## Postmaster Allyn Cooch Plans For Record In Christmas Mail

Newark Post Office Anticipates Record Volume, Offers Special Assistance With "Mail Early For Christmas" Campaign; Dec. 10 Advised As Mailing Distance Date

Faced with the possibility that the 1960 Christmas season will set an all time holiday mailing record, Newark Postmaster F. Allyn Cooch, Jr. announced today that he's starting an annual "Mail Early For Christmas" campaign immediately.

Postmaster Cooch offers these mailing tips to insure delivery of our Christmas cards and gifts on time.

Check your Christmas card very carefully. Make sure each card is complete with full name, address, city, zone and zip.

Send for your Christmas gift tags, stock up now on heavy weight paper, sturdy corrugated card stock, and paper address tags.

Remember that you can in-crease your Christmas card or letter delivery by adding postage to your gift package by adding postage first class postage to your gift package.

Don't wait until the last minute to buy your postage stamps. Buy your postage stamps now.

## Meetings Planned To Inform Public For Referendum

First Of Two Scheduled  
For Ogletown Jr. High  
Next Thursday At 8 P.M.

The Newark Board of Education will hold a referendum on Dec. 10, and so that all persons may be well informed regarding this referendum, two public meetings will be held.

The first will be held at Ogletown Junior High School next Thursday at 8 p.m., and the second on Thursday, Dec. 8, at Central Jr. High School—also at 8 o'clock.

Both meetings are to clarify any questions that patrons of the school district may have regarding the coming referendum.

The Newark Board of Education is proposing that a new high school building be constructed at the intersection of Chopin and Salem Church roads to provide facilities for 1,200 students.

Present junior high schools are completely filled and the senior high school will be filled to capacity next year.

The present secondary enrollment is 2,726 pupils—in 1962 it will be 3,436—and in 1964, 4,491.

Unless the board of education provides facilities ready for occupancy in September, 1963 the only alternative they will have is for high school to be conducted with half-day sessions.

Brochures explaining the needs for the new high school, its location and cost, will be mailed to residents of the school district next week.

If you do not receive one of these brochures, they will be available in each of the school offices.

Any questions concerning the referendum may be directed to members of the school board who will answer them at either of the public meetings. Call the Newark Board of Education office at 83 East Main Street.

## Added Facilities Under Construction For National Plant

22,000-Sq. Ft. Building  
For Newark Fibre Firm  
To Be In Use By March

Construction of additional plant facilities at the National Vulcanized Fibre Company plant on White Clay Creek off North Chapel Street, was announced today by Plant Superintendent Roger E. Douglass.

The 22,000-sq.-ft. building will provide improved methods for the drying, pressing and calendaring of thick vulcanized fibre sheet stock.

John E. Healy Co. of Wilmington will be general contractors for the building, with John Van Balen the architect.

The building is scheduled for use by March, 1961.

National Vulcanized Fibre Company's Newark plant produces vulcanized fibre in the forms of sheets and tubes, and fabricates from these forms, railroad track insulation, athletic guards and protective equipment; fuse and lightning arrester tubing, and waste baskets.

National has 250 employees in its Newark plant.

Continued expansion of facilities represents a growing market for the material considered to be "the first laminated plastic."

## Local Marine Promoted

Harry D. Rash, son of Brack W. Rash of Newark, receives his warrant of promotion to Marine lance corporal while serving as a jet aircraft mechanic with the maintenance section of the Marine Air Reserve training detachment at the Naval Air Station, Memphis, Tenn.

His commanding officer, Col. F. C. Jennings, made the presentation Oct. 5.

Before enlisting in March, 1958, Rash graduated from Newark High School.

## Fired For Smoking As Student Editor, Noted Journalist To Lecture On Campus

Back in the closing days of the Roaring Twenties, the New York Times carried a page one report of the firing of a young undergraduate from the editorship of the University of Minnesota's daily "for smoking a cigarette in the university library."

Twenty years later, the same young editor had become a Moscow correspondent for a famous New York newspaper.

Pulitzer Prize-winning Harrison Salisbury, the writer in question, will visit the University of Delaware next Tuesday to discuss "The Coming Conflict Between Russia and China." He will present his lecture in Wolf Hall auditorium at 8 p.m. under the visiting scholar program jointly sponsored by the department of political science and the Cosmopolitan Club.

Today Mr. Salisbury smiles when he recalls his youthful escapade as a Minnesota undergraduate. "I was the first of a succession of editors of the Minnesota Daily to be fired for an overzealous editorial policy," he reminisces. "Radio commentator Eric Sevareid was another. My ouster, however, did not prevent me from getting a BA degree in 1930."

Nor did it put a stop to his journalistic career. That same year

he went to work for the United Press in Chicago to cover the tail end of the gang wars of the Prohibition era. "All those bombings, raids and killings provided a good foundation for the larger scale warfare of World War II a decade later," he noted foreign correspondent comments.

One of the outstanding stories of this period covered by Salisbury was the income tax evasion trial of Al Capone. Later, when he had moved to a UP editorship in Washington, he deserted the re-writer desk to cover the assassination of Senator Huey Long and the ensuing excitement in Louisiana.

During World War II, Salisbury was appointed London manager of the United Press and director of European coverage in 1943. Special assignments took him to North Africa and to Tehran to cover the Big Four meeting there.

When Vice-President Richard Nixon made his history-making visit to the Soviet Union, Mr. Salisbury was one of the newsmen to accompany the American statesman in throughout his stay. He was also chosen by the New York Times to accompany Khrushchev on his visit to the United States.

Dean of the University of Delaware School of Education, William O. Penrose was praised by his colleagues as "a dean who recognizes the human factor in his faculty members and in his dealings with them," at a surprise party last week honoring Penrose for a decade of service at Newark.

Speaking for the faculty were Dr. George Henry and Dr. Edmund J. Cain who presented a briefcase to the guest of honor, Mr. Cain presented flowers to Mrs. Penrose.

Expressions of appreciation were voiced by Mrs. Ruth Adams, representing the secretarial staff, and Mrs. Claire Haroutunian, faculty wives representative.

Penrose became dean in 1950. A native of Hunter, Ark., he is an honor graduate of the University of Arkansas, from which he holds both BA and MA degrees. He received his degree as master of education from Harvard in 1941, and in 1948 received a doctorate in education from Harvard.

Miss Jaquette, a teacher in Newark schools for many years, died Sunday in Riverside Hospital.

Interment was in White Clay Creek Cemetery.

A native of the Newark area, Miss Jaquette attended the University of Delaware. She retired last year after teaching in New Castle, Mt. Pleasant, and Newark schools.

She was a member of the First Presbyterian Church, the National Education Association, and the Delaware State Education Association, and held offices in her local teachers' organization in Newark.

Miss Jaquette was the daughter of the late Thomas and Elizabeth Jaquette.

She is survived by four sisters, Mrs. George L. Lovett, Mrs. Robert Elliott, Mrs. Paul D. Lovett, and Mrs. W. Francis Lindell, all of Newark; and several nieces and nephews.

## Cast Of E-52 Theatre's "Twelfth Night" To Include Six Shakespearean Veterans

The cast of Shakespeare's "Twelfth Night," the E-52 Theatre production to be seen Dec. 8, 9, and 10, at the University of Delaware includes six actors who have appeared in last year's successful Shakespearean production, "Much Ado About Nothing."

Jack Erthal, a young courtier last season, will play the comedy character role of Malvolio, "sick with self love."

Juliet Wittman, the charming Hero of last year's play, also will play a comedy role, that of Maria, fun-making companion to Sir Toby.

Pete Fisher, last year's Dogberry, again will appear as a comedian in the role of would-be fop Sir Andrew Aguecheek.

Tom Lackman switches from Friar Francis to the love-sick Duke of Orsino. Supporting roles will be played by Kenneth Shelin and John Talley.

Newcomers to Shakespeare but veterans on the Mitchell Hall stage

## Tag Day Scheduled By Welfare Group For Yule Program

Volunteers To Request  
Contributions In Area  
On Friday, December 2

On Friday, Dec. 2, volunteer "Taggers" will be posted in the business and shopping areas of Newark and Brookside from 9 a.m. to 5:30 p.m. to collect money for the Yuletide program of the Newark Area Welfare Committee.

Mrs. J. Paul Jaquette is chairman of the annual Tag Day program, assisted by Mrs. Josephine Lattomus, Mrs. Harold Howe, and Mrs. Richard Nelson.

Mrs. Adam V. Reed is heading a special committee in Brookside. Local Boy Scouts under the direction of Adam V. Reed, will make a house-to-house collection of canned foods for Christmas gift baskets.

Ray E. Keesey is chairman of the activities committee of the Capitol Trail District Boy Scouts.

Mrs. J. Harvey Dickey, chairman of the emergency aid and Christmas baskets committee of the welfare group, reports that the need is greater this year than ever before. Mrs. Dickey asks residents of this area to share in this worthwhile program by giving generously when the "taggers" or the Scouts ask for contributions.

## Butterworth Lists Aetna Fund Drive Total \$16,998.05

Local Business Firms,  
Other Donors Expected  
To Reach \$19,540 Goal

A total of \$16,998.05 contributed in the Aetna Hose, Hook and Ladder Company annual fund drive toward a goal of \$19,540 was reported yesterday by Treasurer Wallace Butterworth.

Contributions from local business firms have been solicited by mail after a house-to-house residential canvass of the Newark area by uniformed volunteer firemen.

"We still need some \$2,500," Aetna President John List pointed out yesterday, "but we are assured of attaining our goal of \$19,540 for annual maintenance and operating costs if those who have not contributed will do so."

List expressed gratification with the success of Aetna's annual appeal for funds, and expressed appreciation for public response.

The Aetna fund drive will continue through November, and those who have not contributed to the support of Newark's volunteer fire department and protection of local life and property, are urged to mail their donations.

Newark's volunteer fire-fighters receive no pay, and financial assistance from city, county, and state is inadequate to provide necessary protection for the district.

"We must reach our goal," John List concluded yesterday, "if Newark's volunteer fire department is to continue to provide proper protection in this area."

## Newark Educator Irma R. Jaquette Dies At Age Of 64

Funeral services were held yesterday afternoon at the First Presbyterian Church of Newark for Irma R. Jaquette, 64, of University Garden Apartments.

Miss Jaquette, a teacher in Newark schools for many years, died Sunday in Riverside Hospital.

Interment was in White Clay Creek Cemetery.

A native of the Newark area, Miss Jaquette attended the University of Delaware. She retired last year after teaching in New Castle, Mt. Pleasant, and Newark schools.

She was a member of the First Presbyterian Church, the National Education Association, and the Delaware State Education Association, and held offices in her local teachers' organization in Newark.

Miss Jaquette was the daughter of the late Thomas and Elizabeth Jaquette.

She is survived by four sisters, Mrs. George L. Lovett, Mrs. Robert Elliott, Mrs. Paul D. Lovett, and Mrs. W. Francis Lindell, all of Newark; and several nieces and nephews.

## Local Delegates Attend Milk Producers Meeting

Local delegates attending the 23rd annual meeting of the Inter-State Milk Producers Cooperative in Philadelphia last week included Daniel E. Harris, Mr. and Mrs. Paul Nelson, and Fred Martens.

The delegates voted unanimously against raising the commission paid the cooperative for marketing milk in order to support the American Dairy Association expanded advertising program.

## Low Cost Home Plan Defeated Despite 3-2 Affirmative Vote

Lack Of Fourth, Majority Vote Of Council With Two Absentees Defeats Ordinance To Zone New London Road Wedgewood Development For "Semi-Detached" Housing

A proposed amendment to the municipal zoning ordinance to permit construction of some 174 low cost "semi-detached" houses in the 20-acre Wedgewood tract on New London Road was defeated at a second, final reading by a lack of council majority despite a favorable 3-2 vote of members present at the regular meeting of Newark City Council last Tuesday night.

Councilman William M. Coverdale presiding in the absence of Mayor Frank M. Durnall who was ill, conducted a poll of the four other council representatives present—Councilman Samuel L. Diehl, Jr., was absent along with the mayor—concerning willingness to vote on the rezoning measure.

With but two members opposing an immediate vote and with Solicitor John P. Sinclair's assurance that a three-quarter vote of council was not necessary to carry the motion over the Planning Commission's rejection of the proposal, Coverdale called for a vote.

Councilmen Coverdale, Hill and Wilson voted to rezone the tract from RD to RA to permit construction of semi-detached, low cost housing for sale to two owners instead of one—and the proposal was defeated for lack of a fourth, council majority vote. Solicitor Sinclair stated to the apparent surprise and certain disbelief of Mr. Coverdale.

Terminology Technicality? During the explanation discussion prior to the vote, it was explained that buildings and occupancy permits had been issued for the two "semi-detached" instead of "duplex" homes already constructed and occupied in the Wedgewood development. Under RD zoning for the area, 60-ft. lots are required for "duplex" homes with single ownership whereas 30-ft. lots may be utilized for "semi-detached" homes with dual ownership without a zoning change. And the construction and sale of this latter type of housing is the declared intent of A. H. Dalto, builder.

"We are merely trying to sell these houses separately," Dalto said, "with no change in esthetic, physical appearance, and no down grading."

Councilman suggested "that when this is all over, the planning commission might resolve some of the ambiguities with 'duplex' and 'semi-detached' which have resulted in Mr. Dalto being placed in this unfortunate position."

Dalto declared that due to "legal technicalities," he was faced with selling 87 expensive buildings instead of twice that many low cost dwellings.

Residents "What will happen to the people already living there?" Councilman George Wilson asked concerning the two families in occupancy. And Solicitor Sinclair said "I don't think anyone will ever bother them."

"I feel we should vote on this tonight," Councilman LeRoy Hill said. "Ever since I have been a member of council, I have sought low cost housing. Here is a man who is building such housing."

And for lack of majority, the proposed ordinance was lost.

The contract for the south well field water treatment plant was awarded to J. F. Alexander and Company for the low bid of \$85,887; and the purchase of a new, compact Olds for public works department use was approved with Wilson and C. Vernon Steele opposing such purchase on the basis of recommendations by the city manager and public works director rather than on the basis of the low bid submitted.

The resignation of Dudley L. Willis by letter of Nov. 21, as a member of the Planning Commission was accepted by council, and Councilwoman Betty McClelland's nomination of Paul Dolan, western district resident, to serve for the unexpired term of Willis through next September, was endorsed unanimously by council.

Budget Presentation City Manager J. Frank Neide announced that the annual municipal budget would be presented at the first meeting in December, and Mrs. McClelland reported that the first annual municipal report in two years had been printed and was available to the public.

Concerning reports of the newly appointed Newark chief of police—Capt. Arthur S. Haussler of the New Jersey State police, who is scheduled to assume his duties here on Dec. 1—Coverdale declared the "half truths" reported of Haussler's qualifications.

(Continued on Page 8)

## Hester A. Morris Has 91st Birthday For Thanksgiving

Mrs. Hester A. Morris, 907 Nottingham Road, Newark, will celebrate her 91st birthday on Thanksgiving Day.

In good health and active, Mrs. Morris in October visited New Church, Va., for ceremonies marking the 75th anniversary of the construction of Berea Methodist Church, of which she is the only living charter member. She also held a family reunion with Mrs. Frank Covington, her sister-in-law, and her many nieces and nephews.

Mrs. Morris is the mother of Martha Morris, also of Newark, and librarian at the VA Hospital in Elsmore; and Mrs. Roy T. Walton, of Newark; and grandmother of Mrs. Rodney Dann, Jr., and Max and Peggy Walton.

## Christiana Calling

Sylvia P. Jones, Correspondent  
Phone: EA 8-7413

"Indian Lore" was the topic of the first full meeting of Christiana Cub Pack 75 in the Methodist Church last Friday evening. Wolf badges were awarded to Frank Jeandell, Lonnie Haines, Dolph Styles, and Bayard Bender. Bruce Bender received a gold and a silver arrow point, and gold arrow points went to Frank Jeandell, Lonnie Haines, and Ronnie Hutchison. Ronnie also

won a Bear badge. The attendance arrow was won by Den two, with Mrs. Mary Hutchison, den mother. Dens two, three, and four presented skits on various phases of Indian life and guest speaker Harry Diehl of Woodcrest showed slides on Delaware Indians and exhibited Indian relics found locally.

Last Saturday the Cubs assisted older Scouts of Troop 75 in their collection of used items for Goodwill Industries, with a generous response from Christiana residents. A drive for canned goods for holiday baskets is being planned for early next month.

A high percentage of members and their families attended the annual Parents Night program for the Greenleaf and Pencader 4-H clubs last Monday evening at Agriculture Hall, Newark. Donald Burton, county 4-H agent, showed slides of club activities and awarded pins for the successful completion of 4-H projects.

Greenleaf members receiving recognition were Paul Stoddard, electricity; Connie Loose, Kathy Redding and Sandy O'Neill, foods and

## Short Course Offered Delmarva Hatcherymen

Delmarva's poultry hatcherymen will meet for a short course at the University of Delaware Georgetown station Nov. 30, according to Extension Poultryman Raymond W. Lloyd.

The short course which starts at 2 p.m., breaks for dinner, and continues with an evening session, is sponsored by the Delmarva Hatcherymen's Association, Delmarva Poultry Industry, Inc., and the Agricultural Extension Services of the universities of Delaware and Maryland, and Virginia Polytechnic Institute.

clothing; Jackie Jones, foods, clothing; and personal accounts; Debbie Kee, ing and personal accounts; Debbie Kee, clothing; Gaye Townley and Dottie Whittington, foods; Richard Dierich, home improvement; Mrs. F. T. Dianich, leader and Richard Dianich junior leader.

Pins were received by 12 members of the Pencader club led by Mrs. W. L. McElwee. They are Ruth Taylor, Jean Woerner, and Marilyn Carl, clothing; Arlene and Carolyn Zeitler, dairy; Stephen Taylor and Francis Woerner, gardening; James Taylor, automotive; Aloysius Woerner, safety; Barbara Baker, baby beef; Cindy Jordan, dog husbandry; and Larry Embert, poultry.

A union Thanksgiving service was held in the Christiana Presbyterian Church today at 9 a.m., with the Rev. A. B. Golden of the Methodist Church as speaker.

The holiday candy sale sponsored by the Christiana-Salem PTA ways and means committee will continue for two more weeks. Orders may be placed with school children, who have taken such a great interest in the project that Mrs. William Graden, chairman, has announced that prizes will be awarded to the two best student-salesmen. Proceeds will be used toward purchase of a television set for school use.

The junior choir will be heard in a special selection at the worship service in the Christiana Presbyterian Church this Sunday.

Members of the Every Member Canvass committee will complete their contacts with Presbyterian church members this Sunday. The committee consists of Sidney McClain, John Hill, Rhoads Speck, Millard Davis, Paul Sims, William Cross, and Albert Jones.

Donations of new toys for the Deaconess Home should be left at the Christiana Methodist Church by this Sunday.

**Personals**

Cathy Dianich, Cooch's Bridge Road, entertained at an after-school party on Nov. 16 on her eighth birthday. Among the guests were Ginger Eisenbrey, Judy Graden, Myra Grubb, Tommy Hurst, Adele Pase, Bobby Porter, Georgetown Suppe, Cindie Vollmer, Jean Watkins, Pa-

tricia Breining, Bobby Naylor, and Billy Stafford.

Roger Barlow has been confined to his home with chicken pox. Billy Kee was a member of the cast of "Life with Father," recently presented at William Penn High School.

## Pets At Delaware Humane Ass'n Shelter Seeking Homes Under New Management

Pets now being cared for by the Delaware Humane Association but desiring to be "under new management" because they want to be members of family groups include the following:

Impy, a female part Labrador and collie, is 3½-months old, black with white on chest, medium long coat, long tail, is partially housebroken, and lovable.

Suzy is a female mixer, three-months-old, white with cream markings, medium coat and medium size.

Wally, a female mixer, nine-months old, is white with tan tick markings.

Hayboy, a part cocker male, has a shiny reddish-tan coat with black markings, and short tail. He is about four months old.

Comet is part terrier, male, one-year-old, brown with black markings, short hair and very little tail. He is housebroken, affectionate with

children, and has had distemper and rabies shots.

Ann, a real doll baby, is a mixer; white with tan markings, medium size, medium long hair, and almost a year old. She is especially good with children but sweet with everyone.

Mandy, a part beagle, is over a year old, tricolor, medium size, has short hair, and a long tail. She is housebroken.

Mater, good with children, is a spayed female, part terrier, black

children, and has had distemper and rabies shots.

Mater, good with children, is a spayed female, part terrier, black

children, and has had distemper and rabies shots.

with brown markings, short hair, has had all shots, and is housebroken.

Barton, a very quiet, gentle dog, would be a good pet for children. She is part beagle, beige with white markings, and has been spayed.

Kittens desiring homes include four 6-weeks old, part Persian. These are Smokey and Pudgy, males

with long hair; Cat, male, with tiger-striped with medium hair.

The shelter, on North Baltimore, New Castle County Air Base, has visiting hours on Monday, Tuesday, Thursday and Friday from 7 a.m. to 3 p.m.; Saturday from 7 a.m. to 3 p.m.

playtex  
magic-cling bra 2.50

straps stretch

back clings

Now you can see on T.V. why this remarkable new bra won't ride up.

The back clings...always stays comfortably in place. Shoulder straps won't cut or bind because elastic in the straps lets you reach, stretch, bend. And this bra keeps its shape and yours even after months of machine washings...long after ordinary bras have become limp, shrunken and shapeless. White. 32A to 40C. Only \$2.50

Dorn Stewart, president of Allied Chemical's Barrett division, which will build and operate plant, and Governor J. Caleb Boggs.**

## Dale Bray Offers Plans For Control Of Alfalfa Weevil

"If you had trouble with alfalfa weevil last spring, now is the time to strike back," says Dr. Dale F. Bray, extension entomologist with the University of Delaware. "The best material authorized for alfalfa weevil control at this time is dieldrin," Bray believes. However, you must apply dieldrin before Dec. 1 to avoid any risk of chemical residues in the hay. The other reason is that the later the application the less effective. "So get dieldrin on right away," Bray urges. It can be applied mixed with granular fertilizer or by itself in a spray. The correct rate is one pound of actual dieldrin per acre.

Love is the fulfilling of the law: it is grace, mercy, and justice.

## Higher Education For Students, Faculty At U. of D. Tougher Than 40-Hour Week

That higher education for students and faculty alike involves more than a 40-hour week, is proved conclusively in statistics compiled by Robert Gebhardt, assistant director of admissions and records at the University of Delaware.

Gebhardt's figures show a 15 per cent increase over last year in the number of students taking Saturday classes. Two of every three undergraduates enrolled at the university are registered for classes on Saturday morning, and 98 per cent have classes each week day. Saturday, in fact, has become one

of the busiest of academic days, with 3,500 students from the graduate, extension and undergraduate ranks enrolled in 122 Saturday classes. Since 1957-58, utilization of classrooms on Saturday mornings has increased 18 per cent.

The university has taken other steps to increase the use of its facilities. There has been greater use of late afternoon hours for classes

## Joan Caldwell In Choir As Fresh At Wellesley

Joan Caldwell, 1005 Baylor Road, Newark, has been selected for membership in the Wellesley College Choir.

Miss Caldwell, a freshman at the college, also is a singer in the Madrigal group, an ensemble of 16 voices. The daughter of Mr. and Mrs. Douglas P. Caldwell, she attended high school in her former home town of Arlington, Mass.

The law is the last result of human wisdom, depending upon human experience for the benefit of the public. —Samuel Johnson

Run a bar of paraffin or soap over the edges of room and cabinet doors, and the edges and guides of drawers that stick or do not work easily. These surfaces tend to expand in periods of high humidity such as Spring. Usually, it is wise to wait for a dry spell before attempting to plane or sandpaper these surfaces since they probably will contract again to normal size.

and laboratory sessions; the lunch period has been staggered to permit noon hour classes, and the former six-weeks summer session has been expanded to eight weeks.

Six-day per week scheduling also supports a widely accepted educational theory that spaced instruction permits more effective learning. Class meetings spread over six days allow the student more free time between classes for outside reading and preparation.

While industry pushes for a 37½-hour work week, the busy college student wishes he could get by with an old-fashioned eight-hour day. Most Delaware students carry a credit load ranging from 15 to 20 hours per week. For each of these hours in class, it is estimated that two to three hours of preparation

## CITY OF NEWARK Delaware PLANNING COMMISSION MEETING AGENDA

December 5, 1960 — 7:30 P. M.

- REPORT OF OFFICERS
  - Minutes of Organization Meeting—September 26, 1960.
  - Minutes of Regular Meeting—October 3, 1960
  - Minutes of Executive Meeting—October 12, 1960
  - Minutes of Special Meeting—October 17, 1960
  - Minutes of Special Meeting—November 21, 1960.
- PETITION
  - Petition from William H. Porter, Inc. for rezoning from "RS" Residential to "Business C" their property on Capitol Trail consisting of 1.24 acres.
  - Hance property on New London Road. Petition amended to request rezoning from "RS" residential to "RD" Residential of approximately 15 acres (remainder of approximately 80 acres to continue "RS" Residential as now.)
  - Petition of Shull Construction for rezoning a part of their property behind the Binns Development.
  - Request from A. & D. Inc. for City water service to sub-development on West Chestnut Hill Road.
- OLD BUSINESS BY THE PLANNING COMMISSION
  - Revision of the Zoning Ordinance and Map
  - Review of permitted uses in "Business A" and "Business B" District Classification.
  - Revision of Residential District classification (as recommended previously to Council and reverted to Planning Commission for further consideration.)
- REPORT BY DIRECTOR OF PUBLIC WORKS
  - City water supply and distribution.
  - Proposals pending before State Highway Department.
    - Belt Line Highways.
    - Elkton Road Improvements.
    - Hillside-Elkton Road Improvements—to involve relocated overpass of B & O Railroad.
    - Alverly on Chestnut Hill Road and Park Drive at Silverbrook.

Nov. 24—Dec. 1

## How your telephone company promotes community safety

We strive ceaselessly to prevent accidents. Specifically, here are some of the ways in which we encourage highway safety...

◀ **100,000 MILE CLUB** Here in Delaware your telephone company has 116 members in its 100,000 Mile Club. These men have driven company vehicles regularly for 10 years or more without an accident for which they were responsible.

◀ **DEFENSIVE DRIVE PROGRAM** We train volunteer community instructors in defensive driving. A complete kit, including charts, questionnaires and instruments for gauging driving skill, is included in the instructors' material.

◀ **DIALO GAME** This intriguing game for children dramatizes the benefits of safe driving and the dangers of poor driving. It is awarded at safety patrol functions, community safety contests, etc.

◀ **COOPERATING WITH SCHOOL DRIVING PROGRAMS** Our special equipment is available to high schools to test students' visual acuity, reaction time, and depth perception prior to the State drivers' license examinations.

Highway safety is only one of the ways in which we work for community safety...

◀ **"LET'S PRETEND"** We make available to communities a package called "Let's Pretend," by means of which masked volunteers are confronted with the difficulties faced by the blind. This experiment makes clear the priceless value of sight.

◀ **FILMS** A wide variety of 16mm sound motion pictures available without charge to schools, civic, social and technical groups. Typical safety subjects include prevention of accidents in the home, driving a car safely, fire control, and off-the-job safety.

◀ **FIRST AID** Many of your telephone company neighbors are qualified instructors. They teach first-aid courses to Fire Departments, Boy Scouts, Girl Scouts, Civil Defense Groups, P.T.A. groups, and civic clubs.

Safety is actually within the reach of everyone. Make it a personal crusade. For further information on any of these programs, call your local Business Office.

**THE DIAMOND STATE TELEPHONE COMPANY**

Your neighbors enlarging your world through service and science

## WAVERLY CLUB HOLDS ANNIVERSARY LUNCHEON

The Waverly Club observed its 65th anniversary last Wednesday with a luncheon at the Hercules Country Club. There were 45 members and guests present.

Mrs. W. Steel Atwell, president, welcomed the assembly and Mrs. Paul W. Mitchell, chairman, introduced special guests including Mrs. William C. Cann, president of the Delaware State Federation of Clubs; Mrs. John B. France, vice-president for New Castle County; and Mrs. John Longbottom, vice-president for Kent County.

Presidents of clubs throughout the state attended.

The following past presidents were recognized: Mrs. Mary M. B. Eastburn, Mrs. Henry C. Mitchell, Mrs. Joseph Mitchell, Mrs. Granville Eastburn, Mrs. Robert B. Walker, Sr., Elizabeth T. Mitchell, and Mrs. P. W. Mitchell.

Dr. George Henry of the University of Delaware spoke on "Outer and Inner Space."

Mrs. Mary M. B. Eastburn, a charter member, spoke of the club's beginning. It was organized Dec. 2, 1895 at the Yeatman homestead in Chester County.

The clubs will hold its Christmas program on Dec. 7 with Mrs. Henry C. Mitchell, Mrs. Laurence Parrish, Jr., and Mrs. Ernest Lomax as hostesses.

## BAPTIST PRAYER DAY PLANNED AT CALVARY

On Dec. 2, the Women's Baptist Day of Prayer will be observed at Calvary Baptist Church from 10 to 11:45 a.m., with the theme "Jesus Shall Reign." A nursery will be provided.

The Women's Missionary Society will sponsor a new members dinner in the church basement on Nov. 29 at 7:30 p.m. All women of the church are invited and an interesting program is planned for the evening.

## GRANGE CARD PARTY TUESDAY, NOV. 29

The November card party for Harmony Grange, Limestone Road will be held on Tuesday evening, Nov. 29, in the grange hall, Limestone Road. Games of bridge, canasta and 500 will be played and the public is invited.

## Christmas Shopping News from Peggy Cronin's

We're hoping you have more time to read this than I've had to write it! What with whizzing up to Boston's environs for Thanksgiving and "getting set" for Christmas Shopping, we're in a dither... but we're set! And a waiting for you!

As you know everyday is Open House at P.C.'s. You're welcome to come in and browse around, poke around and even climb over the hangers! You'll find blouses hanging about the skirts... sweaters lining the walls, and slacks where you can reach 'em! There's a bra bar, a sock bar, and a glove bar—all marked so you can find your sizes... So come in and enjoy your Christmas Shopping leisurely.

Sweaters are rampant in our window this week—knit skirts, and knit slacks and Jacquards from Catalina... New winter pastel colors from Talbot and fur blends from Koret of California. Come see 'em! Tucked under our Catalina sweater is just one of our new Dacron batiste blouses—so delicate and girly you'll love it. Aren't they lovely—these torador pajamas! They're sheer nylon, specially featured at only \$4. to \$6. Of course we have 'em in warm flannel, also! But for beauty and quality, ask for our fine Shadow-Line Lingerie—there is none better! Available in slips, halving nighties, and de-vastating sets!

You can certainly make or ruin a costume with your gloves! Just pulling on a white will no longer do. Your glove must blend... it must be the right length, the right fabric (cotton, nylon or leather)... it must be right for your costume, your other accessories and the occasion! Come, poke through our Glove Bar. You'll be amazed at our large and varied assortment—from the wristlet white to the longest for evening... from the gayest color to necessary black for every night!

Wear Right, Fownes and other famous makes. Note: If you scissor this column and bring it in when you come to shop, we'll give you a 10% discount on your purchases... no time or amount limit.

Next week look for more exciting Peggy Cronin Shopping News—and plan to spend a day or half day just browsing around the shop! We're on MAIN STREET near the College & across from the new handsome Wilmington Savings Bank... And on North Street in Elkton.

## Card Party and Fashion Show Committee

The committee planning the card party and fashion show to be held next Tuesday by the women's branch of the Newark Jewish Community includes (left to right) Sylvia Wilder, Thyllis Seydel, Ricky Temple, Rhoda Freeman, Bobbie Blackman, and Fay Shatzkin. The program will begin at 7:30 p.m. at Ogletown Junior High School, with fashions by Mullins of Wilmington, and a variety of door and table prizes to be awarded.

## Personals

Dr. and Mrs. Carmi R. Alden are spending the Thanksgiving weekend in New England.

William H. Waggoner of Alexandria, Va., spent the past weekend with his son and family at 714 Academy Street.

Mr. and Mrs. Robert E. Moriarty, Newbrook Road, Windy Hills, formerly of Jersey City, N.J., announce the birth of their daughter, Lisa Marie, on Nov. 15. Mr. Moriarty is associated with the General Foods Corp., Newark.

Mr. Henry Mote is a patient in the Wilmington General Hospital.

Mr. and Mrs. Conrad K. D. Lewis and their son Conrad, Jr., spent the Thanksgiving holidays with their son Edmund Lewis and family in Florida.

Mr. W. Ellis Brown of 1982 Nottingham Road has returned home from the Memorial Hospital, Wilmington where he underwent a successful eye operation.

## Gutenberg Bible With Curtis Paper In Library Exhibit

A number of pages from the new, facsimile edition of the Gutenberg Bible are on display for students and visitors at the University of Delaware Library.

Arrangements for the special showing were made with the assistance of W. O. White, treasurer of the Curtis Paper Company of Newark, paper supplier for the limited edition being released by Pageant Books, Inc.

Also exhibited is a page from the original Gutenberg Bible, a recent gift of Mrs. Donald P. Ross—a member of the Library Associates. The Gutenberg Bible was the first major book to be published in the West from movable type. It was prepared between 1450 and 1455 and was released in the latter year.

Many of the pages have illustrations in color reproduced in the facsimile edition.

During the 15th century, printing was regarded as an art rather than as a craft and the careful and artistic workmanship is clearly evident.

The off-white, 90-pound stock supplied by the Curtis Paper Company was made especially for this edition and is 100 per cent rag content.

## Margaret Manning To Speak Monday For Suburban Club

The Suburban Republican Women's Club of the Newark area will meet Monday at 8 p.m. in the Brookside Community Building with Mrs. Margaret Manning, state representative from Mill Creek Hundred and senator-elect for the Fourth Senatorial District, the guest speaker with her topic "Where Do We Go From Here?"

All women interested in the meeting are welcome to attend.

On Dec. 2, at the Brookside Community Building, members of the club have planned a party with their husbands as guests.

Mrs. Tom Ott, chairman, stated, "We want our men to get to know each other. There will be dancing, chatting, and just an old-fashioned get-together."

Mrs. Howard B. Jernee, club director, was named third vice-president at the State Federation of Republican Women convention in Dover on Nov. 17, and the local group received an inscribed gavel as a second place award in the state membership contest.

Delegates and alternates to the convention included Mrs. Ott, Mrs. James R. Wilson, Dorothy Gilbert, Mrs. Kyrin Curley, Mrs. John A. Correll, Mrs. William Crossman, Mrs. Theodore Huggler, Mrs. William B. Dailey and Mrs. George A. Hart, Jr.

## Four Pass Exams For Membership With Flotilla 14

Members of Newark Flotilla 14, U. S. Coast Guard Auxiliary, held their November meeting at the local YMCA with Commander J. P. Patonovic presiding, and it was announced that four new members had passed their entrance examinations for auxiliary membership.

New officials will take office in December with Commander R. W. Unwin Jr., Vice-Commander R. B. Nelson and Training Officer E. Johnson.

Plans were made to start the next public instruction course in "Basic Small Boat Seamanship" on Jan. 9, 1961, for nine weeks.

A color movie "Science of the Sea" was shown.

Dr. Alan Gowans, associate professor and chairman of the department of art at the University of Delaware, will give the fourth in the current series of Winterthur lectures on Nov. 30 at 8:15 p.m. in Wolf Hall auditorium, with his topic "New England Architecture in Nova Scotia."

A native of Canada, Dr. Gowans has served as Fleming Museum director at the University of Vermont, as assistant professor of art at Middlebury College and as research assistant at the National Gallery of Canada in Ottawa.

The author of "Church Architecture in New France," published in 1954, he has also written articles and reviews in magazines and professional journals.

A member of the College Art Association and the Society of Architectural Historians, he has held fellowships at Princeton University and the University of Toronto, and research grants from the Humanities Research Council of Canada and the Social Science Research Council of Canada.

Mrs. Samuel Little, Mr. and Mrs. Orville Little of Elkton Road, will spend the holidays with Mr. and Mrs. John Rice, Harrisburg, Pa.

Mrs. Richard D. Jay president of the Newark Country Club and Mrs. Herbert Ellingsworth of Suburban Newark Club attended the 65th anniversary luncheon meeting of the Waverly Club of Hockessin at the Hercules Country Club.

The annual Christmas Shop for hospitalized veterans and their families will be held Dec. 3, Perry Point, Del., Dec. 4, Bracke, Va., and Dec. 14 at State Hospital. These shops are sponsored by the Department of Delaware American Legion Auxiliary.

Mrs. J. Harvey Dickey, chaplain of the Department of Delaware, American Legion Auxiliary; Mrs. John Trivitt, president of the J. A. O'Daniel Unit No. 10, Mrs. Jacob Correll and Miss Dora Gibb will attend the luncheon and conference to be held Saturday, Nov. 26 at Milton, Del.

Mr. and Mrs. Randolph Mann and daughter, Carla and Miss Kay Mann, Mr. Mann's sister, recently flew to Anaheim, Calif., where they plan to make their future home. Their brother John and his family also live there.

Next Wednesday's luncheon at the Alice P. Smyth YWCA Center, 180 South College Avenue, will feature Mrs. Gordon Godbey and her topic "Personality Gift Wrapping." Mrs. Godbey will demonstrate new ways to make gifts attractive and individual at little expense.

With BS and masters degrees from the University of Kentucky, Mrs. Godbey was associated with the Gibson Art Company in Cincinnati, O., a feature writer for the Associated Press on gift-wrapping, and has lectured for federated women's clubs.

These luncheons are open to all women from the Newark area who are asked to call the "Y" to make reservations before 11 a.m. Nursery facilities are available for children.

Mrs. William R. Gregg is chairman of this program, assisted by Mrs. John Nalesnik, and Mrs. R. N. Camp will be hostess.

Political Science Professor Guest For AAUW Group

Dr. Marshall Knappen, professor of political science at the University of Delaware, will address the American Association of University Women, Newark branch, next Monday, at 8 p.m. in the Student Center with his topic "Lobbying for Legislation on Foreign Policy."

The program has been arranged by the AAUW international relations group with Frances Jordan, chairman.

All foreign students attending the university have been invited as special guests.

Dr. Knappen has taught history and political science at the University of Chicago, Michigan State and the University of Michigan, and was executive secretary of the committee on foreign policy legislation in Washington.

Refreshments will be served after the meeting.

## The Albeneri Trio

Credited with having revived interest in the piano trio as a form of chamber music, the Albeneri Trio will be the third Artists Series attraction at the University of Delaware, with a performance in Mitchell Hall on Dec. 2 at 8:15 p.m.

The trio consists of Artur Balsam, pianist; Giorgio Ciompi, violinist, and Benar Heifetz, cellist.

## Night Doubles Problems

### Safety Council Cautions

"Night doubles traffic troubles—step up your alertness at dusk," Delaware motorists were advised yesterday.

## J. H. Tyler McConnell, president

of the Delaware Safety Council said one of the major traffic dangers faced by walkers and drivers this month is winter's early darkness. He stressed the necessity for increased caution and decreased speed after dark.

"When driving at night a motorist can't see an object until it comes within range of his headlights," McConnell said. "It's obvious that, if

— ALL ARE WELCOME —

The change in Presidential administrations may mean a new approach to some of our national problems. But problems themselves haven't changed.

We still must deal with the Communists, the space race, inflation, foreign affairs, race relations, labor relations, and to prevent inflation and maintain a sound and strong economy. Basically, all these problems boil down to the need to protect and improve the chances of each individual man—and all the other people who share this planet with him.

Many Americans cling with child-like trust to a belief in the federal government as best qualified to solve all our problems and to provide the good life for all. All that is new, they seem to feel, is to spend a little more money, to set up a new federal program or agency. When the new Congress opens in January there will be a great deal of federal action in yet more fields. Congressional action should be spent in making existing federal projects more effective rather than in setting up a whole new set of bumbling expensive programs.

## Men Students Be Encouraged To Job Careers

University of Delaware faculty members are making efforts to encourage men to seek careers after graduation.

The attention of a grower of women undergraduates, other than housewife, President John P. Harlan has appointed a committee to "inspire our women students to approach their higher education with a greater sense of purpose and to extend their education to the point of their ability, looking for lifetime careers."

The committee organized by the chairmanship of Professor John P. Harlan, call for a series of visits by professional women, many of whom have successfully combined marital and vocational responsibilities.

The committee will confine its efforts to college level students. Members of the committee are: Geraldine M. Wyatt, director of the school of home economics; Dr. Irma Ayers, assistant professor of music; Mrs. Alberta

Trunk, lecturer in nursing; Jane L. Gardner, associate professor of art; Mary P. McPherson, part-time instructor in philosophy, and Mrs. Arnold M. Clark.

Student members include Madeline J. Baker, 302 Capitol Trail, Newark.

## Soph Halfback Ron McCoy, Smyrna, Cops Hen Offense Title; Other Rookies Star

Ron McCoy, sophomore halfback from Smyrna, won Delaware rushing and total offense titles for 1960, while other rookies dominate the Blue Hens' final football games.

McCoy, 176-pound graduate of Smyrna High, is one of few players in Delaware's recent history to start in his first varsity game. He was a starter at the season's opening whistle and until the final blast last Saturday accumulated 410 hard yards—all on the ground.

Classmates Tommy Michaels and Karl Lorenz rank second and third in rushing statistics as first-year men made their presence known at Delaware Stadium this year.

Michaels, from Sayreville, N. J., missed the last three games because of injury, but still rolled up 315 yards.

Lorenz, from Riverdale, N. J., came on strong late in the year to pick up 227 yards with the squad's highest per carry average, 4.6.

The first eight men in the Hens' rushing statistics are sophomores or juniors giving Coach Dave Nelson real hope of improvement over this season's 2-6-1 record.

Three quarterbacks of equal stature will be back next season. Junior Gary Hebert, of Needham, Mass., took passing honors with 20 completions in 61 attempts for 282 yards. He also gained 69 yards on the ground to rank second in total offense.

Other quarterbacks with promise are Junior Barry Fetterman from East Greenville, Pa., and Ted Kempinski, left-handed soph passer from Wilmington.

Michaels was the team's leading scorer with 32 points. He and five of six other scorers will be back next year.

Lorenz took honors on kick-off returns with 10 for 222 yards, and punt returns with five for 47 yards.

Fetterman's defensive work in the secondary paid off with honors in number of interceptions—four for 163 yards.

A pair of seniors—Mickey Heinicke, of Philadelphia, and Pape Lunk, of College Point, N. Y., will be missed.

Heinicke, the team captain and starting end, was the Hens' leading receiver with 10 catches for 130 yards and a touchdown.

Lunk, defensive linebacker and punter, took kicking honors with 37 punts for 1,315 yards, or 35.4 yards a boot.

Hoping to take up the slack next year will be Soph End Ollie Baker, of Media, Pa., who had seven pass catches for 108 yards, and Fred Rullo, sophomore quarterback and punter from Glenolden, Pa.

## Basketball Leagues Scheduled To Open Week Of Dec. 12

The Newark Recreation Association announces that its 1960-61 basketball leagues will open the week of Dec. 12.

The Senior League of men over 18 will play one night a week at the Ogletown Junior High gym, and there are openings for teams and players. Information may be obtained at the NRA office 315 Delaware Circle, and all interested are urged to attend the initial manager's meeting at 7:30 p.m. next Wednesday at the Newark Recreation Association office.

All league rosters must then be returned by Dec. 6.

The junior divisions will be composed of boys and girls leagues playing at both the Central and Ogletown Junior High schools.

Girls 12-14, or 15 and still in junior high school may compete in this division, and a league at Newark High School will be formed for girls 15-17 if interest warrants.

The boys will have two divisions, for seventh grades only, and a senior division for eighth and ninth grades.

The Intermediate Boys League of high school players will include those 15-17, or 18 and still in high school.

Managers for Intermediate League teams are required to attend the meeting on Nov. 30, at 3 p.m. at the NRA office.

## New Drill Team To Make Debut

The Girls' Drill Team, recently organized at Newark High School, made its first appearance at the Thanksgiving Day football game with Elkton today, under the direction of Harley S. Hastings. The team (left to right) includes 1st row: Mary Lou Fremont, Shirley Campbell, Sharon Goodwin, Bonnie Kelley, Ann Fooks; 2nd row: Pat Vivod, Sharon Root, Ruby Bellade, Elaine Blomquist, Barbara Edmonds; 3rd row: Lynn Harrington, Betty Duncan, Jennifer Wilson, Sandy Evans, Pat McClelland, Rita Mahoney. Not present for the picture were June Hall, Andi Sauvala, and Glenna Knowles.

## Bisons Beat Hens In Season Finale In 26-0 Stampede

Bucknell's Bisons, who won virtually all offensive and defensive honors in the Middle Atlantic Conference—but still missed the title—handed Delaware its third blanking of the season, 26-0, in the finale at Delaware Stadium last Saturday. It was Delaware's sixth loss, against two wins and a tie.

The Thundering Herd held the Hens to their smallest rushing yardage of the campaign—54 yards—and 40 of these were gained by Sophomore Halfback Ron McCoy, of Smyrna.

Bucknell was the first team to outrush the Blue Hens this season, with 153 yards.

Behind Paul Terhes, their brilliant passing quarterback, the Bisons gained 83 yards through the air. Terhes scored once and passed for a touchdown.

Delaware, with a good potent running game was stopped cold by the Bison defenders.

The Hens lost four fumbles—and two were turned into touchdowns. It was the first win for Bucknell over Delaware since 1951, and the fourth shutout suffered by the Hens in 10 years under Coach Dave Nelson.

Men's Volleyball League To Begin Play Monday

The Newark Recreation Association's Men's Volleyball League will begin play next Monday night.

The league is made up of four teams, however, more are being sought.

All league games will be played Monday evenings at the Brookside Elementary School.

Director Jim McMeans has urged all other interested people—both teams and individuals—to call the Newark Recreation Association office, 315 Delaware Circle.

IN THE SUPERIOR COURT OF THE STATE OF DELAWARE

IN AND FOR THE COUNTY OF NEW CASTLE

ARGO TWYMAN, an infant, by BERNICE TWYMAN.

PETITION TO CHANGE NAME TO THE HONORABLE JUDGES OF THE SUPERIOR COURT OF THE STATE OF DELAWARE IN AND FOR NEW CASTLE COUNTY.

1. That your petitioner, BERNICE TWYMAN, is a resident of New Castle County, State of Delaware, and beyond the age of 21 years.

2. That your petitioner desires to have her child's name changed from Castrodio Argo Twyman to Darius Argo Twyman.

3. That your petitioner is the parent and mother of Castrodio Argo Twyman, who was born on March 12, 1955, and who is a minor child under the age of 14 years.

4. The change of name is not requested to defraud, hinder, or delay creditors; that your petitioner asks this Court for an appropriate Order in her behalf.

BERNICE TWYMAN  
Theophilus R. Nix, Attorney for  
Petitioner, 104 E. Seventh Street,  
Wilmington, Delaware.

NOTICE: That on this 1st day of November 1960, personally came before me, the subscriber, a Notary Public for the County and State aforesaid, BERNICE TWYMAN, who being duly sworn according to law by me, deposes and says that she is the petitioner named in the foregoing petition and that the facts set forth therein are true and correct.

BERNICE TWYMAN  
SWORN and subscribed before me the day and year aforesaid.  
Theophilus R. Nix  
Notary Public  
Nov. 24, Dec. 1, 8

## Lloyd Wells Scores 4 TD's For Record As Yellowjackets Share Blue Hen Crown

Senior Halfback Lloyd Wells scored four touchdowns including a 70-yard punt return, to set two Blue Hen Conference records as Coach Bob Hoffman's Newark Yellowjackets walloped Dickinson High School at Woodcrest last Saturday, 54-7, to share the conference championship with Brandwine.

Norm Modica's Bulldogs belted the favored defending champions of Coach Wayne Pollari and Mt. Pleasant, 19-0.

The Yellowjackets closed their championship campaign this morning in a Thanksgiving Day home stand with the Elkton High School visitors.

Lloyd Wells' 24 points topped a 19-point performance by Conrad's and now Scotty Duncan's—Mike Brown of last year, and the four touchdowns overshadowed the three TD records of Newark's Maynard Conkey in 1959; of the Yellowjackets' Marshall Saunders and William Penn's Bill Reader in 1958—and of Conrad's Jim Gregg and Wells himself this season.

Lloyd scored three touchdowns each in two games against Wilmington and De La Warr.

Two second-string Newark backfield men and Co-Capt. Art Carney shattered other individual or two-man records.

Sophomore Quarterback Mike Kubicek and Joe Hughes collaborated on a 75-yard pass play and Carney kicked six extra points. The pass play erased 70-yarders by Conrad's Lee McEaster and Brown last year.

Carney's conversions bettered the mark of five set by William Penn's Allen Smith in 1958.

The 54 points and the 47-point margin also represent two records. The Yellowjackets had held both marks, set in the Wilmington game two weeks before, with a 50-0 victory and the 44-point difference.

Newark players also broke conference records they had established earlier this season. With the four touchdowns, Wells raised his total to 15, assuring him the state scoring title.

Carney's six extra points lifted his total to 18. The team scored 223 points for the season.

The Yellowjackets won the title outright in 1958 under Coach Don Miller. In their first season under Hoffman last year, they finished second to Mt. Pleasant.

In the three years, they've won 17 conference games and lost only two. The first defeat was inflicted by Mt. Pleasant last year, the second by William Penn this season.

Newark finished scoring before Dickinson got its touchdown in the final period.

After a scoreless first quarter, the Yellowjackets took a 13-0 halftime lead. They added 27 points in the third quarter and 14 in the final stanza. Second, third and fourth-stringers accounted for the last two Newark touchdowns.

Quarterback and Co-Capt. Art Carney contributed much to the victory. Dickinson, intent on stopping Newark's ground game, left the open to passes and Carney consistently in setting up a number of the touchdowns.

Bill Mowll and Don Frank were Norm Neider's 70-yard pass play, and Wells' 70-yard punt return, which duced the second.

Frank Subach's 15-yard pass play of an intercepted pass gave him its first touchdown in the third period.

Wells added two more on 26 and 23 yards and Co-Capt. Charley Wood clicked on a 45-yard all alone pass play for the third TD record of Newark's Maynard Conkey in 1959; of the Yellowjackets' Marshall Saunders and William Penn's Bill Reader in 1958—and of Conrad's Jim Gregg and Wells himself this season.

Lloyd scored three touchdowns each in two games against Wilmington and De La Warr.

Two second-string Newark backfield men and Co-Capt. Art Carney shattered other individual or two-man records.

Sophomore Quarterback Mike Kubicek and Joe Hughes collaborated on a 75-yard pass play and Carney kicked six extra points. The pass play erased 70-yarders by Conrad's Lee McEaster and Brown last year.

NEWARK CHAMPIONS  
Our congratulations to Coach Bob Hoffman and his Newark High School Yellowjackets—co-champions of the Blue Hen Conference with John Modica's Brandwine High School—gridders. The Yellowjackets close a championship campaign today in a non-conference clash with Elkton High School—a rough test, indeed, for the out-manned visitors from just across the state line. To be a champion at anything takes a lot of doing, and to win the football championship of the Blue Hen Conference takes a particular lot of doing, with head and heart. We salute our young champs, their teachers, and coaches.

**OFF AND RUNNING by John I. Day**  
**Sam Purdy for President**  
George Washington bred, raced and won on race horses; a jockey named Charles Curtis became vice-president in Herbert Hoover's administration, and back in 1823 another jockey named Sam Purdy might have been named President, according to John Randolph, a statesman and amateur turf writer of the period. The occasion was the dramatic match race between American Eclipse, representing the North, and a challenger from the South named Sir Henry. Contemporary accounts of the event said that "few people were left in New York outside of Bridewell and the hospitals," and reported that over 60,000 were on hand at Long Island's Union Course. Sir Henry won the first of the three four-mile heats, and the failure of Eclipse was blamed on his rider, a lightweight youngster named Childs. The story goes that Eclipse's regular rider, Sam Purdy, had felt that he might be needed and had come to the course with his riding garb under his street clothes. In any event, he was substituted for Childs and proceeded to win the last two heats, whereupon Randolph, whose voice had echoed in the halls of Congress and the Senate for 34 years, loudly proclaimed: "If the President of the United States was elected by acclamation, Mr. Purdy would be our next President beyond a doubt!"

**Little League Title Contest Scheduled Sunday Afternoon**  
The Humming Birds and Stanton Clippers will meet Sunday afternoon on the Red Mill field in the first annual Capital Trail Little League Football Club championship game. The Humming Bird Juniors and Stanton Junior Snappers also will play. The Humming Birds tied the Clippers for first place last Sunday, defeating the Green Ghosts, 19-0, as the Humming Bird Juniors won over the Junior Ghosts, 25-0. All over the world people are seeking peace of mind, but there can be no peace of mind without strength of mind.—Eric B. Gutkind

Speaking of Money...  
**"Ben Franklin's magic formula"**  
Speaking for the Wilmington Savings Fund Society  
Today, the most important subject in your financial world, no matter who you are, is your savings. If you're not doing it, I know why you're not. It's because you have looked at the amount of money you can save in a week, and found it completely disappointing. There's another type person reading this who makes about \$150 a week and believes absolutely that he cannot save anything worthwhile. Therefore I ask both of you to look at your earnings in ten year segments. \$150 a week is about \$7500 a year. Now, multiply that by ten years, that's \$75,000. If you had it all piled in front of you right now, who would have the nerve to say he couldn't save some of it? No one. The solution is to also look at your expenses in ten year segments. That puts things in perspective. For example 30¢ a day for a shoe shine... that's nothing. But in ten years it's a thousand dollars. Put it that way, and a man might buy himself a shoe shine kit. Cigarettes... only a quarter a day... but in ten years—another thousand. Now if a man can send a thousand dollars up in smoke, can't he surely put a matching thousand in the sock? And so far we're only talking trivia. Make it a dollar a day, you're saving \$3,600 plus in ten years. Move it up to five dollars a day, that's \$18,000 in ten years. Still that's no fortune, you say. But now I come to my point: the money that money can earn. Put away savings, you're only walking up a stairway. But when that money begins to work for you, then you're walking up an escalator. For every step you take, your savings carry you up another step. \$5,000 as straight savings in cash in the house—no excitement. But \$5,000 at interest... that's something else. Then when the interest begins to draw interest... you're beginning to get somewhere. But if the \$5,000 is the down payment on an income-producing property, now you're shine kit. Cigarettes... only a quarter a day... but in ten years—another thousand. Now if a man can send a thousand dollars up in smoke, can't he surely put a matching thousand in the sock? And so far we're only talking trivia. Make it a dollar a day, you're saving \$3,600 plus in ten years. Move it up to five dollars a day, that's \$18,000 in ten years. Still that's no fortune, you say. But now I come to my point: the money that money can earn. Put away savings, you're only walking up a stairway. But when that money begins to work for you, then you're walking up an escalator. For every step you take, your savings carry you up another step. \$5,000 as straight savings in cash in the house—no excitement. But \$5,000 at interest... that's something else. Then when the interest begins to draw interest... you're beginning to get somewhere. But if the \$5,000 is the down payment on an income-producing property, now you're beginning to get leverage. Then if that income in turn becomes the down payment on another... then you thank yourself for those very first savings... however small. And the way to begin... is to begin... today. Ben Franklin deposited \$5,000 in the bank for the inhabitants of Boston, stipulating that they leave it one hundred years. In 1891, Boston drew it out and built Franklin University Technical School for \$400,000. They left it \$92,000. And that money has now grown to a million dollars. At the Savings Fund our business is to help people save regularly. Why not start a savings program with us and make it your Savings Fund, too. Your money will earn interest at the current rate of 3 1/2%. You can open an account with as little as \$5.00 in a Special Purpose account. You can open an account with full passbook privileges at any office regardless of the one at which you opened your account. You can even sit comfortably at home and bank by mail if you wish. Won't you drop in soon? **wilmington savings fund society**
