Mr. George S. Messersmith,
American Consul General,
B E R L I N.

Dear Friend,

I duly received your letter of the 15th February from the States and I congratulate you most cordially on your new appointment. I shall be seeing you in Berlin before you leave for America.

Please give my love to your wife. I am sorry to say my wife has torn the muscles of her left leg and knee in a skiing accident.

With kindest regards,

Very sincerely yours,

Alfred Messersmith
