Dear Mrs. Messersmith:

Just in case you missed seeing the article regarding Mr. Messersmith in Monday's New York Times, I am sending you a copy of it. What the article contains is not news to you, but it is interesting that the contents are newsworthy 22 years after they occurred.

We are still enjoying your lace candy. It is delicious, and we are rationing it to make it last longer. June has just returned from California where she spent close to three weeks. I need not tell you again that our house is su casa. We would love to have you stay with us again whenever it is convenient to you.

With all best wishes, I am

Sincerely yours,

James H. Heineman
