Dear Mr. Messersmith,

May I refer to the conversations we have had concerning my resignation from the staff of Mexlight. You will recall that we have often spoken about this matter during the last months and that you very kindly stated that I should only leave when it was convenient for me to do so, as you were satisfied that I could work for you until such time as I was ready to go. I wish again to thank you for this kindness and thoughtfulness.

I am still unable to specify the exact date of my departure; however I believe that it should be around the first part of October. I would therefore appreciate it if my resignation from Mexlight be effective on the last day of September.

As you know, this letter is written most reluctantly. I have worked for you and for Mexlight for almost six years. During this time I have had the opportunity of learning a great deal, and have received wise and affectionate guidance from you and from your associates. You know how grateful I am to you for this alone. My reasons for leaving are well known to you. I know you appreciate them.

My severance from Mexlight will be only physical. I need not assure you that should I ever be able to be of assistance to you and to the Company in the future, you need only call on me.

With cordial good wishes and sincerest thanks, I am

Very sincerely yours,

James H. Heineman
