Recreation Ass'n Announces
Summer Program Activities

Leisure-Time Program For Newark Area To Include 16
Different Activities; Major Phase To Open June 21
With Fishing Derby; Playgrounds To Open On June 23

Plans for 16 different recreational activities for the
summer were announced today by the Newark Recre-
ation Association for local leisure-time activities from
Memorial Day through Labor Day. The major summer pro-
gram will open June 21 with the Junior Fishing Derby for
boys under 16 years of age, and swimming classes
sponsored by the University of Delaware, the Recrea-
tion Association and the YMCA will
begin June 23 for a five-week period
instruction covering beginners
and instructors' aides.

Already underway is the Recrea-
tion Association's 16 teams for
boys 12 years of age who are not
playing organized baseball.
The teams will begin play June 9.
The fourth league, the Majors, has
been selected.

The Saturday Night Dance will
begin during the summer on a
regular basis with novelty dances
for all youth of high school
age in the Newark area.

The Youth Center will open June
10, and on Monday, Wed-
nesday, Thursday, and Friday from
10:30 p.m. to 11 p.m. for teenagers in
the area and senior high school.

Public outdoor dances initiated
this year will be held on Tuesday
evenings from 8:30 to 11 p.m.,
except Labor Day.

Tennis Instruction

A five-week tennis instructional
program starts July 28 under the
direction of instructor and assistant
instructors. The program will
begin with a series of clinics
and will culminate in a
tournament. The program is
sponsored by the Delaware Lawn
Tennis Association for residents of
the Newark area.

The playground program opens
on June 23 for eight weeks, and the
regular playgrounds at the West
Side and New London Avenue
playgrounds, Brookside and Ches-
nut Hill Estates, will be staffed with
leadership, both a man and a
woman director. This year all play-
grounds will be open for full day
operation. Brookside and Ches-
nut Hill Estates, Brookside and
Chesnut Hill Estates, and Ches-
nut Hill Estates, afternoon programs.
The regular playground program
is planned for the "Medallion"
playground with dual leadership,
from 10 a.m. to 4 p.m.

In addition to the seven play-
grounds, the association will main-
tain and operate Rittenhouse Park,
a tract of public parkland,
entrances, picnic
area, and swimming pool, have
made. Two qualified lifeguards
will be on duty weekends and dur-
ing periods of heavy use. One
will be on duty at all times.
Rittenhouse Park is open from
10 a.m. with supervised swim-
ming from 1 to 6:30 p.m.

Young Storyteller

Young storyteller will travel
playground circuit in the after-
noon during the regular play-
ground hours. Stories, charades and
mini-dramas for the younger
children have been planned.

On a mobile basis, is the
crafts director, with a
program of creative, yet simple
crafts for the artist and crafts-
man. The "Tot Lot" director,
in charge of the 1957 program,
will be on duty with the younger
children and will include mus-
ic, games, make-believe,
very simple arts and crafts. The
program will be scheduled
on a half-day basis at each play-
ground, with visits twice a week.
The athletic and sports scene,

Rittenhouse Park
Opens Tomorrow
For Public Play

Rittenhouse Park will open to-
morrow for public use until Labor
Day. Weekday hours are from 1
p.m. to 6 p.m. and Sundays from 11 a.m.
to 6 p.m. and lifeguards will be
on duty at the swimming facility
from 10 a.m. to 6:30 p.m. every day.

Located behind the Silverbrook
development, the park entrance is
on Chesapeake Hill Road. The 45-acre
tract has picnic areas, swimming
pool, and games space and swimming
pool.

The Chesapeake Creek through the
park is crossed by means of a
swing bridge, and the swimming
pool, approximately 60x150-ft., and
enclosed by red and white buoy
markers.

Permanent grills have been in-
stalled for the convenience of pic-
nicers, and a new
picnic area will be opened for limited
use.

Rittenhouse Park is owned and
operated by the Newark Recreation
Association, a Red Feather agency.
The park facilities for picnics, and
other recreational activities, can be
made at the
Recreation Association offices, Dela-

Governor, Parade Open Little League Season At Newark

Special Ceremony Held
Saturday To Inaugurate
Little League Baseball

A noon-day Main Street parade
with Governor J. Bobbs, 135 boys
and their team managers, followed
by special pre-game ceremonies at
the Barksdale Road diamonds and
a pair of double-headers, opened the
Newark Little League baseball
season here last Saturday.

Following Police Chief William
H. Cunningham and the color guard
from the J. Allison O'Daniel VFW
Post, the parade included a second
car with the Governor, Mayor Frank
M. Durnall, City Manager J. J.
Salvo, and Dr. John J. Bunting.
The Little League boys and their
team managers, and 120 boys
provided by the Newark Ply-
mouth assembly plant with special
guests, league officials, team man-
agers, and parents—and the Aetna
ladder truck.

At College Avenue, the Little
League boys boarded buses and the
procession continued to the Barks-
dale Road playing fields where
Governor Bobbs pitched the first
ball.

Nat Morse, president of the Amer-
ican Little League, and master of
ceremonies, introduced the Govern-
or as the first pitcher.

Mayor Durnall, and Pat Knight,
Delaware Little League commis-
sioner, also spoke, and trophies were
presented to W. Paul Gainer, man-
ager of the Newark National League
state champions of 1957; and to
Harry McKenry, manager of the
Newark American League runners-
up.

Other guests introduced included
Frank Billhart, Plymouth plant
manager; Ralph and John Colbert,
former Little League officials; David
Roderick, Jr., National League vice-
president; Mrs. Edmund Varrington,
president of the Ladies League; Wil-
liam; and Janet Zimmer, Miss Little
League of 1957.

Dr. Bunting gave the invocation;
two Little League boys, escorted by
the VFW color guard marched to center
field and raised the flag to the
strains of the National Anthem—
and Governor Bobbs and Mayor
Durnall each threw a strike to open
the American and National Little
League twin-bills.

It was also disclosed that he had
continued in office in 1957 at the
Governor's request "for at least
another year" with the understand-
ing that demands of personal busi-
ness would probably not enable Mr.
McDowell "to remain in office much
longer than that."

Two-Way Traffic Proposal Rejected By City Council

Public Works Director,
Highway Representative
Advise Against Changes

At a special meeting last week,
Newark City Council failed to take
action on the proposal for
restoring two-way traffic on two
single blocks on Elkton Road and
New London Road, off Main Street.

The two blocks, which feed into
the Main Street-B&O Railroad in-
tersection, were made one-way
traffic when the intersection was
reconstructed with the reconstruction
of Main Street.

Council decided against the two-
way traffic proposal after hearing
recommendations against a return
to the two-way pattern from New-
ark director of public works, Fran-
cis Neide, and representatives of
the State Highway Department.

In a memorandum to council,
Neide said the advantages of the
one-way flow of traffic outweighed
the disadvantages. He suggested
that when Cleveland Avenue is
extended, two-way proposal could
again be studied by engineers.

Neide said the advantages of one-
way traffic flow included elimina-
tion of cross traffic at the Main
Street-B&O intersection; decreased
traffic jams, and increased traffic
flow.

He said the disadvantages include
round-the-block travel for some
motorists and also may adversely
affect some business establishments.
William Miller, deputy chief en-
gineer of the State Highway De-
partment, said a return to two-way
traffic on the two blocks would
require removal of the present
islands and the installation of a
synchroized traffic signal at the
intersection, estimated to cost be-
tween \$15,000 and \$20,000.

Indian Guide Braves With 100 Fathers Plan Weekend of Camping on Chesapeake

Some 100 fathers and their six-
to nine-year-old sons affiliated with
the Newark YMCA Indian Guide
brave, will spend this weekend
at Camp Tockwogh near Betterson,
Md.

Rod Willis, recently elected chief
of all the Indian Guide tribes in
the Newark area, will lead the
delegation of big and little braves
to a weekend of fishing, swimming,
boating, hiking, and outdoor living.
He will be assisted by the other
officers of the Newark Nation—
Vice-Chief Dominick Cammetelli,
Tally-keeper George Robinson,
and Wampum Bearer Creston Beau-
champ.

New Officers of Management Club

Newly installed officers of the Newark Industrial Management
Club, an affiliate of the Newark YMCA, are (left to right, front)
Lewis Fell, Continental Diamond Fibre; William MacKenzie, National
Vulcanized Fibre; President James Dalton, Continental; Harry Mac-
Donald, and George Bundy, Chrysler.

Back Row: Clifford Fenwick, DuPont; Harold M. Swendsen,
Lumber; Joseph Schneider, Chrysler; Louis K. Simmons,
S&S Engineering; J. F. Link, Continental; and Frank A. Mullen,
YMCA executive secretary.

National Guard To Feature Memorial Day Ceremony This Friday At Delaware Park

The Delaware National Guard
will participate in appropriate
ceremonies on the Memorial Day
program tomorrow at Delaware
Park, and the Guard personnel will
include a drill team of 65 men and
the famed 30-piece band, along with
color bearers, firing party, and
buglers.

All will appear on the 100-foot-
wide main racing strip (most spaci-
ous mile track in America) direct-
ly in front of the stands for the
colorful spectacle well in advance
of the regular racing program which
starts at 2 p.m. Pre-race entertain-
ment will run about an hour, the
racing strip to be cleared before
1:30, and to best enjoy the Guard
presentation, racegoers are advised
to go out early.

The ceremonies will open with
a concert by the Guard's 287th Army
band, conducted by Chief Warrant
Officer Edwin R. Williams. This will
be followed by a marching demon-
stration by the drill team from
Battery D of the 156th Gun Bat-
talion, commanded by Lt. James J.
Balbach. These groups will then be
joined by the firing party, color
bearers and buglers.

For the grand finale, all groups
will assemble in front of the stands
for the band's rendition of the
national anthem, after which there
will be a three-gun salute from the
firing party and blowing of taps by
the buglers in memory of Ameri-
ca's war casualties. The entire
Guard personnel will then march
off the racing strip.

The band will proceed to the
grandstand and from there, provid-
ing music between races of the track's
regular program.

Featuring the holiday racing will
be the \$10,000, five furlong Polly
Drummond Stakes for 2-year-old
fillies in which a large field is ex-
pected to compete.

Not far from Delaware Park is
Polly Drummond Hill, one of the
highest points in the state, named
for the colonial patriot. She kept
an inn at the hill which was an
underground station for patriots—
hence the naming of the Polly
Drummond Stakes.

Thespian Society Inducts Members For Newark High

The halls in Newark High School
came alive today with impersona-
tions of characters ranging from
Fred Mugs to Peter Pan, as 13 new
members were inducted into the
National Thespian Society, Troupe
391, a national honor society for
students who have done outstand-
ing work in the field of acting. A
minimum of 100 hours is required.

Those inducted are Virginia Pof-
fenberger, Clifford Carnegie, Ray
Johnson, Kathy Morris, Sue Gall-
agher, Madeline Baker, Kay Hocker,
Janet Lacey, Linda Boone, Patti
Howes, Jeff Godbey, Jim Eubanks,
and Rose Ann McMahon.

As part of the induction, the new
members were required to come to
school dressed as a character as-
signed to them.

Present officers of the Thespians
are Bruce Oberholzer, president;
Kay Steinel, vice-president; and
Kathy Leasure, secretary.

Director of the group is Mrs.
Joseph A. Shields.

Fiore Nardo, Jr., Plans New Delicatessen Store

Fiore Nardo, Jr., plans to open
Nardo's Delicatessen and Sandwich
Shop next Monday at the old, fam-
iliar stand vacated by his father,
some two years ago at 24 Academy
Street.

The elder Nardo, veteran Newark
businessman—and friend to thou-
sands of Newark school children
who stopped in his former delica-
tesse—now operates his Delaware
Shoe Repair at 16 Academy Street
—just up the street from Junior's
new venture.

Winning Artists

Top artists in the Newark Festival of the Arts exhibition appear
with their prize paintings. Left to right are Claire Cohen, and Ellen
Wood, who won honorable mention; Freda Weinberg, winner of the
Leo Laskaris Award; Margaret Clark, the Mrs. Harry Clark Boden
Award; and Frances Howe, honorable mention. The art festival was
held in the Newark Room on the lower level of the Newark Shopping
Center.

New Dual Highway Dedicated Monday At Tree Planting

Newark-Wilmington Link
Celebrated With Mayors
Assisting In Ceremony

The new dual highway link be-
tween Wilmington and Newark was
dedicated Monday before the full
length of both lanes is open to
traffic.

Wilmington's Mayor Eugene
Lammot and Newark's Mayor Frank
M. Durnall participated in tree-
planting ceremonies marking the
dedication on a small knoll at the
south side of the highway about a
mile west of Limestone Road.

The new link runs 4.9 miles from
Limestone Road to Cleveland Ave-
nue in Newark. It completes the
dual highway from Wilmington's
city line at the Elmer station to
Newark's city line at the White Clay
Creek bridge. The remainder of the
highway inside the Newark city
limits was also widened to four
lanes, but not dualized, under the
same contract.

Monday's ceremonies were ar-
ranged by Henry C. Eastburn of
Newark, contractor on the \$1,244-
359 job. William J. Miller, Jr., de-
puty chief engineer of the State
Highway Department, presided.

Mayor Durnall lauded the State
Highway Department and the con-
tractor for engineering and land-
scaping which contribute to the
appearance of the road.

The contract entailed construction
of a new eastbound lane from the
Newark line to Limestone Road and
widening of the existing road to four
lanes from Pottam Park Road to
Cleveland Avenue.

The westbound section of the old
highway, has been repaired, and in
some small sections replaced.

The work was started early last
July.

Mrs. Alex Cobb Resigns Position On Library Board

Mrs. Alex D. Cobb, a member of
the Newark Free Library board of
directors since the founding of the
local library many years ago, has
resigned for even more active duty
as a member of the library staff.

Samuel Handloff has been ap-
pointed as Mrs. Cobb's successor on
the board. Mrs. Handloff, Richard
L. Cobb, Mrs. Milton Draper, Mrs.
Louis Stearnes, and William O.
White.

The library staff consists of Mrs.
Jean Sinclair, librarian, assisted by
Mrs. Edith Carr, Mrs. Ralph
Ames, Edith DeLong, and Mrs.
Cobb.

The library is open Monday
through Friday, from 3 to 5:30
p.m., and on Wednesdays and Fri-
days, from 10 to 12:30. Hours have
been extended to include Wednes-
day and Friday nights, from 6:30
to 8:30.

Mr. White reports that 758 new
subscribers have been obtained
since the first of the year.

Dr. John Nelson To Offer Sermon At UD Graduation

Dr. John Oliver Nelson, professor
of Christian vocation at the Yale
Divinity School, will deliver the
baccalaureate exercises, Sunday,
June 8, at 11 a.m., on the central
campus green. In the event of rain
the ceremony will be moved to
Mitchell Hall.

Approximately 435 undergrad-
uates and 160 graduate students will
receive degrees at the afternoon
commencement exercises which fol-
low the morning service.

Dr. Nelson will be making his
second visit to the university cam-
pus. His first appearance in 1954 was
a featured speaker in the religious
emphasis week program.

As field work director at Yale
University Divinity School, Dr.
Nelson has supervised 400 graduate students
in training jobs during their semi-
nary courses. As professor of Chris-
tian vocation, he deals with the
minister's calling as related to lay-
men's vocations.

Silverman, Evans Memorial Scholarship Awards To Be Offered U. of D. Students

Two new awards for outstanding
scholarship by University of Dela-
ware seniors have been announced
by John S. Houtt, dean of students.
The Dr. William C. Silverman
Memorial Prize of \$25 will be
awarded to the senior in the pre-
medical program who has the best
academic record based upon seven
semesters of work at the university
and who is recommended by the
dean of arts and sciences as a stu-
dent with outstanding personal
qualities.

The Bruce E. Evans Memorial
Award, given by Alpha Epsilon Pi
social fraternity, will go to the
senior majoring in accounting, with
the highest index and good conduct
and school citizenship record.

First-year recipients of the hon-
ors are Jerry Goosenberg, of 245
Richfield Road, Upper Darby, the
Silverman prize, and Walter Alvon
Sparks, Jr., 76 N. Chapel Street,
Newark, the Evans award.

Council Approves Assessment Valuation For City Property

Rolls To Be On Public Display From May 30 Through
June 9, With Appeal Day Schedule June 10; Added
Tax Returns Seen With Increase In Property Values

City property assessment rolls for 1958 were accepted as
submitted by Secretary Charles D. Long at the regular meet-
ing of Newark City Council last Tuesday night, and the list
will be placed on public display from May 30 through June 3
at Rhodes Drug Store on Main Street, and at Neighbors
Pharmacy on Elkton Road, from June 4 through 9. Tax
appeal day has been scheduled for June 10.

An increase of nearly \$10,000 in
revenue for the city is anticipated
with the current 8 1/2 cent tax rate
applied to a net increase of \$1,133-
886 in assessed property values over
the past year.

A total property assessment value
of \$34,335,358 includes \$24,200,200 of
tax exempt properties, with taxable
property assessed at \$32,938,458—
close to the \$32 million estimated
in the 1958 budget prepared before
assessment figures were finalized.

An ordinance establishing munic-
ipal election day as a holiday for
city employees was approved at a
second and final reading, and pro-
posed ordinances for adopting the
National Board of Fire Under-
writers Code for the City of New-
ark; rezoning of the 20-acre Dalto
tract from RS to RD; and city an-
nexation of the 120-acre Fairfield
tract were approved at the first of
two required readings.

Promoted

Newark's Norval R. Robinson,
former city policeman and Navy
veteran of four major campaigns
in the South Pacific during World
War II, has been promoted to ser-
geant with the Delaware State
Police, Troop 1 at Penny Hill.

Sergeant Robinson joined the
State Police in 1952, was promoted
to corporal in 1956.

He resides with his wife and
10-year-old daughter in Newark at
401 Delaware Avenue.

Physical Education Program Revisions Presented Council

A positive approach in develop-
ing an integrated, progressive pro-
gram in health and physical educa-
tion for all pupils in grades one
through 12 was presented to the
health council of the Newark spe-
cial school district at their regular
meeting this week.

Presented by Mrs. June Whitman
of the elementary school staff the
suggested program would empha-
size organized physical activities,
the identification and correction of
remedial programs, and emphasis
on intellectual knowledge and prac-
tices which help develop patterns
of healthful living. It was pointed
out by Mrs. Whitman that the total
teaching staff of the district is in-
volved in developing the program
since health, safety, and general
fitness is the concern of all.

The overall program presented
by Mrs. Whitman with the aid of
Miss Eileen Dalton of the elemen-
tary staff, Miss Sue Brown and Mrs.
Charles Clift of the junior high
staff and Dr. Elizabeth Duff and
Ray Ciesinski of the high school
staff is based on fundamental
principles of pupil growth and de-
velopment and is progressive from
year to the next, depending on
pupil needs, interest and abilities.

Two Cases Of Tick Fever Reported In Bins Area

Two cases of spotted fever have
been reported among residents of
the Bins development in Newark,
with two persons hospitalized.

Parents are cautioned to keep
their children from playing in the
tall grass and woods in the area
where ticks are particularly abun-
dant.

Kinmonth Jefferson Wins Scholarship To Study Ministry

Kimmoth W. Jefferson, English
teacher at Newark High School, has
been named the recipient of the
Tippie Scholarship, highest academ-
ic award offered by the Drew
Theological School, Madison, N. J.

Mr. Jefferson submitted his resig-
nation to the Newark Board of
Education, effective this June, in
order to prepare for the parish and
teaching ministry.

A graduate of Seaford High
School, Jefferson graduated with
high honors in philosophy from
Ohio Wesleyan University in 1957.
In his undergraduate years he was
president of ODK, senior leadership
honor society, with a major in
organizational activities. These in-
cluded the chairmanship of the
community committee on racial
problems, presidency of the Young
Democrats Club, chairmanship of
the student government curriculum
committee, and the vice presidency
of the program committee of the
Wesley Foundation.

In his junior year, he was nom-
inated for a Rhodes Scholarship,
advancing to Ohio state semi-
finalist. He also studied at Long
Beach State College, Long Beach,
Calif.

Visitor Pays Compliment For Little League Plans

A visitor from South Carolina
happened upon the Little League
parade in Newark last Saturday
and was surprised at the number of
Little Leaguers and adults partici-
pating in what she assumed was
some state-wide celebration.

When informed that the Governor
was in attendance, and that celebra-
tion and the Little Leaguers were
Newark's own, the visiting lady
was astounded.

She recovered her breath to
say simply, "You people in Newark
love your children." And the adults
of the city have never received a
nicer compliment.

and announcement was made of a luncheon on June 6 at 12 o'clock at Christiana Fire Hall for the benefit of Sunset Lake Needlework Guild.

Mrs. Charles Moore was in charge of the program topic "Legal Matters."

Preston Dasher is quite ill at his home.

Mrs. Nina Moore has returned from Riverside, much improved.

Mrs. Harriet Batten Reynolds, 73 years old, died at her home in Bear on Wednesday evening. She had been under a doctor's care for some time. But her death came as a shock to her family and neighbors.

She is survived by her husband, F. Lee Reynolds; four sons, Howard F. and E. Mercer, both of St. Georges; William B. of Wilmington; and Norman L. of Bridgeville; a daughter, Miss Elizabeth C. Reynolds at home; 10 grandchildren; seven great-grandchildren and a brother Clarence Batten of St. Georges.

Mrs. Reynolds was a member of St. Georges Methodist Church and Woman's Society and has been a resident of New Castle County all her life. She was the daughter of Mr. and Mrs. James Batten who for many years lived at Batten's Mill Pond on Salem Church Road. Services were held Saturday from Gehart Funeral Home in New Castle, with interment in St. Georges Cemetery.

Sympathy is extended to the family from all their neighbors.

Mr. and Mrs. Eugene Allen are receiving congratulations on the birth of a son at Delaware Hospital on Monday morning.

Mrs. Elsie Hatfield was installed as postmistress at Bear on Friday afternoon. She assumed her new duties on Saturday. A native of Delaware, and the mother of three children, Mrs. Hatfield is assuming her first public office. She was appointed to the position on the recommendation of U. S. Rep. Harry Haskell (R-Del) and confirmed by the U. S. Senate, April 2.

She succeeds Mrs. Frances Moore who has been acting postmistress at Bear since the death of Harvey H. Burris.

Margaret Manning Addresses League Of Women Voters

The need for active citizen participation in government, and practical steps citizens can take, featured a talk by Margaret R. Manning, member of the General Assembly from the Eighth Representative District, at the Newark League of Women Voters' first meeting of the season on May 18.

"Democracy is not the most efficient nor the quickest form of government, but it is the safest," Mrs. Manning said. "The two-party system is an absolute check against a run-away dictatorship, even though it sometimes takes a long time to get good things through."

"In Delaware it is particularly easy to do something about government because the state is so small," she said.

"Register and vote, and know who you are voting for," Mrs. Manning urged.

Asked how an individual goes about joining a party, she replied that one simply calls headquarters and inquires about the nearest meeting. She suggested that young people join the Young Democrats or the Young Republicans.

Letters to legislators are an effective form of citizen activity, Mrs. Manning said, and command greater respect than postcards or petitions. "But get the right number of your bill and read it through," she warned.

"I only hope we have the strength to preserve this democracy and the intelligence to make it work for us," Mrs. Manning concluded.

Mrs. Carl S. Hornberger, vice-president of the Newark League of Women Voters presided at the meeting at the home of Mrs. Joseph R. Perkins, Jr., on Chestnut Hill Road.

Robert Kirkwood Officers Of CAR Installed May 17

The Robert Kirkwood Society, Children of the American Revolution met on May 17 at the Newark New Century Club when newly elected officers were installed by Delaware State President Martha Linda Dawson, Seaford.

New officers are President Elissa Moore, Vice President Mary Lou Newlin, Chaplain Ellen Pierson, Secretaries Heather Moore and Lynn Eastburn; Registrar Susan Maclary, Treasurer Ann Groo, Historian Gail Maclary, and Flag Bearers Eddie Maclary, Robert Newlin, and James Everett.

Seventeen members and guests were present, including the Senior Delaware State President, Mrs. Charles D. Bird; Miss Martha Linda Dawson, Delaware State President; Mrs. Charles Dawson, Senior Society President, Seaford; and Mrs. Harry W. Moore of Delaware City, who along with her daughters Elissa, Heather and Hilary, were hostesses.

Greetings were extended by Mrs. Bird and Miss Dawson to both the CAR's and the Cooch's Bridge chapter, DAR, which held a meeting at the same time in the main room of the Century Club. A gavel presented by the Cooch's Bridge chapter to the Delaware State Society, CAR, was accepted by Martha L. Dawson in behalf of the State Society.

A Memorial Day Service was conducted by Frazer Jones who read an article on how the Unknown Soldier of World War II was selected.

Price Rise, Time Savings Cited In Food Purchases

The dollar and cents price of food has gone up, but the time it takes to earn the food money has gone down, according to W. T. McAllister extension marketing specialist at the University of Delaware.

In 1940 it took the average wage earner 132 hours to earn enough money to buy a basket of groceries. In 1956 it took the average wage earner 94 hours to earn enough money to buy that same basket of groceries. Back in 1929 it took 21 hours to earn that grocery basket.

The Capt. William McKennan chapter, Daughters of the American Revolution, announces winners of the annual history essay contest at the Yorklin school. Both students are in the fifth grade.

Victor Janvier placed first, and will receive a silver medal at the school's closing program on June 3. Darlene Neldin won honorable mention and will be presented a certificate of merit.

Judges were Mrs. Louise Dempsey, Mrs. K. B. Pierson, and Mrs. Paul Leach.

The chapter will again place American flags on Decoration Day on the graves of the 10 Revolutionary soldiers buried in Red Clay Creek Presbyterian Church. Mrs. Walter McCue will have charge.

A country-style roast beef and mushroom supper will be served in the Hockessin Fire House on June 7 from 4 to 7 p.m. by the Ladies Auxiliary. Proceeds will be used to defray expenses for the September dedication of the new fire house.

Mrs. Elmer Taylor, Mrs. C. G. Collins, Mrs. Benjamin Lloyd, Mrs. Alex Jarrell, Mrs. James McGroarty, and Mrs. Aubrey Pugh are the supper committee; Mrs. Floyd and Mrs. Madeline Weiss will take charge of the dining room, and the cake table will be supervised by Mrs. Myrtle Cox.

Harmony Grange honored Mrs. T. Wilton Porter for being the mother with the most children present. She was presented with a bouquet of flowers and escorted to a chair of honor by her two sons, Richard and William. She has nine children of the program on June 2.

children of which seven attended. They included besides her sons, Mrs. William H. Naudain, Mrs. W. Harold Navel, Mrs. Calvin Ball, Mrs. David Rambo, and Mrs. Willard D. Ball. The children presented an original skit entitled "Do You Remember?" giving highlights from childhood through their weddings.

Mrs. Powell Craig was program chairman and she made and gave to each mother and daughter, a handkerchief nosegay.

Mrs. Kenneth Read sang solos; the Craig trio entertained with tap dances; Mr. and Mrs. Craig read original poems.

A skit based on the theme song "Mother" was given by Mrs. J. W. Pennington, Mrs. Paul Nelson, Ronnie Nelson, Sandy Craig, Mrs. George Parris, George Parris, Jr., Mrs. Thomas Jarrell, Sallie Evans, Mrs. Norman Dempsey, Tommy Dempsey, Mrs. Charles R. Woodward, Betty Woodward, and Mrs. Read, soloist.

Mrs. Dempsey, home economics chairman, is requesting members to search their homes for their oldest cook book. The home economics committee presented American and Girl Scout flags to the troop sponsored by the Grange. This committee will serve refreshments at the USO Center in Wilmington on June 7.

Mr. and Mrs. Paul Mitchell, and Edward Naudain were named delegates to the New Castle County Pomona Grange at Central Grange house of flowers and escorted to a chair of honor by her two sons, Richard and William. She has nine children of the program on June 2.

How to save money on your banking

You save money when you have a Personal Checking Account at Wilmington Trust Company. For over half of our Personal Checking customers bank free. And none of them ever pays more than a dollar a month for regular banking services.

At Wilmington Trust, you do not pay when you get checks. You do not mark a service charge against yourself every time you write a check. Your Personal Checking Account balance determines your banking cost—if any.

You bank free at Wilmington Trust when the monthly balance in your Personal Checking Account averages* \$300 or more. Over half of our Personal Checking customers, let us repeat, do bank free. The others pay us a little—never more than a dollar—for months when their average* balances are under \$300.

Wilmington Trust cordially invites you to try this easy inexpensive plan. Low-cost or even no-cost banking at Delaware's largest bank. Make your banking no-cost by keeping an average* monthly balance of \$300 in your Personal Checking Account.

Even though a customer's balance falls below \$300 at certain times each month, he still banks free if his average monthly balance is \$300 or more.

THE SPIDER IN THE PAPER

The News-Herald, of Cuba City, Wisconsin, recalls the famous answer made by Mark Twain when he was asked if finding a spider in the newspaper meant good luck.

The writer said: "Finding a spider in your paper is neither good luck nor bad. The spider was merely looking for the paper to see which merchant was not advertising."

The News-Herald adds: "It's even more true today. People are buying and reading more newspapers than ever before in history. Population has increased 47 per cent since 1920 . . . but newspaper circulation has increased 100 per cent."

"Almost everybody reads the newspaper. It's one medium people won't do without."

Wise producers and sellers of goods and services of all kinds know that newspaper advertising is the best way to reach the spider and his web away!

Secondary Pupils Offered Courses At Summer School

Remedial, Accelerated,
Enrichment Curriculum
Scheduled For Newark

Preliminary studies of student interest and needs in summer school courses to be offered Newark special school district secondary pupils, show that courses in English for pupils in grades seven through 11 will be offered as well as general mathematics for seventh and eighth grade pupils, along with plane geometry.

All courses to be offered this summer at Newark High School will be for pupils requiring remedial or make-up courses, for those wishing to accelerate their educational studies by enrolling in advanced classes, or for those wishing to enrich their educational studies by courses to supplement their regular school program.

The basic make-up or remedial courses as well as the enrichment courses will meet for one and one-half hours each day beginning on June 23 and ending August 1. The acceleration courses will meet for three hours each day during the same period.

School officials have indicated insufficient interest in advanced mathematics or physical science summer school courses to warrant these courses. The same appears to be true in driver education, typing, and music. It was pointed out, however, that registration for summer school does not close until May 26.

In the elementary schools it is expected that courses in remedial reading will be offered with 74 children already listed, as a result of a PTA survey.

Also at the elementary level, instrumental music will be offered to all pupils in grades three through six.

Tentative plans indicate that the elementary program will be offered at the West Park Place School, and the secondary program at the high school.

All phases of the program are to be self-supporting with no transportation provided to either school.

Perfelo Patent For Newark Firm Awarded Hamilton

U. S. Patent No. 2824686, awarded to William S. Hamilton of Newark, establishes Perfelo Manufacturing Company as one of four manufacturers of continuous envelopes in the nation.

The product consists of a continuous strip of paper folded at regular intervals and punched on both margins, to which are attached normal envelopes. The envelopes may be addressed on electronic tabulators by punched tapes, magnetic tapes or punched cards and removed, manually or mechanically, from the continuous sheet.

The Newark manufacturing firm had to overcome five other patent applications before the Perfelo patent was granted.

Perfelo Manufacturing Co. produced more than 10 million of the continuous envelopes last year for 249 different American and Canadian companies.

The firm was reorganized two years ago by owner William S. Hamilton, who operated the business as the Newark Printing Company for 20 years. The new corporation was formed to accommodate the production of the Perfelo envelope. The company also produces a complete line of continuous business forms.

Officers of the Newark firm are: W. S. Hamilton, III, president; Daniel V. Hamilton, vice-president; W. S. Hamilton, treasurer; Miss M. P. Sharp, secretary; and F. Allyn Cooch, Jr., Albert Metzger and William S. Magonigal, Jr., members of the board.

May 31 Deadline In Excess Wheat Acreage Disposal

Any Delaware farmer who has more wheat than his acreage allotment allows, or more than 15 acres—whichever is larger—should dispose of the excess acreage by May 31 according to George C. Simpson, chairman of the Delaware Agricultural Stabilization and Conservation Committee.

If the excess acreage is not disposed of by May 31 the farmer will not be eligible for wheat price supports or Soil Bank payments Simpson said.

Farmers should not put off the job because weather, illness or other circumstances might interfere at the last minute.

Notices have been sent to all growers who have excess wheat acreage.

Questions should be directed to the county ASC office for further information and advice.

Memorial Sunday Ceremonies Held Despite Weather

Threat Of Rain Fails To Halt Attendance At Annual Parade, Rites

Despite intermittent showers and overcast skies a large crowd turned out for solemn Memorial Day rites here Sunday, with a mile-long parade honoring Delaware's war dead.

Colorful military pageantry and spirited martial airs provided the background for rites at the University of Delaware's Memorial Library, where commanders of Delaware's American Legion and Veterans of Foreign Wars placed floral tributes before the memorial plaques in the library rotunda.

Crowds lined the length of Main Street, as the parade, headed by a 900-man military division, moved past the reviewing stand at City Hall where a second wreath-laying service was held.

Ten bands and three drum and bugle corps played for the estimated 2,000 marchers, including soldiers, sailors, waves, guardsmen, reservists, war veterans, firemen, scouts and school units.

Several precision drill teams performed briefly before the reviewing stand. Other specialty units were floats by the Delaware Air National Guard, the Military Order of Cooties, Mothers of World War II, a "Forty and Eight" engine, a "High Lift" vehicle from the Dover Air Force Base, and fire equipment.

Among the guests were U. S. Senator John J. Williams and Lt. Gov. David P. Buckson.

Playing of the national anthem by the 334th U. S. Army Band signaled the formal start of the day's ceremonies before the university library. Drawn up in colorful mass formation on the campus were the parade units.

Following an invocation by the Rev. Andrew L. White, past national chaplain, VFW, and a selection by the 287th Army Band, the 10th Marine Corps Reserve, formed an honor guard of military and veteran units then massed facing the library.

Five wreaths were placed before the plaque in the library rotunda by Edward Tingle, state commander, Veterans of Foreign Wars; Dr. Park W. Huntington; state commander, American Legion; Garland C. Bloodworth, Grand Chaplain, VFW; Charles L. Szymanski, commander, Military Order of Cooties; and a group of Newark Sea Scouts on behalf of the city and Gold Star Mothers.

The 88th commencement is announced for the Ohio college on June 9, when President Howard J. Ely will deliver the Baccalaureate address.

City Council

(Continued from Page 1)

Meanwhile, action to raise the property tax hearing of the first case to be conducted "according to code." The city manager reported a general fund cash balance of \$139,306.06 on May 26; the assignment of a police patrol to the Saturday Night Youth dances at the Newark New Century Club; and plans for training local police in the use of motorcycles as recommended in the Schoeffel report.

Concerning an inquiry about extra pay for local police on the Saturday Night Mayor Frank Durnall stated that at a recent meeting of nine New Castle County mayors, it was disclosed that other communities pay time and a half for court attendance, and that the \$7 paid Newark policemen—\$2 as witness; \$1 for meals, and \$3 for travel—was "little enough."

Builder's Offer
Leon Weiner, president of Franklin Builders, appeared before council and offered to contribute \$300 for future, permanent paving of short sections of Briar Lane and Dalloway Road to the Nottingham Green property line, rather than to spend the estimated amount twice with proposed, temporary paving.

Weiner also offered to make any necessary adjustments in grading and to compensate affected property owners for attendant inconvenience. The matter was referred to the public works director for decision.

The housing committee is to meet with the city manager before the next regular council meeting to prepare a report on a model housing ordinance.

Salvatore reported that Main Street lighting had been completed May 21, and that \$20,000 had been budgeted for street lights on Delaware Avenue from Chapel Street east to the city line.

A request to deputize theatre manager William Clancy will be granted with approval of the Chief of Police.

Councilman Wilson was appointed by the mayor as a member of the Newark Recreation Association board of directors, succeeding former Councilman Avery Goddin.

The city secretary reported 58 per cent of the \$8,246.13 in delinquent taxes had been collected, and the city collector is to proceed with sheriff sales for the remainder.

At 11:15 p.m., the mayor asked for adjournment—and the moving up of undiscussed and unsewn business on the agenda for early treatment at the next meeting.

Softball Openers In Church League Played Last Week

St. Paul's Lutheran and the Bible Presbyterian Church scored victories as the Newark Recreation Church Softball League opened last week. St. Paul's handed last year's Kingswood of Brookside champions a 13-4 defeat, and Bible Presbyterian routed Christiana-Salem.

Ironing out the kinks in the line-up, and limbering up the players, the better ball in their second games, Christiana-Salem bounced back to take a 14-2 victory over St. Paul's and Bible Presbyterian handed Kingswood another defeat, 9-3.

Games scheduled for next week end of the first round in the four-team league will see Kingswood meet Christiana-Salem on the senior high diamond, and Bible Presbyterian hosts St. Paul's at the Brookside diamond. Both games are scheduled for next Tuesday at 8:30 p.m.

Economy is in itself a source of great revenue. —Seneca

Office of Secretary of State
CERTIFICATE OF DISSOLUTION
To All To Whom These Presents May Come, Greeting:

Delaware Stopped In Playoff By Conflicting Exam Schedule

Coach Harold Raymond Announces Hens' Withdrawal From NCAA Regional Playoffs Today, Tomorrow After Winning MAC Championship, Because Of Final Exams

Coach Harold Raymond's Middle Atlantic Conference champions will not compete in the NCAA regional playoffs today and tomorrow because the scheduled games conflict with final semester exams on the home front, and the high flying Hens are grounded in Newark after a 19-3 record for the season.

The dates of June 4-5, as originally offered Raymond for the Delaware nine's regional tests, were acceptable, but rescheduling ran afoul of another schedule—final exams.

"The University of Delaware will never permit its athletic program to interfere with the scholastic success of its students," Director Dave Nelson said yesterday. "It is our belief that other reputable institutions should have the same philosophy. We are confident that other arrangements could have been made."

1958 Powerhouse

While old timers have tried vainly to recall the records of previous Delaware teams to compare favorably with the 1958 powerhouse, Coach Harold Raymond's squad has been proving in spectacular fashion that it is far and away the best to wear the Blue and Gold livery.

The Blue Hen lineup with its tight defense, strong pitching and tremendous power has attracted almost as many major league scouts as paying customers and a number of the players have received professional offers. None can sign until their collegiate careers have ended.

Seven regulars have rifled rival pitching at better than a .300 clip, and leading moundsmen Gerry Bacher and Al Neiger have gained earned run averages of .73 and 1.49.

Fred Walters, slugging pitcher-third baseman, has accounted for 39 RBI's in 22 contests. The leading hitters are Captain Gene Watson, .333; Walters, .351; Jim Breyer, .338; Jimmy Smith, .308; Lee Ellis, Dick Duerr, and Earl Alger, all at .302.

Utility man Tommy Walls batted .324 and regular infielders Karl Frantz and Larry Catuzzi hit .273 and .229. The team average is .292. Power in the Delaware lineup is revealed by the record of extra base blows, which included 23 doubles, 16 triples and 16 home runs. The team's speed is proved by its 54 stolen bases.

In the pitching department the Hens have southpaws Bacher (10-0), Neiger (5-1), and Bill Patterson (1-0), and righthanders Walters (2-2) and Tony DeLuca (1-0).

Among the 19 victories are five shutouts by the pitching staff and eight games in which the Hens have scored 10 or more runs. Delaware has scored on every team played.

Rained-Out Racing Cars Plan Mason-Dixon Test

Disappointed at last Sunday's postponement due to rain, many of the area's top NASCAR chauffeurs are expected to make an appearance at Oxford's Mason-Dixon Speedway this Sunday.

First heat of four—each over an eight-lap route—will get underway at 2:30 and the heats will send the first five men from each into the 20-car starting feature of 25 laps.

Yellowjackets Win 4 Straight To End Baseball Campaign

Coach Joe Talarowski's Newark Nine Completes Season With Dynah Win

The Newark High School Yellowjackets of Coach Joe Talarowski defeated P. S. duPont, 6-4, at home last Monday, concluded a 6-4 season with their fourth straight victory.

The Yellowjackets defeated Conrad, 4-3; William Penn, 10-9; and Mt. Pleasant, 6-5 in a great stretch run.

Third Baseman Luke Lackman drove a home run out of left field in the sixth inning to give Newark added insurance as the Yellowjackets held a 5-4 lead.

The Dynahs scored two runs in the first inning, but Newark bounced right back with four runs of their own to give Pitcher Byrd Gray some substantial support.

Lackman led off with a walk; Rice was hit by a pitched ball; scoring Rick Parker singled, scoring Lackman.

Center Fielder Herman Hubbard reached first on a fielder's choice, as Rice came safely home, and Right Fielder Frank Jerzy singled, scoring Parker and Hubbard with the third and fourth runs.

Newark scored another run in the second inning for a 5-2 lead when Lackman drew another walk, advanced to second on Rice's sacrifice, and came home on Hubbard's single.

The Dynahs got back in the ball game with two runs in the third, but Gray shut them out for the rest of the way.

The Yellowjackets, with Talarowski succeeding Charlie Griffith as coach, opened the season with a 6-2 win over Elkton; lost a 10-1 slugfest to Conrad, and bounced back to win over Wilmington High, 7-5.

They came three straight setbacks—by Claymont, 6-2; Mt. Pleasant, 5-3; and A. I. duPont, 5-2.

In a return game, Newark stopped Mt. Pleasant—the first of four in a final sweep.

On the short end of a 6-4 count in the last of the final inning yesterday, the home team with Kennett Square, Coach Grant Ewell's Yellowjacket Jayvees scored three big runs to wind up a 4-1 season with a 7-6 victory over the visitors from Pennsylvania.

Bill Neide led off in the home half of the final frame with a bunt single, and after Third Baseman Bob Schulz sacrificed, Catcher Bill Triplett delivered with a home run to give Coach Ewell's junior varsity a very new lease on life with a tie ball game.

More than a little heartened by this happy turn of events, the next man up, Carl Rice, tripped.

And Carl came home with the winning run on Shortstop Marshall Saunders' sacrifice.

The Newark High School junior varsity nine defeated Governor Bacon Health Center's team twice; split with Brandywine, and closed the current campaign with the win over Kennett's Jayvees for Coach Grant Ewell's 4-1 record debut.

Clifton D. Browning, track and field star, football end, and diver on the University of Delaware swimming team, was awarded the Alumni Association Trophy as the outstanding senior athlete at the annual spring sports banquet last Thursday in Old College.

In addition to winning this award presented by Alumni Association President John E. Healy II, Browning was the recipient of a second trophy honoring the senior football player with the highest scholastic index.

The Toledo senior earned two letters in football and one in swimming during his career as a Blue Hen athlete, but his forte was track and field. He holds two Delaware records—13 feet 2 1/2 inches in the pole vault and 25.4 in the 220-yard low hurdles. He is Middle Atlantic pole vault champion.

Other top award winners were James L. Zawicki, Wilmington, and Edward K. Kimmel, Bridgeton, N. J. To shatter a preceint, Zawicki became the first wrestler in the university's history to receive for a second time the W. S. (Red) Tawes Award to the most improved wrestler on the squad. This award honors the man who, through conscientious work, regular attendance at practice and contribution to team morale and spirit, shows the greatest development during the season.

As team captain, Zawicki led the matmen through a 5-3-1 campaign and posted an individual record of 6-3-1 in dual meets.

Kimmel, a senior, was awarded the Jack and Hugh Dougherty Memorial Award honoring the member of the swimming team who contribute the most to the team's morale and spirit, and who through his loyalty and determination best exemplifies the qualities displayed by Jack and Hugh Dougherty, former Delaware swimmers.

A special award to the football player who contributed most to team morale during practice session was presented by Athletic Director David M. Nelson to Peter W. Shelton, Franklin, N. J.

Roy Rylander's Blue Hen Netmen Record Best Season At Delaware With 11-1 Log

While the Delaware baseball team attracted national attention, Coach Roy Rylander's tennis team may have been overlooked as the Hen netmen have quietly and unassumingly compiled their best record in the history of the local sport.

In bowling over 11 of 12 opponents, the team has won 60 and lost only 12 singles matches and won 27 of 34 doubles contests. The record includes no less than five shutouts.

Coach Rylander, who has completed his sixth year as tennis mentor, can find only five other very good seasons in the record books, yet none of these come anywhere near matching the 1958 log.

The 1937 team finished with a 6-3-1 record; 1938 was 6-2-1; it was 6-4 in 1941; it was 7-3 in 1954, and last year's team had a 9-4 log.

Much of the success of the 1958 squad is attributed to a wealth of sophomore talent, which indicates good seasons are still ahead.

Peter Lengemann, a German boy living in Newark while he attends the university, has earned a creditable record, breaking into the number one tennis slot midway through the season. Only a sophomore, he won 10 of 12 singles matches.

Ray Walker, a junior from Wilmington High School, compiled a like record. The doubles combination of Lengemann and Walker won six of eight matches.

Two other sophomores—Russell Givins, of Wilmington, and Richard Dieckman, of Topeka, Kan., performed admirably. Givins was 11-1 and Dieckman 10-2 in singles play, and the pair teamed up for an 8-2 doubles record.

The only two seniors on the squad—Capt. Bob Woodruff, of Bridgeton, N. J., and Clayton Kauffman, of Palmyra, Pa.—went undefeated in seven doubles matches. In singles play, Woodruff was 10-2 and Kauffman 9-3.

In compiling their outstanding record, the Blue Hens whipped Temple, 9-0; Rutgers, 7-2; Western Maryland, 7-2; Johns Hopkins, 9-0; P.M.C., 9-0; Bucknell, 5-4; Franklin and Marshall, 7-3; Drexel, 9-0; LaSalle, 6 1/2-2 1/2; St. Joseph's, 9-0; and the Blue Hens' lone defeat came at the hands of Swarthmore with a score of 7-2. The Hens face a similar schedule in 1959.

Although two top scorers will be gone next year, Coach Rylander believes the team can equal the 1958 record, if those remaining can keep up their torrid pace and some others continue to develop. Bob Brunner, a sophomore from Summit, N. J., who saw action in several doubles matches, may get a starting chance.

Several freshmen from this year's team which won one and lost two matches, may make competition keen on the 1959 varsity, particularly Tom Rose, of Salisbury, Md., and Ed Maul, of Lewes.

Officials of the local league are Guy Johnson, president; Paul Whitman, vice-president; Richard LaFountain, secretary; and S. McGill Gawthrop, treasurer.

The Babe Ruth League is sponsored by the fathers of participating boys, and the next meeting of the league officials will be at the American Legion home in George Reed Village, on June 2.

Rain date for Friday's opening games is this Saturday, same time, same place.

Brandywine Polo Club To Play For Hospital

The Memorial Hospital's benefit polo match, cancelled last Sunday due to wet grounds, will be played this Sunday at 3 p.m. on Brandywine Polo Club's outdoor field near Toughkenamon, Pa.

Brandywine's manager, 8-goal Ray Harrington, has returned to the local track following a successful season of high-goal polo at Boca Raton, Fla., and San Antonio, Tex. He will be joined by Dr. J. A. Torello, George Weymouth, and Newark's Deryl Calder.

Crichton's Leads As Unbeaten Nine In Softball Play

Newcomers To League Sport Record Of 3-0 Near First Round End

Crichton's, newcomer in the Newark Recreation Softball League, remained the only undefeated team in the 10-team set-up as first round play nears the end. Crichton's 5-0 defeat of Newark VFW gave them a 3-0 record.

The Crichton-Vets game has been the outstanding contest of the season. With a no-hitter well underway, a fluke bunt-single in the fifth inning by the Vets, spoiled a near perfect record for Crichton's pitcher, Wara, as the only Vet reached base. Leana scored in the first on a single by Hirschfeld; Leana and Goldstein tallied in the third, and Goldstein and Hirschfeld wrapped it up in the fifth, 5-0 for Crichton's.

In 21-innings pitched, Wara has allowed only 11 hits with seven runs scored against him.

Motor Wheel Corp. is the remaining team in the first round to meet Crichton's.

Other games in the American league saw Motor Wheel defeat, Avon, 12-5, to tie for third place with a 1-2 first round record. The Vets defeated Graybeal 7-0 to throw Graybeal into a three-way split for third with Avon and Motor Wheel. The win put the Vets in solid second with a 2-2 record.

In the National half of the loop, Mill Creek Tractor handed Tom Lee's first loss, 2-1. Mill Creek's Eagles allowed only three hits—in the second, fifth, and seventh innings. Tom Lee's lone run was scored in the seventh on Dave Sentman's triple, and an infield out.

Tom Lee's Carousi gave up only three hits. A single and two infield outs put Mill Creek's first run across in the first inning, with the winning run scored in the fifth on a walk, an infield out, and single combination.

Continental Diamond beat Neighbors, 10-5 and Local 1183, 15-1, to tie up first place in a three-way split with Tom Lee and Mill Creek.

Mill Creek beat Neighbors, 6-5, to push them into the No. 4 spot with a 1-3 record, and UAW Local 1183 holds down the cellar with 0-4.

Southern States Offers Scholarship At Delaware

A total of nine college scholarships—one of them to be given in Delaware—will be offered this fall by Southern States Cooperative in a six-state area to farm boys who are not high school seniors. Application for the scholarships for this fall should be made by May 23.

The scholarships worth \$300 a year for a total of \$1,200 for the four year college course, must be used at the land grant college in the state in which the winner resides. In Delaware, this is the local university.

Characters do not change. Opinions alter, but characters are only developed.

Troop 387 featured performances by Sharon Black, Nancy Cooke, Deborah Davis, Holly Dittich, Doris Helm, Jo Ann Howard, Roberta Keahy, Wendy Livingood, Sherry Long, Beth Man, Mary Ann Harshall, Valerie Nelson—and three Lindas—Robinson, Saucerman, and Smith—Diane Wester, Roberta Ziller, and Linda Horton.

Guide To Insect Pests Offered At University

A guide to insect and allied pests of the state is being offered by the Agricultural Experiment Station at the University of Delaware, according to an announcement today by Prof. Donald MacCreary, acting chairman of the department of entomology there.

The 87-page publication lists vegetable, fruit and field crops planted in the state and pests that attack them. In many cases, major and minor pests are listed and discussed. Included in the publication is an index to plants and one to insects. No control recommendations are made.

The publication will be sent on application to Department of Rural Communications, University of Delaware School of Agriculture. Ask for Bulletin 321.

Wagner Awarded Fulbright Grant To Study in Italy

Dr. Carl Roland Wagner, assistant professor of philosophy at the University of Delaware, has been awarded a Fulbright scholarship to lecture on American Studies at the Universities of Caen and Poitiers in Italy next year.

The award, announced by the Department of State, is one of approximately 400 grants for lecturing and research abroad made under the Fulbright Act for the academic year 1958-59.

Dr. Wagner has been on the faculty at the university since 1953. Prior to his appointment here, he was an instructor in English and the humanities at the University of New Hampshire.

Dr. Wagner received his bachelor's degree cum laude from Bucknell University in 1947. He received his PhD in philosophy from Yale in 1952 and his master's in English from Columbia in 1952.

He is a Phi Beta Kappa, a member of Sigma Alpha Mu fraternity and the American Philosophical Association. He has written many magazine articles in the field of philosophy.

Dr. Wagner's duties at Delaware include the instruction of philosophy at all undergraduate levels and a seminar course for seniors majoring in American Studies.

A native of New York City, Dr. Wagner resides at 101 Ritter Lane, Newark.

New Short Course In Foods Judging Scheduled At U.D.

A new short course for foods judging will be offered by the University of Delaware on July 14 and 15, according to Anne Holberton, consumer information and marketing specialist.

The training for judging baked goods will be handled by Mr. and Mrs. Russell Bing of Bing's Bakery in Newark.

An extension nutrition specialist from Pennsylvania will conduct the session dealing with food preservation and Mrs. Eva Geiss, home economist for the Delaware Power and Light Company, will assist in the training program.

Enrollment is being limited to 30 people so each person will receive adequate attention. Registration blanks are being sent out and must be returned to the university by June 30.

If you would like to attend the classes and do not receive a letter and enrollment blank in the next few days, contact Mrs. Anne Holberton, Agricultural Hall, University of Delaware.

Remember, the first 30 applications received will be given first choice.

HISTORICAL SOCIETY

The annual meeting of the Esther Stevens Brazer Guild of the Historical Society of Early American Decoration will be held June 4, 5, and 6 at the Chalfonte-Haddon Hall Hotel in Atlantic City, N. J.

Construction plans for the church to be built at Route 896 and Chestnut Hill Road were explained to the members by Carl Karlsson, building committee chairman of the congregation.

Campaign To Cut Traffic Death Toll To Begin Tonight

"Slow Down and Live" Program Planned To Reduce Road Injuries

The annual Slow Down and Live Campaign which opens tonight has one goal—to cut down on last summer's traffic toll of 23 deaths and 534 personal injuries on the highways.

The campaign, part of a national effort, extends from the eve of Memorial Day through Labor Day at midnight, and thus covers the vacation season when highway driving is at its peak, it was pointed out by J. James Ashton, state safety coordinator.

Mr. Ashton, who is manager of the Delaware Safety Council, said that in that period last summer there were 1,747 motor vehicle accidents resulting in property damage, and 4,571 arrests for speeding by the Delaware State Police.

Another huge education and enforcement campaign will be conducted this summer in an effort to cut down on these figures. The campaign is concentrated on traffic violations associated with speed.

These include improper passing following too closely, and failing to yield right-of-way, as well as excessive speed and speed too fast for road conditions.

Mr. Ashton said these "in a hurry" violations account for 90 per cent of highway accidents.

The drive last summer was regarded as a success because last summer's fatalities on the highways were reduced 23.3 per cent from the figures for the summer before. In the 1956 period of the campaign, there were 30 fatalities as compared with 23 last year.

In 1956's summer vacation period there were 524 personal injury accidents in Delaware as compared with 534 last year—a slight increase. Property damage accidents were cut to 1,747 last summer from 1,898 the summer before.

"This was excellent progress in the saving of human lives," Mr. Ashton declared, "but there is room for a great deal more improvement this year. This improvement must be achieved in spite of the fact that there will be even more cars on the roads this year than last. A widespread effort by motorists themselves, aided by enforcement agencies, can cut down the number and severity of accidents. Let's start tonight to 'Slow Down and Live.'"

Popular Personality

Sally Starr, hostess of the popular television show *Starr Theatre*, and the most famous cowgirl since Calamity Jane, will make a personal appearance at the model homes in Todd Estates on Sunday, June 1, from 2 until 5 p.m. She says she is looking forward to meeting all of her young admirers in this area, and promises a special treat for all youngsters. Todd Estates is located on Chestnut Hill Road about two miles east of Newark.

Jack McDowell

(Continued from Page 1)

The letter of resignation states that "the growth of my private business and plans to expand it into new areas of service now make it necessary for me to devote much more time to that business than has heretofore been possible."

Mr. McDowell is president of McDowell-Mitchell Associates, Inc., consultants in the fields of public relations and business management. Mr. McDowell also told Governor Boggs "The opportunity you have given me to serve for nearly five and one-half years as Delaware's Secretary of State is deeply appreciated. The trust and confidence you placed in me during those years will always be a source of great gratification."

In his letter accepting the secretary of state's resignation, Governor Boggs said:

"In appreciation for the outstanding public service which you have rendered at a personal sacrifice, I have no choice but to accept with great reluctance and sincere regret the resignation effective June 30, 1958."

"Your outstanding ability and sound judgment in the performance of the important duties of this office have earned for you the appreciation, respect and friendship not only of the Delawareans but of business and government leaders throughout the nation."

"On behalf of the State of Delaware, personally and for your many friends I express the greatest appreciation for a job well done and best wishes for your continued success, happiness and good health in your private life and business endeavors."

"May I also express to you in a personal way not only my sincere thanks for your help over a long period of years while I was a member of Congress and during these years as governor, but more important, thanks for your valued friendship since 1927 when we first met as freshmen on the campus of the University of Delaware."

"These years have been marked by great change and challenge. Your friendship and close association through these years have indeed been a source of strength upon which I have relied with great confidence."

Home Economics Class Conducts Fashion Parade

Sack dresses played second fiddle to flared skirt and sheath at the fashion show presented by the home economics department of Newark High School under the direction of Miss Doris Dean last Thursday. "Come to the Fair" featured self-designed dresses, suits, and a complete wardrobe for an American teenager.

Cochairmen for the show were Sally Swartout and Kay Linton. Other chairmen were: invitations, Karina Pollari and Kathy Leasure; properties, Ray Johnson; programs, Annette Brink; Sally Vandever; Doris Harvey; and Cathi Wilson; publicity, Sue Kirk and Louisa Taylor. Beth LeVigne played the accompaniment.

Girls modeling their own garments included Cathi Wilson, Sally Swartout, Karina Pollari, Kathy Leasure, Kay Linton, Louisa Taylor, Beverly Foltz, Susan Kirk, Sally Vandever, Ann and Nancy Deherty, Carol Ingalls, Pat Owens, Judy Vansant, Shirley McAllen, Margi Folk, Ruth Smith, Judy Myers, Chris Suppe, Geri D'Angelo, Betsy Deinken, Eleanor Burris, Betty Jo Buckles, Annette Brink, Nancy Price, Sue Chase, Virginia Furness, Peggy Beebe, Carol Adell, Ann Marvel, Carol Finger, Betty Mackey, Sue Morse, Kathy Wilson, Mary Donnell, and Dorris Harvey.

ACS Honors Metzner For Scientific Paper

Dr. Arthur B. Metzner, associate professor of chemical engineering at the University of Delaware, received an award from the Delaware section, American Chemical Society, for his 1957 publication of a paper entitled "Heat Transfer to Non-Newtonian Fluids."

The award was presented at annual Ladies Night ceremonies on the local campus.

The paper describes a new theory said to be of great value in the design of heat transfer equipment in the fields of nuclear power and manufacture and processing of plastics.

Member of Congress and during these years as governor, but more important, thanks for your valued friendship since 1927 when we first met as freshmen on the campus of the University of Delaware.

Delaware Food Market Report

U. of D. Agricultural Extension Service By Anne Holberton

June is dairy month, when milk and all the family of dairy products will be abundant, according to the United States Department of Agriculture. This year, for the sixth consecutive time, milk production appears headed for a new record, with total output likely to out-strip the 1956 all-time high.

During this month look for good buys on cheese of all kinds. Ice cream will be on special sale. If you have a home freezer put a couple of half-gallons away for later use.

Other foods listed by the United States Department of Agriculture as good buys during June are tomatoes, cucumbers, lettuce, radishes, cabbage, snap beans and sweet corn.

Now let's see what is a good buy this week. Frying chicken is an excellent choice for budget balancing experts. They are selling as low as 33 cents a pound in many stores.

With the weekend reduction on such meats as rib and chuck roast, hams and picnics, and ground meat, there is a chance of having a bigger variety of meats on the budget menu. Most meats have risen in price as far as the wholesale market is concerned, so make the most of your weekend specials. Plan ahead—make out a shopping list—then your food budget won't be stretched out of shape from high prices. There are many excellent buys on vegetables. Look for sweet corn, cucumbers, lettuce, carrots and asparagus.

Opening of the lemonade season is heralded with a drop in lemon prices to an average of 45 cents a dozen—weekend specials as low as 34 cents a dozen. Other fruits that are dropping in price are strawberries, rhubarb and a few apples.

Two weekends at Grove Point—one in October, and one April—will be a cook-out, and a bike hike, are a few of the activities in which they participated.

Under the direction of Mrs. Robert Loyd, Mrs. John Skillern, and Mrs. Wm. Glenn Frazier, the girls include Margaret Frazer, Tam Kuchar, Mary Ann Keese, Joan Lanzetta, Barbara Loyd, Anne McIntosh, Ann Perkins, Marilyn Rush, Nancy and Linda Schaaf, Mary Lynn Skillern, Lynne Teisworth, Joanne Thompson, Georgeanne Wiggins, and Mary Woodmansee.

The girls also have been active in service for others. They made two lots of trays for the State Hospital and Stockley which Mrs. L. Harvey Dicker delivered; and a quilt and outgrown clothes were given to Central Welfare Committee workers at Christmastime.

If at first you don't succeed, try, try again. Then quit. No use being silly about it!

Fathers And Sons Feature Boy Scout Weekend Camping

Troop 55 Conducts Event At Camp Rodney For Local Boys, Dads In Outdoors

The monthly camp-out of Boy Scout Troop 55 last weekend featured a father and son outing at Camp Rodney on the Northeast River, as fathers slept with their boys in tents surrounding Fisher's Lodge, and all meals were cooked together over open fires on the nearby beach where plenty of driftwood was available.

On Friday night, a campfire program was held with singing led by acting junior assistant scoutmaster David Morton.

With the fathers participating, Saturday's program featured softball, volleyball, swimming and advancement in compass, cooking and firebuilding.

After supper, scoutmaster James Cunniff gave each boy the opportunity to make up his father's face with paint and vice versa. Stories, jokes and singing, along with skits led by Explorer Kenneth Weingarten, enlivened the evening campfire.

Catholic boys were taken to mass in North East on Sunday while Assistant Scoutmaster Charles Eastman was in charge of the Protestant religious service.

The following fathers and sons were present: Robert and David Beattie; John Asay and Wayne Houser; Theodore and Thomas Van Kirk; Charles and Herbert Cole; Karl and Richard Finger; Victor and Herbert Lee; John and Mark Linton; Joseph and Stephen Parag; Alfred and Richard Mendenhall; John Collins, Skip Dawson, Rande Watson and Larry Weing were also present.

Members of the troop will meet at the Calvary Baptist Church on Friday at 10 a.m. to make final preparations for the Spring Camporee to be held June 6-8 near the Louviers Building.

Scouts of Troop 55 will spend July 6-13 at Camp Rodney in the Susquehanna campsite under the direction of three adult troop leaders, Charles Eastman reports.

Revised Program

(Continued from Page 1)

The program is based upon one 50-minute period per week in the elementary schools and two 30-minute periods per week in the secondary schools. Continual individual evaluation of all pupils was suggested as being an essential part of the program. Such evaluation procedures would include progress in skill developments as well as physical growth and development records.

The strengthening of intra-mural programs, particularly at the junior-senior high school level, was suggested. It was pointed out that until the present time, lack of facilities in the school district had prevented the development of an extensive intra-mural program for all pupils.

However, with the completion of the Ogletown Junior High School, with reasonably adequate athletic field space at these schools, it would be possible to fully develop such programs. A similar situation is true for high school students with the completion of a gymnasium and the availability of an athletic field during the past school year.

The health committee, made up of a representative cross section of the school staffs as well as lay members of the school district, county board of health, and the school doctor, elected Elwood Bittenbender, Medill School principal, as health committee chairman, and Miss Sue Dicker as secretary.

E. Shue announced that applications from registered nurses will be accepted to fill the one or two additional school nurse positions now subject to nomination by the State Board of Education.

Preparations for the Spring Camporee to be held June 6-8 near the Louviers Building.

Scouts of Troop 55 will spend July 6-13 at Camp Rodney in the Susquehanna campsite under the direction of three adult troop leaders, Charles Eastman reports.
