. A full attendance is desired as business of importance will be brought before the meeting.

The Young People's Fellowship met at the home of Mr. William H. Bailey on Tuesday evening, January 15.

The Stanton Community Association will hold their regular monthly meeting in the Friends Meeting House on Friday evening, January 18. The entertainment committee has a rare treat in store for all.

Diamond State Grange will meet in the hall next Monday evening, January 21. A full attendance is desired as matters of importance are to be discussed.

The regular services will be held in Old St. James' Church on Sunday, January 20, Rev. E. A. Rich, rector. Church School at 9.45 a. m.; Morning prayer and sermon, at 11 a. m.; Young People's Fellowship at 3.30 p. m.

Miss Morton, County Librarian, visited the Stanton Library on Monday. These rural libraries are very popular and would be missed in the communities if the service should have to be discontinued.

ing elected the following directors for the ensuing year: Edwin S. Dorcus, Douglass J. Ayerst, A. H. Mendenhall, William J. Bratton, Thomas B. Miller, and John E. Gonce. The Board organized by electing Thomas B. Miller president; Edwin S. Dorcus, vice-president and cashier; George E. Brown, assistant cashier, and A. H. Mendenhall, secretary to the board.

Announcement is made of the engagement of Miss Annamay Cameron, daughter of Mr. and Mrs. A. J. Cameron, Jr., of Elkton, and Lewis P. McKinney, son of Mrs. Mary R. McKinney, of the Kennett Apartments, Wilmington. Miss Cameron is a graduate of Beacom College and is associated with the Wilmington Coal Merchant's Publicity and Information Bureau. Mr. McKinney is with the Pennsylvania Railroad. The wedding date is not announced.

The Cecil County Commissioners, at their office in Elkton, have announced the following district assessors upon approval of the supervisor of assessment: Cecilton district, William H. Brown; Chesapeake City district, William H. Brown; Chesapeake City district, George Conrey; Elkton district, Horace O. Reynolds; Fair Hill district, Arthur C. Willis; North East district, John Wulff; Rising Sun district, Robert Boyd; Port Deposit district, Edward Williams; Calverton district, Israel Reynolds; Calvert district, J. Edward Crothers.

A meeting of the officials and Board of Managers of the Tri-County Baseball League, was recently held in North East. The treasurer's report showed the league enjoyed a very prosperous season in its first attempt and it was voted to continue the circuit during the coming Summer. It was decided to divide the league funds among the eight clubs and checks mailed to each club showing an increase over the amount posted at the beginning of the past season. A meeting to effect an organization for 1929 will be called within the next few weeks.

Crosby P. Mews died at his home in Baltimore on Sunday, in the 80th year of his age. Mr. Mews was a former Elkton farmer and was well known in this community and Delaware. He is survived by his wife, Grace P. Mews, also a brother, Thomas D. Mews, and a sister, Mrs. Lucas, both of whom reside in Elkton. Funeral services were held Tuesday morning at 10 o'clock at his late home, and interment was at Elkton at 1 o'clock.

At the annual meeting of the Elkton Chamber of Commerce held Tuesday night, the following directors were elected for the ensuing year: D. J. Ayerst, Harry L. Croak, William J. Davis, Standley Evans, William C. Feehley, Carroll Gardner, John H. Minster, Robert J. McCauley, Harry W. Pippin, Daniel S. Terrell, F. du Pont Thompson, S. R. Andrews, G. Reynolds Ash, Murray Ewing and Carroll Eder. The board elected Standley Evans, president; D. J. Ayerst, vice-president; Harry Croak, secretary, and Robert J. McCauley, treasurer.

John Mitchell, janitor at the Elkton High School, died Tuesday in Union Hospital, from a paralytic stroke. He was about 65 years of age, and leaves a number of children.

DR. CLIFFORD C. LAWS, CHESAPEAKE CITY, DIES

Dr. Clifford C. Laws, 52, prominent Chesapeake City physician, died at the Union Hospital, Elkton, Monday, of stomach trouble for which he was operated upon ten days ago.

Dr. Laws, a graduate of the University of Maryland, was president of the Cecil County Medical Society, a director of the People's Bank, Elkton, and a director of the Mutual Fire Insurance Company. He also served as a town commissioner at Chesapeake

City. He was a large property owner and was considered wealthy.

His wife and a brother, the Rev. Curtis Laws, of Brooklyn, N. Y., survive him.

Funeral services will be held on Thursday afternoon at two o'clock, in the Presbyterian Church, Chesapeake City. Interment will be in Bethel Cemetery.

20 HOMEMAKERS MEET WITH HOME AGENT

Twenty farm home makers from eleven communities in New Castle County met in Wolf Hall, Manday afternoon, January 14, at 2 p. m., to advise with Mrs. Kate Henley Daugherty, County Home Demonstration Agent, regarding her program of work for 1929.

Representing the various communities were Mrs. J. L. Ford and Mrs. Delaware Wright, of Cooch's Bridge; Mesdames Homer Vincent, Henry Eastburn, A. H. Vincent and Mrs. R. E. Diekey, of Christiana; Mesdames Howard Williams and Lewis Stafford, of Oglethorpe and Stanton; Mrs. Horace Dennison and Miss Emily Mitchell, Hockessin; Mrs. John Niven, Milford Cross Roads; Mrs. George Ely, Greenville; Mrs. Hamilton, State Road; Mrs. Harry Seaman, Taylor's Bridge; Mrs. Dilworth Vandegrift, Odessa; Mesdames J. C. Alston, Eugene Minter and J. D. Reynolds, of Middletown; Mesdames Edwin Vogel and George Woodkeeper, Blackbird.

The home makers at this conference considered the problem, "Wife Saving Kitchens," as the biggest problem before the home makers today, and they feel that at a slight cost every rural kitchen can be made more convenient. They unanimously approved the program as outlined by the Home Demonstration Agent, Mrs. Daugherty.

"It is through conferences like the one held here Monday that I am better able to determine the real needs of the home maker throughout the county," says Mrs. Daugherty. Similar conferences to this will be called at other times during the year.

Wawa	0	6	.000

Minnehaha is ready to entertain the Red Ladies next Tuesday night, and would like to see a full attendance. The men's wives who are not members are also invited.

SUMMARIZE EGG CLUB RECORDS

(Continued from Page 1.)

of birds died and sold during the month. The mortality for pullet flocks during November was 1.3 per cent with 1.1 per cent in the hen flocks.

In the yearly report for the club the Poultry Specialist has prepared the following statement:

One hundred and twenty (120) poultrymen sent in all twelve of their monthly report cards and thus have a complete record for the year ending October 31, 1928. On these 120 farms there were 56,455 layers, November 1, 1928, of which only 30,494 birds remained, October 31, 1928. This shows that 46 per cent of the birds were either culled and sold or had died during the year. The pullet flocks lost 45.1 per cent culled and died, the mixed flocks 47.9 per cent and the hen flocks only 37.7 per cent, showing that hens are a safer investment than pullets or mixed flocks.

Just how many of this 46 per cent, or 30,494 birds, were sold and how many died is not known. The yearly summary of the Connecticut Home Egg-Laying Contest for 1927-28 shows a decrease of 69 per cent of the birds during the year—55.3 per cent were culled and sold and 13.7 per cent died. Delaware calendar keepers are urged to send in accurate reports on the number of birds died and sold each month in order to get some information about the percentage of birds that die and are culled in this state.

The average annual egg production on these 120 farms, based on the average number of birds on hand each month, was 150.3 eggs per pullet, 123.8 eggs per hen and 138.5 for mixed flocks. This is an increase over the previous year's record of 5 eggs per pullet, and a decrease of 10 eggs per hen and 2 eggs per bird in mixed flocks.

Based on the original number of birds on hand November 1, 1927 (total eggs for the year divided by the number of birds on hand November 1, 1927), the average production for the year was 120.7 eggs for pullets, 101.6 for hens and 104.2 for mixed flocks. This is the real test of a flock because it shows whether or not the birds have the vigor and are properly cared for to lay heavily without breaking down. It is easy for a poultryman to get a high average production month by month by keeping all the quitters culled out, but it takes real birds and real poultrymen to keep from having so many quitters show up in the flock.

WILMINGTON'S GREATEST AUTO SHOW STARTS MON.

Wilmington's fourteenth annual automobile show which will be held in the new armory, Tenth and du Pont streets, the week beginning January 21, will be the biggest affair of its kind in the history of the Wilmington Automobile Trades Association, sponsors of the exhibition.

Eighty-one applications for space have been received. The display will be devoted only to automobiles—there will be no side exhibits of accessories.

Blue and gold is the color scheme for the decorations, which will be elaborate and quite novel. An orchestra of ten pieces will play daily. The show hours will be from 11 a. m. to 11 p. m.

One of the most attractive features of having the show in this place is the fact that there is plenty of parking space in the vicinity for automobiles. Trolley cars also run directly to the armory.

LOCAL PEOPLE ATTEND CHEMICAL SOC. MEETING

Mr. and Mrs. George Baker, Mr. Philip Myers, Mr. Gerald Gilligan, Dr. Quacstra Drake, Dr. A. S. Eastman and Mr. and Mrs. Duncan Hollingsworth attended the meeting of the American Chemical Society which met Wednesday evening in Wilmington.

The two speakers, who were from the Air Reduction Sales Co., gave demonstrations with liquid air, which has a temperature of 312 degrees below zero. They froze hot dogs which, when taken out, were broken with a hammer. Carnations were immersed, which crumbled into dust when touched. A finger, if placed in it for 15 seconds, would snap off.

The feeling, when coming in contact with liquid air, is the same as putting your hand on a red-hot stove. Movies were given showing how it is manufactured and the practical application of it.

Ambulance Fund Donation

Warren Singles, treasurer of the Newark Ambulance Fund, has received a sum of \$24.18 for the Ambulance Fund from the class of 1928, of the Newark High School. This sum was very welcome, for there is still money owing on the purchase of the ambulance. Money for the ambulance was raised by popular subscription, and the ambulance is housed, operated and maintained by the Aetna Hose, Hook and Ladder Company.

Lodge Notes

Ivy Castle, K. G. E.

Last Saturday night a large crowd turned out to witness an initiation of candidates into Ivy Castle. The fine performance of the crack degree team was much enjoyed by all present. Next Saturday night, January 19, installation of officers will take place. The quait games are attracting great interest and enthusiasm.

Ivy-Crow Lodge (Ladies of the K. G. E.) also had an initiation last Saturday night, the second for the month, followed by nomination of officers, and short talks by several of the members. Installation will be held Saturday night, January 26.

Pythian Sisters

Jr. O. U. A. M.

Forty red-blooded Americans assembled around the fireside Monday evening at the session of American Flag Council No. 28, Jr. O. U. A. M. Councilor Smythe was very busy as all were anxious to speak. New members were pledged. The Council shows a large gain during the past year. Brother Dempsey and his troupe held a pleasing recital after the business session. All is now ready for next Monday night. First, there will be a short session in the Council chamber at 7 p. m. Then the Council will go to the New Century Club building, for their 32nd anniversary. Guests of honor will be Past National Councilor Walters; National Secretary Wilmetts; National Organizer Charles B. Semken. Brother Norton has made extensive plans with his committee to care for the inner man. All members of any Council, Jr. O. U. A. M., will be welcomed.

On Monday evening, January 28, Brother Hope, of Delaware City, will install the new officers. Last Tuesday American Flag Council took a large class to Wilmington to have the various degrees conferred. A Neal Smythe, Councilor.

Odd Fellows

Last Thursday night Friendship Odd Fellows, from Hockessin, visited Newark to play quait, and trimmed the home team three out of five. All games were very close. After the games, all went to Powell's restaurant for a banquet.

William A. Marra, Deputy Grand Master, with his staff, visited Morning Glory Lodge at Smyrna, last Friday night, and spent a fine evening.

Captain McFarlin is well pleased with his quait team, which has lost only one series. Wednesday night Oriental went to Eden in Wilmington, and took three straight games. Millard Ritchie won first prize.

K. of P.

Oseola Lodge, No. 5, Knights of Pythias, on Monday evening held installation of officers, Deputy Grand Chancellor Boyce of Adelphi Lodge, of New Castle, and staff, doing the honors.

There were several good talks by the Deputy Grand Chancellor, Past Grand Chancellor Frank W. Fisher of Wilmington, and others, after which refreshments were served. The following officers were installed:

Chancellor Commander, Frank H. Balling; Vice Chancellor, Leon Tryens; Prelate, Frank Durnall, Master of Works, Willy Von Ehren; Master of Arms, Arthur Walters; Inside Guard, Harold Grant; Outside Guard, James Harkness; Keeper of R. and S., Harvey G. Downes; Nora, Blanche Malcom. Anne Walker is coaching the play. Hazel Chapman and Marian Pugh are in charge of costumes. Blanche Malcom is manager of properties and stage settings. A very interesting performance is promised by those in charge.

At a student meeting held last week, it was voted to make the tentative light rule, which was put on trial in October, a permanent rule of the Student Government Association. This rule provides that no one shall leave her room after 10 o'clock at night, except in case of an emergency, and that absolute quiet shall be maintained after this hour, but each girl may keep her light on as long as necessary. Formerly all students were required to have their lights out at 10 o'clock to insure quiet in the buildings.

Miss Lulu Richardson, formerly of the French Department of Women's College, and now of Wells College, was a Newark visitor on Wednesday and Thursday of last week. A tea was given in her honor by Miss Edith McDougal on Thursday afternoon in the Faculty Club rooms, with the following faculty members present: Misses Quasita Drake, Rebecca Gallagher, Rena Allen, Mary Gillespie, Alice Van de Voort, Serene Temple-

man, Rachel Taylor, Beatrice Harts-horne, Nora Bean Keely, Harriet Baily, and Mrs. Helen Kennedy.

The Athletic Council met for a short business meeting on Thursday evening. Plans were made to hold a membership and discussion meeting in the near future. Mary Tomlinson, who recently attended the National Amateur Athletic Federation Conference at New York City, will give a formal report of the proceedings there. Because of the uncertain weather conditions and the imminence of examinations, plans for soccer have been postponed till some time in February.

The Home Economics Department is now showing a collection of embroideries, which was lent by The Needle and Bobbin Club of New York. The collection includes specimens of hand-work from the sixth century to the eighteenth century inclusive. It is the work of natives from Arabia, Turkey, Spain, China, Japan, France, and India. Miss Rachel Taylor, through whom this exhibit was obtained, gave her class in art appreciation an opportunity to give the embroideries a closer inspection before they were placed in the show cases.

Miss Stradley, of Philadelphia, formerly of the faculty of Wellesley

College, was the guest last week of Miss Edith McDougal. She visited some of the French and English classes on Friday.

"Beyond all Expectations!"
---say those who have seen the
Outstanding Chevrolet
of Chevrolet History
--a Six in the price range of the four!

The Outstanding Chevrolet of Chevrolet History has now been seen and inspected by millions of people in every section of America—and everywhere it has been hailed as exceeding all expectations.

Many looked forward to finding a motor of exceptional design—but none expected a six-cylinder valve-in-head engine which develops 32½ more power than its famous predecessor, higher speed and faster acceleration and which delivers better than 20 miles to the gallon of gasoline.

Many anticipated numerous factors contributing to ease and safety of control—but were amazed at such quality car features as full ball-bearing steering mechanism with latest flat-type wheel, foot controlled headlamps and newly designed, quiet, easy-acting four-wheel brakes.

Many were confident that the new Chevrolet would be a comfortable car—but were delightfully surprised to find such outstanding comfort features as adjustable driver's seat in all closed models, fully cushioned seat backs and larger, roomier bodies.

And although everyone expected that

Fisher genius would contribute a new note of beauty in the new Chevrolet—no one ever dreamed that it would be possible to achieve in any low-priced car the elements of beauty, luxury and safety so worthy of direct comparison with the finest and costliest automobiles.

If you have not already made a personal inspection of the new Chevrolet, we urge you to do so at your earliest convenience. The beautiful new models are now on display on our showroom floor—and you are cordially invited to call.

The Pleasant-Summit W. C. T. U. held its regular monthly meeting last Thursday afternoon at the home of Mrs. Elva Jacobs. The meeting opened by singing; minutes of the last meeting were read. Several sick calls were made during the month and cards are to be sent to sick ones in the members' families. The following officers were elected for the ensuing year: President, Mrs. Elizabeth H. Evans; vice-president, Mrs. Katherine Kane; secretary, Mrs. Sadie Robinson; press reporter, Mrs. Elsie Kane, superintendent of White Ribbon Recruits, Mrs. Marie Biddle.

The County President, Mrs. Kate Dougherty, was present and gave an interesting and instructive talk, and mapped out work for the year, urging all to seek new members. A committee was appointed for that work. Roll was called, eleven members responding with a verse of scripture. Two visitors were present. The meeting adjourned to meet with Mrs. Susan Roberts in February. Refreshments were served by the hostess.

to all our friends and patrons:

we take pleasure in announcing that our

eleventh annual february furniture sale

will open at 9 a. m.

Saturday January 26

(patrons days january 23 to 25)

to those who have not yet made the acquaintance of this store, we may say that it is unique inasmuch as there is not another like it in policy in a radius of two hundred miles.

here money talks, for we sell for cash. the year around prices of this store are not only lower than many sale

prices, but by strict comparison are always the lowest in the city. they are so guaranteed by us.

on top of these low prices now come the february reductions, with their consequent important savings — affecting every bit of furniture in every nook and corner of this great new store.

Christiana

Rev. Preston W. Spence, Jr., pastor of the Methodist Church, used stereopticon views to illustrate his sermon Sunday evening, taking as his subject "Americans in Action."

Beach, California, on February 2, to make an extended visit at the Coverdale home here. Mrs. Dunsprey, accompanied by her 8-year-old daughter, will make the trip by water, through the Panama Canal and on up the coast to New York. Commander Dunsprey, in the meantime, will be with the U. S. fleet in South American waters, for the regular winter maneuvers.

Mr. and Mrs. John W. Moore quietly celebrated their twenty-third wedding anniversary at their home here on Sunday. During the afternoon and evening they entertained a number of relatives, as follows: Mrs. Moore's mother, Mrs. Taylor, Mr. Thomas Taylor of The Cedars, Mr. Moore's mother, Mrs. Mary Moore, Mrs. Mary Dresh and daughter, Minerva, Mr. and Mrs. Wright King and children, Mr. and Mrs. Raymond Dickerson and daughter, Mr. and Mrs. G. Houston Bishop, and Miss Anne Moore, all of Wilmington.

Mr. and Mrs. John Levey spent Sunday at Elkton, the guests of their daughter, Mrs. George Hopkins.

Mr. and Mrs. Harry Appleby and family, of Red Lion, visited Mr. and Mrs. William Howell, at their home here on Sunday.

Mrs. George Barrett, of Edge Moor, was for several days last week, the guest of her mother, Mrs. Amy Miller.

Miss Alice Phelps, a student at Drexel Institute in Philadelphia, spent the week-end at her home here.

Miss Essie Levey returned to Elkton on Sunday, after spending the past week at the home of her parents, Mr. and Mrs. John Levey.

Mr. Ralph Leasure, of this place, accompanied by Miss Beulah Leasure and Mr. Wilbur Leasure of Glasgow, spent Tuesday in Philadelphia.

Eastburn Brothers, local hauling contractors, are building a garage for the winter housing and overhauling of their large fleet of trucks. The building is being erected near the home of their father, Mr. J. T. Eastburn, on the road to Cochrane's Bridge.

Mr. and Mrs. H. A. Phelps had as their guests on Tuesday evening, Mr. and Mrs. Thomas Appleby, of near New Castle.

Mr. Frank Moody, of Silver Hill Farm, was installed as Worthy Steward of Delaware Grange at Newport, on Monday evening.

It has been learned that Mr. J. Andrew Moore, who recently died at the

age of eighty-five years, served in two different companies in the Civil War; first in the Third Illinois Cavalry, from which he received honorable discharge; and later, on his return home, he re-enlisted, this time in the Seventh Delaware Infantry. He is survived by three sons, Frank J., John W. of Christiana, and Joseph T.; five daughters, Mrs. Mary Drest, Mrs. Elizabeth King, Mrs. Minerva Bishop, Mrs. Louise Dickerson, and Miss Anne Moore; and twenty-one grand children. If he had lived till June 25 of this year, he and his wife, Mrs. Mary E. Moore, would have celebrated their golden wedding.

Mrs. Sadie E. Appleby has been housed with a severe cold.

Mr. Charles Barrett was confined to his home by illness the early part of this week.

Mrs. E. R. Louth and her daughter, Frances, were reported on the sick list this week, both suffering from grip.

Paul, the young son of Mr. and Mrs. Clifford Ayars, is convalescing at his home at Milford Cross Roads, after having his tonsils removed. Mr. Ayars is a member of the firm of Ayars Brothers, conducting a general store here.

Miss Lorraine See has lately recovered from an attack of grip which confined her to the house for several days.

Naomi, the four-year-old daughter of Mr. and Mrs. William Howell, is improving after a siege of grip.

Mrs. Harriett Biddle, a life-long resident of Bear Station and its vicinity, died at her home at Bear on Friday, January 11. Funeral services were held at the home on Tuesday afternoon, followed by interment in the Christiana Presbyterian cemetery.

Mr. George D. Whitfield, known by many of the people of this community, where he lived for many years on the farm now owned by Mr. Frank Moody, died unexpectedly at his home at New Castle last Friday evening, after an illness of only a few hours. He is survived by his wife, Mrs. Sarah E. Whitfield; one daughter, Mrs. Helen Ewing, who has made her home with her parents, and one son, Lieut. James H. Whitfield, an instructor at the U. S. Naval Academy at Annapolis. Funeral services were held Tuesday morning, with interment in Riverview cemetery.

Word has been received here of the death, in Buffalo, N. Y., on January 12, of Mrs. Katherine C. Smalley, widow of the late William F. Smalley.

The funeral was held Wednesday morning at the home of the Misses Pennington, in Wilmington. Burial was in the Presbyterian cemetery at Christiana.

Simplicity of cooling system is a feature of the new Ford

A COMPLETE water plant is a part of every automobile as it is a part of every modern city.
The purpose of this water plant is to keep the engine cooled to a temperature that will make it efficient in operation. If it were not for this, the cylinder walls would become overheated and the pistons refuse to operate.
The cooling system of the new Ford is particularly interesting because it is so simple and reliable.
When the radiator is full of water, the engine of the new Ford will not overheat under the hardest driving. Yet the water is so regulated that it will not impair engine operation by running too cold in winter.
The cooling surface of the Ford radiator is large, with four rows of tubes set in staggered position so that each receives the full benefit of the incoming air. The fan is of the airplane propeller type and draws air through the radiator at the rapid rate of 850 cubic feet per minute at 1000 revolutions per minute of the motor.
The hot water around the cylinder head is drawn to the radiator to be cooled by a centrifugal water pump of new design.
The entire cooling system of the new Ford is so simple in design and so carefully made that it requires very little attention.
The radiator should be kept full, of course, and drained once each month so that sediment will not collect and retard the free passage of water. In cold weather, a reliable anti-freeze solution should be added.
As owner and manager of this important water plant you should also see that the water pump and fan shaft are properly lubricated and the packing around the pump shaft kept in adjustment.
Hose connections may also need replacement after long service. For those little adjustments, it pays to call on the Ford dealer.
He works under close factory supervision and he has been specially trained and equipped to do a thorough, competent job at a fair price.

NEW CENTURY CLUB

The bi-monthly informal meeting of the New Century Club was in charge of Mrs. J. Pierce Cann. The first number was given by the Choral Society, led by Mrs. J. O. G. Duffy. The numbers given were Caledonian Cradle Song, Brahms Lullaby and Good Night (Round in three parts). After these enjoyable selections, Mrs. Cann gave a synopsis of the outstanding events during 1924. She spoke of the Presidential election, the Navy Bill, the Kellogg Treaty, the illness of King George, the settlement of the dispute between Bolivia and Paraguay, the position of Mussolini has made as a dictator, the establishment of the Antarctic explorations, the increase in wage and the decrease in working hours. Mrs. Cann stated that any of these subjects would be worthy of discussion, but she had taken a subject which women should know more about, the Delaware State Law on inheritance. Mrs. Cann read the law, pausing after each section when there were questions asked and that section discussed.

A most interesting point brought out was the right a person has to bequeath his personal property any way he or she sees fit, but the real estate must go one-half to the wife or husband as the case may be. When to the wife it is known as dower rights, to the husband as curtesy. After life interest expires with either husband or wife, the estate goes to the children in equal parts. This is in case there being no will before the division of the property.

This discussion was followed by the orchestra, which played "The Sleigh Ride Symphony," by F. K. Chortel, written for a children's orchestra and which was played by toy instruments, such as the mandolin, bells, horns, sand boards, vocophone (combs), tambourines and xylophone. The solo parts were taken by Mrs. Robert Spencer, who played the trumpet. Mrs. P. K. Musselman and Mrs. Thomas Malin, who played the vocophone. Miss Nell Wilson was at the piano. This orchestra of twenty-four selected musicians drove such weighty problems as inheritance tax from our minds. The snap and go would have done honor to any orchestra.

The next meeting is the regular bi-monthly meeting at which Dr. W. O. Sypherd will speak.

Men, like bullets, go farthest when they are smoothest. — Jean Paul Richter.

Marshallton

Miss Edith Williams, daughter of Mr. and Mrs. Eugene Williams, was removed from her home to the Delaware Hospital on Sunday night suffering from appendicitis. Miss Williams underwent an operation that night and is now said to be resting comfortably.

Mrs. Elmer R. Broadbent, who was removed to the Delaware Hospital last Thursday evening for an operation, is now much improved.

Mrs. York Smith, daughter of Mr. and Mrs. Isaac Mackinson, is recovering from an illness of grippe at her home in Wilmington.

Funeral services for Mrs. Florence A. Allen, wife of Merriman Allen, were conducted from her late home in Oak Grove on Saturday afternoon. Interment was in Silverbrook Cemetery. Mrs. Allen is survived by her husband and six children. She was a sister of Mrs. L. Cloud and Mrs. Scott Norris, of Marshallton.

A five hundred card party will be held in the fire house by the Mill Creek Hundred Fire Company this evening. Games will begin at 8.

E. R. Hawke was elected president of the Green Dragon Dramatic Club at their meeting last Friday evening. This club is a unit of the Mill Creek Fire Company. Other officers elected were James Matta, vice-president; Mildred Dougherty, secretary, and Ralph Brown, treasurer.

Mrs. William Seal has been seriously ill in the Homeopathic Hospital for several days, suffering from pneumonia.

Mrs. Scott Norris was removed to the Physicians' and Surgeons' Hospital last Thursday, suffering from a severe attack of the grippe.

Bayard Gregg, while skating near here several days ago, suffered a frozen foot and was removed to the Delaware Hospital on Monday evening for treatment.

Harmony Grange met on Monday evening at the home of Mr. and Mrs. Harry Harrington, with a very small

JANUARY CLEARANCE AT SACHS BROTHERS

Sale Opens With Remarkable Reductions on Credit Purchases

January is the month of months for bargain hunters—and at no other

turnout. In the regular order of business an order for grass seed was ordered opened and kept open until the first meeting night in February. A letter from Ed Willim, County Club Agent, announcing a meeting to map out work for the clubs, was read. The Worthy Master was appointed to attend this meeting. Miss Emily Mitchell gave a report on the meeting called last Monday by Mrs. McKinley, State Home Demonstration Agent, and Mrs. Daugherty, County Home Demonstration Agent, in the interest of homemakers. Brother George Ball, reporting on the work of the executive committee of Pomona Grange, stated that I. G. Klair had been elected from Harmony Grange as a member of the legislative committee of Pomona. Mention was made of the meeting of Pomona of Kent County, Thursday, January 17, at Dover.

Announcement was made that the Grange Hall should be ready for occupancy in two weeks. No announcements have been made concerning the dedication of the hall. The next meeting will be held with Mr. and Mrs. Harrington.

Many of the members reported sick and now improving, with the exception of Mrs. Lena Naudain, who is suffering with neuritis. The secretary was instructed to send greeting cards to all on the list.

The program of the evening, in charge of Miss Emily Mitchell, opened with singing "Our Delaware," by the grange. Each member present was then asked in turn to relate an incident of his or her first day at school. These proved very amusing. After the close of the program, sugared popcorn and toasted marshmallows were enjoyed.

Personals

Mr. and Mrs. J. Walker Pennington spent Sunday with Mr. and Mrs. Sam Chambers, of Mt. Cuba.

Among the Sunday callers at the L. H. Pennington home were Mr. and Mrs. Garland Poits and daughter, and C. L. Walker and family, of Wilmington. Mr. and Mrs. Harry Harrington, and Mr. and Mrs. Newton Chambers.

Mrs. Wm. P. Peach and Miss Carolyn Peach were dinner guests of Mr. and Mrs. B. L. Dickey, of Wilmington, on Sunday.

The meeting of the Parent-Teacher Association of Harmony School has been postponed until Wednesday of the coming week.

JEWELRY BARGAINS AT SACHS'

place are savings greater than at Sachs Brothers, the well-known credit jewelers, located at 602 Equitable Building, Wilmington. These boys have always been known for their policy of selling on credit terms but at cash prices. This sale brings their remarkably low prices lower by a sale discount of 20 per cent—and you can still get the same easy credit terms.

Now is the time of all times to buy that long wanted watch or diamond ring—or if there is a birthday or a wedding in prospect during the next few months, now is the time. Select the gift you want to give, make a deposit on it and when the happy day rolls around you will have a gift to present that will be something to be proud of.

Sachs Brothers have always claimed that they were a first aid station for gift-givers. No fortune teller is required to render this service—just drop in on the Sachs Boys. Gift selecting is a perplexing business to most people; not a single gift idea pops into the anxious giver's head. Why spend wretched days and nights in desperate thought without reaching a decision on the momentous question when it is so much easier and simpler to spend a few minutes with the Sachs Boys. For there is a wondrous galaxy of gifts. Gifts that reflect credit on your good taste; gifts without equal, and yet secured on the famous Sachs Credit Terms and more especially during the great January Clearance Sale!

SPRING REGISTRATION AT HINES BUS. SCHOOL

With the close of the first semester in the High Schools and Colleges in this vicinity, registration at the Hines Business School, 402 West Twenty-second street, Wilmington, always increases. Many high school graduates desire to get a business training and often college students find themselves unable to continue their course. The natural and most practical thing for them to do is to take a business course.

The Hines School offers complete stenographic, bookkeeping and secretarial courses under the direction of Mr. Hines, who also conducts a school in the Fox Building, Philadelphia. At the Hines College it is not necessary to go in a class. You enter at any time and progress according to your own energy and ability, guided by Mr. Hines' instructions.

To any one interested Mr. Hines will send full details of his method of instruction, rates, etc.

CANN BROS. TO PRINT SCHOOL PUBLICATIONS

Cann Brothers and Kindig received last week contract to print 5000 copies of a 16-page catalogue, 9 by 12 inches, for a tile concern. The job will be a

Cann Brothers are now printing the "Whisp," publication of the Wilmington High School, and has the contract to print the Delaware College bi-annual, the "Blue Hen."

JOS. F. EMORY BOOKS FOREIGN PASSAGES

Several foreign passages were booked by Joseph F. Emory, steamship agent at 411 Market street, Wilmington, during the past week. Arthur F. Brown, an official of the Delaware Rayon Company, of New Castle, will sail on the Aquitania from New York City on February 1, for France. He will sail on his return trip February 27, on the Berengaria.

Major Hubert Jurjewicz, of the Polish army, sailed yesterday on the Ile de France for his native land. Major Jurjewicz, who is a chemist, was sent here by the Polish government to supervise the purchase of powder from the du Pont Company. He came here nine months ago. A tragic event in his trip here was the death of his wife, who came with him a few weeks after their arrival.

Mr. Emory also engaged passage for Mary Bodnar, domestic for Louis Topkis, who will sail on Tuesday from Baltimore for Miami, Fla., on the "Chatham." On the same boat will be Mr. Topkis' automobile. Mr. and Mrs. Topkis are going to the Miami resort by rail.

Mr. Emory reported 1924 as a very successful year. While the business in foreign drafts showed a slight increase over that of the previous year, the booking of ship passages increased considerably. Engaged in this business for many years here, Mr. Emory is in a position to give personal service to bookings on all transatlantic lines.

Cabriolet," states Mr. Drake, of the Drake Motor Co., the local Chandler distributor.

"Feeling there is a definite demand existing for a motor car incorporating the many advantages of the roadster type of automobile, with the added convenience of closed car comfort, Chandler now is building a Cabriolet on the Royal Eight, Big Six and Special Six chassis.

"Custom built throughout, the bodies of the Royal Eight and the Big Six Cabriolets truly bespeak the individual beauty of Chandler coachwork. Swung low, with tailored body and body contours blending into perfect harmony of composition, the Cabriolet wins admiration in the best of company, on the boulevard, at the City Club or Country Club," further states Mr. Drake.

"Finished in sparkling duette colors, with sportive equipment such as nickel bullet head and cowl lamps and landaulet arms, it is indeed a car of character, style, and individuality. The top can be had in either black or khaki, at no extra charge. When the weather is warm the top can be folded back, providing the refreshing coolness of a roadster.

"Upholstery with the Chandler Royal Eight and Big Six Cabriolets a smart champagne colored pique. The door panels and instrument panel throughout are beautiful creosote walnut and harmonize perfectly with interior trim. Spanish leather is used with the Special Six Cabriolet.

"In the wide, high backed drivers seat two passengers can be seated in restful comfort. When the party is four the rumble seat can be called into service. It accommodates two additional occupants.

"When the rumble seat is used the back flap of the top can be spread, allowing congenial conversation with the passengers in the driver's seat.

"All the cabriolet models of the various Chandler series incorporate Westinghouse Vacuum Brakes, One Shot Lubrication system and the motors embody the notable Chandler high compression Pikes Pike pump principle.

"A complete display is on exhibition at the salesrooms located at 111 Concord avenue, Wilmington. Phone 10619 for a demonstration."
