Mr. George S. Messersmith,
American Consul General,
BERLIN.

Dear Mr. Messersmith,

Allow me to introduce Mr. Edward
J. Barry, of San Francisco.

Mr. Barry has come to Europe in
connection with the will contest in which Mr. Horn is
interested. He is a partner in the firm of attorneys
of which Mr. Roche, the executor of the will in question,
is also a Member.

I have been asked by Mr. Gordon
Auchincloss to "extend every courtesy and help possible"
to Mr. Barry, and feel I cannot do better to further his
investigations in Germany than to recommend him to your
kind reception.

Any assistance you may be so good as
to render Mr. Barry will, I gather, be highly appreciated
by Senator Johnson, who is a Member of the same firm, as
also, of course, by our friend Mr. Horn.

With kindest regards,

Yours very sincerely,
