PRICE FIVE CENTS

CLUB HEARS PROGRAM BY WEBSTER STRING TRIO

New Century Members Given Varied Concept At Musical

The Webster String Trio, Barbara, Elaine and Joanne Webster, daughters of Mr. and Mrs. John C. Webster of Wilmington, were heard in a concert of chamber music on Monday afternoon at the regular meeting of the New Century Club. The concert was characterized by beautiful ensemble and excellent solo quality. The cellist was particularly fine for one so young, with an entire group showing great talent and natural ability. There was special interest in the fact that the violinist, Barbara, is a student of the University of Delaware.

The program included the first movement of the "Trio in B Minor" by Locatelli, "Orientele" by Cui and Beethoven's "Trio" number four in B flat major. Tchaikovsky's "Song Without Words" was played as an encore. Reports of various committees were given at the business meeting which preceded the program. Twelve new members were proposed by the membership chairman, Mrs. Carleton Douglas, and two former members resumed their membership. The president, Mrs. Richard Snyder, presided and gave a brief report of the State board meeting in Dover, and announcements were made of programs to come.

Mr. Wilmer Shue will be the speaker at the next meeting, which will be under the direction of the educational committee, Mrs. Barton Mackey, chairman, and on Nov. 26, Mrs. Harvey Wiley will come from Washington to address the club. Miss Nell Wilson was tea hostess assisted by Mrs. Middleton Hanson, Mrs. A. Wilkinson, Mr. James C. Hastings, George M. Haney, and Mrs. John S. Speicher. Mrs. Leon Ryan and Mr. R. W. Helm poured tea. The floral arrangements of chrysanthemums were the work of Mrs. Eastburn, chairman of the Arts.

The presentation will be at the service men's honor roll on Main Street, in Newark.

Officers of the Newark High School Student Council were installed at the weekly assembly period yesterday morning in the high school auditorium. Miss Anne Gallaher, faculty adviser, presided over the program with an enumeration of the year's activities to be sponsored by the Council. F. B. Kutz, high school principal, made a few brief remarks before installing Thomas Silk, Student Council President. Earl Walker, vice president; Shirley Hinkle, Secretary and Catherine Duffy, Treasurer were then inducted into office by the president and the entire body of representatives stood and took the pledge of office. Silk led the assembly in the Pledge of Allegiance. Following the installations, Miss Fitzsimons led the group in singing the Newark Alma Mater. Shoe Rationing Is Over But Footwear Still Scarce

The end of shoe rationing is a relief to M. Pilnick, owner of Newark's only store dealing exclusively in footwear, but he wasn't enthusiastic. "It certainly will be more pleasant not to bother with coupons," he said, "but I'll still have the big problem of getting merchandise." He doesn't look for any relief from the tight situation before the first of the year, if by then. A minor buying wave kept him busy today, as families took advantage of the order, since in most instances, it was the children who used up most of the coupons. Pilnick praised the local ration board, stating that the members often were responsible for issuing extra stamps to a hard-pressed family which might otherwise have had to do without shoes.

Yes, it's true that 2,100,000 miles of Long Distance telephone circuits are to be added to the Bell System next year. That's a lot of circuits. It's going to take a lot of pressure off our lines. But next year isn't now. So you'll still be Mr. Thoughtful to service men if you'll continue to make only essential Long Distance calls during the evening hours when they call home.

TO INSTALL NEW RECTOR

St. Thomas' Rites On Nov. 7

The Rev. William H. Hanckel, new rector of St. Thomas' Episcopal Church here, will be formally instituted at special services Wednesday evening, Nov. 7. The Rev. John E. Large, rector of St. Andrews Episcopal Church, Wilmington, and president of the standing committee of the Diocese of Delaware, will read the Evening Prayer, assisted by J. Fenton Daugherty, senior warden of the local parish and dean of men at the University of Delaware.

Following the Evening Prayer, the Service of the Institution of a Rector will be conducted by the Rt. Rev. Arthur R. McKinstry, bishop of Delaware. Refreshments will be served in the parish house following the service. The public is cordially invited.

Mr. Hanckel came here Sunday, Oct. 7, bringing to a close a period that the church was without the services of a rector. C. before coming to Delaware.

Relicensing Urged Of Agency Owned Cars

Because of slow response by operators of registration exempt car owners by state or semi-public departments, agencies, and other organizations, Motor Vehicle Division officials urge that the vehicles be reregistered immediately. These cars must obtain new tag inserts this month.

Frank L. Reed, manager of the Wilmington office, said there are 450 such vehicles in New Castle County including fire apparatus, police patrol cars, and other various types of passenger cars and trucks used by the agencies. No fee is required for these vehicles.

Of 3,783 motor vehicles in this county, whose tags expire Dec. 31, only 18 have renewed registration. Sales of permanent operators licenses in New Castle County now total 2,250. Mr. Reed also announced.

U. of D. Fraternities Plan 'Rushing' Season

Plans for the reorganization of the five fraternities at the University of Delaware were discussed last week at a meeting of a member of the alumni board of each fraternity with J. Fenton Daugherty, acting dean of men.

At present the combined membership of the five groups numbers only 20. The fraternities however, are prepared to resume operations on their former basis with the "rushing" season getting under way on Dec. 1.

Theta Chi, with eight undergraduates has the largest active membership at present and already has opened its house. The Sigma Nu house now occupied by the ASTRP men is expected to be vacated next term while Kappa Alpha also is planning to have its quarters in readiness soon. Sigma Phi Epsilon and Sigma Tau Phi likewise are preparing to resume their pre-war status.

PREMIERE PROMISED

Victory Loan Aid Assured

The State Theatre will sponsor another Victory Loan Premiere sometime in the near future in cooperation with the government and the Victory Loan Drive which began on October 29.

Louis Handloff, proprietor of Newark's only movie house, said yesterday. Mr. Handloff has just returned from Philadelphia where he attended a meeting of motion picture owners in this section. Every theatre represented at the meeting pledged its cooperation in the drive and volunteered to sponsor premieres in their communities as evidence of their loyalty and support.

The date and presentation of the local premiere will be made public just as soon as negotiations for an appropriate attraction are completed. Mr. Handloff said. In the meantime Victory Bond purchasers are urged to specify their desire for premier tickets when they make their purchases at either of Newark's banks.

How to Modernize Your Home with Shorgas

AWAY with smelly wicks, messy ashes, smoky walls. No more raking fires, panning oil, no more tiresome heating of water for dishes and laundry. Shorgas brings to the country home all the advantages of modern gas equipment. Best of all your kitchen can be a bright, clean, modern workshop of which you'll be proud.

SHORGAS—The Modern Wonder Fuel

For fast, clean, really good cooking you can't beat gas. Instantly hot, the Shorgas flame can be controlled to any desired heat for even roasting, baking or broiling. While a gas refrigerator, with no moving parts, provides perfect food protection, all the ice cubes you want, is silent and operates longer at low cost. Oceans of hot water, so important for nearly every household task, are ready when you want it with an automatic gas water heater.

Why SHORGAS is Best

1. A small, permanent Shorgas tank with a meter is installed outside your house.
2. Each month the Shorgas man reads the meter, refills the tank, charging only for the gas used.
3. You pay after you have used the gas, not before.
4. A fleet of Shorgas service trucks assures you of never-failing FREE service.

Plan your modern kitchen now! Your local appliance dealer will be glad to explain how you can get gas equipment and Shorgas service.

Send for FREE booklet and get full information about Shorgas. Address postcard to Shorgas, Snow Hill, Maryland.

16 JOIN RED CROSS CLASSES

Home Nursing Studies Report Given At Session

The October report of the vice-chairman, Mrs. Walter Hullihen, shows that the Red Cross is continuing quite active in Area Number One. Two classes have been organized in home nursing with an enrollment of 16 members; one in the school is conducted by the school nurse and that in the college by the college nurse. There are not enough members enrolled to form one of the streamlined courses and arrangements were made for several to attend the classes in Wilmington. Other names are being held until the required number is attained. Mrs. Howard Preston is chairman of this committee.

Under Mrs. Milton Draper, chairman, all the schools in Area One have been enrolled in the Junior Red Cross with a total of 1643 members and contributions amounting to \$204.98. All the schools in the area are filling Christmas gift boxes, which will mean 94 boxes. The sewing room has completed 62 pair of rompers, 33 children's pajamas, 6 ditty bags, and 4 baby sets, while the chairman of knitting Miss Carolyn Chalmers, reports 27 beanies, 6 sweaters, 2 mufflers and 12 afghans. The production total shows 44 workers spent 1425 hours in work for the Red Cross in this area.

BOND DRIVE SPEECH TOPIC

Capt. J. Dordan Talks To Grange

Capt. John Dordan of here spoke on the Victory Loan Drive and showed motion pictures in connection with the campaign at a meeting of Harmony Grange Monday night in the grange hall. The worthy overseer, Edgar Walker, presided and James Ginn, worthy master of Peach Blossom Grange of Middletown, extended greetings. Fifteen members of the Peach Blossom organization were visitors.

In memory of the late George Dempsey, father of the worthy master, Norman Dempsey, the charter was draped and a resolution was read.

The grange was unable to accept the invitation of Center Grange to meet with them Nov. 7, but will visit them at a later date. Fifty members of Harmony Grange plan to attend the meeting at Smyrna Nov. 6 when the sixth degree will be given.

The hospitality committee is sponsoring a games party to be held Nov. 25 with white elephant packages as prizes. A class of 15 candidates will be given the first and second degrees Nov. 5, and officers will hold a rehearsal of the degree work Sunday evening. Mr. and Mrs. Harry Little were reinstated as members. A covered dish supper preceded the meeting.

FINAL RACE MEET NOV. 3

Harness Events Here Saturday

The Homewood Driving Club's final harness race meet of the current season will be staged on the S. E. Dameron track, east of Newark, Saturday afternoon, November 3, with the first of the five-race program slated to go to the post promptly at 1:30 o'clock.

For the first time this year, prizes will be awarded the winners of each event in the following order: First—stable blanket; second—head halter; third—lead strap. The events will consist of a Class A pace and trot, Class B pace and trot and a mixed event, two best heats out of three.

Horses from Chestertown, Dover, Van Dyk, Paulboro, N. J., and other nearby points will compete. Officials for the affair will be: Lewis Seth, starter; B. B. Kilmon, timer; J. Wirt Willis, H. D. Goodlett and Harry Nicholas, judges.

Mischief Night Antics Keep Police On Alert

"The roughest night we've had in years," was the comment by Chief of Police William H. Cunningham, in describing the mischief done by Newark's youngsters here Tuesday night.

He was referring to the milk bottles smashed and strewn over the streets and pavements, the soaping of windows and the littering, by paper, of the town in general. His department received more than 20 complaints, he said, adding that some action might be taken if some persons decide to press the charges.

The entire force was kept busy on the streets, helped out by several men pressed into service for the night. Cunningham confiscated soap and paper found in the boy's possession.

By 9:30 p. m. it was all over, but not before irate householders had spent part of the evening cleaning up after the mess.

Court Of Honor

(Continued from Page 1)

Wilmer E. Shus, superintendent of Newark Schools, spoke on scouting. Renewal charters were presented to Troops 55 and 56 by Mr. McCann. A charter was also presented to Sea Scout Ship "Growler", Troop 56, which had previously operated as a patrol. John H. Cronin is skipper of the ship.

Dr. Manns served as presiding officer of the Court of Honor, assisted by Dr. John R. Downes, Gerald M. Gilligan, Paul D. Lovett and Arthur E. Tomhave.

Dr. Downes presented Second Class badges to Ted Davis and John Dear of Troop 56.

James Lewis and Jay Steiner, Troop 55, and Thomas Sheaffer, Troop 56 were awarded the rank of Star Scout, and Edmond Stout and Joseph Stout, Troop 56, were presented Life Scout badges.
